Harvey York did not even bat an eye when the crowd was screaming their lungs out.

He casually sipped his glass of wine without even a care in the world.

Thomas Burton quickly stood up with a smile, thinking that Harvey had gotten scared.

"It's just a misunderstanding, Young Master Robbins!"

"Shut the f*ck up!"

Luca Robbins immediately slapped Thomas in the face with a fearless expression.

"Who do you think you are?!"

"What right do you have even to say that?!"

Then, Luca glanced at Harvey with a cold glare.

"Don't worry. I'm a generous man. I normally wouldn't lay my hands on you myself, nor would I let my subordinates do the dirty work.

"For someone like me, this is just savage!"

"We'd seem too incompetent for doing something like this!"

"That said, I'll get your entire family to break every single one of your limbs for me!"

"After that, I'll make them pay the price!"

"You'd better not have a beautiful wife, or I'll be really happy!"

Naturally, he had seen too many people who talked big like Harvey...

And yet he would crush every single one of them.

'How dare he still show off like this? He must have a death wish or something!'

Harvey wasted no time and made a call.

"Two things.

"One: I don't like a woman named Sydney Lee. Fire her.

"Two: cease all projects with Robbins Supplies immediately."

Then, Harvey casually hung up on his phone before glancing at Luca.

"You'll get what you asked for soon enough..."

"What did you say?!"

Sydney let out a scoff.

"You're just a damn driver! Why are you still pretending like you can actually do anything?!"

"Who do you think you are?!"

"You think you're the boss of the Golden Estate or something?! Huh?!"

Sydney Lee raised her nose at Harvey York before coldly chuckling.

“You’re just like Thomas Burton, a bunch of show- offs without limits!”

Luca Robbins chuckled.

“If you really can stop me from working with the Golden Estate, I’ll kneel and start calling you ‘Daddy !”

The beautiful women around were quietly chuckling, wanting to pounce right into Luca’s arms.

Their gazes toward Harvey were filled with disdain and disgust.

Naturally, they thought that Harvey was just putting up a front at this point.

Harvey calmly glanced at Luca.

“Do you think you have the right to call me that?

“You’re not even worthy.”

“You…”

Luca was boiling with anger. Before he was about to say something, Sydney’s phone immediately rang.

She took a glance before instinctively picking up the call.

Soon, her body started trembling while her face was ashen.

Luca, who was getting ready to lash out, frowned when he saw Sydney’s expression.

“What? What’s going on?”

Sydney was miserable.

“The higher-ups of the Golden Estate decided to fire me just now. They said that there was a problem with the contract we bought...

“They said that the police will thoroughly investigate me because of this!

“I’m finished if I ever get found out!”

“You need to help me, Young Master Robbins!”

“I’m your woman!”

The other women were completely shocked after hearing those words.

Sydney realized that Harvey might have been behind the situation.

“How dare you do this to me?!” she exclaimed while gritting her teeth.

“You won’t get away with this!”

Luca showed a cold glare.

He curiously looked at Harvey. He was pretty surprised.

A man who looked like a country bumpkin actually had the authority to fire Sydney.

That said, he still was not that impressed.

Voom voom voom!

Before Luca was done talking, his phone suddenly rang.

Luca, who was flaunting his strength, picked up the phone with an annoyed expression.

Another call came through after that.

After hearing the string of phone calls, Luca's face became more horrible by the second.

When he took the last call, he looked as if he had taken a bite out of a bitter gourd.

The Golden Estate had stopped collaborating with him.

The Golden Sands Bank terminated his loans.

Even the fighters he hired as security guards left him.

His construction site was completely deserted. Even a needle could not be seen on the ground.

His entire family made him pay the price while everything was also happening.

Luca Robbins was completely sluggish.

Harvey York stood up and slowly strode toward him before patting him on his face.

"Where did all that arrogance go, Young Master Robbins?

"You're supposed to be impressive.

"I took you down just now. Are you happy now?"

Sydney Lee and the others were completely stunned.

They did not expect that Harvey would be bold enough to ridicule Luca.

They did not think that Luca would not even so much as let out a single sound.

Sydney was anxious.

"Young Master Robbins! He's completely disrespecting you! You need to..."

Slap.

Luca slapped Sydney to the ground while gritting his teeth.

"Who asked you?.

"Who are you even?.

"How dare you talk to me like this?.

"How dare you tell me to go against Sir York?.

"Do you want to die or something?!"

Then, he kicked Sydney while she was still down on the ground.

In his eyes, the woman before him made him go against Harvey.

If he were even a little careless, he would die a horrible death.

‘Sir York?’ Sydney’s face was utterly swollen. Her eyes were filled with utter disdain.

"If not, don't expect yourself to escape from this.

"Remember, you only have one chance.

"I'm not forcing you either."

Luca's eyes twitched. He wanted to gun Harvey down so badly when he was told to do all those things in front of Thomas....

But he could only grit his teeth and swallow his pride after remembering all those calls he had just received.

He finally made his choice then.

He slammed his knees on the ground right in front of Thomas.

"Daddy!"

"I'm sorry!"

"I was wrong!"

"I won't do this ever again..."

The storm had ended.

Harvey York had no intention of making things harder for Sydney Lee and Luca Robbins.

He only planned to suppress the two.

Thomas Burton would have to turn the tables himself.

Daniel Jackson gasped while watching from the side.

He constantly warned himself not to go against Harvey unless he had a death wish.

Then, Daniel told his men to kick Luca and the others out before respectfully ordering a few dishes and renewing Thomas' membership card.

Safe to say that he had already paid as much respect as he could to Harvey.

Harvey tapped on Daniel's shoulder without saying a word.

A simple action was enough to send cold shivers down Daniel's spine.

After the meal, Harvey told Thomas to send him back to his villa. They also agreed to take a look at Harvey's new shop together the next day.

After heading inside, Harvey felt something odd after realizing that Mandy Zimmer was not home yet.

Knowing her, she would not stay out late unless something big had happened.

Harvey frowned. Just as he was about to give a call, the sound of a loud engine was heard coming from outside.

A Maserati parked at the entrance.

A tall and handsome man came out of the car. He gracefully opened the car door for Mandy to exit and watched her head inside.

He did not even lay his finger on Mandy while he showed a profound look on his face.

He calmly looked in Harvey's direction after sensing his gaze. Then, he turned around and left after showing a faint smile.

Harvey's gaze instantly turned cold.

Silas John was the one who got disrespected during the engagement ceremony with Ellen Moreno.

"Why would you say that?

Mandy showed a confused expression.

"He even told me about his sad story while we ate.

"He said there was a woman he loved back in Hong Kong. The two fell in love at first sight, but some gangster ruined everything.

"From then onward, he decided to remain single.

He'd keep himself away from any woman.

"It's rare to see such a romantic man!

Then, Mandy curiously looked into Harvey's eye.

"You're not actually jealous, are you?"

Harvey York did not know what to say after hearing Mandy Zimmer's remarks.

He knew that Silas John was just too good at pretending.

Mandy could not tell from his disguise at this moment.

Harvey would only agitate Mandy if he kept trying to explain the situation.

"We're about to get remarried," replied Harvey after taking a deep breath.

"It's better to stay away from some other men..."

"What? You're scared that I might have feelings for Young Master John after seeing that he's so outstanding?"

Mandy showed a charming faint smile.

"You can run around with Kairi Patel all the time, but I can't have my own close friend?"

Harvey bitterly chuckled. There was no way to explain the situation at this point.

Mandy felt a little proud after seeing the look on Harvey's face.

"Alright. Don't get jealous.

She squinted while showing a smile.

"I wouldn't fall for another man who I just met.

"Young Master John was just introducing a customer to me.

"That said, you better cut your ties with your other women right now.

"If not, you'll be in trouble if I find out!

"After all, we're still legally divorced right now!"

Mandy waved her fist in the air before casually strutting back into her room.

Harvey was completely speechless.

He would have total control over anyone else...

But he realized he could not keep many things in check with the woman before him.

Mandy was clearly using the opportunity to teach Harvey a lesson so he would cut his ties with other women.

Without a second thought, Harvey showed a bitter look on his face. Please support us, only read on daotranslate.com

On the next day, early in the morning. Harvey decided to have a talk with Mandy after waking up.

Mandy smiled warmly, as if she had already forgotten about the conversation the night before, saying she had some business to attend to.

While Harvey was frowning, a familiar car parked in front of the villa before taking Mandy away.

Harvey texted Kellan Ruiz, telling him to keep a close eye on Mandy and call back if anything were to happen.

After all, it would be bad if Harvey kept running his mouth in front of such a stubborn woman.

It just might have the opposite effect if he kept pushing it.

At nine o'clock, Thomas Burton came.

After getting inside the car, Harvey guided Thomas to a shop in an old town.

Kairi was the one who sent the address the previous night.

Half an hour later, Harvey showed up in front of a shop named the "Fortune Hall".

The shop was an ancient yet elegant-looking building.

Before Harvey could take a closer look, a red Bentley was parked outside. Kairi alighted from the car soon after.

She was not wearing any business attire at this moment. She wore a shirt and jeans without any makeup on her face, showing her pure yet alluring side.

Harvey smiled. He would not dare take a few more glances at the woman.

“You’re a busy woman, Kairi. Why are you here joining in the fun?”

“I dealt with the matters yesterday. I also got people to clean up the site with the Skeleton Gang.

“I even took the opportunity to expose the mole in the family.”

Kairi showed a faint smile.

“I have some time for myself now.

“That’s why I’m all about joining in the fun.”

“That’s good to know.”

Harvey smiled.

He wasn’t interested in the matters of the underworld.

It wasn’t that he was scared, either.

A small conflict like this was merely a game to him.

He couldn’t care any less for it.

“Of course, the most important thing is that you managed to de-escalate every single situation.”

Kairi looked as if she had been relieved from her worries. She casually wrapped her arm around Harvey's, smiling.

"Compared to the matters of the Patel family, I think your shop is more important."

"After all, this is the reason we're together."

"Oh, right. When you finally open up shop, I'd like to be your very first customer."

Harvey smiled.

"Stop joking around."

"You of all people know what I'm capable of."

Kairi laughed. Please support us, only read on daotranslate.com

"I'm asking about my marriage," she whispered.

"I'm afraid only you can answer that for me."

Harvey's eyes twitched frantically, and his entire face turned bright red.

"Alright, enough! Let's just look at the shop first."

Kairi smiled when she saw Harvey's embarrassed look. She then walked in, her arm hooked intimately around his.

Thomas watched, feeling completely torn. He should've told Mandy about what he was seeing, but...

He worked for Harvey! He couldn't just sell out his boss like that! Please support us, only read on daotranslate.com

While Thomas was helplessly pondering the situation, Harvey and Kairi were already inside.

The place was quite spacious, and the main hall was straight ahead. There was a study room on the side, filled with all sorts of geomancy equipment.

A few bedrooms and a huge yard could be seen in the back as well.

The rooms looked quite nice on the outside, but the inside revealed them to be in a dilapidated state. The tiles on the ground were all broken, too.

Holes could be seen all over the paper windows as well. Harvey thought that the place was more suited for a horror film or a roleplaying game.

The place was completely deserted. Aside from a few elderly people outside, nobody else could be seen walking around.

People looked over curiously when they saw Harvey and Kairi.

Naturally, young people like the two wouldn't visit such a place. Please support us, only read on daotranslate.com

"Excuse me, is Master Foley here?"

"He's out on a walk with his granddaughter right now, young lady. He does it all the time..." an elderly woman replied while sipping her tea.

"You two look like a match made in heaven! You must be here to pick a date for your marriage, right?"

"You can have my spot first."

Harvey glanced at the woman with a frown, though he said nothing.

"Thank you so much!"

Kairi didn't bother explaining anything, and leaned onto Harvey.

"What? Are you scared that your wife might find out about us?" she asked with a sly grin when she saw Harvey step back.

"I don't mind being your mistress."

Harvey was rendered completely speechless.

"Can you please stop joking around, Ms. Patel?"

"Even if my wife doesn't hack me to pieces for this, your servants will probably chase me down to the ends of the earth."

"Coward! You should be sacrificing everything for love!"

Kairi scoffed.

"I'll tell everyone here that you're an ungrateful man who can't honor his promise!"

Harvey's head instantly felt numb. He didn't dare reply.

"Hmph!"

Kairi scoffed after seeing the look on his face. She was utterly discontent, but then started to explain the situation.

"This place has hundreds of years worth of history. In the past, it was considered to be the most popular place ever."

"When I was a child, I came here to have my fortune told as well."

"It's a shame the current owner of the place, Reece Foley, wasn't willing to follow in his family's footsteps and pursued science instead."

"After his son died of an accident, he returned as a geomancy master since nobody else would take over the position."

"His geomancy arts are nothing compared to his ancestors, though. That was why he was declining."

"Those who came during the recent years were all old customers living down the street."

"They were here either because the place was close by, or to find out their auspicious days without burning a hole in their wallets."

"Because of this, the Fortune Hall soon declined."

“Ah, yes. Six months ago, Reece’s only granddaughter, the ninth descendant of the Fortune Hall, Leona Foley, suddenly lost her vision and strength.”

“She was said to have the most potential to inherit the Fortune Hall, along with the family’s geomancy arts. With her talent, it’d be possible to regain the shop’s previous glory.”

“Some of the wealthy families in Golden Sands were interested in her as well.”

“But as soon as she was about to finish her studies, she lost her eyesight. All the strength from her body disappeared as well. When she checked her condition in the hospital, nothing showed up.”

“Some said it was the curse of their family, after they had leaked God’s plan for many years.”

“Reece tried using geomancy arts to fix her condition, but nothing worked.”

“He gave up completely after that.”

“He planned to sell Fortune Hall and take Leona overseas for treatment.”

“He would give up everything just for her to get well again.”

Harvey nodded after hearing Kairi’s explanation.

He then studied his surroundings with narrowed eyes.

“This shop is in a pretty good spot. The environment and name of the shop are really nice, too.”

“We can use this as our shop.”

“That said, this is still the main city. It’s a peaceful place surrounded by a bustling environment. I’m sure it’s very expensive, right?”

Before Kairi could reply, a tired and miserable voice could be heard from behind them.

“I’ll sell it for a hundred and fifty million dollars.”

Harvey and Kairi looked back, and saw an old man with a slightly unkempt beard. He seemed completely exhausted as he walked out with crossed arms.

An unimaginable sorrow could be felt in him, as if he had no way out of his misery.

If it wasn't for his profound gaze, nobody would've believed him to be a geomancy expert.

"This is the expert, Reece Foley."

Kairi introduced the man to Harvey, then smiled warmly.

"Master Foley, this is my good friend Harvey."

Harvey bowed respectfully, but Reece didn't even bat an eye at him. The man showed no emotion whatsoever.

"I'm not asking for a different price. A hundred and fifty million, take it or leave it."

"Well? Do you want it or not?!"

Harvey's eyes turned cold after hearing Reece's harsh tone. Reece was probably making it harder for him on purpose.

Kairi's beautiful eyes narrowed for a split second.

Then, she smiled.

"We're businessmen, Master Foley. We uphold our promises."

"Honesty wins all, after all."

"But if I remember correctly, the price we agreed upon before was fifteen million."

"Why has it increased tenfold?"

"Besides, I know you've invited an expert to estimate the price of this place."

"At most, it only costs 12.1 million dollars. It'd also be hard for you to sell it to the right person."

"I already gave you enough respect when I agreed with fifteen million."

"Aren't you being a little unreasonable for raising the price after we've sealed the deal?"

Naturally, Kairi had a lot of money. Even so, she didn't have that much to burn willy-nilly.

She was very much displeased when she heard Reece's astronomical price.

"Fifteen million was yesterday's price," Reece shot back shamelessly.

"Today's price is one hundred and fifty million."

"The Fortune Hall is passed down through nine different generations. I can sell it for whatever price I want."

"Your estimation has no meaning to me."

"Of course, you don't really have to pay."

"If you can save my granddaughter, I'll give you the place for free."

Reece's tone was somber and distant. Then, he turned to speak to the elderly woman waiting by the side and asked why she came here.

The woman said she was lacking sleep because of nightmares. More importantly, she found it very hard to breathe even during the day.

Reece started spinning his compass. Then, he frowned. Please support us, only read on daotranslate.com

On the other hand, Kairi was quite upset over Reece's distant attitude toward her.

"Master Foley, your granddaughter isn't sick-she's cursed. You of all people should know this."

"You've asked for help from so many people, but nobody was able to save her."

"And yet, you're making Harvey do the same?"

"You're forcing him to act beyond his power!"

Reece's face darkened instantly.

"Alright, enough talk! Either you give me the damn money, or save my granddaughter!"

"If you can't do either, then get out of here!"

"A lot of people want my shop, anyway. It doesn't matter if you want it or not!"

"Stop ruining my business if you're not going with the deal!"

Kairi's expression changed slightly at his words.

"You...!" she growled.

"Calm down, Kairi."

Harvey, who had been standing in the back all this while, chuckled. He then shot Reece a profound look.

"It's not that he's trying to make things harder for you. He just doesn't have confidence in me."

"After all, Fortune Hall is passed down through many generations. Master Foley wouldn't forgive himself if he sold the place to some random brat like me!"

Read Harvey York's Rise to Power Chapter 4248 - the best manga of 2020

Of the A Potato-Loving Wolf stories I have ever read, perhaps the most impressive thing is Harvey York's Rise to Power. The story is too good, leaving me with many doubts. Currently the manga has been translated to Chapter 4248. Let's read now the author's Harvey York's Rise to Power A Potato-Loving Wolf story right here

“He’s afraid I’d turn out to be a con man who’ll use Fortune Hall’s name to scam people.”

“That’s why he’s trying to scare me with that price.”

“If I give him the money, it’ll mean I have no need to scam people since I’m already rich. He’ll be rest assured.”

“If I can’t, but I can save his granddaughter, then that’ll mean my geomancy arts are decent. He wouldn’t worry about me using Fortune Hall’s name to do whatever I want.”

“In any case, Master Foley’s just being considerate.

We should understand him.”

“After all, people like him have a bottom line. He wouldn’t do all this just for the sake of money.”

Harvey smiled at Reece.

The customers there revealed looks of realization upon hearing Harvey’s words.

‘No wonder Master Foley changed his attitude all of a sudden. So that’s why!’

Kairi nodded, then smiled.

Naturally, she was willing to trust Reece’s character.

“You’re good at reading minds, kid.daotranslate.com That said, you still need to show me real geomancy arts.”

“If you’re only good at pretending, then forget trying to save others. You’ll just lose your life quickly,”

Reece shot Harvey a cold expression.

“I suggest you get out of here and stop ruining my business.”

He put down his compass and took out a piece of red paper to scribble on.

“If I’m guessing correctly...” Harvey began.

“You deduced that the old lady here was hurt by evil energy. So, you planned to let her swallow the talisman to cure her.”

Reece froze, his hand still gripping his brush. He looked at Harvey, filled with disbelief

He didn’t expect that Harvey could figure everything out without even picking up the compass.

“Not bad. No wonder you came all the way here.

That said, this alone isn’t enough...” he said, leaning on the table.

Kairi looked curiously at Harvey.

Judging from Reece’s words, Harvey was spot on.

“I also know that this is only a temporary solution.”

“You also speculated that she is malnourished, do t r a n s l a t e c o m s o you’re planning to tell her to eat eggs every single day for forty-nine days straight.”

“She’ll be completely recovered after that, right?”

Reece froze immediately after hearing Harvey’s words.

So-called geomancy arts had many forms. Other than typical geomancy skills, medical skills were also needed, along with capable deduction skills in regards to the customers’ personalities and style of dress.

Simply put, geomancy arts weren’t superstition; merely science in many forms.

Normally speaking, a young man like Harvey wouldn't be able to handle such a profession.

And yet, Harvey's deduction was spot on. The methods to deal with the old woman's problems were completely correct as well.

Safe to say, he was a genius.

The customers quickly figured that Harvey was right after seeing the look on Reece's face. They became a lot more curious about him.

'Where did this young man come from?'

'Is he from Mount Lynx or The Thatch, I wonder?'

'He wouldn't be this good if he wasn't from either of those places...'

Reece nodded.

"Not bad. I've misjudged you."

"Not just that. You missed out on something else too," Harvey said.

Reece frowned after hearing Harvey's words. He wanted to hear what else Harvey had to say.

Harvey smiled at the woman.

"You should be careful of what you're wearing next time."

"You'll have a difficult time if you wear your shirt backwards. It'll make it harder for you to breathe! You won't have a good time sleeping at night, either."

“If you keep that in mind, maybe you won’t need forty-nine days to get better sleep.”

“Of course, you still need to eat eggs every day.”

Everyone froze, then looked at the woman. They all broke into amused smiles soon after.

As Harvey had pointed out, the woman’s shirt was worn backwards. It was only natural she’d find it hard to breathe and sleep.

Reece became a lot more curious about Harvey. After handing the talisman to the woman, the second customer walked in.

This time, it was an eighty-year-old man with messy hair and a gloomy expression. A foul stench could be smelled on him. All who got close to him were completely disgusted.

Reece frowned at the compass for a moment, then glanced at Harvey.

“Go on. Tell me what’s wrong with this man.”

Harvey glanced at the man and smiled.

“This man stepped on dog poop, and then fell into a sewer a few days ago.”

“His luck had been very poor after that. He’d bump into all sorts of accidents every time he went out.”

“It’s as if everything was going against him.”

“That said, he’s just a little unlucky.”

“It’s pretty easy to fix this.”

Harvey turned to the old man and said, “Just take a shower for three days, and everything will all go back to normal.”

“Also, you should stop looking at the sky every time you walk outside.”

“Go get a doctor if there’s something wrong with your spine. You can’t fix it just by raising your head, you know.”

Harvey pointed out all the man's symptoms and solutions in one go.

Reece froze, filled with shock.

Judging from his reaction, the customers knew that Harvey was correct once again.

Even Kairi's smile became even more beautiful after hearing Harvey's words.daotranslate.com She knew it was the right call to make Harvey into a geomancy expert.

With Harvey's talents, it would be easy for him to catch Evermore's attention in just a span of a few days.

"What a talented young man! He didn't even look at the compass to tell what was wrong with the old man!"

"He knew exactly how everything happened, and how to fix all of it in the future!"

"What an outstanding man!"

"With that kind of ability, he's definitely one of the best in Golden Sands!"

Reece was filled with admiration, especially after hearing the customers' compliments for Harvey.

"I have to admit, you're quite impressive!"

"That said, I still can't acknowledge you."

Harvey looked around calmly, then pointed at a chubby man.

"You just got a large amount of money recently, but your family got sick immediately after. You suspect that it was the money that caused all this."

"Honestly, you just need to stop eating so much meat."

"Get your family to eat only vegetables and fruits for the next few days, and you'll all be completely fine."

"You must be suffering from migraines for the longest time. You keep asking for more talismans here, but that doesn't solve the root cause of the problem."

“You should really dry your hair before you sleep from now on...”
