Chapter 161: Bad thing

Don't ask Gu Xin how she knew about the name 'flower wine'. She had a good relationship with sun Yumei and she had heard people teasing her, saying that her tie Zhu had gone to drink flower wine again.

She didn't know what flower wine meant, so of course she had to go back and ask her grandparents!

It was not her grandfather who had explained the word 'wine' to her, but her grandmother.

Grandma said that men who drank with women were all bad things. If Xinxin knew who was drinking with women in the future, she should stay away from her.

So, to Gu Xin, men who drank with women were bad things.

She actually didn't understand the real meaning.

"That's right, father, you actually know how to drink wine! "Hehehe ..." Gu Nian was not asking about the present, but Gu shouxin's previous life.

"Tsk, tsk, tsk, I didn't expect this! His father, I can't believe you're into this!" Cai Xiaolian said.

Gu shouxin, "Yingluo."

"Her mother and daughter! This flower isn't that flower!" Gu shouxin did not know whether to laugh or cry. Just as he was about to explain, Gu Xin spoke again.

"Father! Brother tie Zhu has drunk a lot of women's wine. Every time Yumei-in-law heard it, she would be very angry. Grandma had said that all men who drank with women were bad. My uncle also said that men would get sick if they drink wine. So, my uncle taught my son that he should not drink any wine in the future, or he would break my son's legs!" Gu Xin furrowed her brows and looked like she was trying to persuade a wastrel to turn back, "so, father, you can't drink this! You'll get sick, become a bad thing, and your legs will be broken by Big Uncle."

"Pfft!" Gu Nian and Cai Xiaolian could not help but laugh.

Originally, they had already realized what Gu shouxin was talking about. But now, seeing little Xinxin so serious and serious, they were disappointed. She wanted to persuade her to turn back, but at the same time, she was worried that her father's leg would be broken by her uncle. That little look was really too cute!

What else was there?

How could there be such a cute little thing in this world?

"Xinxin, listen to father! Don't say anything!" Gu shouxin felt a little headache. It was the host who had left a bad impression on his daughter!

Previously, he was worried that he would gamble, and now he suspected that he was going to drink and become a bad person?

Gu Xin blinked her eyes, not understanding what her mother and sister were laughing about. Did she say something wrong? Therefore, she didn't continue to talk about Gu shouxin and obediently listened to his explanation.

"The flower wine that father is talking about is the wine made from fresh flowers. For example, the fermented rice that Xinxin ate was also called rice wine, which was made with glutinous rice. As for the other wines, they were also made from grain. Wine brewed with fresh flowers was called flower wine. Also, the flower wine that grandma and uncle told you about isn't wine made from fresh flowers. It's different." Gu shouxin explained while wiping the non-existent sweat on his forehead.

"What's the Difference?" Gu Xin asked curiously.

Our family's little Xinxin has a strong desire for knowledge. If she doesn't understand, she will ask. She's a cute and curious baby.

this ... This Wanwan. Gu shouxin was at a loss for words.

How was she going to explain to her ten-year-old daughter about her grandmother's flower wine?

He felt like his forehead was about to break out in sweat again! Although he knew that he didn't.

Xinxin, come, mother, come here. Mother will explain to you. Cai Xiaolian was done laughing and reached out to pull Gu Xin.

"Xinxin, the flower wine your father mentioned is brewed from those beautiful flowers. Both men and women can drink it. As for the flower wine that grandma and uncle mentioned, only men can drink it. We women can't drink it." Cai Xiaolian explained.

Chapter 162: when you grow up, big sister will bring you there

"grandma's right, men who drink with women are all bad things. your uncle's right. Do you understand, Xinxin?" Cai Xiaolian continued.

"i kind of understand, but i also don't quite understand." gu xin thought for a while and said.

"What do you not understand?" Cai Xiaolian asked.

"That's right. Although men who drink wine are bad things, why can only men drink it and not women? I didn't ask about it when I heard that she was a bad person. I was still sad for Yumei because she found a bad man as her husband. but thinking about it, there were good and bad people. There were bad men and bad women. Why can't women drink wine?" Gu Xin voiced her doubts.

Cai Xiaolian,"hehe."

Well, I'm out of words. Come on, top student!

cai xiaolian gave gu nian a look and gu nian, who was so happy that her stomach was hurting, immediately understood. she held gu xin's hand and said, "Xinxin, that's a good question! We can't engage in discrimination. Men and women are equal. If men drink wine, why can't we women drink? xinxin, when you grow up, i'll take you to drink with women! When the time comes, you'll understand the question you asked today!"

cai xiaolian looked at gu nian in surprise.

Gu shouxin also turned to look at Gu Nian.

Aiya, father, mother, I was just joking. Can you guys have some trust in me? " Gu Nian pursed her lips and rolled her eyes at her parents. She then continued to pull Gu Xin. Xinxin, there's a special place for drinking. It's called the brothel. The brothel was full of girls. Those girls who had been sold by their families or bought by flower buyers were trained to drink with men and even do some things that they were unwilling to do that would damage their reputation. And these bad guys use these girls to earn money from these men. This is called drinking with women."

"Is there a place where little boys are trained to make money with girls?" Gu Xin asked.

The three transmigrators who had never raised a child: "....."

"there are. However, these were not good places, and the people who went there were not good people. So, Xinxin, remember to stay far away from the people in these places in the future, understand?" Gu Nian was stunned for a moment before she came back to her senses and explained.

"Okay, I understand." Gu Xin stopped asking and nodded her head to show that she understood. She then looked at Gu shouxin and apologized sincerely, " father, i'm sorry. I misunderstood you! I'll definitely believe you in the future."

"ai! I'm so pitiful! I'm always being wronged by Xinxin. Last time, she even accused me of going to gamble and watched me for a whole day!" gu shouxin sighed and said dejectedly.

"Father, I'm sorry, I'm sorry! I was wrong, I won't do it again in the future! I'll definitely believe in father in the future. Father is the best father in the world. He'll definitely be able to keep his promise to Xinxin. Sister, isn't that right? our father is the best father in the world!" gu xin quickly apologized and tried to drag gu nian along.

Cai Xiaolian& thought,"you old fox, acting pitiful!"

"Alright! I believe Xinxin! since father trusts xinxin so much, i must trust father in the future." The corners of Gu shouxin's mouth curved up as he said.

"Mm! I'll definitely believe in father!" Gu Xin nodded and continued, " my father is the best father in the world, my mother is the best mother in the world and my sister is the best sister in the world!

"Then, who do you think is the best among the three of us?" the time travel trio said in unison.

Gu Xin,"Yingluo."

She silently lowered her head and poked her index fingers together.

Chapter 163: i feel like you're implying something

The time travel Trio originally wanted to make a joke to tease the young lady, but seeing the young lady's conflicted look, they couldn't bear to see her like this. Just as they were about to say that there was no need to say anything more, Gu Xin came up with an answer.

"Father, mother, sister, don't be angry when I say this!" Gu Xin said weakly.

The transmigration trio was in high spirits. Everyone had arrived on the same day and felt that they were good to little Xinxin, but who was the best was up to little Xinxin's comment. They had to fight to not be the last.

"Speak, as long as father (mother, sister) doesn't rank third!" The time travel Trio said.

"Father, mother, sister, I feel that you all treat me the same. You treated me the same in the past and now you still treat me the same. The kindness he showed me in the past was the same, and the kindness he showed me now is the same. However, I like the current situation better. So, father, mother, sister, you can't compare this with each other. You have to compare it with the past!" Gu Xin paused for a moment before continuing, "grandfather said that we shouldn't compare ourselves with others because there will always be someone stronger than you. We're outsiders. We can compare ourselves to our past selves, our present selves to our past selves, and our future selves to our present selves. As long as we are growing and improving, it means that we are getting better and better!"

[the transmigration trio: little Xinxin, we suspect that you're referring to us.] However, that wasn't us in the past!

He wanted to cry but had no tears!

.....

The family of four bought a lot of things in the city. On their way back, they did not meet Lu Zheng. It was better that they did not meet him.

After putting down their things at home, Gu Nian and Gu Xin took the things they had bought for the old mansion to the old mansion. Gu shouxin and Cai Xiaolian went to see the progress of the new house's construction.

"How's business?" Grandma Gu asked Gu Nian as she accepted the gifts.

"Hmm, it's alright. It's much better than before, the seats are all full at noon." Gu Nian said.

"That's good! you'll let your mother worry about this matter in the future. you've been quite tired recently, so rest well at home. It's good to teach Xinxin and sisi how to read." Grandma Gu said.

She was already used to the changes in her second branch's granddaughter. Seeing that her child had become sensible in an instant, her heart ached.

"It's fine, grandma. I'm not tired at all, I still have other things to think about!" Gu Nian waved her hand before her eyes suddenly lit up. grandma, are you concerned about me? " she asked. Yes, yes, it must

be. Xinxin isn't the only baby in our family anymore. I'm your baby too, right? Grandma's afraid I'll be too tired!"

grandma gu,"yingluo."

It's enough that you know it, why did you say it out loud?

Wouldn't that make him uncomfortable?

"Go and play by yourself!" Grandma Gu glanced at Gu Nian before turning around to head into the kitchen.

Gu Nian covered her mouth as she laughed. 'What a cute old lady. One day, I'll make you laugh.'

"Sister, what are you laughing at?" Gu Xin and Gu si entered the room and saw Gu Nian giggling.

"Nothing, nothing! Where's sister Huihui?" Gu Nian asked.

"sister niannian, my sister and aunt xiaohuan went to pick honey locust. she said you're running out of honey locust!" Gu si said.

gu nian was stunned for a moment before she felt a warm feeling in her heart. "you guys stay at home. I'll go pick up sister Huihui!"

"Oh!" The two little girls nodded, then held hands and went to the big house to see their younger brother. Big aunt (mother)'s words were not pleasant, but it was fun to bear with it.

Chapter 164: He stinks!

That night, Cai Xiaolian ordered another 100 sets of boxes from master yang. In November, they planned to make 100 sets.

It wasn't complicated to do it after mastering the method. The four sisters of the Gu family could do it.

As for the rest of the time, Gu Nian could use it to continue her research.

The next day, Gu Nian spent all her time in the small wooden house that fourth uncle Gu had built for her.

Gu Xin did not stay in the wooden house with Gu Nian all the time. She would often go out with Gu si to dig for wild vegetables and pour water for the men who were repairing the house.

The villagers who came to help all liked Gu Xin.

That day, Gu Xin and Gu si went to look for yang xiaohuan. It was grandma Gu who asked them to send something to yang xiaohuan.

However, when they were about to reach the Yang family, they met a few little boys around their age.

"Two Gu Yas, two ugly monsters!" One of the little boys ran over and tore one of Gu Xin's buns apart.

“Zhang Xiaohu, I’ll get my sister to deal with you later!” Gu si glared at Zhang Xiaohu and then went to help Gu Xin with her hair.

“Gu si, you Tattletale! I’ll Sue you and let me heal you. When aunt is out of confinement, I’ll beat you too!???”Zhang Xiaohu made a face at Gu si.

This Zhang Xiaohu was the little boy that Gu Xin had mentioned before, the one who often bullied him. He was the nephew of his first aunt’s family.

Zhang Shi was a person who valued boys over girls, and treated her nephews better than her own daughters.

Therefore, Zhang Xiaohu often complained to Zhang Shi, saying that Gu Hui bullied him.

When she was young, Zhang Shi could still hit Gu Hui a few times. But now that Gu Hui was 16, Zhang Shi did not dare to do anything other than scold her.

She was afraid that she couldn’t win.

“My father once said that a man who only bullies little girls is not a man. That’s called having no balls! Hmph!” Gu si said angrily.

“You’re the one without balls! You’re the gutless one! You wretched girl, you’re a money-losing good!” Zhang Xiaohu stepped forward and pushed Gu si.

Gu Si was caught off guard and was pushed down.

“Hmph! Ugly monster, why did you tie your hair! No matter how good it looks, you’re still an ugly monster! You black monkey, you ugly monster, you ugly monster who can’t get married!” Zhang Xiaohu saw that Gu Xin’s hair was done up again. Although it did not look as good as before, he still pulled it off in disgust. He even pulled off the other side of her hair.

“Hahahaha, ugly freak! Two idiots, two ugly monsters! Ugly ugly ugly!” A few boys surrounded the two sisters and laughed at them.

In the courtyard not far from the Yang family, Lu Zheng happened to be there. He heard the second daughter of the Gu family and walked to the door to take a look.

Before he could think further, he saw a little girl with disheveled hair crash into one of the little boys, and then the other boys rushed forward.

He wanted to help, but after thinking for a while, he picked up a few stones and shot them at the boys ‘knees one by one.

In the end, what he saw was that the little boys fell to the ground before the stone even hit them. The stone hit the little boy’s head directly.

Meanwhile, Gu Xin and Gu si took this opportunity to punch the little boy.

sister Xinxin, Zhang Xiaohu pulled your hair. Let’s pull his hair too! Gu si said.

Furthermore, they had bullied Gu Xin so badly in the past that even a rabbit would be jealous when it was anxious.

“Xiaohu, I’ll help you call your mother!”

“Xiaohu, I’ll go get brother da Hu!”

“Xiaohu, my mother is calling me home for dinner!”

“Xiaohu, I want to pee!”

The four little boys left just like that.

Zhang Xiaohu’s crying paused for a moment, then he cried even louder.

“Let’s go, sister Xinxin. Let’s just ignore him. My father said, if the child cries, let him cry. If you don’t care about him, he won’t cry in a while. This is how it is to endure.” Gu si threw the stone away and held Gu Xin’s hand.

“Alright. His uncle’s words made sense. Let’s go, my hair is also disheveled. I’ll ask aunt Xiao Huan to help me comb it. Otherwise, if my parents and sister find out when I get home, they’ll hang Zhang Xiaohu up and beat him up.” Gu Xin nodded her head in agreement. She was even thinking of Zhang Xiaohu, the person she hated, and did not plan to go home and tell on him.

“Yes, yes, second uncle, second aunt, and sister niannian are very powerful. They can all use a chopper and a vegetable knife to cut people. Although Zhang Xiaohu is annoying, if he’s hacked to death, second uncle, second aunt, and niannian will be taken away.” Gu si said.

“In the future, if they bully us again, when we fight back, we have to keep them alive. We can’t kill them. It’s very scary to be caught and brought to the Yamen.” Gu Xin said.

okay, I’ll remember, sister Xinxin! Gu si nodded.

Lu Zheng smiled as he looked at Gu Xin. That was great. Xin ‘er had learned to fight back when she was bullied.

“Young master Zhou, have you already moved in?” Gu Xin saw Lu Zheng and decided to greet him. After all, they knew each other.

Chapter 166 the tattletale

“In a few days.” Lu Zheng nodded and smiled.

“Oh, I’m going with sisi to find aunt Xiao Huan. Goodbye, young master Zhou!” Gu Xin waved her hand and held Gu Si’s hand as they walked towards the Yang family.

Lu Zheng looked at Gu Xin’s messy hair and laughed. Xin ‘er was so cute when she was young!

He didn’t look at her for long and was about to turn around and go back.

sister Xinxin, I think I saw Mr. Zhou laughing at your hair. Gu si said in a low voice.

"It doesn't matter! My sister said that we don't need to care about the gazes of irrelevant people!" Gu Xin said.

"Yes, sister niannian is right!" Gu si thought about it and agreed, so she stopped talking.

The irrelevant Lu Zheng stopped in his tracks. "....."

.....

At night, the four members of the Gu family were having dinner at the Gu family mansion when someone knocked on the door.

"In-law! Open the door! Open the door! In-law!"

Gu en ran to open the door when she heard the sound.

It was his grandmother, the old lady of the Zhang family, Madam Wang.

Mrs. Wang usually treated Gu en well. Zhang Shi's preference for boys over girls was inherited from her mother. Anyway, no matter whether it was a maternal grandson or a grandson, as long as it was a grandson and not a granddaughter, she would like it.

"Grandma, you're here to see mother and Ninja?" Gu en opened the door. As soon as she finished speaking, she saw her cousin Zhang Xiaohu covered in dirt. There was a bump on his forehead and his tears had not dried yet.

This was also because Wang-Shi was holding an oil lamp. Otherwise, it would be so dark that he wouldn't be able to see clearly.

"Move, who's looking at your mother? I'm looking for your Grandpa and Grandma!" Wang Shi held an oil lamp in one hand and held Zhang Xiaohu's hand in the other. Zhang Dahu and Wang Shi's daughter-in-law, Madam Gao, who was also Gu en's aunt, followed behind.

Gu en could not react. Why was his grandmother so fierce today?

"In-law, in-law, you have to give me an explanation for today's matter!" Madam Wang led Zhang Xiaohu to the kitchen and directly pushed the child in front of the two old people.

"Aiyo, what's wrong with Xiaohu? Did you get hit?" Grandpa Gu asked with concern.

"I say, Wang Dahua, your grandson was injured. What explanation do you want us to give you? Are you crazy?" Grandma Gu looked at Zhang Xiaohu and then at Madam Wang, speechless.

"Hey! Stop singing the same tune as you two! Xiaohu, tell your Grandpa and Grandma Gu, what happened to you?" Mrs. Wang pushed Wang Xiaohu away and glared at Gu Xin.

Madam Wang was a very interesting person. She usually disdained the girls of her grandchildren. However, when her own grandchildren were compared to the grandchildren of other families, it was natural that the grandchildren of other families were more hateful.

So, when Wang Xiaohu said that Gu Xin and Gu si bullied him and beat him up, she only had Gu Xin in her mind and not her granddaughter Gu si.

The Gu family could see the look in her eyes, but they could not believe it.

In the past, Xinxin was the one who was bullied. Sisi basically didn't play with the other children outside. Moreover, the two girls were both thin and small, so how could they bully Wang Xiaohu, who was like a little calf?

Gu Xin lowered her head guiltily. this Wang Xiaohu, I didn't even go home to complain and you brought your parents here instead? "

You're just a Tattletale, a paper tiger!

"Grandpa Gu, grandma Gu, it was er ya who hit me. She even said that she would smash my head with a stone!" Wang Xiaohu pitifully complained to the elder, his little black Hand pointing at Gu Xin and Gu si.

The two sisters were sitting on the same bench.

"Xiaohu, there are two girls in our family. Which one are you talking about?" Uncle Gu asked.

Chapter 167: Are you here to cause trouble in my territory?

"Uncle, both of them hit me!" Zhang Xiaohu cried out in grievance.

"Hahahaha, you little brat, you used to bully my family's two Yas a lot. Now that you've been bullied back, you also know how to cry! You deserve it!" Uncle Gu laughed out loud, gloating over his misfortune.

"Waa waa waa." Zhang Xiaohu cried even more sadly.

"What are you crying for? My family's two second Yas didn't even cry when you bullied them! Why are you even worse than a girl?" Gu shouxin said.

The entire Gu family:

"Gu shouxin!" The Wang consortium was furious!

Why did she tell her daughter such a partner? her daughter was really lucky to not be angered to death!

"Brother-in-law, why do you say that?" Zhang Xiaohu's mother, Madam Gao, was not happy. She went forward to pull the child over and wiped his tears while glaring at Gu shouxin.

"Aiyo, mother-in-law, sister-in-law, I'm completely right! I'm doing this for Xiaohu's good! He's a boy, but he was bullied by my two girls. If this gets out, I'm afraid he won't be able to find a wife in the future!" Gu shouxin's expression said, "I'm doing this for your good."

"Waa! Mother, I don't want to be unable to find a wife! Grandma, I want a wife, I want a wife!" Zhang Xiaohu's nerves were touched by Gu shouxin again and he cried even louder.

Which little boy didn't know that not being able to get a wife was a very dirty thing? How embarrassing!

"Gu shouxin, shut up! Do you have to take care of my Zhang family's child?" Wang-Shi was about to go crazy.

"I say, Wang Dahua, you should shut up! How can you, the Zhang family, make noise in my Gu family's territory? Have you not seen me deal with people in a long time?" Grandma Gu couldn't take it anymore.

My stupid son is kind enough to help you teach your grandson. What do you mean by this?

I didn't even scold anyone, and you're acting so atrociously in my territory?

in-law, I'm going to say this now. If you don't give me an explanation, I won't leave! Madam née Wang sat down on the ground, looking like she was about to make a scene.

Cai Xiaolian's mouth twitched. This scene was so familiar. When she had just transmigrated here in town, she hadn't mistaken this action and aura!

The villain in Gu Nian's heart was clapping his hands and shouting, "Let's fight. Let me take the opportunity to beat up that Zhang Dahu and stretch my muscles. I'll also help Xinxin take revenge.

"Gu Xin!" Suddenly, Gu shouxin shouted, and everyone in the room became quiet.

His voice wasn't loud, but everyone could hear him and felt that it was a little scary.

"Father." Gu Xin stood up guiltily and was a little scared.

Her father didn't even call her Xinxin anymore. Was she angry?

Damn you, Zhang Xiaohu. I'll beat you again next time and let you complain to me. You made my father angry with me and he doesn't even call me Xinxin anymore.

"Come here!" Gu shouxin said.

Gu Xin lowered her head and put her hands behind her back uneasily as she walked in front of Gu shouxin.

"I say, second brother, you're much more reasonable than your parents and big brother. This little girl should be taught well. How could she get married in the future if she fought? She's already a money-losing item, and if she can't get married and dies in my hands, it's a great loss!" Wang-Shi was happy to see Gu shouxin's fierce look, but she didn't forget to add fuel to the fire.

"I say, aunty Wang, are you very proud that you didn't die in the hands of your parents?" Cai Xiaolian turned her head to look at Madam Wang and said speechlessly.

"I say, Cai, is this how you treat your elders? I'm your in-law's in-law, you uneducated Dong Fei Fei!"

"Shut up!" Grandma Gu's head was really hurting from all the noise, and she really wanted to give Mrs. Wang a punch.

Chapter 168 if someone offends me

Oh my God! Madam née Wang wanted to say more, but she was frightened by grandma Gu's eyes. Thinking that Gu shouxin was going to educate that little girl, she didn't say anything.

As for Cai Xiaolian, that unlucky b * stard who was trying to pay for her losses, she had plenty of time to deal with her.

second brother, Xinxin didn't do anything wrong. Why are you scaring the child? " uncle gu couldn't stand it anymore and stepped forward to help.

that's right, second brother. You've scared Xinxin! Fourth uncle Gu could not bear to see his little niece being scolded. He had seen his little niece being scolded by his second brother and second sister-in-law many times in the past.

Grandpa Gu also wanted to say something, but grandma Gu stopped him.

Grandpa Gu looked at grandma Gu in confusion. Grandma Gu moved her lips and said silently, " "Second brother won't scold her."

Gu Xin, did you fight with Zhang Xiaohu today? " Gu shouxin asked.

" second uncle, sister xinxin didn't say anything. " gu wanted to help but was interrupted by gu shouxin.

"sisi, you come over too!" Gu shouxin said.

Gu si thought that it was better for two people to be scolded than one person. He stood up and went over.

"How did he do it? Where did Zhang Xiaohu hit you guys?" gu shouxin asked.

Gu Xin was stunned. She looked up at Gu shouxin and pouted her lips in grievance. Her tears were almost out of control. Her father was being fierce to her again.

Had the heavens taken back the Father that he liked?

Did Xinxin do something wrong?

"Second uncle, Zhang Xiaohu pulled sister Xinxin's hair and called us ugly. He even pushed me and sister Xinxin. A few little boys. we'll just hit them! they fell down on their own and hit their heads on the rocks. We didn't even use the rocks and those few ran away. Zhang Xiaohu was so scared that he cried." Gu si said.

"i pulled your hair? Then did you pull his hair? He pushed you, then did you push him?" gu shouxin looked at gu xin and asked.

"I pulled and rubbed it, but his hair was stinky! I also bumped into him, and he fell to the ground." Gu Xin's tears flowed down as she said in an aggrieved tone.

"are you hurt? did your head hurt? Your hand touched something stinky. Have you washed it with the nice-smelling bath your sister made? Also, why didn't you come back and tell your parents? when she was bullied outside, she had to come back and tell her parents. Do you know what you did wrong?" Gu shouxin asked seriously.

The Gu family,"Yingluo."

he was afraid that xinxin had hurt her hand and was angry that she didn't come back to complain!

The Zhang family: "Yingluo."

You can't mock me like this.

"I did. I washed it a few times before it stopped stinky. I had asked aunt Xiao Huan to tie my hair. I was wrong, father. I'll tell you when I come back in the future. I didn't tell you because I was afraid that you, mother, and sister would be angry and beat Zhang Xiaohu to death. If that happened, you would be arrested by the yamen. I'm sorry, father, I was wrong. I won't hide it from you guys anymore." Gu Xin was crying uncontrollably.

"Correct your mistakes. It's good that it doesn't hurt. Don't cry." Gu Shouxin wiped Gu Xin's tears, then pulled Gu Si closer and said, "Xinxin, Sisi, let me teach you a lesson today. If people don't attack me, I won't attack them. If people attack me, I will definitely attack them. When he fought with others outside, he would run away when he couldn't win. He would run back to ask his sister for help. If you can beat them, beat them up ruthlessly until they don't dare to bully you anymore. I should tell my family when I come back, in case they come home and complain first. It's so annoying, isn't it?"

"Yes, I'll remember, father!" Gu Xin stopped crying and sniffed as she nodded.

"Alright, second uncle! My sister taught me the same thing. Second uncle, you're not angry anymore, are you?" Gu Si nodded and asked.

Chapter 169: do you dare not?

"Well, as long as you remember what you did wrong, I won't be angry anymore. I'll say it again, where did you go wrong?" Gu Shouxin looked at the two sisters and asked.

The two sisters looked at each other. Gu Xin was still sniffing.

"Father, I shouldn't have not told you about this," she said with uncertainty. "If I'm bullied in the future, I'll come back and tell everyone. I'll also tell everyone if I retaliate!"

"Yes, good girl!" Gu Shouxin nodded and then frowned. "Don't cry. It's ugly!"

The moment Gu Xin heard the word 'ugly', she immediately wiped her tears and snot.

Can't be ugly, can't be ugly!

I told Zhang Yunyun that I'm the most beautiful girl in the village. I must keep my word and not be ugly.

The Gu family laughed when they saw Gu Xin's reaction. Obviously, they knew what Gu Xin had said to Zhang Yunyun.

In the eyes of the family, their children were definitely very good-looking.

However, this family was so harmonious that they ignored the four people who came to make trouble, which made the Zhang family uncomfortable.

Zhang Xiaohu's brother, Zhang Dahu, was feeling uncomfortable. He kicked over the small bench beside his feet and said, "Grandpa Gu, grandma Gu, what do you mean by this? My brother was beaten up by Gu Xin, aren't you guys going to give an explanation?"

if zhang xiaohu was said to be as strong as a calf, then zhang dahu was as strong as a hill.

"Bah! zhang dahu, what the hell are you? Your grandma and mother are still here, and the elders of the Gu family are still here. When did you have the right to speak? You really have no manners!" Gu Nian finally found a chance to speak.

Since the other party had a grandson, it was only natural for her granddaughter to fight, lest they say that the Gu family's elder was fighting the younger one.

what the f * ck? " Zhang Dahu glared at Gu Nian with his bell-like eyes.

Gu Nian rolled her eyes at him.

zhang dahu was stunned. wasn't he usually afraid of just a glare? This little girl was actually not afraid.

"What about me? I'm telling you, I've been wanting to deal with you for a long time! Your brother bullied my sister. I'm older than him, so I can't do anything to him. I can't help my brother bully a child as shamelessly as you. Just nice, my hands are itching recently. You want to take revenge now, right? you want an explanation? Alright! i'll give you an explanation!" Gu Nian said arrogantly as she cracked her knuckles.

She had wanted to beat Zhang Dahu up just now.

Moreover, from the moment Gu Xin said that the Zhang brothers were bullying her, she wanted to put a gunny sack over them and beat them up, but she just didn't find the right time.

She had just started to become familiar with the people in the village. There were some places in the village that she had not been to yet, and she was busy at home, so she had not moved.

He had originally planned to teach them a lesson during the new year, but in the end, these two brothers had delivered themselves to his door.

Hehe Yingluo

"You want to fight me?" zhang dahu laughed as if he had heard a joke.

"Yup! Do you dare to?" gu nian said.

" grandpa gu, grandma gu, uncle-in-law, i didn't want to bully you. you're the one who wants to be abused. " Zhang Dahu looked at his elder and smiled.

"I say, big tiger, I advise you to speak properly. Really, when you're beaten up so badly that all your teeth are on the ground, don't complain like Xiaohu! You have to know that your aunt is married to me. She's part of the Gu family. I'll be honest with you. I'm a very protective person. I'm on the Gu family's child's side when they have a conflict with your Zhang family's child. Of course, if your Zhang family's children have conflicts with other families 'children, then it's none of my business." Uncle Gu reminded him.

Chapter 170: Marriage

The Gu family was speechless at uncle Gu.

and this was in front of his mother-in-law, these words were too arrogant!

“gu shouren, you bastard! this old lady was blind back then, how could i let my daughter marry a thing like you!” Wang-Shi was so angry that she wanted to vomit blood.

upon hearing this, she recalled how gu shouren and that d * mn girl, gu hui, used to deal with dahu and xiaohu.

He didn’t make a move, but let his daughter do it. So this was what this fellow was thinking.

“Mother-in-law, why are you so angry? It’s too late to say that you’re blind now. You’re already married and have four children. Do you still want to bring them back? Although my family won’t stop you, your family will suffer a loss!” Big Uncle Gu had a look that said he was doing it for the good of the Wang family.

” you f * ck! ” madam née wang was so angry that she almost vomited blood.

“Grandma, don’t be angry, let me do it!” Zhang Dahu comforted Madam Wang, then looked at the two elders of the Gu family. Grandpa Gu, grandma Gu, niannian asked me to beat her up. Don’t blame me if you get injured later! However, I have a good suggestion here, and that is, out of blows, friendship grows! I know niannian is talking about marriage, and it just so happens that I’m also talking about marriage. why don’t we have a marriage after the fight? To be honest, niannian is so good-looking, I don’t even want to hit her!”

The Gu family looked at Zhang Dahu in disgust as if they had just eaten a fly.

Was there such a shameless person?

Their family’s niannian had always been the flower of the village since she was young. She didn’t have a good personality in the past, but she was also handsome. Not to mention, her personality was quite good now.

Would they be crazy enough to tell Zhang Dahu?

“Alright! Kiss! If you can defeat me today, I’ll marry you!” gu nian was furious. after he finished speaking, he exerted strength in his legs and ran two steps before flying up and giving zhang dahu a high kick.

Zhang Dahu was caught off guard and was kicked back to the door. He only managed to stand firm against the wall.

Without waiting for his reaction, Gu Nian stepped forward and threw him over her shoulder.

“Big tiger!” the mothers of the wang brothers and the hu brothers exclaimed.

“Alright!” uncle gu watched the commotion and clapped his hands. aiya, my niece’s martial arts can move mountains!

Gu Nian immediately sat on Zhang Dahu's body and held him down with one hand while using the other to punch him. "you stinky and shameless person, you're the big one bullying the small one, you toad who wants to eat swan meat! Bah! I'll kill you!"

"Stop! You wretched girl, stop!" Mrs. Wang and Mrs. Zhang stepped forward to pull Gu Nian away.

Zhang Xiaohu was so scared that he took a few steps back.

"second eldest's wife, huihui, hurry up and pull niannian away! We have to do a good job, or else what if big tiger gets killed in our house?" Grandma Gu gave Cai Xiaolian a look.

Cai Xiaolian understood immediately. She went forward with Gu Hui and helped to pull her.

however, the two of them were not there to help gu nian. they were there to help stop mrs. wang and mrs. gao. after the mother and daughter-in-law appeared, gu nian could not hold back anymore.

This disgusting Zhang Dahu wanted to get married with one sentence?

PAH! my family's doctor's daughter can marry you? You're a big bully, you little brat with no thoughts!

PAH! You want to marry our second branch? why don't you take a look at your own reputation outside? are you worthy?

not only did she side with him, but cai xiaolian and gu hui also cooperated very well. they even secretly stepped on him, grabbed him, and pinched him.

"What are you doing? What are you all doing?" at this time, zhang shi, who had a handkerchief wrapped around her head and was dressed in a round dress, appeared at the door. when she saw the scene in front of her, she was stunned.
