Saul Robbins hesitated for a moment.

“Watson belongs to one of the Golden Sands’ Hermit Families, the Braff family.

“The family built an entire capital here during ancient times.

“Out of all six Hermit Families, they were the ones that flourished the most.

“The family rarely did any sort of business. Their authority was also way above the imperial court...”

Harvey York lightly frowned before showing a profound look on his face.

He noticed that an invisible hand had been going against the Hermit Families during these days.

That said, he could not quite figure out the connection between the families and himself.

He had some speculation but nothing concrete.

After leaving Saul and Lola, Harvey returned to the Fortune Hall to supervise the renovations along with helping a few customers. Then, he left soon after.

He returned to the Zimmer family’s villa and opened the living room window before seeing a Maserati right outside the entrance.

Silas John’s face could be seen after he rolled down his window.

Mandy Zimmer alighted from the passenger’s seat before Silas casually said something to her.

Harvey’s eyes turned cold, but he said nothing about it. He knew that Mandy would not believe anything he said at this time.

Footsteps were heard before Mandy pushed the door open. Fast update on daotranslate.com

She seemed slightly worried when she saw Harvey standing beside the window.

“You saw everything?” Mandy quietly asked.

Harvey nodded before glancing at Mandy.

“I told you, Silas isn’t a good man.

“He’s getting close to you for a reason.

“You shouldn’t meet up with him next time.”

Mandy burst out in anger after hearing Harvey’s words.

“You’re being a little controlling here, Sir York!” dao translate dot com she exclaimed while coldly glaring at Harvey.

“Don’t forget! We’re still divorced!

“I can’t meet a few hot men, but you can get yourself a sugar mommy?!

“Silas is just a relative of the John family. His status isn’t that high in the first place....

“But he’s a knowledgeable and hardworking person! More importantly, he is still extremely affectionate toward his ex- girlfriend!

“Whenever we talk about relationship problems, he’d always heave a sigh before bringing up his ceremony ruined by some random b*stard!

“He’s completely different compared to someone like you!

“If you don’t like it, then leave already! Fast update on daotranslate.com

“You’re such an eyesore!”

Harvey frowned after hearing those words from his woman.

Mandy rarely spoke up like this. Naturally, something terrible was bothering her...

"Did anything happen to your company? If it's because of me, I can..."

"No, thank you!

Mandy showed a cold glare.

"Besides! You don't need to pretend that you care! You think I don't know what you've been doing?!"

Then, Mandy threw a stack of pictures to the ground.

Harvey glanced before seeing himself and Kairi Patel in front of the Fortune Hall holding hands. Kairi even smiled brightly, as if she was the happiest woman alive.

"What?"

"You got nothing to say?"

"Cat got your tongue or something?"

"You rushing to look for a good day to get married after seeing a sugar mommy?"

Harvey York let out a sigh.

"Would you believe me if I told you that we're just friends?"

Mandy Zimmer's gaze turned colder.

"Would you believe me if I told you Silas John and I were just friends?"

“That isn’t the same,” replied Harvey.

“What’s different?

Mandy showed a scornful smile.

“Silas even hesitated when he gave me the pictures, saying that he might just ruin our relationship because of this!

“But judging from this, I’m sure there’s nothing to ruin anymore!

“Let me tell you something!

“My secretary took my car for a service!

“After Silas and I were done talking business, he sent me home on his way back!

“I have nothing to hide, unlike someone else!”

Harvey felt slightly angrier after hearing Mandy’s insinuating words, but he managed to keep it down.

“I believe you, but I don’t believe Silas is a good man. Can’t you tell?”

“Enough of this, Harvey! I can tell if he’s good or bad myself!

Mandy was boiling with anger.

“I want you to change! That was why I showed you all this!

“I don’t want you to be with this woman again!

“But not only did you not understand me, you’re even getting jealous for no reason!

“If you have the time for that, why don’t you just talk to my mother for her to support our marriage instead?!”

“But we already had a deal,”daotranslate.com Harvey reasoned calmly.

“We’ll get remarried when you become the head of the Jean family.

“I’ve been working toward that goal too...”

“You...

Mandy puffed up her chest after hearing Harvey’s words.

“I don’t need your help!”

Then, Mandy walked into her room before slamming the door shut.

Harvey bitterly chuckled.

He knew Silas was doing all this to ruin his relationship with Mandy.

This was basically revenge for what had previously happened on the cruise.

Without a second thought, Harvey’s eyes became a lot colder.

Bam!

Right when Harvey was about to walk into his room, Mandy suddenly walked out before coldly glaring at him.

“I’m warning you, Harvey!

“Silas is my important client! We have projects to work on together!

“If you bother him right now,dao translate.com I’ll settle scores with you soon enough!”

Harvey briefly froze before taking a deep breath.

“Fine. I won’t.

“But please be careful when you’re around him. You should keep a distance whenever possible.”

“Be careful? Keep a distance? Are you controlling me?!

Mandy let out a cold chuckle.

“You should control yourself instead!

“If you want Mother to change her mind, you better start behaving yourself!

“God knows if all those fancy companies you had were because of your status as a kept man!

“At least get a proper job if you want Mother to look up to you!”

“Don’t worry. I already found a proper job,”

Harvey replied.

“I got a shop that’s being renovated as we speak. It’ll be ready soon enough.

Harvey threw out his name card with a faint smile.

“Fortune Hall. Harvey York.

“From now on, you should call me Master York!”

“Geomancy?

“Master York?

“A shop?

Mandy Zimmer pinched the card with rage showing in her eyes.

“What’s the meaning of this?

“You don’t find a proper job, yet you come out as a con man?!

“I’ve never heard of you getting into geomancy arts for the longest time!

“Do you understand just how important this line of work is?!

“You can’t just take people’s money after saying a few things to trick them!

“You’ll kill a lot of people with this! Do you understand?!

After looking at Harvey York’s title, shop name, and teachings...

Mandy was utterly enraged.

‘He never does anything properly!

Back in Buckwood, Flutwell, and Mordu, Mandy thought that Harvey was actually quite a talented man...

But after coming here and seeing him and Kairi Patel being so close to each other, along with the so- called name card, Mandy could not help but doubt him.

‘He did all that just to fool me!

‘Everything he showed was just an illusion made to fool the family!

“The person who made it all possible was none other than Kairi!

‘Without a doubt, the Patel family can make all this happen!

“The pictures on the ground are solid proof!’

Harvey heaved a sigh when he saw Mandy’s enraged glare.

“You don’t need to look at me like that.

“I can tell you that Kairi and I met inside the plane.

“She had nothing to do with what happened in the past.

“We’re just friends. We’re working together on something right now,dao translate dot com but I can’t tell you what it is.”

“I have my own goals to open up shop here.

“Heh heh! Is that so?

“Then I’ll give you a choice!

“You tell me the entire reason why you’re doing all this! Not only will I try to understand, I’ll even support you all the way!

“Either that or you close down your shop right this instant and stop harming others!”

Mandy’s head told her that she should have believed Harvey’s words...

But after reminding herself of Kairi and Harvey being all lovey-dovey, she was instantly filled with unbridled rage.

She was not willing to admit that she got jealous. She believed that Harvey’s arrogance was making her mad.

Harvey bitterly chuckled after looking at the woman before him. Mandy was getting more beautiful the more she got angry.

“I can’t do that. It’ll harm you more than anything if I tell you about it.”

Evermore was involved with Fortune Hall’s establishment. Mandy would be dragged down if she actually knew.

Harvey did not want to do that to her.

After all, Evermore’s strength was still a secret to everyone.

“It’ll harm me?

Mandy was infuriated.

“Tell me everything right now, or get out of here this instant!

Harvey faintly smiled when he shook his head without saying a word.

Mandy was trembling in anger.

“Fine! Your call!

“I’ll get people to shut down your damn Fortune Hall tomorrow!

“We’ll see how you keep scamming people then!”

Harvey helplessly shook his head before walking up to the second floor.

He could not tell Mandy about the entire situation with Evermore. As for what happened in Golden Sands, Mandy would believe him once everything passed.

That said, he would still keep a close eye on Silas John without actually causing him trouble for the time being.

Harvey would not mind crushing Silas if he decided to try anything funny.

On the next day, early in the morning.

Harvey York already left his room.

He hesitated when he walked past Mandy Zimmer’s room. He did not want to knock on the door in case a fight were to break out again.

Lilian Yates was on a call with someone when Harvey came to the living room.

She looked away, with disdain showing on her face, as soon as he walked past.

Naturally, she knew why he was fighting with Mandy the night before. She had been talking about his shameless acts on the phone for the longest time.

Harvey glared at Lilian without saying a word before he left. Right as he was heading out, Lilian mentioned Aunt Anderson’s name.

Harvey was confused.

‘She’s still talking to Aunt Anderson?’

After all, Lilian should have been completely against her after what had happened last time.

Harvey did not pay much attention since it was a trivial matter. He quickly got inside his car before driving to Fortune Hall.

“Have you eaten breakfast yet, Sir York?”

Leona Foley was already awake by the time Harvey was there.

Her eyes were fully recovered. She was also handling some of Fortune Hall’s business.

Harvey smiled while shaking his head.

Leona smiled back.

“I made some snacks. Do you want some?”

Leona was wearing a floral mini-skirt. Her hair swayed beautifully,dao translate com completely grabbing Harvey’s attention and her slender legs.

When she got a little closer, a refreshing air wafted right toward Harvey.

Harvey’s heart skipped a beat before he showed a faint smile.

“Thank you, Leona.”

“I should be thanking you instead. Not only did you give me my eyesight back, you even saved my life.

Leona was gracefully moving around.

“It’s a shame that my grandfather wouldn’t let me take a look at the customers, saying that I’d be in danger again if I kept helping.

“I’m here all thanks to you. If I got in trouble again, I don’t know if anyone would be able to save me again.”

Harvey enjoyed the snacks Leona brought over while he pondered the situation.

“Your grandfather’s right. It’d be bad for you to read other people again.

“How about this? I’ll get you into Golden Estate to appraise buildings and lands instead.

“More importantly, [daotranslate.com](#) there are some important projects that I need your help with as well.”

Leona was shocked.

“Are you serious, Sir York?

“You’re asking me to be Golden Estate’s geomancy expert?”

Harvey chortled.

“Not exactly. More like a geomancy assistant, I guess...

“Of course, I’d like you to also deal with the company’s management. You’ll be my spokesperson for the company.”

Leona showed a calm smile after hearing Harvey’s words.

“No problem. I took management courses when I was studying in America previously. I still have some experience with me...”

“Good!

Harvey quickly stood up.

“That’s settled then! Other than a geomancy consultant, you’ll also be my spokesperson,”

replied Harvey decisively.

“You can decide on things for me while I’m gone.

“That said, CEO Hoffman has the final say in terms of the company.

Leona blinked a few times.

“So, you’re saying I have to take care of CEO Hoffman for you?”

Harvey smiled.

“You don’t have to. I’m the company’s major shareholder but am used to being hands-off anyway. Besides, I’m just an outsider in the city. You don’t have to overthink the situation.

“I asked you to be my spokesperson because I’m lazy. That’s all there is to it.”

Leona Foley understandingly nodded.

After having some snacks and a sip of hot tea, Harvey York showed a smile on his face.

“Right! Since it’s all settled, let’s buy a few clothes at the shopping mall tonight.

“You’re my spokesperson, after all. You have to look the part.

“You’ll be tasked with an extremely important project! The people you’ll meet are either rich or powerful ! Don’t let them look down on you!”

Harvey did not just make the decision impulsively.

Lola Hoffman was already dealing with the junkyard at this point.

Everyone was spreading rumors about how insane Lola actually was, but Harvey knew the company would be instantly known as soon as Golden Garden was dug up.

It was only normal to dress up Leona appropriately before the occasion anyway.

More importantly, Reece Foley was an extremely talented geomancy expert with a valuable house...

But he usually would not charge his customers for a large amount of money, nor did he have a lot since most of his savings were used for Leona's treatment.

Leona was a woman in her prime, yet she did not have clothes to showcase her beauty.

Besides business, Harvey decided to go shopping with Leona to support her endeavors.

Leona lowered her head.

"I still have clothes, though. I don't need more than I already have..." Fast update on dao translate com

"Why not?"

Thomas Burton chuckled while sipping tea on the side.

"Sir York's buying clothes for me too!

"We'll embarrass him if we don't dress up properly!

"If we look ordinary, customers will start doubting Sir York's abilities!

Thomas made Leona a lot less awkward then.

"I'll just borrow the money for now then..."

she quietly said after looking deep into Harvey's eyes.

"I'll return it to Sir York when I get my salary."

Harvey smiled without declining the offer.

“Your words! Make sure to treat me to a nice meal then!”

Then, the three arrived at the Royal Mall an hour later.

The place was the top shopping mall of Golden Sands, filled with all sorts of luxurious items and fashionable people.

Harvey was unfamiliar with the place. He never liked visiting places like these.

Leona had some knowledge about the items around, but she did not buy many things either.

The two were looking around with curious expressions...

Thomas, on the other hand, was quite familiar with the place because of his experiences. He quickly took the two to a comprehensive branded store.

The store was not small either. It was about ten thousand feet wide, with a dozen shopping guides moving around, introducing all sorts of clothing items to customers.

Harvey casually glanced at one of the price tags on the clothes and saw at least five figures.

Harvey felt indifferent, but Leona felt extremely shy.

But with Harvey's encouraging look, Leona quickly came to her senses and picked out the clothes she wanted.

She saw a few business attires with simple yet elegant contemporary designs...

“Please don’t touch the clothes, Miss! Our products are precious here! We won’t be able to sell them if you dirty them!”

Just as Leona was about to take the clothes down, a prideful woman, who seemed like the store manager, strutted over in her high heels with a disdainful expression.

Leona froze before she instinctively replied, “I’m sorry. I’d like to buy these clothes here. Can you bring them down for me to try?”

“You want to try them on?”

The manager sized up Leona and was disdainful when she saw her fading shirt.

“Are you sure you can buy something this expensive? Why would I even let you try this on?!”

“What are you saying?!”

“You’re talking to the lady of Fortune Hall herself!”

Thomas could not help but speak up after hearing those words.

“The lady of Fortune Hall?”

The manager froze before forcing out a smile.

Even someone like her had heard about the news.

The Fortune Hall was not as famous as before, but the manager would not dare go against prominent figures like that.

The manager’s voice felt a little familiar to Harvey. He instinctively raised his head before recognizing the woman. She was one of Harley Miller’s good friends.

The woman was also there when Westin Miller put up a big act for his proposal.

At a closer glance, Harvey saw a tag on her chest labeled ‘Henley Johnson’.

That said, Harvey kept quiet since the woman did not recognize him. He did not want to cause a big scene anyway.

“We have a lot to choose from here.”

Henley forced a smile. She would rather sell a few more clothes here.

Leona quickly dragged Harvey after hearing those words.

“Help me take a look, Sir York! Which one looks better on me?”

“Oh?

“Sir York?!”

Henley finally recognized Harvey. She froze for a short while before coldly chuckling.

Even though Harvey put up a great show during Westin’s proposal, Harley managed to figure out his identity as a live-in son-in-law after that.

Not a single ounce of fear was seen on Henley’s face at that moment.

“You know each other?”

“We’ve met once,” Harvey swiftly answered.

“Heh heh! Met once?!”

Henley crossed her arms with disdain on her face.

“You’re scared that your sugar mommy knows you’re just a kept man?!”

“I’ve seen a lot of people like you already!”

“You’re going to pretend to pay for her clothes later, aren’t you?!”

“You’ll tell me that you forgot your card after that!”

“Your oblivious sugar mommy will pay up for you instead!”

“Can you at least try making yourself look better?”

‘Not only is that man ignoring his family’s needs, but he’s also out here trying to find a sugar mommy!’

‘How shameless can he get?!’

“Henley, right?”

Leona Foley’s face instantly darkened after hearing Henley relentlessly criticizing Harvey York.

“We’re here to shop, not to hear you run your mouth!

“I’ll sue you for this!”

Leona did not care that she was being insulted

But she just could not accept Harvey getting the same treatment.

“You’re suing?

Henley was in disbelief.

Not only did they think that Harvey was a kept man, but they also thought he was going for someone who had been falling off in the world!

‘We’re probably not getting any business from them...’

Harvey could not be bothered to run his mouth to someone like Henley. He quickly held Leona’s hand before picking up her favorite clothes.

“We’ll get this one then. We’ll buy the rest later.”

Henley let out a cold chuckle when she saw the clothes in Harvey’s hand.

Leona instinctively looked at the price tag before being completely shocked. The tag had twenty thousand dollars labeled on it.

She instinctively shook her head. It was just too expensive.

Henley scoffed after seeing the sight.

“Not bad! What a match made in Heaven!

“You two suit each other really well!

“Your chemistry is just perfect!

“You clearly have no money! You’re just here to take a few pictures to show off, yet you’re complaining about our services?!

“Just leave if you don’t like our attitude!

“Stop ruining our business here!”

The shopping guides coldly scoffed, hoping Harvey and Leona would leave the place and stop ruining the store’s image.

The rich and powerful customers also swarmed over to watch the show.

Leona’s expression worsened.

“You’re crossing the line, Henley!

“We’re customers!”

“Customers?”

Henley chuckled out of disbelief.

“Only people who have the money are customers!

“We aren’t interested in serving losers who come for the air-conditioning and some pictures!

“How are we supposed to do our job if we use all our energy on people like you?! Hmm?!

Henley then snatched the clothes out of Harvey’s hand with disgust.

“We’ll have to disinfect and do maintenance on the clothes later! It’ll be bad if the customers get disgusted by this!”

“What kind of manager are you, Henley Johnson?!

“What’s the point of treating us like this?!

“Do you really think we can’t buy the clothes?! ”

“Treating you like this?

Henley let out a chortle.

“You overestimate yourself, Miss.

Henley chuckled coldly before she called a few other shopping guides.

"As for them?

"They wouldn't be able to afford anything even after ten different stores!"

The shopping guides and customers burst out laughing after hearing Henley's words.

'They're still pretending even now?'

'What's the point?'

Harvey completely ignored them and dragged Leona to the store in front. It was an extremely well-known designer shop in the country, the Elegant Edge.

It was an extremely high-class place!

Only people from the upper social circles could afford clothes here.

Henley and the others disdainfully glared at Harvey and the other two.

Their store would normally give discounts, but they believed that Harvey and the others could not even afford their clothes, let alone something from the Elegant Edge, a place that had never given any discounts.

Every single piece of clothing was handmade by designers with countless design awards. The clothing here amounted to at least six figures each.

The staff inside the Elegant Edge clearly saw the commotion earlier, but they only showed warm smiles without disdaining Harvey and Leona.

"How can we help?"

Leona's eyes frantically twitched after seeing the price tags. She quickly tugged Harvey's hand, trying to get out of the place immediately.

Harvey merely chuckled.

"I want every single piece of clothing that suits this lady's style and figure!

"I'd like you to deliver them as well, if possible.

Then, Harvey brought out his Black Card.

"Remember, I want every single one!"

“All of it?”

Henley Johnson showed a disdainful glare before she burst out laughing.

“Does he think he’s a wealthy heir or something?”

He’s just a kept man!

“Do people have no self-awareness nowadays?!”

“If he can even afford a sock in that store, I’ll admit defeat!”

After all, many of the rich and powerful would not even dare buy anything from the Elegant Edge.

‘A kept man wouldn’t even have the money for this!’

A large group of shopping guides and customers quickly came over to watch Harvey York make a joke out of himself.

The staff from the Elegant Edge hesitated when they looked at each other, but they decided to fully serve Leona in the end.

Soon after, every piece of suitable clothing was chosen. Dozens of bags with clothing worth millions of dollars were filled.

A small receipt popped out as soon as Harvey casually swiped his card.

“Huh?!”

Everyone around was completely shocked.

The shopping guides and guests were filled with utter disbelief. They were all showing jealous glares as they stared at Leona.

Nobody thought that Harvey was actually this rich to throw away so much money!

“Impossible! This is impossible!”

Henley and a few shopping guides had their jaws wide open.

A strong sense of regret came to their minds to the point where they almost passed out.

They were calling Harvey a loser and a kept man who could only afford stall-bought goods....

But then, what had just happened? Fast update on daotranslate.com

They were utterly disrespected in a blink of an eye!

Henley felt the absolute worst.

She was shocked. She was in utter disbelief. She felt unspeakably horrible at this moment.

And yet he already bought clothes worth millions of dollars in a single go! She had no right to look down on someone like that! She was prideful for earning hundreds and thousands of dollars every single year, but that amount was just spare change for Harvey.

After all, everyone was showing disdainful and playful expressions when they glared at her.

“Remember, everyone. Earlier, I wanted to spend my money at the store in front...”

“But I didn’t expect one of the Golden Managers would be very judgemental!”

“The higher-ups must be blind to hire someone like this!”

"I just don't understand why you're all still here buying clothes with a manager and brand like this! You'll be ridiculed if you even decide to wear something casual coming here!"

Harvey's words completely froze the crowd before they were filled with disgust.

Everyone was here to shop for the atmosphere, a facade...

But since Henley was being this rude, who would even go to her store then?

Simply put, not only was her future bleak, she would not even have a chance to stay in the industry because of Harvey!

Her salary literally went right down the drain at that very moment!

Pffft!

Henley coughed up blood before passing out on the ground.

Voom!

Harvey's phone vibrated at the same time.

Castiel Foster's panicked voice could be heard from the other side.

"This is bad, Sir York!

"The people from the housing department are here to investigate Fortune Hall!"

When Harvey York and the others returned, a dozen cars were already gathered around the place.

The police, the housing department, and even the street department were there.

Simply put, those people represented the government's joint law enforcement.

Dozens of people in uniform were completely surrounding the place, laying their hands on everything with fierce looks on their faces.

Someone was even driving their excavator with a righteous yet distant gaze.

Two bald men were standing in the very front.

One of them was taller than the other. The other was a little stockier.

The tall one was wearing the uniform of the housing department with a tag on his chest labeled 'Samson Lee'.

The chubbier man was an inspector of the police department called Cyrus Bierstadt.

The two were usually employed by the government together to sweep out any illegal buildings.

Their target for the day was none other than Fortune Hall itself.

Cliff Saban did not show up but had already told his subordinates to guard the entrance to prevent Samson and Cyrus' men from heading inside. Fast update on tagnovel.com

After all, the fierce people would probably smash up quite a bit of the renovation inside if they could.

It would be terrible if that were to happen.

Cliff was not scared of those people, but he was terrified of how Harvey would feel if the place was completely ruined.

Daniel Jackson showed up at Fortune Hall to do more work before seeing the sight in front of him.

Cliff and Daniel wanted to show off in front of Harvey after seeing him arrive, but he quickly waved them back.

Before Harvey even said a word, Thomas Burton quickly stepped out before holding the two men's hands with a smile on his face.

"Oh? Director Lee and Director Bierstadt! Fast update on tagnovel.com

"What brings you two here?

"It's an honor!"

He quickly pulled out some money before respectfully handing it forward.

After all, Thomas was once a rich man who dealt with these government officials.

He wanted to deal with the problem with the least amount of trouble at this moment.

"Come! Why don't we have a few drinks at the Drunken House this afternoon? I'll report all the work here for you then!"

Then, Thomas rubbed his hands together, as if he knew what the directors were thinking.

"Step aside!

Cyrus knew Thomas had fallen off, so he did not hesitate to push him aside.

"Enough of this! This is an official duty! Fast update on tagnovel.com

"Get the owner here right now, or we'll shut the shop immediately!

"And you people!

"Every single one of you will come back with us for investigation! You're cooperating with the suspect!"

Cyrus's words were extremely fierce.

Thomas shyly leaned forward.

"Why would you do something this big anyway?

"We can always talk things out, right?

“We’re all friends here! We...”

Slap!

Cyrus quickly slapped Thomas in the face.

“I’m not your damn friend!

“I’m an honest and just man! Can’t you tell?!

“Let me tell you something! We’ve received reports saying that this shop has been scamming people recently!

“We suspect that there are illegal documents involving the building and that the owner is a con man!

“Cooperate with the investigation, or all of you will be charged!”
