Raven and Anthony didn't understand why someone like Harvey would be friends with Soren.

He was from the Braff family, after all!

More importantly, with Soren's identity, why would he mobilize the SWAT team just for an ordinary man?

'Who is this guy?'

Raven and Anthony's faces darkened instantly.

They realized that they were done for.

The beautiful women were starting to panic as well. After seeing Harvey's gaze, the disdain on their faces immediately turned into fear.

He was clearly no ordinary man if the director of the Golden Sands Police Station would show up himself to save him.

Bam!

Soren swung his leg forward, breaking both of Jinny's legs without hesitation.

The sight immediately made Anthony pass out. Raven and the beautiful women's faces lost color after seeing what happened.

"Take them all back for questioning."

"Arrest or kill them as planned."

Soren looked at them with a cold glare.

"The government has already given us orders to prevent organizations like these that take advantage of people!"

"Golden Sands will not allow scum like you to exist!"

The entire villa was in utter chaos.

The evil underground organization was cleaned up overnight.

About a hundred people were arrested.

Countless ledgers and assets were dug up as well.

Dozens of innocent civilians who owed money to the organization were saved as well.

“Are Thomas and Maya fine?”

Harvey narrowed his eyes as he studied the golden statue in the hall.

“Don’t worry. We have the best doctors and psychologists with them.”

Soren’s expression was calm.

“I got people to protect your wife as well.

The SWAT team is on standby in case anything happens as well. She’s fine.”

“Things like this will not happen again.”

“I’m sorry for what happened tonight...”

“Master York.”

Naturally, what happened that night had completely convinced Soren of Harvey’s skills.

Harvey nodded before glancing at the people not far away.

“What do we do with them?”

“If they’re prime culprits, they’ll probably be executed.”

“If they’re accomplices, they’ll be locked behind bars for the rest of their lives.”

Not a hint of rage could be felt on Soren.

“I won’t abuse my power for things like these. After all, their crimes are big enough for them to suffer.”

“Marlon has a lot of ex-convicts with him, as well as people who are still on the run....”

“The people from the Skeleton Gang are here too.”

“The Skeleton Gang?”

Harvey frowned.

“What does he have to do with the gang?”

“After Mr. Pagan dealt with Skullface, the Skeleton Gang has been completely scattered,” Soren replied.

“It’s only normal that some of them came to Marlon.”

“It’s a shame. Before we caught them, they already ran away through the sewers.”

Soren seemed a little down.

Harvey nodded.

“I see.” [Fast update on daotranslate.com]

“Right. You don’t have to worry about this for now. I won’t drag you into this.”

Soren smiled.

“Nobody will know you’ve been here. Your name won’t show up in Anthony and Raven’s testimonies, either.”

Naturally, Soren had already prepared everything for Harvey since he knew that Harvey was a discreet man.

Harvey smiled.

“Just pretend I don’t exist at all.”

Harvey then asked Soren to take him home.

While on the road, Harvey frowned.

“Right. I haven’t seen Marlon yet, though.

How are we going to deal with him?”

He had never met Marlon before ; judging from the villa’s situation and Jinny’s way of doing things, though, it was clear that Marlon was a lawless outlaw. People like him weren’t easy to deal with at all.

Mandy would be in deep trouble if Marlon was kept alive.

“We’ll definitely go after him sooner or later.”

Soren revealed a gloomy expression.

“That said, I don’t have enough evidence to make sure he doesn’t come back out.”

“He’ll only be locked for a few years.”

“Since he rarely gets himself involved in all the heinous crimes he’s been working on in secret, he has connections from this city all the way to Wolsing.”

“These people won’t be able to stop him from being charged, but they’ll definitely do everything in their power to keep him alive.”

“That said, I’ll do my best to keep him behind bars for the rest of his life.”

Soren sounded a little hesitant when he said those words.

Marlon wasn’t that big of a deal, but Ronnie and the person behind the Blazer Estate weren’t easy targets either.

Even the powerful Braff family wouldn't dare go against such prominent figures willy -nilly.

Seeing the bitter look on Soren's face, Harvey smiled.

"No need to give yourself a headache over this. Unjust people are doomed to destruction in the end."

Soren chuckled bitterly, but didn't reply.

Harvey sat in the back of the car while calmly sending a text. He then asked the driver to head to the hospital.

... Twelve o'clock at night. A dark green Toyota Prado slowly drove on the street.

Bodyguards armed with loaded firearms were sitting in the car, all on high alert.

Marlon was sitting in the back.

He opened the window and blew out a puff of smoke while playing with his fidget walnuts.

He went to his mistress's home for a full meal before deciding to look at Harvey's miserable state back in the villa.

At the same time, he imagined himself sleeping with Mandy in front of Harvey.

Just the thought of it excited him.

Vrrr, vrrr, vrrr! [Fast update on daotranslate.com]

His phone suddenly rang.

He glanced at the number on the screen before snuffing out his cigar.

When he answered the call, his expression changed.

His organization was completely taken over by the police overnight.

His accounts, cash, subordinates, and hostages were all gone.

Anthony and Raven were thrown behind bars as well.

Marlon had no idea why all this happened.

He had no clue why he became a fugitive in just a short amount of time.

He knew the person through the phone could keep him alive if he stayed, but he'd have to be locked up for twenty whole years.

'Twenty years?'

'Would I still be alive after twenty years?!'

In the middle of the night, a grim look settled on Marlon's face.

After a long while, he finally took a deep breath.

"We're going to Wolsing!"

He believed he would rise to power again even if he left Golden Sands.

The driver and bodyguards froze.

Immediately after, the car turned into another direction.

Marlon knew the police were stationed at airports and train stations just to wait for him.

He wasn't even planning on going via the highway. He decided that open roads were the safest option.

Vroom!

When the car arrived at the edge of Indigo Mountain, two cars crashed into each other, blocking the road out of the Golden Sands..

A man and a woman were arguing about who should take responsibility for the accident.

Since they didn't move the cars away, the only way out of the city was blocked off.

Marlon's driver had no choice but to stop the car and wait.

Marlon was panicking; he couldn't wait any longer. He knew he'd be in deep trouble if the police were called here.

Marlon didn't hesitate to order his driver to drive forward. Then, he rolled down his window.

"Enough! I'll pay for this!" he exclaimed coldly, throwing money at the two.

"Move your damn cars! Stop blocking the road!"

The two froze. A second later, the man started to pick up the money on the ground.

"I'll get my car out right now," he said while bowing respectfully.

The woman stepped in front of the window and looked at him with a beautiful gaze.

"You're so manly!"

"Why don't you give me your phone number so we can have a little chat afterwards?"

Marlon's driver and bodyguards grinned.

'As expected of Head Marlon to be so charming!'

Marlon froze. He sized up the woman's gorgeous face and elegant figure, and considered relieving his boredom with her while on the run.

He pushed open the car door, smiling.

"Come in! Let's grab a few drinks together!"

"We'll all have some fun!"

He tapped on his massive bag by his side, revealing stacks of dollar bills inside.

The woman's eyes lit up, and she quickly scooted over to Marlon.

"You're so mean..."

Shwing! [Fast update on daotranslate.com]

Suddenly, she revealed a thin blade in between her fingers. She swiped through Marlon's neck and hopped back out.

The man picking up the money already had his firearm out; he rose from the ground and immediately pulled the trigger at the people inside the car.

Bang, bang, bang!

The driver and bodyguards were lying in a puddle of blood. They had no time to react to the situation.

Marlon was filled with nothing but rage as he covered his neck.

He wanted to speak up, but his neck was gushing blood like a fountain. He could feel his soul slipping away...

The woman smiled softly at him.

"CEO Ruiz told us to send his word."

"Sir York sends his regards as well."

Marlon felt utterly resentful.

He never thought he'd end up this way because of Harvey York.

It was a shame. There was no turning back at this point.

After Harvey woke up early the following morning, he put on some new clothes and took some cooked porridge to the hospital.

His eyes were cold when he arrived at Mandy's sick room.

He saw Silas and Alma inside as well.

The SWAT team must've let the two in after they told the team that they were friends.

At the end of the corridor, Lilian and Simon sat completely anxious.

"What the hell is going on here, Harvey?"

"Why is Mandy in the intensive care unit with her stomach being cleaned?"

"Say something!"

Lilian was furious, but she wasn't angry because of Mandy's horrible condition.

In her eyes, her money tree would be gone if anything were to happen to her daughter.

How was she going to enjoy the glory and riches of the elite world in the future?

Simon, who had usually been calm and collected, glared fiercely at Harvey.

"Talk! Don't think you can get away with this by keeping quiet!"

"Are you mute?"

Simon walked to Mandy's bed with a worried look on his face.

Harvey ignored the two, and glanced at Mandy. After making sure that she was breathing normally, he finally let out a sigh of relief.

Mandy was most likely still unconscious because she was too exhausted. There was still a little bit of alcohol left in her body causing this as well.

Harvey felt slightly relieved.

“Let’s not bother her sleep for now,” Harvey whispered.

“We’ll talk outside.”

“Mandy drank a little too much last night when she was meeting a client. That’s why...”

“Shut up! Enough!”

Silas glared fiercely at Harvey, looking as if he was Mandy’s actual husband.

“This is going too far!”

“Why are you still making all this stuff up?

How heinous can you get?”

“Mandy’s been treating you so well, and this is how you repay her? How can you live like this?”

“Have you no shame?”

Silas pretended to be extremely heartbroken as he spoke up righteously against Harvey.

“What will Aunt and Uncle Zimmer think?”

Lilian looked as if she smelled something fishy after hearing Silas’s words.

“Young Master John! Tell us what happened !” she exclaimed with a gloomy look.

“I trust your character!”

“I think my sister should tell you about the situation instead. She’s Mandy’s good friend, she wouldn’t lie to you!” Silas replied.

“If I tell you the truth, Harvey might just lash out at me. He’ll think that I’m here to ruin his relationship with Mandy.”

“I wouldn’t be able to defend myself with these scrawny limbs of mine!”

Simon grew furious after hearing Silas's words.

"He wouldn't dare!"

Harvey frowned. He decided to keep quiet and see what kind of tricks Silas was going to pull.

"This is exactly how it happened, Uncle, Aunty!" Alma said.

She revealed a pitiful expression. [Fast update on daotranslate.com]

"Harvey came to blackmail my brother and demanded three hundred million dollars from him. He even used the Newgate Chamber of Commerce to threaten us."

Alma decided to tell everyone about the incident to fan the flames.

Lilian was completely shocked.

"Three hundred million?"

"This b*stard's ruthless!"

Simon was stunned.

"Did this really happen, Harvey?" he asked coldly.

"It did, but this is reasonable compensation."

"I have a receipt from Archa Corporation."

"Enough! Are you still talking back even now?!"

Lilian shot him a bitter look.

“You’re just a damn live-in son-in-law!

Where would you even get all that money from?”

“Do you think we’d just believe you?”

“How dare you use such underhanded tactics just because of your own jealousy!”

“You’re shameless, Harvey! This is heinous!”

“Why didn’t I realize that before?”

Alma chuckled coldly.

“After Mandy was informed about this, she thought Harvey was being too reckless.”

“She tried to convince him to stop, but he shrugged it off, saying that a woman would never understand such a thing.”

“You know Mandy’s a prideful woman, Aunty. After getting rebuked like that by Harvey, she got furious. Unfortunately, she couldn’t express that.”

“That was why her heart wasn’t in the right place when she was discussing work with Anthony. She didn’t realize she was drugged until it was too late.”

“Mandy’s secretary quickly called Harvey to help, but he ignored it.”

“But my brother came as soon as he could after getting word of it!”

“He and Young Master John managed to save Mandy using the family name!”

“If it wasn’t for my brother, Mandy would’ve ended up way worse than this!”

Alma sighed.

“Silas did whatever he could just to save Mandy.”

“There’s always a cost in asking for Young Master John’s help…”

“But Silas would sacrifice everything just for Mandy’s sake!”

Alma made Silas look like he would go through the fire and flames just to have Mandy.

Compared to what she said about Harvey, Silas seemed like Mandy's Prince Charming.

"You b*stard!"

Lilian was boiling with anger after hearing Alma's words.

She immediately swung her hand at Harvey without even bothering to verify the situation.

"If anything happens to my daughter, I'll f*cking kill you!"

Harvey grabbed Lilian's hand, glaring coldly at her.

"This wasn't what happened."

"It wasn't?"

Lilian, however, felt nothing but unbridled rage.

"Is the blackmail real, then?"

"Weren't you the one who distracted Mandy?"

"If it wasn't for you, she wouldn't have drank in the first place!"

"If it wasn't for you, she wouldn't try so hard to become the head of the Jean family!"

"You're telling me all this didn't happen because of you?"

"Mandy put all her heart and soul just to remarry you! She did so much just for your sake!"

"Do you even have a heart? How dare you say such things?"

Simon was furious. [Fast update on daotranslate.com]

"It's been a while since we've met, Harvey. I didn't think you'd talk back like this and grab your mother-in-law's hand!"

Harvey frowned, and let go of Lilian’s hand.

He knew Lilian and Simon would never listen to him at this point.

“You useless filth!”

“I don’t know why Grandma Zimmer decided to bring you into the family in the first place!”

“Why did she decide to make you our live-in son-in-law?”

“I must be completely out of luck to have someone like you in the damn family!”

Lilian was breathing rapidly, boiling with anger.

She stumbled a few steps back, almost falling to the ground.

“Don’t get so worked up! You’ll hurt yourself!”

Silas quickly sat Lilian down like the good son-in-law he was.

“Don’t worry, Mandy’s fine. She’ll wake up soon enough!”

“I’ll take good care of her in the future. I’ll keep her away from those places.”

“Thank goodness you’re here, Young Master Silas! We wouldn’t be able to live without Mandy.”

Lilian revealed a miserable look on her face, though nobody knew if she actually felt that way.

After coming to her senses, she started pointing at Harvey with a furious look.

“Get the f*ck out of here!”

“Right now!”

“You want to remarry Mandy when you’re acting like this?!”

“Dream on!”

“Get out of here already!”

“Stay out of my sight!”

Harvey wasn’t fazed by the situation at all.

“I have a bit of responsibility for what happened as well, but...”

“Things didn’t happen this way.”

“I won’t tell you what happened since you wouldn’t listen to me right now. Just ask Mandy’s secretary what happened instead.”

“That said, I guarantee you she won’t get hurt like this ever again.”

“Heh! You talk like you’re actually some sort of angel!”

Alma scoffed coldly.

“All you did was hide around doing nothing when Mandy needed help!”

“What right do you have to say something like this now?”

Simon flashed Harvey a bitter expression.

“After everything Xynthia said about you, I thought you’d changed!”

“I didn’t think that you can’t even protect your own woman! What kind of useless filth are you?”

Harvey glanced calmly at Alma.

“Can’t you see who’s telling the truth right now?”

“Are you sure you’re going to embarrass yourselves like this?”

“Oh? Are you saying that you saved Mandy?”

“What right do you have to go against Anthony? Do you know who his brother is?”

he pressed.

Alma’s heart skipped a beat. Then, she gritted her teeth and pointed at Harvey.

“Are you still trying to take Silas’s credit?”

“How shameless can you get?”

“Admit to your faults already!” Simon snarled.

“Stop trying to talk your way out of this!”

“I’m saying this one more time: ask Maya for the truth,” Harvey said coldly.

“Leave!”

“I don’t want to hear from you ever again!”

Lilian pointed at the door.

“Move!” [Fast update on daotranslate.com]

Silas pulled out his checkbook and wrote a string of numbers on it.

“Here’s three hundred million ! Take your money and leave!”

“I have one request: stop harassing Mandy from now on!”

“If not, I’ll make sure to settle scores with you!”

Silas acted as if he was the actual son-in-law of the family.

Psssh!

Suddenly, Lilian stepped forward and tore the check into pieces.

"I'll take responsibility for Young Master John's debt, you b*stard!" Lilian screeched, glaring coldly at Harvey.

"If you want your money, then take it from my family!"

"Let me tell you something. This family always knows how to repay a favor! We'll never let someone who helped the family down!"

Simon glanced at Harvey. 1 "That's right! We should be grateful for Young Master John."

"If you want your money, then come to us for it!"

"Let me tell you something! We don't have the money, but we'll pay with our blood!"

"Kill us if you dare!"

"If you can't, get out of here already!"

Before Harvey could say anything, Silas had already stepped in front of him.

"Do you still not get it?"

"Leave right now!"

"Do you want them to stay angry?"

Lilian started beating on her chest.

“What a tragedy!”

Harvey noticed a frown on Mandy’s face, and didn’t want to explain his side of the story any longer.

He wanted Mandy to rest.

Harvey Maya would tell Lilian and Simon the truth.

Without thinking anymore, Harvey turned around and left the place.

When Harvey walked out of the hospital, a few Land Rovers could be seen parking in a row. It was quite an impressive sight.

The car door in the middle opened. Kellan came out, showing Harvey a respectful expression.

Harvey went inside and grabbed the cup from Kellan’s hand, and took a sip.

“Where to?”

“The Riverside Restaurant beside the Rio River.”

Harvey nodded before making a gesture.

Kellan sat in the driver’s seat and stepped on the pedal.

The Land Rovers followed closely behind.

The streets were filled with cars and people, and they instinctively made way as soon as they saw the convoy drive by.

The Land Rovers soon stopped right in front of Riverside Restaurant. It was a terrifying sight.

Everyone immediately looked over, thinking that a big show was about to come up.

The place was the most well-known breakfast restaurant in the entire city. It was said that the owner was from South Light as well.

Other than the authentic breakfast menus, the waitresses there were extremely beautiful as well. They were all clad in exquisite -looking dresses when they came out to welcome their guests.

Sweet smiles and alluring figures, along with the smell of tasty food, caught the attention of both the wealthy and powerful.

The breakfast was destined to be in chaos.

The moment the Land Rovers were parked in front of the entrance, the waitresses immediately stepped back with pale faces.

Kellan stayed inside the car, but the rest of the fighters came out with their masks on.

the same time, Westin showed up with a wretched look as he followed behind quietly.

“Let’s move!” [Fast update on daotranslate.com]

Harvey casually took off his jacket before heading into the restaurant with his arms crossed.

Kellan had just got word that Ronnie was enjoying his breakfast there.

It was rare for Ronnie to have his breakfast outside.

Alas, it was fated to end horribly.

Harvey would never let go of the man who put Mandy in such a sorry state.

A few of Ronnie’s bodyguards changed expressions as soon as they saw Harvey and the others.

“What the hell are you doing here?”

Harvey kicked the bodyguards aside without saying a word.

The rest of the fighters quickly spread out and covered every single exit of the floor.

At that very moment, the bustling restaurant became dead silent.

The customers on the first floor were shocked to see Harvey treating Ronnie's men in such a way.

After all, this was Blazer Estate's turf!

Harvey made a gesture without batting an eye, and his fighters pulled out their firearms.

The safeties of the firearms had been taken off. Meanwhile, the waitresses lay on the ground in fear.

Seeing that, Ronnie's bodyguards threw their metal rods away before fleeing out of the place.

Harvey made another gesture; the fighters threw the weapons on the ground into the flowerpots around them.

Westin, who was quietly following the group of people, carried a hidden weapon.

Murderous intent was written all over his face.

"Come on. Let's take a look inside."

Harvey clapped, then went upstairs with his arms crossed.

Bam!

The fighters at the front kicked the blinds aside. With that out of the way, they could see clearly what lay ahead.

Ronnie had a few people surrounding him, and the entire place reeked of alcohol. It was clear that the people had just been drinking.

Ronnie held a cup of tea, smiling.

“How dare he go against Anthony like that?”

He doesn’t know just how scary Marlon is!”

“Not only is he going to die, but his beautiful wife will be in another man’s arms as well.”

“I’ll take some of you out to play sometime!

That’s a woman from a top-rated family, after all.”

However, Ronnie immediately stopped talking when he saw Harvey leading a group of people. The entire second floor turned dead silent.

He was filled with nothing but shock.

“Ronnie Lee…”

“Ah, I meant Young Master Lee.”

“I didn’t think we’d see each other again.”

“I must’ve disappointed you!”

It was so silent, a falling needle could be heard.

Everyone was completely stunned. Nobody thought that Harvey would show up and challenge Ronnie!

Ronnie’s companions looked at each other.

Harley and Henley, who were in Ronnie’s arms, went stiff after seeing Harvey’s face.

They had been gossiping up a storm while relentlessly ridiculing Harvey before, but they couldn’t even say a word at the moment.

Harley was so shocked, she spat out the tea in her mouth.

Everyone was stunned.

They couldn’t believe Harvey was completely unscathed, let alone be able to barge into the place with such a fierce attitude in front of Ronnie.

While Harvey was walking slowly toward Ronnie, a man with long hair stood up furiously.

“You damn b*stard!”

“You think you can just barge in here like that?!”

“How dare you?”

Slap! [Fast update on daotranslate.com]

However, a fighter stepped up and kicked the man down without Harvey needing to lift a finger.

When the crowd returned to their senses again, they saw that the kicked man was left only with the strength to wail. He was twitching on the ground, in pain.

The beautiful women there instinctively screamed when they saw it.

A few other men grabbed their chairs, ready to take action.

Nobody expected Harvey would come all the way here to cause trouble.

Harley and Henley hid in Ronnie's arms, looking for security.

“Not bad, Harvey! Not bad at all!”

Ronnie didn't seem fazed at all. He quickly waved his hand to stop his companions from doing anything stupid.

“You're a lot more impressive than I thought! It's a shame that you're just too stupid.”

“Since you’ve broken out of prison already, you should be booking another stay by now.”

“You may look like a hero right now, but this is just a dumb act!”

“You’ll be gunned to death as soon as I call the police here!”

Ronnie threw his phone at Harley with a grin.

“Go call our inspector here, Harley.”

“Tell them we found a fugitive here!”

“I don’t want any rewards, but I’d like a Good Citizen Award.”

Ronnie then picked up his hot tea while looking curiously at Harvey.

After calming himself down, he realized Harvey didn’t have the power to challenge him anyway.

His background, support, influence, authority, and status were on a different level compared to Harvey’s.

Ronnie’s attitude calmed down his goons around him as well.

They glared coldly at Harvey, as if they were about to call for support.

Harvey, meanwhile, casually grabbed a clean cup and poured himself some tea.

“Enough, Ronnie. Stop pretending to be some sort of hot shot in front of me,” Harvey said after taking a sip of tea.

“Let me ask you one thing.”

“Did you tell Anthony to go to my wife?”

“Answer me like a man.”

“That’s right, I did.”

Ronnie answered the question with a cold smile.

"I wasn't happy with you disrespecting me before. I wanted to pay you back!"

"Come at me, then!"

"Do you think you're impressive, scheming against my woman?" Harvey hissed.

"Of course! Why wouldn't I be?"

Ronnie chuckled coldly.

"After all, it's boring to just go against you anyway!"

"Tearing your woman into pieces is more interesting!"

"This is what it means to torture someone's heart!"

"Of course, Mandy's only just the beginning."

"You have your sister and parents-in-law as well."

"I'll look for more people you love."

"Bit by bit, I'll crush every single person you hold dear in front of your own two eyes!"

"I'll make you live the rest of your life in regret!"

"This is what you get for going against me in the first place!"

Ronnie chuckled. [Fast update on daotranslate.com]

He spoke honestly without holding back, his tone unspeakably cold and malicious. He was like a snake, sending shivers down everyone's backs.

"Right. I'm glad to have this confirmation from you," Harvey replied calmly.

"After all, I'd always ask for proof before taking action."

"What? Are you angry? Come at me, then!"

Ronnie smirked mockingly at Harvey, challenging him.

“You beat people up, break out of prison, and now, you’re threatening a good citizen like me...”

“How are you supposed to explain yourself to the police?”

“They don’t even need to report the situation to their higher-ups if they gun you down!”

“Everyone here will testify that you deserved death!”

Ronnie’s words were filled with utter disdain. In his eyes, Harvey was just a small fry he could crush without any difficulty.

Harvey was just a country bumpkin who overestimated himself and went up against a powerful figure.

Ronnie had crushed countless people just like him.

Ronnie’s high and mighty attitude was satisfying for Harley and Henley to watch.

They were convinced this was the true appearance of a prominent figure.

They knew Harvey was destined to suffer that day.

“Don’t worry. The police won’t do anything to me,” Harvey said.

“You’ll suffer before I do.”

“Not many things piss me off, but attacking my wife is definitely one of them.”

“The people who go against her have no choice but to die.”

Harvey announced Ronnie’s death in a calm tone.

He dropped the cup in his hand to the ground, shattering it into pieces.
Everyone there was stunned to see it.

“You talk big...”

Ronnie’s grim smirk was still there.

“But there’s no point in doing that.”

“The police will make sure that you suffer!”

“Marlon’s men will show you a living hell!”

“As for Blazer Estate and I, a small fry like you has no right to even challenge us in the first place!”

Ronnie’s face was filled with smugness.

He took out a cigar and huffed it with a casual yet disdainful glare.

In his eyes, if it wasn’t for the Pagan family, Harvey would’ve been crushed countless times.

After all, not only did Ronnie have an extraordinary status, but he was also a martial arts expert.

After hearing Ronnie’s words, the beautiful women crossed their arms proudly while glaring at Harvey.

They thought Harvey was just a man with a death wish.

Swoosh!

Harvey didn't waste any more time speaking. He took a step forward and suddenly appeared right in front of Ronnie; without wasting any time, he slapped the latter in the face.

Slap!

The sound rang crisp and crystal clear.

A bright red palm print could be seen clearly on Ronnie's cheek.

"Do you really think I can't challenge you?"

"What makes you say that?"

Under the crowd's shocked gaze, Harvey grinned playfully and swung his palm forward again.

"I'm challenging you right now. What can you do about it?"

"Bite me?"

"You useless filth!"
