Chapter 271 die while squatting

The two brothers, Zhang Dahu and Xiao Hu, were very shark-headed. They apologized very seriously and sincerely. They even apologized to Gu Xin in private and promised that they would never bully her again.

The main thing was that they couldn't bully him even if they wanted to.

As for burly Gao, He also promised that he would ask his family to arrange a marriage immediately after he returned and would not bother Gu Hui anymore.

Gao Dazhuang had a lot more backbone. He was determined not to speak, and it was useless to hit him.

The siblings were tired and sat on the ground. They cleared out a large space for them to gather firewood. Gu Nian and Gu Hui set up a rack and waited for Lu Zheng's prey to come over.

Lu Zheng did not make them wait for long. He had even specially packed up the prey and brought it over. His body was splattered with blood and water, but he did not look pathetic at all.

Walking out from under the sun, the corners of her lips were slightly raised, looking so sunny.

Gu Nian sighed as she looked at Gu Xin's silly smile. To be honest, the male lead's looks were impeccable.

She and Cai Xiaolian had seen a lot of handsome men. After transmigrating, they thought that Lu Zheng was very good-looking even without knowing his identity.

They had seen many young men in the past three months, but only Lu Zheng could make the mother and daughter say good things about him.

Even the eldest son of the county magistrate's family, they only felt that he was alright!

"Waa! Brother Yuanyuan, you're so good. You've killed two pheasants and rabbits in such a short time! And it was packed! Brother Yuan Yuan, were you a Hunter before?" Gu Xin ran forward and recognized the Hunter who had been cleaned up.

"It's not that I'm powerful, it's that these guys are stupid, squatting there and letting me catch them! I guess I'm in luck this year!" Lu Zheng said with a smile.

He really wasn't lying. Wasn't that pair of rabbits just waiting for him to catch them?

He was the one who caught the chicken.

"Mother always said that luck is also a form of strength." Gu Xin said proudly because she was very lucky. As long as she left the Gu family and the old mansion, she would often pick up copper coins.

"Zhou Yuan, show me your seasoning." Gu Nian stepped forward and said.

It was inconvenient for Lu Zheng to carry the game, so Gu en went forward to help him carry it.

Lu Zheng took out the paper-wrapped salt, chili powder, and some spices that Gu Nian had given to grandma Xiao.

Lu Zheng had a sharp dagger in his hand. After he had finished cutting the fork, Gu Nian had already applied the seasoning on the prey.

A fork made of tree trunk was inserted into the prey and placed on the rack. The fire was lit, and soon, a fragrance wafted out.

Out of the twelve people hanging upside down, the other eleven were still fine. They had only been attracted by the greedy bugs. Gao Dazhuang was in a terrible state. He was heartbroken, hungry, and drooling.

The siblings and Lu Zheng did not care about the 12 people. They looked at their prey and chatted.

Lu Zheng told them how he caught the stupid rabbit that didn't run away, causing the little ones to laugh out loud.

"Brother Yuan Yuan, is rabbit really that stupid? My grandma said that rabbits run really fast, even faster than chickens." Gu Xin asked.

"Under normal circumstances, that would be the case. However, I don't know what's wrong with these two silly rabbits today. They really just squatted there. I reached out my hand, but they didn't move. If I didn't move a few times after I caught them, I would have suspected that the rabbits died of old age while squatting!" Lu Zheng said in all seriousness.

"Zhou Yuan, are you trying to become my uncle?" Gu Nian, who had not laughed all this while, could not help but ask.

Chapter 272 supporting the wall

"Niannian, Big Uncle often talks about life's principles! I'm still far from that!" Lu Zheng said seriously, then looked at Gu Xin. am I right, Xinxin? "

Gu Xin nodded her little head. yes, uncle is very reasonable. I didn't understand it in the past, but I've understood it recently. When I think of Big uncle's words, I feel that they are absolutely correct. Big Uncle is very powerful."

Uncle Gu's son and two daughters looked at Gu Xin speechlessly. you don't know how tiring it is if you don't want to be my Father's children. Sigh, forget it!

Seeing the three of them shaking their heads, Gu Xin could not take it anymore, " "Sister Huihui, en 'Zi, sister sisi, don't be like this. His uncle was a good man, and his words made sense. You guys haven't encountered any problems, but when you do, you'll realize that Big Uncle often tells us a lot of things."

for example, " Gu Hui twitched her mouth. if we train our bodies and live longer, we can burn a few more years of money for him? "

Gu si: " or, for example, let us four sisters stand in a row from the top to the bottom. This way, it will be more convenient for him to knock on our heads one by one? "

Gu en: " or, for example, tell me not to cry at night. Don't let down the good name 'endure'? "

Gu Xin pursed her lips. This didn't seem right.

hahahahaha! Lu Zheng looked at the Gu siblings and could not help but laugh.

He had developed quite early and had long passed the voice-changing period. His voice was very pleasant, with a hint of a mature man's charm in the innocence of youth.

Gu Xin tilted her head and looked at Lu Zheng. Brother Yuanyuan was so good-looking and her voice was so nice too!

Gu Nian was also amused by the three of them. Yes, she agreed with Gu Xin's words. Of course, she also agreed with them.

In her eyes, uncle Gu was a strange person.

"Waa! It smells so good! Sister, are you done?" Beauty could not be compared to good food, so Gu Xin's attention was quickly attracted by the fragrance.

"Not yet! Cousin Xinxin, it's only good when it's roasted to a brown color." Guo Rui, who had been spinning the stick for Gu Nian, said.

"Yes, Ruirui is right. It'll take a while, but how do you know so much, Rui Rui?" Gu Nian asked.

"I barbecued it with my father!" Guo Rui said calmly.

"Your family even specially barbecued chicken like this?" Gu en said enviously.

"No." Guo Rui shook his head and said, "at the beginning of last year, my grandmother left with my aunt and uncle. There were only me and my parents at home. In the end, my father didn't know what happened and angered my mother. She took my father's money and locked the kitchen door. She also told the restaurants around the shop not to give my father any credit. She wouldn't give it to him if he did.

After that, my mother ran off to play, and she forgot about me!

We thought that mother had returned to grandma's place, so we drove the carriage to grandma's house to get a free meal and invite mother back. In the end, the carriage broke down halfway, and we were hungry, tired, and thirsty. So, we led our horses to find water to drink. We saw a Hunter uncle roasting chicken, and we smelled the fragrance and went over.

Uncle Hunter saw that we were hungry and tired, so he wanted to sell it to us. We didn't have money, so he thought that the carriage was broken, so he exchanged two chickens for uncle Hunter and asked him to teach us how to roast them. In the end, we rode back."

"I didn't hit you, did I? Even if you don't count the horses and only the carriage, it's still worth more than two chickens!" Gu en asked nosily.

"Mother didn't hit me. As for my father, I don't know. Anyway, the next day, my father walked while holding onto the wall. He only returned to normal when grandma came back the next night." Guo Rui said.

Chapter 273 You're bad

After a while, Gu Nian said that it was time to eat.

There were a total of six legs, so he gave one chicken leg each to the four small ones. As for the remaining two chicken legs, the three big ones were not easy to share.

"You guys eat, I like wings! Just give me one more wing." Lu Yang said.

"Alright!" Gu Nian did not argue with him. She wrapped it in a tree leaf and gave it to Lu Zheng.

"If there's a chance like this again, let's make beggar's chicken, lotus leaf chicken! It's quite delicious." Gu Nian said as she munched on the chicken leg.

"You know how to cook beggar's chicken and lotus leaf chicken?" Lu Zheng asked with a smile.

"Brother Yuanyuan, my sister is amazing. You might not have eaten the food she makes before!" Gu Xin would never allow anyone to doubt her sister, not even the good-looking brother Yuan Yuan!

Gu Nian laughed happily as she raised her eyebrows at Lu Zheng.

Lu Zheng laughed. Well, it was better to fight for Xinxin's love than to fight for her life.

"Sister niannian, it's so delicious! How did you get such a pair of hands? Why aren't you my sister?" Gu en's mouth was full of oil as he mumbled.

"You little brat! If you want to be her brother, second uncle and second aunt won't want you!" Gu Hui gave Gu en a kick in annoyance.

"Aiyo, sis, I'm not despising you! I just want to have another sister like sister Nian Nian!" Gu en said as he moved away from Gu Hui.

"You brat, you're speaking as if I'm not your sister!" Gu Nian kicked Gu en from the other side.

Gu en looked left and right. Great, no matter how good the food was, she was as irritable as his sister.

It was safer to go to brother Yuan's side.

Gu Xin, Gu si, and Guo Rui all laughed out loud.

The 12 people hanging upside down drooled all over the floor. They couldn't figure out what was going on today.

Being beaten up and having to watch someone eat delicious food, what a torture!

They were both big tiger and little tiger. They would never help them again in the future!

Really, this was infuriating!

.....

As the sun set, the few of them finished eating. Lu Zheng took out a dagger and cut off the ropes one by one. He then untied one of them. I heard the sound of a wild boar in the innermost part of the cave. You guys better run back quickly. Don't blame us if you get eaten by a wild boar!

"Argh! A wild boar!" The man was so scared that he stood up and quickly untied the person beside him.

"Let's go!" Lu Zheng called out to the Gu siblings.

"Yuan, is there really a wild boar?" Gu Hui asked.

"I'm just trying to scare them and make them run back!" Lu Zheng smiled and said.

"Brother Yuanyuan, you're so bad!" Gu Xin tilted her head and laughed.

Lu Zheng's heart skipped a beat.

Lu lang, you're so bad!

He thought of Gu Xin in his previous life.

Before he brought Gu Xin back to the capital from Jiangnan, he had already made up his mind to marry Gu Xin when everything was settled.

On a sunny day before they set off, the two of them went to the temple to pray.

It was Lingshan Temple in Suzhou, Jiangnan. The mountain was very high and could be driven up, but if one's heart was sincere, it would work. They chose to walk.

At that time, Gu Xin was still very thin. She was tired after walking halfway up the mountain, so they rested in the pavilion on the mountainside.

Seeing that there was no one around, Lu Zheng and Gu Xin joked around. In the end, Gu Xin became embarrassed and said, "Lu lang, you're so bad. then, she stood up and chased after him, wanting to hit him.

He tried to escape, but Gu Xin sprained her ankle and he blamed himself.

Chapter 274:

Since they were already halfway up the mountain and Gu Xin's feet were hurting, he decided to carry her up and go to the temple to buy some medicine for injuries.

They were only halfway there, there was still the other half. Gu Xin didn't want him to be tired, but he had to carry her on his back.

He told Gu Xin that it was actually easier to walk up a slope than down a slope.

Just like that, he carried Gu Xin on his back and walked up half of the steps of Lingshan Temple.

"Gu Nian, when you get back, remember to tell your parents that I, Gao Dazhuang, will find a matchmaker to propose marriage in two days! You must be my wife! I want you so much, I can't wait to carry you back to bed!" A roar came from behind, interrupting Lu Zheng's memories.

The few of them stopped in their tracks.

"This son of a b * tch, he's still clinging on, isn't he?" Gu Nian was furious.

"Sister, don't be angry. Father will not let him succeed." Gu Xin said as she held Gu Nian's hand and squeezed it.

"I'm not angry. As long as he dares to come, I can make him never want to step into the village at the crossroads!" Gu Nian said viciously.

It was just a fight between children. If it wasn't for tall and burly's foul language and his sleazy arms, she didn't intend to hit him.

He had originally intended to beat him up and hang him up to scare him.

If this Gao Dazhuang insisted on being so disgusting, then he couldn't blame her for being impolite.

"Sister niannian, we support you! I'll be keeping watch over your side for the next two days. If he comes, I'll drive him away with a carrying pole!" Gu en said.

"I'll throw a stone at him!" Gu si also said.

"I can help you cut off his tongue secretly! He won't be able to speak again." Gu Hui said.

"I fed him all the medicinal powder and poisoned him half to death!" Gu Xin was the most ruthless.

"I, I can tell my mother and ask her to beat him up for my cousin!" Guo Rui said in a low voice.

Gu Nian laughed.

"Actually, I have a way to solve this once and for all." Lu Zheng said quietly.

"What?" Gu Nian asked. The others also looked at Lu Zheng.

"This Gao Dazhuang likes to gamble. He won a huge sum of money before the new year, so he'll definitely go to the gambling house after the new year. Let's get someone to set up a trap and make him lose everything. Then, he'll sign an indenture and you'll buy him. At that time, you can do whatever you want him to do. Don't you have a lot of things to do here? Of course, if you find it disgusting, you don't have to buy it. In any case, the chances of him appearing in front of you to cause trouble in the future will be smaller." Lu Yang said.

"How do you know so much?" Gu Nian asked.

yesterday, you and sister Huihui came to look for me. My manservant happened to be at home, so I asked him to investigate. He only found out about it today before he left the house. Lu Zheng said calmly.

Gu Nian frowned. Indeed, she had never done such a thing before. She had always used her fists to do it. Furthermore, she had not gotten used to the fact that people could be sold.

"I'll go back and ask my parents for their opinion." Gu Nian felt the need to discuss this with Gu shouxin and Cai Xiaolian.

This Gao Dazhuang was different from the typical country boy. He was ruthless and tenacious. It seemed impossible to beat him into submission with simple violence.

She didn't want to be entangled with such a dangerous piece of sticky candy.

"Well, it's good to discuss it with second uncle and second aunt." Gu Hui said as she patted Gu Nian's shoulder.

She didn't expect Gao Dazhuang to be even more detestable after not seeing him for a year. She heard that he had gotten involved with some punks in the county. He had probably learned to behave like that. She had to be decisive to solve this problem.

Chapter 275 the same

The group of people returned a little too quickly.

They entered the village and walked to the entrance. From afar, they could see a group of colorful people standing in front of Lu Zheng's house.

Guo Rui wanted to cover his face. It was so embarrassing!

Auntie is so embarrassing!

You're already at their doorstep!

"Eh? Ruirui, is that your aunt?" Gu Hui asked Guo Rui.

"Yes." Guo Rui could only answer.

"Ruirui, what's your aunt doing at brother Yuanyuan's house? Brother Yuanyuan said last time that he wouldn't fall for her, but she still wants to fight for it?" Gu Xin asked curiously.

In her opinion, this kind of thing had to be mutually willing. If she was unwilling, then she should stay away.

Take brother Yungui as an example. After her sister said that she didn't like him, she couldn't possibly marry him. Brother Yungui only came to visit her sister secretly and asked her to bring something to her sister. He never appeared in front of her sister so openly again.

Lu Zheng's eyes narrowed. Guo Rui was his third aunt's son, so Guo Rui's youngest aunt was his third uncle's younger sister. That delicate and pretentious old woman from when they were slaughtering pigs a few years ago?

"Ah Yuan's peach blossoms are flourishing! It's only the second day of the new year, and there's already a young lady chasing after us!" Gu Nian gloated.

"Same to you, niannian, you're not bad either!" Lu Zheng said calmly.

Gu Nian, "Yingluo."

At this time, Guo Wan had already seen them. Of course, her eyes were always on Lu Zheng.

She shyly twisted her body, then encouraged herself. Finally, she lifted her skirt and jogged over.

"Young master Zhou!" Guo Wan no longer called him "brother" or "brother" because she already knew from her brother that Zhou Yuan was the junior of old master Zhou from the Zhou clan.

The Zhou clan town was quite famous in the peach Garden County. Old Zhou had contributed a lot by offering the Chili Peppers. Old Zhou's only daughter had married into a rich family. With such a large fortune, old Zhou would definitely leave some for the family.

&Nbsp; for the Zhou clan to send someone over meant that young master Zhou's status in the Zhou clan was quite high.

This kind of man was good-looking and rich. She would not let him go no matter what.

No matter what kind of humiliation she would be subjected to, she would definitely stick to him.

When she called out "young master Zhou," the cadence of her voice gave the others goosebumps.

Lu Zheng took out a dagger and pulled it out. He turned back into that country boy and said, "Don't, don't come over! I told you, don't come here and disgust me. I can't eat or grow tall!"

"Young master Zhou, why are you pointing your dagger at me!" Guo Wan picked up the handkerchief and flung it at Lu Zheng. Then, she covered her mouth and said sadly, "Aiya, I was scared. I'm so scared, young master Zhou!"

Gu Hui and Gu Nian hurriedly pulled their younger siblings away from the two. What a scary woman. They were still young. What had they done wrong to deserve to see such a scene?

"Hiss ~"

"Don't come over! My dagger doesn't have eyes!" Lu Zheng frowned and looked at Guo Rui. Ruirui, your aunt has gone crazy. Go and call your father over! Otherwise, if my dagger hurts her, I won't pay for the medicine."

brother ah Yuan, bear with it. I'll go back and shout! Guo Rui was already very fond of Lu Zheng, so he naturally did not want to see him being tortured. He responded, turned around, and ran away quickly.

"Young master Zhou, why are you doing this? How can you turn a blind eye to my infatuation with you? Do you know how hurtful this is to a girl?" Guo Wan twisted her waist and took a few steps forward. She covered her face with her handkerchief and turned around.

Chapter 276 You have to find a partner early

"Everyone, I'll be going back first!" Lu Zheng said to Gu Hui and the rest, then walked towards him.

He directly climbed over the courtyard wall and didn't even want to stop to open the door with the key. He was afraid that Guo Wan would run into him again.

If it was any other woman, it would be fine, but this was third aunt Gu's sister-in-law. This was too much. Third aunt Gu would not have a good time in her in-laws' house.

He had to scare this woman so that she would not come again. He had to do it quietly. If something happened to her at the village at the crossroads, third aunt Gu's future days would be a little troublesome.

"Waa! Young master Zhou is amazing! Young master Zhou, can you invite this little girl in to have a seat? I truly admire young master Zhou." Guo Wan was stunned for a moment. Then, she lifted her skirt and ran to the door. She gently knocked on the door, and her voice was still as pretentious as before.

"Hehe, the show is over, let's go!" Gu Hui was speechless.

"Why is she doing this? How embarrassing! I saw how Ruirui almost covered his face!" Gu Xin asked in confusion.

"She's thick-skinned! He didn't know his own limitations! He was overestimating himself! She thought that the whole world revolved around her and she could get whatever she wanted! Xinxin and sisi, don't learn from her in the future!" Gu Hui said.

"Yes, sister Huihui is right. Don't be in a hurry to throw yourself at someone who doesn't like you. Their boys are not as precious as our girls. Everyone is human, there is no need to lower yourself to obtain other people's love." Gu Nian said.

"Oh." Gu Xin and Gu si nodded.

"Sister, Sister niannian. There are a lot of girls that I don't like, but they all rush to give me candy. Should I say this to them?" Gu en asked with a frown.

Gu Hui& thought about it,"Yingluo."

"I think you're right. But those girls love to play with me, and I love to play with them, but I don't like them." Gu en said.

"En 'Zi, do you even know what it means to like someone?" Gu Xin was shocked. She was older than Enzi by a month. Why did Enzi understand but she did not?

"Why don't you understand? I like you! Just like how I like Yingying, I can smile foolishly for a long time when I see her! I gave all the candies that the other girls gave me to Yingying. Yingying is very pretty. She has dimples when she smiles, her eyes are like crescent moons, and she speaks very well. I've asked father, and he said that liking someone means having feelings for them. You have to first look at their appearance." Gu en said with a righteous tone.

Gu Xin's eyes widened in confusion.

Over the past few months, she had listened to several versions of the understanding of love. After thinking about it carefully, she felt that her father was right. When that person appeared, she would be able to confirm that he was the one and only, irreplaceable person, without anyone telling her what love was.

"You little brat! He didn't give the candy to sisi and Xinxin, but instead gave it to other girls? Do you even have a conscience?" Gu Hui poked Gu en's head in annoyance.

"Aiya, sister, you can't blame me for this. It's all because of father." Gu en felt pain from being poked. He rubbed his head and explained.

"You don't care about your sisters at home and only think about the little girl outside, and you still blame me?" Gu Hui was so angry that she laughed.

"It's all because father told me to find a partner early. Otherwise, she could only get married in a daze like him, or be like fourth uncle and eldest sister, unable to find a partner even when they were old and single. Father encouraged me and even helped me ask Xinxin and sisi what little girls like. He asked me to give Yingying a gift based on Xinxin and sisi's answers." Gu en felt wronged.

Chapter 277 You don't like it

What could Gu Hui say?

"Who is Yingying?" Gu Hui could only ask.

"That's right, who's Yingying?" the Gu sisters asked in unison.

Gu en scratched his head and chuckled. she's the daughter of the Auntie who sells tofu at the tofu stall next to our Academy.

An image appeared in Gu Hui's mind and she said in realization, "That little girl's name is Yingying?"

"Do you know her, sister Huihui?" Gu Nian asked nosily. Is it really like what en 'Zi said, with dimples when she smiles, eyes curved like crescent moons, and a sweet voice?"

In Gu Nian's opinion, the daughter of a tofu seller must be a beautiful woman. After all, there was a phrase called 'tofu in the West'!

yes! Gu Hui nodded and said, "not only that, but it's also fair and clean!

"Waa! Big sister Huihui, I like it when it's fair and clean." Gu Xin said enviously and looked at Gu en. en 'Zi, when school reopens next year, I'll pick you up from school as your sister!

Gu si also joined in the fun. I'm going too! I'm going too!

Gu en firmly shook his head. You guys are too fierce, you'll scare my Yingying!"

"Tsk!" Gu Nian poked Gu en's head. little brat, the school is right there. Can't we find the way? "We'll go buy tofu and drive there. We won't bring you back and you'll have to walk on your own!"

"Don't!" Gu en was anxious. sister niannian, you can go if you want, but you can't say that you are my sisters! She would scare Yingying. Yingying is very gentle and timid."

The Gu sisters glared at Gu en.

Gu en's desire to live was very strong. She turned around and ran.

The Gu sisters looked at each other and said,"Yingluo."

We're indeed a little scary, look at how we've scared en 'Zi.

.....

On a small hill in Cao Tang Valley, Zhang Dahu and Zhang Xiaohu were cursing and swearing, indicating that they wanted to go back and complain.

"You dare?" Gao Dazhuang glared at him.

Zhang Dahu was stunned. He asked carefully, "big cousin, you've really taken a fancy to Gu Nian? "

Gao Dazhuang licked his upper lips and said weakly, "You don't like such a pretty and strong girl?"

Zhang Dahu,"hehe."

I like her, but she doesn't like me.

I can't have it, so I'm going to destroy it!

"Go back and sit for a while, don't say anything! What's the use of complaining when one's skills are inferior! Most importantly, don't let me have a bad impression of you in front of the woman!" Gao Dazhuang looked at his brothers one by one.

"Alright, big brother! But big brother, why don't you go and propose to Gu Nian? why don't you ask our parents to help me talk to Gu Hui again?" Said the second-best.

"You wish! If you marry Gu Hui, won't I have to call you brother-in-law? Get lost! Don't think about Gu Hui in the future!" Gao Dazhuang glared at his brother.

"Don't even think about the Gu family's daughter! Gu Nian is mine. She's my sister. Once I marry Gu Nian, I'll help you. But I don't want to be your brother-in-law, Gu Hui!" Gao Dazhuang reminded the others.

"Alright, big brother!"

"Alright, big cousin!"

"I know, big cousin!"

The group of people could only nod.

Gao Dazhuang was very satisfied with his brothers' answers.

Although he had been beaten up the most, he was still in a good mood. He had really fallen for Gu Nian. He had always imagined that his wife would be like Gu Nian.

"By the way, what's the situation with that Zhou Yuan? Did he have an affair with Gu Nian?" Gao Dazhuang suddenly thought of Lu Zheng and asked the Zhang brothers.

Chapter 278 A few more days of pain

When they returned to their parents' home on the second day of the Lunar New Year, most of the daughters would go back on the same day. Third aunt Gu used to go back on the same night.

But this year, when they were about to leave after dinner, Guo Wanfei said that she had a headache and felt dizzy in the carriage, so she wanted to rest for the night.

Her third uncle knew Guo Wan's intention and was determined to go back.

"Brother, I have a headache! Why don't you feel bad for your sister?" Guo Wan said angrily.

"Aren't you in good spirits? Where did he get a headache? I think you're up to no good! Let's go!" Third uncle said speechlessly. After he finished speaking, he reached out to pull him.

"I don't! I have a headache! Brother! Let me go!" Guo Wan immediately squatted down.

Her weight was there, and third uncle couldn't carry her into the car like he was carrying rice at home. For a while, he really didn't know what to do. His eyes glanced at third aunt, hoping that she would help.

Third aunt Gu shrugged her shoulders and grinned. She did not hide the look in her eyes as if she was watching a good show.

Third uncle felt wronged!

He knew something was wrong when his little sister got into the carriage this morning.

"Uncle, Auntie, please let me stay for a night!" Guo Wan looked at the two elders of the Gu family pitifully.

Grandma Gu pursed her lips and was speechless.

Grandpa Gu said kindly, "Ah Luo, just rest for one night! Xiao Wan's head hurts. This road is bumpy, but you insist on pulling her back. Your mother also said that we didn't take good care of her! Besides, your mother-in-law also wants her daughter to spend more time with her."

"I don't want to," grandma Gu quickly exposed her.

"Mother!" Third aunt Gu felt that she had been shot. She went forward and held onto grandma Gu. mother, how can you not miss me?" I'm mother's precious daughter, not a stinky brat! Mother, let's go, I'll accompany you for a walk and go to aunt Xiao's house!"

Grandma Gu looked at her daughter helplessly. What a troublemaker. She even mentioned aunt Xiao's house. Didn't your sister-in-law just want to go to aunt Xiao's house?

Third aunt Gu returned a look. A mother knows her daughter best. However, she can't go. Your good son-in-law won't let her go and embarrass herself. I'm craving her on purpose, hehehe ~

"Sister-in-law!" Sure enough, as soon as she heard aunt Xiao's house, Guo Wan immediately perked up.

"What's wrong?" Third aunt Gu stopped.

"Sister-in-law, maybe my head won't hurt anymore if I go out with you!" Guo Wan said expectantly.

"Then let's go back!" Third uncle said.

"Aiya, I say, Guo Wan, does your head hurt or not? I looked at it for a while and was stunned! If you're in pain, you can go out and walk! You said you weren't in pain, but you look like you're in pain! However, I think you're better off in pain. Let my third sister play at home for one more day. You'd better be in pain tomorrow and the day after, and third sister can continue to play for a few more days." Uncle Gu was holding a large bowl. The bowl was originally filled with boiling water, but after watching the show for a while, the water had already warmed. After he finished speaking, he raised his head and gulped it down.

Guo Wan was furious!

Sister-in-law's big brother really didn't know how to judge the situation.

Everyone could tell why she said she had a headache, but he couldn't. He didn't know if she did it on purpose or if she really couldn't tell.

"If you have a headache, go to sleep!" Third uncle felt very embarrassed. He watched his wife go out with his mother-in-law and rolled his eyes. He couldn't come back today, but he could complain to his father-in-law!

"Alright! But, brother, if it still hurts tomorrow morning, you have to take me to see aunt Xiao. Aunt Xiao is a doctor!" Guo Wan knew that she couldn't do it tonight. She could only fight for tomorrow.

"Let's talk about it tomorrow!" Third uncle waved his hand.

Chapter 279: being able to eat is a blessing

"Father, I'll accompany you to the village!" Seeing his sister enter the guest room, third uncle stupidly walked to Grandpa Gu's side.

"Zhenzhen, let's go!" Grandpa Gu was helpless. He'd better let this child say it. What if she got sick from holding it in?

.....

In the evening, the four members of the second branch returned from the old house and sat by the fire to chat.

Gu Nian talked about what had happened at the cottage ditch and Lu Zheng's suggestion.

Gu shouxin agreed with Lu Zheng's suggestion, so he asked, "You're confident that you can make him work for you? This kind of person is not easy to discipline!"

"Niannian, I think we should just keep him far away," Cai Xiaolian said. Wasn't there a saying that "raising a Tiger will bring trouble" when such a person wasn't honest? I think it's scary just hearing it."

that Gao Dazhuang is very bad," Gu Xin said. sister, don't want him!

Gu Nian nodded. yes, I don't want someone like him to help me either. It's disgusting. His eyes disgust me. The words he says also disgust me. Father, why don't we join forces again?"

Gu shouxin laughed,"we can work together, but we'll use Zhou Yuan's method to mess with him first." It was useless to hit this kind of person. Even if you hit him once, he would still patiently appear by your side. You can either enslave him or send him far away, or you can take him away."

Gu shouxin's eyes narrowed.

Cai Xiaolian and Gu Nian both understood what he meant. They could either kill him or make him disappear forever.

It wasn't that they didn't agree, it was just that they couldn't take it in their hearts. They were used to a civilized society. It really wouldn't do if they had to take action personally.

Therefore, Gu Nian chose to listen to Gu shouxin's words and accept Lu Zheng's suggestion.

"Father, what do you want? Other than what brother Yuanyuan said, what else can you do to him?" Gu Xin asked curiously.

"It's almost the same as what Zhou Yuan said! Alright, it's late, everyone go to sleep!" Gu shouxin smiled and did not explain much to Gu Xin.

The family washed up and went to bed.

It was the third day of the new year the next day, and the morning exercise in the second branch continued.

"Sister, this dress is so comfortable! It's pretty good looking!" Gu Xin looked at her pure white pair of cardigan and long pants.

Although it was still a little cold when she came out, Gu Xin, who had been training for three months, knew that it would be very hot soon. The clothes were just right for her.

"Of course, do you think I, your sister, would let you wear such ugly clothes? Our family of four is wearing matching outfits. The style is the same, but the size and color of the buttons are different." Gu nianxiao said.

The four people's clothes were exactly the same, but Gu shouxin's buttons were black, Cai Xiaolian's was red, Gu Nian's was blue, and Gu Xin's was yellow.

The three of them practiced martial arts, while Cai Xiaolian practiced yoga.

Gu Nian even took the time to make her a yoga mat.

Cai Xiaolian usually practiced for half an hour before she went to start a fire to prepare breakfast. The father and sons practiced for two hours.

Now, besides the horse stance, the two sisters also had to step on the plum blossom dome.

As for the specific moves, Gu shouxin had not yet taught them.

After morning training, it was time to wash up and eat breakfast. A good day began with a delicious breakfast.

"Father, mother, sister, I'm eating more and more. This is already the seventh bun!" Gu Xin held a small steamed bun in her hand and said hesitantly.

"Being able to eat is a blessing! Xinxin, you have to know that some people can't eat even if they want to because they're sick!" Cai Xiaolian thought of her previous life and sighed. She smiled and said, "besides, you're still growing. You have to eat more to grow taller."

Chapter 280 It also affects older children

"Her mother, eat more!" Gu shouxin could tell that Cai Xiaolian was thinking about those unhappy things, so he gave her an appetizing pickled cucumber.

He didn't know medicine, but from the description, he knew that Cai Xiaolian had an incurable disease. Moreover, after she found out, she couldn't eat much. She really couldn't eat even if she wanted to.

His heart ached a little.

"Mother, What do you like to eat? I'll make it for you tomorrow." Gu Nian asked.

She wasn't worried about not being able to eat. She was worried about which one she should eat first when there were so many delicacies.

"I like to eat anything niannian makes." Cai Xiaolian brushed away the thoughts of her previous life and said with a smile.

In this life, she was 20 years younger, had a man who seemed to be a good partner, and had two beautiful, lovely, and considerate daughters.

Why was she still thinking about her previous life?

Was the husband not handsome, or was the daughter not cute?

.....

After breakfast, Gu Hui and Gu si came over.

sister niannian, Xinxin, let me tell you, third uncle's sister is making trouble again! Gu si first greeted her second uncle and aunt, then pulled her little sister aside and said.

"What's she doing? Are you going to grandma Xiao's place to find Zhou Yuan?" Gu Nian was speechless.

"Yup! She said she had a headache and wanted grandma Xiao to treat her. Third uncle told her to go home and find a doctor, but she fainted on the ground and just lay there. My father said that grandma Xiao is the best at acupuncture. When she had a headache, she was so scared that she immediately sat up. Hahahaha, you didn't see it, but she was still glaring at my father!" Gu si gossiped.

father is just telling the truth. Our grandma said that grandma Xiao is really good at acupuncture! Gu Hui said.

"Pfft! Does Guo Wan still dare to go?" Gu Nian laughed gloatingly.

"Al!" Gu Xin sighed.

"Why are you sighing at such a young age?" Gu Nian turned to look at Gu Xin.

"I think uncle's words make sense again!" Gu Xin said.

"Uncle Gong Jie said a lot of things. Which one are you referring to?" Gu Nian asked.

Gu Nian had a feeling that her uncle was going to teach her Xinxin a lesson.

This uncle didn't teach his two daughters the wrong way, but he did teach Xinxin the wrong way. That was really awesome!

didn't en 'Zi say it yesterday? " Gu Xin said. uncle told him to find a partner early. If Guo Wan had found a partner as early as Enzi, her child would have been able to crawl by now."

The Three Sisters of the Gu family:

Gu Hui clenched her fists and looked at Gu Xin unkindly, " "I feel like you're trying to educate me with your words!"

no! Gu Xin quickly shook her head. no, sister Huihui. I really didn't. Sister Huihui was much better than Guo Wan. There are many people who like sister Huihui, so she's not worried about not being able to find a partner. Really, I swear, I'm speaking from the bottom of my heart!"

Gu Hui's mouth twitched. Second uncle's reading had made little Xinxin understand more idioms!

Gu si stood on Gu Xin's side and looked at her sister, " "Xinxin is right. How could Guo Wan be compared to her sister? Elder sister is going to marry brother-in-law, not brother-in-law."

Gu Nian facepalmed and thought,'Oh no, oh no. The two young girls have been completely led astray by uncle Gu and his daughter. Can they still be corrected?'

Gu Xin was very happy that Gu si had acknowledged her. She held her hand and ran away, " "Sisi, let's go and take a look!"

"Sister Huihui, don't you think that uncle's words have a huge impact on the children?" Gu Nian asked.

Gu Hui took a deep breath. it'll have a huge impact on the older children.
