Chapter 131 how good it is to have a daughter!

“Mother, who is that Auntie? After all these years, I didn’t even know that mother had such a good sister in the county.” On the way back, Gu shouxin asked the question in his heart.

“Ha!” Grandma Gu laughed. Lao er, you only knew how to play before you grew up. After you grew up, you were first seduced by a Vixen, then you drank and gambled. It’s normal that you don’t know about it.

Gu shouxin, “Yingluo.”

At this moment, he could only curse the damn original owner.

“Grandma, father hasn’t drunk for more than half a month, and he hasn’t gambled either. Today in the study, he was even asked for advice by a young master! It’s so powerful!” Gu Xin immediately spoke up for her father who had changed for the better.

“Also, grandma, I know vixens are bad women. There are no bad women around father. There’s only my mother by father’s side, and she’s very good.” Gu Xin retorted.

Gu shouxin was so happy!

Look, how good it is to have a daughter!

Grandma Gu touched Gu Xin’s head and didn’t mind.

“Second brother, you have to call that person aunt Xiao, and Xinxin has to call her grandma Xiao the next time you see her. I met your grandfather when I was a child, when we went to the city to sell our prey. In the blink of an eye, decades have passed. Time really flies!” Grandma Gu let out a long sigh.

“Grandma Xiao, do you live alone? Don’t you have a grandfather and an uncle?” Gu Xin recalled that everyone in the courtyard seemed to be helping Grandma Xiao with her work and asked curiously.

“Your grandma Xiao only had one daughter, and she has already passed away. As for his grandfather, well, forget it. There was no need to mention it. In the future, when you grandfathers enter the city, you can visit her more often. She doesn’t like to go out.” Grandma Gu said.

“I know.” Gu shouxin responded.

.....

When they were about to reach the village entrance, they met the other three brothers of the sun family. However, the second Son of the Sun family was not there.

They tied Wang tiezhu up like a dumpling and placed him on the ox-cart, planning to send him to the county to report to the authorities.

The three brothers of the sun family thanked the three grandfathers and grandfathers of the Gu family once again, and then hurriedly left for the county.

After entering the village, grandma Gu asked Gu shouxin to take another road to avoid meeting the old lady of the Wang family.

That old lady was a troublemaker and doted on her grandson. She would definitely chase after him.

Gu shouxin liked this mother's character very much. She didn't like to meddle in other people's business and didn't like to watch a show, just like him.

Cai Xiaolian and Gu Nian were still waiting for them at the old mansion to have dinner together.

Under the dim oil lamp in the kitchen, uncle Gu and his son, Gu en, once again told the three grandfathers and grandfathers about the Wang family's lively situation.

The entire Wang family, including old lady Wang, was beaten up by the sun family.

It was said that something had happened to the second Son of the Sun family. He had offended a rich young master in the neighboring County and was locked up in prison. When the Wang family members saw this, they realized that his family was in trouble. When they thought of the scene of them going to the Lotus Village to pick up sun Yumei, they felt embarrassed and treated her badly.

Wang tiezhu was even worse. He directly swaggered to the widows in the neighboring village and spent money to solve their needs.

When sun Yumei realized that she was pregnant and had a fight with Wang tiezhu and the widow, Wang tiezhu was ruthless. Sun Yumei was pregnant with his child, so he could just hit her and even chase after her.

This was what the widow had said when the sun brothers had taken her to the Wang family.

In any case, the Wang family had caused a lot of trouble tonight. The two village chief had come forward to prevent the sun brothers from beating the Wang family to death.

Chapter 132 what I want

After having dinner at the old house, Gu shouxin went home with his wife and daughter.

It was already late. After they went back, they boiled water and washed up before everyone went to bed.

However, in the middle of the night, the transmigrator trio suddenly felt pain.

Gu shouxin had a feeling of suffocation. His whole body was in pain and cold sweat covered his body.

Cai Xiaolian's stomach hurt the most. It was so painful that she felt like she had returned to the last days of her life in the hospital.

Gu Nian, on the other hand, had a headache. It was as if someone was holding a hammer and trying to separate her soul from her head.

As for Gu Xin, she was sleeping quite soundly. However, her hand was glowing red under the blanket. The Jade fish that little carp gave her appeared in her palm, as if it could disappear at any moment.

In the backyard of Yun an temple, old master Zhou was extremely anxious. Lu Zheng had not woken up yet.

If it wasn't for his fever, Lord Zhou would have rushed to the secluded courtyard to take his grandson away.

Lu Zheng opened his eyes at the same time as the strange phenomenon occurred in the Gu family.

"Almsgiver Lu." Master liaowu stopped hitting the wooden fish.

"Master liaomu?" Lu Zheng took a good look at the person in front of him and was a little confused. He then laughed bitterly. so I was still dreaming! He failed again! Do we still have to accept the women sent by those people?"

Master epiphany looked at Lu Zheng calmly.

"This time, I dreamed that I went back to my childhood and found Xin 'er. I dreamed that Xin 'er's parents and sister were very good to her, but I was still worried. I couldn't forget the first time I saw Xin' er in Yangzhou's brothel. What kind of cruel father was he to have the heart to sell such a good daughter? I can't forget how Madam Cai and Gu Nian have lied to Xin 'er time and time again. Xin' er is so kind, how could they bear to do that? I can't forget the day Xin 'er died. Lu Zheng sobbed, unable to speak.

"So, my wish didn't come true? He could only dream that Xin 'er's life would be as she wished. However, in my dream, I still didn't want Xin 'er to live with someone like that. I wanted to take her away, but she couldn't recognize me!"

"Master, I don't believe them. I don't believe they'll be good to Xin 'er. Gu shouxin had sold such a small Xin 'er to a human trafficker for the sake of gambling debts. For the sake of glory and wealth, Gu Nian and Madame Cai tricked Xin 'er into bringing Xin' er to Madame Lin. They knew that Madame Lin and I were not on good terms. Because of this, Xin 'er was almost humiliated by that bastard Lu Ming. Even though they had a child, they could still seduce, deceive, and force Xin' er. Those things were still vivid in my mind. Even if I was dreaming, I still couldn't feel at ease with them. Even though they seemed to have changed in the dream, I still can't believe them."

Lu Zheng closed his eyes in pain.

"Almsgiver Lu, what do you want?" Grandmaster enlightenment asked in a soft voice.

"I'm willing to use my entire life to exchange for Gu Xin's smooth life. I wish her what she wants-to be loved by her parents, to be friendly to her sisters, and to have a happy life! All I want is for Gu Xin to be blessed by the heavens and have a bright and beautiful life! All I want is for God to give me a chance to be with Gu Xin at every stage of her life and to experience all the joys and sorrows with her!" Lu Zheng had repeated these words many times, and they were deeply embedded in his bones and blood.

"Almsgiver Lu, you have already seen the love of your parents and the friendship of your sisters. Why don't you believe me?" Master enlightenment asked.

Lu Zheng opened his eyes.

“Childhood, youth, middle age, and old age are the four major stages of life. Has benefactor Lu seen benefactor Gu’s childhood?” Grandmaster enlightenment said.

Lu Zheng immediately sat up, his eyes staring straight at Master Wu.

Chapter 133: All three of us are busy!

“Almsgiver Lu, since you’ve already come, why don’t you believe me? Why are you so obsessed with almsgiver Gu and still have to go through all that you have experienced?” Master enlightenment asked again.

master, you mean Zhenzhen? ” Lu Zheng’s eyes widened in surprise. He touched his neck. It was gone, it was gone. He was not dreaming. In the past, every time he woke up and saw Master Wu, his things were still there.

“Zhuang Zhou dreams of a butterfly, but I don’t know that the dream of Zhou is Hu Die Yu. Hu die’s dream is Zhou Yu! Almsgiver Lu, since you’re here, then take it! Everything in the world changed in an instant. What you know is not true!” Master of enlightenment said slowly.

Hearing this, Lu Zheng lowered his head and pulled open his collar. The thing on his neck that he saw as his only hope was gone. Although there was still a faint mark, he looked at his own palm. There were no calluses from years of martial arts training. It was a pair of young hands.

It was a success, a success!

He had spent eight years preparing after Xin ‘er’s death and had failed countless times. This time, he had finally succeeded.

Did that mean that Xin ‘er’s parents and sisters would do as he wished and would no longer treat Xin’ er as well as they used to?

It was a success, not a dream!

No, if he had succeeded, why would he still be able to see Master Wu?

Master Wu, since you have succeeded, why are you so cowardly? ” Lu Zheng raised his head. Master Wu was no longer in the room.

He rubbed his eyes and made sure that there was no one else in the room except for him.

However, this room was not the room where he had laid down in the past, where master liaoming was.

He looked down again and the faint mark on his neck was gone.

He was indeed an expert!

Lu Zheng got off the bed. The pain on his body made him realize that this was not a dream. He had been beaten up by someone.

“Yuanyuan, Yuanyuan, you’ve finally woken up. Grandmaster Qin’s senior brother said that you’ve recovered, and you’ve indeed recovered! Yuanyuan, you scared grandfather to death!” At this moment,

old Zhou ran in and saw Lu Zheng standing up with his shoes on. He went up and gave him a big hug, tears covering his chubby face.

"I'm sorry, grandfather, for making you worry! Where's master liaomu?" Lu Zheng patted the old man's back and asked.

"Master enlightenment? Who was it? Was he master Qin's senior brother? I don't know either, it was Grandmaster Qin who informed me. Good girl, sit down and let grandfather take a look at your injuries. Are you hungry? "Grandfather asked Ji Xiang to bring you some food. Come and sit down. You're just recovering from a serious illness." Old master Zhou asked Lu Zheng to sit down and then wanted him to lie down. He nagged for a long time.

At the same time, the pain from the Gu family's transmigration had completely disappeared. If it wasn't for the cold sweat all over his body, the pain just now would have been completely gone.

The Jade fish in Gu Xin's hand also stopped shining. It disappeared from her palm and condensed into the shape of a light pink fish in her palm, like a birthmark.

The time-traveling trio could not fall asleep. Gu shouxin and Cai Xiaolian still had someone to talk to. Gu Nian, on the other hand, felt a little lonely. The pain she had just experienced was something she had never experienced before. It was as if her head was about to be smashed open.

She was wondering if there was something wrong with the original Gu Nian's body. However, she remembered that there was nothing wrong with Gu Nian in the book. She had been living well in the capital city with some small schemes. If there was something wrong with her body, why would she have so much time to cause trouble?

She didn't need to think too much. Cai Xiaolian gently pushed the door open and slowly came in with an oil lamp.

"Mother, what's wrong? What are you doing so late?" Gu Nian sat up.

nine thousand years old is right. All three of us are in trouble. Seeing that Gu Nian did not seem to have been woken up, Cai Xiaolian said in a serious tone.

Chapter 134: Another small meeting

Gu Nian put on her clothes and followed Cai Xiaolian to the kitchen.

"Father, mother, did you all act abnormally just now? I thought I was the only one who had it, and I thought the host was sick." Gu Nian said in horror as she sat down.

If all three of them had it, did it mean that they had encountered something? perhaps there was no future after they fainted from the pain, or perhaps when they woke up, the past month was like a dream, and they had traveled back in time?

Of course, Gu Nian had hoped for the latter to happen, but she knew that it was impossible.

Gu shouxin told Cai Xiaolian about his situation.

“Father’s entire body is in pain, mother’s stomach is hurting, and I have a headache. Only her mother’s condition remained the same as before she died. Could it be that it’s because our souls aren’t stable and haven’t completely fused with our bodies?” Gu Nian analyzed.

Gu shouxin thought of something and looked a little embarrassed.

The pain just now was the same as when he decided to go to the palace to cleanse himself. It was possible that his soul was unstable. After all, the original owner’s body was that of a normal man.

“Then what should we do?” Cai Xiaolian asked nervously.

Apart from Gu Nian, the other two members of the time-travel Trio were not healthy before they came here. If they had a choice, they would definitely be willing to stay here.

As for Gu Nian, she definitely wanted to go back. After all, she still had a lot of things to learn.

the reason for this sudden appearance is really inconceivable. I can’t think of what to do! Gu Nian frowned.

“Is it because we haven’t gotten used to this place yet? The original owner’s will is still here, and she’s fighting with us for the body?” Cai Xiaolian’s imagination was bigger, and she expressed her thoughts.

if that’s the case, then we can only work hard to show our true selves and get the approval of everyone in this world. Gu shouxin, Cai Xiaolian, and Gu Nian are such people. Gu shouxin said.

yes, yes, we must do this. Otherwise, Xinxin will be so pitiful. If her parents and sister get her body back, she will have to go down the same old path again. What a pitiful child! Cai Xiaolian had already gotten used to her new identity, but she hadn’t gotten used to the life here, such as going to the toilet and taking a bath.

“If the three of us are gone and the three of them come back, Xinxin will indeed be in a very miserable state. Not to mention Lu Zheng, just Cai Xiaolian and Gu Nian were enough for Xinxin to eat. To be honest, if it wasn’t for this mother and daughter, if Xinxin wasn’t so kind, Lu Zheng would have been able to protect her.” Gu Nian said after some thought.

Gu shouxin and Cai Xiaolian thought about it and agreed. Previously, Gu Nian had mentioned about Gu Xin’s death that Lu Zheng’s stepmother had used Cai Xiaolian and Gu Nian to take Gu Xin away. At the last scene of her death, Lu Zheng’s stepmother had colluded with the mother and daughter to deceive Gu Xin again, resulting in the final outcome.

“Then let’s not let those three come back! We will make Gu shouxin, Cai Xiaolian, and Gu Nian the people we want. How is it?” Gu shouxin said firmly.

“Although I don’t know how many more times I’ll have to suffer this pain in the future, I believe that it’s possible for us to unite as one. We’ll make those three retreat in the face of difficulties and not think about competing with us! I’m willing!” Cai Xiaolian took a deep breath and said.

Gu Nian thought about her brother, sister-in-law, and nephews. Even if she was gone, her brother, sister-in-law, and nephews would still be with her. Her sadness would eventually pass.

In recent days, she had been craving for the love of her parents and sisters.

Chapter 135: I need it

She did want to stay.

Moreover, even if it was really because the original owner's soul wanted to seize control of the body, he might not be able to transmigrate back after being taken away.

"Father, mother, I'm willing to do so too," Gu Nian said after she had made up her mind.

"How about this, for the next few days, little Lian, you will be discussing the matter of drunken River Restaurant with Madam Cheng. I will accompany you every day. Niannian, you stay at home with Xinxin. If you're not feeling well, you can rest in the house. If you're not feeling well, your mother and I will definitely not feel well. When the time comes, we'll think of a way to come back and accompany you. Of course, it's best if this situation doesn't happen again." Gu shouxin nodded and said.

"Alright, father. I'll be at ease if you go with mother. I can take good care of Xinxin at home. If that happens, I'll try my best not to let Xinxin see it." Gu Nian said.

If she only moved around at home, she was confident that she would not let Gu Xin know.

I remember niannian said before that Lu Zheng's rebirth might have caused us to transmigrate. Now that we're in such a situation, is there a problem with Lu Zheng?" Cai Xiaolian suddenly said.

"Ah? Could it be that we killed Lu Zheng that day?" Gu Nian had said this before. When he thought about it, he was surprised.

"The two of us didn't kill him, so how could he have been killed?" Gu shouxin frowned.

that's right. If he was really killed, his grandfather would definitely send someone to our village to investigate. That day, you two brought him to an empty house in the village. Cai Xiaolian didn't think he was dead either.

"Your mother is right. If something happens to Lu Zheng, his family will definitely come to investigate. At most, he was injured, and he would be fine after resting for ten days to half a month. Niannian, don't worry!" Gu shouxin said.

"I'm not afraid of him! I'm just thinking that if our Xinxin is still the female lead, since her original parents and sister have been replaced by us, why don't we just change Lu Zheng's core as well? What a wonderful thing that would be!" Gu Nian sighed.

Gu shouxin and Cai Xiaolian deeply agreed, but they didn't have the final say in this matter.

The three of them didn't like Lu Zheng, nor did they like the original owner of their bodies. These four were the closest people to Gu Xin, and they were also the ones who pushed Gu Xin to her death.

However, the three of them no longer existed. The only one left was Lu Zheng.

"Alright, go to sleep! We can't predict or guard against what happened tonight. Besides, we can't give a reason. Go back and have a good sleep." Gu shouxin said.

“You’re right. Niannian, I’ll sleep with you for the next few days. If it’s like tonight again, we can take care of each other.” Cai Xiaolian said as she stood up.

“Ah? Mother, if you sleep with me, what about father?” Gu Nian could sense jiuqiansui’s reluctance.

“He’s a man, he doesn’t need any help. Nine thousand years old?” Cai Xiaolian tilted her head and asked.

actually, if it’s possible, I think I need someone by my side to take care of me. Gu shouxin pursed his lips and looked up at Cai Xiaolian. He looked serious, but his eyes were full of smiles.

Cai Xiaolian didn’t expect this person to be so shameless. She rolled her eyes at him. “I don’t want your opinion, I want mine!”

After he finished speaking, he pulled Gu Nian away.

When they reached the door, Gu Nian finally could not help but laugh. She even turned around and waved at Gu shouxin.

Gu shouxin, “Yingluo.”

If the wife wanted to sleep in the same room as the daughter, how could the husband make up for it?

Chapter 136 mark

Gu Xin had a good night’s sleep. When she woke up in the morning, she went to the toilet and threw a Jade bead into the well.

She walked to the well and opened her palm. “Xiaoyu,”

There was no sense of familiarity. Gu Xin was stunned. She called out again, but the Jade still did not appear.

Upon closer inspection, there was a fish-shaped birthmark on her palm. It was the size of a little finger, just below her index finger.

She touched it with her other hand and a Jade bead appeared.

Gu Xin panicked. Why did Xiaoyu turn into a figure?

The Jade bead was still the same as before, but Xiaoyu was gone.

“Xinxin, what’s wrong? Why are you in a daze by the well?” Gu shouxin came out of the kitchen and saw Gu Xin in a daze.

Gu Xin clenched her fists tightly behind her back as if she had been caught doing something bad. She stammered, “I ... Dad ... I’m fine ... I want to ... Get some water ...”

Gu shouxin raised his eyebrows but didn’t expose her lie. He went forward to help her get a bucket of water.

"I'm here to water the vegetable field. Quickly go find your sister to help you comb your hair!" Gu shouxin fetched the water and touched Gu Xin's head.

"Oh." Gu Xin looked at the well with regret before she went to look for Gu Nian with the Jade bead.

Gu shouxin looked at Gu Xin's small fist behind her back and smiled.

This girl was still too innocent. She couldn't hide anything. He didn't know what she had in her hand.

.....

That day, Gu Xin only found out about the opportunity to throw the Jade beads into the well after lunch when Gu shouxin and Cai Xiaolian went out.

Lin Yiqian had been calling Xiaoyu's name for the entire morning. However, apart from the seal, there was no other jade pendant in her hand. She could only touch a Jade bead.

He touched ten pills in the morning and they never came out again.

Gu Xin was a little disappointed. It was not because there were only ten jade beads, but because Xiao Yu had disappeared and only left a mark.

That was given to her by the little carp, but it was gone just like that.

However, she had also learned to imagine it now. She thought that the jade pendant had already fused into her body and appeared as a palm mark. Otherwise, how could there be a Jade bead?

"Xinxin, what's wrong with you? I feel that there's something wrong with you today. Did you have a nightmare last night?" Gu Nian asked after observing Gu Xin for a while.

"No, I didn't! I had a good night's sleep." Gu Xin shook her head.

"You little thing, you still want to lie? We could all tell that you were out of it the entire morning. You only ate two bowls of rice at noon, but you used to eat three bowls. Can you tell big sister?" Gu Nian tapped Gu Xin's nose as she explained patiently.

it's just, um, it's just that when I woke up this morning, I realized that my things were missing. But I just found them, so I'm fine, sister. Gu Xin hesitated for a moment and tried to explain the matter of Xiaoyu turning into an imprint in another way.

"So it's like this! I was wondering what it was. "In the future, if something goes missing, don't look so sad. If you leave something behind and can't find it, we'll just buy it. Don't be unhappy. If a child is unhappy all the time, he won't grow tall. Moreover, he'll become ugly when he grows up." Gu Nian smiled as she believed her.

The main point was that Gu Xin didn't look like she was lying at all. With her personality, no one would suspect her.

"I know, sister. Sister, what are we doing in the afternoon? Do you want me to be the perfumed soap that you mentioned?" Gu Xin asked.

Chapter 137: You shut up

"I can't make it today. I don't have enough materials. It rained two days ago, but it's sunny today. Xinxin, take me to the back of the mountain. I'll go find something, and we can get some dried leaves." Gu Nian said.

"Alright! Let's go get sister Huihui and sister sisi to join us! I usually go with them to cut wild vegetables and gather firewood." Gu Xin nodded and suggested.

"Yes, sure." Gu Nian had a good impression of the two cousins.

The two sisters changed their clothes and went out with their backpacks and Sickles. There were also gunny sacks in their backpacks.

Perhaps it was hereditary, but Gu Nian noticed that all the daughters of the Gu family seemed to be quite strong. They were not as strong as grandmother Gu but were slightly stronger than ordinary girls. Since it was not a problem for her to do some work, she added a gunny sack to the bag.

"You really don't intend to embroider anymore? Are you going to be a peasant in the future?" Gu Hui could not help but ask when the four sisters went out together.

"Sister Huihui, are you concerned about me?" Gu nianxiao asked.

"Tsk, who cares about you? I say, Gu Nian, you're getting more and more shameless!" Gu Hui refused to admit it.

"Aiyo! Sister Huihui, you have to say it out loud if you're concerned. If you don't say it, no one else will know. It's not good for you to keep a straight face like this, you'll become ugly, right, Xinxin, sisi!" Gu Nian held onto Gu Hui's hand as she called her two younger sisters.

Gu si,"Yingluo."

Why are you suddenly talking to me? Sister niannian is really strange.

"That's right, sister Huihui. Grandpa had said that between family members, care and concern had to be expressed. Eldest uncle also said that you can't wrinkle your little face, or you'll become ugly when you grow up and you won't be able to get married." Gu Xin nodded in agreement.

"Nonsense! Let's go, don't talk when you're walking, it's so tiring!" Gu Hui was rendered speechless by the two sisters and could only keep quiet.

Gu Nian laughed even more happily. She liked how awkward and proud the first wife of the Gu family was.

"Big ya! It's really a big girl! As they passed by Zhang Lizheng's house, a young lady who was about the same age as Gu Nian ran out. She was wearing a beautiful dress and was looking at Gu Nian with a look of fear.

Gu Nian knew that this was Zhang Lizheng's house. Cai Xiaolian would often introduce her to the people in the village.

Although she had never seen the young lady before, Cai Xiaolian had mentioned that she was Zhang Lizheng's youngest daughter and the younger sister of the dark-skinned Zhang Yungui. Zhang Yunyun had also grown up with Gu Nian. She had not appeared in the past few days because she had gone to her ancestors' house in the neighboring County to celebrate her birthday.

Gu Xin subconsciously hid behind Gu Nian when she saw Zhang Yunyun.

"Aiya, da ya, you're actually carrying a dirty back and bringing a dirty er ya out! Are you alright? Had his brain been caught between the door? Didn't you say that er ya is the ugliest in the village? You don't even want to admit that she's your sister. What are you doing?" Zhang Yunyun noticed Gu Xin's small action. She looked at Gu Xin in disgust before pulling Gu Nian away.

Gu Xin lowered her head in inferiority.

"Zhang Yunyun, you're so silly!"

"Sister Huihui, let me do it!" Gu Nian held onto the hot-tempered Gu Hui and Gu Xin as they stepped forward.

da ya, I'm not trying to nag at you, but you're so stubborn. Zhang Yunyun raised her eyebrows at Gu Hui but was interrupted by Gu Nian.

"You shut up!" Gu Nian said without any hesitation.

Zhang Yunyun looked at Gu Nian in disbelief. 'Is she crazy? she has never said anything like that to me before.'

"Xinxin, will you listen to your sister?" Gu Nian tugged at Gu Xin.

Chapter 138: Not so difficult anymore

Gu Nian could feel Gu Xin's inferiority complex and cursed the original Gu Xin a hundred times in her heart.

How could he say such things about his sister? he was too much!

She had to slowly teach Xinxin to become more confident.

A confident girl was the most beautiful.

Besides, their Xinxin wasn't ugly at all, okay? she was much better looking than this Yunyun in front of her.

"Listen!" Gu Xin said in a low voice.

"Louder!" Gu Nian's voice became serious.

"Listen!" Gu Xin was shocked, but she still raised her voice.

"Every time sister says a sentence, you follow." Gu Nian said.

Gu Xin, "Yingluo."

She did not understand what Gu Nian meant.

“Xinxin, raise your head and tell her that Gu Xin is the most beautiful girl in the village. It was in the past, it is now, and it will be in the future.” Gu Nian said in a serious tone.

Gu Xin’s eyes widened in shock as she looked at Gu Nian. She could not believe that Gu Nian would say something like that.

In the past, Gu Nian and Zhang Yunyun would make fun of her in private and even in front of her. They would say that she was dark, ugly, and like a monkey in the mountains.

“Hahahaha, da ya, you’re crazy! And ER ya was the most beautiful one? Then wouldn’t I be as beautiful as a fairy? I’m so happy!” Zhang Yunyun covered her mouth and laughed as if she had just heard the biggest joke in the world.

“Xinxin, do you admit what she said? Do you think you’re as ugly as she says? Have you forgotten what your parents said? girls should have confidence and believe in themselves. Don’t tell me you want to be laughed at by someone you hate for the rest of your life?” Gu Nian ignored Zhang Yunyun and looked at Gu Xin who had her head lowered.

Gu si pulled Gu Xin along as they ran. The situation was too awkward. But just as she took a step forward, she was pulled back by her sister.

Gu si looked at her sister angrily.

“Trust her.” Gu Hui glanced at her younger sister and said softly.

Gu si pursed her lips and angrily shook off her sister’s hand, but she did not go forward again.

“What? What did you say, big Gu? You actually said I’m an annoying person? Do you still want the things in the city? Do you still want me to bring you to my aunt’s place to sell your embroidery? Do you still want to see my cousin?” Zhang Yunyun was furious.

“You shut up! I’m talking to my sister, you have no right to speak! And the things you mentioned in the city, your aunt, your cousin? What the hell were those? Is he a fool like you? I’m sorry, I don’t care!” Gu Nian glared at Zhang Yunyun. Without waiting for her reply, she turned to Gu Xin. Gu Xin, if you don’t say this out loud today, I’ll never talk to you again!

Gu Xin pursed her lips and almost burst into tears. She was shocked by Gu Nian’s last sentence and whispered, “I, I am the most, most beautiful girl in the village. I used to be, I am still the most beautiful girl now, and I will still be the most beautiful girl in the future!

“Say it again! Who is it?” Gu Nian said.

After Gu Xin said this, she felt that it wasn’t so embarrassing anymore. Her sister was so fierce. It didn’t seem so difficult to say it again.

Gu Xin wiped her tears and looked at Zhang Yunyun, “I, Gu Xin, am the prettiest girl in the village. I was, I am, and I will always be!

Zhang Yunyun looked at the two sisters as if she had seen a ghost. "You two sisters must have had your brains squeezed between the doors! How shameless!"

Before Gu Nian could say anything, Gu Xin was already angry. She wiped her nose and shouted, "You're the one who got your head caught in the door! Your head was kicked by a donkey! You're the one who's shameless!"

Zhang Yunyun had never been scolded so loudly before. She raised her hand and was about to hit someone.

Chapter 139 exposing his true nature

Just as Zhang Yunyun was about to hit Gu Xin, Gu Nian and Gu Hui blocked her at the same time. One of them raised her hand to stop her while the other reached out to grab Zhang Yunyun's hand.

At the same time, Zhang Lizheng's grandson, Zhang Xiaoshun, was playing with his big yellow Dog in the yard with a piece of wood. This time, he was a little faster. The sharp piece of wood stabbed into the big yellow dog's butt. It was so painful that the big yellow Dog ran out of the house.

In the blink of an eye, Gu Hui and Gu Nian pulled their younger sisters aside and made way for big yellow. They watched as big yellow knocked Zhang Yunyun to the ground. Zhang Yunyun fell on the ground with her hands still in the air. Big yellow then jumped over her and escaped.

"Hahaha, hahahaha, aunt fell flat on her face! Grandma, come and see, Auntie fell on the ground!" Zhang Xiaoshun clapped his hands and cheered.

The four sisters of the Gu family:

It can even be like this?

Not only did he fail to hit someone, but he was also hit by a dog?

Gu Nian could not help but recall the time when she was kidnapped by the debt collectors in town. Nero Zhang had also wanted to lay a hand on Gu Xin but was bitten by a dog.

However, this time, the big yellow Dog did not do it on purpose. It was stabbed by Zhang Xiaoshun and was running away crazily!

Forget it, she had already seen through her sister's body. If she wanted to have bad intentions towards her sister, she would definitely suffer before she could carry out her plan.

"Zhang Xiaoshun!" Zhang Yunyun got up angrily. Her face was red as she glared at her little nephew.

"Hahahaha, come and hit me!???" Zhang Xiaoshun made a face and turned to run.

"Let's go!" Gu Hui did not like Zhang Yunyun to begin with. Seeing that it was no big deal, she called her younger sisters to leave.

"Stop! You're not allowed to leave! It's all your fault." Zhang Yunyun glared at the four Gu sisters.

Gu Hui threw the scythe in her hand into the air and made it spin 360 degrees. Then, she caught it firmly and held it in her hand. She glanced at Zhang Yunyun and said, "What do you want?"

Zhang Yunyun was so frightened by Gu Hui that she subconsciously took two steps back.

Not daring to go against Gu Hui, she turned around and glared at Gu Nian. "Da ya, you're not allowed to leave. After you leave, I'll never take you out to play again, and I won't tell you about the fun things in the city! I won't talk to you anymore!"

Gu Nian rolled her eyes and said, "then I should thank you! Just nice, I don't want to play with you anymore!"

The three Gu sisters looked at Gu Nian in surprise. In their memory, Gu Nian was Zhang Yunyun's sidekick. She would never go west if Zhang Yunyun told her to go east.

In Gu Hui's words, Zhang Yunyun was like Gu Nian's master.

But now, it was completely different.

Gu Hui felt that Gu Nian had probably changed because of her second uncle's debt.

"You, Hmph! Big Gu, I'll remember this! Don't expect me to talk to you in the future! Don't think I'll take you to see my cousin! Bah! You're a delusional Toad, you coward!"

The four Gu sisters no longer paid attention to Zhang Yunyun. It was a waste of time to talk to such a person.

However, Gu Nian had always been curious about who Zhang Yunyun's cousin was.

She didn't read about it in the books.

Could it be that Gu Nian in the story had revealed his true nature at this age and liked the young masters of rich families?

Cai Xiaolian had explained to Gu niancheng that Lizheng's family was a business family and they had only become rich in recent years. To the girls of the village, Zhang Yunyun's cousin was indeed the son of a rich family.

Al!

Gu Nian felt a headache coming on. All the problems could be solved easily if the original owner stayed, but this kind of relationship problem was annoying!

Chapter 140: You have to believe me

"Xinxin, what's wrong with you? What was she thinking about with a frown? Didn't you want to be the most beautiful girl in our village? Why are you frowning?" Gu Hui noticed that Gu Xin's face was filled with worry, and there was a hint of teasing in her concern.

"Sister Huihui, I ... I was just trying to anger sister Yunyun." Gu Xin came back to her senses and waved her hands nervously as she explained.

“Why are you still calling her sister Yunyun? She even said that about you! Are you stupid?” The invisible Gu si took the initiative to say something.

“Sisi is right. Why are you still calling her sister Yunyun? You can just call her Zhang Yunyun. She doesn’t look like a sister at all.” Gu Nian patted Gu Xin’s head and said, “ don’t worry about the host’s past.

“Oh, I know.” Gu Xin nodded her head and pouted. She looked like she wanted to say something but stopped.

Xinxin, if you have something to say, just say it. We’re sisters, there’s nothing we can’t say. When Gu Nian saw her expression, she knew that she must have had a dark history with the original owner.

“Elder sister, it’s that elder sister Yunyun, Oh, no, Yunyun’s cousin, that Liu Zi. Elder sister, you like him a lot. Last month, you gave Yunyun a lot of things before she agreed to take you to young master Liu’s birthday in the twelfth lunar month. You were so happy the day she agreed to it and even gave me a candy.” Gu Xin said carefully.

“What? Didn’t you say that I liked Zhang Yunyun’s second brother, that dark-skinned guy?” Gu Nian was so shocked that she blurted out the words without thinking.

However, Gu Hui and Gu si did not suspect her of anything. They just thought that she was being so unreserved. Wasn’t this just rushing to do that?

“Yup! You’re usually happy when brother Yungui gives you something!” Gu Xin nodded her head.

Gu Nian, “Yingluo.”

What did the silly original owner do?

“Cough, cough, that, Huihui, niannian, sisi, I’ll tell you today! Actually, I don’t like anyone, really. I must have been brainwashed by Zhang Yunyun. She must have praised her cousin so well that I became hot-headed. I don’t have any intention of getting married at all, you must believe me. ” Gu Nian decided that from this moment on, starting from his friends, he would express his feelings clearly when it came to matters of the heart.

“Yes, I know. You’re going to marry the scholar.” Gu Hui said in all seriousness. As long as one did not look at the teasing smile in her eyes, her tone was extremely sincere.

“Sister niannian, isn’t second uncle going to take the imperial examination? Then if second uncle becomes the scholar, Won’t You Be unable to get married? Grandpa said that the imperial examination is held once every three years, and the next one will be the year after. After the year after that, in another three years, it will be five years. Sister niannian, you’re already nineteen!” Gu si said weakly.

Gu Nian facepalmed.

She couldn’t say that her 9000-year-old father couldn’t be the top scorer!

“Nineteen it is! Sigh, let’s not talk about this problem. You’re my sisters. You just have to believe me that I don’t have any thoughts of marrying anyone at the moment, okay?” Gu Nian knew that nineteen was considered an unmarried old lady here. let’s go, let’s get down to business! she emphasized. That unlucky Zhang Yunyun has wasted so much of our time!”

The four sisters chatted and laughed as they made their way to the back of the mountain.

Today's sun was just right, and the dead branches and leaves on the ground were already dry. The two little Sisters put them on their backs.

Meanwhile, Gu Hui and Gu Nian were using their machetes to cut off some small, dry branches.
