“After all, Ostrane Bay only sells the highest- class villas and manors!

“Your family is on the verge of bankruptcy !

You should understand whether you have the right to be here or not!

“You need to be verified before coming here!

“If not, who in the right mind would even introduce you to the place?!”

Nova Anderson was in anger.

She dragged Mandy Zimmer here just to show off in front of her.

But she did not expect that Mandy’s arrival would constantly attract Calum Price’s attention.

She was annoyed.

She feared that her man would instantly ditch her, but she would not dare go against him either. That was why she had no choice but to lash out against Mandy at this moment.

Mandy was boiling with anger after hearing those words.

“Why would I need to experience this here?

“If it weren’t for you, I wouldn’t even be here right now! I...”

“What?! What?!

“You’re unworthy to be here in the first place!

Nova let out a scoff.

“The houses here are at least fifteen thousand dollars per square foot!

“Don’t think that you’re actually impressive for living in a rundown villa!

“You can’t buy a house here even if you sell yours!”

Nova showed a disdainful glare.

“Let me ask you! Do you think you can actually buy a property here?”

Calum wretchedly sized up Mandy.

He fantasized about her pouncing right into his arms after taking all the provocation.

“Alright, Nova! That’s enough!

Aunt Anderson showed a bitter look, but the words that came from her mouth were way harsher.

“You know that Mandy’s in a sorry state!

Why would you agitate her like this?

“You’re being so disrespectful!

“Other than the property’s price, you need to be verified before you can even buy anything here! No ordinary person would be able to own a house in a place like this!

“Even people like us can barely afford a small house here.

“Mandy and her family wouldn’t even be able to buy a garage!”

Mandy was utterly infuriated when she pointed at Aunt Anderson.

“You...”

Harvey cracked a smile before patting Mandy’s hand, calming her down.

Then, he indifferently glanced at the mother and daughter.

“Fifteen thousand dollars per square foot does sound quite intimidating...

“But we’d be able to afford anything here if we want to.”

“Tch!

“Are you sure about that?

“Who even gave you the right to buy anything here?

“Mandy’s ninth branch is in a dire situation right now! Her family also owes an enormous amount of money!

“She has nothing to spend on a damn house!

“Aren’t you scared of biting your own tongue?!

Nova glared at Mandy, She was filled with ecstasy after seeing the bitter look on her face.

Harvey utterly disrespected her before this.

So, it was only natural for her.

In her mind, dragging Mandy here was her best decision ever.

Not only was she able to ridicule Mandy, but she also managed to get Harvey into the crossfire.

‘Wow!

‘This feels great!’

With a hundred and fifty thousand dollars, her ego was through the roof! It was her first time experiencing what it was like to truly trample on others!

Of the A Potato-Loving Wolf stories I have ever read, perhaps the most impressive thing is Harvey York's Rise to Power. The story is too good, leaving me with many doubts. Currently the manga has been translated to Chapter 4461. Let's read now the author's Harvey York's Rise to Power A Potato-Loving Wolf story right here

“Enough, Nova! You shouldn’t keep rubbing it in!

“This is inappropriate!”

Dressed up like a flamingo, Aunt Anderson quickly came to mediate the situation.

“Harvey’s just saying that for the sake of his pride!

“We can’t just stop him from showing off now, can we?

“Besides, we’re people from the upper social circle! What’s the point of arguing with a live -in son-in-law anyway?

“We’ll just lower our standards!

“We should just pick a house soon! We still have procedures to go through later!

“The good units will be sold out once we’re done arguing with him! We’ll suffer if that really happens!

Aunt Anderson kept mocking Harvey while she glanced at the tabletop display. Her eyes lit up with admiration when she looked at the massive flat houses and villas.

After all, she would not be able to afford those houses. Her dear son-in-law would not spend this much money for no reason either.

It would be worthwhile if she even got a relatively small house here.

“Alright. You two should head back for now,” said Aunt Anderson while squinting.

“We’ll have to dine in a private club after this.

“You don’t have enough class to be with us.

You might just embarrass us with your ignorance.”

Before Harvey York could say anything, Mandy Zimmer lightly pulled him back.

Naturally, she knew there was no point arguing against the delusional mother and daughter.

If it weren't for Lilian Yates constantly pestering her, she would not even come here in the first place.

Afraid that Mandy would just leave without seeing him show off his wealth, Calum Price let out a cough before showing a smile.

"Alright, Nova. Pick any house you like."

Naturally, Calum wanted to amaze Mandy with those words.

Nova was only eyeing the small houses, but her eyes immediately turned toward the villa area after hearing Calum's statement.

"I'd like Number 49 here near the entrance !

"This is a good spot! Not only is it easy to park our cars, but it is also spacious with plenty of fresh air!"

Calum's eyes twitched. He glared at Nova with a hint of anger but quickly waved his hand after shifting his gaze toward Mandy.

"Right! How much is this one here?!"

A salesperson walked over with a book and a smile on her face.

"There's a special offer for Number 49 here!

It's not too expensive!

"All you need is..."

The salesperson pressed nine on her calculator a few times.

Calum furiously waved his hand, as if he had gotten a sweet deal.

"It's that cheap? 1.3 million dollars? That's nothing!

"I'll buy it! I'll pay the full price right now!"

"Mister.

The salesperson let out a cough to prepare Calum.

“You probably missed a zero. The house is thirteen million dollars.”

“Th... Thirteen million?! [Fast update on daotranslate.com]

Calum’s face immediately turned pale.

“That’s insane!”

He belonged to a wealthy family. His family had millions of dollars worth of assets, but there simply was insufficient cash flow.

His father would beat him to death if he learned that his son spent this much money on some woman.

“Come on, Young Master Price! It’s only thirteen million!

Nova Anderson smiled brightly before leaning on Calum Price, being all cute.

“That money’s nothing for you, right? I want this one!”

Naturally, Nova’s goals were simple. She wanted to bind the man down with the expensive house.

After all, she was considered a genius doctor and a wealthy lady.

After getting crushed by Darius Jackson and his wife, only the hospital knew about the actual truth for the time being. People who did not know still thought she was a genius.

Along with the money Darius gave her to run around high-class venues, many wealthy heirs had been trying to pursue her.

Nova picked Calum out of everyone. She wanted to bind him down so she could enjoy the rest of her life in glory and riches.

Calum was angry and scared at the same time, but he was an experienced man. He took a deep breath and pretended to take a few pictures before tapping his head.

“Nova, I just asked my personal geomancy expert about this.

“He said that the villa’s position is quite nice but also flawed.

“The direction the villa’s facing is bad for us.

“Simply put, we’d be taking everyone else’s bad luck if we do live there.

“We should listen to the expert and get another villa instead.

“Is there anything else with a similar price?”

Calum gave the salesperson a few looks, desperately getting her to recommend something cheaper.

The salesperson smiled after seeing Calum putting up a front.

“This one’s already pretty cheap, Mister.

“There’s a special offer for it because it’s near the entrance.

“Number 48 is twenty-five million dollars.

The others are of similar price as well...

“Number 1 can even reach a hundred and fifty million!

“That’s why Number 49 is the cheapest villa in the entire Ostrane Bay.

“There’s none cheaper in a place like this.”

The salesperson’s words alone were enough to make Aunt Anderson and Nova bitter.

“Just say that you can’t buy it. What’s with all that geomancy mumbo-jumbo? You can’t just say that you don’t want it for the sake of showing off like that.

Harvey York completely disrespected the mother and daughter unhesitatingly.

"If you think that the house is bad luck for you, why don't you get one of these two instead?"

"They're only forty million dollars each! The land is quite good too! With all this good scenery, you're destined to earn a massive fortune after living inside!"

"But can you even afford it?"

Harvey did not even hold back.

Calum showed a horrible look.

"You b*stard, you..."

"What's the meaning of this, Harvey?!"

Nova could not hold back any longer after seeing her man getting disrespected.

"Calum definitely can afford this! You're just a kept man! What right do you have to show off?!"

Aunt Anderson rolled her eyes.

"These are millions of dollars we're talking about!"

"Do you even know how many zeroes are there?!"

"Fine. I'll stop. [Fast update on daotranslate.com]"

Harvey smiled.

"Buy the house then! Pay up in full! Show me how it's like!"

After seeing Harvey York's faint smile, Calum Price felt completely disrespected.

He gritted his teeth before furiously slamming his card on the table.

"I'll buy it! I'll buy it right now!

"This one here!"

Calum pointed at the Number 49 villa.

He definitely was unable to fake having forty -four million dollars...

But he could still barely afford the house with the special offer.

"Right! I'll handle the procedures immediately!" replied the salesperson respectfully.

The purchase agreement was ready soon after. The signatures and blueprints were also placed after that.

"You're so handsome, Calum! I love you ten thousandfold!"

Nova Anderson happily grabbed the purchase agreement before wrapping her arms around Calum and kissing his cheeks.

'This man is just so obedient! I can't believe he bought me the villa!'

Calum, who seemed casual about the situation, was bleeding in his heart.

He spent almost fifteen million dollars at that moment. The family's cash flow was utterly gone.

His hopes of living his life in debauchery were up in flames...

But after thinking of Nova's title as a genius, he was destined to marry a remarkable woman.

He also believed that Nova saved Darius Jackson's daughter. With such a big favor, Calum knew that it was worth it.

If he married her, her connections would be his to control.

If he clung to Darius, the Price family would skyrocket immediately.

Despite Calum's anger, he had no choice but to force out a smile.

Aunt Anderson was filled with joy and surprise.

She only wanted a house worth thousands of dollars to show off before the Zimmer family.

After getting such an expensive villa, her ego went through the roof.

She was already imagining the sight of Lilian Yates' face after hearing about this.

Without a second thought, Aunt Anderson raised her head with a prideful expression, as if she was an upperclassman looking down on the people around her.

It was as if the others had no right to even show up before them.

"I bought my woman a villa, kid.

Calum took a deep breath before glaring at the person who started this whole thing.

"If you're that impressive, then you buy a woman a house too!

"You don't have to buy a villa either! Just get your woman a tiny house!

"Can you even do that?!"

Naturally, Calum completely belittled Harvey as soon as he laid eyes on Harvey. He wanted to find a way to disrespect him after ensuring that Harvey was Mandy Zimmer's live-in husband.

"Him? He wouldn't be able to buy it in his next life!

"He earns seven hundred dollars per month!

If he wants a house here, he should've started working since ancient times!

Nova disdainfully looked at Harvey, as if she was superior.

“It’s already good enough that he managed to live in the Zimmer family’s villa! He wants a house here? What is he even thinking ?!”

Nova was in high spirits. The anger that was suppressed deep in her heart was finally released.

More importantly, she finally managed to gain the upper hand against Mandy! This was a huge success for her!

“Congratulations,” wished Mandy calmly.

She did not care about worldly things like these but wanted Harvey to regain his reputation.

After all, a woman’s desire to win was strong.

“I’ll have to congratulate you too, Mandy. [Fast update on daotranslate.com]

Harvey smiled before bringing out Darius’ door card.

“Here’s the door card of the Number 1 villa.

‘The Number 1 Villa?!’

‘That’s a hundred and fifty million dollars?!’

The crowd was utterly shocked after hearing Harvey York’s words.

Aunt Anderson, who seemed extremely prideful before, instantly froze after seeing the card in Mandy Zimmer’s hand.

Nova Anderson could not help but slap herself in the face. After making sure that she was not dreaming, her eyes were filled with a mix of admiration, jealousy, and hate.

Even Calum Price, who thought of himself as a man in a wealthy circle, had cold sweats dripping down his back.

‘A hundred and fifty million-dollar gift!’

He could never afford that villa even if he sold his body!

Mandy froze after seeing the marks and patterns on the card.

“This is the Number 1 villa?” she instinctively asked.

“That’s right,” replied Harvey.

“This is my gift to you for our third anniversary.”

After hearing Harvey’s words, many people crowded over, admiring Harvey while gossiping up a storm.

Everyone was well-to-do, but it was their first time seeing someone spend this much money willy-nilly.

‘Now that’s a true tycoon!’

Nova forced a smile after seeing Harvey in the limelight.

“How are you unaware of what he’s capable of, Mandy?!”

“If he can bring that much money, then pigs are already flying!”

Aunt Anderson came to her senses before gritting her mouth.

“That’s right! Harvey’s just a live-in son-in-law! He lives off of his pocket change!”

“Do you think he can buy the Number 1 villa?! What a joke!”

“He must’ve bought a random card online to fool everyone!”

“He just wants to show off in front of us!”

“Let me tell you, Mandy!

“You can’t be that shameful just to show off!

Aunt Anderson showed a bitter look on her face.

“It’s not that I want to insult you, Harvey !

What’s the point of being this prideful anyway?

“People like us have always been discreet!

That’s why we’re that successful!”

“Excuse me!

“I’m the manager here.

“May I see the card?”

He looked at the card in Mandy’s hand.

Mandy lightly nodded before handing the card over.

“The card’s real. It belongs to the Number 1 villa.”

The manager took a few glances before scanning the card for its authenticity.

The mother and daughter felt miserable after seeing the sight.

They thought that Harvey bought a fake card...

But it was real.

Aunt Anderson and Nova wanted to slam their heads to the ground so badly.

Calum also started to panic. [Fast update on daotranslate.com]

He knew he had no way to disrespect Harvey any longer. He would be embarrassing himself as well.

After all, a fifteen million dollar villa was nothing compared to a hundred -and-fifty million-dollar villa.

At this moment, the manager's face darkened.

"May I ask where did you get the card from?"

"I didn't buy this. It's..." replied Harvey York instinctively.

"It's who?"

The manager glared coldly.

"You stole this, didn't you?"

Everyone froze before they showed odd expressions in front of Harvey.

'He stole it?'

'Is he insane?'

'He thinks it's his villa just because he stole a card?'

'He's crazy!'

The more they admired Harvey before, the more they despised him then.

They regretted seeing Harvey in that light before. They wanted to go back in time just to slap themselves in the face.

Mandy Zimmer lightly frowned before they worryingly looked at Harvey.

"You need to take responsibility for this,"

Harvey frowned at the manager.

"I'll show you responsibility!"

The manager snapped his fingers before a few bodyguards came.

“This is the Ostrane 1, the top villa of Ostrane Bay!

“It’s not for sale, nor is it mortgaged!

“This is the villa of our chairman, Darius Jackson himself!

“The card should be his!

“How did it end up here with you?!

“Don’t tell me you picked it up yourself!

“You wouldn’t be able to tell that it’s a door card for the Ostrane 1 if that were the case!

“Speak! Did you steal this from Mr. Jackson?!

“Tell the truth! If not, we’ll lock you behind bars!

The manager was fiercely interrogating Harvey.

He felt successful that day.

Not only did he completely disrespect a live-in son-in-law, but he also got to show off his strength in front of a beautiful lady like Mandy.

More importantly, he managed to find Darius’ lost door card.

‘This is a big deal!

‘Maybe I’ll get promoted the next day! I’ll get a beautiful wife as well! My life will flourish!’

“He stole it?!

Nova Anderson jumped up in excitement.

“I knew it! A kept man would never be able to buy such an expensive villa!”

“That’s right! Even I can’t get that much money, let alone him!” Calum Price exclaimed coldly.

Aunt Anderson was ecstatic when she realized she had a chance to kick a man while he was down.

“Oh, Harvey! How could you?!”

“I didn’t want to talk about you being such a greedy kept man!”

“But now you’re even stealing from people just to show off?!”

“Are you trying to embarrass your entire family?!”

“You let everyone down!”

“You let Mandy down! You let your in-laws down!”

“Where is your compassion?!”

Aunt Anderson showed a horrible expression, but the joy in her heart could barely be contained.

Naturally, in her eyes, she had won the battle.

“Harvey would never steal!”

Mandy stepped forward. She trusted Harvey.

“Don’t you dare slander him!”

“There must be some kind of mistake.” [Fast update on daotranslate.com]

Harvey looked at Mandy with admiration in her eyes. As expected from the husband and wife to stand together.

Though, the manager was quite unhappy when she stood up for Harvey.

He showed a wretched glare as he sized up Mandy.

"Even if Mr. Jackson's gone insane, he would never sell the Ostrane 1!

"You better tell it to us straight, or we'll send you to the damn police!"

The manager looked lecherously at Mandy Zimmer, reaching out to her shoulder so he could cop a feel.

Mandy stepped aside with a cold expression.

The manager was in a bad mood after seeing that.

"I gave you a chance because you're beautiful, lady!

"If not, the both of you might just suffer in the police station!

"You'll be charged for being an accomplice!"

Nova Anderson showed a prideful expression after hearing the manager's words.

"We all should know our limits, Mandy!

"You don't have to defend Harvey's shameless actions for the sake of your own pride!"

Mandy was so angry that she was on the verge of passing out.

"You..."

"I didn't buy the Ostrane 1, but I didn't steal it either," explained Harvey York.

"Darius Jackson gave it to me."

Mandy froze. She could not believe what Harvey had just said.

"What a joke!

“You must be joking!

“Mr. Jackson knows you?!

“He gave you the villa?!

The manager coldly chuckled with utter disdain and disgust.

“Are you insulting our intellect here?!”

The beautiful salespeople coldly glared at Harvey, thinking he resorted to such illegal things at a young age.

Nova let out a scoff.

Aunt Anderson shook her head.

“You’re still talking big now?! What’s the point?!”

“What’s all the commotion here?

A dignified yet beautiful voice echoed.

“Do you people think you’re standing in a damn market?

“How shameless can you people get?”

A few people in extravagant clothing showed up in front of the crowd.

The leading person was none other than Mrs.

Jackson herself.

Nova’s face instantly lost all color. She did not think that she would bump into Mrs.

Jackson here, of all places.

“Mrs. Jackson, good afternoon... I...

The manager rushed forward before pointing at Harvey.

“This thief stole Mr. Jackson’s door card...”

Mrs. Jackson froze before she chuckled.

“Who would dare do such a thing?”

“Me.”

Harvey smiled.

Mrs. Jackson shifted her cold gaze. Her entire body started trembling the moment she saw Harvey’s face.

“Master York! What brings you here?” she exclaimed with a smile on her face, running toward Harvey.

‘Master York?!’

The manager was shocked after hearing those words.

“You know this thief, Mrs. Jackson?! [Fast update on daotranslate.com]

“I’m here to look at the Ostrane 1,” said Harvey York calmly.

“I didn’t think a random manager would just call me a thief out of the blue.

“I’m afraid I’ll have Mr. Jackson give me a statement about this.”

Mrs. Jackson’s eyes frantically twitched.

She slapped the manager down without even hesitating.

Slap!

“Are you blind, you b*stard?!”

“Master York is our esteemed guest!”

“You called him a thief?!”

“Who do you think you are?!”

“Are you calling the cops?!”

“Do you have a death wish or something ?!”

“Get lost!”

“Get out of here right now!”

“We don’t need snobs who distort the truth like you!”

Mrs. Jackson was enraged.

Who was Harvey?

He was Chana Jackson’s savior, the Braff family’s important guest, a geomancy expert, and a martial artist. Even Mrs.

Jackson was previously crushed and was forced to beg for mercy.

And yet a mere manager dared to go against him.

‘Is he trying to kill me?!’

After all, Mrs. Jackson finally got Harvey’s forgiveness. Darius Jackson would not hesitate to end her life if he were to get angry again.

The manager’s expression instantly changed.

“Aunty, what...”

Slap!

Mrs. Jackson slapped the manager in the face again.

“Leave!

“Do you hear me?!

“Do you want me to repeat it?!

“Or do you want me to kick you out instead?!”

The manager covered his face. He would not dare to refute then.

He knew exactly how he would end up if he did.

He understood just how Mrs. Jackson worked.

Everyone was dead silent.

Nobody thought there were so many plot twists, let alone the fact that Harvey was the owner of Ostrane 1.

More importantly, Darius gave it to him.

The women’s eyes lit up, desperately wanting to pounce right into Harvey’s arms.

Aunt Anderson looked horrible after hearing those words.

Nova could not hold her anger back any longer.

“Mrs. Jackson! What right can a live-in son- in-law like that even accept the Ostrane 1?!”

Nova was so angry that she completely forgot that Harvey had even saved Chana.

Mrs. Jackson’s face instantly turned dark.

“Master York’s abilities are way beyond your comprehension!”

“Heh heh heh! Is that so?!

Nova let out a cold chuckle.

“How impressive is he even?!

“He’s just a kept man! He’s been relying on a woman to survive! He doesn’t even do anything on his own! What can he even do?!”

“You must be deceived, Mrs. Jackson!”

Nova could not accept the fact that Harvey was more powerful.

Slap slap slap!

Mrs. Jackson was boiling with anger after hearing those words.

She stepped up to Nova before slapping Nova a few times.

“How dare you?! [Fast update on daotranslate.com]

“If it weren’t for him, you would’ve been in jail by now!

“I’m giving you one day! If you don’t return the family one hundred and fifty thousand dollars, we’ll get the police involved!

“You’ll be locked behind bars!

“Now leave!”

Mrs. Jackson slapped Nova Anderson across her face. Her face was utterly swollen while she was sent flying.

‘I’m finished!

‘I’m done for!’

Nova fell to the ground, paralyzed. She covered her face when she burst into tears.

While on the way back home, Mandy Zimmer looked confused when she stared at Harvey York.

“What exactly did Nova do?

“Why did she owe Mrs. Jackson that much money?”

“Her daughter, Chana Jackson, got into a car crash. I managed to save her after bumping into the accident.”

Mandy froze.

“What? How? Do you have any medical skills?”

“I don’t. I only dragged her out before her car exploded.

“Nova was one of the nurses who came in an ambulance. She took credit, claiming she had saved Chana instead.

“That was why the Jackson family gave her the money.

“After Mrs. Jackson found out, Nova got unlucky.

“But since Chana was fine, she let Nova off the hook. Though, nobody expected she’d run away with her check.

“She also used the money to get a rich man.”

Harvey calmly explained the situation.

“I see...

Mandy seemed to have a revelation.

“No wonder Nova and her mother planned to buy a house at Ostrane Bay.

“Nova’s just pretending after all...

“A shame that she bumped into Mrs. Jackson again.

“Her villa’s gone. So is her man.

People like Calum Price were brilliant. After sensing the Jackson family’s hostility, he immediately grabbed the purchase agreement before stumbling out of the place.

“You should stay away from them.

Mandy held in her laughter.

“They’ll pester you for the rest of their lives for this!”

Harvey chuckled.

“We’ll talk about that after they settle their debt.

“It doesn’t seem like a lot of money, but ordinary people wouldn’t be able to make that much money either.

“More importantly, they must’ve spent a lot on their clothes.

“They’re in a bad spot now.

“The Jackson family isn’t as kind as I am either.”

Mandy sighed. Nobody knew if she was just pitying Nova’s luck or something else.

She immediately returned the door card to Harvey.

“I believe that you saved Chana. If the Jackson family gave you money for that, I’d believe you too...

“But this is just too expensive. I don’t trust this.

“They probably know that you’re capable at other things, so they’re using the opportunity to work with you.

“After all, there’s no free meal in this world.

“I appreciate the gift, but you should really return this.”

Harvey froze. He did not expect that Mandy would be this considerate.

He wanted to explain the situation, but in the end, he remained silent.

Revealing too much would only be harmful to Mandy. [Fast update on daotranslate.com]

"It doesn't matter what you give me, Harvey," said Mandy Zimmer after seeing Harvey York dejected.

"It's already enough that you remember our anniversary.

Harvey lightly nodded.

"I called you today to tell you to forget about the past.

"I'll also break ties with Silas.

"When Mother gets better, I'll talk to her as well.

"We'll get remarried soon.

"You shouldn't argue with her either, okay?"

Naturally, Mandy really cared for Harvey. 1 Harvey let out a bitter chuckle. Anything else would be easy enough...

But not Lilian Yates.

It was not that Harvey was weak. A woman like Lilian would cause trouble out of nothing at all.

Thomas Burton parked the car in front of the Zimmer family's entrance while the two were still talking.

Harvey hesitated.

"You should head in first. I'll just..."

"Get off! This is also your home!

Mandy instantly dragged Harvey down.

"You should stay here for the night."

Harvey heaved a sigh before helplessly following Mandy inside.

After heading to the main hall, the dining table was filled with all sorts of food.

Other than Simon Zimmer and Lilian, their good children-in-law, Gabriel Lee and Avery Foster, were also there.

The four were happily chatting together while drinking a bottle of 1982 Lafite. It was such a grandeur sight.

Dozens of gifts were set on the coffee table. A few of the packages had the John family's insignia on them. Clearly, Silas John had been here already.

After seeing Harvey show up, Lilian's face darkened before she coldly chuckled.

Simon's eyes twitched.

"Harvey! Mandy! You're here?"

"Come eat!"

Naturally, Simon still felt slightly guilty about what happened in the Royal Clubhouse.

Obviously, Lilian did not feel the same.

"Nonsense!"

"This food belongs to my dear son-in-law, not an ungrateful kept man like him!"

"Since you don't want to come home, then stay out of the damn place forever!"

Silas had been trying to save his relationship with the family. He would occasionally come to chat with Lilian while handing over gifts.

Silas was a young, handsome, and talented man in Lilian's eyes. As expected from someone from a top-rated family.

She believed she could be in the highest social circle if her daughter were to marry such a man.

She blamed Harvey for embarrassing her for what happened in the hospital.

That was why she was utterly enraged whenever she saw Harvey at home.

Gabriel and Avery had been avoiding Harvey ever since he embarrassed them.

After seeing Lilian relentlessly yelling at him, they were filled with glee.

Mandy immediately cut off her mother.

“Enough is enough, Mother!” she coldly exclaimed.

“Harvey’s been outside earning money!

“Why would you even complain about that?

“You wanted him to be successful!”

“I wanted this?

Lilian scoffed. [Fast update on daotranslate.com]

“What can he even do? Can he even make you the leader of the Jean family?

“Do you think he’s impressive just because he knows a few people in Golden Sands?!”
