Nellie Padlow covered her face while she stood beside Gael Padlow.

“You better know what’s best for yourself, Harvey York!

“We’re already letting you off the hook for Ms. Cobb’s sake! We’re giving you a way out right now!

“How dare you still ask for more?! You won’t like it if we do actually go all out against each other!”

Nellie was filled with utter resentment.

Not only did Harvey keep disrespecting him, he even managed to get away scot-free while slapping her around nonstop.

For a prideful woman like Nellie, this was just unacceptable.

After seeing Harvey recklessly challenging Gael, Nellie finally could no longer hold her feelings back.

She hated kept men like Harvey the most.

She believed he was just using Katy Cobb’s authority to show off!

In Nellie’s mind, Harvey was no match compared to someone like Gael!

She was sure Harvey would have died a thousand times already if he did not manage to hook up with Katy

“You want me to stop?”

Harvey smiled faintly. He thought that Nellie was just full of herself.

Nellie let out a cold chuckle.

“Of course! You better stop flaunting someone else’s strength at this point!

“Do you think you’re actually Katy’s man? Do you think you’re the Cobb family’s live-in son-in-law or something?

“Even if you are, how impressive can a kept man actually be?”

Nellie looked bitter, as if she was giving a friendly reminder.

“Don’t you understand just how capable you actually are?”

Harvey could not be bothered to listen to Nellie’s nagging any longer.

“Enough! Stop yapping already!”

“You’re so noisy!”

“You!”

Nellie was so angry that she was on the verge of coughing up blood after being cut off abruptly.

Then, Harvey calmly glanced at Gael.

“Break both your arms, and we’ll call it even,” said Harvey coldly.

Katy’s eyes lit up without her saying anything when she heard those words.

Julian York and Irene Johnson were showing cold gazes.

‘Since Sir York wants both arms, he surely wouldn’t accept any less.’

‘He’s a man of his word, after all.’

“You’re insane, Harvey!”

Gael glared at Harvey coldly.

“You think you’re impressive just because you managed to save Dean Cobb?!”

“Let me tell you something! I can take you out with one hand if we actually fight!”

Gael was shocked that Harvey managed to bring Dean back to normal, but after talking to his father, they concluded that this was just Dean’s ploy.

That was why he believed that Harvey was actually talentless and that he was just a front put up by Dean.

If that were not the case, his name would have echoed worldwide for saving Dean by then. Why would he even be this discreet in the first place?

In Gael's eyes, Harvey was just some filth who loved stealing credit from others.

Gael believed he could trample on a hundred people like these if he wanted to.

"Fine! I'll give you a chance then!" replied Harvey.

"You asked for it!

"You want to come at me, or do you want me to make the first move instead?"

Gael coldly chuckled before he roared and pounced in front.

He thought that Harvey must have had a death wish for constantly challenging him.

Nellie and the others were showing pitiful expressions when they looked at Harvey.

'This guy's dead for sure...'

Boom!

Gael Padlow was also a member of the Martial Arts Alliance. His teacher came from the South Sea Martial Arts Alliance, and his father was the vice leader of the Blackburn City Martial Arts Alliance.

Not only was his family extremely knowledgeable in martial arts, but he was also quite a gifted man.

As soon as he closed in on Harvey York, he instantly threw an immensely terrifying and fierce punch.

The shame he endured because of Katy Cobb was all converted into energy that he dished out toward Harvey.

According to his judgment, he was sure that every single one of Harvey's bones would shatter, even if he did not die from the punch.

"Die already!"

Gael wretchedly chuckled when he pounced forward at lightning speed.

The punch alone could kill a bull!

To Nellie Padlow and the others, Harvey was scared witless.

"You see that, Ms. Cobb?!"

"This is the man you chose. This is the Cobb family's live-in son-in-law!"

"Other than a sharp tongue, what else can this man do?"

"He's just going to kneel in front of an expert like Young Master Padlow!"

Nellie showed a derisive expression on her face in front of Katy.

Rayne Bell and the beautiful nurses were showing playful expressions, patiently waiting for Harvey to make a joke out of himself.

The people around were all shaking their heads while heaving huge sighs.

They could not wrap their heads around why someone decided to go against someone like Gael. They believed that Harvey was just asking to die at this point.

Slap slap slap slap!

A string of slaps echoed before loud screams could be heard.

Everything happened too fast. Nobody could tell what happened exactly.

When everything settled down, everyone became sluggish after seeing the sight before them.

Gael was lying on the ground while his body kept twitching. He was completely covered in blood when he could not help but shriek.

His arms were snapped in half while Harvey's foot was already on his head.

"How is this possible?!"

Nellie and the others were shocked.

The so-called experts around Gael could not help but twitch their eyes.

The all-powerful Gael, in their eyes, was instantly crippled before he was stepped on like a dead dog. He

had no strength left to do anything besides screaming at that moment.

The man they looked down on was ruthlessly stepping on Gael's face like a true victor.

Everything felt like a dream!

Even movies would not have a plot like this!

This was just unreasonable, after all!

"Harvey's just a tourist, right?!"

"Isn't he just a person putting up a front for Dean Cobb?!"

"Isn't he just a kept man showing off Katy's authority?!"

"How did he even win in the first place?!"

Nellie was stunned when she looked at Harvey. She never thought that all this would actually happen.

Even Gael himself did not understand what happened exactly, let alone everyone else.

He only felt sharp pains on his face before his arms were snapped in half. His face was as swollen as a pig when he realized he was paralyzed on the ground...

“What do you think about my man now, Young Master Padlow?”

Katy’s words were shrill.

“He isn’t even fighting for real, yet you’re already out.”

Gael Padlow’s face turned dark in an instant.

“I’m Gael Padlow! I belong to the Blackburn City Martial Arts Alliance!

“My teacher is the vice leader of the South Sea Martial Arts Alliance!

“You’ll die for doing this to me!

“You shall pay!”

Gael spoke up when he was lying on the ground, paralyzed.

Bam!

“Move.

Harvey York instantly kicked Gael aside. His body flew right into a wall before he passed out with blood spurting out of his mouth.

“I don’t care who you have behind you. I don’t care what kind of power you have, either.

Harvey stepped forward before patting Gael’s pale face.

"I'm giving you one chance. Suspend the business.

"If I find out that you're here cheating money again, then don't blame me for what happens next."

Nellie Padlow and the others were completely ignored.

Harvey kicked the disciples aside before getting in Katy Cobb's car while keeping Ellen Moreno safe.

Then, Katy drove over to the hospital under her family's name. After sending Ellen to the emergency room, everyone heaved deep sighs of relief.

"Thank you for everything today, Sir York.

"I heard about everything.

"I don't know what would've happened to Ellen if it wasn't for you."

While Harvey was in the resting area, Katy walked toward him in her high heels and sat beside him on the couch before handing over a bottle of water.

"We know each other anyway. I'm just doing my part.

Harvey shrugged before he frowned.

"That said, I'm pretty sure you were tonight's target.

"You best be careful."

"I'm pretty sure you're right," replied Katy with a cold tone.

"I did get the debt back and regain some of the assets the head house lost.

"With a little more time, I can turn the head house's businesses into profit again.

"News of my grandfather recovering has been spreading as well...

"That's why the second and third house are afraid of us.

"They're scared to lose their only chance to take control of the entire family once we rise again.

"I don't have a lot of weaknesses, but Ellen's one of them.

"It's only natural for them to go for her."

Harvey thought about the situation for a moment.

"Jace Lee was the one who did this.

"Jace is Eden Cobb's sworn brother. He's from the third house.

"Don't worry. I won't let this slide without doing anything.

"I'll make the third house pay for this.

"Since I'll still be here for a while, you can call me for help if you need it," replied Harvey playfully.

"I'm your family's live-in son-in-law, right? It's only natural."

Katy's eyes lit up before she showed a faint smile.

"Are you actually interested?

"I'd actually commit myself to you if that's the case...

"You'll have full control over the family if you want. I guarantee it.

"I'll only focus on my dear husband and children after that." 2

"Cough cough cough!

Harvey awkwardly coughed before Katy was even done talking.

"I'm just kidding. Don't take this to heart.

"That said, I'll do anything I can to help if you need me to."

Katy Cobb showed a hint of disappointment in her eyes before she cracked a smile again.

“I didn’t believe it when people said you were a jerk...

“Now, I’m pretty sure that you’re exactly that.

“You’re already gone as soon as you’re done playing. You’re completely hopeless.”

Harvey York’s mouth twitched. He did not know what to say against Katy’s relentless flirting.

After all, it’s always the hardest to accept a beauty’s grace.

Harvey would not dare go against the love of such a domineering person.

Harvey had no other choice but to change the subject. 1

“Judging from the conversation between you and Gael Padlow, your family must be in deep trouble right now

“Other than the South Sea’s royal family, the three great families have the most extraordinary background.”

Katy had no intention of hiding anything from Harvey.

“Other than that, the high and mighty Martial Arts Alliance, the first and second-rated families, along with some of the small forces here, have been causing chaos in the country.

“Around a decade or so ago, the Cobb family, the Moreno family, and the Lee family formed a pact and stabilized the country’s situation.

“Other forces had constantly been targeting us because of this.

“The royal family, on the other hand, had been taking control behind the scenes.

“As long as the families stand, the royal family would stay the same.

“As long as the families are targeted, the royal family’s interests would never be threatened.

“But as soon as my grandfather became a God of War, everything was different.”

Harvey frowned.

“Because of your family’s supremacy?”

“Something like that,” said Katy after letting out a sigh.

“That said, we didn’t sense any danger then. We believed it was only natural for us to suppress the Moreno family and the Lee family with our God of War

“Our authority was almost on par with the royal family at that time.

“That said, prosperity leads to decline.

“When my grandfather was poisoned, the Cobb family had huge changes.

“Without the God of War’s support, our family had been in a steady decline with the Moreno family, the Lee family, and the royal family’s constant attacks.

“If it weren’t for your help back in Hong Kong and Las Vegas, my family would’ve been done for without my grandfather’s rise.

“That said, our reign didn’t last long either. After Julio Garcia defeated my grandfather, the family started to have different opinions.

“I believe that the Cobb family should still maintain the great families’ glory just like in the past.

“But the second and third house think that the family’s completely different compared to before. They believe that there are things that we should just give away for our own sake.

“This is the main reason for the family’s conflict.”

Harvey smiled while rubbing his temples.

“It does seem quite confusing, but it may not be that way at all.

“If you have the ability to crush the two other houses and integrate their assets with your own, you’d still be able to maintain the family’s glory like before with your grandfather’s help.”

Katy heaved a sigh.

“Easier said than done.

“Word has been spreading about my grandfather’s recovery and that he needs at least six months for him to get back on track.

“They’ll do everything in their power to take me down while this is happening.”

“You’re out of tricks already?” asked Harvey with a smile.

“Of course I do. I’m trying to find a powerful husband here.

Katy smiled back.

“Gael’s right. You’re in deep trouble if people know you’re my husband.

“If I were you, I’d leave this place right now.

“You can’t stay here for too long.”

Harvey York showed a profound expression on his face before he lightly chuckled.

“Is it really that bad? Are you not even confident enough to keep me here?

“Or are you saying you don’t want to share your earnings with me when everything’s all set and done?”

“It’s not that it’s bad. I know you don’t like getting yourself in trouble,” replied Katy Cobb while looking at Harvey.

“I’m already really grateful for you treating my grandfather’s wounds.

“I shouldn’t be asking for more help.

“Here are three first-class tickets for the plane tomorrow at eight in the morning.

“I’ll invite you here again when everything’s settled. I’ll make sure to treat you kindly when the time comes.”

Then, Katy set a letter in front of Harvey and looked deep into Harvey’s eyes before leaving.

Harvey put his hand on the letter as he showed a faint smile behind Katy’s back.

“Things are getting interesting. I’ll visit Elder Cobb tomorrow morning. If nothing’s going on, I’ll head back after that...”

Harvey then turned around and strutted out of the hospital.

At noon the next day, at the Cobb family’s villa.

Katy was standing in front of the entrance while she squinted in the direction of the airport.

Countless planes were flying everywhere, just like her heart at this very moment.

Loud engines could be heard from the entrance at that moment.

The door was instantly slammed open.

A dark green Land Rover led the charge into the courtyard, followed by a few large cars, crushing the carefully groomed flowers and plants into pieces.

Then, a man and a woman jumped out of the Land Rover with a dozen people following behind.

Other than them, there were also dozens of strong men in suits. They were clearly no ordinary people.

Even before Katy could even say anything, the front man kicked down the door of the villa before he screamed, “Search everything!

“Dig up every single grave you see if you have to!”

The strong men charged right into the villa before they started smashing up the entire place.

Katy showed a cold expression while glaring at the man.

“What’s the meaning of this, Eden?!”

“What right do you have to smash up my place this early in the morning?!”

The person who came was none other than the young master of the third house, Eden Cobb himself.

Katy looked behind Eden and also saw his sister, Valery Cobb.

Other than the two prominent figures of the third house, a few elders of the Cobb family showed up as

well.

The elders were crossing their arms with expressions as cold as ice.

“How dare you still speak to us like this, you b*tch?!”

Eden furiously walked up to Katy. He wanted to slap her in the face, but he was utterly terrified by her dominance.

He could only point and relentlessly yell at her at that moment.

“How do you not know what happened?!”

“We gave you our all, and yet you did this?!”

“Our family’s in deep trouble because of you!”

“You need to give us an explanation for this!”

“You offended Young Master Padlow just for the sake of a random stranger?”

“And then you say he’s the family’s live-in son-in-law?”

“How shameless can you get?”

“Don’t you care about the family’s reputation?!” Eden screamed in rage.

“Don’t you know that we’ve become Blackburn City’s biggest joke, all because of you?!”

Eden couldn’t stop himself from rising and slapping Katy in the face.

Katy couldn’t react quickly enough, and felt a sharp pain soon after.

A bright red palm print could be seen clearly on her elegant, yet swollen face.

Valery and several elders didn’t stop Eden at all; they expressed glee when they saw Katy slapped in the

face

“I can handle my own problems. I don’t need you to teach me how to do things.”

Katy endured the pain and rage in her, and took a deep breath; she knew her actions would definitely give the second and third house a reason to come at her...

Still, she didn’t think that Eden and the others would be this quick to take action.

“We’re not teaching you how to do things. We’re telling you exactly what to do right now!”

Eden gritted his teeth.

“Let me tell you something! The Padlow family already came to us this morning!”

“Rhett, the vice leader of the Blackburn City Martial Arts Alliance, led a group of people here to demand a statement from us!”

“You need to take responsibility on behalf of the entire family!”

“We’re not done with you until you do!”

“Just tell them to come for me, then!” Katy spat, incensed.

“What does your house have to do with it?”

“Are you still talking back?!”

Eden was boiling with anger.

“Because of this, the Padlow family’s cutting off our family’s supply rights to the Blackburn City Martial Arts Alliance!”

“We’ve already ordered hundreds and millions of dollars worth of medicine! At this point, forget returning them; we’re forced to leave the goods in the storage while they rot!”

“Are you planning to pay us back for all that?!”

“Besides, they said that this is only the beginning!”

“If we can’t give them a fair statement...”

“They wouldn’t just be cutting off our supply rights!”

“Do you think our family is still the same as before, Katy?!”

“Don’t think so highly of yourself!”

“Everything’s already changed!”

Eden yelled at the guards clad in suits, who didn’t manage to find what they were looking for.

“What are you standing there for?!”

“Take her back!”

“Send this b*tch to the Padlow family!”

“Just force her to marry Young Master Padlow if he wants it! He’s always been interested in her, hasn’t

he?”

Dozens of men charged forward, blocking Katy’s escape.

Katy wanted to fight back, but her trusted subordinates were all held back by the guards.

At this, she could only sigh before giving up.

“Grab her!”

Eden became a lot more dominant when he saw Katy standing still.

When the men tied Katy’s hands, Eden then stepped forward and slapped her in the face again.

Slap!

“You shameless b*tch!”

Slap!

“Who asked you to ruin our business?!”

Katy’s face was completely swollen after she was slapped around a bunch of times.

The Cobb family were gossiping up a storm at the sight.

“Katy’s such a troublemaker! She’s already hurt us once by hiding herself in Hong Kong and Las Vegas just because she didn’t want to marry someone!”

“And then this happens! Does she want the entire family dead?!”

“Senior Padlow’s really angry because of this! If he breaks off every single collaboration of the Blackburn City Martial Arts Alliance with us, we’ll be losing hundreds and millions of dollars at minimum!”

“Can Katy even bear the responsibility at this point?”

“We all call her the master of the head house, but this is how she repays us!”

The crowd kept shaking their heads.

A few elders of the houses bore cold expressions; they were naturally disappointed in Katy’s actions.

Katy took a deep breath.

“I’ll deal with the supply rights, Eden. Now let them go…”

“You’re dealing with it?”

“With what? With your damn face or body?”

Eden had grown utterly arrogant when he saw that Katy’s arms were still tied up.

He instantly grabbed Katy’s hair and looked longingly at Katy’s exquisite face. He swallowed his spit, he was desperately trying his best to resist his intrusive thoughts.

“The family was overjoyed when you returned here. We thought you could finally take over the head house and govern the family, and ensure our glory!”

“In the end, you’re just the same conceited lady of the house just like before!”

“You’re not helping the family at all. In fact, you’re destroying it!”

“Let me tell you something! I already figured out a plan for you a while ago!”

“As soon as you marry Young Master Padlow, they won’t make us take responsibility anymore!”

“If

you don’t accept, then we have a reason to believe that you’re hiding a man from us!”

“According to our family rules, a shameless woman like you should be drowned!”

Eden let out a wretched chuckle before giving out another warning.

“That’s right! Just drown her if she doesn’t comply!”

“As the lady of the Cobb family, she’s humiliating the entire family by announcing that she has a man outside!”

“This woman is shameless!”

Katy had a deep look on her face and glared at Eden. Right as Eden shot her a prideful smile, she spat furiously, “I’d kill myself before I even marry that damn b*stard!”

“You’re not going to marry him?!”

Eden froze. Then, he laughed and gestured to someone to bring a whip over.

“Well then, we’ll just have to whip the sh*t out of you until you agree!”

“If you still won’t comply, we’ll just drown you and send your corpse over to the Padlow family! I’m sure they’ll be happy with that!”

Valery walked over and grabbed the whip out of Eden’s hand, then furiously lashed it all around Katy’s body.

“How dare you talk back?!”

“Young Master Padlow’s interested in you! This is a blessing for you....”

“And yet, you’re declining the offer?!”

“What right do you have to decline?!”

Katy’s hands were completely tied up; she had no choice but to endure the pain. The flesh on her body singed badly every single time Valery whipped her.

Even though her expression showed her agony, she didn’t make a single sound.

“Accept the deal already!”

Valery kept whipping Katy; the former’s eyes were filled with resentment and rage.

Ever since she was a kid, she harbored extreme jealousy toward Katy, who was always prettier and more outstanding than her.

Now that she had a chance to dish out some damage, she would naturally take the opportunity.

“Hurry up already!”

Katy stumbled back after taking another round of whipping; she almost fell to the ground from the impact.

“I’ll never marry Young Master Padlow...” she repeated, her tone steady.

She then shot a worried look at the backyard.

Since Dean was resting there, it’d be bad if his rest were to be disturbed by these people.

“What? Are you worried about the old man? Why don’t you worry about yourself first?”

Valery chuckled coldly when she looked at Katy’s eyes.

She walked beside Katy and whispered slyly, “Don’t you worry. There’ll be someone taking care of that old man soon enough.”

“When he’s dead, we’ll put all the blame on you! Hahahaha!”

Valery burst out laughing, the sound shrill and sinister.

“Because you wouldn’t accept the offer, the old man has to pay the price! Of course you have to be

blamed for this!”

Panic colored Katy’s face. She gritted her teeth.

“Don’t do anything reckless! He’s your grandfather, too!”

“My grandfather?”

Eden chuckled coldly before slapping Katy in the face.

“He’s a cripple right now! What right does he have to be my grandfather?”

“We need a God of War, not some crippled old man!”

“The Cobb family doesn’t need anyone like that, and you’re included in the list!”

“If you don’t comply right now, that old man dies!”

Eden dialed a number and made a video call.

On the other side of the phone, someone had already lifted Dean up while he was unconscious and was bringing a cup of medicine to his mouth.

“No! Don’t!”

Katy’s body trembled.

“I’ll do it! I’ll do as you say!”

“Let my grandfather go! Let him go!”

Katy’s eyes darkened as soon as she said those words.

She came back to reclaim her family’s past glory, but this was how they treated her.

Her heart was completely crushed.

“Your words!”

Eden burst out laughing and looked at the crowd.

“Everyone heard that, right?”

“Miss Cobb agreed to marry Young Master Padlow!”

“We didn’t force her hand!”

Eden brought out a marriage contract, and was about to stamp Katy’s handprint on it.

Right at this moment, screams of pain could be heard from Eden’s phone.

Those who were lifting Dean up were all sent flying; the call was cut off soon after.

At the same time, loud bangs could be heard at the entrance.

Bam, bam, bam!

The men who were posted at the entrance flew inside. Right after that, someone charged in.

Slap, slap, slap!

The people who held Katy hostage were all slapped to the ground.

Valery was instantly beaten down as well.

“Aaagh!”

Valery shrieked in pain. Her face was almost distorted by the attack.

She never imagined that someone would actually come to the rescue in the nick of time.

After a while, everyone finally saw who had charged in.

It was Harvey! 1

“B*stard!”

After seeing his sister getting slapped, Eden screamed in rage and pounced forward angrily.

Harvey calmly grabbed Eden’s neck and the latter’s head on the stone table.

Bam!

There was a loud bang, and the tea set on the table broke into pieces from the frightening impact.

Blood covered Eden’s face completely.

Harvey pulled Eden aside; Eden’s head was constantly spinning from the attack. Harvey then sent the latter flying with a single kick.

The Cobb family froze; a second later, they charged at Harvey with stone chairs.

Harvey instantly slapped them aside without even sparing them a glance.

He kept slapping every single person Eden brought to the ground.

In just under a minute, dozens of people from the Cobb family had fallen to the ground; they were all covering their faces as their bodies twitched in pain.

“I don’t care where you come from or what you can do, kid..

“But this is the Cobb family’s territory!”

“We’re one of the great families of the South Sea!TM

“A random stranger like you can’t just do whatever you want!”

An elderly person stood up, a righteous look on his face.

“Are you lawless? How dare you beat up our people like that!”

“You’ll pay for this! You…”

Before the man was done talking, Harvey slapped him aside.

“Why didn’t you stop Eden and his people from doing all this, then? Why didn’t you come out?”

“Who do you think you are?” Harvey said calmly.

“Young Master Cobb’s only trying to capture a shameless family member! It’s only natural he’s a little harsh with his methods!” another elderly person, one with a goatee, exclaimed.

“Besides, this is a family problem! You…”

Slap!

Harvey slapped that man away.

“A little harsh?”

“Aaagh!”

The elderly person with a goatee screamed in pain.

The remaining elders were about to stand up as well, but they immediately stopped when they saw Harvey being so vicious.

They had no choice but to step back and lift the others up.

“You’re lawless! You’re completely lawless!” they exclaimed with trembling voices, all the while furiously pointing at Harvey.

Every single one of them had high statuses.

Even Dean Cobb would have to pay them respect.

They came here to see Katy succumb to the marriage proposal...

Yet, Harvey came out of nowhere and ruined everything.

This was utterly unforgivable!

The elders were filled with unbridled rage; they were already thinking of ways to take out Harvey once and for all.

"Enough, Harvey."

Katy finally came to her senses.

"My grandfather-save him first..."

"It's fine. Julian and Irene are there already."

"Elder Cobb's being taken to a safe place."

Harvey flashed Katy a faint smile; he had been fully prepared before he came here.

Katy let out a huge sigh of relief after hearing Harvey's words.

She didn't care about her own wellbeing, but the same couldn't be said when it concerned her grandfather.

She was extremely relieved upon hearing that he was safe.

After comforting Katy, Harvey turned to Eden and the others with a calm gaze.

He finally knew why Katy wanted him to leave.

She understood just how headstrong her family was, and was afraid that Harvey would be put in danger because of her.

“Where did this man come from? How dare you hit us like this?!”

Valery came to her senses.

She stumbled off the ground while covering her injured face.

“I’ll kill you!”

“I want you two locked behind bars for the rest of your lives! You’ll wish you were dead when that happens!”

“You’re Katy’s man, aren’t you?!”

Eden crawled up from the ground, his face covered in blood. He gritted his teeth.

“You two are a match made in heaven for being so shameless and arrogant!”

Eden wanted to fight back, but he could only glare at Harvey in anger. He was terrified of Harvey’s dominant and fierce attitude, so a glare was the only thing he could manage.

“Enough! Stop talking to this b*stards and call the cops!”

Valery was screaming like a madman, and flipped her hair haughtily.

“I won’t f*cking stop until those two are locked behind bars for the rest of their lives!”

“What happened here?”

Harvey calmly poked a few parts of Katy’s body to relieve her pain, and asked the latter about the

situation.

Katy hesitated for a moment before explaining the entire thing.

At first, she didn’t want Harvey to get involved...

But she had no other choice; she didn't want Harvey to suffer without even knowing what had happened.

"Katy hurt Young Master Padlow because of you, you b*stard!"

"Gael's father, the vice leader of the Blackburn City Martial Arts Alliance, already came to our doorstep for

this!"

"Hundreds and millions of dollars worth of supplies are wasted because of you!"

"Our family's in deep trouble! We're about to be wiped out because of this b*tch alone! So what if we teach her a lesson?!"

Eden covered his face, still gritting his teeth.

"Women like her should just be married to Young Master Padlow! At this point, she should just suffer for the family!"

"A sinner like her should naturally be sacrificed!"

"Young Master Padlow is interested in this b*tch! She should feel honored!" Valery added.

She believed Katy had already given someone else her body, and that it was Katy's blessing to have someone pursue her.

No matter the case, the third house would stop at nothing until Katy was blamed for their cause.

Only then would they be able to kick her out of the family.

"You want Katy to marry Gael?" Harvey asked quietly.

"That's right!" Eden replied coldly.

"People should admit and atone for their sins!"

"This all happened because of her!"

“If she doesn’t solve the problem by marrying Young Master Padlow, then who else will?”

“She’s just broken goods at this point! We can at least earn some money back if we throw her out earlier!”

“And you! I don’t care who you are, but Katy agreed to the deal; everyone here witnessed it too!”

“She’ll marry Young Master Padlow, whether she likes to or not!”

“As for you, you’ll be locked behind bars forever for beating up members of the family!”
