"I believe you, but I also believe my family would have the power to fix this!" exclaimed Soren Braff coldly.

"Maybe in your eyes, you were the one who turned the tide of my brother's life!

"But for me, you're clearly harboring ulterior motives!

"You better hope that I'm wrong."

Then, Soren gave Harvey York a firm pat on his shoulder.

Naturally, he would be able to dislocate any ordinary man's shoulder with that strength.

It was not that he had anything personal against Harvey. He only wanted Harvey to know just how powerful the Braff family actually was.

Tap!

Soren's body trembled before he showed utter disbelief.

Harvey stood completely still, but Soren felt he had just tapped his hand on a metal plate.

The massive shock he felt on his hand trembled all the way to his chest to the point where it made him cough up blood.

'Damn! He's an expert martial artist!'

"I suggest you save some strength, Director Braff.

Harvey smiled faintly before he brushed aside Soren's hand.

"If I'm correct, disaster is also about to strike you!

"People will go for your brother. The same applies to you too. Fast update on daotranslate.com

“It’s a shame that I’m not planning to save you. You did offend me, after all.”

Then, Harvey turned around and left with an indifferent look.

Soren was left glaring at Harvey with a wretched expression.

A moment later, his entire body trembled before a mouthful of blood spurted out of his mouth.

*** After leaving Fortune Hall, Soren did not know how to feel about Harvey after disdaining him for the longest time.

He wiped his mouth covered in blood with a handkerchief.

When he looked back at Fortune Hall’s sign, he could not help but show fear.

“What do you think about that man, Soren?”

Watson Braff knew what his brother did, but he did not bother calling him out for it.

After all, he did not trust Harvey himself before either.

“What do you think about him?”

Soren showed an odd expression before letting out a bitter chuckle.

“You’re kidding, Watson...”

“I have no right to even judge him!”

It was just a short spar, but he knew full well that he would be no match against Harvey if the two actually clashed fists.

“Both his geomancy arts and martial arts are top-notch.daotranslate.com
Along with his Fortune Hall, his influence in Golden Sands will surely skyrocket...”

“I thought he was one of that person’s lackeys...”

“But I think that even that person has no right to do that!”

“He might just also be the savior of the Braff family...”

Watson briefly froze after hearing those words.

“You look up to Master York that much?”

“That’s a little exaggerating, don’t you think?”

“No. Judging from what happened, if we actually fought...

“I might not even be able to take a hit from him...”

Watson’s smile froze immediately.

“Not even one...”

“Is he a God of War?!”

“But he’s so young! How is that even possible?!”

“Maybe not...”

Soren showed nothing but respect on his face.

“But he’d be at least a peak King of Arms...”

Right when the siblings were filled with utter disbelief while deciding that they were going to be in Harvey York’s good graces...

A huge group of people gathered around Fortune Hall’s gazebo.

Cliff Saban handed Harvey a cup of tea with a bright smile.

“You’re in luck, Sir York!”

“With the car, you can do whatever you want in Golden Sands now!”

Daniel Jackson showed a faint smile.

"I heard that there was a first-in-command who'd visit a geomancy expert every week, broadening his connections in a short amount of time.

"I didn't believe it before, but now I do.

"No wonder everyone says that a true geomancy expert is the king of the underworld!"

Harvey casually smiled.

"Watson Braff and I are just friends. That's a little exaggerated, don't you think?

"It's fine when we talk about this now, but make sure the talk stays here."

Thomas Burton leaned over with an impressed look on his face.

"You don't know the Braff family, Sir York?

"They're one of the Hermit Families we're talking about!"Fast update on daotranslate.com

"I just got here a month ago. It's only normal for me to not know about them, right?"

Many people said the waters were deep in Golden Sands, but Harvey did not understand it.

If it were not for Mandy Zimmer and Evermore's incident, he would not have been here, nor would he be interested in understanding the situation.

Cliff took a sip of his tea before he spoke.

"Golden Sands is a first-rate city in Country H with at least fifty million residents!

"Rich and powerful people and families are as abundant as fish teeming in the river!

"Northern warriors from ancient times even said the same thing about us after visiting the city!

"We may seem all high and mighty to everyone else..."

"But in reality, we're nothing compared to the actual prominent figures here."

"That said, those people are just too discreet."

The people here only got the chance to show off because of this.

"Other than the well-known John family and Patel family, daotranslate.com the most powerful and influential families who could cause ripples without effort would be the six Hermit Families."

Luca Robbins, who was standing on the side, heaved a sigh. [Fast update on daotranslate.com](http://daotranslate.com)

"These families are extraordinary. All of their ancestors built Golden Sands during ancient times."

"A thousand years' worth of connections and wealth is not something we can even begin to fathom."

"More importantly, these families are banded together. They'd usually have their own conflicts, but they'll surely join forces in the face of danger!"

"Even if it's not obvious on the outside, the John family and the Patel family are terrified of them!"

"The Jackson family, the Robbins family, the Pagan family, and the Braff family..."

"There's only four at this point."

"Where's the other two?"

"Those two are the big shots!"

Cliff licked his lip.

"The four families you listed are either rich or powerful, but the other two are all descendants of martial artists."

"One of them is the Bolton family. They've been living deep in Golden Sands for many years. They're also in charge of the place's underworld."

“The other one is the Gibson family.

“It’s said that they have a deep connection with Heaven’s Gate.

“The head of Golden Sands’ branch is none other than someone from said family.

“At the same time, the military and police force,daotranslate.com along with other organizations based on violence, have people from the family as coaches. Their connections are deep, and their disciples

are countless!”

“The Pagan family, the Robbins family, and the Jackson family had riches in different ways that could rival countries.

“If we’re talking authority...

“The Bolton family and the Gibson family are like the city’s great protectors ! With them around, nobody would dare do anything to threaten the city!

“That said, the one true powerhouse is still the Braff family!

“The family is filled with extraordinary talent!

“Watson Braff’s grandfather, father, and eldest brother were first-in-commands of the city before!

“Two of the elders have already retired, but their influence on the government is still immense.

“Watson’s brother was also just transferred to a higher position in Wolsing.

“As for Watson and Soren Braff, you don’t need me to explain them anymore.

“Other than that, countless people from the family also have important roles to play within the government!

“Safe to say that the government of the city belongs to them!

“That said, the Braff family is extremely loyal to the Big Boss. They had never once crossed the line in their entire life.

“We wouldn’t even dare go against you if we knew you have connections like this! We’d kneel in a heartbeat!”

Daniel Jackson, Luca Robbins, Saul Robbins, and the others nodded in unison.

Harvey York took a few glances at the information on his phone before he nodded.

“I see. The power really is quite terrifying.”

Safe to say that the existence of those families made Harvey quite impressed.

Not only were the families extremely powerful, but they had also been quite discreet.

There may have been families in Country H that were more impressive, but those families were still alive after a thousand years.

This alone was enough to show just how strong they were!

Thomas Burton thought that Harvey became a little down after hearing those words.

“I believe you’ll be a powerhouse in the city sooner or later with your abilities! It’s entirely possible for you to build the seventh Hermit Family of the city if you want to!” consoled Thomas with a smile. Fast update on daotranslate.com

Harvey smiled back.

“I’m not interested in that sort of thing, so let’s just skip the talk.

“What we need to do right now is to finish renovating Fortune Hall.

“The customers might think we got robbed if they see the place like this!”

Cliff and the others looked at each other before showing utter admiration in their eyes.

Harvey was not at all a prideful person, nor was he moved by power or riches. Support us daotranslate.com. He was pretty extraordinary for having such resilience at such a young age.

Only a few people could achieve such a feat.

Sitting at the front desk, Castiel Foster came to join in on the fun.

“I heard that John Silas was involved with what happened to the Fortune Hall!

“Should we send him a gift to show our thanks?”

Luca slammed the table.

“How dare he?!” he screamed furiously.

“He’s just a relative to the John family!

“If it weren’t for Blaine John, he’d be a damn servant at most!

“Why would we be scared of someone like that?!”

“I’ll deal with this, Sir York! I’ll teach him a lesson!”

“If it were me, I’d just have him buried at this point!” said Cliff Saban.

“All you people think about is stuff like this.

Harvey York let out a sigh.

“I don’t like playing with underhanded tactics.

“If we want him dead, we’ll get him fair and square.

“I don’t want anyone to give him an excuse to think otherwise.

“That’s why I’ll handle this myself.”

Six o’clock in the afternoon, in front of Zimmer Enterprise.

Luxury cars were driving all around the place. It was the evening rush hour.

Harvey leaned on the side of the road with a laundry bag, as if he was another one of the scavengers on the street.

He squinted at the pedestrian crossing while he patiently waited.

After ten minutes or so, a stylish-looking convertible Maserati appeared in his sight.

It was Silas John's very own car.

Other than Silas, who was driving the car, his sister, Alma John, was with him, along with a familiar face.

Silas was clearly distracted while talking to a woman in the passenger's seat.

He instinctively stepped on the pedal when the yellow lights were on.

Harvey steadily stepped on the pedestrian crossing soon after.

Bam! Fast update on daotranslate.com

Harvey flew back when the Maserati crashed right into him almost instantaneously. His body quickly stopped the momentum before sitting on the ground unscathed.

That said, the item inside his bag shattered into pieces.

A scratch could also be seen on the Maserati. It was a shocking sight.

The whole scene immediately attracted everyone's attention.

After all, everyone was there to watch a big show.

"How dare you do this to the John family, you b*stard?!"

Alma stepped out of the car after regaining her senses.

She finally found a chance to get Silas with Mandy Zimmer, but she did not expect that someone would run right into the car as they were in front of the company building.

What bad luck this was.

Alma pointed at Harvey's nose and started screaming.

"Don't you know that you shouldn't be blackmailing luxury cars?!daotranslate.com That's the number one rule!

"Do you have a death wish or something?!"

Silas and a woman in extravagant makeup alighted the car at this very moment.

"Harvey?"

The woman trembled after seeing the familiar figure.

"Why are you here?!" she exclaimed in a wretched tone.

Harvey squinted before recognizing the woman in front of him.

It was Rylee from the Patel family.

It was the same woman who got utterly disrespected on the cruise after standing up for John.

What a small world.

Harvey thought about the situation and realized that Silas was most likely introducing Rylee Patel as a customer to Mandy.

A shame that the plan was never going to succeed because of Harvey York's appearance.

"So, it's the live-in son-in-law!

Alma John clearly recognized Harvey's face when she showed a disdainful expression.

"I was wondering why someone would be this unprofessional at blackmailing people!

"I understood why immediately after seeing your damn face!

"Let me tell you something! Your plans are futile!

"More importantly, have you considered the consequences of going at us like this?"

"Let's not talk about if I'm actually trying to blackmail you or not. Even if I am, I don't think I'll be dealing with any consequences either..."

replied Harvey calmly.

"You..."

Alma was boiling with anger after being talked down. She wanted to take a bite out of Harvey so badly at this moment.

Silas John, who had remained quiet the entire time, curiously looked at Harvey.

"Sir York? What a coincidence!

"What? You're here to ask for trouble when I've been hanging out with your wife? Are you getting mad or something?

"A shame that the woman's just your ex-wife now.

"I had introduced quite a lot of businesses to her as well. All she has for me is gratitude. Maybe she'll even give me her body for all this..."

"You want to stop all this from happening? Fast update on daotranslate.com

"Can you?

"Or are you saying that blackmailing me like this is good enough for you?

"You better step it up next time!

“If not, this scratch alone would cost you thousands of dollars!

“I only decided to forgive you, seeing as you’re about to turn into a damn cuck!

“You would’ve paid with your blood if this was any other case!”

Silas was filled with utter disdain as he glared at Harvey.

In reality, he had no time to deal with Harvey since he was getting ready to introduce Rylee Patel to Mandy Zimmer.

As for what happened in Hong Kong, he looked into the matter after everything had passed.

Harvey managed to trample all over him because he got lucky and became the kept man of Queenie York, the head of the Yorks of Hong Kong.

That was why he was able to do whatever he pleased there. Even the people from the John family were all trampled by him because of this.

Safe to say that he was quite proficient in clinging onto women, if nothing else.

Silas wanted to have Mandy for himself so he could finally stop Harvey’s reign in Golden Sands.

On the one hand, he wanted Harvey to be left without his wife.

On the other hand, he wanted to slowly torture Harvey and make his life a living hell.

Alma had no idea that her brother had a grudge against Harvey, but she believed that he had absolutely no talent after hearing those words.

She crossed her arms while disdainfully glaring at Harvey.

“I didn’t think a kept man would learn how to blackmail people like this!

“Kneel and thank my brother for his generosity already!”

Then, Alma turned around, preparing to leave.

“Who said you can leave?” asked Harvey calmly.

Alma froze with a frown on her face.

“You blackmailed my brother, and yet he decided to let you go. go.daotranslate.com. You got fortunate, so what else do you want?” she exclaimed.

“This isn’t about that. You’re going to pay for my losses,” Harvey said calmly as he studied Silas’s arrogant expression.

Silas laughed coldly.

“I’m paying for your losses, you say? Are you out of your mind?”

Alma quickly took out her phone.

“You’re trying to cause us trouble, aren’t you?”

“Fine! I’ll get the cops here to deal with this!”

“We’ll see how you’ll get out of the situation after that!”

“After all, blackmail is a big crime!”

Alma excitedly dialed the three numbers. It would be so cathartic to send the live-in son-in-law straight to jail!

“Hurry up already,” Harvey urged.

“You should be giving your way to pedestrians on pedestrian crossings. This is the law.”

“Also, you’ll have to take responsibility for my losses if you run into me. This is also the law.”

“The police will surely give you a lesson about this once they arrive.”

Harvey’s calm words were filled with a dominant aura. Silas’s pupils shrunk and he suddenly found it hard to breathe, as if he was having flashbacks during his time on the cruise.

However, he quickly regained his senses once he realized that Harvey was just useless filth who happened to look decent.

Why would he be scared of a kept man like Harvey?

Rylee’s face darkened the moment she saw Harvey picking a fight with Silas, even though she had been pardoned.

“You better know what’s good for yourself, Harvey!”

“I’m not done settling scores with you for what happened on the cruise, either!”

“We have other things to do right now! We can’t be bothered with you!”

“You would’ve died horribly if that wasn’t the case!”

“Are you leaving or not?!” Fast update on daotranslate.com

“If you’re still going to stay, we’ll let the police handle the situation!”

“Not only will you embarrass yourself, but…”

“Mandy will know about this too!”

“You’ll lose everything if that happens!”

“What will you do now?”

“What do you think?”

“Wait for the cops here, of course!”

Harvey gave Rylee a small smile.

“What else am I supposed to do?”

Seeing the cocky look on Harvey’s face, Alma held Rylee’s hand.

“Looks like we were too kind,” she spat coldly.

“He thinks he’s some hotshot just because we didn’t want to fight him!”

“We should show him just how cruel the world actually is!”

Alma waved her hand at Harvey before dialing a number.

Not long after, sirens could be heard from afar.

Soon, two traffic inspectors arrived.

They took out their cameras to record the entire situation, then got Silas to pull his car aside to avoid traffic jams.

“My time’s of the essence. I don’t have time to play with you.”

Silas chuckled coldly, then glared disdainfully at Harvey.

“This is a limited edition Maserati!”

“The paint alone needs a hundred and fifty thousand dollars to repair!”

“For Mandy’s sake, I’ll cut the price. You just need to pay a hundred and fifteen.”

“If you don’t pay up, I’ll chase you to the ends of the earth!”

Silas spoke casually, but his face was frosty.

According to his investigations, the live-in son-in-law only had a few hundred dollars in his bank account.

A hundred and fifteen dollars would surely cost Harvey his life!

He wanted to make fun of Harvey's situation when he met with Mandy later. daotranslate.com. He wanted her to see just how useless Harvey truly was!

This alone wasn't enough for Silas's revenge – he wanted Mandy to know just how different he was compared to Harvey!

That way, he'd have the excuse to crush Harvey more efficiently.

"I'm so sorry, Young Master John. We've carried out a full investigation of the situation this time. You'll have to take full responsibility for this."

Silas's daydreaming was interrupted when a bald inspector looked at the footage they acquired and said that to him.

"According to traffic laws, you should be the one paying for Mr. York's losses."

The smile on Silas's face froze instantly. He didn't expect something like this to happen.

He wanted to say that Harvey was working with the police, but he knew that the cops were sent here randomly. Nothing here could prove what Silas was thinking.

Him spouting random nonsense would only dig him into a deeper hole.

Realizing that, his face turned cold.

He didn't think that squashing a live-in son-in-law would be this hard.

"What the hell are you thinking?!"

"This isn't our fault at all!"

Alma was stomping the ground furiously, screeching like a petulant child.

“He’s just a useless piece of crap! He was trying to blackmail us, and now you tell us to take responsibility?”

“Are you people insane?” Fast update on daotranslate.com

“Or are you just dumb?”

Alma’s attitude instantly worsened the bald inspector’s expression of them.

“Giving pedestrians the way when they cross the pedestrian crossing is the damn law!”

“If you’re not happy about it, go file a complaint!”

“But you’re taking full responsibility right here!”

Alma gritted her teeth.

“We were just about to go past it! It’s clearly his fault for appearing out of nowhere!”

“We’ve checked the security cameras. When everything happened, Young Master John was clearly talking to the woman beside him.

It’s clear he has lost focus at that point,” the inspector replied respectfully.

“This is your responsibility. Nothing can change that.” Fast update on daotranslate.com

A handsome inspector showed the footage he retrieved just now to Silas and the others.

The siblings were infuriated, but there was nothing they could do.

After all, everything clearly looked like their fault.

Safe to say, Harvey came at a perfect time.

Rylee, who had remained calm the entire time, didn’t think that things would conclude this way either.

“You’re pretty good with underhanded tactics, Harvey!”

Alma couldn't help but insult Harvey.

"No wonder your wife left you!"

"You don't even have the right to be someone's live-in son-in-law!" Rylee exclaimed with a haughty smile.

"Shut up and pay up already! Go bark somewhere else!"

Harvey remained emotionless toward their taunts.

Alma laughed coldly and threw a card to Harvey's face.

"Here's fifteen thousand! This should be enough, right?"

"Treat this as your medical fee as well."

Harvey calmly chuckled.

"This isn't even enough for my losses, though..."

Rylee crossed her arms, glaring coldly at him.

"Enough is enough, Harvey!"

"Take the money and leave! It's not like you suffered that much to begin with!"

"You'll end up in a horrible place if you keep screwing around with us!"

"I wasn't hurt that badly.daotranslate.com. You don't have to pay much for my mental loss fee."

"I bought this from Archa Corporation for the same price."

"The receipt's right here."

Harvey opened the bag, pouring the shattered porcelain to the ground before showing the receipt inside.

"I was supposed to give this to my wife."

"And then what happened?"

"You destroyed it!"

"Do you think fifteen thousand dollars is enough to fix this?"

"Are you taking advantage of me?"

"Of course, you can call anyone to confirm this if you don't believe me!"

'Three hundred million?!' The siblings froze, and their faces turned completely purple.

The inspectors were speechless as well, thinking that Harvey was simply ruthless.

"We're only here for the accident. You people can figure out how to deal with this yourselves."

"If you can't, then just figure this out in court."

Harvey did this as revenge for Fortune Hall.

They knew full well that the porcelain was as real as could be, too. No appraising was needed.

The receipt from Archa Corporation was authentic as well. Even the transaction tax was done processing.

Simply put, even if the porcelain was fake, nobody could even say a word about it.

The only way to deal with Harvey was to convince Archa Corporation to admit that they only sold a bunch of porcelain shards.

That said, daotranslate.com. the company wouldn't ruin its reputation for a small fry like Silas.

Silas was finished!

He was done for!

"We all know what's going on here, Harvey ..."

"You better know what's good for yourself!"

Rylee couldn't help but speak up for the siblings.

"Don't make it any worse than what it is!"

"Pay me some respect..."

"Respect?" Harvey repeated.

"Are you insane?"

"Do you think I have any respect for you in the first place?"

Harvey calmly took a few steps forward, as unperturbed as always.

“Nonsense!” Rylee screeched.

“Silas is a personable man! He’s not the man who you say he is!”

Silas’s face was cold. There were some things that he just couldn’t say out loud.

“This is slander, Harvey! Do you even have proof?”

Alma looked at Harvey with an odd look.

She thought Samson and the others were still doing their jobs. She was ready to see the bright look on Harvey’s face dissipate...

Seh suddenly realized that Harvey's impressive feats were most likely real.

If not, he wouldn't be able to threaten Silas that easily.

"Remember. Three hundred million. I want it before the end of the next day."

Harvey squinted at Silas.

"If not, I'll give this to the Newgate Chamber of Commerce. I'm sure Kellan and Heaven's Gate will get my money back."

"Of course, you can get your family to stand up for you."

"When that happens, maybe I can see just how powerful the John family is against Heaven's Gate."

"Or rather, you don't even have the right to make your family do something like that for you."

If Silas actually paid back the money, this would've been the best conclusion for Harvey.

Thinking that, he turned around and left.

Rylee stomped the ground, and she went at it so hard she almost broke her foot.

“That b*stard!”

Alma scoffed coldly and pointed at Harvey’s back.

Meanwhile, Silas’s gaze was nothing short of vengeful.

“Where are we going, Sir York?” Thomas asked instinctively after starting the car.

“We have a meeting with Kellan at the Indigo Mountain, right?”

“There’s something I need to tell him.”

“He probably didn’t have this much money even after taking protection fees for the past decade.”

“He’ll definitely put all his back into this.”

Harvey leaned on the chair before taking a sip of tea.

Harvey saw Kellan lying on the ground of the main hall. His shirt was completely tattered, and there was a bullet hole in his shoulder. He was completely covered in blood.

A few people were standing around him.

They were wearing camouflage uniforms, their faces cold. It was clear that they were people experienced in war.

One of them was a woman with big eyes and a good-looking face despite her cold expression.

She smirked as she glared disdainfully at Kellan.

“You’re not good at much, but you sure are proficient at hiding.”

“We spent a great deal of effort just to catch you alive.”

“That said, we won’t let you get away anymore.”

“After all, we need your help to kill Quill Gibson!”

She began putting on more makeup, grinning, as if this was a gathering of the rich and powerful.

At the same time, one of her companions brought out a medical box with a needle inside. A wriggling worm could be seen clearly inside the tube of the needle. It was quite a wretched sight...
