As Harvey went on talking, the customers' problems were constantly getting solved.

Everyone quickly surrounded him, hoping that they would get their turn.

Reece, who they completely trusted, was cast aside.

Harvey was very fast. Right after listening to the customers' troubles, he would immediately point out the root causes and ways to fix them.

After having their problems dealt with, every single one of the customers left with shocked expressions.

More importantly, Harvey would occasionally scribble all sorts of talismans for the customers during the process.

People quickly sent word, saying that there was a genius at Fortune Hall.

Many elderly women whose daughters weren't able to get married for many years came for Harvey's help.

Even if there were problems Harvey couldn't deal with on the spot, he could still give suggestions for the customers to try and use to fix their problems themselves.

This was the appearance of a true geomancy expert.

All the while, Reece had been listening on the side.

The more he listened, the more he admired Harvey.

His face was filled with shock and disbelief.

In essence, Reece more or less knew about the customers' problems.

However, Harvey decisively solving everyone's problems gave him the spitting image of Reece's ancestors.

Reece had only seen such a thing when he was a young boy.

Thus, watching Harvey work was exhilarating for him.

He quickly walked to the table and made more talismans for Harvey, willingly becoming the latter's assistant.

"You're the true master here, Sir York!"

When the customers all left, Reece respectfully walked toward Harvey and held Harvey's hands together.

"Your talent is way beyond mine!"

"It'd be a blessing for everyone if you take Fortune Hall!"

Reece regretted not studying geomancy harder when he was young, which was why he wasn't as proficient in the arts.

He couldn't even treat his granddaughter because of his lack of ability, and that made him feel extremely guilty.

After seeing such a talented man, he was naturally assured.

"I'll let you buy this place for just 7.3 million dollars!"

If it wasn't for his granddaughter's condition, [daotranslate.com](http://daotranslate.com) he would be willing to give Fortune Hall to Harvey for free.

Kairi was shocked. She didn't think Harvey could actually be so impressive as to convince Reece!

Harvey smiled at Reece.

"I won't give you that money, Master Foley."

Everyone froze.

They immediately thought that Harvey was being too arrogant.

After all, Master Foley was still a prominent figure.

Nobody would dare disrespect him the way Harvey did.

‘Is he trying to take advantage of Master Foley just because he’s a little capable?’

Harvey smiled, though he didn’t explain any further.

“I think I’m going to visit your granddaughter...”

“Leona Foley.”

“I’m certain I can let you give me the place for free, Master Foley.”

Reece froze. A split second later, elation filled him.

In the first place, he planned to sell Fortune Hall for the sake of his granddaughter.

But now, Harvey had decided to help them instead.

Fortune Hall’s front yard and backyard were connected by a long corridor.

Beautiful ponds with fish and flowers could be seen on both sides.

The place seemed quite old, but it gave great aesthetic pleasure. Rivers, bridges, gazebos, and artificial mountains filled the entire place.

The hot air around seemed to have become a lot more refreshing when the wind blew past. It was quite a comfortable feeling.

And in the centermost gazebo, a woman without makeup was sitting there in a white dress and a casual ponytail.

She pressed a compass in her hands every once in a while, as if she was calculating something.

Many bamboo slips were placed around her. They were all hand-carved, so she could feel the words written on them.

Even without eyesight and body strength, her graceful aura could still be felt.

Harvey couldn't help but find her impressive.

There had been many beautiful women who were into plastic surgery recently, since it was quite popular...

As such, women with poetic charm like this were definitely a rare find.

"Are you really going to sell Fortune Hall, Grandfather?"

Leona sighed, her face gloomy, after hearing the footsteps.

"I told you. This isn't some sickness.[daotranslate.com](http://daotranslate.com) This is karma for leaking God's secrets."

"Even if you sell Fortune Hall to seek help for me, it won't do me any good."

"I suggest you keep the place. If you sell it, you won't have a place for yourself to settle down."

Not only was Leona incredibly charming, she also had a kind heart.

Harvey admired her even more.

"You're the only granddaughter I have. I need to try,[daotranslate.com](http://daotranslate.com) no matter how slim the chances are."

"What's the point of this place if you're not even here?"

Reece chuckled bitterly.

"Even if I have this place, I'd feel more miserable if it's just me here alone."

"You know how our relatives are treating me."

"If you died with the house still around..."

"I might just end my own life soon after."

Leona smiled.

“I looked into you when you stepped in just now.”

“The compass says that you’ll meet your savior soon.”

“I’ve thought about it for a while. My cousin’s been taking good care of us. She must be the one.”

“You should just give the house to her when I’m gone. She’ll take good care of you.”

“Heh! You’re a clever girl, but I see what you’re trying to do.”

“I’m not that good at geomancy, but I’m never a wrong judge of character.”

Reece’s tone turned a little colder.

“You should just rest, Leona. Let me handle the rest.”

Leona knew just how stubborn her grandfather was, despite not being able to see his expression.

She turned around, and noticed Harvey and Kairi’s presence.

“Sorry for making you come all this way,” she said with a smile.

Reece tapped his head.

“I forgot to introduce you, Leona. This is Sir York.

He’s the one buying Fortune Hall. He’s also a geomancy expert.”

“That said, he’s not buying it with money.”

“He’s buying this place without money?”

Leona froze; she was completely stunned.

“What are you saying, Grandfather?”

Reece then told Leona everything that had happened.

Leona was a smart woman, but she still had her doubts about Harvey.

She couldn’t see Harvey’s face, but she could tell that he was a young man judging from his voice and aura.

‘A young man like him is better than my grandfather at geomancy?’

‘What a joke!’

That said, Leona knew Reece wouldn’t acknowledge Harvey if he wasn’t actually capable of anything.

A doubtful expression settled on her face.

Harvey reached out to her with a small smile.

“Hello. I’m Harvey.”

Leona politely returned his greeting.

“Pleased to meet you, Harvey. Thank you for coming here for me.”

“That said, please don’t feel pressured at all. I’m fully prepared.”

“I was the one who leaked God’s plans. I deserve this.”

Naturally, Leona understood her condition well.

“Is that what you think?”

Harvey chuckled.

“Don’t worry. This is nothing at all.”

Leona froze.

“What do you mean by that, exactly?” she asked instinctively.

“I mean that this isn’t what you think it is. I can fix it right now.”

Harvey smiled.

Reece froze. Then, he became excited.

“Are you sure about that?”

He wouldn’t believe Harvey if they hadn’t met.

He would probably call Harvey a con man, too.

After all, he had called a lot of geomancy experts from all over the globe here, only to no avail.

‘Harvey has a plan?’

‘How is this possible?’

Harvey’s actions from before gave Reece confidence in the former’s abilities.

Leona raised her beautiful face, despite not being able to see Harvey.

“Are you sure you can help me with this?”

Harvey smiled, nodding.

“I can.”

After hearing Harvey’s confident tone, Reece exclaimed, [daotranslate.com](http://daotranslate.com) “If you can save her, then this place is yours!”

“I’ll owe you a huge favor!”

“I’ll do whatever you tell me to!”

Harvey smiled.

"It's too early to talk about favors right now."

"Anyway, I need you to prepare something for me."

"I need needles, candles, and some cinnabar..."

Reece nodded, then brought all the items over.

"What are you planning to do, Harvey?"

"Ms. Foley's eyes are simply..."

Before Harvey was even done speaking, rapid footsteps were heard from behind.

A familiar voice echoed soon after.

"Uncle! Leona! Where are you?"

"I got Young Master Foster here to help!"

Harvey frowned before glancing over. He looked at the commotion, and spotted a familiar face.

He finally remembered.

It was Harley Miller, Westin's sister from Deepsky Corporation.

Before, the two put up a big show just to force Mandy into their family.

It was a shame Harvey showed up to trample all over them and humiliate them in the process.

He didn't think that they would meet each other again. What a small world!

Kairi and the others looked over as well, and saw a group of people walk in from the corridor.

Harvey saw a man in a robe leading them.

The man was a little skinny; he had quite a handsome face, but he looked arrogant and conceited.

At a closer glance, he looked similar to Rodney.

The young man nodded after seeing Reece.

“Hello, Master Foley.”

Even when he was greeting Reece respectfully, the arrogant look on his face remained.

“Did you get someone from Aeon Hall here?”

Reece narrowed his eyes and studied the young man before him.

“Are you Master Foster’s grandchild, Castiel?”

Castiel smiled.

“You have a good memory, sir. I didn’t think you’d remember me after we met only once many years ago.”

Harley smiled.

“Castiel’s a good friend of mine, Uncle.”

“In Golden Sands, his geomancy arts are second to none!”

“More importantly, his studies have skyrocketed recently.”

“I put a great deal of effort into getting him to come here!”

Harley turned to Leona.

“You should let Young Master Foster take a look at Leona, [daotranslate.com](http://daotranslate.com) Uncle. You’ve got nobody else to help you, anyway.”

Reece glanced at Castiel's pompous expression, then replied, "I'll be honest. Your grandfather has already looked at Leona."

"He admitted that he wasn't skillful enough to treat her."

"You probably don't have all of his knowledge to help, either. I'm afraid you won't be any good."

Reece then flashed them a confident expression.

"More importantly, I've already asked for Master York to help me."

"With his aid, I'm sure everything will be fine."

Naturally, Reece was quite knowledgeable about Acon Hall.

Rodney Foster, Castiel's grandfather, [daotranslate.com](http://daotranslate.com) was considered to be the best geomancy expert in Golden Sands. Yet, even he wasn't able to do anything for Leona

Other than his reputable name, Castiel wasn't all that impressive either.

Thus, Reece had no intention to waste his time.

More importantly, he would probably offend Harvey as well.

And so, he didn't hesitate to chase Castiel out.

"Master York? Harvey?"

Harley froze, then instinctively looked over.

"Why the hell are you here?!" she exclaimed after recognizing the face in front of her.

"Why can't I be here when you are?" Harvey shot back.

"You know Master York?"

Reece was curious.

"He can help your cousin. He's just about to do it too."

“Fix her? Are you serious?”

“Him?!”

Harley froze, utterly speechless.

“You got fooled, Uncle!”

“I know who he is!”

“He’s just a live-in son-in-law! A kept man at that!”

“He’s no geomancy expert!”

“You’ll get Leona killed for this!”

“You can’t! You definitely can’t! It’ll be bad if he does anything to her!”

Naturally, the Miller siblings hadn’t been slacking around after Harvey crushed them.

They had been investigating Harvey’s background since then.

“I’m warning you, Harvey! Don’t you dare lay a finger on Leona!”

“If you have a grudge against me, then just come at me already!”

Harvey couldn’t be bothered to deal with Harley after seeing her shifting all the blame to him.

Harley didn’t give up, though; she was dead set on chasing Harvey out of the front door.

Reece quickly stepped in front of her.

“Calm down, Harley! Don’t do anything stupid!”

Leona smiled.

“I’ll be fine, Harley.”

“You think?!”

“If I didn’t get here in time, you would’ve been dead by now!”

Harley screamed in anger and broke free from Reece before rushing toward Harvey, prepared to slap him in the face.

“I’m not done with you after last time, you b\*stard!”

“You ruined my brother’s business, and now, you’re here to hurt my cousin?!”

“I want you dead!”

Slap!

Before Harvey could take action, Kairi suddenly took a step forward and swung the back of her palm across Harley’s face.

“Do you want to die? How dare you disrespect Sir York like that?!”

Harley froze after seeing and hearing Kairi’s attitude and tone.

Naturally, she knew who Kairi was.

Her attention had been completely on Harvey, so she didn’t even notice Kairi standing nearby.

She didn’t know why Kairi was there, but it didn’t stop her from lashing out anyway.

That said, she dared not go against Kairi.

Harley covered her face, and kept screaming up a storm.

“Do you see that, Uncle?!”

“They hit me!”

“You can’t let them do whatever they want! They hit me without even saying a single word!”

Harley was panicking.

She wasn’t afraid that Harvey was talentless.

It was the exact opposite.

If he managed to deal with Leona’s problem...

What would happen to Harley?

How was she going to take advantage of the situation?

She wouldn’t be able to take the entire hall for herself!

She didn’t want her efforts for the past month to be in vain.

If nobody could save Leona, the entire house would be hers for the taking after a few months.

When that happens, she could sell the house after killing Reece.

Castiel had a mocking expression after hearing that Harvey was in the same line of work as him.

Naturally, they didn’t know each other...

‘A man without any fame can actually be a geomancy expert here in Golden Sands?’

‘What a joke!’

Reece never expected Harvey to have such a huge conflict with Harley.

“I don’t know who Harvey is, nor do I know the things that he’s done..[daotranslate.com](http://daotranslate.com)..”

“However, I believe that he can save my granddaughter.”

Naturally, after seeing Harvey’s performance, Reece was fully convinced of his abilities.

Reece knew that Harvey was extremely proficient.

“Why can’t you just listen to me for once?” Harley screamed.

She looked bitter and displeased.

“He’ll kill Leona!”

“You’ve gone mad, but I haven’t!”

“I won’t let him hurt Leona!”

She pushed Harvey away before stepping in front of Leona.

“You can fool my uncle, but you can’t fool me!”

“You have no right to lay a finger on my cousin!”

“You, a geomancy expert?! Hah!”

“Where are your credentials?”

“Can you even prove it?”

Kairi smiled faintly, and intervened.

“Excuse me, but he does have credentials.”

“Which one would you like to see?”

She then threw a few booklets to the ground.

All sorts of credentials regarding geomancy were gathered there.

Harvey's picture and stamp were in every single one of the booklets.

"That's impossible!"

Harley froze.

"This must be fake!"

She chuckled coldly.

"You won't believe a con man like this, will you?"

"This guy will stop at nothing to get what he wants!"

Castiel chuckled when he saw Harley being so agitated.

"Master Foley, I don't know where you found this con man."

"I don't know why you chose to trust him either, but..."

"Only Aeon Hall has a chance to save Leona!"

Reece looked at Castiel's confident look and asked, "Why's that?"

"Why?"

Castiel crossed his arms with a prideful expression.

"Because I have inherited the Book of Changes' studies!"

"I can vanquish every trouble in this world!"

Reece was filled with shock after hearing that.

"What?! The Book of Changes?!"

"Impossible! That book was lost to time!"

"Why would I lie?"

Castiel became more conceited after seeing the look on Reece's face.

“Not long ago, my grandfather found an expert who taught him everything about the Book of Changes.”

“A geomancy expert like that can surely revive the dead!”

Castiel felt extremely proud of this fact.

“Leona only got to this point because she had been leaking God’s plans.”

“She’ll be able to get back to normal when I’m done with her!”

“Let Master Foster do it,daotranslate.com Uncle!” Harley added.

“He’s a well-renowned student of a huge family.He won’t do anything stupid!”

‘The Book of Changes?’

Harvey was utterly speechless.

He was the one who taught Rodney that!

He didn’t think that he’d teach this to anyone else after learning it himself.

Reece froze for a long while.

“That’s right... If you did learn such a thing, maybe you can save Leona.”

Reece then looked at Harvey with a bitter expression.

He was confident in Harvey’s skills...

Yet, Castiel managed to obtain a skill that was lost to time.

If Castiel tried, he would probably be able to treat Leona.

Realizing what Reece was about to say, Harvey didn’t mind.

“That’s fine. If Young Master Foster can really save Ms. Foley, then let him try,” he said with a smile.

“My intentions are the same anyway. We all want to help Ms. Foley.”

“It doesn’t matter who saves her.”

Reece froze before showing Harvey his admiration.

He didn't think that Harvey would be so humble, on top of being extremely skillful.

'What a great man!'

Leona looked in Harvey's direction, curious.

She found the man quite extraordinary.

He wasn't as impulsive as other young people. She was quite comfortable being around him, too.

"Oh? What a show-off!"

"You talk like you actually know your stuff!"

Harley shot Harvey a disdainful expression.

"Just say that you don't know anything! Why pretend at this point?!"

Harley then gave Castiel a look, as if trying to tell him something...

Castiel immediately let out a cough after seeing the look Harley gave him.

"Even among brothers, scores should be settled clearly."

"I heard that you sent word recently..."

"That the person who saves Leona will get Fortune Hall for free. Is that true?"

Reece had a profound look on his face."

That's right. You can take this place any time after Leona's properly treated."

"You can have the sign that's been passed down through nine different generations, too."

Harley trembled in excitement after hearing those words.

"Don't you worry! My uncle has always kept his promises," she said with a smile.

"If you're still doubtful, I can make a guarantee myself."

Bam!

Reece didn't waste any time pulling out a contract and throwing it on the table.

"Don't worry. I have the contract right here."

"Whoever saves my granddaughter can take this place away."

Harley excitedly grabbed the contract and took a few glances at it. Her eyes lit up.

"This is it! It's a real contract! It just needs signatures from both sides!"

"Well then! Since Master Foley's being so generous, I'll have to show my true power!"

"I'll show you all what the best geomancy art in the Book of Changes looks like!"

Castiel burst out laughing. Then, he pulled out a needle and a box of cinnabar.

"I'll vanquish the evil energy inside Leona first, so she won't feel weak anymore."

Harvey looked curiously at Castiel.

Castiel disinfected the needle before coating it with cinnabar, and slowly stuck it in Leona's forehead.

Harvey sighed.

“You’re already doing it wrong.”

Castiel frowned after hearing those words.

He was clearly discontent, [daotranslate.com](http://daotranslate.com) and immediately glared at Harvey.

He didn’t say a single word, and recoated the needle. This time, he stuck it right into Leona’s nose.

Harvey bitterly chuckled.

“It’s slanted.”

Harvey wrote these teachings for Rodney. He of all people would know this the best.

Castiel was completely enraged by Harvey.

He quickly stuck the needle in the left of Leona’s temple soon after that.

Harvey couldn’t bear to watch it anymore.

“On the right!” he yelled, exasperated. [daotranslate.com](http://daotranslate.com) “How can you not know something this common?”

“Can you shut up already, you b\*stard?!”

Castiel showed a gloomy expression.

“You keep yapping about how I’m wrong or how my needles are slanted!”

“What?! Does a con man like you even know something like this?”

Harley chuckled coldly.

“Stop pretending already, Harvey!”

“You must have ulterior motives for annoying Young Master Foster like this!”

“I didn’t want to say anything, but he just keeps screwing everything up.”

Harvey was speechless.

“This isn’t how this was supposed to go.

What’s wrong with pointing out such a rookie mistake?”

“How is he going to make everything else right when he’s already wrong from the very get go?”

“Either way, I’ll just shut up from now on.”

Harvey stopped talking, just as he had promised.

Castiel finally managed to hold back his anger. After recoating his needle, he stuck it in Leona’s left hand and leg.

## HARVEY YORK'S RISE TO POWER

### Chapter 4259

Rodney shot his grandson a bitter and infuriated expression.

He slapped Castiel around a few dozen more times to the point the latter’s face was completely swollen.

He then dragged Castiel by the collar and threw the boy in front of Harvey.

“I’m sorry about this, Teacher!” Rodney exclaimed, after kneeling himself.

“I didn’t teach this b\*stard well enough!”

“I even taught him your techniques!”

“I didn’t think he’d offend you like this, despite his lack of experience!”

“Please forgive him!”

“Give him a chance!”

“T-Teacher?!”

Reece and Castiel were completely shocked to hear the title, and to see Rodney kneeling in front of Harvey. They were filled with utter disbelief.

Harley quickly covered her mouth, trying her hardest not to scream.

Nobody expected that Golden Sands’ top geomancy expert with immense status in the business would call someone like Harvey his teacher!

The entire city would be in an uproar if word about this were to spread.

“Let me tell you right now, you b\*stard!”

“Your teachings were taught to me by this generous young man here!”

Rodney slapped Castiel around again, sending him spinning.

“Not only is he my teacher, he’s also your teacher!”

“How dare you challenge him like this?!”

Apologize already!”

After finding out that his incapable grandson was here to treat Leona, Rodney quickly went over just in case anyone got hurt.

Not only was Castiel acting so high and mighty, [daotranslate.com](http://daotranslate.com) he even accused Harvey of stealing his own teachings.

Rodney was boiling with anger.

‘How ignorant can this boy get?! What an idiot!’

‘Doesn’t he know that he’ll ruin Aeon Hall’s reputation by doing this?!’

Reece came to his senses soon after. His eyes lit up when they fell on Harvey.

He finally realized that Harvey was clearly a capable man.

Harvey was probably the only person who could save his granddaughter at this point.

And so, he quickly decided to cling to Harvey.

“Don’t go too hard on him, Mr. Foster,”

Harvey said.

“Just a few dozen more will do. It’d be bad if you accidentally killed him.”

Rodney was about to stop before he heard Harvey’s words.

He quickly slapped Castiel’s swollen face again.

“I’m sorry! Please!”

Castiel couldn’t take any more pain at this point.

He quickly crawled toward Harvey and knelt in front of the latter.

“I was ignorant! I’m the useless one!”

“I won’t do this ever again!”

Castiel was filled with horror and helplessness.

‘I only came out to show off!’

‘I just wanted fame....’

‘Where did this guy even come from?’

‘Why am I going against him?’

He only felt utter regret.

He knew he'd end up as swollen as a pig if he didn't admit to his faults right there and then.

He'd even be crippled, and he wouldn't be able to dabble in geomancy arts for the rest of his life!

After all, as a geomancy expert, Castiel knew just how important Harvey's teachings were.

For Aeon Hall, compared to that, Castiel's life meant nothing.

## HARVEY YORK'S RISE TO POWER

### Chapter 4260

Harley was completely shocked. Her eyes frantically twitched, and she was filled with disbelief.

‘A live-in son-in-law is this powerful?’

The man she supported was kneeling in front of Harvey, getting slapped around all the while.

‘This...’

Harley couldn't help but mutter to herself.

“Impossible! This is impossible!”

“Stand. Ignorance isn’t a crime.”

After seeing Castiel and Rodney’s attitudes, Harvey quickly lifted up Castiel.

“Just remember: geomancy arts aren’t for showing off.”

If it wasn’t for Harvey, Castiel would’ve gotten Leona killed.

Castiel nodded without pause.

“I understand! Thank you for your teaching!”

“I’ll remember that!”

Harvey then glanced at Rodney.

“My technique can be used to clean up the evil energy inside Leona, but...”

“This can only get her body recovered, [daotranslate.com](http://daotranslate.com) and not her eyes.”

“Just like a small boat, if you want it to travel steadily, you need both the sea to be calm and the quality of the boat to be good enough for it to go far.”

Harvey took a deep breath.

“The technique Castiel used can only solve a part of Leona’s problems, but not all of it.”

“Huh?! Even that can’t solve everything?”

Rodney was shocked.

“I thought we actually had a chance to cure Leona completely!”

Harvey smiled at them.

“Other than that, there’s another trick that we need to use to save her.”

After hearing Harvey’s words, Reece shivered. Then, he slammed his knees on the ground.

“Please do your best to save her, Master York!”

Leona’s eyes were filled with a glimmer of hope, despite still not being able to see.

Harvey laughed.

“Hand me the cinnabar, the brush, and the needle.”

Reece quickly brought out the items before placing them respectfully in front of Harvey.

Harvey coated the needle with a bit of cinnabar and pierced it right in Leona’s forehead, nose, left temple, wrist, and knee.

He then coated the brush with cinnabar before smearing some of it over Leona’s eyes.

After that, he threw a bit of cinnabar in the air.

All of Harvey’s techniques were being used at the same time.

A faint flame started to spread, and then dark fog seeped out of the cinnabar.

Harvey took a deep breath, swallowing the fog whole.

“Y-You swallowed the evil energy?”

“People can actually do such a thing?!”

Reece and Rodney gasped, their expressions horrible.

They didn’t think that they would actually witness such a thing.

Kairi, who had been confident in Harvey’s abilities, was frozen in place.

Castiel, on the other hand, was fully convinced of Harvey’s strength.

In his eyes, someone like Harvey would be worthy enough for him to chase after!
