Darius Jackson was an upperclassman. He remained calm the whole time before he spoke.

"I know you mean well, Director Failes!

"I know you're trying to amend your mistakes for doing this!

"But you can't be causing trouble like this!"

Darius was showing a cold expression.

"Besides, we already lost all hope of the hospital, let alone the so-called genius here!

"Please leave right now!"

Mrs. Jackson was filled with rage.

"Out!

"All of you!

"If it weren't for you people, my daughter would've been wide-awake by now!

"If she dies because of this, I'll settle scores with each of you!"

Harvey York was not aggravated since he understood where Mrs. Jackson was coming from.

"Mr. and Mrs. Jackson, I seriously think there's something wrong with this man.

"It's best for you to trust me."

"Is that so?

"You're still trying to show off in front of us?

Mrs. Jackson showed a cold expression.

“You’re a young man, yet all you know is just to pretend!

“Where do you think we are?!

“This isn’t a place for clowns like you to show off!

“You can fool others, but you think you can fool us that easily?!

“Thank goodness we have equipment here as well! We would’ve bought into your lies if not!”

The crowd lightly nodded after hearing those words, thinking Mrs. Jackson had a good point.

Chana Jackson’s vitals were back to normal.

Why would there be a problem with Waylon Sacket, then?

Darius did not lash out like Mrs. Jackson but showed a cold glare while waving his hand, signaling for Maren Failes to take Harvey away.

“If you really don’t trust me, then I’ll just leave your daughter be.”

Waylon showed a prideful expression.

“I do want to see who else can fix such a troublesome situation other than me!”

“We don’t welcome you here!”

“Leave right now!”

Mrs. Jackson’s eyes twitched.

“Out! Out!”

Waylon showed a cold smirk after seeing the sight.

Maren frowned.

“Mrs. Jackson, we...”

“Director Failes, do you really want me to hold you accountable ?! I’ll strip you from your position if that happens!

Mrs. Jackson furiously screamed. Obviously, she was irked by Harvey’s actions.

“And you, little b*stard! Are you deaf?!”

“Get out of here right now!

“Stop trying to show off!”

Maren heaved a sigh.

She wanted to speak up for Harvey, but Nova Anderson’s incident was too disappointing.

She did not dare to continue.

“I’ll leave, but let me say something.

Harvey was unfazed by Mrs. Jackson’s attitude.

“Waylon’s using the Devil’s Hand.

“It can bring a person back to life, but only temporarily. [Fast update on daotranslate.com]

“Ms. Jackson will seem normal for about half an hour, but she’ll gradually lose her life force.

“In just twenty-four hours, she’ll die without a doubt. Even God wouldn’t be able to save her then...

“If you still don’t believe me, you can just keep Waylon here for a few days after Ms.

Jackson recovers. Then, you’ll know if I’m telling the truth or not...”

“Waylon here knows he won’t be able to save Ms. Jackson.

“That’s why he’s trying to use the Devil’s Hand to expend her remaining life force.

“He’d be able to take the money and go wherever he wants.

“Even if the Jackson family is influential, as long as he goes to Wolsing, Mordu, or even out of the country, what can you even do about that?

Harvey York’s calm words were piercing Waylon Sacket’s heart.

“I know you’re trying to make a big buck, Waylon.

“But you, of all people, should know that the Jackson family is not to be trifled against.”

“You’d be lucky if you manage to slip away after fooling them...

“But if they keep you here for more than twenty-four hours, you’ll be dead without a doubt!

“If I were you, I’d stop taking this risk. You understand, right?”

Then, Harvey left with his arms crossed.

“This is slander!

“I’ll sue you for this!

Waylon was utterly enraged.

“How dare you insult me like this?! This is simply untrue!”

Mrs. Jackson nodded.

“You’re extremely well-known! Of course we trust you!”

Darius Jackson lightly frowned after thinking about the situation.

"Is it fine if you stay around after you treat Chana, Waylon?"

"You can leave when she acknowledges you as her godfather. How does that sound?"

"Of course!"

Waylon showed a righteous look after realizing what Darius was implying.

"That kid's just spouting nonsense! I'm proficient in both medical skills and martial arts! Since I'm here to save Ms. Jackson, then there's no way I'll embarrass myself!"

"That kid's clearly a scaremonger!"

After seeing Waylon tap his chest with a determined look, Darius and his wife looked at each other before feeling slightly relieved.

Mrs. Jackson let out a cold chuckle.

"It'll be too easy for that kid just to walk away!"

"Get a few bodyguards here right now! I want to watch his bones break!"

"He must have a death wish, insulting Waylon like that!"

"That's enough. He's just a young man trying to show off. There's no need to go that far."

"Just give him a break."

Waylon waved his hand.

"I'll have to save my goddaughter now."

"Please, step outside for the time being. Give me half an hour, and I'll bring your lively daughter back!"

Darius and the others froze, thinking that Waylon must've been trying to prevent others from disturbing him.

All of them went outside without saying another word.

They all thought they would miss witnessing a miracle because of Harvey.

As soon as Darius closed the door, he felt a little apologetic before opening it again.

“Waylon, we promise...” [Fast update on daotranslate.com]

Waylon Sacket's movements were nimble and quick. He looked nothing like an elderly man at all.

Darius Jackson completely froze after seeing the sight. He finally came to his senses before rushing to the window.

Waylon had already stumbled his way to an unregistered van before it drove off.

“Goddamnit! After him!

“Get that old b*stard back here!”

Darius gritted his teeth.

The entire place was dead silent. Everyone looked at each other without knowing what to say.

Right as Waylon was running for his life.

Harvey York and Maren Failes came to Watson Braff's sick room not far away.

He was in a deep sleep with a few inspectors keeping watch outside.

The inspectors respectfully bowed after seeing Harvey show up.

"Master York!"

Naturally, they knew Harvey was the one who saved Watson. They also knew he had a good relationship with Soren Braff.

After checking on Watson's complexion and the equipment surrounding him, he left the room soon after.

Maren brought Harvey to the VIP lounge and poured him a cup of tea with an apologetic look on her face.

"I'm really sorry, Sir York!"

"I didn't think they'd embarrass you like that."

"That said, Mr. and Mrs. Jackson were just throwing a fit. I hope you will understand."

Maren felt utterly speechless.

She really did want to help, but not only did she get scolded for it, she also dragged Harvey down.

She felt extremely guilty for it.

Harvey smiled after looking at her exquisite face and smelling the refreshing scent wafting in the air.

"It's fine. It's no big deal anyway."

"I believe that the couple will apologize to us soon enough."

Maren froze.

“Is Waylon really problematic?”

“I’ve heard of him before. He’s a pretty well- known doctor.

“He wouldn’t need to scam people for money now, would he?”

“It’s not about that,” replied Harvey.

“The Jackson family is just too rich.

“He’d be able to live the rest of his life without worry if he even managed to fool them. He was completely blinded by his own greed.”

“Is Ms. Jackson going to die because of him?”

Harvey nodded.

“I wasn’t just kidding around. Once the Devil’s Hand is completed, even I couldn’t save Ms. Jackson.

“I know the art of killing, but I’m not a doctor.”

Maren’s face completely lost color.

“Then, why did you stop Waylon?”

“Ms.

Jackson’s so young. Is she just going to die like that?”

Harvey smiled.

“Mrs. Jackson treated me like a con man. She was also adamant about it.

“It wouldn’t work no matter how hard I try.

“Don’t worry. Since I already said everything in front of everyone, Waylon would do everything to find a way out of the situation unless he was actually stupid.

“He must have a death wish if he still tries to kill Ms. Jackson like this.”

Maren was worried.

“What if he does go on with his plan?”

“He wouldn’t dare. Darius is a cautious man. [Fast update on daotranslate.com]

Currently the manga has been translated to Chapter 4413. Let's read now the author's Harvey York's Rise to Power A Potato-Loving Wolf story right here

Knock knock knock!

Someone knocked on the door before it was opened.

Mrs. Jackson’s panicked yet beautiful face could be seen with a few bodyguards behind her.

She nodded in front of Maren Failes before rushing right toward Harvey York.

“I believe you now!

“Take a look at my daughter this instant!”

Harvey’s ability was already proven after seeing Waylon fleeing from the scene.

Along with surveillance footage proving that Harvey saved Chana during the car crash, the truth was more evident than ever.

That was why Mrs. Jackson came over immediately.

That said, because of her prideful attitude, her words were still filled with a sense of righteousness despite coming for Harvey’s help.

It was as if Harvey had no choice but to help her.

Harvey casually sipped his tea without even batting an eye at Mrs. Jackson.

“I’m sorry, but I’m not a doctor. Get someone else to help.”

Mrs. Jackson’s face froze before she showed a cold glare.

“Don’t you understand me, kid?!”

“My daughter’s sick! You need to take a look!

“If you keep stalling like this, and she dies because of it...

“Your life won’t even be enough to pay for Chana’s!”

Harvey merely shrugged.

“I told you, I’m no doctor.

“Find another doctor and not a con man like me.”

Harvey was displeased by the way Mrs.

Jackson was asking for help.

Maren was about to say something, but she could only heave a sigh after hearing Harvey’s words.

After all, she could not simply order a person who was not a medical staff.

More importantly, Harvey was just chased out like a stray dog...

And then Mrs. Jackson tried to get him back immediately after.

Obviously, it was not going to be that simple.

Mrs. Jackson’s face darkened instantly after seeing Harvey’s calm and collected expression.

“You understand me, kid?!”

“Aren’t you going to cherish the only chance I’m giving you?!”

“If you save my daughter, your fame will instantly skyrocket!

“I gave you this opportunity! Don’t you understand?!”

“You should know what’ll happen if you don’t do as I say!”

“The Jackson family does charity, but that’s not the only thing we can do!”

Mrs. Jackson was indirectly threatening Harvey, but her words were completely filled with a harsh tone.

Naturally, a small fry like Harvey should have listened to orders instead of throwing a tantrum.

Harvey did not even bat an eye at Mrs.

Jackson.

“Leave,” he coldly exclaimed.

“What’s with the attitude?!”

“You want money, right?!”

Mrs. Jackson was furious. It was her first time being rejected like this.

She threw a checkbook on the ground in front of Harvey.

“How much do you want?!”

“I’ll pay right now! Fast update on daotranslate.com

“Write however much you want!”

“I’ll even let you take the entire checkbook if you can save Chana!”

Naturally, Mrs. Jackson had seen many people who pretended to be high and mighty.

Most of them would flaunt their morals just for a quick buck!

And then what?

All of them would bend their bodies to the sight of money anyway!

Harvey York did not even glance at the checkbook while calmly sipping his tea.

“Leave. We don’t welcome you here.”

“You...

Mrs. Jackson was utterly agitated by Harvey’s words.

“Do you know the consequences of going against me like this, Harvey?” she exclaimed with a fierce look.

“I’ll chase you out of Golden Sands with a single phone call!

“I’ll even make everyone around you suffer!”

Mrs. Jackson’s threats were frightening.

Harvey raised his head before looking at Mrs.

Jackson.

“Just you?

“You don’t have the right.”

“You...

Mrs. Jackson was trembling in anger.

She thought she had already been polite enough, and yet Harvey was still being this disrespectful.

‘He obviously has a death wish!

Mrs. Jackson could not be bothered to talk any longer.

“Come! Break his legs and bring him with us!” she coldly exclaimed, pointing at Harvey.

“We’ll break his hands if he still doesn’t save Chana!

“And if she dies, we’ll bury him under her casket!”

Two bodyguards cracked their necks with cold glares after hearing those words.

Clearly, they were both skilled experts.

That said, before they could even get close to Harvey, he had already swung his backhand forward.

The bodyguards felt sharp pains on their faces as they were sent flying before slamming into the wall.

They were clearly in deep pain. Craze cracks were forming on the marble wall.

The entire place went dead silent!

Everyone froze.

The rest of the bodyguards were frantically twitching their eyes, speechless.

Mrs. Jackson’s body twitched after seeing the sight.

‘What a ruthless man!’

Nobody thought that Harvey was actually skilled enough to slap two experts aside that easily.

Mrs. Jackson quickly came to her senses before she coldly chuckled at Harvey.

“You’re pretty good, kid, but being good at fighting means nothing in this day and age!

“No matter how fast and strong you are, do you think you can even beat firearms?”

“Come! Take him down with your firearms!”

Naturally, Mrs. Jackson did not believe that a martial artist would be able to go against that.

The bodyguards regained their composure before pulling out their firearms.

But even before they could do anything past that, the door was kicked down again before a few inspectors pointed their firearms at the bodyguards’ heads.

Mrs. Jackson’s expression changed.

“Who gave you people the nerve?! How dare you go against the Jackson family?!”

“Do you want to die?!” [Fast update on daotranslate.com]

“I could say the same thing to you,” the leading inspector coldly exclaimed.

“Director Braff’s orders. We’ll take out whoever goes against Master York!”

‘Director Braff?!

‘Soren Braff himself?!

Mrs. Jackson’s expression changed despite her prideful attitude.

“Harvey York’s with the Braff family?”

“Master York is the family’s most esteemed guest!” exclaimed the inspector coldly.

“I know the Jackson family is quite powerful, Mrs.

Jackson...

“But I’m warning you. You better treat Master York with respect!

“If not, we won’t hold back for anyone! Not even Darius Jackson!”

The inspector’s words were concise and decisive.

Harvey lightly nodded at him before casually pouring himself another cup of tea.

“Sir York was also the one who saved Watson’s life,” Maren Failes interjected.

‘Isn’t he just a doctor who’s a little capable?

‘Isn’t he just some martial artist?

‘How did he become Watson Braff’s savior?

‘How is he the Braff family’s esteemed guest?’

Only the high and mighty Mrs. Jackson could not accept the fact.

She knew that the inspectors were clearly showing Soren’s will.

No matter how powerful the Jackson family was, they were still completely inferior to the Braff family.

After all, even money was no match for authority.

Mrs. Jackson felt utterly resentful. She wanted to kill Harvey so badly, but she had no choice but to hold herself back after thinking of her daughter’s survival.

“Fine!

“You’ve got guts, kid!

“That said, there must be something you want!

“Name a price!

“What can I give to make you save my daughter?!”

Harvey put down his cup with his legs crossed while squinting at Mrs. Jackson.

“I know that you have money and status, Mrs.

Jackson...

“But surely you don’t think you can just get whatever you want because of it, right?

“Do you think money is that attractive to me or something?

“If you really want me to name my price, then that’s simple!

“Slap yourself in the face three times and admit to your faults. I’ll go save Ms. Jackson after that.”

Mrs. Jackson froze before showing unbridled rage.

“How dare you speak to me that way, you b*stard?!”

In her mind, she was a superior woman with countless people under her...

And yet someone spoke to her this disrespectfully.

‘Does he want to die?’

“Enough idle talk.

Harvey seemed indifferent.

“Are you doing it or not?

“I’m leaving if you’re not.”

“How dare you, you bast...” exclaimed Mrs.

Jackson in a fit of rage.

“I’ll do it for you then, Harvey.

The door opened once again before Darius walked in.

Naturally, he had been waiting outside for the longest time.

As expected of a businessman to be this sharp.

Slap slap slap!

Darius walked in front of Mrs. Jackson before slapping her in the face without Harvey saying a word.

Mrs. Jackson was sent flying with a swollen face and blood trickling from the corner of her mouth.

It was clear that Darius did not hold back at all.

“I told you to ask for Master York’s help, and this is what you’ve up to?!”

Mrs. Jackson felt resentful after seeing her husband this fierce, but she had no choice but to follow after all that commotion.

Despite being all high and mighty, she had no choice but to hold back her anger.

“I’m sorry, Sir York! This was my fault!”

Naturally, even though her husband would usually pamper her, he would not just stand by and idly watch if she went out of line.

That said, Darius Jackson frowned as soon as he saw Mrs. Jackson's attitude.

"You're not even sincere about it!" he exclaimed coldly.

"Did I not teach you how to look the part?!"

Mrs. Jackson shuddered and slammed her knees before Darius before slapping herself twice.

"I was wrong, Sir York!

"Please forgive me!"

Before Harvey could even say anything, Darius walked in front of Harvey before respectfully bowing.

"I'm sorry, Sir York!

"We were being ignorant!

"You were kind enough to warn us, but we were the ones who chased you away!

"In any case, you can come for me if you still have grievances!

"I swear in the Jackson family's name that we'll never take revenge or have grudges toward you!

"Please! Save our daughter!

"She's innocent!"

Despite knowing that Darius was just a calculative businessman, Harvey lightly nodded after seeing his attitude.

No matter the case, he was being nice enough about the whole situation.

Since Harvey did not want to go against the Jackson family for such a small matter, he stepped forward before lifting Darius'

shoulder with a smile.

"Come. Let's take a look at Chana."

Soon, Harvey and the others came to Chana Jackson's sick room.

The moment he walked in, the high-end equipment was all beeping frantically.

Chana's heart rate was stopping!

She was losing blood pressure!

Her temperature was also dropping out of the safe range!

Inevitably, Chana was already on the verge of death.

Harvey could even see an entity lurking on her body.

According to the legends, this was her heavenly soul!

If this entity were to leave Chana's body, she would turn into a vegetable even if she survived.

The medical staff were panicking while losing all color on their faces. If anything were to happen to Chana, they would suffer as well.

"Master York! Master York!"

"What do we do now?!"

"Can she be saved?!"

Darius' keen senses were utterly replaced by utter panic.

Mrs. Jackson's face was also covered in tears.

"What do I do? What would I do without my daughter?"

Maren Failes was starting to get worried as well.

"Are you confident in saving Ms. Jackson, Sir York?"

"Of course."

Harvey lightly nodded before taking a step forward. He bit his finger and put a drop of blood on Chana's forehead, reeling her heavenly soul back. [Fast update on daotranslate.com]

Then, he poked her stomach to calm her energy.

Maren shivered after seeing the sight.

Naturally, Maren Failes had some knowledge of Eastern medicine despite being a Western doctor.

That was why she knew that Chana Jackson’s energy had to be calmed by an expert martial artist.

Only then would her vital signs return to normal to be operated on. If not, a single cut from the scalpel would cause her energy to go berserk. Nobody would be able to save her after that.

Maren’s heart was filled with nothing but shock when he saw Harvey casually calming Chana down.

Coincidentally, she was getting more and more impressed.

Since ancient times, only the young and well -renowned people were well-versed in both martial arts and medical skills...

Nobody in Golden Sands knew who Harvey was, but he could still easily perform at such a level.

‘How discreet is this man?’

‘Is this really just an ordinary live-in son-in- law?’

Harvey completely ignored Maren's astonishment. After dealing with Chana's energy, he poked all over her body to temporarily seal the energy.

"Mmph!"

After the final poke, Chana's body trembled before she spurted a mouthful of black blood.

Everyone was shocked after seeing the sight.

Mrs. Jackson was utterly terrified.

"What happened to my daughter?!"

Before Harvey could even answer anything, Chana was already coming back to her senses with a bright red face.

The Jackson family was ecstatic when they swarmed around Chana after seeing the sight.

Maren instinctively looked at the equipment before realizing that Chana's signs were all completely normal.

Then, she showed an odd expression when she looked at Harvey. She did not expect that he would be able to solve the problem easily.

"She's saved, Mr. Jackson," said Harvey, wiping his hands with some tissue.

"Remember, don't wipe the blood off her head for the next three days.

"Also, don't give her any blood.

"Let the hospital deal with the rest.

"That said, Ms. Jackson should never be practicing any sort of hidden martial arts again."

Harvey turned around and left after he was done talking.

Darius nodded incessantly before running off to make arrangements.

Mrs. Jackson froze before instinctively running in front of Harvey, blocking his path.

“What? Do you want more trouble?”

Harvey smiled.

Mrs. Jackson’s face turned bright red.

“I’m really sorry, Master York!

“I was the one who offended you!

“Please forgive me!”

Naturally, she was completely different than when she was forced to kneel.

The technique and class from Harvey had her thoroughly impressed.

After all, she believed she would not save anyone if she were disrespected to this degree.

Anyone would fight for themselves anyway.

Harvey chuckled.

“It’s all in the past, Mrs. Jackson.

“I’m not mad anymore. That’s why I saved Ms. Jackson.

“No need to keep this in mind.”

Mrs. Jackson was grateful when she deeply bowed in front of Harvey.

“Thank you so much, Harvey!”

Ten minutes later, Harvey York picked up a cup of warm Black Tea in the VIP lounge after washing his hands.

The tea was extremely smooth and fragrant.

Safe to say that this was delicious tea.

This was also Maren Failes' personal collection.

"Pretty good stuff!

"If you still have more, send me ten more pounds of this. I'll also double the price that you bought it for."

Harvey blew into the cup.

Maren rolled her eyes after hearing those words.

"These are old tree leaves we're talking about. Only three pounds of leaves are produced per year. I exhausted my connections just to get the ones I have here, and you're already going through them all!

"You want ten more pounds of this?

"Keep dreaming!

Then, Maren put a real estate certificate and a door card before Harvey.

"Mr. Jackson asked me to give this to you.

"The Verona One of the Ostrane Bay.

"Other than the villa of the government's first-in-command, there's no better place than this!

"The place is surrounded by mountains and water as well. It's breathtaking.

“I’m sure you’ll be happy with the place once you stay there.”

Harvey was surprised. He was a major shareholder of the Golden Estate, so he naturally understood the villa’s worth.

He curiously picked up the door card and took a few glances.

“The villa’s worth at least a hundred and fifty million.

“Countless families tried to use their connections to buy it from Darius Jackson, but he just wouldn’t....

“And now he’s just going to give it away that easily?”

As one of the city’s wealthy families, the Jackson family developed Ostrane Bay.

There were only nine villas in that place.

Money alone would not be able to get a small piece of land there.

Safe to say, this was enough to show just how much Darius respected Harvey.

“Just take it, Sir York.”

Maren showed a faint smile. She was shocked by Darius’ actions but understood that he would have to make friends with such a capable man.

Besides, Darius was also being apologetic about the situation.

Harvey smiled without saying a word.

“Mr. Jackson said that he had to care for his daughter, so there was no time for him to thank you personally!

“The house is just a small gift!

“He’ll be at your doorstep when his daughter recovers!

“Another thing. He also said that you have the full support of the Jackson family.

Harvey threw the door card aside. He really did not need something like this.

Maren showed a miserable look after seeing Harvey's actions.

"Mrs. Jackson told me she won't hold the hospital accountable if you take the villa!

"You're a good man, Sir York! You won't just watch me lose my job like that, right?

"I'm yours, after all!"

Harvey's eyes started to twitch.

"Fine! Fine!" exclaimed Harvey York after hearing Maren Failes putting the blame on him.

"Thank Mr. Jackson on my behalf."

"I got it.

Maren showed a bright smile.

“Right, Harvey. Since your techniques are that impressive, would you like to be a consultant here?”

“You’ll receive seven hundred and thirty thousand dollars per year! You don’t even need to do anything most of the time!”

“I’ll only ask of you during special circumstances.”

“Besides, that money doesn’t even include the bonuses! I’ll even give you all the earnings for curing the patients you treated!”

How does that sound?”

Naturally, Maren knew just how vital Harvey’s impressive talents were to the hospital.

That was why she hoped to bring Harvey in with such high pay.

Harvey glanced at Maren. He naturally knew what was on her mind.

“Thanks for the offer,” he said while shaking his head.

“But like I said, I’m not a doctor.

“I only know the art of killing. I only managed to save Ms. Jackson because I got lucky.

“I probably wouldn’t know how to deal with more complicated problems anyway.

“At most, I can only diagnose people through geomancy arts.

“Right. You better start cleaning up Fortune Hall starting tomorrow!

“If you don’t, don’t blame me for ignoring you when you ask for my help again...”

Then, Harvey left with the real estate certificate.

He was not talking about anything romantic.

Rather, he was just casually discussing his partnership with Mandy.

Mandy was open to talking. She was asking about things she felt confused about. The two felt quite in sync while bouncing back between the conversation. People who did not know would assume they were a couple.

Harvey squinted while watching the sight.

He wanted to see what Silas was planning to do so he was not rushing to head inside.

After all, he knew Silas was doing all this to spite him.

Right then, the harmony was cut short when Silas stood up.

He slammed his knee on the ground with a burning passion.

“I know this is too sudden, Mandy! [Fast update on daotranslate.com]

“But after seeing your beautiful face, I just can’t hold back anymore!

“I fell in love with you!

“I fell in love the moment I saw you!

“We’re both single right now, so can you marry me?

“I belong to the John family! If you trust me, the entire family’s resources will be yours!”
