"I did so much for the family, but you people just don't see it!

"Or rather, you just wouldn't admit to it in the first place!

"In your eyes, I'll always be that useless live-in son-in-law!

"You want to talk about conscience?

"What a joke!

"Let's just talk about Golden Sands for now!

"I was the one who got the ninth branch's money back.

"I was the one who saved Mandy after she got drugged.

"I saved every single one of you when you almost died of food poisoning.

"I dealt with Simon's broken statue at the geomancy market.

"I also bailed you out of jail...

"These are more than enough to repay whatever favor you did for me back then.

"Besides, you people aren't the ones I should be thanking! Grandma Zimmer was the one who saved me! 1 Harvey York showed a playful look on his face.

"You remember every single thing that I owe you...

"And yet you turn a blind eye to everything I do for you.

"Since you look down on me so much, let's start over.

"I don't care about the ninth branch's debt anymore.

"The Golden Bank will stop funding for you.

"I'm afraid you'll have to spit out Mr.

Bolton's compensation and the Cinder Coin too.

"I think the police also would love to reinvestigate Grandma Bolton's incident again..."

"Right.

Harvey clapped his hands.

"About Sky Corporation, Kaizen Group, and Hearthstone Corporation..."

"These companies are all deeply involved with me.

"Since you won't acknowledge my help, I'll simply have to take them all back..."

Harvey's calm words were enough to pierce anyone's heart.

Not just Gabriel Lee, even Lilian Yates was showing an utterly horrible expression at this moment.

'How dare he say something like that?!

'How dare he?!

Anita Jean coldly chuckled, as if she did not understand the severity of the situation.

"You talk like you actually have some talent, Harvey!

"Even if you really are, aren't you scared of us telling Mandy about the situation?!

"Once she knows that you're stabbing her in the back when all she's thinking about is your remarriage..."

"She'll eventually go for Silas!

"When that happens, no amount of begging would work on her!

"What does our business have to do with you people?

"Or are you saying that you're scared?"

“You finally understand that I’ve only been here because of her?”

“None of you would have the right to speak now if that weren’t the case.”

Lilian’s eyes frantically twitched.

“You’re crossing the line, you bastard!”

“What’s the point of saying all this now?!”

Harvey showed a calm look on his face.

“You people should know if I crossed the line or not.

“Besides, I wouldn’t cross any line better than you can.

“You forced me to do this.

“After all, I did everything I could for the Zimmer family; all you did was ignore them.”

“Since that’s the case, why would you care about all this then? Why would you tell me all this now?”

“Am I wrong?”

Lilian and the others were furiously twitching their eyes. They wanted to talk back for the sake of their pride...

But they were rendered speechless in front of Harvey.

“Harvey...” [Fast update on daotranslate.com]

A familiar voice could be heard from behind.

Harvey’s heart fluttered before he looked back.

Mandy Zimmer suddenly showed up.

She wore a floral dress, making her seem like a blossoming lily in the wind.

Mandy Zimmer seemed a little down when she looked at Harvey York.

“Give them a chance, Harvey...”

Harvey showed her a stern expression.

“Fine. I’ll do it if that’s what you want. But remember, there will be no next time...”

Then, Harvey headed back inside his BMW.

Thomas Burton briefly hesitated before finally starting up the car.

Harvey wanted to head to the airport but waved his hand for Thomas to turn the car.

He believed that the Zimmer family was there to fetch Xynthia Zimmer.

There would be a lot more trouble if he went there as well.

When he tried calling Xynthia, he decided to send a text over and rest his eyes after realizing that her phone was still turned off.

Mandy felt a little sluggish when she saw Harvey leave the scene outside the car.

She knew that Harvey still loved her. If that were not the case, he would not have let go of Anita Jean that easily.

That said, a heavy sense of guilt was still weighing on her heart.

“Bastard!

“That ungrateful bastard!

“Damn him!

“We were blind even to help him back then!”

Lilian Yates walked over before glaring at the BMW while gritting her teeth.

“You should stop thinking about that man, Mandy!

“Ungrateful bastards like him should be cast aside!

“There are plenty of fish in the sea anyway!

“Harvey will finally stop making a joke out of us as long as you understand that!

“Don’t be sad, Mandy! I’ll find you a better man!

“If you dislike Silas, I’ll get you Blaine instead! Don’t you worry!

“Blaine is the successor of the John family, the young master of one of the top ten families!

“Harvey will regret everything he’s ever done when you do!

“You can take him out once and for all if you want to!”

“Damn that bastard!

“Does he think he’s really that impressive?!”

Lilian spat on the ground.

“A kept man won’t be able to last long anyway!

“I’ll just wait for him to make a fool out of himself!

Anita coldly chuckled.

“That’s right! With what you have, you can get any man you want!

“Harvey’s just a despicable man abusing his powers!

“What else can he do?!

"If you weren't forced to the ninth branch, it would've been easy to kill him with the snap of your fingers!

"It's never too late to take revenge, Mandy!"

Gabriel Lee crossed his hands with a cocky look on his face.

"Despicable people like that will always fall sooner or later!" exclaimed Gabriel coldly.

"Surely Kairi wouldn't be interested in him for long!

"She's just having a taste, is all!

"Harvey will be kicked aside once she's done!

"When that happens, he'll come crying to the family!

"Just ignore him after that! [Fast update on daotranslate.com]

"If not, I'll settle scores with every single one of you!"

Gabriel spoke as if he was a professional at this..

"Don't worry, Mandy! I'll stand up for you for this!

Anita Jean covered her beautiful face in righteous fury.

"I don't care who he's with! I don't care what background and power he has, either!

"I'll make him pay for slapping me around like that!

“I’ll be meeting up with my friends soon! I’ll make sure they teach that useless filth a lesson!”

Anita gritted her teeth.

She belonged to the Jean family. Even if she was barely considered to be related, there were still a lot of young masters willing to back her up.

Of course, a bit of price still needed to be paid.

“Enough!

Mandy Zimmer spoke gloomily.

“Can’t you see that Harvey’s already giving us his respect?!

“We’ll only anger him more if we keep looking for trouble! The family will only end up worse!

“Besides, we did let him down before.

“Just help me out on this, will you?”

The family looked at each other before Lilian Yates spoke.

“Fine! We’ll listen to you!

“We won’t cause him more trouble!

“We’ll put all our focus on the ninth branch!

“The Jean family already sent word! They’ll send people to assess your achievements at the end of the month!

“If you can’t be up to their standard, they’ll probably get another person to replace you!

“You need to do your best, Mandy!

“Our livelihoods depend on you!

“The Jean family has a lot of assets! We can’t just break off from it all!

Lilian rolled her eyes at this moment.

“If Silas can’t deal with this for you, I’ll do my best to get together with Blaine instead!

“With him around, it wouldn’t be hard for us to rise to power in the Jean family, let alone pass the assessment!”

“Enough, Mother!

“There won’t be problems here!”

Mandy was utterly annoyed by Lilian. She immediately went inside her red Ferarri after that.

At Fortune Hall.

Harvey looked at the crowd with dark faces, along with Rodney Foster and Reece Foley, before he sighed. He had no choice but to help out.

It was already six o’clock in the evening, but only eighty percent of the customers were dealt with. The customers were also occasionally lining up, making the crowd even denser.

After seeing the exhausted looks on Rodney and Castiel Foster’s faces, Harvey told them to rest for the time being when he and Castiel sat at the front desk.

Harvey planned to further his reputation.

That way, Blaine John would have a better chance of showing up.

Of course, there was a chance that he would never show up himself.

But he needed to be patient to catch such a big fish.

When Harvey was almost done treating everyone, loud clamoring could be heard when a dozen customers were pushed aside.

“Move! Everyone move!” [Fast update on daotranslate.com]

A group of fierce-looking people in robes came in. Clearly, they were expert martial artists.

A few customers told them to follow the rules, but they were all slapped aside.

Chapter 4543 novel Harvey York's Rise to Power

Harvey York squinted when he saw a young woman in a tracksuit pushing a wheelchair.

A miserable-looking elderly man was sitting on it. He had a feeble look on his face with evil energy surrounding it.

Castiel Foster frowned when he stood in front.

“Who are you people?”

“Don’t you know you should stand behind the line?”

The young woman frowned.

“I heard you have the Augustea here!” she coldly exclaimed.

Castiel froze.

“How did you know that?” he asked instinctively.

“Good!”

The young woman glared at Castiel.

“Enough talk!”

“Can’t you see that my father’s cursed right now?!”

“Bring out the Augustea!”

“If you’re even a little slow, I’ll tear down this place!”

It was Castiel’s first time seeing such a senseless person.

“Why would we just hand it to you like that?” he exclaimed, chuckling coldly.

“If you don’t bring it out, I’ll slap you in the damn face!”

The young woman completely disdained Castiel’s skinny stature.

“Hurry up! I’m giving you three minutes! If you don’t get the Augustea out and my father’s curse worsens, I’ll kill you!”

Castiel glared coldly.

“No matter what you’re here for, you shouldn’t act this way!”

“Besides, the Augustea has nothing to do with you people!”

“What right do you have to even ask for it?!”

“Stop yapping!”

The young woman showed a cold expression before swinging the back of her palm forward. Castiel felt a sharp pain on his face as he took a few steps back.

Harvey, who was helping the customers, put his book down before frowning at the young woman.

Castiel covered his face in anger.

“How dare you?!”

The other customers were furiously scolding the young woman.

“What do you think you’re doing?! This is Fortune Hall! You can’t just do as you please here!”

“Castiel is Master Foster’s grandson! Have you thought of the consequences of hitting him like that?!”

“All of the Golden Sands’ geomancy shops would instantly blacklist you with his word!”

Castiel’s geomancy arts weren’t as good as Harvey’s, but he was starting to grow on everyone since he was a hardworking disciple.

They were naturally outraged after seeing him getting hit.

Cliff Saban and the others heard the commotion before coming over with steel bats.

Harvey waved his hand, signaling for the others to stay back.

He wanted to see if the people causing trouble would usually act that way or if they were sent here intentionally.

“So what?”

The young woman scoffed.

“Even if he’s standing right here, I, Shay Gibson, won’t hold back if he keeps wasting my damn time!

“I’ll beat the sh*t out of him if I want to!”

It did not matter if Rodney Foster was a geomancy expert or not.

In Shay’s eyes, only true power would mean something!

“Shut the f*ck up right now!” the companions around her screamed while pointing at the customers around the place..

“We’ll kill every single one of you if you keep butting in!”

“We’re from Heaven’s Gate!” [Fast update on daotranslate.com]

“Do you think filth like you can go against us?!”

The people showed prideful looks, as if it was the greatest honor to be a part of the sacred martial arts training ground.

“What? Has the cat got your tongue?”

“Useless filth!”

After hearing the name Heaven’s Gate, even the rich and powerful people around instinctively stopped talking. They naturally knew what the name meant.

Castiel Foster was showing a hint of fear in his eyes.

Cliff Saban also frowned. He knew the people before him were no easy opponents.

After all, Golden Sands’ branch of Heaven’s Gate was governed by the Gibson family, one of the city’s Hermit Families.

There were a lot of Budokans built under their name as well.

All the disciples of the Budokans were terrifying yet perverted people.

Safe to say that ordinary people would not be able to go against them.

Besides, Quill Gibson himself was quite a protective man toward his people.

He would stand up for them no matter if they were right or wrong.

Legends said he was also the strongest martial artist in Golden Sands. Even the Patel family and the John Family would not dare go against Quill unless they were desperate enough.

Cliff would tell that the person in the wheelchair was none other than Quill’s uncle and right-hand man, Darwin Gibson.

It was said that he was an expert who could go up against a hundred people. He was a King of Arms.

He had many disciples who were all capable fighters as well.

It was shocking to see him sitting in his wheelchair.

Cliff quickly reported everything to Harvey before he asked to get Kellan Ruiz over.

After all, the Newgate Chamber of Commerce was serving Heaven's Gate. With Kellan here, Shay Gibson and Darwin would probably keep themselves in check.

Harvey shook his head before Cliff stopped dialing the number.

"Quill's people? Interesting..." he said while squinting.

The Gibson family was the only family he had not met.

He was about to look for an opportunity, but they showed up at his front door without effort.

Without a second thought, Harvey stood up while wiping his hand with wet wipes after dealing with the customer before him.

"I'm telling you this again: bring me the Augustea right now!"

After seeing the entire crowd shocked, Shay showed a proud look, as if she was the boss here.

"You better start listening! Don't make me angry!"

"It'll be bad if that happens!"

The companions behind her were coldly chuckling while exuding terrifying auras in the air.

Harvey completely ignored them before walking toward Darwin and taking a few glances.

"Your blood's completely stagnant; your internal organs are damaged; your entire body's being corroded by evil energy..."

"If I guess correctly, you must've been hit by the Corpse Walkers' Twisted Palm!

"That's why immense evil energy is gathered in your body right now!

"You have no strength left in your body. You have no choice but to move around in your wheelchair. You'd be in deep pain every night, as if you're being swallowed whole by ants. [Fast update on daotranslate.com]

"Modern medicine is completely useless against this. That was why someone recommended you remove the curse with geomancy treasures first. Am I right?"

"What?!"

Shay and the others were shocked when they looked at Harvey. They did not expect he would be spot on with his deduction.

Darwin's throat was occasionally making weird gargling noises.

He raised his head painstakingly, and looked at Harvey with disbelief.

He didn't think that Harvey would be this impressive.

"I'm the best geomancy expert in the entire city. If I can't even tell something as simple as this, I wouldn't have the right to open up the Fortune Hall," Harvey said, wiping his fingers calmly. "Can you deal with this?"

Shay sized up Harvey. "Hurry up already if you can! If you're a man, stop stalling!"

Harvey smiled, not giving a reply.

Yes, it'd be easy for him to deal with such a thing.

Of course, it'd be near impossible for others to do the same.

Shay thought that Harvey since Harvey wasn't saying anything, he had no strength to help.

She and her father had already looked for many well-known doctors. Once they realized what they were dealing with, they showed the same exact expression.

She didn't believe that Harvey was actually the city's best geomancy expert.

"Stop yapping and get out of here already if you can't deal with it!"

Shay was getting annoyed.

"And bring out the Augustea, already! The evil energy in my father will be removed instantly!"

Harvey smiled. "You're right about that. It does a pretty good job."

"Hand it over, then!"

"We need it!"

"Can you hurry up? Are you going to take responsibility if my father gets crippled?!"

"Do you hear me?"

Shay glared fiercely at Harvey.

"Don't you dare deny that you don't have the Augustea!"

"We know about it!"

"Don't try to fool us by bringing out other things, either!"

"We have pictures of the gem!"

"There's no way we'd get it wrong!"

After threatening Harvey loudly, she laughed coldly. She thought he wouldn't give her the gem.

Her companions were all looking at Harvey with fierce expressions. They looked as if they would tear the entire place down if Harvey didn't give the Augustea.

"I do have the Augustea here," Harvey said, crossing his arms. "But that's a priceless artifact. Why should I give it to you in the first place?"

"What do you mean by that, you b*stard?!"

"This is all about fate!"

"If the Augustea can cure my father, then this is his fate!"

Shay showed a righteous expression.

"You took the gem from my father, yet you're asking me why I should have it?"

"You of all people should know this!"

Castiel was fuming.

"How are you people so shameless?" he yelled.

"You'd take the Augustea from us just because of that?"

"My master spent 1.5 million dollars just for it!"

"What right do you have to take that away?!"

"I see now!" Shay said. "You just want money, right?"

"Just say so, then!" [Fast update on daotranslate.com]

"I can give you money, but don't expect to haggle for more!"

"Things bound by fate shouldn't be measured with money!"

"I'd be insane if I bought something that belongs to my father in the first place!"

Bam!

Shay slammed a ten-dollar bill on the table.

“Consider this a tip,” she said arrogantly.

“Now, enough yapping!”

“Hand over the gem right now!”

Castiel laughed coldly. Even if the people before him were from Heaven’s Gate, he couldn’t help but scoff disdainfully at them.

“Are you mad?” he said scornfully. “You want to buy the gem for ten dollars? You should just steal it! What’s the point of talking in the first place?”

“Enough of this nonsense!” Shay snarled. ”

Are you teaching me how to do things?”

Her expression changed, and she sent Castiel flying with a single kick.

He slammed into a few chairs and tables, his expression horrible. It was a huge mess. Cliff and the others quickly ran forward to lift him back up.

Harvey glared coldly at her. “You come to my place just to steal my things and beat up my people?”

“What? Are you angry?”

Shay was feeling very cocky.

“If you don’t hand over the gem, I’ll break all your limbs too!”

She was used to acting arrogantly with her fierce companions.

“I won’t give that to you...” Harvey said.

But I do have something just as nice. Are you ready?”

He took a step forward, then swung the back of his palm against Shay’s face.

Bam!

Her entire body was sent flying; she couldn’t even react to the slap.

“Aaagh!”

She screamed in pain, and slammed right into a table. The cups and plates on the table fell, shattering all over the floor. The marble on the table crashed into pieces as well.

Shay crawled up slowly, covering her face.

She kicked away her companions who tried to help her up as well. She glared at Harvey, her eyes filled with rage and murderous intent. An unspeakably terrifying aura exuded out of her.

Even expert martial artists couldn’t help but shiver when they sensed it.

Seeing the fierce look in her eyes, the people there quickly hid.

“You’re in deep trouble!” she yelled.

“If you don’t hand give me the gem, take down the sign, and break the hand you laid on me...”

“I’ll cripple every single person in this damn place!”

“After that, I’ll burn everything!”

Her companions laughed menacingly as they pulled out their weapons, ready to fight at any moment.

The customers all sprinted out of the place, afraid of getting involved.

“You come here causing all this trouble. You don’t even look like you’re asking for help...”

Harvey said. [Fast update on daotranslate.com]

“Do you think this is a market? Or are you saying that you own this country?”

“In any case...”

“I only slapped you as a payback for what you did to Castiel.”

Harvey showed no emotion.

“Since your father’s dying, I won’t make things harder for you.”

“But I won’t help you, either. Take your men with you, and leave.”

Shay snapped, “Make things harder?”

“You think you have the right to do that?”

“Not just you, even a hundred of you wouldn’t win against my thumb!”

“Do you think I believe that you can save my father?”

“You’re just a dumb kid who knows nothing!”

Shay was so angry that she laughed. She was looking down on Harvey completely.

“I’m giving you one more minute! Hand over the Augustea, and apologize!”

“If not, you know exactly what’s going to happen!”

She took a step forward, then sent the table in front flying with a kick.

The table shattered to pieces. Some customers got injured by the debris, and hurriedly stumbled out of the place. They were terrified of getting involved and dying because of it.

“Is that so?”

Harvey smiled. He took a step forward, then swung his palm.

The speed of his slap didn’t seem that fast, but to experienced people, his palm seemed to expand to the point it couldn’t be evaded.

“How dare you show off in front of me when you’re completely talentless?!”

“Rolling Thunder!”

Shay could tell that Harvey’s slap was fearsome, but she still laughed inwardly.

‘A geomancy expert thinks he can go against a professional like me, just because he has some tricks up his sleeve?’

‘What a joke!’

Shay was a rare expert from the Golden Sands ‘branch. Quill taught her himself. A small fry like Harvey wouldn’t be able to go against her.

Without a second thought, she immediately pounced forward and used her killer move- the Rolling Thunder!

“What?!”

But as soon as she got close to Harvey, her body shivered. She could sense an unspeakably horrifying aura enveloping her.

Her entire body went stiff and all of her strength vanished, just like an animal bumping into its predator. Her hands wouldn’t even budge.

She had no choice but to watch numbly as Harvey slapped her hard on the face.

“Look out!” Darwin exclaimed.

Slap!

Before his voice traveled far enough to reach her, Shay could feel a sharp pain on her face.

Her entire body trembled; she was immediately sent flying, and slammed into a part of the shop that hadn’t been renovated yet.

Bam!

Building materials piled on top of her body.

Paint spilled all over her. She was a miserable sight.

Darwin’s gaze turned grim. He knew full well just how powerful his daughter was.

So, he didn’t think she’d be sent flying by a single slap.

It wasn’t a sneak attack, either-it was a fair fight!

Even with what Shay could do, she couldn’t even dodge Harvey’s slap!

How terrifying!

What horror! [Fast update on daotranslate.com]

The customers gasped; they were completely shocked by Harvey’s skill.

Nobody thought he’d be able to pack such a huge punch with just a single move!

Read Harvey York's Rise to Power Chapter 4548 - the best manga of 2020

Of the A Potato-Loving Wolf stories I have ever read, perhaps the most impressive thing is Harvey York's Rise to Power. The story is too good, leaving me with many doubts. Currently the manga has been translated to Chapter 4548. Let's read now the author's Harvey York's Rise to Power A Potato-Loving Wolf story right here

“Are you okay, Shay?!”

A group of people rushed over to lift Shay up; her entire body was filled with scars.

Darwin wore a gloomy expression. He deduced that Harvey was a King of Arms.

He'd be able to crush Harvey in his prime, but at the moment... He felt like he was being taken advantage of after losing his power.

Cliff, Castiel, and the others were relieved to see it. However, they were also a little worried. From now on, Harvey had no choice but to go against the Gibson family.

With how that family did things, it'd be weird if they didn't show up to tear down Fortune Hall after this.

"I'm fine! I'm fine!"

Shay had a wretched expression.

Her beautiful face was filled with rage as she glared at Harvey. She didn't think Harvey was actually impressive and bold enough to harm her.

"How dare you do this to me?! Do you know who I am? Do you know who my grandfather is?"

Now, she could tell that Harvey was a man with terrifying skill. She couldn't even withstand a single slap from him.

After thinking closely, however, she believed that Harvey only had the advantage because he snuck up on her. When she reached that conclusion, she wasn't that afraid of him anymore.

More importantly, she had Quill supporting her. She had all the courage in the world to challenge Harvey.

Harvey wiped his fingers with some wet wipes, looking as calm as ever.

"I don't care who you are," he said coldly.

"If you cause trouble in the Fortune Hall and hurt my men..."

"Then even God wouldn't be able to save you! Mark my words."

“Not just you. Even if you get Quill Gibson here...”

“I’ll beat the sh*t out of him too!” 2 Cliff and the others looked at each other.

They were thinking of the worst.

Harvey was basically challenging Quill at this point.

Judging from how Quill acts, a big storm coming would definitely come.

His lackeys gritted their teeth furiously.

They were disciples of Heaven’s Gate, and were only honorary disciples under Budokans of the sacred martial arts training ground. While they couldn’t compare to the outer disciples, they had never suffered this much in their entire lives!

The disciples all pointed angrily at Harvey, ready to throw hands at any moment.

“Heh, heh, heh! You’ve got guts! I know a lot of people in the city, but you’re the first one who dared to speak to me this way,” Shay snarled.

“Today, I’ll let you know...”

“That there’ll always be another person stronger than you!”

Shay was infuriated. Not only did Harvey slap her in the face, but he even insulted the grandfather she respected the most!

‘He must have a death wish!’

“Go! Break every single one of this b*stard’s limbs!”

“After that, tear the place down! We’ll see how scared he gets!”

Shay laughed wickedly, as if she could already tell Harvey’s fate.

“Forget learning your lesson, you won’t even admit to your faults. You’re dead set on going against me, too,” Harvey said.

“Looks like I shouldn’t be going easy on you, just because you’re a woman.”

“Don’t blame me for what happens next.”

Harvey sighed, then swung his palm forward.

Bam! [Fast update on daotranslate.com]

Harvey’s slap was a lot faster and fiercer than before.

“What?!”

Shay was shocked – she realized her body wasn’t moving a single inch, as if she had lost control of herself.

Slap!

While Shay was still in shock, Harvey’s palm landed right on her face.

An unspeakably terrifying energy entered her soon after.

All the energy inside her shattered in an instant. Harvey’s energy ruined her nerves and suppressed her energy, crippling her.

Her martial arts were gone!

She stumbled a few steps back, and slammed her knees on the ground. She was filled with horror.

She wanted to fight Harvey again, but she felt very frail -as if she was experiencing a strong fever.

Terror struck her heart; she usually prided herself in her martial arts. She was filled with disbelief. Furious, she gritted her teeth and glared at Harvey.

“What did you do to me, you b*stard?!”

Harvey crossed his arms after he wiped his fingers.

“Nothing. I just crippled you, is all.”

“Now, you’re just an ordinary person with no power.”

Harvey didn’t mind doing something like this to someone who abused their strength on the regular. The fewer these people, the better the world would be.

“You...”

“You crippled me?!”

“How dare you?”

“How could you?”

Shay had a twisted look on her face as she gritted her teeth. She wanted Harvey dead so badly...

She managed to stumble off the ground, but her body trembled, and she fell again.

Shay, who had always prided herself as a top disciple, was filled with nothing but rage.

She was sure she had the ability to become Heaven’s Gate disciple, but she was already crippled while she was busy showing off.

What a joke!

“You’re insane, you b*stard!”

“You’re mad!”

“How dare you do this to Shay?”

“Do you want to die?”

Her companions were filled with rage, and rushed at Harvey while gritting their teeth in anger.

Bam, bam, bam!

Harvey kicked every single one of them aside without hesitation. In just a minute, they were all sent flying.

They clutched their limbs, having lost all strength to fight back. They couldn't even muster the energy to crawl off the ground.

Shay was infuriated; she wanted to stand on her feet so she could kill Harvey, but she simply couldn't.

Darwin wore a fierce expression as well. He could only grit his teeth, since he himself had no strength to move his own body.

"In a place like Golden Sands..."

"Have you thought of the consequences of doing this?"

"You went against both the Gibson family and Heaven's Gate...!"

"Have you thought of the consequences when you decided to cause trouble here?"

Harvey asked, smiling. "How dare you ask me that in the first place?"

Harvey didn't like Darwin at all.

Darwin could've stopped his daughter from causing such a huge ruckus. Instead, he decided to let her run wild and blame Harvey for it.

What's more, he was clearly pompous and insufferable.

Like father, like daughter. [Fast update on daotranslate.com]

"This is different."

Darwin narrowed his eyes, not giving a straight answer.
