“Scared?!”

Pedro Benett burst out laughing after hearing those words.

“Why would I be?! Are you kidding me?!”

“Do you think you have the right to show off in front of the Benett family just because you managed to cripple my cheap sister and brother-in-law?!”

“You ignorant fool! You must have a death wish or something!”

“To be honest with you, the Golden Palace prepared eight experts just to deal with you!”

“Each and every one of them can easily crush your damn bodyguard!”

“If I were you, I’d give up right now and stop going against the Golden Palace!”

“After all, you’ll be in deep trouble if you do!”

“What do you want?” asked Harvey York calmly.

“Simple!”

Pedro took a huff of his cigar.

“Number one. Since you can’t realize my shares in the company, you’ll have to give me all the shares you have instead!”

“I’ll buy them off for a hundred and fifty thousand dollars! I have the final say in this!”

“Number two. Since you hurt my sister and brother-in-law, you’ll have to give me a fair statement about this. Break every single one of your limbs right now!”

“Number three. Your wife looks pretty good. Get her to accompany me for a month!”

“Well? Are you going to oblige?”

"If you do, I'll make sure your dispute against the Golden Palace will be forgiven."

Harvey's face darkened as he showed a cold gaze.

Pedro immediately waved his hand, as if he did not see Harvey's expression.

"You, you, you, and you, get the contract ready.

"Get Mandy Zimmer to sign it and send her to my resting room.

"I need some rest."

Pedro's look on his face was unspeakably wretched at this time.

Harvey made a gesture, telling Mandy that there was no need for her to speak up.

"What if I told you I won't agree to any of those conditions?" replied Harvey while calmly looking at Pedro.

"Not even a single one?"

Pedro slowly raised his head before he showed Harvey a serious glare.

"What right do you have to reject me?"

"Two things will happen if you do..."

"Number one. I'll have my thirty percent share realized from your wife's company! Not a single dime less! "Number two. The experts of the Golden Palace will cripple you yourselves!"

"Not just that, I'll get them to take out your entire family! We'll also dig up your ancestors just to burn them to a crisp!"

"As for your wife, contrariwise, she'll still be in my hands. That said, she won't just stay with me for an entire month. I'll be playing with her until I have enough fun!"

"Do you see the difference?"

"I don't."

“It doesn’t matter if you agree or not.

“The only difference is whether I need to do everything by myself or otherwise.

“Come, Harvey! Answer me properly. Are you accepting my three conditions or not?”

Slap!

Harvey calmly walked forward and swung the back of his palm across Pedro’s face with an indifferent expression on his face.

“This is my answer.

“What do you think this means?”

“Aaagh!”

Pedro Benett screamed in pain before he stumbled back while covering his face. A bright red palm print was clearly showing on his face at the moment.

All the workers were shocked when they saw the sight.

Nobody expected Harvey would actually do anything to Pedro.

After all, he was a disciple of the Golden Palace’s inner circle and the young master of the Bennet family. Not only he had an extraordinary status, but he also had many connections.

People who would even dare to lay their hands on Pedro were people with death wishes!

Pedro stood up in utter disbelief while covering his face.

“Who gave you the courage?! Who let you flaunt your strength in a place like Flutwell?!”

Harvey merely pulled out some wet wipes and cleaned his hand.

“You’re just a disciple of the Golden Palace. You don’t even have thirty percent of the company’s shares.

“What right do you have to talk back to the CEO who owns seventy percent of the shares?

“What right do you have to show off in front of me?

“At the end of the day, you’re just a pawn sent out by the Golden Palace.

“How dare you act so high and mighty before me?

“At least see if you’re capable enough before you do something like that.

Then, Harvey threw his wet wipes at Pedro’s face.

“I’ll give you a chance to do two things for me.

“Number one. Sell me the shares you forcefully took. I’ll be generous. I’ll buy it off of you for a hundred and fifty-one dollars.

“Number two. Break your own hands. I’ll pretend you didn’t say anything if you do.

“Do you hear me?

“Do you understand me?”

A dominant tone could be heard in Harvey’s words.

The people sitting on the couches felt an unspeakable sense of dignity at that moment.

But soon after, disdainful looks were showing on them once again.

Even though Harvey was quite ruthless and strong when he slapped Pedro in the face...

He did not realize just how powerful Pedro actually was. He did not know just how strong Pedro's background was at that time.

Even if someone from Longmen like Harvey were to win the entire battle, he would not even have the right to go against Pedro.

Not only was his family extremely powerful, but the organization he belonged to was also immensely strong!

More importantly, he also had a lot of connections. He would not have any problems getting the other disciples of the Golden Palace to lend him a hand.

If Harvey were to get reckless, he would only dig himself a deeper grave.

Even his wife would be doomed because of him!

Mandy Zimmer was distraught when she looked at Harvey.

She knew that Pedro was a tough nut to crack as soon as he arrived at the office building...

But she never expected that Harvey would be cockier than him.

On the other hand, the higher-ups of the Hearthstone Corporation felt completely normal. After all, they were all transferred here from Buckwood's Sky Corporation or Mordu's Kaizen Group.

They had a certain understanding of Harvey, so they were not too worried about the situation.

Pedro let out a cold chuckle when he heard Harvey making demands after slapping him in the face.

"Do you have a death wish or something?! How dare you challenge me?!"

Slap!

Harvey swung the back of his palm across Pedro's face once again.

"Enough talk. Show me your experts already. Let me see just how strong the Golden Palace really is."

Pedro rubbed his face as he chuckled out of rage.

“Good! Good! Ten minutes, no! If you’re still standing after three minutes, I’ll even crawl my way out of this damn place!”

Read Harvey York's Rise to Power Chapter 3752 - the best manga of 2020

Of the A Potato-Loving Wolf stories I have ever read, perhaps the most impressive thing is Harvey York's Rise to Power. The story is too good, leaving me with many doubts. Currently the manga has been translated to Chapter 3752. Let's read now the author's Harvey York's Rise to Power A Potato-Loving Wolf story right here

Three minutes later, the office building door was suddenly kicked open.

Soon after, eight men in yellow robes strutted indoors.

After seeing the men, Pedro Benett quickly ran toward them with a face as swollen as a pig’s.

“I’m all beaten up, Senior...”

Harvey showed a curious look.

Pedro’s seniors were most likely from the Golden Palace.

Bam!

A powerful aura emanated from the man in front before he took a step forward, crushing the tiles under his foot.

“Someone dares to go against the Golden Palace?” he coldly exclaimed.

“Who do you think you are? You have a death wish or something?”

The man then waved his hand.

Dozens of men in robes swarmed in the next moment, blocking off every exit of the main hall.

Pedro turned around before he wretchedly chuckled.

“You’re dead, Harvey...”

Mandy Zimmer, who Rachel Hardy was protecting at the moment, walked toward Harvey worryingly before she whispered, "Sir York, I heard that the Golden Palace has many powerful martial artists..."

Naturally, Mandy was not just a newbie in terms of martial arts after being in Flutwell for a while. At the moment, she had a certain understanding of martial arts in general.

That was why she knew just how troublesome the situation was.

"It's fine. Let them come.

Harvey smiled as he comforted Mandy.

"I'm not all that talented, but I wouldn't be scared of some people from the Golden Palace after crushing a few Indians in the ring now, would I?

"But since you don't like to see things like this, why don't I let Rachel send you back home first?"

Naturally, Harvey had always put Mandy's feelings and safety first.

"No. I'm standing with you.

A decisive expression was shown on Mandy's face.

"If I can't get out of the situation alive....

"I won't have the right to be your wife if I can't fight with you, even if I'm of no help right now."

Mandy's face was quickly losing color, but her words were filled with determination.

Harvey smiled before he held her hand.

"Now, that's my woman.

"Don't worry. These people can't do anything against me anyway."

Mandy nodded.

"I trust you."

“Let’s find a time to get another marriage certificate after this,” blurted Harvey out of the blue.

Even though the two faked their divorce in Hong Kong and Las Vegas for the sake of Mandy’s safety, they still did it for real.

Lilian Yates dared to do whatever she pleased for this exact reason.

Mandy quietly expressed her approval after hearing Harvey’s words.

Harvey smiled without saying a word before he took a step forward.

“You kicked down my door and crushed my floor tiles...” exclaimed Harvey in front of the disciples of the Golden Palace.

“You better don’t forget to pay up after this..

The man in front curiously looked at Harvey.

“Is this the b*stard who beat you up?

“He’s the one who Elder Benett is telling us to deal with?”

“That’s right, Senior Lee! That’s him!”

“I only came here to ask for my money back, but not only he didn’t return it, he even got my face all swollen!”

“Not bad! You’ve got guts!” exclaimed Senior Lee before letting out a cold chuckle.

“Not only did you beat up my junior, but you’re even asking us for money!

“Why don’t you ask how the people of the Golden Palace are treated first?!

“Beat up a disciple in front of my face if you dare!”

Slap!

Harvey York wasted no time and slapped Pedro Benett once more.

Another bright red palm print appeared on the other side of his face. He stumbled back while covering his face when a trickle of blood was seen flowing from the corner of his mouth.

Harvey coldly chuckled.

“Do you think the Golden Palace is impressive?”

“Do you think you can just do whatever you want in Flutwell?”

“I just slapped him right in front of you. What now?”

Pedro’s face instantly turned dark when he covered his face.

“You saw it, Senior Lee! Look at just how arrogant this b*stard is! He doesn’t respect the Golden Palace at all!”

“Good! Good! You’ve got guts, challenging me like this!”

Senior Lee waved his hand before a firearm slipped out of his sleeve.

He instantly turned the safety off before pointing it furiously toward Harvey’s head.

“Who gave you the courage to lay your hands on a disciple of the Golden Palace, you b*stard?!”

“Let me tell you something! I don’t care where you come from. I also don’t care where you get the courage from, but I’ll f*cking kill you if you don’t kneel this instance!”

Then, Senior Lee thrust his leg forward, trying to kick Harvey to the ground.

“Ignorant fool!”

Harvey showed a cold glare.

He pushed the firearm away while grabbing Senior Lee's leg before throwing him out. Bam!

Before anyone could even react, Senior Lee slammed right onto the glass coffee table, shattering it all over the place.

Senior Lee was completely paralyzed on the ground. His entire body was covered in glass and blood until he even forgot how to make a sound from his mouth.

The crowd's mouths were wide open. The people related to the Golden Palace were also completely shocked. They would not even dare to make a single sound at the moment.

They did not expect Harvey would dare to fight back, let alone take out Senior Lee with ease.

After all, Senior Lee was a disciple of the Golden Palace!

"How is this possible?"

A sense of shock and horror instantly replaced Pedro's smile.

He completely looked down on Harvey just before. He truly believed that Harvey was only showing off...

But even Pedro was utterly inferior to Senior Lee.

Since Senior Lee was taken out that easily, Pedro would naturally turn out the same if he went against Harvey.

Before Pedro could even say anything, a bald man in a yellow robe stepped forward and yelled at Harvey, "How dare you touch my junior, you b*stard?! How cocky can you get?!"

"I'll kill you!"

Bang!

Before he was even done talking, Harvey calmly snatched the firearm from Senior Lee's hand.

The bald man quickly stepped back when his expression instantly changed.

That said, there was no way he would be faster than a bullet.

Screams of pain could be heard when the man held his leg while writhing on the ground.

In just under a minute, two out of the eight so-called experts of the Golden Palace were already incapacitated.

Harvey York blew the smoke off the gun barrel before glancing at Pedro Benett.

"The experts you prepared aren't exactly good enough anyway.

"Well? Why don't you reconsider my conditions instead?

"While I'm still in a good mood...

Pedro's eyes twitched before he instinctively glanced at the people of the Golden Palace.

A short and portly man slowly walked out with a stern look.

Despite his looks, he was incredibly agile.

Naturally, he was a lot stronger compared to Senior Lee.

"I am Hudson Ward of the Golden Palace!"

Hudson coldly glared at Harvey.

"You're pretty good. You must be quite the big shot. If that's the case, you should know my name."

“Not at all,” replied Harvey.

“You...”

Hudson instantly changed his expression. He felt extremely embarrassed as he gritted his teeth.

“No matter what, since you laid your hands on someone from the Golden Palace, you’ll...”

Bang!

Before Hudson could even finish his sentence, Harvey pulled the trigger once again.

After all, a firearm is a quick and deadly weapon.

Along with the screams of pain, Hudson was twitching convulsively on the ground while holding his leg. “Don’t you see I’m talking to Young Master Benett here?” said Harvey calmly.

“Where are your manners?”

Hudson was showing an extremely horrible expression. Only pure anger and horror could be seen in his eyes.

The shocking thing was that Harvey did not even pay any respect to the Golden Palace.

The disciples were all utterly baffled.

A cold feeling completely replaced their fierce and dominant attitude.

They were not newbies. They understood that someone who would injure an expert with a firearm was definitely a capable fighter.

More importantly, three out of eight experts of the Golden Palace were already crippled.

This was the first time this had ever happened for the organization.

Swoosh!

Soon after, four men and a woman stepped out from the crowd.

Five of them seemed pretty strong. Stern looks were showing in their eyes at the moment.

The man on the left pulled out his sword in an extremely dignified and fierce manner. "You're pretty impressive, young man. You're strong too..."

"That said, going against the Golden Palace is most definitely your worst decision!

"We'll teach you how to show respect!

"You'll understand what it means to have someone better than you!"

Bang!

Harvey instantly pulled the trigger once again. He could not be bothered even to talk anymore...

But this time, the group of people was already prepared. They instantly dodged the shot before completely surrounding Harvey.

What an extraordinarily decisive and swift action!

The disciples of the Golden Palace were showing wretched expressions on their faces.

'You b*stard!'

'You're dead for sure!'

Slap siap slap!

At the most crucial moment, Harvey casually threw his firearm aside and slapped the group of people around.

"Aaagh!"

Screams of pain were mixed together when they were all sent flying.

They were slapped right into the hall's marble pillars before slowly sliding down. Nobody could even tell if they were actually alive or not...

“That’s enough.”

Harvey showed a calm look on his face.

“You useless filth have the courage to flaunt your status when you fight like that?”

“You’re embarrassing!”

Everyone was dead silent.

Harvey’s calm words were enough to make the disciples’ eyes twitch.

The people who came to show off with Pedro Benett were also deeply connected to the Golden Palace. The more they flaunted their status outside, the more they were in disbelief at that moment.

After all, nobody expected that someone would be able to take out eight experts of the Golden Palace with ease, as if all of them were useless filth.

If this were any other day, everyone would call Harvey insane...

But there was already one expert thrown to the ground, two crippled by a firearm, and five more who were sent flying by a slap each.

At this very moment, Harvey had the upper hand!

The air was extremely tense at this moment.

Some were shocked, some felt quite imposing, others were enraged, but none of them dared to even say a single word.

Even Pedro, the most arrogant person initially, could not help but feel a sense of dread.

He secretly pulled his phone out before sending a text,

His eyes frantically twitched when Harvey calmly glanced at him.

He did not want to give in, but he had no choice when he saw the sight before him.

Pedro gritted his teeth when he looked back at Harvey.

“What do you want?!”

“I already told you twice. I’m not telling you again,” replied Harvey calmly.

“But since you asked, I’ll just add another one.

“I want every single one of you to kneel at the entrance.

“When I’m done with my fight, you can leave.

“Do you understand me?”

“You... You’re taking advantage of us...”

Pedro was being extremely fearful, but in the end, he chose to speak up anyway.

Even if he agreed to the first two conditions, he could not agree to this one no matter what.

If he did, people from the Golden Palace’s Law Enforcement would take him out even if Harvey did not.

The disciples came to their senses as soon as they heard Harvey’s words.

They knew that there was no turning back at this point...

But they also had no idea how to deal with Harvey. They were completely distraught this time.

Sigh!

At this very moment, a pitiful sigh could be heard coming from outside the main hall.

A man with a green shirt and a sword behind his back busted right through the window before marching

He was showing an extremely stern look on his face when he glared at Harvey.

“Senior Oswald!”

The disciples who were about to piss their pants were instantly in high spirits.

“Senior Oswald’s one of the top talents of the Golden Palace’s inner circle!”

“I can’t believe he’s here!”

“Harvey’s done for!”

“Senior Oswald’s so impressive!”

All the disciples were showing admiration when they were looking at Senior Oswald. Some prideful women were also secretly calling him cool and handsome!

Pedro, who thought that his fate had been sealed, started to chuckle at Harvey wretchedly.

“You’re finished, Harvey!”

“Senior Oswald’s here!”

“He’s a true top talent of the Golden Palace! He can go against ten of you all on his own!”

“We’ll see how you keep this act up now!”

Pedro was showing a fierce look on his face at the moment.

“He’s just another disciple of the Golden Palace. What difference does he make?” replied Harvey indifferently.

“Another thing. I’ll have you pay for that window too. Why would you even make that sort of entrance in the first place?”

Chapter 3757

"You shouldn't say things like that," said Senior Oswald with a pitiful look.

He was showing an extremely miserable look, as if Harvey York was going to die if he actually took action.

"Listen to me. Give my junior those shares, keep the girl here, and break your limbs. Only then will I

consider leaving you alive if you do all that."

Harvey let out a chuckle.

"Aren't you people scared of the consequences? What if you're going against someone you can't afford

to?

"I'd seem pretty lame if you manage to get me with your threats."

Senior Oswald showed a cold gaze.

"Do you know who you're talking to?" he exclaimed.

"Do you understand what'll happen if you talk to me like this?"

"I do want to know that myself," replied Harvey calmly.

Senior Oswald was showing murderous intent in his eyes.

"I'm giving you one last chance. I'll rip you to shreds if you wait for me to do anything! I'll burn your entire body to a crisp once I'm done with you. You won't even get a chance to be buried!"

Harvey crossed his arms.

"Many people have told me similar things, but all of them either end up dead or crippled.

"You're no different."

Senior Oswald's face turned dark in an instant.

Then, he stepped forward before a fierce aura came charging right toward Harvey.

The strong martial artists around the place were all quivering in fear when they felt such a powerful aura.

Even Rachel Hardy's expression changed as she instinctively stood in front of Harvey.

A peak King of Arms!

Senior Oswald was a peak King of Arms!

The disciples of Longmen's Law Enforcement who were in charge of protecting the company's higher-ups could not even hold their swords properly. All the weapons fell to the ground one after another.

Many disciples of the Golden Palace burst out laughing after seeing the sight.

"Now you know how strong my senior is, Harvey?" exclaimed Pedro with a cold smile.

"Your people can't even stand up straight in front of him!

"You're no different! Just die already!"

Slap!

Harvey immediately slapped Pedro aside with the back of his palm without even glancing at him.

"Stop yapping!"

Pedro could not even muster the strength to stand up when he slammed onto the ground.

The disciples felt a little sluggish when they saw the sight.

'Where did he get all this courage from?'

'He must have a death wish hitting Pedro in front of Senior Oswald like that!'

The faces of several female disciples had completely lost all color. At this point, the disdain they felt toward Harvey turned into utter horror.

No matter the case, people who dared to do something like this were usually quite impressive.

Senior Oswald came to his senses soon enough. He felt extremely disrespected after seeing the sight in front of him.

"Damn you, Harvey! Damn you!" he could not help himself but exclaim.

Not only did Harvey cripple eight of his juniors, he even slapped Pedro right before him!

He could not help but get wholly infuriated right now!

“I do want to know what kind of consequences I’ll get for doing this...”

Harvey curiously glared at Senior Oswald.

“You...

“Screw you!”

Senior Oswald was boiling with anger. The pitiful gaze he had was completely gone now.

He took a step forward before pouncing right toward Harvey.

Chapter 3758

The sound of Senior Oswald’s sword unsheathing could be heard.

Not only was he extremely agile, but his movements were also fierce and decisive.

Slap!

Harvey swung the back of his palm forward without even saying anything.

Senior Oswald felt a sharp pain on his face when a loud slap could be heard. He instantly blacked out when he was sent flying for approximately three hundred feet.

He stumbled a few steps back with a horrible look as he landed back on the ground again.

When he saw Harvey slapping the Indians around in the footage, he did not feel impressed at all...

But after taking the slap himself, he was starting to think otherwise.

Naturally, in Senior Oswald's mind, Harvey was just a little stronger than him.

"Who the Hell are you, you b*stard?! You..."

Senior Oswald gritted his teeth before pouncing forward again without caring about the palm print on his face.

He could not believe that he would be inferior compared to a greenhorn like Harvey.

Harvey wasted no time swinging his palm forward again.

Slap!

Senior Oswald was sent flying once again. A mouthful of blood spurted out of his mouth when he crawled back off the ground.

While the disciples intently watched everything that happened, Senior Oswald gritted his teeth.

"Don't make me use my killer move, Harvey!"

He clapped his chest and screamed toward the sky the next moment.

He quickly charged ahead while thrusting his sword forward nine different times.

Obviously, Senior Oswald was using his full strength for this attack. It was quite a spectacular sight.

At the moment, it seemed like Harvey was being attacked in every direction.

The move originated from the Golden Palace's inner palace. It was a terrifying and powerful sight.

It could easily dazzle the opponents and make it impossible to dodge.

Many lives had also been lost by this very move.

Senior Oswald had been an experienced man for many years. With this very move, he had taken down many opponents in his lifetime.

A few female disciples were covering their faces out of fear while looking at Senior Oswald through their fingers. All of them were patiently waiting for Harvey to be completely ripped apart at that moment.

That said, Harvey did not even try to dodge such a ruthless attack when he swung his palm forward.

The move was not flashy at all. It was a simple and direct attack.

More importantly, his attack managed to land first!

After all, speed is the only way to long success!

The moment Senior Oswald saw Harvey's incoming slap, a thought came to his mind.

Before he could even do anything else, he was already hit across the face.

Pfft!

Blood spurted out of Senior Oswald's mouth while he was spinning midair before he slammed into the water feature in the main hall.

The disciples of the Golden Palace felt sluggish yet again.

'Senior Oswald lost just like that?'

'He couldn't even dodge a single slap? He lost just like that?'

They were in utter disbelief. Senior Oswald was a top talent of the Golden Palace, after all!

Even the previous so-called experts were inferior compared to him! How did he even get defeated this way?

Nobody could believe what was actually happening in front of them...

But no matter how much they did not want to believe it. No matter how hard their eyes twitched, the cold hard truth was displayed right in front of them.

'He lost! He actually lost!'

The disciples of the Golden Palace were completely distraught.

Chapter 3759

Not even a single disciple would dare to stand out at this very moment.

The people blocking the exits instinctively moved aside, so they did not seem like they were going against Harvey York.

Simply put, even though the Golden Palace was strong and prominent...

They still believed that raw power meant everything.

And since Harvey slapped aside everyone who opposed him with domineering strength, they were obviously afraid of him.

Even though they had the numbers, even though they were strapped to the teeth and even though Harvey was fighting alone with people dragging him down.

Nobody would be insane enough to go against him.

After all, they did not want to perish.

"Kneel outside," said Harvey as he glanced at the crowd indifferently.

"Kneel?"

The disciples were utterly enraged when they heard those words.

They were high and mighty disciples of the Golden Palace, yet Harvey was blatantly insulting them, demanding them to kneel outside!

What a joke!

"Go together!"

"You'll pay for insulting us like this!"

"He can't fight us all!"

A few disciples were showing utter resentment before standing up.

"We outnumber you!"

"Even you can't take us all of us down!"

"How are we supposed to report back to the Golden Palace if we don't cripple him now?!"

The fearful disciples were slowly moving forward while gritting their teeth.

"You're not kneeling then?" Harvey calmly asked while taking a step forward.

Bam!

The tiles on the floor shattered into pieces before they flew everywhere.

The disciples in front were blasted by the tile shards before they could even react. They were lying on the ground, paralyzed, with their punctured heads covered in blood.

The faces of the other disciples completely lost color after seeing the sight.

Then, someone instantly slammed their knees on the ground.

Soon after, another followed. And then another...

In the end, only one man was standing in the main hall.

Harvey calmly walked toward Pedro Benett, who was barely keeping himself up. Then, he made a gesture, signaling a higher-up to bring over a contract.

"Are you accepting my conditions now or what?" Harvey said while slapping the contract documents in Pedro's face.

"I am! I'll do whatever you say!"

Pedro's stubbornness was all gone. Only pure fear could be seen on his face at this moment. His pride and spirit were already crushed as soon as he saw Senior Oswald all beaten up.

"Rachel Hardy, call Layne Naiswell and Kayden Balmer over to deal with this.

"Finish up the transfer this afternoon.

"Get these people to kneel in front of the entrance."

Then, Harvey smiled at Mandy before leaving the place.

After all, he still had a fight to win at Flutwell's Peak.

At three o'clock in the afternoon, Harvey walked into Flutwell's Peak with Rachel accompanying him.

As soon as he showed up, Axel Garcia and the group of Indians came to greet him after waiting for a long while.

"Sir York, I heard you were taking advantage of some people in your wife's company. I'm also pretty sure they were people of the Golden Palace!

"How arrogant can you get?!"

"I have to say. I'm pretty impressed!

"That said, you're still planning to participate in the fight after hurting so many people?"

“Do

you think you even have the right for that?”

Chapter 3760

“I don't think you have a say in that, Axel Garcia,” replied Harvey York calmly.

Axel showed a faint smile before looking at the Martial Arts Alliance representatives.

“I have a report, representatives!

“Harvey went to his wife's company to cause trouble and injured eight people! There are people kneeling outside his wife's company right now!

“I suspect he was taking advantage of the people outside using his fame as a fighter of Country H!

“I ask of you to remove Harvey from the fight!”

“Remove him! Remove him!” exclaimed the group of Indians in unison.

Even the Indians who were watching from the side also cheered.

If Harvey were to be removed from the fight, they would be the ones winning without breaking a sweat!

Even if they could not remove Harvey, they would have an excuse not to admit defeat.

“You knew that this fight was crucial, Harvey! Longmen and Country H's reputation depend on this, yet you were running around causing trouble instead of resting up!”

“You even used your fame to take advantage of people at large! At this point, you've crossed the line!”

In the crowd, the representative of Country H's Martial Arts Alliance of the southwest region, Rhea Osborne, stood up while letting out a cold chuckle.

"You'll get Longmen's fighters in trouble doing that! How do you not understand this?"

"Because of you, India will have the authority to state their complaints!"

"Even if you win your fight later, the Indians probably wouldn't admit defeat!"

"You're a flawed fighter, after all!"

"If Longmen loses because of your recklessness, you'll have to take responsibility for everything!"

The people from Country H looked at each other after hearing Rhea's comments.

Fisher Benett, Damian Steele, and the others did not even know what to say at that moment.

Picking a fight during the break could potentially be detrimental.

If the Indians were dead set on this problem, the fight would probably end without Harvey participating.

Clyde Osborne heaved a sigh after seeing the sight.

"How can you be this reckless, Sir York? Don't you understand just how important the next match is?"

"We didn't ask you to run around causing trouble during the break! You were supposed to rest up for your next fight!"

"What do you want us to say now?"

Harold Bauer showed a bitter look.

"We were looking forward to you fighting in the ring! We know you have a pretty good chance of winning..."

"But there's nothing you can do if your opponent doesn't admit defeat because of you being a flawed fighter!"

"Did you even read the regulations, Harvey?" asked Elliot John.

"Your actions are clearly forbidden!"

"Let me tell you something! Unless your opponent ignores this and fights you normally..."

"You already lost!"

“Throughout five thousand years of the country’s civilization, the Indians had never won against us!

“If we lose today because of you, you’ll be condemned by history!”

“That’s right!”

Clyde, Harold, and Elliot were going against Harvey simultaneously.

Even Bryce Kennedy was frowning after seeing the sight.

“I’m afraid you’ll have to explain this to the representatives, Harvey!

“If not, you might just be disqualified from the fight for good!”
