“A Bioweapon?”

Kellan gasped. He naturally knew what the thing was.

“I didn’t think you people have ties with the Americans! Why would you get something that heinous here?”

“Do you think I’ll just fold after seeing that?”

“Even if you rip me to shreds and burn me up, I’ll never betray the head!”

“Kill me already!”

“If not, I’ll tear you b*stards apart!”

“Interesting. I admire your tenacity.”

The woman put away her makeup box before picking up the needle and tapping on it a few times.

“Still, that tenacity is nothing to us.”

“You’re an experienced man. You know that once we inject this into you, you’ll beg for mercy no matter how strong of a man you are!”

“When that happens, you’ll do whatever we tell you to!”

Kellan’s expression changed instantly. Sweat dripped down his face.

After living in the underworld for so long, he knew exactly what the needle had in store.

The American Bioweapon was combined with the Frontier Possession Technique.

Once the fluid was injected, all willpower from a person would be completely gone!

Kellan gritted his teeth as he stared at the weapon “You shameless f*cks!”

The woman only smiled in response.

“As long as we get to weaken the six Hermit Families – as long as we get to kill off Quill, the head of Heaven’s Gate’s branch...”

“So what if we’re doing things that are a little shameless?”

“Kairi was the one who chased you people away!”

Kellan yelled.

“You’re insane for going against the head of the branch!”

“Pick on Kairi if you need to!”

The woman laughed her stomach off.

“Oh, Kellan. Do you really think we’re just as stupid as you are?”

“We were targeting the six Hermit Families from the very beginning.”

“Kairi went against us out of pure coincidence.”

“That said, our grudge against the Hermit Families will never end!”

“They have something we want, after all.”

“That’s why Mr. Faceless wants us to go on them.”

“You just got a little unlucky for bumping into us here.”

The woman sighed.

“Three years, then three years after that...”

“It’s been six whole years!”

“The Hermit Families should’ve been dead six years ago!”

“Mr. Faceless should’ve had the secrets of the families!daotranslate.com. He should’ve had the way of everlasting life by now!”

“It was because of you people that Mr. Faceless wasted so much time!”

“That said, nobody can stop him anymore now that he’s back...”

“Pfft!”

Kellan spat on the ground.

“Do you think he can have something like that?!”

“God has eyes!”

“I wasn’t strong enough back then! I would’ve beaten him to death if that wasn’t the case!”

The woman smiled.

“People like you can never imagine what Mr.

Faceless has in store.”

“You want to go against someone like him?

How naive can you get?”

“You should just give up now. Struggling does you no good, anyway.”

“You’ll have people joining you soon too.

Kairi and the others will kneel.”

The woman crouched down, ready to inject Kellan with the needle.

“Try me!”

Kellan’s expression changed. He grabbed a piece of glass on the ground and swung it toward his neck.

He’d rather die than become one of these people’s slaves.

Bam!

The woman quickly kicked the glass out of Kellan’s hand.

She stepped on his chest, ready to inject the needle again.

“Sigh...” Fast update on daotranslate.com

A sigh could be heard.

Harvey walked out with his arms crossed.

This had nothing to do with him, but he had no choice but to take action after hearing that Kairi and Evermore would probably get involved in the situation.

After all, this was one of the reasons why he showed up in Golden Sands.

The woman and her companions froze when they saw Harvey walk out, and immediately glared coldly at him. They didn’t think that someone would actually show up.

Firearms, crossbows, and blades were immediately pointed in Harvey’s direction.

“Who are you?!” the woman demanded.

The people spread out, cutting off Harvey’s exits completely, exuding murderous intent.

Kellan was a little glad to see Harvey, but then he came to his senses.

“You need to leave, Sir York! These people are no joke!”

Kellan saw Harvey as a skillful man; nevertheless, the woman and her allies had an extraordinary background and even more terrifying power.

He was worried that Harvey would be caught in their trap.

“Do you know each other?”

The woman squinted at Harvey before smiling. Fast update on daotranslate.com

“Not bad. We couldn’t find a chance to make an example out of you, but we’ll kill you right here since you’ve shown up yourself.”

Harvey sized up the woman before looking at her with an odd expression.

“Why are you still alive even though your weak spots are all sealed?”

The woman frantically changed her expression.

“How did you know that?”

Harvey ignored her. He took a deep breath and nodded.

“I got it now. The person who did that to you will give you antidotes every once in a while, preserving you for a month or so.”

“But if you don’t take the antidote in time, you’ll die. All the skin from your body will be peeled off from you. It’ll be extremely miserable, to say the least.”

“That said, the antidote will only delay the problem.”

“Not only are you unable to increase your martial arts strength since your weak spots are completely sealed, but you’ll gradually become weaker overtime as well.”

“You’ll turn into a cripple after three to five years!”

Harvey looked, smiling.

“The rest of you are no different!”

The woman and her companions looked at Harvey with shock.

Safe to say,daostranslate.com, Harvey was no ordinary man to point out such a thing with just a single glance!

"The art of killing is an odd one, but this is just child's play to me."

Harvey was as calm as ever.

"I can deal with this in just three minutes."

The woman squinted, then threw Harvey a judgemental gaze.

"So you want us to let you and Kellan go in return for doing us the favor, right?" she said, grinning.

Harvey casually nodded.

He didn't want to fight if he could avoid it.

After all, it'd be bad if he killed the people who were involved with Evermore.

How was he supposed to get information out of those people then?

"It's quite an attractive deal, but I'm afraid I have to decline."

The woman smiled calmly.

"That said, I'll make your death a quick one since you're being this nice."

Harvey narrowed his eyes. He thought the woman would agree to the deal instantly.

Even if she had a deep grudge against Kellan, it'd be nothing compared to her own life.

But since she declined so decisively, then she was clearly not forced into the situation.

She had willingly brought this upon herself. Fast update on daotranslate.com

The person who sealed off weak spots must be so strong, they've succumbed to despair.

If not, they wouldn't be so obedient in the first place.

Simply put, they'd still be able to live even if their weak spots were sealed...

But they would surely die if the seals were removed.

Harvey's kindness meant nothing to them.

He let out a sigh after realizing that fact.

"I didn't want to do anything to you people "What a shame."

"My words exactly," the woman said.

She chuckled, amused.

"You could've hidden yourself. Nobody would even know that you're here."

"But since you came out here on your own, then there's nobody to blame but yourself."

"Any final words?"

"Maybe I can bring your family with you."

The woman took the safety off her firearm. Fast update on daotranslate.com

Her companions took a step forward, firearms in hand, expressions fierce.

"Sigh..."

Harvey sighed, and stepped forward as well.

Before the woman could even react, she felt a sharp pain on her face-a second later, she was sent flying. She instantly blacked out as soon as she slammed to the ground.

Nobody knew if she was dead or alive.

‘With just one slap?!’

Everyone was completely shocked.

The place was dead silent.

It was so quiet, even a needle dropping to the ground could be heard.

“How dare you go against us like this?!”

We’re from Evermore!”

The four people left glared viciously at Harvey, looking wretched.

“Evermore will...”

Harvey stomped on the ground.

The tiles cracked, and their shards started flying all over the place.

Whoosh, whoosh, whoosh!

They instinctively blocked the attack, but they were still a bit slow. They were all hit by the flying rubble before falling to the ground instantly, paralyzed.

Harvey ignored those people and walked to Kellan, and gave him first aid.

After adjusting Kellan’s broken bones together, daotranslate.com, Harvey found some All-Cure Medicine and applied it to the injuries, which he then bandaged.

Kellan was filled with disbelief.

He didn’t believe what he had just seen with his own two eyes.

He knew Harvey was quite impressive, but he didn’t expect Harvey to be able to take out all of the professionals that easily.

Faceless had a powerful high status within Evermore. He was the head of Golden Sands'

branch in the past.

These people were his trusted subordinates- all of them were outstanding professionals within the organization.

And yet, they couldn't even take a single hit against Harvey.

Harvey couldn't care less about what Kellan was thinking, and casually dealt with the latter's injuries before standing up.

"Right. You'll heal within three days. Find yourself a doctor to prescribe you some medicine whenever you're free."

Kellan finally came to his senses.

"I'll cut to the chase, Sir York," he said after stumbling off the ground.

"From now on, just call me if you need anything at all."

"You're too kind. I just did what I had to do.

I'm responsible for what happened too, since I asked to meet you here," Harvey replied.

"Also, get your men here to clean this up."

"Are you coming with me? Or are you staying here?"

"I-I'm coming!"

Kellan took a look around before shivering instinctively.

"I don't know why you invited me here, Sir York..." Fast update on daotranslate.com

"But if I'm correct, this was the Indigo Deathzone!"

"The harshest place out of the entire Golden Sands!"

"I wouldn't have come if I knew that you wanted us to meet here."

Naturally, Kellan regretted not telling Harvey about this beforehand.

Harvey curiously looked around.

"The Indigo Deathzone? Isn't this just a regular abandoned villa?"

"There's something you don't know, Sir York. Back then, the first-in-command wanted to build a summer resort here..."

Kellan began quietly.

"When it was halfway built, a huge tomb was uncovered. Curious people walked in to investigate, but none of them came back out."

"The entire place was sealed off after that!

Nobody dared to come!"

"I heard a lot of bloggers came here out of curiosity, but the same thing happened to them as well..."

Kellan, who was usually not scared of anything, started shivering to no end.

"Let's go, Sir York. Come on. Ignore those people..." Fast update on daotranslate.com

"They're dead for sure, anyway!"

The two went back to the Audi A8. Without saying a single word, Thomas stepped on the pedal.

Naturally, he knew about the place as well.

However, he had no choice since Harvey wanted to come here.

After getting the chance to get out, Thomas bolted out of the place as quickly as lightning.

Soon enough, the night sky covered the entire Indigo Mountain.

Harvey squinted at the silhouette of the abandoned villa, and then saw a gust of evil energy rush to the sky.

Harvey rubbed his head with a pondering look.

In the end, he didn't say a word about what he saw.

"Who's this Faceless guy that you speak of?"

Kellan had no intention to hide anything.

After all, this wasn't that much of a secret in Golden Sands anyway.

"Six years ago, a rich man without a name came here to expand his business."

"He was extremely skillful; his wealth was abundant, and he had many talented people working under him as well."

"But soon, he quickly revealed his true colors."

"Not only did he take whatever he wanted, he'd be involved in every single business the law deemed illegal."

"This wasn't the worst thing. He managed to reach out to the six Hermit Families soon after."

"The Hermit Families found out that Faceless wasn't going to talk business with them. He planned to swallow the families whole and reveal the secrets they had kept hidden for a thousand years..."

“Is it the way of everlasting life?”

“That’s right.”

Kellan was shocked that Harvey would get it right, but continued explaining the situation anyway.

“Rumors say that because all ancestors of the Hermit Families have been kings in the past, they’ve looked for the exact same thing.”

“And after the fall of the dynasty, these things would naturally fall into the hands of their descendants.”

“Legends say that the way to everlasting life will be revealed once the secrets of the six Hermit Families are gathered together...”

“Though, that doesn’t even exist.”

“According to what I know, their so-called secrets are just things related to their families’ heritage.”

“To ancient families, secrets like these cannot be leaked.”

“After realizing Faceless’ true goal, under Kairi’s lead, the six Hermit Families banded together to attack him.”

“Faceless turned from a hero into a prisoner in just a single day. He lost many of his men as well.”

“That said, right as he was being sent to jail, the car he was in got hijacked.”

“At that moment, we realized that he came from Evermore.”

Kellan shivered. Naturally, he knew just how terrifying that organization was.

“I understand that the families would fight a common enemy together, but why Kairi?”

Harvey curiously asked.

“Speaking of, Faceless got unlucky. He has a son who’s interested in Kairi. That son wanted to conquer her...”

“Kairi didn’t even bother with him, but she was so enraged she got the Hermit Families together.” Fast update on daotranslate.com

Harvey’s eyes twitched. He knew the Poison Fairy herself was no ordinary woman, but this was just too impressive.

Faceless’s son definitely had a death wish for having indecent ideas about Kairi.

“For the past six years, the Hermit Families have been spreading the word through their sources, saying that they didn’t have what Faceless wanted.”

“Evermore didn’t make any responses to that.”

“We thought the whole thing had passed...”

“But he came back.”

Kellan chuckled bitterly.

“Evermore didn’t bother sending new people after us...”

“They wanted Faceless to get back up where he fell off.”

“And this time, he’s said to be well- prepared. He has a lot of outlaws to do his bidding. Golden Sands will be in an uproar soon enough.”

Harvey thought about the situation. Fast update on daotranslate.com

“Why didn’t Kairi and the Hermit Families just kill him back then?”

“Why did they even bother sending him to jail? Is this just a procedure that they follow?”

Kellan chuckled.

“Evermore isn’t that simple, Sir York.”

“We’ve looked into it before. Evermore has people in the government behind their backs.”

“When we took down Faceless, the government naturally took action.”

"You should know that if the government gets involved, everything needs to follow the procedures."

Harvey nodded. He knew Evermore had been living in the shadows, daotranslate.com, and that they were involved in a lot of conflicts...

But he didn't think that their reach was far even inside Country H.

Kellan let out a sigh; he had no idea what Harvey was thinking.

"The most important thing right now is to find Faceless and take him out."

"If not, we won't be able to defend ourselves against invisible enemies."

"Golden Sands won't have a tomorrow if that happens!"

"So you're saying Faceless was the one behind the plane incident where someone was trying to kill Kairi with a C4..."

"That's right. He was probably involved with the ambush Kairi got in before, too."

"The Skeleton Gang were the ones taking action, but Faceless is definitely controlling them."

Kellan nodded.

Many things seemed completely unrelated to each other...

But after analyzing the situation, that was simply not the case.

"Looks like it was right for me to come here," Harvey said.

Evermore took action as soon as he arrived.

Either Harvey got extremely lucky, or Evermore's luck finally ran out.

"Alright. Enough of this."

Harvey tapped on Kellan's shoulder.

"Where are you going next? Let me take you there."

Kellan sat up straight. Fast update on daotranslate.com

"I'm headed to the Regency Building," he replied.

Half an hour later, the car arrived in front of the place.

This was one of Golden Sands' important landmarks.

The first four floors were a large shopping mall, followed by an office building upstairs.

It's said that only massive companies were the ones using the office building. Fast update on daotranslate.com

Kellan was a little tired, but he still mustered his strength before heading inside a private elevator.

Harvey didn't follow him. After checking the time, he took Thomas to look for a Western restaurant to dine in.

Right as the two sat down, a group of people kicked the restaurant door open. Fast update on daotranslate.com

Harvey instinctively glanced over, and frowned.

A man and a woman entered his vision.

It was none other than Westin and Harley, along with the woman who had a conflict with Leona, Henley.

"What a small world..."

Harvey chuckled, but he decided to ignore those people.

After all, they had nothing to do with him.

Westin and the others didn't see Harvey, either; they casually hogged the biggest table there was before having their meal.

Bam!

Another person kicked the door open once again. A group of rascally-looking people in luxurious clothes walked in.

A lot of people looked over, and the newcomers became even more proud of themselves.

The person in front was a man with long hair and a feminine. He was chomping on a cigar.

He waved his hand, leading his followers to a huge table.

Thomas's eyes twitched after seeing them.

"That's Ronnie Lee of Blazer Estate!"

Harvey glanced at them after hearing those words. He didn't think he'd bump into the biggest competitor of Golden Estate here.

Even Lola would have a huge headache when dealing with Ronnie Lee. That alone was enough to show just how much of a problem he actually was.

Seeing the group of people, the waiters all ran over, fear and respect all over their faces.

"Young Master Lee!"

Ronnie couldn't even be bothered to bat an eye toward them, daotranslate.com, and walked to the seat he chose.

He stopped when he saw a familiar face.

"Oh? Isn't that Westin?"

"I heard you tried becoming the Jean family's live-in son-in-law!"

"You screwed up and got disrespected for it, didn't you?"

"What a damn embarrassment to all the rich playboys in Golden Sands!"

Under Ronnie's playful gaze,"

twitched frantically.

Westin's eyes He pretended not to see Ronnie, but the latter still showed up in front of him anyway.

"What? Aren't you going to apologize to your boss after embarrassing all the rich playboys here?!"

"Did you forget how to give a proper greeting too?!"

"Pretty cocky, I'd say!"

Ronnie approached Westin and tapped the latter's face.

Westin, who was always acting all high and mighty, didn't seem angry at all even though he was being thoroughly humiliated.

Instead, he quickly stood up and started bowing.

"I'm sorry, Boss! I didn't see you!"

Westin forced a smile, but it was clear that he was utterly terrified of Ronnie.

It seemed he didn't want to see Ronnie at all.

"Oh? Has the young master of Deepsky Corporation become so cocky now?"

"Were you pretending that you didn't see me?"

"Are you blind? Or are you looking down on me?"

Ronnie pinched Westin's face with a disdainful expression.

“Come on! Smile for me!” Fast update on [daotranslate.com](#)

The usually arrogant Westin had no choice but to force a smile on his face.

After seeing Harvey’s confused look, Thomas quietly explained the situation.

“There’s something you don’t know, Sir York. Blazer Estate has fifty-six percent of Deepsky Corporation’s shares. It’s probably because they couldn’t pay their debt to Blazer Estate.”

“Everyone’s talking about how impressive Deepsky Corporation is, but the company’s nothing compared to Blazer Estate.”

“I heard Westin kept trying to hook up with your sister-in-law because he desperately needed the Jean family’s protection.”

“If not, his entire company will be swallowed whole sooner or later.”

“Tragic ending for troublemakers like him....” Harvey replied. Fast update on [daotranslate.com](#)

Judging from Thomas’s words, Westin seemed like a pitiful man. However, Harvey didn’t feel that way at all.

Ronnie kept tapping on Westin’s face.

“You don’t want to see me that badly?”

“What? Do you feel horrible owing me money?”

“Am I stopping you from showing off?”

“No! No at all, sir! I respect you!”

Westin’s face was as pale as a ghost. He was filled with utter fear, and kept shivering in his boots.

“I was just a little excited, is all...”

“Good! That’s good!”

Ronnie burst out laughing, Westin had a horrible look on his face.

Seeing such a sight, Ronnie’s pride was filled to the brim.

After all, what was the point of trampling on an ordinary person?

Only by crushing those in the same league would he show just how terrifying he was to the world!

When Ronnie was about to leave, he suddenly glanced at Harley and Henley.

“Are these two your friends?”

Remembering Ronnie’s way of doing things, Westin trembled.

“This is my girlfriend, daotranslate.com, Henley Johnson. And this is my sister, Harley.”

Henley and Harley looked at each other before standing up.

“Hello, Young Master Lee.”

“Not bad! Not bad at all! We have such pretty ladies over here!”

Ronnie immediately sized up Henley.

“I have a whole box of 1982 Rieslings today, Ms. Johnson. Why don’t we have a good time tasting all that alcohol together?”

“Right, I forgot to tell you. I don’t like people disrespecting me.

“If you say no, then you’re doing just that.”

Ronnie then slid his hand on Henley's thigh.

"Oh! You're so mean, Young Master Lee!"

"I can't drink that well! Two glasses are all I can manage..." Henley said shyly.

After she was fired from her store, she had been throwing herself into everyone's arms before becoming Westin's girlfriend.

That said, she didn't feel despair at all; she seemed welcoming to the idea of leaving with Ronnie despite acting the other way.

At her coy demeanor, Ronnie smiled from ear to ear.

"She's my girlfriend, Young Master Lee..."

Westin quickly pushed Ronnie's hand away.

He didn't like his girlfriend that much, but no man could stand being cucked.

Besides, this was in public.

If word about this spread, Westin would turn into the joke of the city.

"Please, Young Master Lee. I'll get you some more women. I..."

Ronnie's face darkened instantly, and he swung the back of his palm on Westin's face.

Westin grunted and stumbled back. His face was completely swollen, with blood seeping out of the corner of his mouth.

“Let’s head upstairs, Ms. Johnson. You’re not going to disrespect me like this man now, are you?”

Henley chuckled shyly.

“Respect goes both ways, Young Master Lee.”

However, Henley rejected Westin decisively.

“I’ll have a few drinks with Young Master Lee. You don’t need to take me home.”

“Just leave.”

Westin’s expression changed instantly.

“He’ll swallow you whole! You can’t go!”

“You won’t come out alive!”

“I’m just making friends, Westin,” Henley said calmly.

"It's just a few drinks! Do you think Young Master Lee's going to skin me alive?"

"Besides, we've only been together for three days, and you're already this controlling !

What's going to happen if we do marry each other?"

"That's right!" Harley exclaimed.

"She's just having a few drinks with Young Master Lee, Westin."

"It's not like you're losing anything."

"It's your honor to have Young Master Lee treat your girlfriend to a meal!"

"Harley, you..."

Westin didn't expect his own sister to jump ship as well. He was completely infuriated to the point where he was about to cough up blood. He couldn't even say a single word.

"Smart. Real smart..."

Ronnie burst out laughing.

“Not only is your sister real pretty, she’s smart too...”

“How about this? You should come with me!”

Harley’s eyes lit up.

“Thank you for the opportunity! It’s my honor!”

Naturally, Harley knew that Deepsky Corporation was on the verge of bankruptcy.

If she didn’t find someone to cling to soon enough, she’d have no way to enjoy the rest of her life in glory and riches anymore.

After seeing the horrible look on Westin’s face, Ronnie burst out laughing and put his hands around the two women.

“Come on! If you two make me happy, I’ll make you two my goddaughters!”

“You two get a hundred and fifty thousand dollars every single month!”

“Now, start calling me Daddy!”

“Daddy...” Harley and Henley said shyly. Fast update on daotranslate.com

Harley already knew just how powerful Ronnie was.

Meanwhile, Henley got the impression that he was way more powerful compared to Westin.

The two wasted no effort to cling to Ronnie at that very moment.

Harley had other thoughts in her mind, wondering if she could get Deepsky Corporation’s shares from Ronnie by treating him well.

That way, she’d have total control over the entire company.

Ronnie squinted at Westin.

“You should just leave for now, Westin,” he said.

“Your girlfriend and sister aren’t coming with you.”

“I’ll be your sister-in-law and your daddy from now on...”

“Hahahaha!”

Even a rich playboy like Westin couldn’t stand such ridicule.

“You b*stard!” Fast update on daotranslate.com

He charged forward, planning to throw hands.

Bam!

Ronnie swung his leg forward, instantly kicking Westin to the ground.

No ordinary person would be able to mimic such a move.

Harley and Henley’s eyes lit up instantly when they saw that.

Harvey glanced curiously at Ronnie.

The man seemed like he was completely blinded by alcohol and women, but he turned out to be quite the martial artist as well.

‘Interesting.’

Ronnie didn’t have to say a single word; his companions walked, smiling coldly, and began beating up Westin.

Westin screamed in pain as he wriggled all over the ground.

“You must have a death wish or something!”

“If you can’t get any money by next month, just wait till your company goes bankrupt!”

Ronnie chuckled coldly before turning around.

“You can’t go, Harley....!”

Westin stumbled off the ground, covering his face. He wanted to speak up, but he was sent flying a few feet away by Ronnie’s kick again.

“Aaagh!”

Westin happened to roll right beside Harvey.

What a horrible sight.

At this point, daotranslate.com, it wouldn't be exaggerating to call him an outcast.

He was completely betrayed by both his girlfriend and his sister.

This rich playboy would probably turn into a street rat in a matter of months.

Harvey didn't have the slightest sense of sympathy toward people like that.

The look on their faces after obtaining power would be comparable to someone like Ronnie, anyway.

This was a dog-eat-dog world, after all...

enley and Harley glanced over, then saw Harvey with a knife.

“Harvey...”

The two froze instantly.

Westin recognized that face as well.

The two women who were about to leave tugged on Ronnie's arms before pointing at Harvey and whispering quietly into his ears.

Ronnie brought his people closer with playful looks on their faces.

Harvey stepped back, evading the chair with ease.

A loud bang could be heard as the chair slammed into the table.

It was a complete mess. The entire meal was ruined.

"You b*stard!"

Thomas stood up furiously, but Harvey held him back.

He then squinted at Ronnie.

"Young Master Lee, right? What seems to be the problem here?"

Ronnie pinched his cigar, and blew out a puff of smoke with a faint smile.

"You're the one who got Harley and Henley all angry and embarrassed?"

Westin was filled with anger and fear as he crawled on the ground. He was ashamed.

"You showing off and trampling all over Westin has nothing to do with me," Harvey replied.

"But if you're going to play with me, I don't think you're good enough for that."

"Oh?"

Ronnie chuckled, an odd expression on his face.

“It’s been so many years since I’ve been in this city. All the top-rated families here treat me with respect!”

“How are you not scared of showing off in front of me?”

Harvey frowned.

“Looks like you have a death wish after all...”

Ronnie’s companions, enraged, screamed in an unbridled craze.

“You want to die, you b*stard?!”

“Do you have any idea who you’re talking to?!”

“This is Ronnie Lee of Blazer Estate!”

“Nobody in Golden Sands talks to him like that!”

“We’ll throw you to the damn fishes if you keep showing off!”

Ronnie calmly waved his hand to keep his companions back.

“You’re pretty cocky, kid. I heard you trampled on Westin before too! I admire you!” he said with a faint smile.

“I’ll give you a chance...”

“Kneel and politely apologize to the beautiful ladies here, pay up 1.5 million dollars, then break one of your arms.”

“I’ll let you off the hook and bury the hatchet for you after that!”

“But if you don’t do as I say...”

“I guarantee you won’t see the light of day again.”

Ronnie’s smile was replaced with a grim, daotranslate.com, heinous look.

Harley and Henley glared arrogantly at Harvey.

After so long, they were finally reclaiming their reputation.
