Chapter 221 nightmare

Grandma Xiao wanted to chat with grandma Gu, so she carried Gu si on her back.

Lu Zheng was carrying Gu Xin on his back. In his hands, he was holding a basket of medicine. Inside the basket were some ointment and herbs that were prepared to calm the nerves.

As expected, they didn't meet any villagers along the way. When they heard that a big cat had appeared in the back mountain and almost ate the eldest and two granddaughters of the Gu family, they were all very nervous and went to Zhang Lizheng's house.

When they arrived at the old mansion, the grandfather-grandson pair carried their children and went their separate ways.

big cat, dad, mom, and sister, run! There's a big cat ~"Gu Xin was having a nightmare as she was about to reach the door of the new house.

don't be afraid, Xinxin. I'm here. You don't have to be afraid of the big cat. Lu Zheng said gently.

"Big cat, there's a big cat! father, mother, sister, run! There's a big cat! Gu Xin was extremely afraid even in her dreams as she hugged Lu Zheng's neck tightly.

Xinxin, don't be afraid. Don't be afraid. Lu Zheng furrowed his brows and consoled her softly. He quickly went up and knocked on the door.

Only Gu Nian and Gu Hui were in the kitchen. The door was left ajar, so Lu Zheng knocked on it and it opened. Gu Nian was just about to come out of the living room when she saw Lu Zheng carrying Gu Xin on his back.

She placed the things on the bench on the street and rushed forward. She looked at Lu Zheng with a slightly unfriendly gaze."What's wrong with Xinxin?"

"Miss Nian, let me put the person down first!" Lu Yang said.

Gu Nian wanted to say 'I'll carry you', but when she saw Gu Xin's arms wrapped tightly around Lu Zheng's neck, her face injured and her brows furrowed, she could not bear to see her like this. She turned around and brought Lu Zheng to Gu Xin's room.

After putting her down, Gu Hui came in.

"Come over here, or else you'll wake her up." Lu Zheng whispered as he watched Gu Nian cover Gu Xin with the blanket.

Gu Nian glanced at him before standing up and following him out of the house.

"A big cat appeared in the back mountain. Xinxin and sisi were frightened and have some external injuries. My grandmother has already prepared the medicine to calm the nerves. Boil the one in the

small bag with cold water for half an hour, then put the one in the big bag in and boil it together for another hour.” Lu Zheng passed the basket to Gu Nian.

“Big cat? What about sisi? What about my father? Is my father injured?” Gu Hui asked.

my grandma went back with sisi on her back. Uncle Gu is not injured, but he was accidentally stained by the medicinal powder that Xinxin scattered. He’s taking a bath at home to relieve the effects of the medicine. Lu Zheng looked at Gu Hui and said.

“Brother a ‘Yuan, did my father say what the situation is? A big cat suddenly appeared out of nowhere?” Hearing that uncle Gu was taking a bath, Gu Hui gave up on the idea of going back to ask.

I’m not too sure either. When uncle Gu sent her here, she was already itching. Lu Yang said.

“Thank you for carrying Xinxin back today, young master Zhou.” thank you, ” Gu Nian said after calming down.

I’ll go first. I’ll go to Li Zheng’s house to take a look. The villagers should be discussing going up the mountain to kill the Tiger now. Lu Zheng nodded and took his leave.

After a few steps, he stopped and turned around.”Miss Nian, Xinxin is having a nightmare. When I carried her back just now, she kept shouting in fear that father, mother, sister, and big cat are here. You should keep an eye on her. Grandma said that she should wake up soon.”

alright, thank you for your reminder, young master Zhou. Gu Nian nodded.

After Lu Zheng left, Gu Hui also went back to check on Gu si and uncle Gu.

After checking on Gu Xin’s condition, Gu Nian went to the kitchen to boil the medicine for her before returning to sit by her bed.

She could not help but recall the plot.

Chapter 222: There’s nothing this time!

She remembered a foreshadowing. After the female lead died, the male lead didn’t accept beauties from others at first. Later, when the male lead met a mysterious person, he crazily accepted them. When others found out about the situation, they gave all kinds of beauties to him.

The foreshadowing was the mysterious person that the male lead met. The chapter she read had not yet revealed the identity of the mysterious person.

Who was that person?

The last chapter she read was about the male lead accepting another person from the Emperor and happily drinking in front of Gu Xin’s memorial tablet. At this moment, a mysterious person appeared.

She saw this.

Gu Nian frowned and shook her head.

Just because those people looked like the female lead or had the female lead's talents, the male lead was so happy?

Also, since he was happy, why didn't he touch those women?

"No, don't, don't come over, ah!" At this moment, Gu Xin suddenly woke up with tears in her eyes.

Xinxin, don't be afraid. Don't be afraid. Sister is here. Gu Nian held Gu Xin's hand.

However, when Gu Xin saw her, she was so shocked that she retracted her hand immediately. Her eyes were a little dazed.

Gu Nian was stunned. Xinxin, I'm your sister. Don't be afraid. There's no big cat. You're home.

Gu Xin's eyes were a little dazed, but when she heard the word 'big cat', she immediately sobered up and sat up, "Sister, where's uncle and sisi?"

"Don't worry, don't worry. Uncle and sisi are fine, they're fine." Gu Xin patted her back and tried to sound as gentle as possible.

sister, it's so scary. I saw the big cat trying to bite uncle's neck. Gu Xin hugged Gu Nian.

"Don't be afraid, don't be afraid. You used the powder that grandma Xiao gave me, and big cat fell for it and didn't manage to bite uncle, really. Big Uncle has brought you back." Gu Nian hugged her and patted her back as she explained.

.....

In the main room of the old mansion, Zhang Shi was scolding Gu si, who had just woken up, and Gu Xin, who was not in front of her, as well.

Uncle Gu was taking a bath in the inner room while scratching his itch. "Wife, why are you scolding sisi? The big cat wasn't raised by sisi, nor was it called out by sisi. Also, Xinxin isn't even here, and you're scolding her. Be careful, second sister-in-law might come back and fight with you!"

"Gu shouren, don't say anything! Do you want hot water? Is the water cold? I'll go get it for you! Day after day, there was no peace of mind. This wretched girl, instead of working hard to earn money, she only knew how to play crazily in the forest! I'm going to slap you!" The more Zhang Shi spoke, the angrier she became. She raised her hand to hit Gu si.

"Who are you slapping? You slapped my granddaughter?" Grandma Gu appeared and grabbed Zhang Shi's hand.

"Mother, I'm just saying. Hehe, aunt Xiao, you guys sit, I'll go get some water for father!" Zhang Shi laughed embarrassedly.

"Healer!" Gu si looked at grandma Gu with tears in her eyes.

it's alright. Let's go home. Don't be afraid. Grandma Gu touched Gu Si's head and said.

Gu si held onto grandma Gu's hand and did not let go. She felt very safe with her grandma by her side.

Grandpa Gu came in and asked uncle Gu about his visit.

Uncle Gu explained what had happened, and then exaggerated the effect of grandma Xiao's powder.

Grandma Gu pursed her lips and asked, "so, the two girls weren't injured when they were chased by the big cat, but you were the one who carried them. You fell, they knocked and rowed, and then you rolled down the slope with them and carried them through the thorny forest?"

"Yes, yes! It's strange, in the past, I would get injured whenever I passed by there, but there's no one this time!" Uncle Gu replied from the inner room.

"You carried him and blocked it for you! That's all on the two girls' faces and bodies." Grandma Gu was speechless.

Chapter 223: Of course I'm worried

Although the situation was urgent at the time and uncle Gu could only carry one child on each side, when she thought of the two children's clothes being torn and their faces bloody, grandma Gu felt uncomfortable!

"Sisi, have a good rest. Your sister is brewing medicine for you. Grandma went to the head office to check on the agenda they were discussing. If we get rid of the big cat, you and Xinxin won't be afraid anymore." Grandma Gu comforted Gu si.

"Yes." Gu si nodded obediently and reluctantly let go of grandma Gu's hand.

mother, remember to tell them that the big cat has been drugged. It's best to catch it while the effect is still there. Otherwise, it'll be difficult to deal with it in the future! Uncle Gu reminded him from inside the room.

"I know! You can just stay at home and scratch your itch!" Grandma Gu left after she finished speaking.

Grandpa Gu and grandma Xiao also went with them.

.....

Gu shouxin and Cai Xiaolian didn't return until it was almost dark. As soon as they entered the village, they felt that today was a little different from usual.

The only two yellow dogs in the village were barking very fiercely. It was almost dark, but the villagers had not gone home. They were still walking on the road and talking about something excitedly.

Gu shouxin saw that the person closest to him was the eldest son of the Tian family, who had the most male population in the village.

"Second brother Gu, you don't know because you're selling things outside, but you have to attend tonight! Even a man has to participate, you know?" The eldest son of the Tian family said.

"Participate in what?" Gu shouxin asked.

“Go up the mountain to beat up the big cat! Oh, right, your big brother brought your little daughter and his little daughter up the mountain today. They met a big cat!” It was only then that elder Tian remembered that Gu shouxin was Gu Xin’s father.

It was mainly because the second Gu couple did not care about their younger daughter in the past. If it were not for her grandparents, the little girl would be like an orphan. Fortunately, second Gu was in debt this time. He was educated by his parents and came over to know about the family.

The elder brother of the Tian family sighed in his heart.

The villagers all thought that Gu shouxin and Cai Xiaolian’s change was because the two elders of the Gu family had paid off their gambling debts and shed tears of gratitude.

As for the new house, they were just watching. They were concerned that the food that the girl had cooked had been sold for money, so the Zhang family had been promoting it all this time!

The villagers still believed in Gu Nian’s ability. After all, this girl had sold a large piece of embroidery for fifty taels of silver last year.

“What? Brother Tian, is my Xinxin alright? Big brother and sisi are also fine, right?” Cai Xiaolian asked anxiously.

“It’s fine, it’s fine. She was just frightened. Doctor Xiao had already prescribed some medicine. Second brother Gu, when it gets dark, go into the mountain with the others. Don’t be afraid, okay?” The elder Tian waved his hand and said.

“Alright, I understand. Then we’ll go back first.” Gu shouxin nodded and drove the ox-cart home quickly.

Seeing that Gu Xin’s face was only scratched by a tree branch, the couple felt relieved.

When Gu Xin saw her parents, she explained the situation to them. She ate some food, drank some medicine and went to sleep. She was really frightened.

In the kitchen, Cai Xiaolian said worriedly, “I don’t know if aunt Xiao’s medicine works on humans and animals for the same time. What if you go into the mountains and the big cat is injured by the medicine?”

Gu shouxin glanced at Cai Xiaolian and smiled. “You’re worried about me?”

Cai Xiaolian replied, “of course I’m worried!” You’re the father of two daughters! If you don’t have anyone who can be both civil and military, where am I supposed to find someone like them?”

Chapter 224: Let’s see

“Alright! Since I’m so rare, I’ll protect myself well. Trust me.” Gu shouxin raised his eyebrows and said.

“I say, father, mother, your feelings for each other are rising very quickly! Come and eat! Father, can I go with you tonight?” Gu Nian asked as she finished setting the table.

don’t go. You stay at home with your mother and Xinxin. Gu shouxin said.

"Yes, niannian. I'm using my kung fu to fight hooligans. I don't want to waste my energy on this kind of thing. What if grandma Xiao's powder doesn't work on big cat? I won't allow you to go!" Cai Xiaolian was determined not to go.

"Alright, then father must tell me the process later. ai, forget it, I'll ask uncle tomorrow. Uncle's story will be more interesting." Gu Nian chuckled.

Gu shouxin, "Yingluo."

by the way, father, mother, Zhou Yuan carried Xinxin back today. Gu Nian took a sip of the soup and began to explain what had happened.

"It's fine. He didn't do anything against the rules. He's been well-behaved during this time. As long as we teach Xinxin well, that's all." Gu shouxin said.

no, there was a situation just now. Xinxin had a nightmare. I don't know what she dreamed about, but after she woke up, she was a little repulsed by me. It was as if she hadn't woken up from a dream. She only came back to her senses when I mentioned big cat. Gu Nian said.

Gu shouxin looked at Gu Nian in confusion.

Cai Xiaolian understood what Gu Nian meant. you're saying that she might have dreamed of what happened in her previous life? "

"Yes, I think it's possible." Gu Nian nodded. Otherwise, why would she reject me? Moreover, at that moment, her eyes were not as clear and pure as usual. She looked like a woman who had experienced a lot. However, it will only last for an instant."

"Dream?" Gu shouxin felt a little magical.

her father, let me tell you, I read a lot of such novels before I died. The situation of the three of us is called transmigration, and the situation of Lu Zheng is called rebirth. There is another situation that is not rebirth, but a sudden dream. The dream is about the future, and it is done intermittently, not continuous. Niannian is afraid that this will happen to Xinxin." Cai Xiaolian explained.

When it came to reading novels, Gu Nian usually read her nephew's novels, which she had always been forced to read.

Cai Xiaolian had read a lot of women's novels when she was hospitalized.

After he understood, Gu shouxin frowned. If that was the case, he would be furious.

Firstly, if Gu Xin had the memories of her previous life, wouldn't gu Xin find out that they had transmigrated into the three-man Group?

Secondly, if Gu Xin had the memories of her past life, she would definitely not be able to live happily like she was now, especially with Lu Zheng by her side.

"We'll see! At the moment, we can't be sure that we're really true to Xinxin and have a clear conscience! As for Lu Zheng, she had met him a few times recently, and he would not be like before. Let's not be too worried." Gu shouxin thought for a while and said.

.....

Gu Xin had a dream. In her dream, she had grown up and was completely different from how she was now. She was very, very pretty.

She was lying on a man's back. His back was wide and strong, giving her a sense of security she had never felt before in her dream.

The man was walking up the stairs with her on his back. The sun was shining high in the sky, and the man's forehead was covered in sweat. She wiped his sweat away. She looked up and did not see the end of the stairs.

Just like that, she walked and walked, and walked and walked. She didn't see the end, and she didn't see the face of the person carrying her.

Chapter 225 climbing the tree

There were currently forty-six families and more than two hundred people in the village.

Zhang Lizheng was a man in his forties. He and the village Hunter, tu Dachuan, were leading the team. They brought more than 30 strong men between the ages of 25 and 40.

Everyone was holding sharp weapons and entered the mountain after five o'clock.

However, after walking around the mountain for six hours, and it was already past midnight, they still couldn't find any traces of the big cat.

They had already walked a long way past the small waterfall and did not dare to go any deeper.

Although there were no big cats in the mountains these years, there were wild boars and wolves. Although there were more than 30 people, if they went deeper and the big guys gathered together, they would all die.

So, Zhang Lizheng asked everyone to come back.

When he came out of the back mountain path, Gu shouxin saw a figure flashing by on another path not far away.

He frowned but didn't say anything. He continued to follow everyone back.

After returning home, the light in Gu Xin's room was still on. Gu shouxin walked over.

"You're back? How is it? Did you catch him?" Cai Xiaolian saw the figure by the window and knew it was Gu shouxin. She put on her clothes and walked out.

"No, I haven't. How's Xinxin?" Gu shouxin asked.

"You're dreaming! One moment, she was shouting for her parents and sister to leave, and the next moment, she was shouting No. It's scary to see a big cat biting someone's neck at such a close distance." Cai Xiaolian whispered.

"I see that you're not asleep yet, are you hungry? Do you want to eat something? I'll go to the kitchen and make you something." Gu shouxin asked.

"No need. I'll check on Xinxin's condition later. If she's still dreaming, I'm going to wake her up." Cai Xiaolian shook her head.

"Okay, then I'll go to sleep. If there's anything, wake me and niannian." Gu shouxin nodded.

Back in his room, Gu shouxin thought of the figure he saw just now and Gu Xin's frowning and scared look in her sleep. After sitting for a while, he took the bow he just got from the old house and went out.

Grandma Gu was the daughter of a Hunter. She had a complete set of hunting items and she took good care of herself.

The speed of a person was quite fast. Soon, Gu shouxin walked to the deepest part of the group of people.

He continued to walk forward without any hesitation.

Although he could not guarantee that he could kill the big cat, he could definitely ensure his own safety. And if he guessed correctly, the shadow he saw entering the mountain when he went down the mountain just now was Lu Zheng.

Gu shouxin didn't know if he had touched Lu Zheng, or if the figure he saw was not Lu Zheng.

The wind in the mountains was very harsh in winter. Although it did not snow at the village of the three Forks, it was bone-piercingly cold.

"Roar ~"

After walking for about half an hour, Gu shouxin heard a whistling sound. This place was already very far from the village. Even if it was quiet at night, the village wouldn't be able to hear it.

Gu shouxin raised his spirits and walked towards the source of the sound.

When he got closer, he realized that there were two big cats, but he didn't see anyone.

He hid behind a big tree and set up his bow. His ears twitched and he drew his bow.

"Roar ~"

All of a sudden, a big cat roared and came to him, while the other one was still there.

Not long after the 15th day of the 12th lunar month, under the moonlight, Gu shouxin aimed at the Tiger's head, shot an arrow, and then immediately climbed up the tree.

The big cat dodged the arrow and pounced over.

The other big cat was trying to climb up the tree. Lu Zheng was on that tree.

"Is this second uncle Gu?" Lu Zheng heard the commotion and asked.

"En, why are you here alone?" Gu shouxin asked.

Both of them had bows, and the big cat didn't dare to climb up. It was afraid that it would be shot at halfway up, so the two big cats could only roar under the tree.

"I couldn't sleep, so I came to try my luck. "In the end, I'm really lucky to have met two sisters-in-law," Lu Zheng said with a helpless smile.

He was confident in dealing with one, but if there were two, he could only hide.

Gu shouxin's situation was the same as his. He could retreat safely when dealing with one, but it would be a little difficult to deal with two.

"One for each of us, are you sure you can do it?" Gu shouxin asked.

"Second uncle Gu, are you sure you can do it?" Lu Zheng asked.

"Alright then! Don't lose your little life! I don't have hands to save you!" Gu shouxin sneered and said. don't worry. Second uncle Gu, you should be careful too. Lu Yang said.

After the two of them agreed, they began to act.

Just now, Lu Zheng had hidden in the tree because there were two big cats. Gu shouxin had no choice but to go up the tree to check on Lu Zheng's situation.

Gu Nian had said that when Lu Zheng was in his twenties, he had led an Army and conquered the soldiers with his fists and decisive means. He had led them to great Zhou's greatest victory in the past few decades.

Back when he had been dueling with Gu Nian, the father and daughter had not given the other party a chance to fight back at all. At the same time, they had the advantage of distracting him first and he had not had the chance to understand his true strength.

It sounded easy now, so he would believe him for once.

After they agreed, the two drew their bows almost at the same time. Gu shouxin had more arrows in his hand than Lu Zheng, but he didn't hit the big cat's vital parts.

A big cat's vision was much better than a human's, and it was even better at night.

Although it didn't hit their vital parts, it did hit them on both sides. The two big cats were furious. They climbed up the tree at the risk of being shot.

On Lu Zheng's side, he directly faced the Tiger's head that was climbing up. Using the strength of his jump, he stepped on the Tiger's head. The man and the Tiger landed at the same time and rolled twice on the ground. Lu Zheng got up and stabbed the dagger at the big cat's eyes. The big cat dodged it.

The Tiger's claws swiped at Lu Zheng. Lu Zheng rolled and the big cat pounced on him. The Tiger's mouth opened wide and was about to bite Lu Zheng's neck. Lu Zheng kicked it and waved the dagger in his hand again. The man and the Tiger were entangled just like that.

On Gu shouxin's side, when he saw the big cat climb up, he easily jumped to the ground, and the big cat chased after him. Gu shouxin punched the big cat, took out the chopper on his back, and held it in his hand. The big cat's movement was fast, and it was even angrier after being punched. It flew to Gu shouxin, and at the same time, Gu shouxin chopped the big cat's neck with an axe.

The tiger's roar shook the entire mountain forest. The small animals that were sleeping were all woken up by it and were trembling in fear.

After about an hour, the tiger's roar gradually disappeared. Other than the sound of the night wind blowing, there was only the sound of their breathing in the mountain.

The two of them were not far from each other. After lying for a while, Gu shouxin spoke first, "Are you dead?"

Lu Zheng sat up, "he's alive!" Second uncle Gu, do you want to drink? It's been a long time since I've felt so carefree!"

"You even brought wine with you?" Gu shouxin laughed.

Lu Zheng stood up and walked over. I wanted to drink a jar of wine to boost my courage. In the end, the two big guys appeared. Second uncle Gu, wait for me. I'll go check if the jar is still there.

Lu Zheng found the wine jar and carried it over. He even took out a lighter and lit a fire.

"Second uncle Gu, you first!" Lu Zheng lit the fire and sat down, handing it to Gu shouxin next to him.

Gu shouxin glanced at him, took it, raised his head, and poured a big mouthful of water.

"Here!" Gu shouxin hadn't had such a good drink in a long time. The spiciness of the wine in his throat was very refreshing at this moment.

Lu Zheng mimicked Gu shouxin's posture and took a sip. "I've often heard that men should drink and eat big mouthfuls of meat. Drink the strongest wine and eat the best meat!"

"Tsk, you're just a fifteen-year-old kid. What do you know about men?" Gu shouxin glanced at him and said.

"I'll be 16 in less than a month!" Lu Yang said.

"I'm thirty-two, twice as much as you!" Gu shouxin said.

"Hahahaha, that's right, you're my uncle!" Lu Zheng laughed, took another sip of wine, and handed it to Gu shouxin.

"Zhou Yuan, are you really planning to stay in the village at the crossroad to farm?" Gu shouxin took the glass and took a sip.

&Nbsp; "of course, " Lu Zheng said with a smile, " my great uncle still has many seeds. I plan to plant them one by one.

"You're only 15 years old, and you look like you're literate. You don't plan on taking the imperial examination?" Gu shouxin asked.

"I don't have such plans at the moment. As for the future, we'll see! What about you, second uncle? Why did you suddenly decide to take the Imperial examinations?" Lu Zheng shook his head and asked.

Gu shouxin smiled and did not speak.

Lu Zheng did not continue asking.

The two of them took a sip each and finished the wine in a few moments. Then, they fell asleep by the fire.

They were too tired, and there were two big cats with them. They had to rest for a while before they could carry the big cats down the mountain.

He couldn't just leave it here after killing it with so much effort.

Furthermore, the villagers felt more at ease when they saw the big cat being killed. Of course, both of them had the same thought in their hearts-Gu Xin should not be afraid anymore after seeing the big cat being killed.

.....

The next morning, when the Gu family found that Gu shouxin was not at home, they guessed that he had probably entered the mountain alone.

Gu Nian ran to the old mansion and called grandma Gu, uncle Gu, Gu Hui, and fourth uncle Gu to go into the mountains to look for her.

As soon as they reached the foot of the mountain, they saw two big cats standing on the path. Upon a closer look, Gu shouxin and Lu Zheng were each carrying one.

Several people rushed forward. Gu shouxin and Lu Zheng's clothes were in tatters, their hair was messy, and there was an unpleasant smell on their bodies.

"Second brother, little Yuan, you two are really good! That's not right, wasn't there only one? Why two? I remember that I only met this one on second brother's body yesterday. Little Yuan, did the kun on your body find it?" Uncle Gu asked in surprise.

"I also thought there was one, but when I arrived, I found two together. luckily, second uncle came last night. If not ... Lu Zheng's voice was a little hoarse. He had worked hard the entire night and had drunk a lot of wine. He did not even have a sip of water.

"A mountain can not hold two tigers, unless there is a male and female. Second brother and little Yuan will take care of the male and female at once, and everyone will be at ease in the future! Mother, I will go to Li Zheng's house and let him tell everyone about this news so that they won't be on edge." Uncle Gu said in a good mood and then ran to find the Lizheng.

"Second brother, little Yuan, are you injured? Let's go to little Yuan's house first and let old Xiao take a look." Grandma Gu looked at the two of them and frowned.

Gu shouxin's other parts were fine, and all of them were minor injuries. Only the injury on his leg was a little more serious. It had been scratched by the big cat's claws, and the blood had dried up, looking very terrible.

After grandma Xiao took the medicine, Gu shouxin left with Gu Nian.

When he came out, he met a lot of villagers. All of them had come to see the big cat. They couldn't believe it. One was a gambling drunkard, and the other was a fifteen-year-old boy. They actually had a Tiger each.

The father and daughter greeted everyone they met.

After walking for a long time, he finally didn't meet anyone.

"Father, how did you meet him?" Gu Nian asked.

"When I went down the mountain with the villagers yesterday, I saw a shadow coming up the mountain from another road. I guessed it was him. When I came back and saw Xinxin's nightmare, I was covered in sweat. I thought it would be better to solve it as soon as possible." Gu shouxin said.

"Did you really take care of one person each? You didn't help him?" Gu Nian asked again.

"No, I didn't," Gu shouxin shook his head. As if he had thought of something, he smiled bitterly and said, "if a person who has been abandoned by his family doesn't work hard, he will never be able to make a comeback."

father, you used to be a coward. Gu Nian could see that Gu shouxin empathized with her. She hesitated for a moment and decided to ask.

yeah, I was in a similar situation as him in the past. In fact, I was even worse off than him. Gu shouxin sighed and stopped in his tracks. He looked at Gu Nian and said, "I'll tell you this when I have the chance in the future. Niannian, you have to remember that in this world, you are the only one you can rely on. Anyone else can betray you. You must be ruthless in your actions and cut the weeds and eliminate the roots. Don't leave behind any existence that may threaten you."

"Alright, I'll remember that, father." Gu Nian nodded solemnly.

She thought that her father must have experienced even more tragic childhood than the male protagonist in her nephew's book!

"Father, you're not alone anymore! You have my mother, me, and Xinxin. We'll never betray you. We'll always be family." Gu Nian said as she supported Gu shouxin.

"Alright!" Gu shouxin came back to his senses and touched Gu Nian's head as if he was touching Gu Xin's head. He finally recognized this young girl in her twenties as his daughter. She was not a companion but a family member.

"Father, sister!" At this moment, Gu Xin ran over from the small path. Cai Xiaolian also ran over from behind.

Gu shouxin looked at the three people in front of him, feeling extremely satisfied.

"Father, are you hurt? Was it scratched by a big cat?" Gu Xin asked worriedly when she saw that Gu shouxin was covered in blood and his clothes were in tatters.

"Yes, I was scratched by a big cat. However, the big cat had been killed by her father, so Xinxin didn't have to be afraid of the big cat anymore. Xinxin, are you happy?" Gu shouxin said with a smile.

"Father!" Gu Xin hugged Gu shouxin's other arm and her tears couldn't stop flowing, "I'm so happy. Thank you, Father. Thank you, Father!"

Gu Xin felt that she was very useless. She was frightened by the big cat and caused her father to run into the mountains to beat the big cat in the middle of the night. She swore in her heart that she would practice martial arts properly in the future and not be afraid of the big cat. That way, her father would not be in danger.

"Be good, don't cry." Gu shouxin patted Gu Xin's head and said.

Xinxin, don't cry. Father's leg is injured. Let's go back and boil some water. He needs to wash up before applying the medicine. Let mother help him! Gu Nian went to hold Gu Xin's hand and ran away.

Chapter 229 he insisted on letting me drink it

The two sisters ran back to boil water. Cai Xiaolian stood in front of Gu shouxin and glared at him. "If you're capable, why did you go back alone when you've already returned with the rest of the team? Are you trying to be a hero?"

"Yes, I was wrong." Gu shouxin reached out his hand. mother, my leg was scratched by a big cat. I can't leave.

Cai Xiaolian went forward to help him up, frowning. "You smell of alcohol? Are you so confident that you'll be able to bring wine for your own celebration?"

Gu shouxin shook his head repeatedly, "No." It's all Zhou Yuan's fault. He had this plan. I didn't want to drink it at first, but he forced me to drink it."

"didn't you and niannian beat him up? you drank his wine? Don't you know that you'll be shortchanged if you take something?" Cai Xiaolian stopped in her tracks. He was drunk?

"The one I beat up was Lu Zheng, and the one I drank was Zhou Yuan. At that time, they had been fighting for nearly two hours. They didn't even have the strength to get up from the ground. They didn't have any water either. His mother, don't be angry anymore. I won't drink his wine in the future." gu shouxin said with a good attitude.

"ai!" Cai Xiaolian helped Gu shouxin up and sighed. As she walked, she said, "I know. We agreed that the beating was for Xinxin's previous life. In this life, we'll strive to make them insignificant and ordinary acquaintances. However, his father's various signs make me very uneasy!"

“Little Lian, actually, we don’t need to think so much. Let nature take its course! If we teach Xinxin well, who can say for sure what will happen in the future? you do your business, i’ll study my books, just treat him like an ordinary person! If we keep worrying, when Xinxin becomes smarter, she’ll find out something. She’s already treated him like a fellow villager, but after she finds out something, she’ll pay more attention to him, and it’ll backfire.” Gu shouxin said.

It had been three months since they had transmigrated, and the only bad thing about the three of them was that they had been on guard against Lu Zheng.

They might have forgotten that this life would be different from the one in the books that Gu Nian had read.

if they treated lu zheng as a special person, then one day gu xin would realize that if gu xin continued to pursue the matter, she would only be helping lu zheng.

He might as well be an ordinary person, an ordinary villager.

no one could stop the development of the world.

The couple returned home after saying this.

The girl had already heated up the water and brought it to the room behind the kitchen. This was where they took a bath at home. There was no heater around, so the room was very warm.

Gu Xin even secretly placed a Jade bead in the ointment and another bead in the wooden bucket.

She didn’t think about whether her family would overthink if she recovered too quickly. She just wanted her father to recover as soon as possible.

.....

In the evening, grandma Xiao brought fifty taels of silver to Gu shouxin, but he only accepted twenty taels. He said that Zhou Yuan would get someone to make the Tiger skin into a heater for Grandpa Gu, as they had no use for it now.

grandma xiao saw that he was determined and didn’t refuse. she asked about his injury and left.

After grandma Xiao left, Gu shouxin silently rolled up his sleeves. There was no wound on his arm. Even the most serious injury on his calf, where the flesh had been dug out, had completely healed, leaving only a scar.

He then thought of the tree branch wound on his little girl’s face. Xinxin’s wound was still there, but his had disappeared?

Chapter 230 Doubting life

This is the ointment I got from aunt Xiao!

gu shouxin thought for a whole day but still couldn’t figure it out. at night, when cai xiaolian wanted gu xin to take a bath, he finally figured it out. water, the water from their house.

Their well water could grow crops overnight, so it wasn't surprising that his wounds could heal overnight.

If Xinxin's wound was gone the next morning, it would definitely be a problem with their well water.

early the next morning, Gu Shouxin was waiting for the two children to practice in the courtyard.

Seeing the scars on Gu Xin's face, he fell into deep thought. What was the problem?

He didn't know that Gu Xin had added jade beads to his bathtub but not to her own. She was afraid that if her injuries recovered too quickly and Sisi's injuries didn't, others would suspect her. That was why she didn't eat the Jade beads.

even so, the scars on her face were slightly worse than Gu Siqian's.

However, her actions made Gu Shouxin doubt his life for a few days.

.....

The big cat was caught, and Gu Shouxin could move freely. The couple went to the county to sell new year goods again.

The best-selling ones were the snowflakes and Nougat, which were also the most expensive.

Their stall was set up right outside the Zui Jiang restaurant. Now, after Cai Xiaolian's reform, with Gu Nian's dishes and Madam Cheng's invitation to eat, Zui Jiang restaurant had become the number one restaurant in Taoyuan County.

Even merchant ships coming from the south and North stopped at the dock, and the guests on the ships had to come into the city to have a meal.

With more people, wouldn't the new year goods sell better?

On New Year's Day, the Gu family was slaughtering pigs in the old mansion. Third aunt Gu brought her in-laws back to have pig slaughtering rice.

This was the task that Grandpa and Grandma Gu had given her every year.

Her in-laws didn't have many family members, just a family of three, her mother-in-law, sister-in-law, and brother-in-law.

This morning, Cai Xiaolian and Gu Shouxin brought the things they wanted to sell to Zui Jiang restaurant and asked shopkeeper Cheng to help them sell them. Then, they rushed back to help.

They had just returned to the old mansion when the Guo family arrived.

The four Gu sisters were collecting pig hair when they heard the noise and looked at the door.

a gorgeously dressed middle-aged woman walked in with grandma Gu. that's right, she was gorgeously dressed. there was a big red flower on her head, and her makeup was a little exaggerated.

Gu Nian's mouth twitched. Was this third aunt's mother-in-law, Qin Shi?

Third uncle must look like his father and not his mother!

Behind them were third aunt and third uncle, as well as their child, the six-year-old Guo Rui. This child looked like a child of the Gu family, and was quite good-looking.

Behind them were a pair of siblings, third aunt's younger sister-in-law and her brother-in-law Guo Wan and Guo Yan. These two were twins, and they were already seventeen this year. They were indeed twins, even their expressions were exactly the same. They did not hide their disdain for the farmhouse at all.

"What are you looking at?" Gu Hui patted Gu Nian.

"It's nothing. I'm just wondering if our third uncle is a child picked up from the streets. The difference in their looks is too great!" gu nian sighed.

Gu Hui, "Yingluo."

Sure enough, Gu Nian had not changed. She still paid so much attention to her appearance. She had talked about it a few times in the past.

"Eh? What are you guys doing? He had nothing to play with, so he started to play with the pig's hair? You don't mind being dirty? He's really a country bumpkin who can play with everything!" Guo Yan Ran over, looked at the four sisters, and said in disdain.

"yes, it's very dirty. you'll have to eat such dirty meat later. look, there's blood on the ground. i'll make it for you to eat later!" gu nian laughed.
