“Mr. Saban?”

Harvey York let out a cold chuckle.

He squinted at the middle-aged man who just walked out from the crowd.

“Get over here, Cliff Saban!”

Sonny Lee, Chloe Anderson, and the others froze before they coldly chuckled.

‘This filth is actually fearless!’

‘Doesn’t he know that he can’t just go against a prominent figure such as Cliff?!’

‘He probably didn’t want Harvey dead in the first place!’

‘But Harvey must have a death wish for even saying that!’

Cliff was wearing his robe with a string of beads in his hand in the back of the crowd. He was scared witless as soon as he heard Harvey’s words.

He could obviously recognize that man’s voice.

He quickly stumbled forward.

Harvey’s face was right in front of him.

His vision was turning black. He could even feel his strength dissipating at this very moment.

“That’s the b*stard, CEO Saban! You need to take him out!”

Sonny was utterly exhilarated after seeing the sight.

“Get him, CEO Saban!” Chloe exclaimed.

“I’ll sleep with you when you’re done!”

Cliff almost stumbled to the ground after hearing those words.

He walked forward while his entire body was trembling. His chest was moving up and down rapidly.

After looking at Cliff's wretched expression, Sonny was excited since he thought Cliff was utterly furious because of Harvey. He patiently waited for Harvey to suffer at that time.

Slap slap slap!

Cliff immediately walked toward Sonny and Chloe and slapped them to the ground the moment they leaned in.

"Shut the f*ck up!

"Are you trying to get me killed?!"

Cliff stomped on the couple's faces before he marched toward Harvey and bowed. His entire body was trembling incessantly at this moment.

"I'm sorry, Sir York! I'm really sorry!"

'Sir York?'

'He's sorry?'

Sonny and Chloe were utterly shocked after hearing those words.

They could not even close their gaping jaws at that very moment.

'Who is this man? Why is Cliff being so respectful toward him?'

'Even a prominent figure like Saul Robbins respects him!'

'Is he really not an ordinary live-in son-in-law?'

Maya Lee's mind was completely blown away when she saw the sight. She did not know how to react at all.

"They're planning to take me out.

"They also threatened to bury me under the field.

Harvey showed a faint smile while wiping his hands with some tissue.

“And you even brought your men here to help them.

Harvey stepped forward before patting Cliff’s face.

“You must’ve gotten a little cocky!”

Cliff showed a bitter expression on his face.

“I didn’t know it was you, Sir York!

“Sonny’s a distant relative! He begged me to help him deal with some arrogant man!

“I came to take a look since I was near by!

“I didn’t mean to go against you at all!”

Not only were Harvey and Kellan Ruiz sworn brothers, he even took out the Murray siblings on his own. He was also the only person who could decide whether Cliff would have an heir or not.

He simply would not dare challenge a man of that caliber!

“So, you’re saying you’d help them bury someone under the field if it wasn’t me?”

Cold sweat was dripping down Cliff’s back.

“I... I...”

Slap!

Harvey swung the back of his palm across Cliff’s face.

"You'll never change, will you?"

Harvey York coldly swung his palm forward again.

Cliff Saban's face was completely swollen.

"I was wrong! I was wrong!" he exclaimed while flailing his hand around.

"I won't do it again, Sir York!"

Slap!

Harvey swung the back of his palm.

"If I see you doing this again, I'll break every single one of your limbs."

Cliff finally let out a sigh of relief when he realized that he had a chance to survive.

"I understand! I understand!" he exclaimed while frantically nodding his head.

Then, Harvey took his hand back before wiping it with wet wipes.

"Remember what you said. There will be no next time."

Maya Lee immediately froze after seeing the sight.

Chloe Anderson and Sonny Lee's minds were completely blown.

'He is the chairman of the Evergreen Capital Group!'

'Why is he acting this helpless in front of Harvey like he's a spoiled brat being taught a lesson?!' They could not wrap their heads around the sight before them.

"Of course! I'll remember this!

"I will!"

Cliff kept nodding as he heaved a sigh, thinking he had barely managed to escape death.

“You handle the rest yourself.”

Then, Harvey turned around before taking Mandy Zimmer to the Porsche.

“Who do you think you are, you b*stard?!”

After seeing Harvey leave, Sonny gripped his walking stick while vengefully glaring at the Porsche.

“I’ve been living in the Golden Sands for so many years!

There’s no way I can’t even deal with a random live-in son-in-law!

“Just you wait!

“When I’m all healed, I’ll borrow people from Young Master Lowe! They’ll be in a different league than the useless filth you beat up!

“You wouldn’t dare show off in front of people from a sacred martial arts training ground!

“And that woman! I won’t forgive myself if I don’t play with her for an entire month!

“I want that b*stard watching on the side while he’s kneeling!

Sonny gritted his teeth while he furiously ran his mouth. He was also pretty discontent with Cliff’s attitude in the situation.

‘You’re a damn chairman! You have the status and the background!

‘And yet what happened?!

‘You got beat up like you’re a damn cripple!

‘How embarrassing can you get?!

‘Harvey’s just a live-in son-in-law! How impressive can he even get?!’ Sonny thought that Cliff was just being too weak.

With the support of Heaven's Gate, he was completely looking down on the top-rated families of the Golden Sands.

After hearing those words, Chloe was exhilarated.

"Tell Young Master Lowe to give me a chance as well!

"I don't want to live without slapping the soul out of Harvey!"

"You two...

Cliff let out a sigh after hearing the conversation.

"I know that you hate Sir York.

"But there's no other choice. He's not just someone you can go against.

"I respect that man deeply.

"After hearing your conversation, I know you wouldn't just let go of your hatred. Since that's the case, I have no choice but to make you shut up forever.

"Don't blame Sir York or me for this when you're gone....

"Blame yourselves for your ignorance."

Cliff waved his hand.

A few fierce men in suits walked over before covering Chloe and Sonny's faces with sacks.

Sonny froze.

He screamed his lungs out after realizing what was going on.

"Mr. Saban! I was wrong! I know I was wrong!

"Give me a chance! Please! I beg you!"

Chloe was trembling in utter fear. She did not even have the strength to struggle at this point.

“Who’s going to give me a chance?”

“Judging from your stubbornness, you’ll only drag me down at this point!”

Cliff sighed and lit up his cigar before stepping away.

“You don’t have to worry about it either. They won’t know that you were the one who took care of Elan Murray.

“The Skeleton Gang has nothing to do with you.

“They’ll go for Cliff Saban at most.”

Kellan Ruiz showed a profound look on his face.

“After Cliff got into trouble, he hired hundreds of fearless bodyguards. It’d be hard for anything to happen to him!”

Harvey York completely ignored the subject.

“Do you know where they’re hiding?”

“Where?”

Kellan froze before he showed utter shock.

“Are you going to take them out, Sir York?”

Harvey showed an emotionless look without saying a word.

He suspected that the Skeleton Gang was most likely dealing with Kairi Patel because they were involved with Evermore.

That was why he wanted to go on the initiative.

If Harvey were right about his deduction, he would not mind dealing with the root cause once and for all.

“Sir York, other than the Martial Arts Alliances’

inability to suppress the gang, there’s another reason they’re still around after all these years. They are immensely powerful!

“Their gang leader, Skullface, If you don’t want to be bothered by this sentence, go to daotranslate.com is extremely close to being a God of War! He’s a terrifying man!

Kellan promptly warned Harvey.

“Besides, he’s completely lawless!

“He’d use everything in his arsenal just to achieve victory.

“You’ll suffer if you look for him for trouble!

“It’s not that I don’t believe you...

“But we just can’t go against people with that power!

“Just sit tight!

“The Skeleton Gang will die a horrible death if they even go against Kairi!

“After all, Kairi’s the Poison Fairy herself!

“Besides, she clearly is a skillful person to rise the ranks in the Patel family!

“More importantly, countless men have been pursuing her, If you don’t want to be bothered by this sentence, go to daotranslate.com but they all came out dejected.

Prominent figures from top-rated families and sacred martial arts training grounds were also included.

“This should be enough to tell just how terrifying Kairi actually is!

“I can read most people I come across, but not her!

“In any case, I know you’re acquainted with her, but it’s best to keep your guard up.

“Let’s just watch the show for now.

“The Skeleton Gang will be like moths flying into a flame.”

Kellan said so much because he was worried.

He was afraid of Harvey causing trouble for the Skeleton Gang. He did not know if he would stand up for Harvey or hide behind the scenes if that were to happen.

Harvey did not think that such a gentle and beautiful woman like Kairi would make a boss of the underworld like Kellan to be this afraid.

This meant it would also be hard for the Skeleton Gang to deal with her.

That said, they obviously knew everything that Kellan noted as well.

Since they accepted the mission, they clearly came prepared.

After all, gangsters like these prioritize their safety.

They would not do something that they were not confident about.

After hanging up on the phone, Harvey quickly called Kairi to warn her about the situation.

“Harvey? Do you actually have the time to call me?

A familiar voice came from the other side of the phone.

“Did you miss me?”

Harvey York lightly chuckled.

“I wouldn’t dare. What if your pursuers decide to come for me if they find out about this?”

Kairi Patel seemed a bit bitter after hearing Harvey’s comeback.

“Though it seems like you missed that young lady, Arlet Pagan, quite a bit. I heard you dealt with her problems immediately after meeting her the next day...”

The tone of Kairi’s words made Harvey’s head instantly numb.

“Where are you now?”

Harvey quickly changed the subject.

“I have something to talk to you about.”

“Me?”

“I just went past Indigo Mountain.

Kairi smiled.

“I went to my old town to find a place that looked intimidating to open up shop.

“You got really lucky. I found a good place here. We should take a look tomorrow.

“If you have no objections, we’ll buy the place immediately.

“We don’t need any renovations either. If you don’t want to be bothered by this sentence, go to daotranslate.com I’ll ask Arlet for some antiques to put here, and you’ll be all set.”

Kairi chuckled. She thought that she was being clever.

Harvey felt speechless when he realized how unpredictable Kairi was.

"Alright. Enough of this for now," If you don't want to be bothered by this sentence, go to daotranslate.com replied Harvey after letting out a huge sigh.

"I just got word that the Skeleton Gang is after you.

I suspect that the organization we're targeting is behind this too.

"Be careful.

"I wouldn't want to lose my partner like this."

Kairi showed an odd expression.

"The Skeleton Gang?

"Weren't they targeting you and Cliff?

"Besides, why would they even be involved with Evermore in the first place?"

"That I don't know. That said, If you don't want to be bothered by this sentence, go to daotranslate.com it'd be better to keep your guard up after the plane incident.

"No harm in doing that anyway.

"It'd be bad if they come back for you again."

Kairi was dead silent for a moment before she sighed.

"Looks like I was too careless. I didn't expect someone would still target me even while I'm in the Golden Sands.

"They're pretty bold for doing something like this!

"Don't worry. I can handle a few small fries.

"I'm the Poison Fairy after all..."

"Bring a few more people with you," Harvey replied.

“I got my cousin here. She’s one of the Patel family’s trusted subordinates. She’s pretty skillful as well. She...”

A loud explosion could be heard before Kairi was done with her sentence.

Soon after, sounds of gunshots and zooming arrows echoed through the other side of the phone.

Then came the screams of pain.

“What’s going on, Kairi?

Harvey was getting worried.

“Did something happen?”

The call was immediately hung up without a reply.

Harvey quickly called the phone again but to no avail.

The signal was clearly being blocked.

Harvey ran out of the villa before realizing that Mandy’s car was still being fixed. The Porsche he had was being used by Mandy instead.

Harvey barely managed to get a cab at the front door.

“To Indigo Mountain. Please hurry.”

The driver froze before he drove off, as if he was being threatened.

Harvey York tried to get a few more cabs after that.

After hearing where he wanted to go, the cabs drove off faster than rabbits being hunted.

Harvey felt utterly speechless, but there was no time to ponder about the situation.

He quickly rushed toward the nearest electric scooter.

“What are you doing here, Sir York?”

A Ferrari stopped in front of Harvey before revealing Thomas Burton’s bright smile. The two had finally met each other.

Harvey froze before he got in the front passenger’s seat.

“To Indigo Mountain! Hurry!” he exclaimed.

Thomas froze after hearing that name. Clearly, he was a bit terrified.

“Sit tight!” replied Thomas while gritting his teeth.

Next, he stepped on the pedal.

Naturally, the Garbage King himself was a man who knew how to repay kindness.

He always remembered the time when Harvey stood up for him against Idris Saban.

Indigo Mountain was forbidden for most people in the Golden Sands, but he could not care less at this moment.

After running past a few red lights, If you don’t want to be bothered by this sentence, go to daotranslate.com the two were at the foot of Indigo Mountain within ten minutes.

Harvey closed his eyes and listened before directing Thomas to an abandoned road.

Gunshots could be heard from that direction.

Soon after, the car came to the edge of a cliff. There was nowhere else to go from there.

Harvey told Thomas to stop the car there before he rushed toward the cliff.

He looked down before hearing faint gunshots and smelling a whiff of gunpowder.

Naturally, that was the place where Kairi Patel was ambushed.

That said, there was a seventy feet drop from where Harvey was. If you don't want to be bothered by this sentence, go to daotranslate.com Along with the night settling in, Harvey could not even get a visual of what was down there.

"What's the matter, Sir York?"

Thomas came over.

"Is there a way to get down there?" asked Harvey.

"There is, but we'd need at least an hour to get there."

Thomas showed a bitter expression.

"Got it. You keep yourself safe."

Harvey frowned. He knew that he could not spare that much time.

He saw a few bumps on the cliff's side before taking a deep breath and jumping down.

He would use the tips of his toes to land on the bumps, then use the momentum to hop to another.

He was successful on the first few attempts...

But the rock Harvey landed on suddenly cracked when he was halfway down.

Harvey frowned. He had no choice but to fall.

An ordinary human being could only take a forty- foot fall at most...

But with Harvey's abilities, he would be able to find himself a chance to survive.

While he was halfway through the fall, he threw a kick in midair before flying out to the side.

In the middle of the mountain, a group of people in black shirts and skull tattoos on their chests had a Toyota Prado completely surrounded with firearms in hand.

The people instinctively raised their heads after hearing the wind of Harvey's momentum.

They were scared witless before they stumbled out of the way after seeing a huge boulder coming straight at them.

Bam!

Harvey suddenly appeared before stepping on one of the people's backs.

Bam!

The person in a black shirt slammed to the ground before blood spurted out of his mouth. It was an extremely miserable sight.

Smoke and dust completely filled the entire place.

The men surrounding the car were showing horrible looks. All of them were coughing up a storm while they kept stepping back.

The man on the ground finally came to his senses, but he just could not muster the strength to stand back up.

"You... You b*stard..." he said while vengefully glaring at Harvey.

He was the vice head of the Skeleton Gang. His name would be able to stop children from crying in the middle of the night.

More importantly, he was also a King of Arms. He was an immensely powerful man.

That said, he was on the verge of death after being slammed to the ground.

He did not die on the spot, but he was completely incapacitated. He was so furious to the point where tears were beading from his eyes.

Harvey felt speechless when he saw the sight.

‘It’s not like I meant to do it...

‘I just used the momentum. I didn’t know that you’d turn out like this.’

Then, he looked at the man with a sincere expression.

“Thanks, buddy!”

“Motherf*cker...”

The vice head was boiling with anger after hearing those words.

Harvey completely ignored him. After seeing the skull tattoo on him, Harvey stomped on his face before he looked around him.

The place was a complete mess. People were lying all over the place.

Traces of gunshots and explosions were seen everywhere. It was clear that an intense battle happened here.

There was also a convoy of five cars that were robbed. The inside was marred with red and bullet holes too.

On the hood of the middlemost car, an elderly person in a grey robe was kneeling on one knee with a broken sword.

He was still hanging on, but it was clear that he was completely spent. He was about to fall at any second.

A few elderly people were lying beside him as well.

All of them seemed like they could stop breathing at any moment.

Kairi Patel was leaning in the back of the car. The usual beauty of her face was replaced entirely by a cold expression.

The firearm in her hand was the only thing keeping her from remaining passive.

A few people from the gang were lying in puddles of blood around her.

Six more were showing fierce looks, as if they were fully prepared to take out Kairi.

But after seeing Harvey's landing, the intense battle immediately halted.

Both sides were staring right at the man who just fell from the sky.

Kairi froze when she realized that it was Harvey who arrived. An odd gaze was showing in her eyes.

Bam!

The person in a black shirt slammed to the ground before blood spurted out of his mouth. It was an extremely miserable sight.

Smoke and dust completely filled the entire place.

The men surrounding the car were showing horrible looks. All of them were coughing up a storm while they kept stepping back.

The man on the ground finally came to his senses, but he just could not muster the strength to stand back up.

“You... You b*stard...” he said while vengefully glaring at Harvey.

He was the vice head of the Skeleton Gang. His name would be able to stop children from crying in the middle of the night.

More importantly, he was also a King of Arms. He was an immensely powerful man.

That said, he was on the verge of death after being slammed to the ground.

He did not die on the spot, but he was completely incapacitated. He was so furious to the point where tears were beading from his eyes.

Harvey felt speechless when he saw the sight.

‘It’s not like I meant to do it...

‘I just used the momentum. I didn’t know that you’d turn out like this.’

Then, he looked at the man with a sincere expression.

“Thanks, buddy!”

“Motherf*cker...”

The vice head was boiling with anger after hearing those words.

Harvey completely ignored him. After seeing the skull tattoo on him, Harvey stomped on his face before he looked around him.

The place was a complete mess. People were lying all over the place.

Traces of gunshots and explosions were seen everywhere. It was clear that an intense battle happened here.

There was also a convoy of five cars that were robbed. The inside was marred with red and bullet holes too.

On the hood of the middlemost car, an elderly person in a grey robe was kneeling on one knee with a broken sword.

He was still hanging on, but it was clear that he was completely spent. He was about to fall at any second.

A few elderly people were lying beside him as well.

All of them seemed like they could stop breathing at any moment.

Kairi Patel was leaning in the back of the car. The usual beauty of her face was replaced entirely by a cold expression.

The firearm in her hand was the only thing keeping her from remaining passive.

A few people from the gang were lying in puddles of blood around her.

Six more were showing fierce looks, as if they were fully prepared to take out Kairi.

But after seeing Harvey's landing, the intense battle immediately halted.

Both sides were staring right at the man who just fell from the sky.

Kairi froze when she realized that it was Harvey who arrived. An odd gaze was showing in her eyes.

She never thought Harvey would come to save her after they had only met a few times.

Her hand trembled before the greenish hue on her face dissipated. Soon after, the tender look on her face came back.

The vice head, who was on the ground, gritted his teeth when he exclaimed.

"How dare you ruin our business?!"

"We'll rip you to shreds! We'll burn you to a crisp..."

"Shut up already."

Harvey spoke up before stomping on the vice head's face.

Pfft!

Blood came out of the vice head's throat, but it was completely stuck since his mouth was sealed shut.

At that moment, he only saw darkness in front of his eyes before passing out...

Read Harvey York's Rise to Power - the best manga of 2020

Of the A Potato-Loving Wolf stories I have ever read, perhaps the most impressive thing is Harvey York's Rise to Power. The story is too good, leaving me with many doubts. Currently the manga has

been translated to Chapter 4227. Let's read now the author's Harvey York's Rise to Power A Potato-Loving Wolf story right here

“Are you really that useless?”

Harvey York showed a confused expression while staring at the man on the ground.

‘Judging from the attitude, he’s probably a prominent figure of the Skeleton Gang...

‘And then what happened?’

‘He’s out for the count after I kick him a few times.

‘Isn’t this the Skeleton Gang Kellan Ruiz warned me about?’

‘Maybe he’s just trying to scare me off...’

Before Harvey could even say anything, a few men screamed in rage before they pounced forward while gritting their teeth.

They were carrying daggers, firearms, and crossbows with murderous intent exuding from their bodies!

“Harvey! Look out!” Kairi Patel exclaimed after coming out from the back of the car.

She was about to pull the trigger on one of the charging men...

But she ran out of bullets.

“Vice Head!”

After seeing the man who passed out on the ground, the others were boiling with anger.

“You b*stard! How dare you do this to the vice head?!”

“We’ll kill you!”

A man with a skull tattoo on his face gritted his teeth in seething rage.

“Brothers! The head will kill us if we don’t take revenge against this b*stard!”

“Go!”

Harvey frowned after sensing the men’s animosity.

He thought that they spoke too much.

He quickly stomped on the ground, causing a large piece of gravel to fly forward.

He quickly pounced at Kairi before rolling to the ground.

A warm feeling could be felt when the two were in each other's arms.

Kairi's body trembled, with her face flushing bright red.

Naturally, it was her first time being this close to a man.

Her heart was silently throbbing then.

"Harvey..."

She felt nothing when Harvey saved her on the plane before this...

But she felt like she could actually die without his embrace.

An unspeakable sense of security came into Kairi's mind.

Harvey's embrace was enough to make her infatuated.

It was as if she did not fear anything with Harvey there.

While Kairi was completely blanked out, Harvey had no intention of enjoying the moment.

He quickly pushed Kairi under the car before leaping toward the man with a skull tattoo.

Slap!

The man was also sent flying by a single slap. He did not even have time to react this time.

Novel Harvey York's Rise to Power has been published to Chapter 4228 with new, unexpected details. It can be said that the author A Potato-Loving Wolf invested in the Harvey York's Rise to Power is too heartfelt. After reading Chapter 4228, I left my sad, but gentle but very deep. Let's read now Chapter 4228 and the next chapters of Harvey York's Rise to Power series at Good Novel Online now.

Slap slap slap!

While the man was sent flying, Harvey York rushed right into the crowd of men.

The men immediately trembled before instinctively taking a few steps back...

But Harvey was faster. His palm immediately made contact with every single one of their faces.

His movements were as quick as lightning.

While Kairi Patel and the elderly man were completely stunned by the sight, Harvey fiercely swung his palm around without hesitation.

Men in black shirts were flying all over the place before the last one collapsed.

He quickly groveled on the ground without pause.

"I was wrong! Please! Spare me!"

He had a chance to pull the trigger but could not muster the strength to do it.

Harvey wasted no time sending this person flying with a kick. Nobody knew whether he was alive or not when he slammed onto the ground again.

"We have rules in the underworld, friend. We don't kill people who surrender."

The man in a grey robe frowned after seeing the sight.

The young people behind him did the same.

Harvey knocked out the man with a skull tattoo with a kick before looking at the crowd.

"Those are your rules.

“This has nothing to do with me.”

Then, Harvey stepped right on the vice head's crotch, completely crippling him in the process.

The elderly man and the others were all stunned by Harvey's clean moves.

"Harvey, this is my butler and personal bodyguard who has been taking care of me since I was a little child. He usually wouldn't show himself in front of anyone.

Gaspian showed admiration after hearing Kairi's explanation.

In his eyes, anyone with the right to be Kairi's friend would at least have similar identity, status, and power.

More importantly, Harvey was extremely skillful.

It was obviously an understatement to say that Harvey had a bright future.

Harvey nodded. He was not too surprised with the information.

As the lady of the Patel family, it was customary to have bodyguards with her.

Soon after, Kairi managed to calm down.

"How did you show up here anyway?"

"The signal was cut off while we were calling. I figured you got in trouble because of that," replied Harvey while wiping his fingers with some tissue.

"I had to come after that. We're friends, after all.

"I didn't expect that I'd actually save your life.

"Seems like you'll have to repay the favor now."

"Oh? Is that so?

“So, you’re the kind of man who seeks gratitude?”

Kairi Patel chuckled before lifting Harvey York’s chin with a finger.

“How about this? I can give you my body for the rest of my life.”

Harvey’s face turned bright red before letting out a cough.

“That’s a pretty unconventional offer!

“Normally, you should be doing my bidding for the rest of my life instead!”

Kairi let out a scoff.

“That’s for people who aren’t as good-looking. Of course, I’d have to give my body to someone as handsome as you.”

Harvey smiled sheepishly.

“I’ll have to respectfully decline your offer.

“I’m just doing my duty, after all.”

Kairi frowned after hearing Harvey’s words.

“Are you calling me ugly?”

Harvey chuckled.

“Maybe I’m just a man with some decency!”

Kairi showed a calm expression.

"The Skeleton Gang ambushed us here. A few of my bodyguards died, and my butler's also badly injured."

Gaspian Patel nodded.

“These people are strong, Ms. Patel. Not only do they have lots of firearms at their disposal, but they’re all really skilled fighters as well. They’re most likely traitors of the sacred martial arts training grounds...”

“The Skeleton Gang?”

Ari was shocked.

“Why would they come here to kill Kairi?”

Kairi frowned.

“We’re not sure, but it seems a little strange. We already took a lot of detours to disguise our tracks.

“But these people knew where we were going. They were also fully prepared to attack us.

“Looks like we need to deal with someone from inside the family!

Ari squinted before regaining the usual cold look on her face.

Then, Kairi showed a faint smile as she glanced at Harvey.

“We were careless!

“But thank goodness my savior’s here to save the day.”
