

## Haywire 30

### Chapter 30: It Is Impolite Not To Reciprocate

Gu Xin did not understand Cai Xiaolian's sarcasm towards the mother-in-law and daughter-in-law of the Wang family, but she had her eyes. She could see the expressions on the faces of Granny Wang and Tiezhu's mother.

In the past, it was only because she had been scolded that she had such an angry and helpless expression on her face.

The villain in Gu Xin's heart was clapping. 'Mother is amazing, Mother is really amazing! My mother is the best!'

Cai Xiaolian had no idea that Gu Xin's sharp mouth was completely influenced by her today.

Tiezhu's mother retorted angrily, "Cai Xiaolian, did you eat sh\*t and not wipe it clean? You just opened your mouth and said bad things. Our Wang family doesn't depend on her Sun family! Our Wang family..."

"Shut up, you idiot, hurry up and leave!" Looking at the teasing look on Cai Xiaolian's face, Granny Wang pulled her daughter-in-law.

After saying that, she quickly walked forward.

Wang daughter-in-law, who was pulled away, turned her head and glared at the three mother and daughter. She couldn't hold her anger and said, "A hen that can't lay an egg, what's there to be proud of? They only know how to give birth to money-losing goods. A family of cheap hoofs, money-losing goods! The big ones are, and the small ones are even more so!"

"What are you talking about with that hen that can't lay an egg!" Granny Wang stopped and deliberately emphasized the words 'can't lay an egg'.

Cai Xiaolian's expression turned serious. The other party had directly scolded her daughter. Just as she was about to unleash her full power, the mother-in-law and daughter-in-law who had already walked a distance forward fell down together.

"Aiyo!"

"Aiyo!"

For some reason, Tiezhu Mother squatted down. Seeing that the bag was about to fall, Granny Wang hurriedly went to support it. In the end, she didn't manage to balance herself and the big bag on her back allowed her to sit down as well.

The two baskets did not fall down.

Cai Xiaolian and her daughter were stunned.

This was the first time they had seen a situation where scolding someone could cause them to fall down.

Cai Xiaolian withdrew her firepower. She smiled and said, "Nian Nian, Xin Xin, you have to remember this person. Don't talk nonsense if there's nothing wrong. Otherwise, the heavens won't be able to stand it. Of course, if someone says something about you first, you can say it back. The heavens won't punish you. Especially Xin Xin. You have to remember, it's impolite not to reciprocate! Do you remember?"

Gu Nian nodded. "Yes, I remember, Mother."

Gu Xin nodded as well. "I remember too, Mother!"

Cai Xiaolian snapped her fingers in a good mood. "Let's go!"

Then, the mother-daughter trio walked past the mother-in-law and daughter-in-law who were still sitting. They maintained their smiles.

"Mother, what's going on with the Wang family?" Gu Nian asked as they walked away. She didn't have the original owner's memories, and there weren't too many descriptions of San Cha Kou Village in the book, so Gu Nian's golden finger of knowing the plot through books was useless.

"Sister, you didn't know about the embroidery work you did at home those days, but I know. Sister-in-law Yu Mei suddenly returned to her mother's house crying one day, and the next day, sister-in-law Yu Mei's brothers had called with the children of the Sun family."

"Many people in the village had gone to watch the show! Our cousin also brought me and my cousin to watch the show. Sister-in-law Yu Mei's eldest brother, second brother, third brother, fourth brother, and fifth brother had forced Brother Tiezhu to kneel down and apologize to sister-in-law Yu Mei."

"Brother Tiezhu was unwilling, so sister-in-law Yu Mei's sixth brother, seventh brother, and their nephew had pushed him to the ground and beaten him up. In the end, they had forced Brother Tiezhu to apologize to sister-in-law Yu Mei."

Gu Xin happened to have been brought by Gu Hui to watch the show, so she started talking to Gu Nian.

The Yu Mei sister-in-law in Gu Xin's mouth was Wang Tiezhu's wife, Yu Mei, the village flower of the Lotus Village. She was only 16 years old this year, the same age as Gu Hui, the eldest cousin.
