“You can’t just know them for those people to be acquainted with you in this day and age!

“No matter how much you flaunt your strength, you’ll never be as impressive as those people!

“You can never change that fact!

“If you’re really that impressive, why don’t you bring in more businesses for Mandy then?! Why don’t you buy her a villa from Ostrane Bay?!”

Naturally, Aunt Anderson must have completely disrespected Lilian Yates after calling her.

That was why Lilian became more irritated than usual.

“Look at Young Master John! He got bailed out with just a single call from his family!

“His reputation alone can bring millions of dollars worth of contracts for Mandy!”

Lilian was heartbroken after reminding herself that Harvey York scammed Silas John and got him thrown behind bars.

After all, he was her best son-in-law! She would not let this go!

“Ostrane Bay?

Harvey spoke.

“I gifted her the Ostrane 1, but she didn’t want it.”

“Heh heh heh! The Ostrane 1?!

“The one that costs a hundred and fifty million dollars?!

Lilian froze before letting out a cold chuckle.

“Do you think you’re some hot shot just because you got a few compliments?”

“If you can even afford the house, I’ll kneel and call you ‘Daddy’!”

Gabriel Lee and Avery Foster scoffed at Harvey.

They did not realize that he would boast about buying the Ostrane 1 in the first place.

Mandy Zimmer’s face darkened slightly.

“Mother, enough...”

“Silence!”

Simon Zimmer waved his hand annoyingly before he stood up to mediate the situation.

“We’re all family here! What’s the point in fighting every time we meet?!”

“Harvey and Mandy are adults!”

“Just stay out of their business already!”

“Come! Get the Brunswick Stew out! Let’s all calm ourselves with it...”

Gabriel stumbled into the kitchen before bringing out a pot.

The pot was filled with many exquisite ingredients and a beautiful flower on top to accentuate the alluring smell of the stew.

Gabriel squinted at the bowls. Everyone had one besides Harvey.

Mandy could not stand the sight any longer.

“You can have mine,” she said as she pushed her bowl to Harvey.

Lilian squinted disdainfully after seeing the sight.

“I’d rather give this to a dog than him!”

“He’s unworthy!”

“This is simply wasteful!”

Harvey took a glimpse at the bowl of soup before frowning.

“We shouldn’t drink this.

“We’ll die.”

‘What?’

‘We’ll die?’

Everyone froze before showing odd looks at Harvey.

‘What is he saying? Is he trying to scare us off or something?’

“The viola on the stew comes from harsh winter, but it’s completely incompatible with the house’s geomancy.

“The viola is good stuff, but its effects will turn if it’s kept in the house for long periods.

“It’ll turn into poison after a while.

“We’ll die if we consume the stew in just a minute.

“It’s best that we don’t drink it.” [Fast update on daotranslate.com]

Harvey kindly warned everyone about the situation, but there was something he did not mention...

If Lilian did not change the house’s geomancy in the first place, they would have been completely fine.

“Oh? You talk like it’s actually the truth!

Gabriel Lee coldly chuckled.

“I might just believe you if you tell me the viola’s fake!

“How dare you talk like you’re actually some sort of geomancy expert?!

“You know nothing, do you?!

“Young Master John gave this to us! Why would there even be a problem with it?!

“His net worth is hundreds and millions of dollars! He’s been pursuing Mandy for the longest time! Why would he even hurt her?!

“Use your damn brain!”

Avery Foster let out a scoff.

“What an interesting live-in son-in-law we have here, huh? He’ll say anything he wants here!”

Lilian Yates crossed her arms and coldly chuckled while disdainfully glaring at Harvey York.

‘He doesn’t even know anything! He wouldn’t know something like geomancy arts in the first place!

‘He probably doesn’t know how to write, yet he’s spouting all this nonsense!

‘What a joke!’

Harvey frowned.

“Silas John sent this?” he asked while looking at Mandy Zimmer.

Mandy froze before she lightly nodded.

“Mmm. After he was bailed, he came over to give a bunch of gifts and left.

“We’re still working together on some of the projects. We’d look bad if we just parted ways like this.”

Harvey nodded without saying another word.

“Enough yapping, Harvey!

“I’m sure you haven’t even seen a dish like this! If you really want to save some of the stew, go ahead!

Gabriel chuckled.

“You can’t just say whatever you want just for food, you know!”

Mandy lightly nodded.

“You should have some, Harvey. It’s delicious.”

“You’ll really die from this.”

Harvey showed a stern expression. It did not matter if the others ate the stew or not, but he would not allow Mandy to suffer. He quickly grabbed the bowl from her hand before dumping the stew into the sink.

Mandy froze.

“Harvey, you...”

“You b*stard!

Lilian couldn’t hold herself back anymore.

She furiously slammed on the table before jumping around in rage.

“Do you know how much one bowl of that cost?!

“How dare you waste food like that?!

“Get this b*stard out of here, Mandy! Right now!

“Don’t you dare call me Mother if he’s still here!”

Lilian finally found a chance to lash out. She already wanted to chase Harvey out in the first place...

She immediately attacked him after he dumped the bowl of stew worth thousands of dollars.

Simon Zimmer showed a cold expression. He had shown Harvey so much respect, and yet he was still being this reckless!

“Aaagh!”

Watching the show with a spoon in her mouth, Avery screamed in pain before she fell to the ground, holding her stomach.

“Wh...”

Lilian and Simon’s expressions turned horrible immediately.

Gabriel Lee ran his mouth to the side before falling to the ground with his mouth foaming. He was twitching nonstop after that.

Mandy started to panic after seeing the sight.

“Mother! Father! What happened?! What’s going on?!”

“They’re dying. [Fast update on daotranslate.com]

Harvey already knew this would happen.

“I warned you we shouldn’t eat that.”

“Is this food poisoning?”

Mandy froze before she pulled out her phone to call an ambulance.

“It’s not that. Doctors won’t be able to save them.

“There’s not enough time.”

Harvey York spoke before pulling out some paper and cinnabar to help Lilian Yates and the others.

Mandy Zimmer froze.

“What are you doing, Harvey?”

“I’m drawing up a talisman to help them.”

He never liked Lilian and the others, but since they were Mandy’s parents, he could not just watch as they were dying.

“You’re not a doctor, Harvey! Don’t try anything stupid!

“They probably just have food poisoning !

What’s the point of drawing a few talismans?!”

Mandy tried to stop Harvey.

“Help me lift them to the couch if you really have the time.”

Mandy was dialing a number on her phone.

Harvey completely ignored Mandy when he dipped his finger into some cinnabar and smoothly drew on the paper.

He burned the paper inside a bowl and added some water.

He lifted Simon Zimmer with the bowl in hand.

Simon was terrified.

“What are you doing?! You’re insane!”

He was afraid of what Harvey was going to pour into his mouth.

Harvey pinched his mouth open before pouring the water.

“Blargh!”

Simon’s body trembled before immense amounts of black liquid spurted out of his mouth.

Harvey quickly went to the others and poured the water into their mouths.

Black liquid also spurted out of their mouths before they returned to normal.

Harvey helped everyone out in time. The people who ate the stew were not badly poisoned. After taking some rest, all of them recovered nicely.

They all felt extremely awkward. They were making fun of Harvey moments before they were on the verge of death.

If it were not for Harvey, they would have all been dead.

Mandy showed an odd expression when she looked at Harvey.

She knew Harvey had recently been into geomancy arts, but she did not expect him to be this proficient.

‘Is he actually a geomancy expert now?’

‘It hasn’t even been that long...

‘How is that possible?!’

“Sigh. Oh, Young Master John...

Lilian heaved a sigh while sipping on her water.

“He has good intentions!

“We can’t blame him for this!”

Gabriel Lee and the others nodded.

“That’s right! He was tricked as well!

“He’s always occupied with something every day! It’d be hard for him to avoid something like this from happening every single time.

“Maybe someone took the opportunity to sell him something bad!

“What’s with all that geomancy talk anyway? The viola must’ve expired or something... Haha...” [Fast update on daotranslate.com]

With Gabriel and Lilian's help, the entire situation was dialed down immediately.

Silas John became the man who got careless and caused an obvious mistake. Nobody even blamed him for the incident.

Harvey showed a playful smile. He knew Lilian was greedy but did not think she would go this far.

She did not change at all, even after everything that happened.

That said, Harvey did not dwell on the situation either.

"When you first came here, did you ask for a geomancy expert to redecorate the entire house?"

Lilian Yates seemed cautious after hearing Harvey York's words.

"You asked about me outside?! How dare you?!"

Mandy Zimmer froze.

"You believe in that sort of thing, Mother?"

Simon Zimmer immediately understood what Harvey meant before he spoke.

"That's right. We got Waylon Sacket, the well -renowned geomancy expert, to look at the place.

"He rearranged some of the spots too.

"Everything turned out nicely.

“Mandy’s branch was in deep trouble, but it improved with Young Master John’s help.

“We might even get filthy rich soon!”

Simon showed a faint smile. He was naturally satisfied with Waylon’s help.

Harvey frowned.

“Where exactly in the house did you change?”

“Why?”

Lilian was being cautious.

“You and Mandy are already divorced!

“The family has nothing to do with you now!

“Stop trying to leech off of Mandy!

“We gave a hundred and fifty thousand dollars of our savings for the geomancy expert!

“That’s why we’ll get half of the ninth branch’s benefits from now on.”

Simon showed a prideful expression.

After all, he was the one who gave the idea to ask for a geomancy expert’s help.

After getting tricked here by the Jean family, Mandy got a few big projects to work on.

Waylon was quite an impressive man, after all.

Harvey frowned after seeing the excited look on Lilian and Simon’s faces.

“Waylon’s already chased out of Golden Sands by the housing department. His license as a geomancy expert was also revoked.

“Simply put, he has no right to help other people with geomancy arts anymore!

“Besides, he was using drastic measures just so his clients could see immediate results with his geomancy arts.

Harvey briefly thought about the situation.

“We should get another geomancy expert to take a look here. We need to revert the changes as soon as possible.

“If not, the family will be in deep trouble...

“Geomancy could seal the fate for better or worse.”

“Enough!

Lilian furiously slammed on the table.

“Do you think you’re some sort of geomancy expert just because you can burn a few papers?!

“Do you even know what you’re saying?!

“The family’s been doing so well ever since we asked for the geomancy expert’s help!

“You must be scared of us getting rich!

You’re just afraid you’ll be even less of a match to Mandy!

“You want us to stay poor just for your petty profit!

“Are you even human?!

“Besides, Waylon is a true geomancy expert!

His daughter’s the captain of the housing department as well!

“Why would someone like that even get his license revoked?!

“I’m warning you!

“You better stop spouting nonsense!

"If you don't, we'll settle scores sooner or later!" [Fast update on daotranslate.com]

Lilian was filled with unbridled rage when Harvey obstructed her from getting rich. She even scolded Harvey relentlessly. It was a horrible sight...

Mandy quickly pulled Harvey back.

"You should stay quiet, Harvey. You don't know the whole story..."

Naturally, Mandy Zimmer knew her parents well.

A trustworthy person must have introduced the geomancy expert who cost a hundred and fifty thousand dollars.

If not, judging from their stingy attitude, they would never hand out ten dollars, let alone that much money.

Harvey York just shrugged.

"Of course, I hope there aren't any problems in the house too..."

"But you all saw what happened too. There are dire consequences for this.

"If it weren't for me, the entire family would've died by now."

"Bullshit!

Lilian Yates was boiling with anger.

"We only had food poisoning, yet you're blaming this all on geomancy?!"

"You better show proof if you're going to keep yapping about all this!"

“You’re just spouting nonsense!

“If you didn’t help us in the first place, I would’ve ripped your mouth apart at this point!”

Simon Zimmer sat up straight with a cold look.

“Enough of this nonsense!

“After Waylon was done with the house, we also got a few more geomancy experts to take a look.

“Everyone’s been complimenting the geomancy!

“Don’t you dare criticize Waylon’s work!

He’ll settle scores with you sooner or later!

“You should go upstairs! Don’t get your mother mad!”

Simon waved his hand, signaling Mandy to take Harvey and leave to prevent another argument.

Harvey knew how Lilian acted in the first place, but he did not expect Lilian to be this stubborn to be blinded by interest.

Waylon was already kicked out of the city. He would not be able to find him anytime soon.

Besides, judging from Waylon’s attitude, he probably would not come back to disrespect himself anyway.

“You need to convince your parents somehow, Mandy,” said Harvey quickly.

“We need to turn everything back to normal again.

“If that doesn’t work, we must get everyone to Ostrane 1.

“If not, there’ll be horrible changes that will happen to everyone.

“The family will collapse soon enough.

“You’ll be in trouble too.”

Mandy hesitated. She naturally trusted Harvey.

“How about this? I’ll get a few more geomancy experts to take a look tomorrow ...” she said after nodding her head.

Harvey nodded back. He knew that the conversation could not continue any longer.

Mandy needed to find proof so that Simon and Lilian would believe her.

More importantly, if the two would not reveal precisely where in the house was changed, Harvey would not be able to do anything about the situation either.

If he even got a little careless, the situation would be disastrous.

During the next few days, Harvey told Castiel Foster to revert everything to normal elsewhere.

It was good that Waylon did not cause too much trouble everywhere else. With the Aeon Hall and the Fortune Hall’s name, many business owners cooperated with Castiel, making everything much more manageable. [Fast update on daotranslate.com]

Thus, Harvey thought of letting Castiel deal with the Zimmer family’s house.

Voom!

On the third day, in the afternoon. Harvey’s phone rang before Mandy’s panicked voice was heard on the other side.

“Harvey, Mother’s in trouble!”

Harvey York froze.

“What could go wrong with her?”

“She’s been staying at home.”

“She’s taken away by the police! I don’t know the details, but I’m on my way to the station!

“Where are you right now?” asked Mandy Zimmer.

“I’m outside. Don’t worry! I’ll be there! We’ll talk after!”

Harvey hung up the call before quickly leaving in a cab.

Half an hour later, Harvey managed to get to the Zimmer family villa at the same time as Mandy.

The two locked eyes before rushing inside.

A few people sat on the couch inside the main hall.

Simon Zimmer, Gabriel Lee, Avery Foster, and a few distant relatives were there, along with an extremely eye-catching person, Silas John.

Harvey frowned after seeing Silas but did not mention anything at that moment.

Mandy froze.

“Why are you here, Young Master John?”

Silas smiled faintly as he looked at Harvey before shifting his gaze toward Mandy.

“I came after hearing about your mother, Mandy. Maybe I can help somehow.”

Mandy lightly nodded. There was no point in turning down Silas’ help.

“What happened here, Father?” she asked after walking to Simon.

Simon showed an odd expression.

“Your mother’s business has been doing well recently.

“She decided to buy a shop to sell some local products here.

“On the first day of business, an old woman passed out immediately after trying out the food in the shop.

“Everything else happened after the family called the cops.

“Soon after, the shop was closed down.

“The police and the Food and Drug Administration determined that it was a dire situation and that they needed to investigate it together.”

“The very first customer got poisoned?

Mandy could not believe what she just heard.

“How is that possible?

“I know where she buys the goods. She imported them from a distributor with Aunt Anderson!

“How did this even happen in the first place?”

Harvey squinted at the sight in front of him.

A hint of evil energy could be seen around the place.

“Didn’t I tell you already?” said Harvey instinctively.

“Didn’t you get geomancy experts to take care of the place?”

Mandy felt a little awkward.

“I heard that Reece Foley and Rodney Foster are the most well-known geomancy experts of Golden Sands, but I couldn’t find them for the time being...

“I’ll take them here when I find them.”

Harvey felt utterly speechless. He knew exactly where the two had been.

They had been secluding themselves in the back of the Fortune Hall.

Simon frowned. He could not believe that everything happened because of geomancy.

In his eyes, the incident happened because Lilian was simply unlucky.

Though, he did forget something. Luck was usually involved with geomancy anyway.

“Right. Now’s not the time to talk about superstition.

Gabriel coldly scoffed.

“We need to bail Lilian as soon as possible! [Fast update on daotranslate.com]

He completely ignored the important matter.

“Mother’s weak! She can’t stand a single day in such a harsh environment!

Harvey York could not be bothered with Gabriel Lee at the moment.

“Was the woman sent to the hospital too?

“Was she poisoned? Or does she have an underlying sickness in the first place?”

Simon Zimmer showed a confused expression.

“It must’ve been because of the food. Other than the woman, a few more customers also had stomach aches.

“The Food and Drug Administration is investigating the goods right now.

“You’ve been in Golden Sands for a while, Gabriel. Can you do anything about this? You have a good relationship with the government, don’t you?”

“Even if we can’t make everything fine for Mother, we can at least bail her, right?”

“After all, there are all sorts of people there.

The condition there is deplorable as well.

Mother’s been fed with a silver spoon her entire life. She can’t handle a single second behind bars.”

Naturally, Mandy Zimmer was still worried about her own mother.

Simon gritted his teeth after hearing those words.

“I warned her that she shouldn’t have worked together with that woman!

“She said that she could get cheaper products through her connections!

“Those products must’ve been fake!

“Goddamn that woman!”

Harvey felt more speechless after hearing Simon’s rant.

‘She opened up shop even after knowing that?’

‘With the family’s geomancy completely messed up, they’ll be in trouble sooner or later...’

“Is there really nothing you can do to help, Gabriel?”

Simon looked hopeful when he glanced at Gabriel.

After all, Gabriel was a local with a good background and connections.

He was hesitant. He knew it was the best moment to win Lilian over, but he still shook his head after a while.

“It’s not that I don’t want to help. I simply can’t do anything about it.

“The woman who got poisoned belonged to the Bolton family, one of the Hermit Families. She’s the mother of Azrael Bolton, the head of the family.

“With the family’s power, I’m afraid that there’s nothing I can do.”

“What?!”

Mandy’s expression changed instantly.

“Azrael’s mother?”

Harvey showed an odd expression.

Safe to say that Lilian was just terribly unlucky.

‘She just had to get in trouble with Azrael ...

‘That’s the head of the Bolton family!’

If anything happened to the woman, even the Jean family could not make anything better.

Lilian was done for.

“Sigh. The woman likes to go out and attend events outside.

“After seeing your mother doing sales in her shop, she became the first customer.

“Who knew that this would happen?

Simon showed a horrible expression.

“Your mother doesn’t even know who that woman is. If not, she would not have sold the products in the first place.

“Azrael must be angry because of the situation. He’ll pin the Zimmer family for this.

“Not only did he get the police and the Food and Drug Administration, but he also got the entire government to investigate the ninth branch!

“Even Gabriel wouldn’t be able to do anything about this. [Fast update on daotranslate.com]

Simon Zimmer looked admirably toward Silas John.

“Thank you so much, Silas!

“I didn’t think you’d still help us after what happened!

“We owe you a huge favor for this!”

“You’re too kind, Uncle! We’re family, after all!

“Who else am I going to help if not family?

Silas showed a smile as if he was on the same side.

“Don’t worry about Aunty!

“I’ll get my brother to deal with this soon!

Even Azrael will pay him his respect, I’m sure!”

Gabriel Lee slammed the table.

“That’s right! That’s right!

“Young Master John’s eldest brother is none other than Blaine John!

“He’s pretty discreet, but his influence in Golden Sands is immense!

“The Bolton family will definitely cooperate with him!

Then, Gabriel turned to Silas.

“The John family’s word is a lot better than ours!

“We’re saved!”

Simon jumped before firmly gripping Silas’ hand.

“We’ll have to rely on you this time, Silas!”

Mandy hesitated for a moment.

“Thank you, Young Master John.

“The family will thank you if my mother’s safe and sound!”

Silas showed a personable smile.

“It’s too early to talk about that! We haven’t dealt with the problem yet!

“You know me, Mandy. I don’t need you to repay me.

“In my eyes, your problems are mine too.

You don’t have to be so kind.

“Just ask me out for dinner after everything’s settled.”

Obviously, Silas’ goal was clear.

“Forget it.

“You don’t have the right.

“You don’t have to bail Lilian either,”

Harvey said.

“I’ll save her instead.”

“Shut your mouth!

Simon furiously slammed the table. He was utterly enraged at this moment.

“You have no right to speak right now!

“Why would we panic right now if you’re even slightly capable?!

“Why would your mother even need to open up shop in the first place?!

“Why would Mandy suffer so much just for a simple contract?!

“If you’re really that impressive, then why isn’t Mandy the head of the Jean family?!

“Let me tell you! If you can’t help right now, then stop embarrassing yourself!”

Naturally, Simon was not planning to go easy on Harvey because his wife was involved.

Gabriel scoffed after hearing those words.

“That’s right! Do you think just because you know Kellan Ruiz and Cliff Saban, Azrael will pay you his respect?!

“Dream on!

“Who do you think he is?!

“Even the heads of all the other Hermit Families might not get him to cooperate!

“His mother’s the victim here!

“In my eyes, only the John family and the Patel family might be able to deal with this!

Simon was furious.

Simon Zimmer showed a righteous look on his face.

It was a critical situation in his eyes.

Lilian Yates would have to stay behind bars for the rest of her life if the situation was not handled properly.

It was already bad enough that Harvey York would not help, yet he still dared to go against someone like Silas John.

‘He wants to die or something!’

“Apologize?”

Harvey calmly glanced at Silas.

“Can he even accept my apology?”

“What does that even mean?”

Avery Foster crossed her arms while scoffing at Harvey.

“You’re still causing trouble even now?”

Mandy hesitated for a moment.

“Maybe you should look for K...”

Gabriel chuckled coldly before Mandy could even finish her words.

“I’m not your actual brother, Mandy, but I should at least deal with the situation for your sake!

“You can’t keep helping Harvey like this!

“Father and Mother told me already!

“Harvey’s been doing well in Golden Sands because he’s Kairi Patel’s kept man!

“He’d do something this shameful just for his own interests!

“You should be an honest man instead!

“Look at me! I’ve had meals with Mr. Bolton and Mr. Gibson, but have I boasted about that before? Have I?

Gabriel glared at Harvey disdainfully.

“You’re just a useless kept man! What’s there even to show off?”

After recalling the humiliation Harvey gave, Gabriel wanted to crush Harvey so badly.

When he knew Harvey had been relying on Kairi, he was filled with jealousy and disdain.

Gabriel did not expect that he would have turned out this way if Kairi was not involved.

Harvey frowned.

“We don’t need Kairi for such a small matter.”

“What did you say?

Simon slammed on the table.

“Who do you even think you are without Kairi?!

“Since you like Kairi so much, then become the Patel family’s live-in son-in-law!

“Stop embarrassing the damn family already!”

“That’s why. We don’t need Kairi.”

Silas was getting annoyed after seeing Harvey still showing off.

He stood up with a bright smile.

“I can handle this.

“Don’t worry. I’ll talk to my brother about this.

“His word will carry more weight than Kairi’s!

“I’ve got the family covered! Don’t worry!”

Silas showed a gentle smile before leaving the place.

It was a rare opportunity for him to perform.

As long as he could get Mandy, torturing Harvey’s heart was way better than killing him.

“Where’s the woman right now, Dad?

Harvey looked at Simon while completely ignoring Silas.

“I’ll go see what’s going on.”

It was easy for Harvey to deal with the situation. Lilian would be out of jail with just a single call to Soren Braff.

That said, the root cause needed to be dealt with first.

If Harvey forced the situation and caused the woman to be in dire situation, the Bolton family would have a deep grudge against the Zimmer family. [Fast update on daotranslate.com]

The best way to deal with the situation was to save the woman.

“Why does it matter to you?

Simon furiously glared at Harvey before showing a bitter look before Gabriel.

“Oh, Gabriel! I treat you like my own son here! You need to think of something!”

"She can't handle it!

"We have to save her no matter how much money we give!"

"Don't worry, Father. I'm sure we'll think of another way!" reassured Mandy Zimmer.

Gabriel Lee gritted his teeth.

"Let's see what Young Master John can do, Father!

"If he can't bail Mother out, we'll think of another way!

"If that doesn't work, we'll go to court!

"As long as this isn't Mother's responsibility to handle, there's a chance!"

That said, Gabriel was a little scared when he said those words.

After all, the victims were from the Bolton family!

If Lilian Yates did hurt Azrael Bolton's mother by selling counterfeit products, he would chase Lilian to the ends of the earth.

He would not stop until Lilian was six feet under.

"I'll visit the Bolton family instead."

Harvey was planning to ask for Oskar's help if he could not handle the situation.

As long as the woman could be saved.

Gabriel coldly chuckled.

“What can you even do there?! Tell us!

“If you’re going to beg for mercy...

“They won’t bat an eye if you slam your knees in front of them!”

“When did I say that I was going to beg for mercy? I was just going to ask about the situation,” replied Harvey.

“Heh heh heh! There are many medical experts here in Golden Sands, but none managed to save Azrael’s mother! What’s a live-in son-in-law like you going to do about this?!

“You’re not going to tell them that the geomancy’s bad or something, are you?

“Even if they believe it, can you even do anything?

“Are you kidding me?”

Simon let out a cold chuckle.

“You useless b*stard! Why are you still pretending at such an important moment like this?!

“How did the Zimmer family even get a live- in son-in-law like you in the first place?!”

Simon could not help but slam the table.

*** In the afternoon, Harvey finally came back to the Fortune Hall.

Right when he was about to ask where Azrael’s mother, Grandma Bolton was, Saul Robbins suddenly called.

“What’s going on, Saul? [Fast update on daotranslate.com]

Harvey did not plan to beat around the bush.

“Are there other people causing trouble to the Golden Estate after Ronnie Lee’s gone?”

“No! No! The company’s doing great! Leona Foley’s quite an impressive lady too! She’s extremely proficient at geomancy, after all!

“All the customers trust her! The lands she recommended would all be sold out instantly! She’s a genius!”

Saul kept praising Leona nonstop.

“Right. My wife’s been in a good mood lately! We’re planning to have a baby after getting ready!

“This is all thanks to you, Harvey!

“I’ll get the junkyard soon! As you said, we’ll build a city garden out of the place!

“All you need to do is sit back and watch the money roll in!”
