“Copper coin?”

Kian Foster casually glanced over.

His entire body trembled before he frantically bent down to pick up the coin with tender care.

The others were utterly shocked before they ran over with their arms out.

“Let me see! Let me see it!” exclaimed the others excitedly.

“Show it to me too! Hand it over!”

Simon Zimmer got curious after seeing the sight.

“What’s so good about that? It’s just something from a random stall, right?”

Kian completely ignored Simon before pulling out his instrument to inspect the coin.

He told someone to grab a bowl of water before slowly putting the coin in.

Mandy Zimmer and the others were confused. They did not know what was going on at the moment.

Thud thud thud!

The water’s surface was pulsating, as if the coin was the mouth of a fountain.

A faint projection of a gazebo could be seen underneath the surface.

It seemed a little fantastical but felt like something that once existed.

“The Cinder Coin!

“It’s said that a king of ancient times secretly built an entire palace for one of his mistresses! He hid clues about the palace inside a copper coin!

“We’ve always thought of it as a legend! I can’t believe it’s here before our eyes!

“The coin actually exists...

“Maybe the palace is already gone at this point, but the coin itself would still be extremely valuable!”

“What? Is that true?

Simon immediately stood up excitedly.

“Is it that valuable?

“How much money are we talking about?”

Kian shook his head.

“It’s priceless! Priceless, I tell you!”

“I can’t believe the Cinder Coin’s real!”

screamed the other experts.

They were desperately trying to reach for the coin as if it was some sort of drug, but they were also afraid to deface such a sacred treasure.

“Oh, Simon! It’s priceless, but it’s useless for you to keep it here anyway!

“I’ll give you fifteen million dollars right now!”

“Fifteen million?!

“Are you kidding me?! I won’t let it go for less than seventy million!”

“To Hell with you! Why would you even need it when you’re not into archeology?!

“Enough yapping!

“I’ll give you a hundred and fifty million!

“That said, I’m buying this for the country, not for myself!

“Things like these belong in the museum for the world to admire!”

At this moment, Kian righteously spoke. He naturally did not want the coin to end up in the black market.

Lilian Yates and Gabriel Lee were shocked.

They did not think that the dull-looking coin could be worth that much.

Simon was so shocked and embarrassed by the sight as well.

He finally believed Harvey York’s words at this point.

Mandy’s body quivered when she showed a horrible expression.

She knew that she had misjudged Harvey.

How nice would it be if she just trusted him in the first place? [Fast update on daotranslate.com]

Maybe the two of them would have been holding hands while getting praised by everyone...

“Where... Where’s Harvey?”

A disheveled woman ran inside the villa before hugging Mandy’s leg.

Mandy Zimmer looked down before seeing Nova Anderson’s face.

Mandy immediately lifted her before speaking.

“What is it? You can also tell me.”

Nova kept shaking her head.

“It’s useless telling you this, Mandy!

“You need to get Harvey York here! Harvey’s our family, right? I need him to tell Mr.

Bolton to release my mother!

“She’s been suffering in jail for the longest time! She can’t eat or sleep properly. She also keeps getting bullied by the people inside...

“Harvey-no, Sir York saved Lilian! He can save my mother too!

“Tell him to forget about the past! We’re relatives, right?! We’re bound by blood!”

Tears were flowing down Nova’s face. It was a miserable sight.

Lilian Yates felt annoyed after hearing those words.

“Enough nonsense, Nova!

“That b*stard had nothing to do with me getting bailed!

“Young Master John’s brother got me out!

“Isn’t that right?!”

Lilian pridefully glanced at Silas John, as if he was her capable son-in-law.

Silas’ eyes twitched before showing an awkward smile.

“Yeah! What can Harvey even do for you?!”

Gabriel Lee quickly stood up for Silas.

“Young Master John dealt with everything with just a single phone call!

“He’s the best!”

Nova looked as if she was watching a clown making a fool out of himself.

“What the Hell are you saying?!”

“Just say it if you’re not going to help! Why are you still pretending at this point?! You call us relatives?!”

“What do you mean Silas dealt with everything?!”

“Can he single-handedly save Grandma Bolton and make her live longer?!”

“Do you think I’m an idiot or something?!”

“The entire hospital knows that Harvey saved her! That was why Mr. Bolton released Lilian!”

“The only reason she got compensated was because Harvey didn’t accept Mr. Bolton’s consultation fees!”

“Do you really think he’s that easygoing if that weren’t the case?!”

“Do you think he’d just apologize and give away money that easily?!”

“What are you even thinking?!”

Nova had the most say as one of the people involved in the situation.

She spilled everything out in rage when she thought nobody wanted to help.

Her words completely shocked everyone in an instant.

The place was dead silent.

Lilian was stunned.

She could not believe that the dear son-in-law she picked was not the one who saved her but the one she completely looked down on.

It was already bad enough that he tried to take the credit for what had happened in the Royal Clubhouse...

And yet he also did the same thing for Azrael Bolton’s situation.

‘What...?’

Lilian's face was bright red.

It was just too embarrassing.

Simon's hand shivered as well.

He kept going against Harvey the entire time, unrealizing he had done something wrong until then.

Maybe he should not have tried to take the Augustea from Harvey. Probably he should not have chased him out without any explanation.

Perhaps he was the better son-in-law after all... [Fast update on daotranslate.com]

Gabriel Lee and Avery Foster looked at each other before instinctively stepping away from Silas, thinking they had clung to the wrong person.

Mandy shivered before tears started flowing down her face.

She knew that she had truly misjudged Harvey then...

Harvey York was not thinking about the Zimmer family's incident after returning to Fortune Hall.

He believed everything would be revealed in due time, just like the Royal Clubhouse incident.

More importantly, his mind was set on Evermore.

He called Kairi Patel when he thought about the situation.

After a few rings, the call finally got through.

Kairi's sweet voice could be heard from the other side.

"Hello, my dear Sir York. Don't you have to rest at night?"

Harvey looked at the clock. He felt speechless when he realized it had not even gone past ten o'clock.

"You sleep that early?"

"Enough chatter. Did you get anything out of Tosu and the others?"

Kairi sighed before hearing countless screams on the other side of the phone.

"I used everything I could," she replied after letting Harvey hear the things happening there.

"I asked everything I could too.

"These people are disciples of the Oeus Temple. They're pretty impressive...

"But they're no different than the lackeys in Evermore.

"You won't have any evidence to link Blaine to anything.

"Even if these people serve him, it wouldn't do us any good without solid proof.

"After all, Blaine's the young master of the John family-the successor of one of the top ten families.

"Without concrete proof, both sides would be in utter chaos if word were to spread about this."

Harvey nodded.

"No rush. There's always time for him to expose himself.

"As long as he's from Evermore, there'll be more chances for him to screw up.

"For now, we'll just sit back and wait."

Kairi smiled.

“Affirmative. I’ll get a few of my men to handle this. Nothing will be revealed.

“Just keep doing your thing, Sir York.”

Harvey bitterly chuckled after hanging up the call.

‘As expected from the Poison Fairy herself....

‘Tosu and the others really want to die at this point...’

That said, this had nothing to do with Harvey.

The monks started to kill as they pleased after joining Evermore. It was only natural for them to end up like this sooner or later.

When Harvey was done prepping for sleep, his phone started ringing again.

After glancing at the screen, Harvey heaved a sigh before picking up.

It was Xynthia Zimmer.

“I heard you had a fight with Mandy again, Harvey!

“Does that mean that I have a chance?”

Xynthia started giggling on the other side.

“It’s all because of your mother anyway,”

replied Harvey.

“So what if I go through it another time?”

“Tch!

Xynthia pouted.

“I don’t care! You’re still my brother-in- law, no matter what!

“I’m going back to Golden Sands tomorrow.

“Remember to come pick me up! [Fast update on daotranslate.com]

“Also, take me somewhere nice to eat!”

On the next day, early in the morning. After running around the place the entire morning, Harvey York told Thomas Burton to fetch Xynthia Zimmer together.

To avoid an awkward situation by bumping into the Zimmer family, he specifically asked Thomas to drive an outdated BMW Seven Series.

Thomas was a little confused but still agreed.

Four o'clock in the afternoon, the car was on the way to the Golden Sands International Airport.

It was a smooth ride at first, but when the car came to an intersection, a Porsche 718 sped through before quickly making a U- turn.

Thomas stepped on the brake out of shock, but the old car brakes were not as responsive. The car slammed right into the side of the Porsche, completely deforming the door of the passenger’s seat.

Harvey frowned while he was sitting behind the car.

“Just give them the money.”

The Porsche was the one that broke traffic laws, but he did not want to waste any more time there.

“Got it. I’ll handle this.”

Thomas pulled out his wallet before walking out of the car.

The driver of the Porsche also stepped out. A woman with an exquisite figure in a Givenchy black skirt could be seen.

Fishnets were covering her long legs as well.

They looked extremely alluring under the bright sun.

The woman had beautiful makeup and an appealing aura, but she also showed a high and mighty look.

Before Thomas even spoke up, she crossed her arms while sizing him up before disdainfully glaring at the BMW.

“Can you even drive, you b*stard?!” she exclaimed coldly.

“Do you know just how expensive my damn car is?!”

Thomas frowned before he remembered what Harvey told him.

“I don’t want to cause more trouble, Miss.

I’ll pay for the damages here,” he replied quietly.

The woman was boiling with anger after seeing the look on Thomas’ face.

“Are you mad?! I literally just got the car imported here!” she screamed furiously.

“I needed to pay thousands of dollars just for this car!

“The value’s going to depreciate when I sell it off again!

“Let me tell you something! If you don’t give me twenty-eight thousand dollars, I’ll settle scores with you sooner or later!

“Either you pay for the damages right now, or we wait till the cops come over!”

Before Thomas could pull out his wallet, he started getting riled up after hearing the woman’s words.

After all, he was the Garbage King. His temper had a limit.

He only calmed himself down because of what Harvey told him...

And yet the woman only kept pushing her luck without even considering that.

"You want to call the cops? Fine!" exclaimed Thomas after letting out a cold chuckle.

"Though, you better think twice before you do that!

"I don't want to cause trouble, but I'm not afraid of it either!

"You made a U-turn in front of my damn car! This was your fault!

"Maybe you'll be the one paying for the damages instead!"

"Oh? A loser with a BMW is talking back at me?

The woman pointed her nose directly at Thomas' face. [Fast update on daotranslate.com]

"Do you know how expensive my car is?!

"I'm giving you three minutes!

"You'll pay me seventy-six thousand dollars right now!

"If you don't, I'll get people to break your damn legs!"

The woman pulled out her phone, as if she was about to call for backup.

Thomas Burton frowned.

“Can’t you be a little more reasonable about this?”

“Reasonable?”

The woman let out a cold chuckle.

“How old even are you? You don’t know that background, authority, and status are the most essential things in this world?”

“Laws are made to trick peasants like you!”

“They’re useless against people from the upper social circle like us!”

After seeing the woman being so headstrong, Thomas put away his wallet with a cold expression.

“Fine. If that’s the case, we’ll call the cops then.”

He planned to call a cab to send Harvey York away before having a long chat with the woman...

Slap!

Right as Thomas pulled out his phone, the woman was infuriated, thinking he was trying to call the cops.

“How dare you use the cops against me, you b*stard?!”

Thomas stumbled a few steps back before covering his face.

“You hit me?!”

Slap!

The woman gave him another slap.

“So what if I did?!”

Slap!

“You think I can’t?!”

Slap!

“Do you know who I am?!”

Slap!

“How dare you go against me when you’re driving a car that isn’t worth anything?!”

Slap!

“You don’t have the right!”

The woman fiercely screamed at Thomas while slapping him around. He could not even come to his senses when he stumbled backward.

Right as she kicked Thomas to the ground, Harvey stepped out of the car.

Slap!

Harvey immediately swung the back of his palm across the woman’s face.

“Don’t you know everyone’s an equal before the law?”

Slap!

“People driving straight ahead should be going first!”

Slap!

“You broke the law, yet you’re here causing trouble?!”

Slap!

“Do you think you’re impressive just because you wear a fake Givenchy skirt?!”

Slap!

“Do you have any idea what you’re doing for slapping my brother around like that?!”

Slap!

Harvey slapped the woman around without restraint. Her face was utterly swollen as she kept stumbling back.

The high and mighty-looking woman immediately froze in front of Harvey.

She gasped. She could not even come to her senses at that moment.

She could not accept the sight in front of her.

She had always been the one taking advantage of others, not the other way around.

“You’re still too immature!

Harvey lectured Thomas with a speechless look on his face.

“We should be discreet since we don’t want to draw any attention...

“But why should we hold back against people like that?

“Since you’re with me now, nobody would dare to go against you if you slap her anyway.

“No matter who you’re dealing with, I’ve got your back.”

Harvey gently patted Thomas’ shoulder. [Fast update on daotranslate.com]

“You b*stard! You damn b*stard! How dare you hit me?!

“Do you want to die?!

“You know who I am?!”

The woman finally came to her senses before she started screaming in unbridled rage.

Slap slap slap!

Harvey York completely ignored her as he slapped her around again, causing her to scream in pain while stumbling back.

“Come! Tell me who you are!

“Or rather, tell me who’s backing you for you to act this bold.”

The woman was filled with anger when she heard the words she would usually use against other people.

She was a princess! She had never been treated this way her entire life!

She wanted to talk back at Harvey but feared him being reckless and rude.

“Give me five minutes! I’ll get someone here to beat you up!” the woman screamed angrily while covering her face.

“Fine.”

Harvey slapped the woman in the face again.

Then, he wiped his hand with some tissue with an indifferent expression.

“I’ll even give you ten minutes.

“Get whoever you want here.

“If you can do what you promised, I’ll grovel right in front of your face!

“If not, I’ll make you kneel myself!”

The prideful woman thought she could take advantage of the common folk just because she had special rights...

Harvey would not mind wasting a little time to teach her some manners.

After all, he figured people like her would probably kill someone on the road sooner or later.

He would probably save someone's life in the future. That alone would be a great blessing.

The woman screamed in pain after getting slapped in the face again. She covered her face with unbridled anger as she stepped back.

She could not understand why someone in a rundown car dared to go against an upper – circle socialite like her.

'Doesn't he care about the consequences ?

The woman came from the Jean family. She did not have many relatives in Golden Sands But she still had backup.

"This man must have a death wish.

The woman angrily glared at Harvey before calling someone on her phone.

"Aunty? It's me, Anita. I came to Golden Sands for a vacation, but a b*stard rammed my car and slapped me around!

"This is your turf! You need to help me!

"That person slapped me so many times! He looked so pompous while doing it too!

"He said that he'd make me kneel no matter who I'd call!

"Right! Right! Get everyone here! Don't hold back against this little b*stard!

"What car does he drive? A stinky BMW that's been rotting for a dozen years...

She pointed at Harvey with a wretched smile.

"You're dead, you b*stard! My Aunty and the others will be here soon!

"Just you wait! You're dead, I tell you! [Fast update on daotranslate.com]

"They're prominent figures in Golden Sands!

“Even the Bolton family would have to pay them their respects! Even I wouldn’t dare go against them!

Harvey frowned. The description felt extremely familiar...

Vroom!

Anita Jean was quite capable, after all. In just ten minutes, a few vans already drove over.

A lot of fierce-looking people with weapons could be seen.

That said, the people looked quite familiar...

When they jumped out of the vans, a few Mercedes Benz charged in front.

Harvey York recognized the license plates.

The cars stopped in front of the Porsche before a dozen people strutted out with prideful expressions.

Thomas Burton could not help but glance at Harvey after seeing these people. It was the Zimmer family...

Lilian Yates was standing in front.

Thomas did not see this coming at all. What a small world.

“What happened to you, Anita?

Lilian did not even see Harvey when she locked eyes with Anita.

“Who did this to you?! Tell me!

She also pulled Gabriel Lee out of the car.

“Gabriel’s your new godbrother, my new godson!

“These people are his lackeys!

“They all do the heavy lifting! Each of them is stronger than the last!

“I’ll make whoever did this to you pay!

“Even if your brother can’t deal with them, I’ll get Young Master John to handle things as well!

“He’s from the John family! There’s no need to be scared!

“You’ll be fine as long as I’m here!”

Lilian showed her usual prideful side at that moment. It was clear how she would usually do things outside.

“Aunty! Gabriel! Mandy! Perfect timing!

“My face would’ve been utterly swollen if you hadn’t come!

Anita helplessly rushed forward before revealing the palm prints on her face.

“You need to deal with that man for me!

Break his limbs and make him grovel for me!”

“Bastard! Who did this to you?!

Gabriel stood up with a furious expression.

“Come out right now! Don’t make me angrier than this!”

Naturally, Gabriel also knew that Anita belonged to the Jean family. He became Lilian’s dear godson so that he could cling to them.

Now that the opportunity showed itself, he naturally would do his best to keep it.

“It’s them! It’s them!

Anita pointed at Thomas. Harvey was trailing behind, so nobody could see his face.

Anita pointed at Harvey after that.

“He’s the one who hit me!

“You wanted me to call for backup, right?!

“There are more than a hundred people here right now!

“Aren’t you scared yet?!”

After regaining her courage, Anita once again swung the back of her palm across Thomas’ face.

Slap!

Along with the sound of a loud slap, Thomas’ face was showing another bright red palm print.

Slap! [Fast update on daotranslate.com]

Harvey slapped Anita in the face without holding back, making her stumble a few steps back.

Anita covered her face in disbelief. She did not think that Harvey would do anything, even under such a circumstance.

“Ask them. See if I’m scared of them or not.

“I didn’t ask you to get a bunch of small fries here.

“If this is the extent of your power, then you’ll definitely have to kneel!”

Harvey York continued to slap Anita Jean around without hesitation. He would not pull any punches against a woman like that.

After a dozen slaps in the face, Anita stumbled backward.

She furiously covered her face while pointing at Harvey.

“You!

“You bastard!

“You need to help me, Aunty!

“This bastard’s just insane!”

“Harvey...”

Lilian Yates and the others were showing horrible expressions after recognizing Harvey.

After getting utterly disrespected the previous day, they knew he was not the same man he was before.

His power was still quite impressive, even if he only came this far because of another woman.

That was why they decided to avoid him every chance they could.

Nobody thought Anita would have such a huge conflict with him the moment she set foot in Golden Sands.

It was extremely awkward then.

Lilian and Gabriel Lee felt a little embarrassed. They did not know how exactly they were going to threaten Harvey.

After all, Harvey could just crush the two with a single phone call to Kellan Ruiz.

“It was you?!” Avery Foster screamed at Harvey without regarding anything.

Obviously, she was a little slow on the uptake.

“You’d do something like that in the middle of daylight?!”

“Are you shameless?!”

“You’ll embarrass yourself if people know about this!”

“It’s already bad enough that she made a U-turn when she shouldn’t have, yet she even threw hands without realizing it was her fault.

“I’m slapping her for her own good. She needs to humble herself.

“She must just get in deep trouble if she were to kill another person in the future.”

“You’re doing this for her own good?!”

Avery let out a cold chuckle.

“Enough of this nonsense!”

“You’re just taking revenge for what happened yesterday!”

“You’d come looking for trouble for such a small matter?! You didn’t even hold back against her!”

“Are you a man or what?!”

Gabriel came to his senses. After making eye contact with Lilian, he waved his hand for his lackeys to surround Harvey.

“Are you looking for trouble or what, Harvey?!” he exclaimed with a furious glare.

“I’ll tell you something! I won’t let them do anything for your contribution to the family!”

“Kneel and apologize!

“If you don’t, I’ll teach you a lesson in Father and Mother’s place!”

“You want to teach me a lesson?

Harvey chuckled.

“Are you even worthy?

“You overestimate yourself.

“You’re showing off with these workers of yours?

“You’re biting off more than you can chew, y’know...”

Harvey clapped his hands before a dozen Toyota Prados emerged from the streets.

Soon after, the fighters of the Newgate Chamber of Commerce came out of the cars.

The fighters wore black suits and sunglasses with weapons hanging from their waists.

They were clearly professionals.

Gabriel’s eyes twitched after seeing the sight.

"I have to be at the airport, so I don't have time to waste here.

"We can let the cops handle this. They'll lock her up for as long as they wish.

"Or, you can get her to kneel, slap herself around, and admit her fault.

Harvey seemed indifferent.

"Of course, you can come at me if you don't like either of those choices. I'm perfectly fine with that too.

Harvey's fighters took a step forward.

Their cold gaze was filled with murderous intent.

The sight was just terrifying.

"You're him!

"The useless live-in son-in-law!

"No. You're the kept man who got kicked out of the family!"

Anita Jean finally realized who Harvey was.

She was still a little scared before, but she finally managed to muster the courage to get angry again.

She thought she was going against some rich young master prince from a wealthy family...

But she did not expect he was just useless filth.

"How dare useless filth like you act this way in public?!

"You rely on the Jean family's background!

“You rely on us, yet you’re still coming at me like this?!”

“I’ve met many people with a death wish back in Mordu...

“I’ll tell you something! Auntie and Uncle are probably good people who wouldn’t go hard on you...

“But they’ll definitely chase you to the ends of the earth if I say the word!”

“You’re finished!”

Then, Anita spat on the ground with an extremely arrogant expression.

She walked up when she wanted to slap Harvey in the face, but she was kicked to the ground instead.

“Enough is enough, Harvey!”

Lilian gritted her teeth while stepping out.

“Anita is Mandy’s cousin!” she coldly exclaimed, glaring at Harvey.

“If you still love Mandy, you should pay us some respect...

“If you do, I’ll...”

“Excuse me!”

Harvey immediately cut off Lilian before slapping Anita aside.

“Do you really think that I’ll respect you here?”

“Aaagh!”

Anita could not get up off the ground after she was sent flying.

“You’re jealous of Gabriel, so you intentionally embarrass him!

“You’re jealous of Young Master John, so you fight him back!

“You have some talent, and yet you’re acting all pompous! You don’t even know how to endure anything for the bigger picture!

“So what if your credit gets taken?

“No pain, no gain! You should understand that!

“I scold you every day for you to grow!

“Why don’t you understand me?!

“Do you think I’d care about your survival if I didn’t appreciate you?

“And then what happened? You never understood me ever since we were in South Light!

“Not only have you not listened to anything I say, you’ve been causing trouble to the whole family!

“The Yates family was in chaos because of you!

“You did contribute to the family...

“But think just how much you’ve embarrassed us ever since!

“Mandy missed out on so many marriages because of you!

“I lost so many opportunities to join all those top-rated families!

“This is all your fault!

“Forget all that! You’re even lashing out at Anita because of what happened yesterday !

“Please! Can you at least act human?!”

“If you really love Mandy, you should be amending your mistakes instead of doing all this!”

“You’ll only make us hate you more for this!”

She wanted to be relieved! She wanted to have a good time!

After what happened the day before, she would not want to admit she lost an outstanding son-in-law because of her recklessness and arrogance.

When she read Silas John’s documents, she even believed that Harvey only got so far because of Kairi Patel’s support.

She would never admit that a man like that was helpful to the family!

“And don’t forget!”

“You owe the family!”

“We helped you!”

“If Grandma Zimmer didn’t pick you up…”

“If she didn’t let you marry Mandy…”

“You would’ve been dead on the streets by now!”

“Look at what you’re doing right now!

“Do you think you’re impressive now?!

“Is that why you’re taking revenge against us?!

“You bastard! Do you even have a heart?!”

Lilian was completely looking down on Harvey, as if she was denying the meaning and value of his existence.

“What’s the point of saying all that?

Harvey smiled. [Fast update on daotranslate.com]

“I’ll always be useless filth in your eyes anyway!

“Whatever I do will never change what you think of me!”
