Chapter 3711

Koen waved his hand, gesturing to his subordinates to shut the door.

He then took a step forward and glared at Harvey.

"As far as I know, it hasn't even been a few weeks since you've known Amber and the others."

"I'm pretty sure the relationship between you people isn't as close as you portray it to be."

"You're here to get back at me for them? What a joke!"

"In this day and age, every man fights for himself! Do you really think I'd believe your stupid lies?"

"I know exactly why you're here right now!"

"As long as you ignore Amber's incident and forget about what happened today."

"As long as you don't say a single word about this..."

"I have a check worth one hundred and fifty million dollars for you. Consider this a gift for our friendship!"

Koen painstakingly pulled out a check.

This was given to him by the Indians...

Yet, he had to pull it out before he could even warm it up in his pocket; he was completely infuriated by this.

That said, he had no other choice.

If he didn't fix the situation, not only would his reputation be completely ruined, but he'd probably die a horrible death and be remembered throughout history.

“One hundred and fifty million?!”

Everyone gasped after hearing that number.

Nobody expected Koen to be that generous.

With this, they finally believed the accusations Harvey was making.

If not, why would Koen give Harvey so much money?

The check went right into Harvey’s hand. Harvey smiled curiously and looked at Koen.

“Take the money and get out of Flutwell!”

“Stop getting involved with Longmen and India!”

“Forget this ever happened!”

Koen flashed Harvey a threatening glare.

“Don’t think I’m scared of you just because I’m giving you the money! Don’t think I’m scared of the truth getting exposed, either!”

“I just don’t want you to ruin my engagement banquet!”

“Let me tell you something! Golden Palace will forever be the king of Flutwell!”

“Even Longmen would have no choice but to bow to us!”

“Nobody would dare criticize me, even if your proof were to spread!”

“They’d only curse me behind my back before buttering me up again!”

“I have the final say for Golden Palace’s outer circle, after all! I am the regent for the lord!”

“You better know what’s good for you!”

“If not, not only will you not be able to get the explanation you want, but you might just die a horrible death here!”

“Your subordinates are good, but how many of my men can they go against? A thousand? Maybe ten thousand?”

Koen pointed at Rachel.

“Even if she can fight, can she go against firearms and armored vehicles?!”

“What can she do with just her body alone?!”

To Koen, Harvey was only acting arrogant because of Rachel and Layne’s support.

No matter how strong Rachel was, she wasn’t good enough to deal with raining bullets.

“That’s right! Take the money and leave!”

“Our status in Golden Palace is not something a country bumpkin like you can even begin to imagine!” Emily screeched coldly.

“You think that you have the upper hand, but in truth, you’re nothing to us!”

Chapter 3712

Emily glared fiercely at Harvey.

“Don’t think you can boss us around just because you have the footage!”

“Don’t think that these people will side with you, either!”

“Let me tell you something! They’re all related to me!”

“No matter what we do, they’ll never stand on your side! Rather, they’d forget everything that ever happened!”

Emily looked around her with a cold gaze.

“Come on! Tell this young man what you saw and heard!”

Naturally, Emily wanted to test Golden Palace’s authority and status in Flutwell.

The guests exchanged glances before shaking their heads.

“Nothing! We don’t know anything!”

Emily’s face darkened in an instant.

“How could you not?! You saw this man here hurting everyone, didn’t you?!”

“He even conspired with the enemy to poison Amber and the other young talents right in front of our faces!”

“We need to take revenge for them!”

The guests nodded in unison upon hearing those words.

They weren’t idiots; more importantly, they had an extremely good relationship with Koen and Emily.

Under these circumstances, they would naturally stand against Harvey.

They didn’t care about things like logic and reason at all.

“Well? Now you know there’s no point threatening us here, right?”

Emily was satisfied; she then glared coldly at Harvey.

She wasn’t happy with Koen giving Harvey an out, so she decided to take matters into her own hands.

Harvey’s emotions remained the same as he held the check.

“What a huge amount of money! Mrs. Bennett is quite fierce as well...”

“No wonder the Indians wanted to work with you! You two make a good team!”

“It’s a shame your tactics are useless against me.

“I don’t need the money.”

“Your warnings mean absolutely nothing to me too.”

Rip!

Harvey instantly tore the check into pieces. He gulped his tea down before standing up with a faint smile.

“Your threats and confessions only solidify the fact that you’ve poisoned Amber and the others.”

“You want them out of tomorrow’s match!”

“You want the Indians to win without a hitch!”

“You’ll definitely pay for betraying your own country!”

“Looks like you don’t have any intention to justify your actions, either.”

“If that’s the case, I’ll do it myself.”

Koen’s expression changed.

“You really think you can lash out however you want here?”

Emily shot him a frosty look.

“You really want us to go hard on you, you b*stard?!”

“People who commit treason would usually die in my hands...”

Harvey ignored the infuriated couple. He crossed his arms, his calm face now cold.

“But if I do that, you’ll have an easy way out!”

“That’s why I decided to make you two kneel on Flutwell’s Peak when I win tomorrow’s fight.”

“I don’t know if you’ll be ripped to shreds when that happens...”

“Because the crowd will be the one deciding that!”

“Another thing: I’ll give you one day to bring me the antidote of the Life Elixir.”

“If I still don’t see the antidote by then, I’ll make sure that you burn!”

“Of course, you don’t have to believe me. You can try resisting, if you like.”

“But if you do, you won’t get anything good out of it...”

“Even if you’re from Golden Palace.”

Harvey shot them a cold glare before walking out slowly of the door with his arms crossed.

Koen gritted his teeth when he saw Harvey acting so arrogantly.

“You think you’re impressive, Harvey?!”

“You’re making us kneel on Flutwell’s Peak and bring the antidote?!”

“You threaten Golden Palace too?!”

“Who do you think you are?!”

“Do you even have the right to do that?!”

“Let me warn you! You’re dead when I report this to my brother Adrian!”

“You’ll be the one ripped to shreds—not us!” Emily yelled, her face fierce.

“You think Golden Palace is just bluffing?!”

“It’s already too late for you to kneel!”

“But we don’t have to deal with you right now...”

“Longmen is destined to lose without Amber and the other young talents fighting!”

“When you lose all hope, I’ll make you understand your fate of going against Golden Palace!”

Harvey stood still just as he was right in front of the door; he frowned before slowly turning around.

“I was about to give you one last chance, for the sake of us being on the same side.”

“But if you insist on being a bunch of ignorant, shameless, and traitorous people who have no guilt

“I’ll have to make sure you’re severely punished for that.”

Harvey made a gesture.

Rachel lightly nodded before waving her hand.

A bright glare flashed out in an instant.

“Aaagh!”

Koen and Emily’s legs were instantly snapped; they fell to the ground at the same time before wailing in pain.

They didn’t think that Harvey would actually cripple them in front of so many people!

Under the crowd’s shocked gaze, Rachel held the umbrella for Harvey and they left the place.

The guests exchanged glances; they wouldn't even dare stand up against Harvey and the others.

Even though they were filled with hate and resentment, seeing Koen and Emily's legs snapped in half was enough proof of Harvey's strength.

They instinctively looked at Smoke, the current strongest martial artist in the place, and realized that he had already passed out after banging his head to the ground.

A cold shiver ran down the crowd's spines; they were filled with utter rage and fear as well.

Something big was about to happen then!

Late at night, at the Flutwell Police Station.

Harvey was sitting inside the interrogation room after leaving Golden Courtyard.

Ansel had a bitter smile on his face; he wrote down Harvey's testimony before letting out a long sigh.

"Did you actually get someone to cripple Koen and Emily in front of so many people?"

"With your status and identity, you should know that those two are prominent figures of Flutwell! This is going to be hard to deal with..."

"If you didn't come here on your own, we'd have to hunt you down even if Golden Palace doesn't come for you."

Chapter 3714

"First things first," Harvey said calmly.

"I'm the one who reported the incident. Amber and the others were poisoned."

Ansel chuckled bitterly.

"Judging from what you told me, the tea they drank must've been digested for quite a while already."

"We'll get Mr. Rudolph and his team to extract their gastric juices for testing."

"But even if we have proof, this is just physical evidence; we're lacking any testimonies."

"We've already sent our men to talk to Koen and Emily."

"However, every single one of them was chased out of Golden Palace!"

"At the same time, they're accusing you of hurting people!"

"Because of this, the incident was reported to the highest order; a few elders of the royal court sent word, saying that the country's reputation is involved and that they want this incident solved as soon as possible."

"If Koen and Emily did poison Amber and the others and conspire with the enemy, they'll be heavily punished!"

"Golden Palace would be dealt with accordingly for covering up criminals!"

"The Indians would have to pay too!"

"They said that even though Country H is a generous and civilized country, we won't allow others to trample all over us either!"

“Thank goodness those people know what to do. If not, I would’ve given them a lesson myself.”

Ansel’s eyes twitched when he heard that; he was reminded of who Harvey actually was. If Harvey really lashed out at the elders of the royal court with his true identity, they’d have no choice but to stand down as well.

Harvey took a sip of hot tea, ignorant to Ansel’s thoughts.

“That said, you need to deal with this carefully.”

“This is a fight between Longmen and India—this is war!”

“If any sort of scandal were exposed, the people involved would be shamed internationally!”

“Since the Indians dared to poison the young talents like that, there’s no way they’d leave any trails behind.”

Ansel nodded; before he could say something, his phone started vibrating. After picking up the call, his expression changed.

“You’re right, Sir York!”

“The Indians are fully prepared!”

“The woman who poisoned Amber and the talents jumped into a lake after leaving a suicide note! Her whereabouts are currently unknown!”

“Koen and Emily are being protected by Golden Palace; we won’t be able to interrogate them at this point.”

“Your testimony isn’t crucial either.”

“Without any solid proof, if we accuse the Indians of something this despicable, they might bite us back and claim they’re being slandered, and that we’re the ones who put up the show...”

“At this point, it’s just too difficult to go against them!”

“They actually came prepared!”

“Since we can’t find a way to deal with them, we’ll just have to wait and see.”

“It’ll be better for me if I can trample all over those people...”

“But since we have no proof for now, all I need to do is to beat down every single one of them in the ring.”

“Crushing their hopes and dreams is a lot better than taking revenge, anyway.”

If Harvey wanted to, he’d have countless ways to deal with Axel...

However, he believed that it would be best if he won the fight fair and square and forced the Indians to their knees.

Chapter 3715

“With you here, Sir York, those people have no chance!”

“That said, they’re extremely cunning so you should be careful.”

After reminding Harvey of the danger, Ansel changed the subject.

“Right, Princess Wright knows about the situation as well. She’s furious about it too.”

“She was angry about the young talents of Country H being in such a sorry state.”

“It’s a shame that she has an extraordinary identity, she isn’t allowed to interfere.”

“That was why she asked me to tell you something: if you need any help, as long as it’s within her power, she’ll do everything to lend you a hand.”

As the Big Boss's daughter, Sienna's identity was quite extraordinary.

If she was involved in such a controversial war, not only would she cause a huge uproar, but the Indians would probably find another excuse to blame on.

But since Sienna asked someone else to send word, this was enough to show her feelings for her country and its people.

"Thank the princess for me. Tell her that I can handle this for the time being."

Harvey smiled faintly.

"What happened to Amber and the talents is quite inconvenient, but in the end, it won't affect anything."

"I planned to deal with the Indians alone, anyway."

"We're back to square one."

"Besides, even the Three Demon Monks won't be able to do anything to me together..."

"Let alone Axel and the three top talents."

If Axel kept crossing the line and infuriated Harvey, he would probably get serious and crush the

Indians without hesitation.

Ansel sighed.

"Did you forget? There are only two Demon Monks left!"

"That said, Axel's a lot harder to deal with! His schemes are all pretty impressive; they all come one after another!"

"He got Koen's men to poison Amber and the talents; he got Zoe to try to seduce you, and then he forced you to go against Golden Palace!"

"It's good you didn't kill Koen and Emily. If not, we'd have to make you sit here for forty-eight hours!"

"When that happens, everything will be done for!"

"I suspect Axel was even waiting outside Golden Courtyard, waiting for you to finally kill someone!"

"Looks like we'll have to keep our guard up against those people..."

"They're tough nuts to crack."

"India has been competing against Country H in the far east for many years; they're desperately trying to become one of the world's strongest countries."

"A country like that would naturally have the strength and the courage to carry out their duties. Of course they'd be formidable opponents."

"There are a lot of experts in India including Axel. It's enough to show his status and capability for him to be leading a group of them here."

Ansel laughed.

"It's a shame you're his opponent."

"Alright, that's enough talk for now. Just pay up a small bail as a pretext and you'll be able to get out of here in no time."

"I'll handle the rest; Amber and the others included."

"We won't let you worry about anything else other than the fight ahead."

Harvey nodded before turning on his phone; he saw a text from half an hour ago, from Queenie.

Chapter 3716

At six o'clock in the following morning, at the Flutwell Hospital.

A harsh wind was blowing in the air

The tallest floor of the inpatient department was filled with the smell of alcohol and blood,

Experts of Golden Palace's outer circle were all lying on the sickbeds, covered in blood

They weren't dead, but they were completely crippled

Some had a chance to recover after a few weeks, but most of them were fated to be ordinary people for the rest of their lives

Koen, Emily, and Smoke had gone through an entire night of surgery.

One of Smoke's hands was permanently gone.

Koen and Emily's legs couldn't function any longer,

Simply put, the three were crippled for life.

"This is bullsh*t! There's no way!"

After waking up, Emily gritted her teeth in anger before she started bawling her eyes out.

She was still a beautiful young woman the day before, but she had turned into a cripple in a blink of an eye.

Who would be able to take in such a reality?

Koen's face was completely pale; his reign had already ended the moment his legs snapped in half!

He was going to be the regent of Golden Palace's lord...

However, those dreams were long gone.

For an ambitious man like Koen, this was completely unacceptable.

Vroom!

Eight golden Land Cruisers parked right in front of the hospital; many men in golden robes quickly lifted two men into the building.

The patients and medical staff who had no time to react were instantly kicked to the side.

Yet, they wouldn't dare say a single word after seeing their clothing.

The entire place fell into utter chaos.

The person walking at the very front was a five-foot-six elderly man with a slouching back and a folding fan in hand; everyone who saw him thought of him as extremely dignified.

The one beside him was a young man in a white suit.

He had a handsome face and a jaw as sharp as a razor blade.

The aura seeping out of his body was a lot stronger than the tall and strong men behind him.

These two were none other than the elder of Golden Palace's outer circle, Dane Benett, and the disciple of the inner circle, Adrian Bierstadt!

They were training inside Golden Palace when they quickly came over after receiving word about Koen and Emily.

They went to the tallest floor, their faces as cold as ice, and showed up in front of the couple.

"Brother! Father-In-Law!"

Koen struggled to straighten his body and stand up.

He seemed completely helpless.

"You need to help us!"

"I can't stand anymore, Father! This isn't right!"

Emily raised her head with a bitter look.

She was an elite; she had a whole life ahead of her! She wouldn't be able to deal with such a fate!

She wanted to stand up; she wanted to be normal again.

"Don't fret, my child. I'll make sure you stand again!"

"If the doctors here aren't good enough for you, we'll go to Hong Kong, Mordú, or even Wolsing just to fix you up!"

"If that doesn't work, we'll go to New York or London!"

"And if that doesn't help either, we can ask for the Immortal Pavilion's help! I'll endure any shame just to make you stand up again!"

Dane's face darkened as he caressed his daughter's head.

"I'll make sure to take revenge for you! You have my word!"

Chapter 3717

"What happened, Koen?"

Adrian lit up his cigar and blew out a puff of smoke, his expression horrible.

"Who hurt you this badly? He even managed to cripple Smoke!"

Naturally, he didn't know anything aside from the fact that Koen and his fiancée were crippled.

"It's Harvey York! The guy who owns Martial Hall!"

"He had a strong bodyguard with him! Layne was with him too, that traitor!"

“The bodyguard was just too powerful! Even Smoke couldn’t take a single hit against her!”

Koen explained the entire situation soon.

That said, he never said why Harvey showed up; he only emphasized Harvey’s arrogance and the tricks Harvey pulled.

“Harvey? He’s the provincial champion of the Longmen Summit, is he not?”

“How dare he go against the Golden Palace, on top of disrespecting the Indians?!”

“We have a traitor to deal with as well…”

“Interesting! Very interesting!”

Dane revealed a cold smile, his eyes filled with murderous intent; he’d chase down every single person who laid even a single finger on his daughter.

Adrian nodded.

“No matter what Koen and Emily did, this is Golden Palace’s business!”

“How dare an outsider get involved in such a situation?!”

“He must have a death wish!”

“I’ll handle this,” Adrian said calmly.

“We give Martial Arts Alliance so much money every single year; it’s time for them to do some work.”

Adrian was a smart man; Harvey’s actions infuriated him, but he still decided to let other people test out Harvey’s limits first.

“I’ll listen to you, Young Master Bierstadt,” Dane exclaimed coldly.

He naturally knew how the Martial Arts Alliance operated.

When the doctors sent the couple to the intensive care unit, Adrian and Dane went to the rooftop. After placing their subordinates around the place and

making sure there was no one else there, Adrian took a long, deep breath and spoke up.

“Elder Benett, do you think Koen and Emily came in contact with the Indians? Do you think they’re

conspiring with the enemy?”

Dane lit up a cigar and remained silent for a moment.

“Young Master Bierstadt, there’s no point hiding it now.”

“Do you really think your brother has the right to marry my daughter without the Indians’ help?”

“But...”

Adrian frowned; he wasn’t an experienced man in the underworld, but he knew full well that conspiring with the enemy was a heinous crime, and that the higher ups of Golden Palace wouldn’t be able to accept that.

“Enough.”

Dane’s expression was as cold as ice.

“After all, relationships and connections matter in this world-they’re precious. Fighting and killing won’t be able to solve anything.”

“Besides, we’re only making the young talents sleep for a few days. We’re basically protecting them! After all, we wouldn’t want them to be killed by the Indians at such a young age!”

“As for Longmen’s loss, what does that have to do with Golden Palace?”

“Do they think they can actually represent the entire country?”

“Who do they think they are?!”

“Also...”

Dane took a huff of his cigar, his face growing colder by the minute.

“Since Koen’s knee-deep in this mess, you don’t actually think that you have a chance to stay out of it, do you?”

“You have to make compromises sooner or later!”

Adrian chuckled bitterly. His gaze was ice.

‘At this point, there’s no choice but to stick to this...’

Chapter 3718

Early in the morning the next day, Harvey arrived at Flutwell’s Peak.

Bryce, Fisher, Damian, and a lot of other people were already there.

There was a woman in the crowd who made Harvey take a few more glances.

She seemed like she was twenty-eight at most; she had a slender body and long hair fluttering in the air. Added with her exquisite makeup, nobody would ever forget such an appearance.

She radiated a feminine aura that compelled any man to glue their eyes on her.

Anyone would desperately try to either conquer such a woman, or kneel in front of her and call her “queen.”

That said, Bryce and the others didn’t look at the woman at all; they were showing horrible expressions, as if they were being greatly pressured.

“Vice Master, Elder Steele. What’s the matter?” Harvey asked after taking a sip of the coffee that Rachel brought.

“Are you worried about the fight?”

“It’s fine. With me here, they can’t do anything.”

“I was planning to take them out by myself in the first place, anyway.”

Harvey thought that Bryce and the others knew about Amber and the young talents being

poisoned, and that they were worried because of this incident.

“You don’t have to participate in the fight anymore, Harvey!” an elder exclaimed, glaring at Harvey.

“We still have fourteen fighters. They’ll be participating for Longmen instead.”

“You must be busy. You should be resting at home!”

“We’ll remember your contributions.”

Fisher’s expression changed.

“Elder Bauer! You may belong to the Bauer family, but you don’t have the right to say something like this, do you?”

“We haven’t even decided on this, yet you’re already stopping him from participating?”

“How is this fair?”

“I’m a straightforward man-I speak from my heart. More importantly, everyone knows just how important this fight is!”

Elder Bauer ignored Fisher before turning to look at the woman with beautiful makeup.

“Since Representative Osborne is here on behalf of the Martial Arts Alliance, Harvey should refrain from joining the fight!”

“This is war! It’s too risky for him to fight!”

Harvey glanced calmly at the woman.

“This here is the representative of Country H’s Martial Arts Alliance, Rhea Osborne.”

“Not only are Flutwell’s martial artists being governed by her, but the sacred martial arts training grounds from the southeast region would also have to pay their respects to her.”

“Her arrival represents the will of the Martial Arts Alliance.”

Rhea looked back at Harvey before saying calmly, “In any case, you should stay out of this fight.”

“Or rather, you don’t have to show up here from now on.”

“We don’t need you here!”

Harvey squinted at Rhea; judging from her surname and attitude, he knew that she was a member of one of the hidden families.

That said, Harvey ignored his past with Clyde and his family for the time being and looked at Bryce.

“What’s going on here, Vice Master?”

“You should know, our remaining fighters have already lost against India’s top talents before.”

“It’s not that I’m being cocky. Other than me, nobody else can beat Danny and the others right now.”

Of the A Potato-Loving Wolf stories I have ever read, perhaps the most impressive thing is Harvey York's Rise to Power. The story is too good, leaving me with many doubts. Chapter 3719

“More importantly, I’m Flutwell’s provincial champion.”

“I never lost against the Indians either.”

“At least give me a reason as to why you don’t want me to fight.”

Harvey raised his doubts; he didn’t want Longmen to be made fun of without any reason.

Rhea squinted at Harvey, and then chuckled coldly.

“We all know you’re the provincial champion. We know you’re a strong fighter too. We were looking forward to seeing you in the ring...”

“But we just don’t trust you anymore.”

“And since we wouldn’t want to use someone we don’t trust, we’d rather give the chance to somebody else.”

“Everyone can rest assured if that’s the case.

“You don’t trust me?”

Harvey narrowed his eyes.

“Why don’t you make it clearer for me instead?”

Rhea scoffed.

“How do you still not understand?”

“I really don’t. If you can actually convince me, I’ll resign on my own volition.”

Harvey replied with a cold glare.

“But if you can’t, you’ll have to leave immediately.”

“You don’t have a say in Longmen’s matters anyway!”

“You...”

Rhea’s face darkened in an instant after hearing Harvey’s words.

“I wanted to give everyone an out for the Vice Master’s sake...”

“But since you’re being this stubborn, don’t blame me for disrespecting Longmen this way!”

“Let me ask you something: did you meet up with Zoe yesterday?”

“I did. So what?” Harvey replied.

“I’ve already reported this to Longmen.”

“She wanted to buy me off, but I rejected her. Is there a problem?”

Bryce showed a horrible look before nodding curtly.

“He did say that.”

“Is there a problem with it?”

Rhea laughed coldly.

“What do you think?”

“Amber and the young talents got poisoned right after you met with Zoe!”

“A hundred and fifty million dollars were transferred to a card under your name from overseas! We’ve already investigated the situation with the international bank; the money was transferred from a lot of different accounts, but it definitely came from the Indians!”

Rhea made a gesture, and someone sent over a document.

This was the bank’s statement; it clearly indicated that someone sent the money at twelve o’clock last night.

The most surprising thing was that this was the card Harvey used to keep all the pocket money Mandy gave him back in Niumhi.

After all the events that happened, the card was nowhere to be found; since there wasn’t a lot of money in the card, Harvey didn’t bother requesting a new one.

He didn’t think that the card would suddenly end up with the Indians. What a curious turn of events

Harvey was toying with the Indians, but it seemed they had tricks of their own too.

“Tell me! Is this card yours?!”

Rhea’s face was as cold as ice.

“It is, but it’s been lost for a long time,” Harvey replied truthfully.

“You should be able to tell that I wasn’t using the card for the longest time. The account will probably be frozen after a little longer, too.”

“I don’t know how the Indians got the card, but they’re only doing this to cause infighting between us.”

“If I actually wanted to sell myself out, don’t you think I wouldn’t be stupid enough to let them give me the money this way?”

Chapter 3720

Rhea chuckled.

“We didn’t say that you were bribed, Harvey!”

“We didn’t say that you betrayed the country either!”

“After all, we still acknowledge you as a prominent figure here.”

“But you need to understand. For the safety of the country, we can’t allow you to be in the ring!”

“Think about this: Amber and the talents were poisoned immediately after you met with Zoe! A hundred and fifty million dollars were transferred to your card as well!”

“Tell anyone on the street about this, and they’ll say that you’re untrustworthy!”

“For the sake of the bigger picture, you won’t be getting into the ring today.”

“We’ll investigate the situation further before saying anything more.”

“There are still fourteen fighters left; even if they’re no match against the remaining Indians, we still have time until the fifth day!”

“We should be able to make everything clear in the next four days.”

“This isn’t a request, Harvey-this is an order!”

“I don’t care what you think; we only want to know what happened to Amber and the talents.”

“If you want the truth, just ask Koen!”

“Enough! You think I don’t know about you causing trouble in Golden Courtyard?!”

Rhea’s expression changed slightly.

“Adrian gave me a call about it this morning!”

“He’s not asking you to justify your actions...”

“Yet, you’re here telling us to investigate the Golden Palace?!”

“Do you really think that we’ll believe you after you meet with Zoe? That you can just shift the blame to Koen?”

“You don’t need to show off your strength either, maybe our fourteen fighters will crush the Indians after finally learning their lesson.”

“When that happens, you’ll know that you’re completely useless despite being the provincial champion!”

Harvey sighed.

“You’re helping your enemies by doing this here, Representative Osborne.”

“Heh...”

“Are you lecturing me?”

Rhea glared coldly at Harvey.

“Let me tell you something. You’re not getting into the ring! If I were you, I’d think of a way to wake up Amber and the talents!”

“If they don’t wake up and prove your innocence...”

“I’ll make sure you die a horrible death!”

Because of Rhea’s assertiveness, Harvey was temporarily put on hold after everyone made the decision through a vote.

She strutted back to the entrance, waiting for the other provincial champions to reclaim their pride.

“I’m sorry, Harvey. I didn’t know things would turn out this way.”

Fisher let out a huge sigh.

“We’ve already been arguing about this since last night!”

“But after Representative Osborne came, everything was set in stone.”

“Those guys think that it’s too risky for you to fight!”

“They think the morale on our side will be completely gone if you lose!”

“These old b*stards! I’m ashamed to even be on the same side as them!”

Fisher felt extremely guilty.

“I knew they’re just scared of Rhea-they’re only scared to take responsibility!”

Harvey smiled.

“No need to blame yourself for this, Vice Branch Leader.”

“It’s not that they don’t trust me; in their eyes, it’ll be a loss for them if I win my match too quickly.”
