Harvey didn't even bat an eye at Ronnie.

"Move!"

"You b*stard!"

Ronnie slammed the table, fuming.

"You don't know what's best for you, huh?!"

"Fine! I'll let you know what happens when you go against me!"

Ronnie waved his hand, sending many bodyguards against Harvey at once.

"Hey, Ronnie! Who gave you the courage to go against Sir York?"

Many burly, fierce-looking men showed up at the entrance.

Kellan's wrathful face could be seen at the very front.

He was full of injuries, but his entire body was completely surrounded by radiant light.

Harvey noticed that a few of his subordinates were martial art experts as well.

Kellan had finished whatever business he had upstairs. He had received full support from the people backing him as well.

"Sir York is my brother! Whoever goes against him, I'll f*cking kill them!"

Kellan showed his stance without hesitation, as if he was Harvey's actual subordinate.

Westin froze; he didn't think Kellan would actually side with Harvey. Fast update on daotranslate.com

"Heh, heh! The head of the Newgate Chamber of Commerce, huh?"

Ronnie didn't feel a hint of fear even after seeing Kellan show up.

"I was wondering why this damn kid would be cocky enough to show off in my face!"

"You had CEO Ruiz behind your back this whole time?"

"Even so, your organization means nothing to me!"

"You're coming against me for the sake of some live-in son-in-law? Have you thought of the consequences of that?"

"My father has the same authority as Helm Gibson!"

Blazer Estate was a major business. With Ronnie's father flaunting his widespread connections within the city, Ronnie wasn't afraid of going against Kellan at all.

No matter how strong Kellan was, he was only Quill's lackey.

Ronnie's father was on par with Quill, too.

Besides, his courage was completely fortified after a new support backed up Blazer Estate.

Ronnie was sure the support wouldn't hesitate to flaunt his strength, even with Quill present.

"You still don't understand, Ronnie?" Kellan snarled coldly. Fast update on daotranslate.com

"I told you! Sir York is my brother!"

"Do you have a death wish?"

"Even if I kill you here, the Robbins family will just clean up everything for me!"

Kellan snapped his fingers, and his men spread out.

Ronnie chuckled coldly.

"Are you threatening me with the Robbins family?"

"I didn't think you'd be a slave to this many people, Kellan!"

“Are you actually threatening me with the Robbins family on Helm Gibson’s turf?”

“Have you ever thought of the consequences of doing that?”

“Helm Gibson will break your limbs if he hears about this!”

Kellan’s gaze was as cold as ice.

“Call him, then!”

“I guarantee you, he’ll get me to crush you too!”

Ronnie narrowed his eyes after hearing those words.

“Fine! You’ve got guts!” he exclaimed coldly.

“I’ll let this live-in son-in-law go for your sake.”

Ronnie chuckled at Harvey.

“We’ll meet again. I’m sure of it...”

“I do hope CEO Ruiz will be by your side next time...”

“If not, daotranslate.com, I might just end up killing you by accident.”

“You should just kneel right now, Harvey!”

Harley couldn’t help but speak up, pride written all over her face.

She wanted to see this live-in son-in-law in tears, begging for mercy.

“Ronnie isn’t just any other man, Harvey!

His identity and status aren't something you can comprehend!"

"Kellan can protect you for now, but he can't protect you for the rest of your damn life!"

Harley raised her beautiful face arrogantly.

"If you don't kneel right now, you'll have hell to pay in the future!"

"I suggest you do everything Ronnie says before he gets angry!"

"If not, everything will be all too late for you!"

Henley squinted at Harvey as she laughed coldly.

"Young Master Lee isn't someone you can go against, Harvey!"

"Maybe you have a pretty good relationship with Kellan for him to call you his brother."

"Maybe you're good enough to fight ten people yourself."

"But so what?" Fast update on daotranslate.com

"Young Master Lee and the people behind him are way more powerful than you can ever imagine!"

"Kneel already!"

Harvey waved his hand to stop Kellan from lashing out.

"Him? He doesn't even have the right to make me kneel."

"What's with that attitude, Harvey?!"

"Two beautiful women are pleading for your life, yet this is what you're showing us?"

Ronnie's fierce gaze had a hint of murderous intent mixed with it.

"If you don't know what Blazer Estate's capable of, you can just ask Kellan!"

"You'll know who you're going up against then!"

Kellan frowned.

“Blazer Estate is the leading company in Golden Sands’ real estate industry. They’re pretty powerful. Not to mention, they got themselves a huge backer recently.”

“More importantly, I heard he has connections with Faceless. He’s no easy target.”

Ronnie felt a sense of pride when he saw Kellan’s frown.

“Now you’re scared!”

He squinted at Harvey, thinking there was no need to fight the live-in son-in-law anymore. He wanted Harvey to live in fear every single day till he was in the mood to kill Harvey. Fast update on

Ronnie wrapped his hands around Harley and Henley’s shoulders, ready to head inside his room.

“Did I say that you can leave?”

Harvey’s calm tone rang.

“Hmm?”

Ronnie instinctively looked back. After making sure it was Harvey who said those words, the murderous intent in his eyes resurfaced.

“Do you really want to die, kid?”

He didn’t take action out of respect for Kellan Still, he didn’t think that Harvey would still run his mouth like this.

‘He must have a death wish or something!’

“Harvey York,” Harley exclaimed proudly.

“Are you braindead?”

In her eyes, Ronnie already decided to let the live-in son-in-law go.

Harvey should've been kneeling and thanking Ronnie for his kindness.

And yet, what happened?

Not only was Harvey extremely ungrateful about it, but he was still showing off and constantly provoking Ronnie.

'Doesn't this guy know that even Kellan wouldn't be able to protect him if Ronnie gets really angry?'

Henley chuckled coldly as she watched.

She wanted Harvey to die. Seeing him seeking his own death was quite exhilarating for her.

Kellan had an odd look on his face; he didn't know what to say.

He realized that he had completely underestimated Harvey.

Ronnie clearly was going to leave, but Harvey still stood up to disrespect him.

Nobody knew if Harvey was just utterly ruthless or powerful enough to deal with a small fry like Ronnie.

The other customers were completely shocked to see it.

Naturally, none of them could believe someone would act this arrogant in front of Ronnie in a place like Golden Sands!

"You ruined p my entire meal, dirtied my clothes, and ruined my mood," Harvey said with a righteous look on his face.

"And you think you can just walk away like this?"

“For Kellan’s sake, I won’t argue with you.”

“As long as you kneel and pay 1.5 million dollars, I’ll let it slide.”

“If not, I’ll have you lying on the ground outside.”

The entire crowd was shocked by what Harvey had said.

They all stared at Harvey, filled with disbelief.

‘He’s nuts!’

‘He’s actually nuts!’

‘When did a live-in son-in-law get the right to say something like that?!’

Henley and Harley had odd looks on their faces, then started chuckling playfully.

‘He brought this upon himself!’

“Good! Very good!”

Ronnie chuckled, enraged.

“It’s my first time seeing someone so cocky my entire life!”

“It’s my first time seeing someone more arrogant than me too!”

“I don’t care about your feelings today, CEO Ruiz.”

“I’ll break every single bone in this live-in son-in-law’s body!”

Ronnie waved his hand and chuckled coldly.

“Get him!”

A swarm of bodyguards emerged from the back and pulled out their firearms at the same time.

Holding firearms in a place like Golden Sands was enough to show Blazer Estate’s power!

Bang, bang, bang!

All of a sudden, gunshots could be heard from behind. Fast update on daotranslate.com

Ronnie's bodyguards screamed in pain; holes could be seen in every single one of their wrists.

They dropped their firearms to the ground, and blood covered the entire place.

"Goddamnit!"

"Who is it this time?!"

Seeing his bodyguards taken down so easily infuriated Ronnie.

"I'll f*cking kill your entire family!"

"I'll dig your ancestors out and burn them too!"

"Oh? Will you, now?"

A calm voice echoed from behind.

"Pretty cocky for someone in the Lee family!"

"Are you planning to kill the entire Pagan family and burn our ancestors' bodies?"

"People who don't know might get you confused for the king of Golden Sands!"

A group of people appeared all of a sudden.

The person leading the group was none other than Wes Pagan himself.

Arlet and others were following behind him as well.

Everyone respectfully bowed after seeing Wes and the others show up.

"Mr. Pagan!"

Ronnie's expression changed immediately.

As an experienced man in Golden Sands, he naturally knew just how powerful the six Hermit Families were.

They had been standing strong even after a thousand years. They were clearly no ordinary families.

The Pagan family alone had been cultivating a lot of tomb raiders in secret, just so that they'd be leading the antique business without a hitch. [just read on daotranslate.com to support us]

Wes crossed his arms while glaring coldly at Ronnie.

"Have you asked for your father's permission before acting so cocky?"

"Call him. Ask him if he dares to even speak to me like this."

Ronnie's eyes twitched frantically. He quickly bowed, gritting his teeth.

"I'm sorry, Mr. Pagan! I drank too much! I'm sorry for speaking like this!"

"I won't do it again!"

"I don't need your apology. Kneel to Sir York."

"I'll let it slide if he forgives you."

"If not, we'll settle all of our scores today!"

“Apologize. Didn’t you hear me?”

Ronnie’s head was spinning around. He had a horrible expression when he realized that everyone was looking at him with strange expressions.

After thinking of Wes’s way of doing things, he finally gave in.

“I’m sorry, Sir York,” he exclaimed while gritting his teeth.

The sound of his teeth rubbing against each other could be heard clearly.

He was filled with nothing but resentment.

Ronnie would remember everything; he planned to pay everything back to Harvey sooner or later!

“Do you have a bad memory, or are you just acting dumb?”

“Kneel, apologize, and pay up!”

“You...”

Ronnie didn’t expect Harvey to press on him further.

“Don’t you dare cross the line, Harvey! I’m warning you, I...”

Slap!

Harvey swung the back of his palm across Ronnie’s face.

“Show some sincerity if you’re going to apologize. Are you threatening me right now?”

Ronnie didn’t think that Harvey would actually hit him.

“You b*stard...”

Slap!

Harvey slapped Ronnie to the ground.

A few people stepped up, but they were all scared off by Arlet's cold glare.

The tension in the air was so thick, it could be cut with a knife.

Not only was Ronnie slapped in the face, he was also slapped to the ground.

Henley and the others were completely shocked to see it.

Henley couldn't help but slap herself in the face to make sure she wasn't dreaming.

Harley was filled with disbelief.

She couldn't believe the fact that every time she challenged Harvey, thinking she'd be able to get the upper hand, he'd bite her in the back.

Her high and mighty attitude would never accept that.

She wanted Harvey to feel fear. Thus, she wanted to cling to Ronnie. She wanted Harvey to beg for mercy, and not be in such high spirits.

"How dare you, Harvey?!"

Ronnie stumbled off the ground.

"Do you think I'm scared of you?!"

“Do you think I’m an easy target for you to push around?!”

“I’m warning you...”

Harvey slapped Ronnie in the face once again.

“Kneel and apologize!”

Harvey swung his palm forward.

“Then pay up!”

“Are you deaf? Surely you understand him by now,” Wes interjected calmly.

‘This b*stard!’

‘He’s taking advantage of someone else!’

Ronnie was filled with nothing but resentment.

He wanted to grab a firearm on the ground and put a bullet in Harvey’s head...

But against Wes’s pressure, he wouldn’t dare do anything stupid.

He wanted to kill Wes and Kellan in one go to relieve his anger...

But he knew full well that he couldn’t do it with the little amount of people he had here.

Maybe because of his recklessness, Blazer Estate would turn into history in a blink of an eye.

More importantly, he realized that the Pagan family bodyguards had already blocked off every single exit.

A lot of them even had their firearms out, and they looked completely fearless.

“Harvey-no, Sir York! I’m sorry... I’m really sorry!”

Ronnie quickly pulled out a check and wrote a string of numbers, then handed it to Harvey.

“Here’s 1.5 million!”

“Please! Pretend that nothing ever happened here!”

Ronnie’s words were filled with murderous intent, but his face had a bright smile.

Harvey didn’t mind; he reached out and tapped Ronnie’s face.

“Not bad. You must be pretty impressive since you know when to quit.”

“I’ll let you go this time.”

“You could’ve just done this sooner, Young Master Lee,” Kellan said with a mocking expression.

“Why take so many slaps in the face before you kneel? It wasn’t worth it at all!”

“That said, I’m really happy for you.”

“You should be thanking Mr. Pagan right now!”

“You’d be dead if it wasn’t for him!”

To Kellan, Ronnie would’ve been six feet under if Wes didn’t take action.

From a certain point, Wes did save Ronnie's life.

It was only natural for Ronnie to be thankful for it!

That said, to Ronnie, bumping into Wes was the unluckiest thing for him!

Harvey smiled.

"I'll wait for you."

"But remember..."

"I kept you alive for Mr. Pagan and Kellan's sake."

"Next time, it'll be a different story."

Ronnie glared at Harvey with a wretched look.

He swallowed his anger before stumbling his way out of the place.

Kellan swiped his thumb across his neck.

Just in case the man would lash out like a rabid dog.

Wes clearly saw everything not far away.

He didn’t think that the uncontrollable boss of the Newgate Chamber of Commerce would be so loyal and respectful toward Harvey.

‘Didn’t those two have some sort of conflict before?’

‘Did they finally bury the hatchet? Why does it look like Harvey has total control over Kellan?’

Wes was now a lot more impressed with Harvey.

Not only was he a skillful fighter with well-versed geomancy skills, but his methods were also extremely outstanding!

When Kellan left, Harvey approached Wes with a smile.

“Thank you for showing up tonight.”

“Without you, I would’ve been in a little trouble.”

Wes burst out laughing.

“You’re too kind, Sir York.”

“It’s only natural for me to help when you’ve already saved my life.”

“Besides, you wouldn’t be in any sort of trouble even without my help anyway.”

“I’m only putting the icing on the cake at this point.”

Naturally, Wes knew Harvey was a discreet man.

It’d be embarrassing for Harvey if he wasn’t able to deal with the mess on his own.

Arlet walked toward Harvey, then leaned into his ear.

“You should be thanking me instead, Harvey!”

“I was the one who took the shots! You would’ve been gunned down by Ronnie’s men if it wasn’t for me!”

Harvey chuckled.

“Sure. Thanks for that.”

“How about this? I’ll give you a month off.

Come back to work after that.”

“You!”

Arlet was speechless.

“You stingy man!”

“I saved your life, yet you still won’t cancel the damn bet?! I’ve never seen such a petty man in my entire life!”

Harvey narrowed his eyes.

“Dream on! Why would I cancel the bet when I can have a lady like you as my maid?”

After making fun of Arlet, Harvey smiled at Wes once again.

“Let’s not talk about tonight.”

“How have you been recently?”

We seemed quite happy when Harvey brought up the subject.

“I’ll have you to thank for that.”

“Ever since you took the evil energy away from my body, my body’s been recovering quickly. With a family doctor by my side, all my other problems went away soon after.”

“It wouldn’t be a problem for me to live a couple more decades.”

“Right. You were the one who dealt with Arlet’s problem as well.”

“You did a huge favor to the entire family.”

“I’ve been meaning to invite you to a meal as thanks.”

“Still, I didn’t want to bother you. You seem really busy recently.”

“Of course, I’ll definitely show up for Fortune Hall’s opening.”

“That said, since we’re already here, why don’t you take a look at my condition?”

At that, Arlet’s eyes lit up and she looked excitedly at Harvey.

Naturally, she had full trust in Harvey’s skill when it came to geomancy.

Harvey smiled before sizing up Wes for a brief moment. As he was about to speak, he frowned.

A hint of dead air could be seen on Wes’forehead.

Ordinary geomancy experts would probably overlook such a thing...

But not Harvey.

That said, he found it odd...

Wes’s luck should’ve been fine.

And yet, there was still dead air hanging onto him.

This was quite peculiar.

After thinking for a moment, Harvey took out a piece of paper and bit his finger, then drew on it casually with his blood.

“You should be fine, Mr. Pagan,” he said, handing Wes the paper. [Please support us daotranslate.com]

Arlet popped out from the side before speaking up.

“You should look at me too, Harvey!”

She quickly leaned towards him.

Harvey nodded with a smile, then studied Arlet.

“That’s strange. Your luck isn’t supposed to be that good...” he said with a frown.

“Other than your luck in fortune, you’ve been having good luck in terms of romance as well.”

“Did you meet a man you like recently?”

Arlet froze.

“No. I haven’t seen anyone, but...”

Arlet’s face went bright red, and she stopped herself.

Harvey couldn’t be bothered to expose her after seeing her looking so nervous.

He took another look at Arlet before frowning again. A hint of dead air was hanging on her as well.

It looked completely identical to the one on Wes.

“Is something wrong, Sir York?” Wes instinctively asked after seeing the look on Harvey’s face.

Harvey smiled.

“It’s not that big of a deal. That said, it’s still better to take precautions.”

Harvey then drew something for Arlet and told her to keep it safe.

Arlet was confused, but she kept the piece of paper without questioning it.

Vrr, vrr, vrr!

Right as Wes was about to ask more questions, Arlet's phone rang.

Arlet shook before taking the call.

"The person's here, Grandfather," she said to Wes.

Wes nodded; right as he was about to leave, he stopped next to Harvey.

"Do you have time tonight?"

Harvey froze, then smiled.

"What's the matter?"

"I'm meeting a friend. It's a little risky."

Wes smiled back.

"I wasn't confident about this, but I think everything will go smoothly with you there."

Naturally, Harvey's impressive geomancy skills were extremely trustworthy to Wes.

With Harvey around, he'd lessen his risks drastically.

At least he wouldn't be bested by geomancy.

More importantly, Harvey's expression seemed quite odd.

Wes didn't ask more, but his gut told him it'd be way better if he had Harvey's company.

Harvey nodded after seeing Wes's stern expression.

"Sure. I don't have much to do, anyway. I'll take a look around with you."

"Of course. I'll leave it up to you."

"No matter what happens tonight, consider this doing me a favor."

Wes gestured for Harvey to step outside with him.

They stepped out of the Regency Building before going to a private garage.

A lot of people were already gathered here. A man and a woman stood in front of the crowd.

The two were beautiful and handsome with a hint of cold air around them. Their expressions were the definition of pride and arrogance.

The man seemed especially cocky. [Please support us daotranslate.com]

The moment Wes and Arlet showed up, the arrogance on the man's face dissipated quite a bit.

"Come, come. Let me introduce you."

"This is Lachlan Bree, Arlet's martial arts senior."

"He comes from one of the mysterious sacred martial arts training grounds. He's an outstanding man from the younger generation of martial artists!"

Wes passionately introduced Lachlan to Harvey.

Arlet giggled upon hearing those words.

"My senior's pretty impressive, Harvey!"

"He can break a few bricks at once with a single chop!"

Lachlan smiled faintly, looking at Arlet like he was gazing at his private property.

It was clear he had feelings for his junior.

Wes, on the other hand, had no idea what the young'uns were thinking at all.

"Young Master Bree, this is Harvey York.

He's well-versed in terms of geomancy arts."

"You can ask him to help if you get in trouble. You might just be surprised."

Harvey nodded at Lachlan to show his sincerity.

Lachlan's gaze turned a little colder when he saw Harvey smiling at Arlet before.

"A geomancy expert?"

Lachlan didn't hide his disdain toward Harvey at all.

"You must be joking, Mr. Pagan."

"A young man like that knows geomancy arts?"

"You must be tricking me here."

Wes chuckled as tried to break the ice.

"Don't underestimate Sir York, Young Master Bree. When I got in trouble before, the geomancy experts I hired were of no use at all."

"Sir York was the one who dealt with everything without a hitch."

Naturally, Wes was on Harvey's side...

But Lachlan didn't want to pay his respect, since he was from a sacred martial arts training ground.

Wes was desperately trying his best to get Lachlan on his side.

Lachlan felt a little annoyed to see Wes's attitude.

“Even if this guy’s some sort of geomancy expert, why do we need one of them here?”

“We’re not here to send someone’s spirits off, are we?”

Wes burst out laughing.

“This is just my hobby, Young Master Bree. I like bringing a geomancy expert with me when I go out. I’ll have another person to help if I get into trouble!”

Wes then looked apologetically at Harvey. He didn’t want Harvey to put what Lachlan said to heart.

“With us three here, along with the name of the sacred martial arts training ground, what sort of trouble can we get into?”

Lachlan utterly disdained Harvey’s position in Wes’s heart.

He believed Harvey was his biggest rival to claim Arlet.

His instincts were accurate, to say the least. [Please support us daotranslate.com]

“We should just get him out of here. It’ll be bad if he drags us down! Something might happen to him!”

Lachlan sized up Harvey before chuckling coldly, his face filled with disgust.

Harvey frowned. Right as he was about to say something, Wes smiled and cut him off.

“Alright. Enough chit-chat, Young Master Bree. It’s almost time. Please…”

“Let’s cut to the chase.”

Wes's attitude clearly showed that Harvey was way more important than Lachlan.

Lachlan looked at Wes, holding back his pride and not saying a word.

Even so, he still scoffed coldly at Harvey.

"We'll take care of everything here. Don't do anything stupid, and listen to our orders!"

"With us here, not just Mr. Pagan and Arlet, but you'll be fine as well."

"So just keep yourself hidden!"

"We won't take responsibility if anything happens to you!"

Harvey smiled calmly as he looked at Lachlan's prideful expression.

"I won't do anything as long as Mr. Pagan and Arlet are safe."

A disdainful look appeared on Lachlan's face.

The two beautiful women behind her were filled with nothing but disgust as well.

'Who does he think he is?'

'It's already bad enough that he's scamming people for a living, but he's even getting involved in the underworld!'

'That's just insane!'

'He'll probably burst into tears the minute he sees blood...'

After a few minutes, the car in the private garage drove for a certain distance before arriving at a villa area.

Harvey followed Wes when they walked out of the car. The entire area was plagued with a sense of eeriness and horror.

Even when he was just walking around, he could feel danger.

Harvey looked around the place with narrowed eyes, but there was nobody to be found.

Statues of mythological figures were placed on both sides of the road.

Harvey frowned when he saw the figure in front of him.

It was a figure with three heads and six arms, and it was making an extremely threatening posture.

For some reason, immense murderous intent could be felt from the statue.

Wes seemed curious after seeing the look on Harvey's face.

"Something wrong, Sir York?"

Harvey pondered about the situation for a while.

"It's nothing. I'm just admiring the beautiful carvings of the statue."

Lachlan scoffed before smiling coldly.

"Ignorant country bumpkin..."

"You're already this scared after seeing a statue?"

You'll probably burst into tears if we go to my school..."

Harvey looked at Lachlan with a profound gaze.

He never mentioned which sacred martial arts training ground he studied in, but Harvey already had a guess judging from the things he said.

"You're being too humble, Sir York!"

Wes smiled.

"With your knowledge and experience, a statue like this probably doesn't even faze you."

"If you like it, I'll get someone to send it to Fortune Hall another day."

“Come on. Let’s do business.” [Please support us daotranslate.com]

Wes then gestured for everyone to head inside.

The leading bodyguard kicked the door open, and a beam of light shone right at Harvey’s face. His eyes widened immediately after.

A dozen people were gathered inside the main hall.

They were all wearing sneaking suits.

A woman in the middle of the crowd wore a black leather jacket with a crossbow behind her, giving her an extremely dominant look; she looked like a femme fatale.

The narrow and long eyes on her exquisite face squinted at Wes with malicious intent.
