Soren Braff quickly rushed forward before covering up Watson Braff's artery with an excited look on his face.

"He's alive! I can't believe this!"

He could not even properly articulate his thoughts at this very moment.

Every single apparatus strapped to Watson was rapidly displaying numbers, showing that his vitals were completely normal.

Maren Failes and the others were in utter disbelief.

'He's alive?'

'That's insane!'

'How...'

'How is this possible?!'

Harvey York calmly walked toward Maren before raising her chin.

"Make sure you deal with everything else.

"Head to Fortune Hall when you're done.

"I'll be needing a few hands there, after all."

An hour later, Harvey sat on the chair at the hospital's entrance with his eyes closed.

It was not hard to bring Watson back, but it demanded a lot of energy from him to accomplish such a feat.

After all, he was using techniques that he gathered from the battlefield.

He was just waiting for the news, hoping that Watson could be successfully saved.

Half an hour later, Soren walked over with his injuries taken care of.

He borrowed some clothes from the hospital's security guard since his attire was previously stained with blood.

He quickly walked toward Harvey before slamming his knees on the ground without saying a word.

"Thank you, Master York!

"I'll be frank! Just say the word when you need me from now on! I'll do everything in my power to help!"

Harvey's impressive skills had convinced Soren, who had always regarded everyone below him.

More importantly, Harvey had already saved Watson twice.

No matter how ungrateful Soren was, at least he knew how to repay the favor.

"You're too kind!

Harvey quickly lifted Soren.

"Watson is a respectable man.

"It's good that he's alright."

"I see! I see!

Soren stood up and looked at Harvey momentarily before pulling out a bottle.

"I'll cut to the chase, Master York! Can you give me some of your blood?

"I feel like your blood is definitely a lifesaver! It can do anything!"

Harvey rolled his eyes.

"Do you think that I'm some sort of God with blood that can save anyone? to help!"

Harvey's impressive skills had convinced Soren, who had always regarded everyone below him.

"I feel like your blood is definitely a lifesaver! It can do anything!"

Harvey rolled his eyes.

"Do you think that I'm some sort of God with blood that can save anyone?

"The only reason my blood is like that is because I have a strong life force to counter the evil energy.

"Besides, the blood will be useless after it leaves my body for some time."

Soren was feeling doubtful. He clearly did not entirely believe what Harvey had claimed, but he would not dare to go out of his way just to oppose him either.

Harvey felt utterly speechless. He could not just blurt it to Soren that he had a strong killer aura to beat the evil energy.

"In any case, just draw a few talismans for me!

Soren was not going to give up anytime soon.

“I’ll take whatever you can give to protect people, change luck, or save lives!”

Naturally, Soren had complete trust in Harvey at that very moment.

Harvey let out a chuckle.

“Sure. I’ll prepare those for you once you finish the procedures.

“I don’t have the things to prepare those with me.

“That said, I’ll have to warn you. Those might not be useful either!”

Soren felt exhilarated.

“Of course! That’s settled then!”

Harvey lightly nodded before setting his belongings beside Soren with a smile.

“Help me take care of my things for now.

“I’ll go wash up.

“Of course.” [Fast update on daotranslate.com]

Soren lightly nodded.

Harvey turned around and left.

As soon as he entered the restroom, the phone he left with Soren suddenly rang.

Soren Braff glanced at Harvey York’s phone and saw Thomas Burton’s name on the screen.

Soren did not pick up at first, but the phone rang several times.

After remembering that Thomas was Harvey's driver, Soren finally picked up the phone since he was worried that something might have happened.

"Hello, Thomas. Master York's in the restroom..."

"This is bad! Those b*stards are in the hospital right now!

Thomas did not even check who was the person on the other side of the call. Screams of utter chaos were constantly heard from the phone.

"They said that they want you and your wife alive! They want you two to end up with a fate worse than death!

"Get your wife out of here, Sir York!"

'They want them alive?

'A fate worse than death?

Soren's professional instincts made him jump up immediately.

"Where are you?"

"We're still in front of the intensive care unit upstairs! They took Maya away, but..."

Pfft!

Sounds of a person coughing up blood were heard before a string of wretched laughs and insults echoed.

Soren's face quickly changed when he quickly asked for a nurse. After informing her of a few things and entrusting Harvey's belongings to her, he unhesitatingly rushed toward Mandy Zimmer's sick room.

The entire floor was in chaos.

A few minutes ago, a group of roguish men trashed the entire place.

They even slapped a few nurses, interrogating them where Mandy was before fiercely strutting over.

The man leading the group was an androgynous man named Jinny.

The security guards would not even dare stop the group of people after seeing such a dominant sight. They had no choice but to sit in a corner, trembling in fear.

The doctors and nurses screamed in fear when they moved out of the way.

The patients and their families quickly locked their rooms, afraid to even peek outside.

This was enough to see just how fierce the people were.

“Come out, Harvey, Mandy.

Jinny showed a playful smile.

“Head Marlon said he’ll invite you to a midnight snack if you listen...”

Maya Lee was immediately caught off guard. She instinctively tried to hide, but a few men had already strutted over before furiously slapping her down.

They thought that Maya was actually Mandy.

Then, Thomas quickly locked up Mandy’s room after turning off the lights and ran to the corridor’s corner to call Harvey’s phone.

After that, he rushed out with a bench, prepared to save Maya.

“Let me go! Let me go right now!”

A man pulled on Maya’s hair while dragging her across the floor.

A doctor mustered his courage to fight back but was immediately kicked to the ground.

“Let go of her, you b*stard!

“Pick on someone your own size!”

Thomas charged forward, but a few men kicked him down before he even got close to Jinny. He was completely beaten up while he rolled around the ground soon after.

Jinny did not even bat an eye at the sight as he pulled Maya up by her hair.

“You were the one who seduced Anthony Lee and got him hospitalized, you b*tch?” he calmly asked.

“You look pretty good! No wonder you’d do something like this! Fast update on daotranslate.com

“That said, I hate pretty women the most!”

Then, Jinny swung his palm across Maya’s face, sending her flying with a bright red palm print on her face.

“Where’s Harvey York?”

“Where’s that b*stard hiding?”

“Get him out of here already!”

Jinny’s feminine energy was mixed with the fierce look on his face at this moment.

Maya Lee’s face was utterly swollen when she burst into tears. She had never experienced something like this in her entire life.

“Stop f*cking crying already! Do you think I’ll treat you nicely just because you’re pretty?”

“I like strong men!”

Jinny gave Maya another slap across his face before he disgustedly let go of her.

“Get this b*tch out of here. We’re finding Harvey next,” he said with a cold smile.

Maya wanted to say that she was not Mandy...

But her entire body was trembling out of fear. She could not even utter a single word.

Just like a sheep completely surrounded by a pack of wolves, she was helplessly dragged to the elevator without any way of fending herself.

The nurses standing not too far away were crying profusely. It was an extremely miserable sight.

Thomas Burton gritted his teeth, trying to get off the ground when he was kicked down again. Blood immediately spurted out of his mouth a second time.

“You’re still hiding, Harvey?!”

Jinny lit a cigarette and blew out a puff of smoke, smilingly.

“I don’t like women, but my brothers sure do!”

“If you’re still not out by then, don’t blame me for what happens next.”

The elevator door opened at this very moment.

“Stop!”

“How dare you?!”

Soren Braff walked out with a righteous look when he coldly glared at Jinny and the others.

“How dare you do something like this in the middle of the day?! You’re uncivilized!”

“I’m the director of Golden Sands Police Station, Soren Braff! I order you to stand down immediately!”

“Director Braff?!”

Thomas felt completely exhilarated while he was on the ground.

‘We’re saved!’

Jinny blew out a puff of smoke before sizing up Soren’s uniform of a security guard before he scoffed.

“You’re the director? What’s the meaning of this?”

“If you can be the director of a police station, then I’m the city’s first-in-command!”

Jinny’s gaze was filled with doubt. He did not believe any of Soren’s words.

Soren was filled with righteous energy but was obviously in a security guard uniform.

‘Why is a security guard showing off here?’

‘What a joke!’

Soren asked for a different change of clothing when he was completely stained by blood. He did not think he would be looked down on just because of this.

“I’m warning you! Let go of them right now!” exclaimed Soren, glaring coldly.

“If not, I have the right to shoot you down!”

“Oh? Are you going to gun me down?”

Jinny blew out a puff of smoke while coldly chuckling.

“I’m so scared!”

“Do you think I’m that easy to be frightened off?”

“I’m a timid guy! That’s why I always like to have a sense of security! Come! Let’s show this security guard who’s boss!”

Jinny’s subordinates pulled out their firearms before pointing them toward Soren’s head.

Then, Jinny stepped forward before slapping Soren to the ground.

“How dare a security guard like you even try to ruin our business? Do you think you’re some God of War?”

Soren furiously tried to fight back, but the firearms around him immediately had their safeties removed.

Soren instinctively stopped himself. [Fast update on daotranslate.com]

In a short moment, Soren Braff's head was already covered in blood, and his face completely swollen.

He was boiling with anger, but he was immediately pointed at by the firearms around him whenever he tried to retaliate.

Thomas Burton kept struggling in the back.

“Stop! He’s Director Braff!”

“Oh? Is that so?”

“So what?”

Jinny smiled nonchalantly.

“Not just him; we wouldn’t even care if the first-in-command came here himself!”

Bam!

Right when Jinny was about to step on Soren's face, a bench was thrown at him out of the blue.

Jinny's expression changed before bracing both arms in front of him.

The bench fell to the ground, but Jinny had to take a few steps back after taking the blow.

He gritted his teeth in unbridled rage.

"Which one of you did that to me?!"

Sounds of slapping could be heard everywhere while Jinny was still completely infuriated.

The men who were dragging Maya Lee were all sent flying.

Harvey York's figure could be seen kicking aside the people surrounding Soren afterward.

Soren was finally saved.

"You alright, Soren?"

Harvey lifted Soren with an apologetic look.

If it were not for the nurse before, he would not have known what had happened.

He did not expect that everything would happen simultaneously. As soon as he went to wash his face, Jinny and the others came and got Soren all beaten up.

"Don't worry. I'm fine.

Soren wiped off the blood on his face.

"But trust me, the same can't be said for the others."

Soren would never take advantage of people...

But when a group of people was to commit crimes with illegal firearms as they pleased, Soren finally understood that he did not properly do his job.

He would not be able to forgive himself if he did not clean up the people in front of him.

Harvey lightly nodded while patting Soren's shoulder before calmly stepping forward.

"Who gave you the courage to touch my people?" said Harvey, glancing at Jinny.

"You're Harvey?"

Jinny came to his senses before he glared at Harvey.

"Why would I need the courage to touch anyone?" he said after coldly chuckling.

Harvey sized up the man in front of him.

"Are you here for Anthony Lee?"

He assumed that it was for this exact reason the people would show up with such fierce expressions.

"That's right! Head Marlon told us that anyone who touches his brother has to pay!"

Jinny showed an arrogant look.

"You may not know who head Marlon is..."

"He's one of the bosses of the city's underworld, Marlon Lee!"

"The man you laid your hands on is his older brother!"

"You're dead!"

Soren's gaze turned cold as ice after hearing those words.

"Marlon Lee?" asked Harvey curiously.

"Never heard of that guy."

Harvey had been meeting with all sorts of prominent figures and families.

Not only was he trampling on billion-dollar corporations, but he was also going against wealthy families of the Golden Sands.

A random man from the underworld was nothing to him. [Fast update on daotranslate.com]

“How dare you look down on Head Marlon like that, you b*stard?!”

“Do you want to die or something?!”

A fierce man was boiling with anger. He could not stand the fact that his boss was getting belittled.

He picked up a trash can before throwing it toward Harvey York’s face.

Bam!

Harvey kicked the trash can back without batting an eye, hitting the man in the head.

The man’s head was covered in blood before he completely passed out.

Harvey could not be bothered to talk any longer. While everyone was in utter chaos, he stepped forward and sent everyone flying with a single slap each.

In just under a minute, the fierce men were all twitching on the ground nonstop.

A simple movement was enough to show just how powerful Harvey actually was.

“B*stard!”

After seeing Harvey slapped his men aside, Jinny was filled with rage and fear.

He could not believe that someone this impressive was in Golden Sands.

After realizing Harvey was an expert martial artist, Jinny quickly pulled out his firearm and took the safety off.

“Don’t move!

Jinny pointed his firearm at Thomas Burton.

“Move, and I’ll kill every single one of you!”

The remaining few men pulled out their firearms with the safeties off before aiming at Maya Lee, Soren Braff, and Harvey.

Naturally, all of them knew how powerful Harvey was, so they were only trying to restrain him.

Harvey frowned.

Firearms would not be able to hurt him, so he was not the least afraid of them.

It would not be hard for him to deal with Jinny and the others...

But Soren, Thomas, Maya, and other innocent medical staff were also involved.

It would be bad if stray bullets were to hit any of the innocent bystanders.

After all, bullets have no eyes.

“How dare you threaten us with firearms ?!

Soren was boiling with anger. He felt his pride being put to the most extreme test at this moment.

“Do you know who you’re threatening right now?!”

Jinny coldly chuckled after seeing that his scare tactic was working.

“Who gives a f*ck?!” he exclaimed in an arrogant tone.

“If you keep yapping, I’ll put a damn bullet in your head!”

“You best not,” Harvey said.

“He’s the director of Golden Sands Police Station himself.”

“I don’t care!

“It doesn’t matter if he’s the king of Golden Sands!”

Jinny slowly stepped forward before putting the barrel of the gun on Harvey’s head.

“Stop showing off, you little b*stard! You hurt Anthony Lee, so we’ll have to settle scores with you no matter what.

“Head Marlon’s waiting for you. You better come with us quietly.

“If you don’t, I’ll shoot everyone else around you before you get a bullet in your damn head!”

“Forget about us, Sir York! You…” exclaimed Thomas instinctively.

Bang! [Fast update on daotranslate.com]

Jinny showed a cold glare before waving his hand. One of his subordinates immediately put a bullet in Thomas’ leg.

Blood splattered everywhere when Thomas grunted while lying on the floor.

His entire body was twitching in pain, but he did not even let out a scream.

Maya and the others completely lost all color on their faces after watching the sight.

They did not expect that Jinny and the others would be this ruthless to use their firearms without saying a word.

Jinny smugly glared at Harvey.

“Well? Are you coming with us or not?”

“What? You’re not answering?”

“We’ll do it again, then!”

Bang!

This time, Jinny pulled the trigger on Soren’s left arm.

Soren revealed a miserable and enraged expression, but he said nothing and only gritted his teeth.

The entire corridor was filled with the smell of blood and gunpowder.

“One last chance.”

Jinny pointed the barrel at Maya’s head, making her burst in tears again.

“Are you coming or not?”

“I know you’re good. I know you can fight...”

“But no matter how fast you are, how many do you think you can save?”

“If you keep resisting, they die!”

Naturally, Jinny was experienced with such things.

He knew how to deter capable fighters like Harvey.

As for morals and justice, none of that mattered to him.

All that mattered was taking Harvey down.

“You b*stard! If you lay even a finger on him, I’ll make your life a living hell!”

“I’ll make you regret coming into this damn world!”

“I don’t care who’s supporting you! I’ll f*cking kill every single one of you!”

Soren covered his arm while gritting his teeth.

“I’m a man of my word!”

He said those words with an aura of an elite.

A few men instinctively stepped back, frightened by Soren’s righteous tone.

They came to their senses soon after, and glared at him furiously.

In the first place, why were they scared by a man who they had beaten up completely?

How embarrassing!

“Regret?”

“You’ll kill us, you say?”

“Who the f*ck do you think you are?”

“How dare you talk to us like that?”

Jinny chuckled coldly and poked Soren’s head mockingly with his firearm.

“Do you think someone like you can actually scare me?”

“Maybe in your next life!”

“I’m warning you one more time: if you keep running your damn mouth, I’ll break your legs and turn you into a vegetable for the rest of your life! Do you want to try me?”

Jinny was just about to take action.

Soren wanted to lash out, but Harvey gave him a look and stopped him.

Harvey, who was usually a ruthless man, looked deathly calm.

“Enough. You’re all here for me right now.”

“These people are innocent.”

“A security guard, a driver, and a woman. You don’t need them in the first place.”

“I’ll come with you to Marlon, but...”

“You have to let them go.”

Harvey spoke just as calmly as he looked.

“But if you do so much as lay your finger on them, I’ll fight every single one of you here.”

“You should know I have the power to do that.”

Soren was resentful, but he understood what Harvey was trying to do.

Jinny and the others were holding firearms.

Harvey would be on the losing end if a fight broke out.

A wise man knows when not to fight, after all. [Fast update on daotranslate.com]

Jinny made a decision, but he had already been planning for the steps ahead.

He looked at Maya with a frown.

He had no interest in women, but his boss loved innocent-looking women like Maya.

As soon as Jinny saw Harvey’s cold glare, he knew Harvey wouldn’t hesitate to fight back if he forced the woman back with him.

Jinny would probably be the loser if that were to happen!

Jinny thought about the situation for a moment before finally deciding not to go against Harvey.

“Take him out of here!” he ordered coldly.

He planned to take Harvey away before looking for another chance to take Maya later.

He already knew what she looked like anyway, so he wasn't scared of her running away.

Harvey was pushed into the trunk of the Toyota Prado, a firearm pointed on his head all the way.

The car left the scene soon after.

Thomas and Maya had pained expressions.

Soren covered his arm and asked a nurse to bandage him. Then, he dialed a number on his phone.

“Send word! Get the SWAT team!”

Half an hour later, inside a villa in the city's suburbs.

The classic-looking villa resided beside mountains and rivers.

Tall walls surrounded the entire place. Electric wires, spotlights, and patrol officers could be seen everywhere. There were also many wolfhounds on guard.

Those who didn't know would think of the place as some sort of military garrison.

In actuality, this was Marlon's current residence.

He specialized in doing shady businesses like protection rackets, gathering gangs, and collecting money through means of violence.

His gatherings were usually very secretive as well.

Harvey was pushed out of the car by Jinny and the rest. Many people were kneeling on the concrete floor at the entrance, as if they owed money.

“What are you looking at? Do you think you can just look as you please?!”

Jinny screamed at Harvey, then dragged him to the side hall.

He had a fierce expression, and he was convinced Harvey had no chance to fight back since the latter’s hands were completely tied up.

Harvey didn’t mind that at all. He wanted to see the kind of place Marlon was staying in so he could deal with the situation at once.

Soon after, he entered the side hall.

A sign labeled “Loyalty Hall” was hung on the wall.

A golden statue stood in the middle of the hall, surrounded by flowers.

Anthony and Raven could be seen seated around the hall.

They were covered in bandages from head to toe. It was clear they shouldn’t be discharged yet.

Yet, in order to witness Harvey’s untimely demise, they came all the way here without hesitation.

After hearing that Harvey was caught by Marlon, they were dead set on crawling their way here.

They weren’t going to give up until they saw Harvey suffer.

They would only be happy after seeing Harvey being crushed to bits.

There were many more people around Anthony and Raven. [Fast update on daotranslate.com]

These people had been utterly humiliated in the Royal Clubhouse, and were here to reclaim their dignity.

Further, there were a few tall women standing behind the crowd.

One could see their sharp glares through their exquisite makeup, from which their high and mighty attitudes could be felt.

When they saw Harvey walk in, glee flashed in their eyes.

Before, he was always acting in such a dominant way-as if nobody could oppose him.

Yet in a blink of an eye, he was reduced into a prisoner. It was truly a miserable sight.

‘Country bumpkins like him would never get a chance to prosper in a city like this.’

Marlon remained hidden, for he believed Harvey had no right to see him.

“You didn’t think we’d meet again so soon, huh?”

Anthony burst out laughing as he held his head still.

“Just like I said! You can’t afford to go against me!”

“Not just now...”

“You’d have no right to oppose me even after ten lifetimes!”

“You’ve been acting tough back in the Royal Clubhouse! Why are you being so timid now?”

Raven slowly dragged herself in front of Harvey and tapped his face a few times.

“You damn b*stard! Do you think you’re impressive just because you can beat a few people at once?”

“Let me tell you something!”

“The waters here run deep!”

“In Golden Sands...”

“You have no choice...”

“But to kneel!”

“Besides, you’re just an ignorant young man!

What right do you have to show off here?”

“I’ll do it myself!”

“You smashed my head with a wine bottle!”

“I’ll break all ten of your fingers myself!”

Raven took a drag of her cigarette and blew out a puff of smoke.

“Trust me! I’ll make you feel real good!”

A twisted chuckle escaped her mouth after she said those words.

Harvey remained calm, not at all fazed by the threats.

A few beautiful women smirked disdainfully after seeing the look on his face.

They thought that Harvey was merely good at showing off.

‘He still won’t admit that he’s scared even when things have come to this?’

‘What’s the point?’

‘What a stubborn fool!’

“That said, there’s no need to be scared. I won’t lay a finger on you just yet.”

Seeing the cold look on Harvey’s face, Raven smirked mockingly.

She raised Harvey’s chin with her finger.

“When your woman’s back here, we’ll deal with you two at the same time.”

“Aren’t you Mandy’s live-in husband?”

“You didn’t even touch her after marrying her for three whole years!”

“Well, you’ll get exactly what you asked for soon enough!”

“We’ll make you watch your woman in the arms of another man! What a sight it’ll be!”

“Heh, heh, heh! Don’t be angry! Don’t be unhappy about this, either!”

“After all, you can’t do anything but accept your fate right now.”

Harvey had caused a great deal of humiliation to Raven.

To her, there was no point in torturing him physically.

Instead, she wanted his soul to collapse; she wanted to make his life a living hell! Only by that would she be satisfied.

Anthony snorted, his face a wretched look.

“I think I smell Mandy!”

“Tsk, ts, ts! As expected from a woman from a top-rated family! Pretty impressive!”

“She’;; definitely die and become a beautiful ghost after this!”

The men around Anthony chuckled when they heard that. [Fast update on daotranslate.com]

Some of them even swallowed their blue pills, their faces sinister and filled with excitement.

“Keep laughing. You won’t get another chance later.”

Harvey sighed; he felt no rage, but only pity.

“Life is already short enough, yet you people decide to take such a shortcut.”

“Sigh...”

Not only was Harvey completely void of terror, but he was even showing a pitying expression.

Seeing that, Jinny approached him fiercely.

“You’re a prisoner here, you b*stard! What’s the point of showing off now?”

Raven chuckled coldly.

“Are you saying that we took a shortcut ?”

“You’re the one who did just that!”

The beautiful women laughed their stomachs off after hearing Raven’s words.

After all, Harvey was still acting so arrogantly despite him already being a prisoner.

They thought that the live-in son-in-law was simply ignorant.

They started waving their phones around, waiting for the moment Harvey finally kneeled.

“I’m getting a little annoyed by you right now, kid!”

Jinny marched toward Harvey with a mocking expression.

“Grovel for mercy, and I’ll plead to Head Marlon for your life!”

“Maybe we’ll let you have seconds after we get a piece of Mandy!”

Naturally, Jinny wanted to reclaim the pride he lost at the hospital before.

“Move!”

Harvey immediately sent Jinny flying without hesitation.

Bam!

Jinny slammed right into a couch, and his body twitched upon the impact. He stumbled off the ground hurriedly, his face a wretched expression.

Everyone froze instantly, looking very much shocked.

After all, nobody would dare do something like that after being taken prisoner.

It was no different than a suicidal move!

‘Does this guy have a death wish?!’

A few vicious-looking men rushed forward and grabbed different parts of Harvey’s body, gritting their teeth furiously as they did so.

“How dare you do such a thing here?”

“Who gave you the courage?”

Jinny held his stomach as he raised a finger at Harvey.

Then, he picked up a machete in front of the golden statue and grinned maliciously.

“Hold him down for me.”

“I’ll cut his damn ear off. We’ll see if he keeps his act after that!”

Jinny’s men tried to hold Harvey’s leg down, but they were all kicked aside.

“If I were you, I’d be running right about now.”

Harvey’s face was the definition of composure.

“If my guess is right, you people are about to suffer any time now.”

“If you don’t do it now, you won’t get another chance to get out of here.”

‘Suffer?’

The beautiful women looked at him arrogantly.

Some pouted; some scoffed; some were glaring disdainfully at Harvey.

Safe to say that after Marlon became one of the bosses of Golden Sands, nobody dared to provoke him or take his position.

Besides, Marlon was being backed up by Blazer Estate.

A prominent figure was taking control of the company as well.

That man had connections throughout the entire city!

Everyone here didn’t believe that someone in Golden Sands would even go against Marlon.

With that in mind, they laughed.

“Are you trying to scare me, you b*stard?!”

“You don’t have the right!”

Boom!

Just as Jinny and the rest were about to waste Harvey, a loud explosion was heard outside..

The sound was scary enough to terrify everyone At the same time, the sounds of car engines, helicopters, and firearms could be heard as well.

Screams of pain rang outside. Even the fiercest of wolfhounds dared not let out a single bark at that moment.

Everyone could tell that it was a one-sided suppression.

Bam! [Fast update on daotranslate.com]

Someone kicked the door down, looking panicked.

“This is bad, Jinny! The police are here!”

“It’s the SWAT team!”

Everyone there trembled the moment they heard that. Panic colored their faces.

Harvey looked calmly at Jinny and the others.

“Looks like your time’s up.”

All the beautiful women looked at Harvey in shock.

They didn’t expect Harvey to be this accurate.

The entire villa was now in complete chaos.

Every single door was blasted open by explosives.

The place was quickly surrounded – nobody had the chance to run away.

Anthony, who had been acting all high and mighty moments ago, was frozen stiff.

“How did the police get here?”

“Who gave them the courage?”

“Don’t they know whose turf this is?”

“Do they want their jobs taken away from them?”

Raven instinctively tried to call for help, but she quickly realized that the signal was cut off.

“So what if the SWAT team’s here? Someone even said he was the director of the police station before!”

“Do they think I’m easy to fool?”

Jinny soon came to his senses. He was furious.

“Don’t be scared, brothers! We’ll go out together!”

Naturally, Jinny thought that Harvey brought his allies to play pretend.

The men snapped out of it and immediately took out their firearms, ready to step outside.

The beautiful women, on the other hand, were exhilarated. Jinny looked like a dashing hero straight out of TV.

At the same time, they glanced at Harvey haughtily, as if to say that no amount of support could help him.

‘Keep pretending!’

Bang, bang, bang!

A string of gunshots could be heard as soon as the people moved to the door.

They fell to the ground and wailed in pain.

None of them could fight anymore.

Jinny and the others were completely shocked. His fierce and capable men were taken out in a matter of seconds!

Soren marched inside with his men At that moment, he was dressed in his uniform. He appeared very dignified, and the badge on his shoulder alone could scare off countless people.

“Do you still recognize me?”

Soren walked toward Jinny and slapped the man around.

“You...”

Jinny froze, sluggish from shock.

“Aren’t you just a damn security guard?”

Slap!

Soren instantly slapped Jinny down.

“Remember : my name is Soren Braff ! I’m the director of the Golden Sands Police Station!”

After hearing those words, Jinny instinctively glanced at the badge on Soren’s chest.

His entire body shivered, and he blacked out instantly.

‘He’s actually the director?!’

‘How is that possible?!’

Jinny was filled with utter despair.

He knew he had gone against someone he shouldn’t have.

Not just him, Marlon and Anthony were getting dragged down as well!

This was irreparable damage! [Fast update on daotranslate.com]

Without Soren pulling any strings, judging from their crimes, they’d be shot to death a thousand times!

Raven and Anthony were baffled.

They didn’t think that just by going against Harvey, they’d get such a prominent figure to show up here.
