Chapter 281 Have you forgotten our eternal vows?

After informing her parents, Gu Nian and Gu Hui went to the old mansion. Gu Nian was a rather gossipy person.

In the end, the two sisters had only taken a few steps out of the house when they saw Zhang Yunyun coming over with a young man in a brocade robe.

The young master was tall, with a straight back, sword-like eyebrows, and bright eyes. His hair was half-tied up and half-draped, making him look sunny and energetic.

When he saw Gu Nian, his eyes lit up and he smiled.

Normally, Gu Nian would be in a good mood if she saw a handsome man smiling at her like that. However, this was not normal. This was after she found out that the original Gu Nian was lusting after Zhang Yunyun's cousin!

He must be Zhang Yunyun's cousin, young master Xu!

"Da ya, my cousin is looking for you!" When Zhang Yunyun saw Gu Nian, she looked impatient.

"Which big girl are you calling?" Gu Nian said.

Gu Hui, "Yingluo."

If she dared to call me big girl, I would dare to throw her to the back of the mountain.

"Niannian, why are you so distant from me?" Young master Xu walked up with a hurt expression on his face.

Gu Nian's heart skipped a beat. 'They're so familiar. Did the original owner interact with this person in private?'

"Should I be close to you?" Gu Nian's face fell as she looked at him.

Young master Xu was stunned. He did not expect Gu Nian to be so cold to him. Was she angry?

He explained, "I invited you to my birthday party. Yunyun said that you weren't feeling well. Then, I was busy before the new year. I didn't have time to visit you. Are you angry? Don't be angry, okay? I was wrong."

Zhang Yunyun stomped her foot in anger.

This time, it was Gu Nian's turn to be confused.

This tone ... Was this man very familiar with the host?

Oh no, it's been a long time since I've panicked because I don't have any memories.

What should I do now?

What if the host had something going on with him and she didn't know anything? wouldn't she be exposed?

"Didn't Zhang Yunyun say that you don't like me?" Gu Nian suddenly had an idea as she recalled Zhang Yunyun's words.

Gu Nian, what's wrong with you? " Zhang Yunyun did not expect Gu Nian to be so arrogant when her cousin was already so gentle to Gu Nian. Most importantly, she had even been dragged into this.

"Yunyun?" Young master Xu frowned and turned to look at Zhang Yunyun.

cousin, it's not my fault. It's aunt who didn't allow me to bring her. She wanted me to tell her that you don't like her. Zhang Yunyun explained, feeling wronged, " besides, she's not worthy of you! Cousin, don't be fooled by her appearance. She doesn't just like you, she likes many other people!"

"Shut up! Don't talk nonsense!" Young master Xu's frown deepened.

"Cousin, you're being mean to me?" Zhang Yunyun looked at young master Xu in disbelief. She pouted and could not help but tear up. She glared at Gu Nian. Gu Nian, I'll remember you!

After she finished speaking, she covered her face and ran away.

"Yingluo, I didn't mean to you. It's none of my business!" Gu Nian said.

Young master Xu looked at Gu Nian and asked,"niannian, what's wrong?" How could he be so vulgar? Are you still angry about my birthday? I really didn't know what my mother and Yunyun were doing behind my back. Niannian, don't be angry anymore, okay?"

Gu Nian shook her head. I'm not angry. Why would I be angry? " I don't even like you!"

Young master Xu looked at Gu Nian in surprise for a long time. Just as Gu Nian was about to leave impatiently, he said, " "Niannian, have you forgotten the pledge of eternal love we made last summer on the clear Lake in town? Did you forget that you said that you would not marry anyone else in this life? did you forget that no matter how many obstacles you encountered, you would wait for me? Have you forgotten that you want me to study hard and tell both parents about our relationship after I get a good position? You, have you forgotten?"

Chapter 282 You're too silly

Not only Gu Nian, but Gu Hui was also shocked.

The little girl had hidden it well! He had already made an oath of undying love, yet he was still hanging on to his cousin?

Young master Xu and Zhang Yungui were cousins, right?

Looking at the defeated young master Xu, Gu Nian took a few deep breaths and carefully asked, " "May I ask young master Xu, hehe?"

"Call me Chang Feng," young master Xu interrupted her.

"Alright, Changfeng." Gu Nian quickly nodded. May I ask, have we made a private pledge to be married?"

Xu Changfeng shook his head and said disapprovingly, "although you and I are in love with each other, we should not be so polite. How could I do such a beastly act and disrespect you?"

Gu Nian heaved a sigh of relief before his expression turned ruthless. "Isn't that good? We didn't make a private pledge to be married, everything is between love and courtesy! Now that I'm not interested in you, you still come to me? I thought your mother looked down on me? Why should I be in a hurry to follow you?"

"Niannian, we haven't seen each other for only three months. Why are you treating me like this? Is it because of my mother?" Xu Changfeng seemed to have found an excuse. don't be afraid, niannian. I'm here. I won't let anyone in my family stop us.

"Didn't she already stop it? You even followed your youngest Biao sister to stop her. If you can't even handle this, why should I believe you!" Gu Nian said in disdain.

She cursed the host a hundred times in her heart.

It's best if you don't have too many lovers, don't make promises to too many people, or else, or else ...

Gu Nian could not think of anything else.

"Get up! Don't block the way!" Gu Nian pushed Xu Changfeng and pulled Gu Hui away.

Xu Changfeng grabbed Gu Nian's wrist.

"Let go!" Gu Hui looked at Xu Changfeng coldly.

"Sister Huihui, that lecher grabbed my hand. You have to help me deal with him!" Gu Nian said pitifully.

Gu Hui,"you're acting too much!"

Lin Yiqian was originally feeling impatient. However, after hearing Gu Nian's words, she let go of Gu Nian's hand and took two steps to the side.

"Sister Xuanji and Huihui, you don't have a sisterly relationship," Gu Nian said.

"Enough, niannian!" Xu Changfeng was not happy that Gu Nian was treating him like air. He pulled Gu Nian closer to him.

Gu nianshen acted like a gentleman as he did not pull Gu Nian into his arms. Instead, he made her face him.

"Are you really going to be so heartless?" Xu Changfeng stared at Gu Nian and asked unhappily.

"Yes." Gu Nian nodded.

"Alright, then give me back the love token I gave you!" Xu Changfeng said after taking a deep breath.

"What?" Gu Nian was stunned.

"Heh, I've never met such a heartless woman. Oh, no, the first time I've fallen in love in my life, I've actually met such a heartless woman who even became a token of love! Gu Nian, you used to say that you liked me, but it was actually because my family is rich, right?" Xu Changfeng took a step back. He suddenly laughed at himself when he thought of what Zhang Yunyun had said. That's right. That golden hairpin is quite heavy. It's worth a lot of silver!

"Forget it, forget it, I'll just treat it as a lesson I bought with money! 'But Gu Nian, you're too silly. Actually, you can continue to make promises to me and marry me. You'll have more money then.' I didn't expect you to be so short-sighted!" Xu Changfeng shook his head with a smile. He was extremely sad.

this is the gift I prepared for your parents. I planned to take this opportunity to tell them about you and me, but it seems that there's no need for that now! Xu Changfeng raised the gift box in his hand and threw it away. Then he said, " please don't appear in front of me again. Disgusting!

Chapter 283 Don't even think about being lazy

After throwing the things away, Xu Changfeng looked at Gu Nian deeply before he strode away.

Gu Nian,"Yingluo."

She felt that she was the most aggrieved one among the three transmigrators, really.

She didn't have any memory, so she didn't know when a man would appear. The key was that she didn't know how far the original owner had gone with someone else.

"What a sin!" Gu Nian sighed.

"It's indeed a sin!" Gu Hui agreed.

"Sister Huihui, you pity her too, don't you?" Gu Nian looked at Gu Hui pitifully.

"I pity that young master Xu! I feel like I've been abandoned by you!" Gu Hui shook her head and said.

"No, I didn't! I didn't! I really didn't!" Gu Nian hurriedly shook her head. it's because her family doesn't like me! If I don't be heartless and let others think of it, it won't be good for everyone."

Gu Hui nodded,"I thought you were only heartless to Zhang Yungui!" He didn't expect that he would treat young master Xu the same way! It seems like you really don't like them. You've finally come to your senses!"

Gu Nian nodded heavily.

"Let's go, don't think too much. This kind of thing is consensual. If you don't like it, then forget it!" Gu Hui patted Gu Nian and consoled her.

Then, the two sisters went to the old house together.

At the old residence, third uncle finally dragged Guo Wan into the car and was about to set off!

"Huihui, niannian, we'll take our leave first! I won't say goodbye to second brother and second sister-in-law. Remember to come to the prefecture to see the lanterns during the Lantern Festival! I'll be waiting for you!" Third aunt Gu waved at the two sisters.

"Father, mother, let's go!" Third uncle cracked his whip and drove the carriage away.

"What the hell is this? I wanted them to stay for a few more days!" Zhang Shi muttered as she held on.

"Wife, don't think that I don't know. You want third sister and the others to stay because you want someone to help you cook! Hmph, Hmph, in the future, I'll carry the child while you cook. Don't even think about being lazy!" Uncle Gu ruthlessly exposed her.

"Here, here, here! You're saying it as if I don't want to hold a child!" Zhang Shi angrily handed the child over to uncle Gu and then ran to the village to visit.

.....

On the fourth day of the Lunar New Year, the family of four of the second branch packed up and brought the New Year's gift to pay a New Year's visit to the Cheng family. They planned to talk about not cooperating after delivering the gift. When they returned in the afternoon, they could go and see the village that the broker had mentioned. Anyway, it was very close to the village at the crossroads.

The family of four was wearing new clothes and looked especially energetic. If they changed the ox-cart to a horse-drawn carriage, no one would think that they were from the village.

I haven't seen Xiao Yu for many days. I don't know if she misses me! Gu Xin leaned on Cai Xiaolian and mumbled.

"I definitely miss you! Didn't you see that she didn't even smile at her brother! That girl will only smile at you!" Gu Nian pointed at Gu Xin's nose and smiled.

Speaking of this, it was really amazing. She had seen the little girl a few times, but every time, she only smiled at Gu Xin and was slightly nicer to Cheng huaijin. However, she was always at a loss when it came to Mrs. Cheng and Cheng Rui.

Their little koi fish was really a magical existence.

"Hehe, she likes to eat the food I give her!" Gu Xin laughed.

then the food you gave her was also made by me for you. I didn't see her smile at me. Gu Nian said.

"Maybe you're a big kid and I'm a little kid, so it's easier for little kids to play together." Gu Xin thought about it and found an excuse.

## Chapter 284 baffling

She knew that Cheng Huaiyu liked the Jade beads she gave him.

"My sister is only fifteen. She's two years younger than me and two years older than you. How can she be considered a child? No, I also have to be considered a child!" Gu Nian, who was leaning on Cai Xiaolian's other side, also acted coquettish.

"Hahahaha, yes, yes, yes. No matter how old you two are, in front of your father and me, you're still children." Cai Xiaolian smiled and hugged the two children. Gu shouxin's lips also curved up as he drove the car.

The quiet and peaceful years were probably referring to such a scene!

.....

Many people came to the county Magistrate with gifts during the new year. As business partners, the Gu family was invited in alone.

Cheng huaijin held his sister's hand and ran over when he saw the Gu family.

"Sister niannian!" Cheng huaijin's eyes were only filled with concern.

Cheng Huaiyu didn't know how to speak, but she used her actions to express her feelings. She shook off her brother's hand and went to hold Gu Xin's.

"Xiao Yu, I haven't seen you for half a month and I find you even more beautiful!" Gu Xin was shocked.

Cheng Huaiyu pointed at Gu Xin.

Gu Xin did not understand what she meant.

little sister Xinxin, " Cheng huaijin explained, " what my sister means is that you're the same. You've become more beautiful!

"Oh, really?

She had said that she wanted to be the prettiest girl in the village. Look, her efforts were effective!

"Let's go and pay a New Year's visit to Lord Cheng and Mrs. Cheng. After that, you kids can play together!" Cai Xiaolian called out to everyone.

When she entered the hall, she saw a young lady sitting next to Mrs. Cheng. She looked one or two years older than Gu Nian.

As soon as the Gu family entered, the lady's gaze fell on Gu Nian. Gu Nian felt a little uncomfortable as she felt that the lady's gaze was like that of an object.

After exchanging pleasantries, Mrs. Cheng introduced the girl to the Gu family. She came from the capital and was the daughter of her older sister. She was not the legitimate sister that she had married in place of, but her step-sister who was also a concubine's daughter.

Her Shu sister married well. She married an unknown general. Who knew that the general made great contributions in a battle after Emperor Wen ascended the throne and was conferred the title of general. He guarded the border and was highly regarded by Emperor Wen.

Her step-sister also rose with the tide, and even the remaining daughter was the daughter of a second-grade general.

Lord Cheng was also a County Magistrate in that direction. He was only transferred to Taoyuan County last year, so the relationship between the two families was close.

This lady's surname was Yao, and her name was yunhua.

After the introduction, Madam Cheng said to Yao yunhua, "Yun'er, they're my guests. Can you help me entertain niannian and Xinxin and accompany them to the garden to play?"

"Alright, Yimu." Yao yunhua agreed.

Initially, Gu Nian wanted to sit down and listen to her father talk to master Cheng and Mrs. Cheng about not cooperating with them. However, since they had invited her, she could not reject them. When she saw that Yao yunhua looked as if she had something to say to her, Gu Nian got up and followed her out.

"Are you curious, miss Gu?" Once they arrived at the garden, Yao yunhua sent Cheng huaijin and the rest off to play nearby before turning to Gu Nian.

"What are you curious about?" Gu Nian was stunned as she asked.

"Curious as to why I did not see my older Biao brother? Could it be that miss Gu doesn't want to see my cousin Rui?" Yao yunhua asked with a sneer.

Gu Nian frowned. 'What is this?' Also, what's with this girl's attitude?

It was so strange that it made people feel uncomfortable.

Chapter 285 cultivating feelings

Seeing Gu Nian's shocked expression, Yao yunhua smiled and shook her head. She then invited Gu Nian to sit down in the pavilion and talk about it slowly.

Today, he had to sit down and talk slowly. He couldn't finish talking while standing.

Some things had to be made clear, so as not to do it again.

Gu Nian wanted to see what else she could say.

There must be something wrong with these girls with cousins!

Cousin is a close relative, okay?

Yao yunhua's maidservant poured tea for the two of them and then retreated to a place not far away to wait for orders.

"Have a taste, miss Gu." Yao yunhua picked up her tea and took a sip before looking at Gu Nian.

"Miss Yao, if you have something to say, just say it!" Gu Nian said without touching the tea.

"I can see that eldest young lady Gu is also a frank person, so I will be clear. My family is planning to discuss my marriage with Yimu and Yifu." After Yao yunhua finished speaking, she paused for a moment to observe Gu Nian's expression.

Gu Nian was dumbfounded. 'I'm not related to you. Today is the first time I've met you. Why are you telling me this?'

"I heard Yimu say that eldest young lady Gu likes my older Biao brother, but his status is a little lacking. My cousin and I are of equal social standing, that's a marriage of kinship. I've been studying the

women's ring and women's training since I was young, so I don't really care about cousin taking a concubine. So, I want to get to know miss Gu first. In the future, we sisters can get along well, serve cousin together, solve his problems, and let cousin study hard." Yao yunhua said.

She was unwilling, but she still had to say it.

Her mother had even allowed her father to take in his childhood sweetheart, concubine Mei. Everyone could help their husband and raise their children together. She felt that she could do it herself.

When her mother first married her father, she knew that her father had such a childhood sweetheart and accepted her graciously.

All these years, the position of the general's wife had been very stable.

Gu Nian was stunned. "Miss Yao, did Madam Cheng really tell you that I like Cheng Rui? You're planning to be Cheng Rui's concubine?"

"Yimu only said that you like Biao older brother and have that kind of feeling towards Biao older brother, but did not say that you want to be a concubine. However, with your status, you can only be a concubine! My maternal grandfather's family was the Minister of the current dynasty. Although my uncle-in-law's family had declined, they were still a prestigious family during Emperor Jing's era. The Cheng family has never married a woman from the countryside." Yao yunhua sat up straight and said with an arrogant look.

"Ha!" Gu Nian was so angry that she laughed.

"Does young lady Gu not want to be a concubine?" Yao yunhua had an 'as expected' look on her face. big miss Gu, you should also face reality! Although your family can make money and don't lack money, your status is there. Since you like your cousin, why are you so obsessed with status? I will definitely marry cousin, and I will also allow you to be my concubine. I still have to stay at Yimu's house for a while, so why don't we cultivate our sisterly relationship?"

"Ha!" Gu Nian chuckled again.

Yao yunhua frowned and was a little unhappy. "Why do you have to be so eccentric? I'm from the Western Garrison General's residence, and in terms of status, I'm higher than you. I've been learning the four Arts since I was a child, and I'm more talented than you. What makes you think you can compare to me? I agree with Yimu's suggestion, but I know that Yimu and cousin brother all like you and don't want to argue with them on the matter of taking in concubines. What's wrong? Do you think that with your little bit of money-making ability, you can get yourself the position of the first wife? Stop dreaming, this is absolutely impossible! You go and ask if uncle, aunt and Biao older brother are willing to let you be the wife or me be the wife?"

Chapter 286 a commoner can't afford it

"Shut up!" Gu Nian picked up the teacup and threw it on the ground as she stood up angrily.

"You!" Yao yunhua did not expect Gu Nian to be so bold. She did not even care about her manners.

Gu Nian did not even look at Yao yunhua as she headed straight to the living room.

In the hall, Gu shouxin was just talking to Cai Xiaolian, Lord Cheng, and Madam Cheng about the cooperation.

“Lord Cheng, Madam Cheng!” Gu Nian went in and shouted, interrupting them.

Lord Cheng frowned in dissatisfaction. Country girls really had no rules.

“Niannian?” Cai Xiaolian looked at Gu Nian in confusion.

Gu Nian did not respond to Cai Xiaolian. Instead, she looked at Lord Cheng and Madam Cheng and said, “May I ask if the two of you have told others that I like your young master? Are you willing to be your son’s concubine?”

Cai Xiaolian and Gu shouxin were stunned. They had originally wanted to pull Gu Nian over, but now, they had no such intention.

“Niannian, what happened? Did Yun ‘er bully you?” Mrs. Cheng said with a smile.

“No, I haven’t. Miss Yao didn’t bully me. Instead, she said that she wanted to be good sisters with me, first cultivate feelings, and then put on a show of a harmonious wife and concubine.” Gu Nian smiled. when did I say that I liked Cheng Rui and wanted to be his concubine? ” In Lord Cheng and Madam Cheng’s hearts, am I that cheap?”

“Why does Lord Cheng think that you, a mere County Magistrate, can be the local Emperor of Taoyuan County? Do you think that your family’s status can make me, a farmer’s daughter, go after you like a flock of ducks and rush to get close to your son? Is your son the reincarnation of the God of War? Is he worthy of it?” Gu Nian looked directly at Lord Cheng.

Since Yao yunhua had spoken so directly, the county Magistrate must have known about this.

Ha, what a joke!

“You’re impudent!” Lord Cheng angrily rebuked.

“Lord Cheng, I won’t be presumptuous, so please make yourself clear! I’m the daughter of a good family, why should I be your son’s concubine? You don’t want my innocence? I don’t plan on getting married? Just say it!” Gu Nian was not afraid of Lord Cheng!

This Lord Cheng was a county official, which was not even as high as her brother’s position in modern times!

Her brother had been in an important position for many years, and he had the aura of a superior, which she was used to.

“Niannian, aren’t you and Rui ‘er in love? Rui ‘er does like you, but you should know your own status. As Rui ‘er’s mother, I quite like you too. However, Madam Cheng sighed.

“May I ask Madam Cheng, what is my daughter’s identity? In your words, it’s as if it’s shameful?” Cai Xiaolian stood up and looked at Madam Cheng coldly.

sister Lian, you’ve been living in the countryside for a long time. You might not know the rules of the big families well, ” Mrs. Cheng was about to explain when she was interrupted by Cai Xiaolian.

"This commoner does not dare to be called" younger sister "by Madam Cheng." Cai Xiaolian said.

Madam Cheng frowned, "why do you have to do this?" Why do you have to do this!"

"What's wrong?" At this moment, Cheng Rui walked in and asked Gu Nian when he noticed that the atmosphere was not right.

"Cheng Rui, you're just in time. Are you saying that I'm happy with you, and we're both in love? I would like to ask, when did we fall in love?" Gu Nian asked as she looked at Cheng Rui.

Cheng Rui's heart skipped a beat when he saw Gu Nian's expression.

"Niannian, why are you angry? Is it because my cousin said something that hurt you? Don't worry, I'll treat you well. As a concubine, I'll let you be a good concubine. After you give birth to a son, you and your son will be recorded in the genealogy!" Before Cheng Rui could finish his words, he was directly punched by Gu shouxin until he spat out blood.

Chapter 287 We're both parents

After the punch, Gu shouxin lifted Cheng Rui's collar and punched him again from the other side.

He didn't say anything, but his attitude was clear.

He couldn't wait to dote on his daughter, how could he let others look down on her?

Gu Nian's heart warmed. It felt great to have parents to dote on her!

Although her brother and sister-in-law had been very good to her in her previous life, they were both busy, and she had her nephew and niece with her, so she didn't dare to ask for more.

She could not stop her tears from flowing. This was the first time that Gu Nian felt like crying after she had transmigrated.

"Stop!" Lord Cheng came to his senses and stood up.

"Rui 'er!" Mrs. Cheng also stood up and walked to Cheng Rui's side, her face full of heartache.

"What's wrong? Mrs. Cheng's heart ached? We're both parents. Did you consider her father's and my feelings when you said those words just now?" Cai Xiaolian looked at Madam Cheng coldly and couldn't help but ask.

Madam Cheng suddenly stood up and walked to Cai Xiaolian, raising her hand to hit her.

Cai Xiaolian gently grabbed her hand.

"When have I ever considered your feelings? Didn't Rui 'er say that he'd give Gu Nian the status of a concubine? when Gu Nian gives birth to a son, he'll record the mother and son in the Cheng family's genealogy?" Mrs. Cheng asked.

"Oh, really? Then I hope that Madam Cheng's future daughter will have a son as she wishes. A mother's honor will be due to her son, and it will be recorded in her husband's family tree." Cai Xiaolian sneered.

“Wicked woman! How can this official’s daughter be a concubine?” Today, he had completely subverted Lord Cheng’s impression of the Gu family.

In his opinion, they were just commoners. The Gu family should be grateful that their family was willing to accept Gu Nian into the family.

“Daren’s daughter can not be a concubine, but a commoner’s daughter should be born as a concubine? He had thought that Lord Cheng was a good official who loved the people like his own children, but now it seemed that he was just so-so! In Lord Cheng’s heart, all of this is just to make us lowly commoners lay the bricks on Lord Cheng’s Blue clouds road. Lord Cheng’s hypocritical skin is really well criticized!” Cai Xiaolian laughed.

“Enough! You guys get lost! Get lost!” Now that he was talking about his main issue, Lord Cheng flew into a rage out of humiliation and wanted to drive him away.

“Father! Mother!” There was a huge commotion here and all the servant girls and manservants were gossiping. Gu Xin was extremely worried when she heard this and ran over.

Cheng Huaiyu was still holding her hand tightly, looking at everything in the room in a daze.

“Father, mother, what’s wrong? What’s wrong?” Cheng huaijin was shocked. He looked at his parents before turning to look at Gu Nian. sister niannian, how are you? ”

“Second young master Cheng, I can’t afford to be called your sister!” Gu Nian interrupted him and pulled Gu Xin over. Cheng Huaiyu was also pulled over.

“Sister niannian, what’s wrong? What’s going on?” Cheng huaijin was a little flustered. He felt an inexplicable sense of panic and uneasiness.

“Let’s go!” Gu shouxin went to hold Cai Xiaolian’s hand, then called Gu Nian and Gu Xin.

“Sister niannian!” Cheng huaijin chased after him.

Cheng Huaiyu was also unwilling to let go of Gu Xin.

“Pull them back!” Lord Cheng roared.

“Sister niannian!” Cheng huaijin was unwilling to give up and wanted to chase after him. He broke free from the manservant, but in the end, he was pulled back by Cheng Rui, who had regained his senses.

“Waa!” Cheng Huaiyu burst into tears.

“Men, throw out the things that these lowly commoners have given us!” Mrs. Cheng’s heart ached when she saw her three children.

Gu shouxin’s eyes narrowed and he held Cai Xiaolian’s hand tightly. He would remember the Cheng family!

The family of four got on the ox-cart, and Gu shouxin drove the cart until they were out of the city gate. He stopped, turned around, and sat down, looking at his wife and daughter.

Chapter 288 It feels so good to be protected

"Father, mother, I'm sorry. I was too impulsive just now." At this moment, Gu Nian had also thought of the problem.

Her mother wanted to do business. As the county Magistrate, it was easy to punish her.

Her father was going to take the imperial examination, and he would start from the student and member examinations. As a County Magistrate, it would be easier to control him.

She was shocked to realize that they were in ancient times and not in modern times.

Wasn't there a saying in ancient times, "exterminate a family's prefect and destroy a County magistrate's family?" even if their official position was not high, it was really easy for them to cause trouble for the commoners under their jurisdiction.

"niannian, you didn't do anything wrong!" Gu shouxin said firmly.

"But, father, you have to take the exam next month. "He's the county Magistrate." Gu Nian felt a little guilty.

"Niannian, you must remember that in Father's heart, you three are the most important. No matter how big the matter is, I won't let you three suffer. father will always be your pillar of support!" Gu shouxin looked at the three of them and said gently.

"Father!" Gu Nian finally could not hold back her tears.

The feeling of being protected was really good!

in this strange time and space, she was already content to have her parents 'protection and a caring sister.

"Why are you crying? Don't cry!" Cai Xiaolian was also teary. She raised her hand to wipe Gu Nian's tears away. cheer up. Don't let others see you as a joke!

"Yes." Gu Nian sniffled and nodded vigorously.

"Sister, don't cry! Don't cry!" Gu Xin had never seen Gu Nian cry before. She was shocked as she hugged Gu Nian's arm and looked up at her carefully.

"don't cry. The imperial examination was divided into the boy's examination, the village examination, the general examination, and the court examination. as for the boy's test, he could only make decisions on the county test. He's going to pretend to be an upright and honest official again. He'll only make a move on my ranking. It's impossible to remove me! So, don't worry too much." Gu shouxin said again.

"What about mother? Mother still plans to do business. If their family hates our family, Yi, that's not right, we still have cooperation." Gu Nian did not think too much about it just now. She was really angry and she would not tolerate it.

"What would he dare to do? He could only let people play tricks in the dark! If he goes too far, I have plenty of ways to deal with her! Just do your thing obediently and don't care about these things. even if your mother can't make it, don't you still have your father? You have to believe in your father!" Cai Xiaolian said.

"Sister, I believe in father." Gu Xin tugged at Gu Nian's sleeve and said firmly.

"What about our collaboration at the drunken River Restaurant?" Gu Nian also believed in her father. However, there was one more problem.

"What's the point of cooperating with such a disgusting family? No more cooperation. It was written in the contract that both parties had the right to withdraw at any time. If she were to back out, then the drunken river tavern would be ours. If we quit, we won't be responsible for providing them with food." Cai Xiaolian said.

"yes, i'm not cooperating. when your mother wrote this, she had this idea in mind. You have to have your own business, you can't be tied to others for a lifetime." Gu shouxin's love for Cai Xiaolian grew stronger.

He liked this kind of person. She had a strong personality, was decisive, had her own opinions, did not rely on anyone, had her own plans, could see the situation clearly, and would not be depressed because of a temporary predicament.

Whether it was the dynasty he had served in or the current great Zhou, there were very few women like her.

"Father, mother, sister, I want to know how they bullied sister." gu xin suddenly said.

Chapter 289 confession

It was only then that the three of them remembered that Gu Xin still did not know anything.

Hence, Cai Xiaolian told Gu Xin what she had just said and concluded, "Xinxin, I don't expect your future husband to be rich, I just want him to be devoted to you. Even if he's a Prince, he can only have you. Remember, no matter how much you like it, you can't be a concubine. You must be officially married, and you must be a couple for life."

She didn't think too much about her future husband. She felt that she was still young.

She was a little angry that the Cheng family had said that about her sister.

Although she had a good impression of Cheng huaijin and Cheng Huaiyu, she naturally liked her sister more than her sister.

"Father, mother, sister, we've offended Lord Cheng. Will our future days be difficult?" Gu Xin asked after taking a deep breath.

"I won't. Don't worry so much, Xinxin. Mom and dad are here for you." Gu shouxin comforted him.

"Father, mother, sister, actually, there's something I've been hiding from you all for a long time." Gu Xin's brain had been getting smarter recently. She felt that these words were meant to comfort her, so she decided to tell her family the truth.

The time travel Trio looked at Gu Xin in confusion and even felt a little worried.

The main thing was that Xinxin's expression wasn't as innocent as before. She ... She couldn't have remembered her past life, right?

Gu Xin didn't say anything. She stretched out her hand and used her other hand to press on the fish-shaped mark. A Jade bead then appeared.

The transmigration trio was stunned.

Gu Xin pressed on it again and another pill appeared.

"Three months ago, after the last time the gambling den came to collect their debts, I went to the mountains to chop firewood and picked up a small fish. I took it to the small pond and let it go. It gave me a jade pendant. It said that it wanted to thank me for helping it get back into the water and not letting it miss the opportunity to jump through the Dragon Gate. The jade pendant was a thank you gift. After that, there was one time when it was raining heavily and father and sister went out very late. Two days after that time, the jade pendant disappeared and a mark that was exactly the same as the jade pendant appeared on my palm."

"The first time I washed my feet, I accidentally dropped the Jade bead into the foot basin. The Jade bead melted when it came into contact with water, so I poured the water into the vegetable garden that night. After that, I accidentally dropped a Jade bead into the chicken food bowl. After that, I would put two jade beads into the well of our old house every day. I'll go to grandpa's house every day and put one pill in grandpa's medicine jar."

"When Xiaoyu gave me the jade pendant, she told me not to tell anyone, so I've never told anyone. Father, mother, sister, I know I'm stupid and I don't understand many things, but I know that this Jade bead is very useful. Now that you know it, you can make better use of it. We won't be afraid of bad people in the future."

Gu Xin said in a serious tone.

The transmigration trio: " Yingluo "

I've finally found the answer. All the abnormalities in the house have nothing to do with the three of us, strange souls. It's related to this most normal little girl.

Oh my God!

Carp leaping over the Dragon Gate!

This girl was really silly.

"Father, mother, sister, do you think I'm very strange? Don't be afraid of me because of this! This Jade bead was very useful, really. His grandfather would recover after eating him. Xiao Yu also likes to eat it! Every time, I would feed her snacks and give her one. Don't ignore me!" Gu Xin explained nervously when she saw that the three of them were silent.

Chapter 290 I have an idea

"I am not ignoring you! My little baby! We were just too surprised! It's all thanks to our little darling!" Seeing that she was about to cry, Cai Xiaolian hugged her.

"Xinxin, you're so good at holding back your words! We almost thought that the land in the old mansion was a divine land, but it turns out that the magical one is you, Xinxin!" Gu Nian laughed.

"Xinxin, you've made me so miserable! Last time when we were beating up big cat, did you put this bead into my bathtub but not for yourself? You made me think that I'm a God who has descended to the mortal world, and that I won't be able to live for more than a day with my injuries!" Gu shouxin smiled helplessly. He didn't know what to say when he thought of the past few days when he was at a loss.

"Yes, it was Xiao Yu who said not to tell anyone. I was stupid in the past, but now I understand that you're not just anyone." Gu Xin laughed in embarrassment.

"By the way, Xinxin, you said you gave it to Xiao Yu? Did she see this Jade bead?" Gu shouxin recalled Gu Xin's last words and asked.

"She didn't. She only thought that I was feeding her snacks made by my sister. Other than us, only you guys have seen the Jade Pearl. No one else has." Gu Xin replied.

"That's good! Xinxin is so smart! In the future, don't let anyone else see this Jade bead. Thank you, Xinxin, for believing in us, but the others won't treat you the way we do. An ordinary man is innocent, but he is guilty of treasuring a treasure! Xinxin, you can't tell anyone about this, okay?" Gu shouxin said seriously.

"Not even Grandpa and Grandma?" Gu Xin asked as she blinked her big eyes.

Gu shouxin frowned as he looked at Cai Xiaolian and Gu Nian.

"Let's not talk about it first! For the time being, only our family of four knows about it." Gu shouxin said when he saw that the other two had the same expression as him.

"Oh, okay." Gu Xin nodded her head obediently.

In fact, she didn't intend to tell them. She only said it today because her family had offended the county magistrate's family and the county magistrate's family looked down on her family.

She could only throw the Jade beads into the well for herself and her grandfather to eat. At most, it could be used to sell vegetables.

If her father, mother, and sister were smarter, they might be able to use the Jade beads to do more things. If their family got better and stronger, no one would bully their family.

Xinxin, tell me the truth. Do you eat one every day? " Gu Nian asked curiously.

Gu Xin nodded.

"No wonder your hair is back to normal, you've grown so much taller, your skin is fairer, and you're smarter than before. This is really Bao ya!" Although Gu Nian had already guessed the answer, she still found it unbelievable when Gu Xin confirmed it.

She felt that transmigration was already a golden finger, but she did not expect this to be even stronger. She had taken out this local golden finger to share with transmigrators.

Was he trying to make their family overturn the great Zhou?

Xinxin has such a good thing. I have an idea. Cai Xiaolian said after a moment of silence.

The three of them looked at Cai Xiaolian.

“We’ve also seen the effects of jade beads on crops,” Cai Xiaolian said. “If you put it in niannian’s skincare products, the effect will be even more powerful. As for the plants that are needed to make these, we can cultivate them directly at home. It was at the old house. After that, we locked the old house so that we can enter by ourselves without anyone noticing anything unusual. A flower field every night, and in a month, we can rely on the sisters to produce more than a thousand sets of goods.”
