Naturally, Sonny was so shameless to the point that he didn't care for his self-respect anymore. He was quick to explain and twist the entire situation in his favor...

Hoping that Chloe would take out Harvey for him.

"That's not true, Vice President..." Mandy quickly said.

Yet, it was clear that Chloe was supporting Sonny. She had no intention to listen to Mandy's explanation.

"You hit our people in our own turf?" she snarled coldly.

"How bold can you get?"

"You'll be blacklisted here from now on!"

"Come! Get these people out of here!"

Her tone was filled with a righteous and fearless aura.

After hearing Chloe's words, Mandy's face immediately lost all color. She didn't think that things would escalate like this.

The ninth branch was already in deep trouble... Yet, their fate was set in stone because of this! 'I haven't even been in charge of the ninth branch for that long..' she thought, miserable.

'How could I think of becoming the person in charge of the Jean family when I'm already almost bankrupt?' 'What a joke!' "Heh, heh, heh! This is what you get for going against me!" Sonny cackled.

"Do you understand now?!" Sonny wiped the blood off his mouth before he looked arrogantly at Harvey.

"You think you're impressive, don't you?!"

"Come on, then! Show some grit, you b\*stard!"

"I'd like to see what you can do right now!"

Slap! Much to Sonny's disbelief, Harvey wasted no time doing what he asked.

The latter took another step forward before slapping him in the face again.

Sonny didn't expect to get hit again. He stumbled back a few steps before bumping into Chloe.

"H-How dare you?!" he shrieked.

"You're completely lawless!" Chloe's expression turned as cold as ice.

"Call the cops right now!"

"Contact the Bankers Association to blacklist Mandy Zimmer!" Harvey glared coldly at Chloe and Sonny.

"You two are on my blacklist as well."

"From now on, you won't even have the right to be in the Golden Sands Bank anymore."

Harvey's tone was calm yet firm, as if his words were already set in stone.

Sonny, however, didn't believe a single word Harvey said, and glared hatefully at the latter.

"Blacklisted? By you?!"

"Are you saying that I'm fired?"

"Feh! Who are you?"

"Are you insane?"

"What right do you even have to say something like that?"

"Your blacklist?! Are you talking about your messaging app?"

A few beautiful workers crossed their arms, looking at Harvey with disgust in their eyes after hearing those words.

They've seen quite a bit of show-offs in their lives, but it was their first time seeing someone like Harvey.

‘What an eyesore!’ Sonny laughed coldly.

"It's my first time hearing someone talk this big after working here for so long!"

"Are you dumb?"

Chloe sized up Harvey disdainfully before saying mockingly, "So you're saying that you're going to fire us?"

"That's right. You're fired as of right now."

Harvey's face was calm, as if he was telling the truth. The people around stared at him as if he was a clown.

"He's just a kept man.."

‘Yet here he is, challenging both the deputy manager and the vice president!’

‘He wants to fire them?’

‘What kind of sick joke is this?’

‘Is he insane? Why would he say something like that in the middle of the day?!’

‘What an idiot!’

"Fine! Since you're being such a show-off, then just fire me already!" Chloe crossed her arms, her exquisite face showing nothing but utter disdain.

"Come on! Do it!" she challenged, glaring coldly at Harvey.

Bam! At this moment, the door of the main hall was kicked open.

A dozen people in luxurious clothes showed up soon after.

The person at the very front was a wealthy-looking man in a tidy leather suit. He was none other than Saul Robbins, president of the Golden Sands Bank and prince of the Robbins family.

Chloe and the others quickly turned around and hurried their way toward Saul.

"Young Master Robbins!"

"Why did you come here?"

Chloe and Sonny had their brightest smiles; they were on the verge of kneeling and hugging Saul's legs.

Saul, who had usually been quite personable, looked as if he didn't even see them. He took a few steps toward Harvey...

Then held Harvey's hand before shaking it extremely hard.

"I'm really sorry about all this, Sir York..."

"Please forgive me."

Immediately, the crowd was dead silent.

Everyone was completely shocked to see what had taken place before them.

Not a single sound could be heard.

Countless eyes were filled with utter panic and disbelief as they looked at Harvey.

The beautiful customers covered their mouths, their eyes wide open in shock.

Chloe stood rooted on the spot; she couldn't even lift a finger after seeing what happened.

Sonny was stunned as well.

'What's going on here?' They didn't think that Harvey actually knew Saul. It'd be fine if only that was the case. However...Saul was being so respectful toward Harvey too! It looked as if Harvey's identity as a live-in son-in-law was actually higher than Saul's! 'Did we go against someone we shouldn't have?' Harvey retracted his hand.

"Hello, Mr. Robbins. I'm having quite the hard time right now "Is something causing you trouble?"

Saul sensed something after hearing Harvey's indifferent tone.

Then, he glanced around him coldly, his murderous intent obvious.

After so long, he finally managed to find himself a sliver of hope...He wouldn't hesitate to slap anyone who opposed Harvey.

Chloe and Sonny shivered before, and quickly exclaimed, "Nothing! It's nothing, Young Master Robbins!"

"Is it now?"

Harvey showed a calm expression. "This man insulted my woman and threatened to sell her off as a prostitute."

"After that, this woman immediately blacklisted her without even figuring out who's in the wrong in the first place."

Harvey was quick to explain the entire situation. He wanted to see how Saul was going to deal with the entire matter.

Saul's expression darkened instantly after hearing Harvey's words.

Chloe and Sonny gritted their teeth, and hurriedly stepped forward.

"T-This was just a misunderstanding, Young Master Robbins. If..."

"Did I tell you to speak?"

Saul instantly cut the two off before they could even finish their sentence. He then bowed right in front of Harvey.

"I'm sorry, Sir York. I didn't teach my subordinates well enough."

"I'm at fault for this."

"I'm terribly sorry."

"You don't have to apologize to me," Harvey replied calmly.

"As for how you're going to deal with this..."

"You have full control."

"I have no objections."

Harvey spoke calmly, as if none of this had to do with him.

That said, his tone was enough to send cold shivers down everyone's spines.

Those who had been waiting to make fun of Harvey were so scared that their eyeballs were about to fall out.

After all, for him to sound so eerily calm must mean that he was terribly furious.

Chloe and Sonny would have no choice but to pay a great price because of this.

Saul showed Harvey a faint smile before straightening up.

The coldness radiating from his eyes could be sensed as he glared behind him.

Chloe and Sonny froze instantly; they wanted to kneel, but they had completely lost control of their bodies.

"Stand still."

Saul didn't raise his voice, nor did he insult the two. He hooked his finger, signaling to a security guard to hand over a steel pipe.

Then, he broke their legs himself.

After that, he swung his palms all over their faces relentlessly.

The slaps were the only sounds that could be heard throughout the entire place.

Slap! When Saul was finally done slapping the two, he immediately kicked them out of the bank and sneered coldly, "Tell everyone that I don't want to see these two in the city ever again."

"Whoever stands with them will be opposing me!"

"Throw them to the outskirts and let them fend for themselves!"

Ten minutes later, the negotiation for Mandy's loans was a success. Not only were there no interests, but she didn't have to pawn anything for the loans either.

Since there were a lot of procedures to go through, Mandy needed to deal with them in the VIP room.

As for Harvey, he was invited into Saul's office.

Lola had been waiting here for quite a while. She was dressed in an elegant-looking gown. She quickly stood up as soon as she saw Harvey's face, throwing him a beautiful smile.

"Sir York!"

"Mrs. Robbins," Harvey replied with a light nod.

"You need to help me, Sir York."

Saul bowed respectfully in front of Harvey. He didn't seem high and mighty like he was before.

"You need to save us! The Robbins family only has a single line of descendants."

"The old man's already forcing us to divorce because we haven't had a child for the longest time!"

"I don't want to lose my wife!"

"She's too important to me..."

"Please! Help us!"

After seeing Harvey's miracle, Saul decided to put all of his hope in him.

Lola had a hopeful expression as she said, "If you take care of this for us, we'll give you anything you want!"

The two were insulting Harvey before, ridiculing him mercilessly as they called him a con man...

Yet, they did nothing but beg for Harvey to help at this very moment.

What a magical thing life is.

Saul and Lola seemed a little awkward after putting up such a strong front before...

But compared to the hope of having a child, they couldn't care less about their pride.

In fact, they wouldn't utter a single word of complaint even if Harvey decided to slap them in the face.

"I'm impressed by your love, Mr. and Mrs. Robbins." Harvey finally said, smiling.

"You don't have to say anything else. I'll help you."

Harvey quickly pulled out a pen and paper, and scribbled.

"Mr.Robbins, tell someone you trust to get these things for me."

"I'll pull out Mrs.Robbins's evil energy right now."

"It'll be completely done soon."

"You'll be able to bear a child once I'm finished."

Saul froze when he read the list of things on the paper.

"Thank you.I'll get these immediately," he said, nodding.

At the same time, there was admiration in his eyes when he looked at Harvey.He was worried Harvey would use the opportunity to demand for more ridiculous benefits, but...He didn't think Harvey would agree to help so easily.

Saul started to appreciate Harvey a little more.

Afterwards, Saul's trusted subordinate got the list of things ready.

A bowl of chicken blood, some paper, and a metal bucket to burn the paper in.

After seeing the items, Lola froze.

Then she asked instinctively, "How can I help, Sir York?"

Harvey pointed at the table.

"I need you to lie on the table and show me your belly."

Lola found his request somewhat awkward, but she nodded and did it anyway.She took off her jacket and slowly rolled up her underclothes, revealing her well-defined waist as she lay on the table.

"Sir York, this..."

Saul began, stunned by the sight.

"Because of Mrs.Robbins's miscarriage, her stomach was filled with evil energy."

"Traditionally speaking, your child isn't willing to leave Mrs.Robbins's body since it hasn't reincarnated yet."

"This is why you never got to have another baby."

"And now, I'm here to release that baby."

Saul and Lola froze.

Then, they burst into expressions of gratitude.

"Thank you so much, Sir York!"

Lola had a miscarriage, but the couple had always treated that baby as their first child.

They were filled with respect after discovering that Harvey wanted to release the baby instead of destroying it.

Harvey wasted no time dipping his finger in some chicken blood and let it drop on a piece of paper.He then swiped the paper across Lola's belly.

The paper went on fire in the air, and Harvey threw it in the bucket.

Lola felt extremely comfortable as warmth gushed out of her stomach.

Harvey kept pulling out more pieces of paper and dragged them through every part of Lola's belly.

At the same time, he quietly channeled some of his energy into her body through his fingertips.

"So warm...This feels so good..."

Lola let out a moan, her face completely red.

Harvey ignored the response and slapped another piece of paper on Lola's stomach. He then flung the paper in the air, at which it caught fire again.

The incredible sight stunned Saul completely.

By now, there was no doubt in his mind that Harvey was the real deal.

Lola's entire body trembled when Harvey landed the final slap. She couldn't help but moan harder as warmth and sweat covered her entire body.

"It's done."

Harvey threw the last paper in the bucket, squinting at the black smoke coming out.

"Your first child is released."

"Mrs. Robbins, you should have some rest. Maybe you'll be able to give it a go tonight." Harvey then blinked meaningfully at Saul a few times.

Harvey signaled for Saul to put a blanket on Lola and then follow him out.

Saul respectfully got Harvey into the guest room next door.

"Is it all done, Sir York?" he asked.

"Has our child been finally released?"

He was filled with excitement and worry at the same time. Harvey squinted at Saul for a moment, and then chuckled softly.

"Do you believe in superstition, Mr. Robbins?" Saul froze.

"If there's no such thing, then what was that before...?" Harvey let out a sigh.

"Remember what I said this morning?"

"What Mrs.Robbins needs is medicine for the mind."

"She's completely fine, but her heart has been stumped ever since she lost her child."

"That was why she had been in a state of false pregnancy."

"Because of this, there was no way for you two to bear another child."

"That act just now made her believe that her first child has been released."

"I channeled my energy into her, treating the sicknesses that stuck to her ever since she had a miscarriage."

"She's perfectly fine now."

"You can bear a child without any problems." Harvey smiled.

"Of course, I explained everything to you because we're both civilized people. It's better if I tell you all this."

"Since Mrs.Robbins is a woman, I'm afraid this'll have to be our secret."

"It wouldn't be too late if you tell her after she has the baby."

Saul was filled with gratitude after hearing Harvey's words.

"You really are impressive, [novelebook.com](http://novelebook.com) Sir York!"

"Other people would just keep it to themselves and flaunt their strength for their own benefit."

"But you told me everything as soon as you got the chance! I'm pleased!"

"Other things aside, from now on, I'll treat you like my own brother!"

"Just say the word if you get into any trouble. I'll do everything I can to help!"

Harvey smiled; he didn't think that Saul would be this easygoing.

"Sure. Just call me by my name. You don't have to keep calling me Sir York."

"Since I'm younger than you, I'll just address you as my brother."

Saul was filled with admiration after hearing Harvey's decisive tone.

"Of course. Thank you for this, Harvey!"

"Stay here for the time being. I'll have to buy you a big meal at the Golden Sands Hotel this afternoon."

"Call your brothers and sisters, too! We'll have lots of fun together!"

"Don't you worry. I'll make sure nobody causes you and your family any trouble!"

"Let's hang out another time, Saul."

Harvey declined with a smile.

After all, there were some things he couldn't explain to Mandy.

"You need to stay with Mrs. Robbins for the time being. That's the most important thing right now."

"I'll get drunk with you when there's good news from you two."

"Of course. I feel a lot more confident after hearing that!" Saul said, elated.

"I'll make sure to finish the job and treat you to a meal tomorrow!"

"Right. You need to sign this."

Saul Robbins was just about to send Harvey York out before he remembered something. He quickly grabbed a folder before telling Harvey to sign a paper.

Harvey casually took a glance.

"What is it?"

"Just a small gift. You should take it."

After signing the paper and stamping Harvey's thumbprint, Saul clapped his hands with contentment. Harvey was left completely speechless.

"What is this, Saul?" Saul smiled.

"After I married my wife, we started a business together called the 'Golden Estate' It was mainly focused on the city's real estate business.

"Since she's about to focus on having our baby, the business has to be put on hold.

"If we sell the business or let someone else control it, she'll definitely be unhappy about it. After all, this is considered to be her dowry! "That said, I'm sure she'll be fine with you having the shares.

"From now on, you'll be the owner of the Golden Estate with ninety percent of the company's shares! "Leave the remaining ten percent for our child.

"The company isn't big. It only has around a hundred employees.

"We're just starting preparatory work to expand a few lands.

"You need to put some work into this, Harvey! Say the word if you see any land you'd like or need more funds! "I'll make sure to give you the best interests I can offer! After all, I have to put personal matters aside!"

Saul was showing a satisfied expression.

Harvey did not know what to say.

As expected for wealthy people to be this decisive.

Saul just gave away his company without a single warning.

'I guess this is my first business here for the time being...

'Lilian Yates would probably start coughing up blood if she hears about this"

Harvey heaved a sigh. He knew that Saul and Lola Hoffman gave the company out of the kindness of their hearts.

If he did not accept the gift, Lola would probably be affected because of the company's worries.

Soon after, Harvey reluctantly accepted the gift.

This meant that the relationship between both sides was deepened. [novelebook.com](http://novelebook.com) It was already dusk when the procedures were all done.

Mandy Zimmer had already gone back to her family's company. She offered to take Harvey back home.

The Zimmer Enterprise was just a short distance from the Golden Sands Bank, after all.

Harvey could not be bothered to grab a cab on his own. He quickly rode an electric scooter directly to the company's entrance.

When the scooter was locked in place, Mandy was seen walking out of the building with her secretary, Maya Lee.

Maya contemptuously looked away after seeing Harvey's face.

Naturally, she recognized him as Mandy's ex-live-in husband.

Lilian had been calling Harvey the man who begged to remarry Mandy.

Successful women would never look up to a man like that.

Not only did Maya think of herself that way, but she was also a beautiful and innocent lady with many pursuers.

That was why she completely looked down on Harvey at this moment.

Harvey took a few glances at Maya.

He wondered if anyone from the Lee family were good people at all after repeatedly going against all of them.

Harvey's actions made Maya utterly disgusted.

Mandy Zimmer brought Maya Lee into the Porsche, then waved at Harvey York to get into the passenger's seat.

Then, she stepped on the pedal before speaking.

"I haven't asked since I was worrying about the loans, the salary payment, and the company's production..."

"But are you going to tell me what happened previously?" Harvey just smiled.

"What about it?"

"You and Saul Robbins."

Mandy glanced at Harvey with a curious gaze. She completely understood that Harvey was acquainted with Saul.

After all, he was a successful man.

But she could not wrap her mind around why Saul would pay Harvey this much respect.

Not only did he fire two of the bank's higher-ups, but he also lent Mandy three hundred million dollars worth of loans.

Harvey just arrived in the Golden Sands for a few days! Saul belonged to one of the Hermit Families.

Why was he being respectful to an outsider like Harvey? This was just baffling! After hearing Mandy's words, Maya froze before she scoffed quietly. [novelebook.com](http://novelebook.com) She believed that Saul was just being nice to Harvey for the sake of Mandy's beauty...

And yet Harvey thought that he was the impressive one.

What a joke.

Harvey had anticipated what Mandy wanted to ask.

"Saul asked me for a favor."

"What was it? Was it important? Mandy was extremely curious.

"Ordinary favors wouldn't make him fire two both the deputy manager and the vice president of the bank like this." Maya froze.

She naturally did not expect that Harvey would have this kind of power. But soon after, she was basically convinced of her deduction.

'The live-in husband doesn't even know he's being cuckold!' "Don't try to fool me. How did you earn Saul's respect so quickly? Mandy's gaze was filled with confusion.

"They're really impressive people.

"Saul's the prince of the Robbins family, one of the Golden Sands' Hermit Families. Lola Hoffman is the lady of the Hoffman family, one of the top ten families from Holcomb.

"They are incredibly prideful people.

"They wouldn't even bat an eye toward ordinary people."

"I dealt with Lola's mental issue. They're expressing their gratitude because of this."

'Mental issue? Since Harvey did not mention further details, Mandy realized that this might have been Saul and Lola's personal problem.

After remembering the rumors floating around, Mandy was filled with shock.

'Harvey can even deal with those kinds of problems...?' Right when Mandy was pondering the situation, Harvey spoke after a moment of silence.

"I forgot to ask. You have a seventy-million-dollar loan due next month, right? "Do you need my help with that?"

Before Mandy even said anything, Maya broke out in laughter while sitting in the back seat.

'Who do you think you are?! 'You're just a live-in son-in-law! You don't even have that much money! 'Even if we forget just how capable CEO Zimmer is, a man like you has no right even to say something like that!' Maya relentlessly insulted Harvey in secret.

Mandy's smile froze.

"It's a little bothersome, but I can still deal with it," she said in a gloomy tone.

In reality, there were a lot of problems other than the ninth branch's funds.

Even with Mandy's abilities, she could barely hold everything together since those problems kept leading themselves to another.

That said, her pride would not let her to always rely on Harvey.

Harvey York squinted at Mandy Zimmer.

"Are you sure you can handle it?" Mandy nodded.

"Yeah."

Even if she could not, she would not want Harvey to help to prove her strength.

"Alright. That's good to know. Naturally, Harvey knew just how stubborn Mandy was.

"But don't force yourself if it's too hard. Just say the word, and I'll deal with it."

Maya Lee showed a scornful expression after hearing Harvey's words.

'Not only does he talk big, he sure likes to show off a lot too Vroom! When the Porsche was on the road with few people,novelebook.com a few vans without license plates appeared out of nowhere.

A couple of vans also showed up from behind, completely stopping Harvey and the others in their tracks.

Mandy and Maya showed stern expressions on their faces.

They did not know what was happening.

Clack! The van doors opened before a dozen fighters walked out with steel pipes and baseball bats in hand.

Chloe Anderson and Sonny Lee were also seen with walking sticks.

"These b\*stards! Mandy immediately figured out what was going on after seeing the two.

"Of course they'd do something like this!"

Harvey seemed indifferent.

At this point, he had been through a lot of things.

Maya immediately trembled.It was her first time seeing such a sight.

"What do we do now, CEO Zimmer?!" she asked tremblingly.

"You call the cops! Mandy was perfectly calm.

"I'll stall them! "No matter the case, I belong to the Jean family! "They'll be in deep trouble if they even touch me!"

"They wouldn't dare! "You also stay inside, Harvey! You'll cause a bigger conflict if you go out!"

Naturally, Mandy knew that Chloe and Sonny were actually after Harvey.

Maya nodded with a pale face.She hurriedly took out her phone but soon realized that there was no signal.

Maya showed a horrible expression on her face. She was on the verge of tears when she imagined her being taken advantage of by the gangsters.

"You don't have to go, Mandy. Harvey patted Mandy's slender leg before smiling faintly.

"They're coming for me. I'll handle this."

"You? With what?! Maya instinctively screamed at Harvey after thinking she got into this trouble because of Harvey.

"Stop causing trouble already! "Listen to CEO Zimmer, or we'll all go down! 'It's already bad enough for him to show off like this...

'And yet he's doing it at such a crucial moment! We'll die because of this!' "It's fine. I can deal with a bunch of useless filth myself."

Harvey squinted. He showed a funny smirk when he saw familiar faces in the crowd.

"You'll deal with them? Maya was boiling with anger.

"Who do you think you are?! "Enough of this! Get back inside right now! Bam! Harvey got out of the car before closing the car door.

"This is ridiculous, CEO Zimmer! How is he so cocky?!"

Maya stomped her feet. She thought that Harvey would drag her down with him.

After all, an ordinary live-in son-in-law would not be able to handle someone who could gather this many gangsters.

She believed that Harvey had a death wish for even stepping outside.

“Harvey!”

Mandy Zimmer did not even think for a second. After seeing Harvey York walk out, she heedlessly followed behind him.

Maya Lee had no choice but to pick up her phone and follow the both of them outside.

“What the Hell?!”

“I’m getting dragged down here!”

Maya was stomping her feet in anger.

Harvey was already standing right in front of Chloe Anderson and Sonny Lee at that moment.

Sonny held his walking stick with a vengeful expression.

“What a small world, kid!

“I didn’t expect that we’d meet again so soon!”

Harvey could not be bothered to beat around the bush.

“Both of you want to die or something?”

“Die? A crazed look was showing on Sonny’s face.

“I should be asking you that question!

“You think I’m easy to take advantage of when I’m being nice!

“I’ll show you my true strength! You’ll see just how powerful I actually am!”

Chloe let out a cold chuckle as she glared at Harvey derisively.

“How dare you get me fired and my legs broken?!”

“I’ll pay you back tenfold!”

“Nobody can save you now!”

Then, Chloe glanced toward Mandy.

Mandy stood up to say something, but Maya quickly held her back to stop her from provoking Chloe and Sonny, who at this moment had clearly lost their minds.

After all, they had the numbers to act this way. Based on that alone, it was clear who was going to suffer.

Harvey merely smiled calmly.

“No matter how powerful you are, it’s useless against me.

“I can slap you people around however I want to.”

“Slap us?”

Chloe coldly chuckled.

“Try us!

“Let’s see how fearless you are!”

Next, Chloe intentionally leaned in toward Harvey.

Slap!

Harvey stepped forward before swinging his palm across Chloe’s face.

Everyone was dead silent.

Nobody thought Harvey would be brave enough to slap her in the face.

“What?!”

Sonny and the others were utterly shocked when they stared at Harvey.

Chloe fell to the ground while utterly stunned. She could not even feel the pain on her face at that time.

‘This guy must have a death wish or something!’

The thought came to Maya’s mind.

She was boiling with anger to the point where her chest was hurting.

How does this b\*stard not know he should be begging for mercy right now?!

'If he keeps this up, Mandy and I will be dragged down as well! We'll be taken advantage of if anything ever goes remotely wrong...

'He's harming all of us!' Maya kept screaming those thoughts in her head. She was ready to beg for Sonny's forgiveness for the sake of her being in the same line of descent five hundred years ago...

She could not even care less about what would happen to Mandy at that moment.

"How dare you?!"

Chloe covered her face as she was stumbling off the ground.

"How dare you hit me?!"

Harvey took another step and swung his palm forward.

Slap!

Chloe had no time to react. She was again slapped in the face.

"Aaagh!"

Chloe shrieked in pain before stumbling into Sonny's arms.

Sonny was utterly infuriated when he saw the love of his life being humiliated like this.

Mandy Zimmer and Maya Lee froze.

Safe to say that Harvey York's actions were extremely dominant, even to their standards!

At this point, there was no longer any way to go back.

Chloe Anderson was boiling with anger while covering her face.

"How dare you keep disrespecting me like this?! I'll have you buried six feet under!"

"Kill him, Sonny!"

"Kill him this instant!"

Chloe kept pointing toward Harvey's face. She wanted him to be ripped apart so badly.

"You've crossed the line, b\*stard!" exclaimed Sonny Lee while pointing at Harvey.

"Go! Break every single one of his limbs!"

A dozen gangsters pounced forward.

Harvey let out a cold chuckle before charging ahead.

A series of slaps could be heard before the gangsters were all seen paralyzed on the ground.

Sonny and Chloe's expressions changed. They did not expect that a useless filth like Harvey would be able to take on everyone with only his slaps.

Sonny was trembling in fear when he saw Harvey slowly stepping forward.

"Don't... Don't come any closer!"

Swoosh!

Harvey instantly appeared in front of Sonny before grabbing his neck.

Then, Harvey slammed Sonny's head right at a van's windshield.

"Aaagh!"

Sonny wailed in pain. It was a miserable sight.

“Are you taking your revenge?”

“How dare you?”

Harvey showed a cold expression.

“Not only did you not cherish your lives, but you also come here for trouble?”

“Do you have a death wish or something?”

“Who... Who are you?”

Sonny showed a wretched expression when he stared at Harvey with disbelief.

The man in front of him was so powerful that it was terrifying.

He could not believe that Harvey was just an ordinary live-in son-in-law.

He knew that Harvey would not be this scary if that was actually the case.

Chloe panicked when she saw the sight. She quickly sent a text on her phone soon after.

“It doesn’t matter who I am. Just remember that you have no right to go against me.

“If you even try to lay a finger on me or my woman, you’ll die a horrible death.”

Then, Harvey strode toward Chloe before sending her flying with a single kick.

Chloe’s scream of pain was enough to make Maya cover her mouth, astonished.

Vroom!

At this moment, a couple more vans arrived.

The car doors opened before revealing dozens of fierce men in suits.

Judging from their aura alone, clearly they were professionals. Every single one of them was showing fierce looks. It was definitely a terrifying sight.

“You’re finished, kid!

Sonny’s eyes instantly lit up after seeing the professionals.

“The people you beat up were just ordinary gangsters!

They’re nothing!

“Now that Mr. Saban’s here, you’re dead for sure!

“He’s a powerful man! He’ll bury you right under the damn field when he’s done with you!

“Nobody will even notice your burial ground after twenty years!”

Sonny was exhilarated.

Chloe covered her face when she exclaimed, “You’re finished!”

Maya’s expression changed.

‘Mr. Saban?!

‘He does sound like a powerful man!

‘Is Harvey finally done for?!’
