Anthony Lee stumbled off the ground, grabbing a wine bottle from the table before screaming at Harvey York.

“How dare you touch me, you b*stard?!”

“You disfigured my face!

“You’re dead! Do you hear me?!”

“I’ll settle scores with you no matter what!

Anthony fiercely gritted his teeth.

“I’ll be damned if I don’t kill you and Mandy!”

“Is that so?”

Harvey smiled nonchalantly before moving past the crowd to Anthony.

“That won’t be enough to kill me! You need to do this instead!

Harvey shattered the wine bottle in Anthony’s hand, revealing sharp jagged edges.

“That’s better.

“Come! Stab me with it!

“I promise I won’t fight back!”

Then, Harvey did a throat slash with his thumb before hooking his finger.

Anthony froze after seeing such a serious look on Harvey’s face.

His rage was completely stunted. He could not even move his hand holding the wine bottle at that moment.

Harvey chuckled derisively.

“Come on! Hurry up!

“If you have the courage to take advantage of a helpless woman, then surely you can stab me with that!

Raven Keaton and the others were utterly shocked, thinking Harvey was clearly out of his mind!

After all, it was their first time seeing a man like that.

Anthony trembled before stepping back with an angered and horrified look after seeing Harvey’s hand on his.

He was resentful, enraged. He wanted to kill Harvey right then and there...

But he did not dare to do so.

He was used to being served on a silver platter. Everyone would usually pamper him to no end.

That said, he knew that society had rules.

He would be breaking the law if he did something like this in front of everyone.

He would be ridiculed and spend the rest of his life behind bars!

At this very moment, despite calling himself a prominent figure, Anthony was not brave enough to act.

Raven and the security guards were showing odd looks on their faces.

They never thought that Harvey was bold enough to do something like this.

Maya Lee’s gaze was filled with admiration.

She was finally starting to look up to Harvey.

After all, it was her first time seeing a man protect his woman to this extent.

This was way more impressive than just slapping the villain to the ground.

“What? You can’t do that?

“All you do is take advantage of women?”

Harvey reached out to pat Anthony on the face.

“You’re pretty damn useless, aren’t you?”

“Since you wouldn’t dare, then let me teach you how to do things instead!”

“I’ll show you how to act like a proper human being!”

Harvey immediately grabbed the wine bottle from Anthony’s hand before smashing it right on his head.

Anthony was disoriented before he fell to the ground.

His spinning head was spurting blood like a fountain.

“Aaah!”

Screams of pain were heard while Raven and the others stood frozen.

They did not expect that Harvey would actually do something like this! [Fast update on daotranslate.com]

After all, Anthony was the vice CEO of Blazer Estate! He also had an underworld boss as his brother!

‘Is he crazy or stupid for going against someone like that?!’

The most shocking part to Raven Keaton and the others was that Harvey York did not just stop there.

He picked up another bottle of wine and smashed it on Anthony Lee’s head.

Bam!

A loud sound echoed throughout the place when Anthony wailed while his entire body trembled.

He had never been treated like this his entire life.

At this very moment, he finally understood the fear of death.

In his eyes, Harvey was actually about to kill him for good!

Not just Anthony but even the others around him were filled with utter horror!

Nobody could stand the sight.

Harvey's clean and decisive hit was not an easy feat.

The people around had seen numerous people who could throw a punch...

But it was still their first time seeing a man this ruthless.

After all, many people in this situation would only run their mouths without actually taking action.

When Harvey picked up a third bottle, Anthony gave in.

"Are you insane?!"

"I'm Anthony Lee!"

"I'm the vice CEO of the Blazer Estate! My brother is a boss of the underworld!"

"How dare you do this to me?!"

"Do you want to die or something?!"

"Sob sob sob..."

After seeing Harvey's calm look, Anthony burst into tears while sober.

Naturally, he already fell apart after seeing how fierce Harvey actually was.

This was precisely how Harvey envisioned.

Completely cripple or terrify sc*mbags like these. This was his plan.

If not, they would surely look for more trouble in the future.

“I’m telling you this one last time.

“Mandy is my wife.

“I don’t care who you are. I don’t care who’s supporting you. I don’t care who’s commanding you either.

“If you even so much as lay a finger on my wife, I’ll make sure that you’ll die because of it!

Then, Harvey patted Anthony’s face.

“Talk. Do you have any final words?

“You won’t get another chance later.”

Cold!

Fierce!

Fearless!

Harvey’s attitude completely shocked the people around him.

“I have nothing to do with this! Really!”

Anthony completely collapsed.

“It’s Ronnie Lee!

“That b*stard told me to do this!

“He wanted me to go for Mandy, no matter what!

“He wanted to vent his anger!

“He said he’d kill off my entire family if I didn’t do this!

“Ronnie’s behind all of this! This is payback!”

Anthony’s spirits were utterly crushed.

“He’s the perpetrator! Please! Spare me, Sir York!

“I won’t do it again!

“I swear!”

Betrayal is an embarrassing thing to Anthony. He would be cast aside by many because of this...

But he knew he would not be able to live through the night if he did not give in to someone like Harvey.

“Ronnie... [Fast update on daotranslate.com]

“So, it was him.

Harvey squinted before putting down the wine bottle in his hand.

“Looks like I was a little too kind to him last night.”

“Fine. Since you’re being so honest with me, I’ll keep you alive for now!” exclaimed Harvey York coldly.

Anthony trembled before he fell to the ground, paralyzed. Soon after, his pants could be seen completely soaked.

He was not able to control his bladder any longer...

Then, Harvey calmly strode toward Raven Keaton.

The dozen tall and strong security guards stepped forward while gritting their teeth.

But as soon as they locked eyes with Harvey, they trembled without pause.

“Move!”

The security guards were frantically twitching their eyes. Their throats felt extremely parched as they completely lost their ability to speak.

They quickly stepped aside like startled birds.

Raven, who had been acting all high and mighty, showed a horrible look.

She wanted to keep her pride but was quivering in fear after seeing Harvey’s frigid stare.

Raven took a step back before gritting her teeth.

“What do you want?”

“Anthony Lee took advantage of people on your turf. As the damn boss, not only are you turning a blind eye, you’re even assisting him. Do you think you can just get out of the situation scot-free?” said

Harvey, glaring at Raven.

Raven’s eyes frantically twitched.

“My... My management was lacking.”

Maya Lee gritted her teeth while standing not too far away.

“She drugged CEO Zimmer! She hit me and got me thrown out as well!”

“She told me she’d kill off my entire family if I called the cops!”

Raven’s embarrassment turned into unbridled rage.

“So what if I did?!”

“Let me tell you something, young man!

“You can’t afford to go against people like us 11 Bam!

Harvey picked up a wine bottle and swung it forward.

Blood rained all over the place!

Raven screamed in fear. Her face had completely lost all color.

She covered her head with her hands. She was terrified.

Harvey casually picked up another wine bottle.

“Is that so?

“Do you think I can’t go against you?

“Come. Are you going to prove that to me?

Raven’s tongue was completely tied as she tried to string any words from her mouth.

Any semblance of pride in her was gone.

“I’m giving you three days. Shut down this damn place...

Harvey patted Raven’s face without showing emotion.

“If you don’t do that, then I’ll shut you down myself.

Raven’s eyes twitched when she was filled with despair at this moment.

Then, Harvey looked away before waving his hand.

“Come on. We’re going to the hospital.”

Maya carried Mandy out of the place with Harvey.

Neither Anthony’s bodyguards nor Raven’s security guards even dared to step up against Harvey.

All they did was look down to the ground while the three made their way.

They were only here to make a living.

They would naturally act all fierce before ordinary people...

But they would not dare go against someone like Harvey.

The three were gone soon after.

“Aaah!” [Fast update on daotranslate.com]

Screams of pain could be heard from Raven, whose head was covered in blood.

“Hurry! Hurry! Get Vice CEO Lee to a hospital!”

The entire Royal Clubhouse was in a complete mess.

Half an hour later. Inside Golden Sands' top hospital.

Toyota Prados of the same color charged right toward the entrance.

Soon after, dozens of rogueish men walked out of the cars.

They were all dressed in black suits with various hairstyles and colors.

They exuded a domineering aura.

The security guards instinctively moved away after seeing them.

Beautiful nurses around the place stepped back with their mouths covered, afraid those people would approach them.

A man with a leopard tattoo on his face alighted from the furthest car in the back.

He showed a cold glare and a fierce expression, as if looks could actually kill.

His incomparable dominance was also deliberately showing through his aura.

He casually held a cigar and lit it up, completely ignoring the no-smoking sign while strutting inside.

He blew puffs of smoke and catcalled the beautiful staff, like he was just enjoying the scenery.

His face immediately darkened when he arrived in front of the intensive care unit.

A dozen people were already swarming in front of the room.

All of them bowed respectfully after seeing the man show up.

“Head Marlon!”

The person was none other than Anthony Lee’s brother, one of the bosses of Golden Sands’ underworld, Marlon Lee.

Marlon had always engaged in shady businesses.

The people in Golden Sands would rather go against Kellan Ruiz than go against him.

After all, the Newgate Chamber of Commerce had a bottom line, but the same did not apply to Marlon.

He nodded lightly in front of everyone before stepping into the room.

Anthony was still rendered unconscious while tubes were sticking all over his body.

His head was also completely covered in bandages.

Raven Keaton, who sustained minor injuries, played with her phone on the side.

When she saw Marlon in the corner of her eye, she looked like a rat trying to run away from a cat. She immediately hopped out of bed and continuously bowed in front of Marlon.

“Head Marlon!”

Marlon nodded before looking at his brother.

“What happened?” he coldly asked.

Raven quivered after sensing Marlon’s tone.

“A guy smashed Vice CEO Lee’s head with a bottle in the Royal Clubhouse,” she quickly replied.

“He had a concussion but was fine since he was brought here quickly enough.”

Marlon let out a sigh of relief after hearing those words.

He blew a puff of smoke before he spoke.

“Which b*stard did this to my brother?”

Raven gritted her teeth.

“We screwed up this time, Head Marlon!

“I already looked into it! That guy isn’t some prince or young master!

“He’s just a live-in son-in-law, the live-in husband of the head of the Jean family’s ninth branch!

“The details are still being investigated, but my men are watching him closely!”

Raven was filled with resentment. [Fast update on daotranslate.com]

Harvey York’s dominance completely crushed her. She instantly shuddered after recalling Harvey’s warning. At this moment, she wanted nothing but for Marlon to kill Harvey.

After all, Raven Keaton would not get the chance to survive in Golden Sands if Harvey York was left alive.

“Not bad. You did well,” replied Marlon Lee.

“Where is he?”

“In Oak Crest Hospital !” exclaimed Raven.

“He must’ve taken that b*tch there to purge her stomach.”

Marlon nodded before snapping his fingers.

“Jinny.”

An androgynous man with a tattooed face walked up with a bright smile.

“Do you want me to look for that fool, Boss?”

“I’ll take him out for Anthony!”

“Take him out?”

Marlon let out a chuckle.

“Don’t make it any easier for him.

“Bring him back here. I’ll teach him a good lesson. I’ll show him who he can and cannot go against in a place like Golden Sands.”

At eight o’clock in the evening, Harvey admitted Mandy Zimmer into the emergency room.

She needed her stomach to be purged from the drugs and alcohol.

It was good that Mandy did not drink that much. All she needed was to be put on an IV drip since she was a little dehydrated.

Harvey asked for three sick rooms before sending Mandy to the most secluded one.

Then, he turned off the lights before closing the door shut.

The waters of Golden Sands run extremely deep. Harvey did not have any background in this place either. It would be better if he remained cautious about the whole situation.

“Thomas, Maya, I want you two to take turns keeping an eye on Mandy. I’ll grab some food outside. You two haven’t even eaten yet.”

After telling the two what to do, Harvey made his way to the hospital’s main hall.

He was planning to look for Ronnie Lee but did not want to worry Thomas Burton and Maya Lee.

Thomas could tell what Harvey was up to but kept his mouth shut. He told Maya to close the door of Mandy’s room while they stood outside to keep watch.

Harvey wanted to call for a cab before an ambulance haphazardly stopped at the entrance.

A man covered in blood was carried out by a stretcher. It was a horrible sight.

Harvey could immediately tell that the man was shot. If the bullet were not taken out in time, he would probably die of lead poisoning.

Other than that, there was a familiar dead air surrounding the man.

Soon after, Harvey saw an inspector alighted from the ambulance.

It was Soren Braff!

His head was covered in blood when he screamed in anger.

“Save him! If he dies for this, I’ll kill you myself!”

Harvey froze. The person on the stretcher looked like Watson Braff.

After taking a closer look, he was more shocked.

The dead air on Soren was hanging onto Watson at that moment.

Simply put, Watson was being Soren's scapegoat.

No ordinary doctor would be able to handle something like this.

That said, nobody batted an eye at Harvey. [Fast update on daotranslate.com]

The medical staff set up a temporary place in the main hall since the emergency room was occupied.

"Hurry! We need a blood transfusion!"

"We need to wake him up!"

"This is bad! His heart stopped! We need to do manual resuscitation!"

The sounds of medical staff constantly echoed. The atmosphere of the entire main hall tensed up immediately.

Inspectors stepped out of the ambulance, ready to clear out the place.

"B*stard! Goddamnit!"

Soren Braff completely lost his cool when he kept screaming, as if to vent his resentment and rage.

"What's going on, Director Braff?"

"What happened here?"

Harvey York walked up to Soren with a confused look.

“How did this happen to Watson...?”

“Harvey? Master York?”

Soren was just about to tell someone to chase Harvey off when he saw his face. His entire body trembled before showing a hopeful look on his face.

“Save my brother, Master York! You’re definitely able to! Please!”

Harvey frowned.

“At least tell me what actually happened! I can’t do anything if you don’t!”

Soren gritted his teeth with a twisted expression before heaving a huge sigh.

“This was all my fault!

“I respect you because of your impressive skills, but I never believed in anything superstitious. I didn’t want to believe you when you said I’d get in trouble...

“But my brother thought otherwise.

“He kept pestering me to be careful after seeing that I didn’t heed your warning.

“Right as we were about to have a meeting with the government, someone tried to assassinate me.

“Watson pushed me aside as soon as the red dot was showing on me!

“My life was saved, but instead, Watson took the shot!

“Without him, I would’ve died!

“He even said that he got lucky before he passed out! He wanted me to find you so you could save him!

“If not, he’d be gone sooner or later!

“I was just about to look for you!

“Please help him!

“As long as you bring him back, I’ll do whatever you want!”

Soren, who had feared nothing before this, immediately slammed his knees to the ground.

Some things just had to happen before his eyes for him to believe.

“There’s no need for this.

“Watson and I are good friends. I’ll do anything in my power to help!

“More importantly, these people are professionals! You should also put your trust in them!”

He was never well-versed in medical skills.

All he knew was first aid from fighting on the battlefield.

It would still not be enough to save anybody.

Soren hesitated for a moment...

“Master York, I’ve been wondering. Did Watson trade his life for mine...?

“That’s why I’m alive now and he’s destined to die...

“When he took the bullet for me, I saw some sort of dark energy flowing from my body into his.

“I thought I was seeing things, but after everything that happened...”

Harvey frowned. He was right after all.

[Fast update on daotranslate.com] He took a deep breath before he spoke.

“I can try something if he’s still unconscious by then.”

An alarm blared from somewhere inside the hospital.

The first aid tent was opened as the alarms went off.

A doctor with a dozen medical staff walked out with their hands in front.

Their faces were covered with face masks and goggles when they lightly bowed.

"I'm sorry, Director Braff. We did our very best.

"You need to prepare yourself."

The doctor did not know what to feel at that moment.

She knew who Soren Braff was. That was why she knew that she would have the chance to be in the Braff family's good graces. Her reputation would definitely skyrocket after that as well.

The hospital would even compliment her and give her a promotion.

But since she had no means of saving Watson, these things would naturally have nothing to do with her.

"No! My brother's not dead! He can't die! He can't!

Soren gritted his teeth.

"You need to go back in there! Do everything you can!

"I'll shut down the damn hospital if you can't bring him back!"

Naturally, Soren could not accept the fact his brother died for him.

The doctor sighed.

"It's not that we don't want to, Director Braff. We simply can't.

"You should know what happens when you get shot by a bullet!

“The biggest problem is that the bullet is lodged inside Mr. Braff’s artery.

“If we pull it out, he might bleed to death.

“If we don’t, he’d probably die because of poisoning.

“I suggest you prepare yourself. See if he has anything to say before passing.”

The doctor bowed lower.

“It’s just a bullet. There’s no need to exaggerate things.

“You’re just scared to take responsibility for his death. That’s the only reason why you haven’t extracted the bullet.

“It isn’t that complicated.”

A calm voice echoed at this moment.

Soren and the others turned around and saw Harvey York standing beside Watson Braff. He quickly removed the white cloth on Watson to take a closer look.

All the medical staff looked at each other in shock.

On the one hand, they were stunned that Harvey would just go up to Watson like that. On the other hand, they did not expect that he would point out the one thing they feared most.

The staff was utterly embarrassed!

The doctor removed her mask and goggles. A cold expression was clearly showing on her beautiful face then.

“Who are you?

“This is a hospital!

“You’re not allowed in here!

“Leave this place at once!”

Naturally, she believed that Soren would actually shut down the hospital if Harvey kept causing trouble like this.

“Silence!” exclaimed Soren before looking at Harvey.

“Can you help him, Master York?”

Harvey bit his finger with a frown on his face.

“I can bring him back.” [Fast update on daotranslate.com]

Then, Harvey put a drop of his blood on Watson’s forehead.

The dead air surrounding Watson was completely replaced by a glimmer of bright light.

Next, Harvey lightly pressed Watson’s chest, immediately stopping the bleeding when the bullet flew straight out.

Beep beep beep!

Along with Harvey York’s movements, the flatlined heartrate showing on the monitor started responding again.

Watson Braff was slowly recovering.

But soon after, before the crowd’s gazes, the beating heart rate was gone again.

The people who were exhilarated felt lost immediately after.

Only Harvey remained calm. He knew that Watson needed time to recover.

It was only normal for him to be weakened like this because of blood loss.

Harvey started poking at different parts of Watson's body, enhancing his blood flow.

"What is this? You got a response from him, and now you're just massaging him?"

The doctor was filled with rage after seeing the sight.

On the one hand, she was completely embarrassed by the shock she felt just now. On the other hand, she was enraged that Harvey exposed why she was unwilling to save Watson.

"There's no saving Mr. Braff!"

"It seemed like he was recovering after you screwed around, but that was just for a brief moment!"

"What's the point of massaging him at this point?!"

"Showing off doesn't do you any good, young man!"

"Get out of here right now, or I'll call security!"

Naturally, as a doctor, she wanted con men like Harvey to show up and embarrass themselves.

After scolding Harvey, the doctor shifted her gaze toward Soren Braff.

"This is already bad enough for Mr. Braff, Director."

"Can you really bear him being pushed around when he's already passing?!"

"You should be chasing this con man away!"

"Don't give him any chances!"

The higher-ups of the police station looked at each other after hearing those words.

Someone finally could not bear the sight any longer.

"Maybe you should just let your brother rest..."

Soren felt conflicted.

He hoped that Harvey could actually revive his brother through his geomancy arts.

But judging from the doctor's deduction, Watson was already dead.

No matter how good Harvey was, he could not save a dead man.

More importantly, this did not seem professional at all.

Other than showing his martial arts prowess for extracting the bullet and the massage, Harvey proved nothing.

After thinking for a moment, Soren heaved a huge sigh before stumbling toward Harvey.

"Thank you, Master York, but I think we should just let him rest..."

"Give me ten minutes.

Harvey confidently looked at Soren.

"I'll bring him back after ten minutes."

Soren froze. He did not expect Harvey actually to be this confident.

"Ten minutes?! [Fast update on daotranslate.com]

The doctor was boiling with anger.

"Even if we give you ten days, you wouldn't be able to do that!

"I'm warning you, young man! Stop causing more trouble!

"Not only are you making the hospital do more work, but you're also clearly violating Director Braff's brother!

"You deserve death!"

Harvey York looked calm while doing his own thing, completely ignoring the doctor.

The doctor showed a cold look, thinking that what she said was right.

"We have the youngest and most outstanding medical staff here! We're professionals!

"We already announced Mr. Braff's death! Even God wouldn't be able to save him!"

The beautiful nurses on the side took their masks off while coldly glaring at Harvey, thinking he was just here to cause trouble as he pleased.

"People should always remain humble," replied Harvey.

"You can't do it, but that doesn't necessarily mean I can't.

"There's always another person better than you.

You should understand that."

"I can't do it?

The doctor immediately lashed out after hearing those words.

"Listen to me, kid! I'm not a con man like you!

"I'm the top doctor of the Oak Crest Hospital, Maren Failes!

"My teacher is none other than Oskar Armstrong himself!

"I've been in the profession for almost five years!

I'm also the newly-appointed vice director!

“And you’re claiming that I can’t do this?!”

Maren furiously glared at Harvey.

“Come! Tell me, what right do you even have to criticize me right now!”

Harvey shrugged.

“I’m no doctor, nor am I criticizing you.

“I just want to tell you that you shouldn’t look down on other ways of saving people.”

“Other ways to save people?

Maren scoffed with an icy cold expression.

“At the end of the day, you’re just a con man who knows nothing about the medical field!

“I heard about people like you before! All you do is draw up talismans to fool people!

“All those foolish old folk stopped coming here after being tricked by people like you! They completely stopped believing in us because of this!

“You people are just sc*mbags who prey on others!

“How dare you doubt my medical skills when you’re like this?!”

Maren quickly exposed Harvey’s identity...

The people around were showing disdainful glares after hearing those words.

They thought Harvey was some sort of prodigy who was passing by. If that were not the case, Soren would not have begged for his help in the first place....

And yet he was just some geomancy expert.

‘Why would he ask for someone like that to help?’

‘Is this a joke?’

The nurses lightly pouted with utter disgust.

Soren also felt extremely awkward after hearing everyone doubt Harvey's abilities.

"Is that so? If you're that impressive, then why haven't you treated your asthma?" Harvey refuted calmly.

"You're calling yourself a doctor when you can't even deal with such a minor issue?"

"How dare you call yourself Senior Armstrong's student?"

"You're completely embarrassing him." [Fast update on daotranslate.com]

Harvey kept pressing on different parts of Watson's body while he was talking.

Watson's blood flow was constantly triggered. He would wake up temporarily after a few minutes.

That way, there would be no problems using traditional medical skills to treat him afterward.

Of course, Harvey needed to get rid of the dead air surrounding Watson, effectively bringing him back to life.

"You've had asthma since high school, right?"

Harvey York asked.

"You must've been practicing Taichi before realizing that!"

"And ever since then, you've abandoned doing sports even!"

“You claim you’re a professional, yet you can’t deal with that problem yourself? How are you this shameless?”

Maren Failes’ prideful expression froze after hearing Harvey expose such a thing about her.

“How did you know that?!”

Maren looked horrified. She took quite a lot of asthma medication and had a lot of non-invasive surgeries...

And yet what happened?

Nothing.

This was her biggest secret. She would run into the restroom whenever she had an asthma reaction so no one could tell...

But she did not expect Harvey to point that out without knowing anything about her.

Everyone would start doubting her medical skills now.

Harvey did not stop trashing Maren after seeing the shock on her face.

“Can’t you see the gap between us?

“I can exactly discern your ailment, and you tell me I can’t save Watson Braff?”

Maren’s expression worsened.

“Fine! Even if you have a keen eye, that doesn’t mean you’re actually that capable!

“Do you think you can revive the dead?

“Are you playing God?

“Let me tell you something! Mr. Braff has been declared dead!”

In her eyes, a man in that state was already beyond saving.

“You want to bet?” asked Harvey while his hands kept moving around.

“If I can bring him back, you’ll have to mop the floors of Fortune Hall!”

Harvey realized there would be sick people visiting the Fortune Hall. That was why he also did not mind getting a doctor to help.

‘He wants me to mop the damn floor?’

Maren was completely infuriated after hearing those words.

“Fine! You want to play?!”

“If Watson doesn’t survive, you’ll wash the restroom in my house for the rest of your life!”

“Sure! It’s a deal!

Harvey instantly agreed.

“I suggest you look up a good mop online.

“My house is quite big. It’ll be a bit tiring to mop.”

“Heh heh! You should look up how to wash a toilet instead!

“How naive can you get?!”

Maren showed a cold look on her face, as if she was looking at a con man.

Harvey completely ignored her when he raised his hand. After gathering a hint of aura in his hand, he lightly tapped on Watson’s heart.

Pfft!

Watson immediately sat up as soon as Harvey was done.

“Aaah!”

The beautiful nurses screamed while they trembled in fear.

Maren and the others became instantly sluggish.

‘What the Hell just happened?’

“Is... Is he a ghost?” [Fast update on daotranslate.com]

Maren took quite a few steps back with utter disbelief written all over her face. Cold shivers were sent down her spine at this moment.

A supposedly dead man suddenly sprung up before staring her right in the eye.

She thought that this was some sort of horror movie plot.

The nurses fell to the ground, on the verge of tears.
