Naturally, Lachlan Bree believed Harvey York completely wasted the few seconds he traded with his life.

He was filled with nothing but resentment!

Harvey reached out to tap Lachlan's shoulder.

"Not bad. At least you have enough backbone not to beg for mercy.

"I didn't want to do anything at first, but for the sake of your courage, I'll also protect you."

Harvey calmly took a step forward.

"Are you kidding me?

"Do you want to die?!"

"Even I'm no match against Skullface!

You're no better!

"You'll die if you go!"

Lachlan was boiling with anger after hearing Harvey's words.

He had never seen someone who would trade their lives just to show off!

'Doesn't he know that Skullface can just kill him off with a single slap?!"

Arlet Pagan was worried when she looked at Harvey, thinking he had gone crazy after everything that had happened.

The entire Pagan family was filled with rage and anxiety. They had no idea what to even say at that moment.

Only Wes Pagan showed a profound look on his face without saying a word. He remained calm and collected the entire time.

Skullface curiously looked at Harvey without rushing to take action.

Phantom stepped forward and sized up Harvey with a calm gaze.

“You’re pretty interesting, kid. Not only are you bold, but you also have a keen eye.

“It’s a shame that you don’t know your limits!”

“You might just swallow your own words soon enough.”

“Swallow my own words?

“You talk as if you’re some sort of expert.

“Do you know what martial arts is?

“Do you even have any idea what the underworld is?”

Phantom smiled faintly before Harvey, as if she were looking at a clown.

Skullface cracked his neck with a profound look on his face.

“I know you like handsome young men like this, Phantom...

“But there’s something about him that annoys me.

“I’ll just slap him to death and accompany you myself tonight.”

Phantom giggled.

“Of course, Skullface. I want seven whole rounds this time.”

Skullface shuddered subconsciously.

Then, he stepped forward, ready to slap Harvey to death.

An unspeakable pressure could be felt as soon as he took a single step.

Lachlan was trembling incessantly after feeling that same pressure.

“Harvey!” exclaimed Arlet instinctively.

Harvey calmly chuckled while crossing his arms in front of everyone's gazes.

"Still?!"

"You're still pretending in front of Skullface?!"

"You're sacrificing your damn life for this!"

"This is ridiculous!"

"Look at yourself!"

Lachlan could not bear the sight of this anymore.

'There's actually someone this ignorant and fearless in the world?

'I should've slapped him to death while I had the chance!'

Lachlan's juniors believed Harvey was just putting up the front for too long.

'Does he have a death wish or something?'

Harvey completely ignored those people when he spoke up.

"Skullface, right? Don't worry. I'll make sure to visit your grave same time next year."

"Hahaha!"

Skullface and Phantom briefly froze before they burst out laughing. [Fast update on daotranslate.com]

"I'll let you make the first move," said Harvey York under everyone's disdainful glares.

"You won't get another chance after this."

Skullface froze before showing a playful expression.

"You want me to make the first move?"

"You're even cockier than the last guy!"

"Come! Come! If you can even touch me, I'll sever my own head for you!"

"Fine. You said so," replied Harvey.

He took a step forward.

His movements seemed slow but so fast that nobody could even perceive them.

Skullface promptly reacted. He was about to make his first move...

But he felt extremely sluggish before he could even throw out a punch.

Harvey was already in front of him. His finger was already on the man's throat.

It was a simple move, but Skullface could feel an unspeakable sense of fear at that very moment, causing him to quiver instinctively.

The place was so silent that you could have heard a pin drop!

Phantom's and the others' smiles instantly froze. None of them could even say a word.

Disrespectful!

This was just sheer disrespect!

The useless filth in their eyes, the seemingly ridiculous con man, was actually an expert!

This was way beyond everyone's imagination!

Harvey looked around him casually.

“Come on. Laugh some more.”

The people around him were showing twisted expressions after hearing Harvey’s words.

Skullface showed a deathly glare when he looked at Harvey.

He was fearful. He was filled with utter rage and resentment.

He completely let his guard down.

In his mind, he would not have lost if that was not the case.

“You got some moves, kid! I really underestimated you!

Skullface was showing a fierce glare.

“Don’t sneak up on me if you can! I...”

Slap!

Harvey swung the back of his palm forward.

Skullface was immediately sent flying. His head tilted to the side as soon as he crashed onto the ground. Nobody knew if he was dead or still alive.

His face was filled with disbelief when he stopped moving.

He did not expect Harvey to slap him aside without a hint of honor.

This was just utterly ridiculous.

“You said so. If I touch you, you’ll give me your head.

Harvey heaved a sigh.

“You should really keep your promises.”

Phantom and the others were twitching their eyes at the sight.

They did not think that Harvey was able to make such clean moves.

Harvey's movements were too fast!

After all, only speed was the true way to long success!

A man who could reach this speed was clearly immensely powerful!

Arlet Pagan and Lachlan Bree were filled with shock and disbelief after seeing the sight.

They did not think that Harvey was actually this capable!

Even Wes Pagan could not keep himself calm any longer. His gaze toward Harvey became more profound than ever.

He already had presumptions about Harvey, but it was all blown out of the window.

'He's a true talent!' [Fast update on daotranslate.com]

Harvey wiped his fingers with a disdainful look before he glanced at Phantom.

"Come. Are you all coming at once? Or would you like this to be an endurance fight?" he asked while hooking his finger.

'B*stard!'

'How dare he act so arrogantly?!'

If Lachlan Bree had been arrogant previously, then Harvey York's ego must have gone through the roof!

Even Arlet Pagan was utterly speechless.

Harvey was a capable man, but he was just too cocky.

Phantom finally snapped out of her daze.

She took a deep breath before enquiring.

“Who are you?!”

Naturally, Harvey was just too dangerous !

“You have no right to know.”

Harvey calmly smiled and stepped forward before reappearing right in front of Phantom.

Slap!

A loud slap echoed throughout the place.

Nobody could even clearly see what had just happened.

Phantom frantically tried to retreat, but it was futile.

She felt a sharp pain on her face before blacking out. Her entire body was sent flying before smashing onto the spiral staircase.

Pfft!

A mouthful of blood spurted out before Phantom passed out with utter despair written on her face.

Everyone froze.

‘That’s it?’

‘She’s done?’

‘With a single slap?!’

‘What is this joke?!’

Even Phantom would not believe that someone was actually this powerful.

She could not even take a single slap!

Lachlan and the others were shivering in their boots. Cold sweats were dripping down their backs all of a sudden.

They were provoking him nonstop just before!

They would have a death wish to do something like that!

Harvey completely ignored Lachlan as he wiped his fingers with some more tissue.

“Who’s next?”

‘What the f*ck?!’

‘He’s insane!’

‘He’s just too domineering!’

The remaining subordinates were filled with despair.

After Skullface and Phantom passed out, they did not even have a sliver of courage left to take action.

Wes Pagan waved his hand before his bodyguards took down the enemies soon after.

Harvey calmly looked around him, knowing that there would be another bloodbath.

He could not be bothered to look into it for the time being. After asking Wes about the situation, he quickly left the place.

“I didn’t know Harvey’s that impressive, Grandfather!”

Arlet was perplexed as she stood behind Wes.

“I thought he only knew geomancy arts!

“His martial arts are outstanding as well!”

Before, she would feel reluctant whenever she had to call Harvey her master...

But then felt like she had hit the jackpot for such an opportunity.

“I didn’t know either.

Wes lightly nodded.

“That reminds me. He did say that he doesn’t know geomancy arts, but rather the art of killing.

“So, it’s natural that he roughly knows about martial arts.”

Arlet’s eyes twitched.

“That’s a little rude, Grandfather.

“If that’s what you can say about him, then what about my martial arts?”

“You’ve barely even grazed the tip of the iceberg.

Wes let out a chuckle.

“Alright. Clean up the entire place immediately!

“Tell everyone to keep everything that happened here a secret!

Read Harvey York's Rise to Power Chapter 4343 - the best manga of 2020

Of the A Potato-Loving Wolf stories I have ever read, perhaps the most impressive thing is Harvey York's Rise to Power. The story is too good, leaving me with many doubts. Currently the manga has

been translated to Chapter 4343. Let's read now the author's Harvey York's Rise to Power A Potato-Loving Wolf story right here

Naturally, Wes Pagan knew that Harvey York had his reasons to be so discreet to portray himself as a live-in son-in-law and a geomancy expert.

It would be unkind if he ruined Harvey's disguise after saving everyone here.

With one wrong move, a great friend would turn into an arch nemesis in a blink of an eye.

"Right. We won't mention Harvey, but we can't just forget about this entire situation.

Wes suddenly remembered something else.

"His company's been trying to get the junkyard in the city, right?

"Transfer the two office buildings and land under his name to return his favor.

"Another thing. If he desires, give him ten percent of the Archa Corporation as well."

Clearly, Harvey had great investment value for Wes.

He wanted to become the closest of friends with people like these.

"Right! I'll look for him tomorrow! I won't even budge until he signs the papers!"

replied Arlet Pagan, nodding lightly.

Wes smiled.

"Deal with this matter appropriately. We don't want him to feel uncomfortable.

"In any case, we need to be in his good graces no matter what his identity is. He also had saved us numerous times already."

Arlet was also reminded of something else.

"If I guess correctly, he also knows how to appraise antiques!

"Without a keen eye, there was no way he could've seen something wrong with the Triple-Layered Pagoda!"

Then, Arlet picked up the shards from the ground.

Wes lightly nodded.

“Exactly. That is probably an art of killing as well.

“Harvey truly is a rare find!

“If he’s willing to become the family’s live-in son-in-law, I’ll give him the Pagan family’s secret myself!”

“Nonsense, Grandfather!

Arlet was utterly speechless.

“He divorced his wife because he doesn’t want to be a live-in son-in-law anymore!

“Besides, they’re about to be remarried again! What am I going to be? His mistress?”

Arlet seemed angry on the outside, but her face was piping hot after getting into the subject.

“Come on! Ex-husbands are always better!

Wes lightly smiled.

“You just don’t know how good these men are, Arlet!

“You shouldn’t go for anything secondhand besides men! You just have to!”

Then, Wes strolled toward the balcony with a smile on his face.

“What do you think of that man, Shadow?”

A hidden figure walked out from a remote corner.

It was a young man whose entire body was pitch-black.

“Unfathomable,” he replied, nodding lightly.

Wes showed a profound look on his face.

“Even a proud man like you thinks that?

“Then, what about his strength?”

“Is he stronger than you?”

Shadow shook his head.

“I don’t know.

“I can only find out if we spar.

“That said, he’s definitely at least a King of Arms...

“A peak King of Arms, at that!

“If not, he wouldn’t be able to send someone like Skullface flying with a single slap!”

“You really do admire him!

Wes smiled faintly.

“Looks like my judgment was right after all!

After leaving the villa, Harvey York was sent back to the Regency Building by the Pagan family.

Then, he called Thomas Burton to fetch him.

Harvey was not too worried about cleaning up the villa.

Thomas could smell gunpowder on Harvey, but he was smart enough not to ask questions.

The two came to the parking lot before getting inside the car. Right when Thomas started the car, a figure charged right toward Harvey.

Harvey squinted, wondering why someone would sneak up on him at that moment.

The figure that charged forward instantly kneeled after.

Thomas stepped out of the car with a brick in his hand before he froze.

“Westin?!” Thomas exclaimed with an odd expression.

Harvey also frowned.

The person kneeling on the ground was none other than Westin Miller of Deepsky Corporation.

He was a rich playboy from a wealthy family, but looking at his entire body in a complete mess was a miserable sight.

He also had a broken arm then. Harvey recalled that Westin still had his arm intact in the restaurant.

Ronnie Lee must have lashed out his anger at Westin after losing to Harvey.

“I know we have nothing between each other, Sir York!

“I’m sure you have a grudge against me because of what happened to your sister-in- law as well!

Westin showed a miserable look on his face without intending to hide anything.

“I’m here because I’m out of options!

“I’d like to make a deal with you!”

Harvey’s eyes lit up.

“A deal? With me?

“Tell me about it.”

Westin gritted his teeth.

“That b*stard lent Deepsky Corporation some money when he knew the company had problems allocating funds...

“Who knew he was some loan shark who kept pestering us to return the money just after three days?!

“My father passed out after that conflict.

When he woke up a few days ago, we realized he would never move another inch with his body anymore!

“My sister turned into Ronnie’s b*tch as well!

“I’m no different than a stray dog right now!

“That b*stard holds sixty percent of Deepsky Corporation’s shares right now!

“If he gets another month, he’ll have total control over the company!

“Proposing to Xynthia was the last move I could’ve made, but I failed!

“I have nothing other than forty percent of the company’s shares right now! It’s worth three hundred million!

“If you’re willing to help me take out Ronnie, I’ll give all those shares to you!

“With your methods, you’ll be able to earn the shares easily!”

Naturally, Westin did not know what Harvey was capable of...

But he soon remembered the fact that he had been constantly embarrassed by the same man. Even someone like Ronnie had to kneel before the man and take multiple slaps across his face without complaints. [Fast update on daotranslate.com]

In Westin’s eyes, even if it was a little complicated, he believed Harvey could take out Ronnie as long as he wanted.

This was the only way he could think of to take his revenge.

“Forty percent? Three hundred million?

“You also want me to bring down the Blazer Estate, don’t you?

“Getting those shares won’t be a walk in the park...

Harvey York playfully glanced at Westin Miller.

“Besides, I’m considered a good citizen in Hong Kong, Mordu, and Flutwell.

“Not just three hundred million; I wouldn’t even kill someone for thirty billion dollars!”

Westin froze.

“Don’t you want to take out Ronnie Lee?

“According to my information, you’re pretty close to Saul Robbins and Lola Hoffman!

“They’re Ronnie’s sworn enemies!

“Besides, he’ll surely come for you after what happened tonight!

“Are you still not going to take the initiative after knowing that?”

“That won’t be necessary. He doesn’t have the right for me to do anything anyway,”

replied Harvey calmly.

“He’s completely unworthy.”

Westin shuddered after hearing Harvey's words. His face was filled with nothing but despair.

He thought it was pretty impressive of him to devise such a plan to deal with Ronnie...

But he did not expect that Harvey was this unpredictable.

Westin froze for a long while before furiously pulling his hair while screaming wildly.

"F*ck! F*ck!!!

"I hate Ronnie! I hate Harley more!

"That b*tch doesn't even care for the family's reputation for her own glory and riches!"

After reminding himself of his father's condition, his broken hand, and his sister and girlfriend being toyed around by someone else, Westin was on the brink of losing his sanity.

Harvey showed a profound look on his face before he stopped Westin in his tracks.

"I know you're in pain, but you'll never succeed if you rely on someone else to do your dirty work.

"It's simple logic, really. If you want Ronnie dead, then do it yourself.

"You'll succeed if you put your heart into it."

Westin's eyes lit up before heaving a sigh.

"I wish.

"My subordinates know that I have fallen at this point. Who's going to work for me?

"And me? My arm needs at least three months to heal!

"Even if I go for Ronnie right now, I wouldn't be able to do anything!

“I can’t even use a firearm!”

Crack!

Harvey furiously twisted Westin’s arm and held it in place by splinting it with a few branches lying around, then poked at a few parts of his body.

Then, Harvey stood up when he was all done.

“I put your bones back together with what I learned in battle.

“After getting some rest tonight, you won’t feel any pain in your arm. Your strength will be the same as ever.

“That said, your hand will be crippled for the rest of your life after a few weeks.

Harvey patted Westin’s shoulder before letting out a sigh.

“I’ll give you three days. If you regret your decision, give me a call. I can always fix you back up.

“But if that happens, then you should just be a stray for the rest of your life...”

After that, Harvey got inside his car. [Fast update on daotranslate.com]

Westin froze.

He showed a wretched look. Murderous intent was exuding from his entire body at the very next moment.

Because of the smell of gunpowder, Harvey York did not return to the Zimmer family’s villa.

Instead, he headed back to Fortune Hall and slept in his room there.

On the next day, early in the morning.

Harvey practiced some of his martial arts in the courtyard.

Thirty minutes later, Leona Foley had already prepared some food and drinks when he returned to the main hall.

Castiel Foster came after before the three had breakfast together.

When they were halfway done with their food, fearful screams could be heard.

“Master York! Master Foster! Help!”

Harvey and Castiel quickly put down their teacups and rushed toward the commotion.

An elderly lady was kneeling at the entrance.

The man who liked strolling around graveyards was lying on the ground behind her.

The man’s face was as green as grass when he kept gasping for air. His entire body was also twitching during the process.

It seemed like he saw something that he should not have.

Castiel swiftly pulled out a talisman and burned it in water before feeding it to the man. The man barely managed to regain some of his consciousness after that.

“What’s going on with him now?” asked Castiel with a frown.

The lady showed a horrible look on his face.

“I don’t know! I told the old man to listen to what you said and stop running around the place.

“He just couldn’t sit still! He kept telling me he was fine and strong enough for this!

“Who knew that he passed out again immediately after?!

“I had no choice but to drag the old man here!”

Castiel nodded lightly.

“What’s going on with this man,. Master York?

“Didn’t we treat him up a few days ago already?”

“We did, but he managed to bump into evil energy again...” replied Harvey.

“He’s also showing the same symptoms as before.

“You’re not telling us the whole truth,.

you?

“Did this man start running around graveyards again?”

Castiel and Leona were showing odd expressions after hearing those words.

are After all, why would the man turn out this way after Harvey already treated him before?

The lady jumped after hearing those words.

“Impossible ! He’s a stubborn old man, but he’s already fearing for his life after what has happened before!

“He’d pick crowded places to take his morning runs, with me accompanying him!

“I would know if he went to places like those!”

The lady was horrified. At the same time, she started to doubt Harvey’s abilities.

Harvey thought about the situation before biting his finger and smearing blood on the man’s forehead.

“When the man’s up again, take a look at these two. [Fast update on daotranslate.com]

“Tell them to show you where they take their morning runs. Figure out what’s going on there.

“Remember to bring the compass with you.”

Logically speaking, the man would not just run around graveyards anymore after that incident...

But the man’s condition made Harvey quite curious.

Castiel lightly nodded.

“Of course!”

The man finally recovered before thanking Harvey’s help and leaving.

Castiel quickly left for half an hour before returning with something in his hand.

A torn-up piece of paper doll was in his hand.

Harvey frowned while squinting at the doll before sensing evil energy emanating from it. It was quite similar to the one previously stuck under Watson Braff’s car...

“Where did this come from?”

Harvey York frowned.

“At the park where the two took their morning runs.

“There’s a footprint on it. It looks like the man’s footprint to me.

“He must’ve stepped on this. That was why everything happened this morning.

“I looked into it as well. Other than a few mysterious clubhouses, no graveyards are around.”

Castiel Foster then set the paper doll on the ground with a confused look.

Harvey lightly nodded before getting Castiel to put the doll on the table. After squinting at it for a long while, he lit the doll with his lighter.

Fwoosh!

The doll burst into flames with a hint of ink written on it. That said, it was barely visible after the constant rain pouring on it.

Judging from the burn marks, Harvey was sure that it was the same kind of paper doll that cursed Watson.

“So, it really is Evermore...”

Harvey muttered to himself. He had a feeling that Evermore already made extensive preparations in Golden Sands, but there was not enough evidence to confirm that.

After sending a text to Kairi Patel about this, he put this in the back of his mind for the time being.

It was already sunset when the matter was handled properly.

Harvey wanted to buy some food outside, but his phone suddenly rang.

The call was from an unknown number.

Harvey hesitated for a moment before picking up the call.

Mandy Zimmer’s secretary, Maya Lee, could be heard speaking panically from the other side of the phone.

“This is bad, Harvey! CEO Zimmer’s in trouble!

“You need to help her!”

Because of Silas John, Mandy had quite a number of businesses signed already.

That night, she was about to sign a contract with the vice CEO of Blazer Estate, Anthony Lee.

Anthony was Ronnie Lee's older cousin. He was also one of the upper management in the company.

Since both Ronnie and his father trusted Anthony, he had control over purchasing lands for the company.

Mandy believed that the contract only involved small projects such as room renovations.

She wanted to meet Anthony at Golden Sands Hotel...

But Anthony insisted on meeting her at the Royal Clubhouse instead.

Mandy had no choice but to bring a few people with her for the sake of business.

When the two were seated, not only did they not make any sort of deal, Mandy and the others had been drinking quite a bit.

The people Mandy brought were all lying on the ground, paralyzed after guzzling an entire box of alcohol.

Then, Anthony brought out a bottle of fifty- year-old Riesling and told Mandy that he would sign the contract after she downed everything.

He would also let Zimmer Enterprise handle all Blazer Estate's room renovations for the next three years.

If this were before, Mandy would have left already.

But for the sake of the ninth branch, she had no choice but to play along.

Maya realized that the owner of the place, Raven Keaton, put drugs in Mandy's drink.

She obviously had ulterior motives for spiking Mandy's drink. [Fast update on daotranslate.com]

Maya wanted to stop what was happening, but she was kicked out of the room before getting beaten up.

She did not know what to do after being in such distress. She had no other choice but to call for Harvey's help.

“Anthony Lee...”

Harvey York showed a cold glare on his face.

He was unsure if he dragged Mandy Zimmer into the entire situation. Ronnie Lee might have told Anthony to do something like this...

Or maybe Anthony was after Mandy since the beginning, and she only got into the situation to deal with Zimmer Enterprise's financial problems.

Thomas Burton stepped on the gas after hearing about the situation. The car drove so fast that sparks were crackling around the tires. In just under three minutes, the car was parked right in front of the Royal Clubhouse.

Harvey kicked the car door open and rushed inside before seeing Maya Lee with her completely swollen face. She had been panicking the entire time.

“Sir York!

Maya shivered before showing relief on her face.

“You're finally here!”

Naturally, she finally regained some courage after seeing Harvey show up.

Cliff Saban and the others were beaten up entirely last time because of him.

That was why she believed Harvey was more capable than she realized.

“Where is she?!” Harvey quickly asked.

“Eighth floor! Room 888!” replied Maya promptly.

“Anthony’s hard to deal with, Sir York!

“Other than the fact that he’s Blazer Estate’s vice CEO, he also has a brother who’s in the underworld!

“They have connections from both sides of the city! A lot of people who challenged him all ended up dead!

“Should we call the cops?!”

Maya was still horrified by the situation.

She would not even dare to pick up the phone before Harvey arrived, scared that she would get beaten up again.

Since Harvey was with her then, she wanted to add another layer of security just in case.

“There’s no time. I’ll deal with this myself.”

Harvey completely ignored Maya’s advice and rushed into the main hall.

The Royal Clubhouse was a well-known private clubhouse of Golden Sands. Not only was the place extremely spacious, but it was also always filled with people.

Beautiful women were constantly twiddling their hair seductively in every aisle. Harvey ignored the women’s alluring gazes and went straight to the eighth floor as soon as possible.

The eighth floor was clearly sealed off. A few towering security guards instinctively walked over after seeing Harvey and Maya show up, ready to scream at them...

But as soon as they opened their mouths, they were all kicked to the ground.

Mandy was in danger. Harvey had no time to make small talk.

He would take out everyone who stood in his way without hesitation.

Soon, Harvey arrived at room 888.

The room was the largest out of the entire clubhouse. A few fierce men in black suits stood before the entrance with wretched smiles.

“Move along!”

The men did not even bat an eye at Harvey.

He could not be bothered to speak anyway.

Slap!

He stepped forward before swinging his palm across one of the men’s faces.

The man was sent flying before he could even get a good look at Harvey. His entire body was twitching the moment he slammed onto the ground.

Slap slap slap!

The remaining men were sent flying before Harvey kicked the door down.

He saw Mandy being groggy on a leather couch. She seemed a lot more beautiful because of all the alcohol she drank.

Her skin was tender and glistening, as if it was a piece of gem. [Fast update on daotranslate.com]

Bam!

Anthony Lee finally managed to get in the mood before he was scared off by the loud sound.

He was boiling with anger. He swallowed three pills just for this occasion, and yet someone came to ruin the show.

“Do you want to die or something, you b*stard?!”

he screamed gloomily after seeing Harvey York walk in.

Slap!

Harvey wasted no time slapping Anthony aside.

Anthony screamed in pain before slamming right into the marble table.

The place was a complete mess. Blood spurted out of Anthony’s mouth as he lay on the ground, paralyzed.

Mandy Zimmer was barely conscious at this moment. She mustered all her strength just to keep her eyes open...

But as soon as she saw Harvey show up, she felt immediately relieved before passing out.

“Who the f*ck are you?!”

“Do you know what happens when you ruin my business here?!”

Anthony kept grumbling on the ground because of what Harvey had done.

On the one hand, he was enraged that someone would even dare challenge him.

On the other hand, his entire body was in pain after getting hit like this.

He was worried that he would be unable to use his tool after this. Who was going to take responsibility after this?

Anthony gritted his teeth when he exclaimed, “Kill him!”

A few subordinates who had a few good drinks quickly ran over with beer bottles in hand.

Harvey kicked all of them to the side without holding back.

The subordinates were screaming in pain when they slammed onto the ground. They were completely incapacitated.

Then, Harvey stepped forward before kicking Anthony to the ground.

Bam!

Anthony's head slammed right into the marble pillar outside.

Blood covered his entire face when he squealed in pain like a pig.

The security guards and guests of the Royal Clubhouse came over after hearing the ruckus.

Harvey quickly draped Mandy with the carpet on the ground before instructing Maya Lee to care for her.

Soon after, dozens of security guards barged into the room.

At the same time, the boss of the Royal Clubhouse, Raven Keaton, walked in with a pair of high heels.

She was a gorgeous woman with an alluring face, an enchanting figure, and a pair of long and dazzling legs.

She quickly walked toward Anthony and lifted him with a face filled with shock.

"Vice CEO Lee!

"What happened?!

"Why are you covered in blood?!

"Who did this to you?!

"Call the doctors! Call the cops!

Raven was terrified.

This place of hers was deeply involved with Anthony.

Other than his massive spending here, his brothers from the underworld have been keeping her place safe.

Raven furiously screamed at Harvey with Anthony beside her.

“Who gave you the nerve to hurt people on my turf?!”

“Do you even know the consequences of doing such a thing?!”

“Hurt people?”

Harvey seemed indifferent.

“You didn’t see me do anything.

“Besides, can’t you see what he’s doing here right now?”

Raven’s face instantly turned dark.

“I only saw you assaulting him, kid!

“I didn’t see him do anything at all!

“You better stop talking your way out of this, or I’ll make your life a living hell!”
