“Scamming people?”

The customers were shocked.

“There must be some mistake, Inspector!”

“Yeah! Fortune Hall’s been around for so many years now! At this point, everyone in the locality is an old customer!

“More importantly, they don’t even take any money!”

“How are they supposed to scam people?!”

“Yeah! Fortune Hall’s been here since the Whip Dynasty! What do you mean that there are illegal documents?!”

“Are you people cursed or something? Are your heads okay?”

Everyone burst out laughing, thinking that Samson Lee and Cyrus Bierstadt were making a mountain out of a molehill.

“We represent the law! Don’t you see?!”

“This place is a huge scam! People will die for this!

“How can you not understand this?!”

Samson’s face instantly darkened before he screamed at the crowd, “Go! Get out of here before I also arrest all of you for the investigation!”

“You people have no say whether the place is a scam!”

“Yeah! This place has been for the locals since the beginning! It’s fine as long as we believe this place!”

“We’ve solved so many problems just by coming here! My daughter and son-in-law came here looking for auspicious days to get married, and now the entire family’s living together in peace!”

“Master York is our savior!” Fast update on daotranslate.com

“If you people are so free, why don’t you investigate actual jerry-built projects instead?!”

What’s the point of investigating Master York?!”

The neighbors came over as soon as more customers stopped by.

After hearing that the government was planning to shut down Fortune Hall, the people were showing righteous anger.

The government officials could not help but feel a little embarrassed about this.

“Shut up! Every single one of you!”

Cyrus showed a horrible look before furiously waving his hand, gesturing to his subordinates to chase the crowd away.

Then, he coldly chuckled as he stepped forward. Fast update on daotranslate.com

“Move out of the way, or I’ll arrest all of you for obstructing the law!”

Dozens of officials stepped up with furious looks.

Harvey York showed a faint smile after seeing the sight.

He did not step forward since he wanted to see who those people were.

If Mandy Zimmer was the one who called them, then there was a simple way to solve the situation.

If someone else called them here, then there were naturally other ways to deal with the matter.

After seeing the entire situation escalate, Harvey clapped his hands before casually stepping up.

“I’m Harvey York, the owner of Fortune Hall.

“What seems to be the problem here?”

Then, Harvey glanced at Samson and Cyrus'

foreheads with a playful expression.

"You're the owner here?" exclaimed Samson as his eyes lit up.

"Show us your credentials then!

"Don't you know that you need a permit from the housing department?!"

Harvey smiled before making a gesture.

Leona Foley quickly brought out a few booklets before producing them before Samson.

Samson's eyes twitched before his face darkened slightly. These were actual certificates of a geomancy expert.

"What about a business license?! Do you have it or not?!" he exclaimed in a deep voice.

Harvey waved his hand before Leona showed that as well.

Samson's expression changed again.

'He has that too...?

"And the real estate certificates?! Can you prove that the place isn't illegally built?!"

Harvey chuckled calmly before a stack of booklets was thrown at Samson's face.

"We have everything that you're asking for right here. On top of that, we also have a pretty good reputation...

"What else do you even need at this point?"

After being utterly disrespected, Samson Lee was showing a horrible expression on his face. He wanted to lash out but could not find a reason to.

Scared that nobody was getting an easy way out of the situation, Thomas Burton quickly walked out with a forced smile.

"It's all just a misunderstanding, Director Lee!

"That said, we can't just let everyone come here for nothing, right?

"I'll arrange a feast for everyone at noon! I'm sure we'll all be happy about it!"

"A misunderstanding?! Bullshit!

Samson kicked Thomas aside.

"If you keep yapping and try to bribe us again, I'll charge you for obstructing the law!

"I'll make you live behind bars for the rest of your life!"

After seeing the ruthless man throw out accusations without shame, Thomas' expression changed.

As soon as he was about to say something, Harvey York waved his hand to stop him.

"Enough, both of you. Fortune Hall has every single piece of document that you need. I also have certificates to validate my work experience.

I'm sure you have everything you need to report back to your higher-ups.

"Please."

Samson's face was extremely gloomy. His throat felt completely stuck even though he wanted to speak at that moment.

Judging from his prideful and arrogant behavior, he could not accept the fact that some random citizen bested him.

After all, this was just too embarrassing!

Cyrus Bierstadt, who had been standing on the side, coldly chuckled.

“A small place like this actually has all the credentials? Fast update on daotranslate.com

“I’m not buying it! Fast update on daotranslate.com

“Come here! Let me take a look at that!

Cyrus grabbed the documents in Samson’s hand and started flipping through the pages.

Then, he pinched his fingers before tearing the pages apart and throwing them in the air.

Paper scraps covered the entire place.

Cyrus let out a cold chuckle.

“How dare you try to fool us with fake credentials?!

“Who gave you the courage?!

“We only asked you to come back with us for our investigation, but I’m afraid we’ll have to lock you up for forging fake documents now!

Before allowing anyone else to react, Cyrus quickly waved his hand.

“Come! Seal this place up and take them away!

“Whoever resists will be charged for obstructing the law!”

What a dominant and aggressive sight!

The huge group of government officials stepped out with wretched expressions. Every single one of them had police strips and handcuffs in their hands to threaten people with.

Cliff Saban, Luca Robbins, and the others were completely speechless.

They knew that they were not good people...

But at least they still had a bottom line that they abode by.

Samson and Cyrus were government officials, yet they would flip the truth and suppress people with their power!

They were clearly corrupt to the bone!

Nobody thought that someone from the government would do something this bold, even in this day and age!

Right as Cliff was about to step up and announce his identity as the chairman of Evergreen Capital Group, Harvey waved his hand.

He was not angry at all when he squinted at Samson and Cyrus with a smile on his face.

“What’s the point of doing something this misleading?”

“We’ll find out when we return to the police station!”

Cyrus chuckled.

“Come! Take everyone in!”

Harvey gave Dariel Jackson a look, telling him not to call anyone and for the others not to resist.

It was not a big deal for Harvey anyway. He wanted to see who was actually the person behind the situation since he did not want to deal with just the small fries.

Soon, Harvey York and the others were all taken inside the government vehicles.

Even their phones were confiscated, preventing them from contacting the outside world.

Voom voom voom!

Harvey's phone suddenly rang while on the road.

An unknown number was showing on the screen.

Cyrus Bierstadt annoyingly swung the phone around before picking up the call.

An apologetic and respectful tone could be heard from the other side.

"Hello! Is this Master York? I..."

Cyrus let out a cold chuckle.

"Enough! Harvey doesn't even have the credentials to open up his business! We've already arrested that man!"

"You best not look for the damn con man anymore!"

"He's about to be locked up!"

"I'm Watson Braff. Who the Hell are you?"

A cold tone could be heard from the other side.

"Why does it even matter to you?!"

Cyrus was boiling with anger after hearing the aggressive tone. Fast update on daotranslate.com

"I'll arrest you too, if you keep yapping! I'll track you down through your phone if I have to!"

"Hmph!"

Cyrus then immediately hung up the call.

Soon, the cars came to the sixth branch of Golden Sands Police Station.

Inside an interrogation room, the air conditioning was as cold as it could have been.

A cup of coffee with a nauseating stench was placed in front of Harvey.

Cyrus and Samson Lee had their legs crossed while squinting with arrogant looks in front of Harvey.

“Name!”

“S.e.x!”

“Occupation!”

“Where did you get the money to buy Fortune Hall?!”

“How many people have you scammed?!”

“How many innocents did you hurt because of this?!”

“Talk!”

A fierce aura could be felt when the two spoke up one after another.

Naturally, they were pretty well-versed in terms of interrogations.

They planned to force the truth out of Harvey so that he would be locked up for the rest of his life.

Harvey calmly smiled when he had his eyes shut, as if he did not hear a single word the two were saying.

After all, those were the people who destroyed his credentials in front of everyone without even skipping a beat.

No matter what he said, the two would not hesitate to charge him for all sorts of crimes anyway.

It was best for him not to say anything at all. Fast update on daotranslate.com

“Do you think we can’t do anything if you don’t say a word, you b*stard?!”

Cyrus slammed the table with a furious look on his face.

“We’ll charge you if you don’t cooperate!”

“We already know all about you, Harvey!

Samson started playing the good cop.

“We’re giving you a chance to come clean here!

“You should cooperate with us!

“If you tell us everything you did along with the amount of money and people you scammed...

“You’d be behind bars for five years at most! I guarantee it!

“But if you don’t, not just you, your entire family will suffer for this!

“Don’t forget! You’re not a local!

“Your ex-wife is still from a well-known family!

“Their reputation will also fall because of you!

“Even if you don’t care about yourself, at least think about your ex-wife!”

Naturally, the two had a simple goal. To dig out every single crime from Harvey and lock him behind bars for good.

It was a shame that Harvey only showed a faint smile without giving a response.

“What’s with this attitude, you b*stard?!”

“Hmm?!”

Samson Lee was enraged after seeing Harvey York’s harsh attitude.

“I’ll f*cking skin you alive!”

Right as Samson was about to act, someone from outside quickly knocked on the door before a nervous-looking inspector entered.

Cyrus Bierstadt, who seemed calm and collected, waved his hand to stop Samson before looking over.

“Did Harvey’s friends spill the tea?”

“We know who those people are now, Director!”

the subordinate exclaimed.

“Good. Some people just won’t give up until they see some evidence…”

Cyrus showed a prideful look before glaring at Harvey, trying to pressure him. That said, it was clearly for nothing since Harvey completely ignored him.

“Talk! Tell this man who those people are so he understands just how fast we work!”

“Director…”

The subordinate hesitated.

“The one cleaning the restroom is called Dynamo.

He’s one of the bosses of Newgate Chamber of Commerce with dozens of gangsters under him…”

he replied quietly.

Cyrus squinted.

“Newgate Chamber of Commerce? I didn’t think that those people would start doing labor work. Kellan Ruiz must be doing quite poorly nowadays”

He was a bit confused, but he was not intimidated at all.

The company was indeed impressive, but he belonged to the government.

He did not believe that a smart man like Kellan would go against him for a small fry like Dynamo.

Without a second thought, Cyrus smiled.

“Show me every single crime he’s done, along with his relationship with Harvey!”

“We haven’t found anything about that yet...”

“You filth!” Cyrus bellowed.

“What about the others?!”

“The others?”

After hearing those words, the subordinate’s face was as pale as a ghost. His face would not look that way, even if he was left rotting for an entire week.

“The geomancy expert is named Castiel Foster.

He’s the grandson of the top geomancy expert of Golden Sands, Rodney Foster...

Cyrus’ hands trembled.

Samson’s eyes also twitched.

“The person moving building supplies is Luca Robbins, the young master of Robbins Supplies...

“The person handing out takeaway boxes is Dariel Jackson, the CEO of Eclipse Studios...

“The supervisor is Cliff Saban of Evergreen Capital Group...”

The subordinate was trembling in his boots.

Samson and Cyrus’s expressions worsened instantly after hearing those words.

Simply put, only idiots would not understand just how important Harvey was.

After all, his subordinates were all prominent figures of Golden Sands!

Any single one of them would be enough to crush both Samson and Cyrus...

But they were all working behind Harvey like a bunch of lackeys. Anyone would be scared of someone like him!

“Every single one of their lawyers is already here, Director! Dozens of them are gathered right outside! They are all immensely reputable too!

What do we do now? They’re asking for a fair statement from us!”

The subordinate reporting the situation had seen quite a bit, but he still could not help but feel terrified.

Harvey was obviously not just any ordinary man.

There would be Hell to pay to get him locked up like this...

“Stop panicking!

“We’re doing everything in accordance with the law! Nobody can tell us otherwise!”

Cyrus forced himself to calm down at this moment.

After scolding his subordinate, Cyrus Bierstadt glared at the person who started everything, Samson Lee.

Samson showed a horrible expression on his face.

Cyrus was the one who told him that Harvey York was just a live-in son-in-law.

Why would someone as ordinary as that have this many capable people working under him?

This just was out of the ordinary!

“Are your heads getting numb? Are your backs sweating?”

Harvey calmly opened his eyes with a playful expression.

The show was just about to start.

Samson could not hold his anger back after hearing Harvey’s ridicule.

He furiously slammed the table, screaming at Harvey, “Stop showing off, you b*stard!

“Do you think you can get out of here in one piece just because you know a few rich people?!

“Let me tell you something!

“You got here because you’ve been scamming people! Even God won’t be able to save you!

“I said so!

“I suggest you admit to your crimes before things get way worse!”

Samson believed that the person behind him was all-powerful.

The prominent figures behind Harvey’s back were nothing compared to the person.

More importantly, he had no choice but to stick to his guns at this point.

Harvey smiled faintly.

“You two, of all people, should know if I’m actually scamming people or not.”

Samson and Cyrus looked at each other before showing a hint of fear in their eyes.

They suddenly remembered that Harvey had every single credential they asked for.

He was only here because the two distorted the whole truth.

That said, they almost forgot about it after they had been doing their wrongdoings for as long as they breathed.....

“Director!

Right when the two were frantically twitching their eyes, an inspector rushed in.

“A man called Watson Braff called!

“I declined him when he wanted to check in on Harvey!

“I looked into him. Looks like he’s from the housing department...”

Cyrus put on a frown.

“That guy again?! Does he have a death wish to go against the police?!”

Samson also frowned.

“Watson Braff...?

He pondered about the name for a while...

“Director Braff?!”

“Which Director Braff?” asked Cyrus.

Samson started trembling.

“The first-in-command of the Golden Sands ‘housing department, Watson Braff...”

“What?!”

Cyrus trembled to the point where he could barely control his bowels.

Watson was not all that scary....

But he belonged to one of the Hermit Families!

The first-in-command of both the housing department and Golden Sands Police Station was the same...

Going against the Braff family would mean getting cut off from the government!

“How?!”

“How is this even possible?!”

Cyrus was trembling in fear before he started screaming at Harvey.

“You’re just a geomancy expert! How are you deeply connected like this?!”

“I don’t buy it!

“I’m not buy any of this!”

Bam!

The door was instantly kicked open before Samson and Cyrus were done whining.

The two quivered before looking in the direction...

A group of people in government uniforms showed up outside.

The first-in-command of the housing department, Watson Braff, led the group.

The person beside him was none other than his brother, the first-in-command of Golden Sands Police Station, Soren Braff!

The aura of the two was no less than terrifying.

“Director Braff...

Cyrus Bierstadt and Samson Lee’s eyes twitched before they sprung out of their chairs to bow.

“What brings you two here?

“You could’ve just called us! Why even show up on your own?”

Watson completely ignored the two before respectfully bowing in front of Harvey York.

“Master York! We meet again!

“Thank you for your kindness before!

“I was being ignorant before!

“Please don’t mind me!

“I’ll have you ask for your help this time...”

Then, Watson took out his car key with horror on his face, afraid that Harvey might reject him.

Harvey smiled faintly.

Watson's expression was as cold as ice when he heard Harvey's explanation. He furiously turned around before kicking Cyrus and Samson to the ground.

They were terrified!

Of course, Harvey did not even bat an eye at the two when he left the police station.

He could not even be bothered to ask.

He knew that the two would end up horribly sooner or later.

With Watson's decisive behavior, corrupt people like Cyrus and Samson were destined to be kicked out of the government.

Even if he decided to let them go despite their past...

Cliff Saban and the others would chase them to the ends of the earth.

It would be best for them to admit to their crimes and lie low behind bars for the time being.

Three o'clock in the afternoon, Watson respectfully sent Harvey back to Fortune Hall.

At the same time, the ruined credentials were all replaced with new ones.

Thomas Burton quickly came over before taking a picture of Harvey and Watson together.

"We brought down Samson Lee and Cyrus Bierstadt, Master York!

"Everything they did in the past, all the evidence of their corruption, is enough to put them both behind bars for the rest of their lives!

Watson Braff's high and mighty attitude was replaced by endless respect and politeness.

"According to those two filth, Mandy Zimmer seems to be behind all this."

Watson showed a confused expression.

Naturally, he already looked into her relationship with Harvey York.

Harvey frowned. He did not expect Mandy to be this headstrong to use her connections against Fortune Hall.

“Mandy’s just being considerate. She didn’t want you to hurt the neighbors or get into trouble because of your geomancy.

“From this perspective, she’s only reporting the situation to the authorities.

Watson had no intention of sugarcoating anything.

“That was why we didn’t get Mandy to take responsibility. That said, there’ll be people to inform her that the situation’s been done.”

Harvey lightly nodded.

“Thank you, Director Braff. I’m sorry the family caused you trouble.”

“Sigh. Any citizen has the right to do such a thing anyway. We completely understand why she did all this. We’ll also thank her for her contributions.

“That said, things aren’t as simple as it seems. [Fast update on daotranslate.com](https://daotranslate.com)

“There’s someone else who wants you dead.

“This person has an extraordinary identity. Even I have to think twice before going against him...

“After all, ordinary people won’t be a match against that person!”

Harvey showed a faint smile.

“The relative of the John family, John Silas?”

Watson nodded.

“Keen eye!”

Harvey showed a playful look on his face.

Safe to say that Silas had grown up quite a bit compared to his time on the cruise.

He was not just screaming about killing people every passing second.

More importantly, he even exploited Mandy’s anger against him.

If done correctly, he would be able to take out Harvey easily. Fast update on daotranslate.com

If not, he would still have Mandy as his shield.

It was a win-win situation for Silas for the sole fact that he could meddle with Mandy's relationship with Harvey.

After hearing those words, Soren Braff showed a playful look.

'A man being targeted by his ex-wife...

'How much of a failure can this man be to get to this point?'

"Thank you for this, Director Braff!

"I'll deal with the rest myself. You don't need to do anything.

Harvey nodded before letting go of the matter.

He thought of another thing before he smiled at Watson.

"Did something significant happen yesterday?

"Is that why you've been looking all over for me?"

Harvey quickly changed the subject.

"I was wrong yesterday, Master York!" Watson promptly replied.

"I was ignorant!

"Thank you for being so generous!

"If not, I would've been dead by now!"

Then, Watson removed his shirt, revealing a scar on his chest. He almost died the night before.

He then took out a piece of cloth that Harvey had given him. The cloth was halfway gone when the blood Harvey smeared on it was completely turned to ashes.

The moment Watson Braff put the cloth in his hand, it flew in the air before it turned to powder.

Soren Braff was confused when he saw the sight.

“What happened, Watson?”

Watson looked at his brother before explaining the entire situation from the previous day.

He immediately drove home after leaving the hotel...

But somehow, he felt extremely tired while he was on the road.

He knew that he should not fall asleep then, but his body and eyelids did not cooperate with him.

On a bustling street such as the one he was on, it would be easy to think of what would happen if he really did close his eyes.

Right as he was about to pass out, a hint of warmth came into his heart before he regained consciousness.

But even so, his entire body was filled with cold sweat. He was this close to driving himself into the reservoir.

Soren frowned after hearing his brother's explanation.

“This is nothing. Clearly, you just got tired.

“It's not that I want to complain, but you should've gotten yourself a driver at this point.”

“Shut up!” Watson screamed at Soren before continuing his talk.

Watson thought the exact same thing before...

But there was another big incident that happened in his house. Fast update on daotranslate.com

His seven-year-old daughter found a red dress somewhere and decided to wear it before hanging a white piece of cloth on the ceiling fan, preparing to hang herself.

Watson was scared out of his mind. Thankfully, the warmth in his heart woke him up just in time to save his daughter.

Soren felt a little odd, but he still thought that it was not such a big deal.

After all, children would do everything they see on television. It was a normal occurrence.

Watson glared at Soren before talking about something more horrifying.

A series of events happened the night before. He decided to sleep with his daughter, afraid she would do something rash again...

But when he opened his eyes in the middle of the night, his wife was holding a knife with her eyes closed, about to stab forward.

Watson learned a bit of kung fu and managed to dodge the attack.

If not, the entire place would have been filled with.

his blood.

His wife had no idea what had happened after waking up.

Watson would not dare sleep in his own house anymore after the events. He quickly transferred a group of bodyguards for himself after that.

Two of them accidentally had their firearms go off, inches away from actually hitting Watson.

Watson finally realized that if it were not for the warmth in his heart that warned him about the dangers, he and his family would have died so many times by then.

After that, he knew that Harvey was not just fooling around.

After ensuring his family was safe, he quickly called Saul Robbins for Harvey's number.

Coincidentally, Harvey was arrested along with the others while all this was happening.

Soren was completely shocked by the story, but he felt that these were all mere coincidences...

He was utterly disdainful when he heard of Watson's superstitious behavior.

That said, Soren Braff respected his brother so much that he did not say a word about the situation. He calmly looked at Harvey York, waiting to see just what he would do to deal with the matter.

"I've seen what you can do, Master York!

"I would've been dead without your help!

"My entire family would've been buried with me six feet under!

Watson Braff was filled with nothing but utter respect toward Harvey.

"That said, I'm the only person who touched the car. I've never been to a cemetery or touched anything bad either...

"I searched around the car but couldn't find anything..."

Harvey waved his hand to cut off Watson.

"Let me take a look at the car."

Then, Harvey walked outside before reaching in front of Watson's Audi A8.

It was odd. Watson had gotten into several accidents already, but his car remained completely unscathed.

Judging from Harvey's deduction, the dead air coming from the car would not dissipate until Watson died.

Watson and Soren followed over after seeing Harvey walk in circles around the car. The two kept looking around but could not find anything out of the ordinary. Fast update on daotranslate.com

"I checked the trunk!

"You won't find anything there!"

Soren spoke up. Obviously, he was the least confident in Harvey's abilities.

Harvey kept quiet when he reached the gap between the chassis and pulled out a piece of a paper doll the size of a palm.

The red paper doll was completely surrounded by dead air...

But in an ordinary person's eyes, this was just a normal piece of paper.

Watson frowned.

"Is there something wrong with the paper doll, Master York?"

Soren let out a cold chuckle.

"If there's anything wrong with that paper doll, then..."

After that, Soren immediately stopped talking.

Harvey slowly opened the wrinkly paper up. Fast update on daotranslate.com

A string of words written with ink was seen inside.

Soren gasped before immediately turning to his brother.

Watson's expression changed when his head turned numb.

"My fate is written on it?!"

Harvey pinched the paper and took a whiff.

“Smell of corpses...

“Corpses, a paper doll, and your fate...

“Looks like someone wants you dead, Director Braff!”

Watson showed a horrible expression on his face.

“That b*stard’s involved with this, Watson!

“Back then, you...”

Watson waved his hand, cutting off Soren before he clasped his hands together in front of Harvey.

“Can you deal with this, Master York?”

“Of course!

Harvey bit his finger before squeezing out a drop of blood.

Psssh!

Thick fog seeped out of the paper doll as screams of pain could be heard. The contents of the paper dissipated into nothingness soon after...

Harvey burned up the rest of it with his lighter.

“That’s done.

Harvey clapped his hands while watching the dead air from Watson’s car fly off. The light on his head was finally visible once again.

“You’re out of trouble for now.”

“That said, this doesn’t solve everything.

“No ordinary person can just do something like this.

“You can’t fix this unless you dig up the person behind the incident,” said Harvey York.

Harvey had his guesses as to who would go against Watson Braff like this, but he would only speak about it if Watson wanted to.

Watson lightly nodded.

“I’ll deal with it, Master York!

“I’ll think of a way to deal with the root cause”

Watson was filled with confusion when he looked at Harvey.

In just a single night, his impression of Harvey completely changed.

At first, he thought Harvey was just some con man...

But now, he would not even dare think that way.

If it were not for Harvey, he would have died a thousand times already.

His enemy was extremely ruthless. He had no way to protect himself other than asking someone like Harvey to help.

For the sake of his Hermit Family and his own safety, Watson knew that he had to cling to Harvey.

Just for the sake of Harvey saving his life, he felt the need to repay the favor.

“Alright. Everything’s good for now.

“Your enemy won’t use the same trick twice.”

Watson shook his head.

“Forget it!Fast update on daotranslate.com

“I wouldn’t dare drive the car anymore!

“If you don’t mind, then the car’s yours now!

“Only a prominent figure like you can deal with the car!”

Watson quickly gave Harvey the car key before giving Saul Robbins a call, telling him to deal with Harvey’s procedures the next day.

Harvey froze.

“I don’t think this is appropriate, Director Braff...”

Watson’s car was not worth all that much, but the license plate alone would give access to countless places. It was just invaluable.

“Why wouldn’t it be?

Watson burst out laughing.

“Besides, I wouldn’t dare drive the car even if you don’t take it!

“Just treat it as recycling!”

“Well, if you insist!” replied Harvey.Fast update on daotranslate.com

Harvey needed to show off exactly what he was capable of...

And the license plate was one of the ways to do such a thing.

More importantly, a car is nothing compared to Watson’s life.

After some small talk and giving each other’s numbers, Watson soon walked away.

That said, Soren Braff stayed before he squinted at Harvey with a smile.

“Your methods are impressive, Master York, but they’re just a little too impressive...

“My brother puts his trust in others easily, but not me!

"I'm warning you! I won't lay a finger on you since you saved his life..."

"But if I find out that you belong to that person or that you're getting close to my brother for ulterior motives..."

"You'll die a horrible death!"

Soren let out a chuckle.

"You better know what's best for yourself, Master York!"

Harvey could tell that Soren doubted his abilities.

"If I didn't do anything, your brother would've died in just three days..."
