

Haywire 401

Chapter 401 Why are you so stupid?

Later on, the Emperor fell seriously ill, and the fight for the Crown Prince became more and more intense.

The country guarding Duke's wife found Cai Xiaolian and Gu Nian and asked them to invite Gu Xin out again and again.

The country guarding Duke's wife's family was the consort's family and had great power. The original owner, Gu nianyi, had asked Gu Xin out one by one. Her status in the Xue family's back courtyard was getting higher and higher. In the end, she even surpassed Xue Qianyu's wife.

The country guarding Duke's wife was also Lu Zheng's stepmother. She had even taught Gu Nian how to win over men.

Not only was Gu Nian in the backyard like a fish in water, but Xue Qianyu was also mesmerized by her. He could not have anyone else but her. Later on, because of her, he broke up with Lu Zheng.

In the book, only Gu Xin would appear before Gu Nian and Cai Xiaolian. Therefore, Gu Nian had no idea what had happened to the mother and daughter in the past few years.

She thought that Gu nianxiu was living well and relied on her embroidery to go to Jiangnan. As there was a plot in the book, Gu Xin took the embroidery that Gu nianxiu made and happily told Lu Zheng that she was going to make clothes for their children. Her sister's embroidery was very good. When they were still in the village, her sister could support their entire family with her embroidery!

From the looks of it now, with the personality of the original owner's mother and daughter, there should be some scenes of them recognizing their family in the years that the book did not write about!

However, since he had recognized his family, why did he end up in Jiangnan?

Instead of asking herself, Gu Nian asked about her family.

"I can't be sure, it depends on aunt Lian." The Qin family was very rich. This time, old master Qin probably wanted to find his child who had been left out. Old master Qin was a strict person. He was very strict with his descendants. A few years ago, he had personally broken his grandson's legs and kicked him out of the family. One of his old daughters had an affair with someone. He ordered someone to take medicine and kill his daughter because it was a disgrace to the family. Of course, he would do everything he could to nurture the promising descendants of the Qin family. Do you understand what I'm saying?"

"He's the kind of person who abides by the rules of etiquette!" Gu Nian nodded. You can't even make a single mistake, right?"

Lu Zheng laughed. Indeed, this Gu Nian was smarter than the other one."Right! The Qin family's reputation is more important than anyone else in the Qin family."

"So, the four members of the Cai family are about to be chased out of the house?" Gu Nian asked, gloating.

Lu Zheng smiled and did not say anything.

"Alright, I understand!" Gu Nian looked at Lu Zheng and said from the bottom of her heart, "Zhou Yuan, thank you! You pulled me up the other day, and now you're telling me something so important. If there's anything you need in the future, just tell me. Our family will also work hard to plant all the seeds for you."

"We're all from the same village, what's there to thank? Besides, our grandma is so close to me, and I only have one sister. I treat you all as my brothers and sisters!" Lu Zheng spread his hands.

"Oh, really? Only one sister? Then you really don't want to acknowledge your father?" Gu Nian asked in surprise.

Lu Zheng's father had many wives and concubines, as well as many illegitimate daughters and sons.

Although he had said that in front of the Emperor, Gu Nian did not really think that he would not be with Lu Zheng anymore.

"Isn't my surname Zhou now? My father has many children. It won't matter if I'm not around." Lu Yang paused and laughed. My mother gave birth to me with her life. My sister raised me with my maternal grandfather's money. I have nothing to do with my father. If you have to say I do, they owe my mother a life. One day, I will take it back. I, Zhou Yuan, am the descendant of the Zhou family and will bring honor to the Zhou family's ancestors!"

Lu Zheng said with a smile. However, Gu Nian could sense his determination and was at a loss for words.

"Brother Yuanyuan, why are you so stupid? It took so long to ask for the planting method of sweet potatoes! I'm going to bring my sister back!" At this moment, Gu Xin appeared and hugged Gu Nian's arm as she looked at Lu Zheng in disgust.

Chapter 402 It's very effective, you know?

then I want to study seriously so that Xinxin won't call me stupid next time. Lu Zheng laughed.

"I said I'll teach you, but you won't let me! My sister is very busy, and it's not easy for her to rest today! You're not allowed to disturb me. If there's anything you don't know, ask me or mother. First uncle and fourth uncle have already learned it!" Gu Xin said.

alright, Xinxin, brother Yuan told me about other things while he was at it. He's already learned it. Let's go back and I'll tell you what brother Yuan said to me! Gu Nian patted Gu Xin helplessly.

The questions they had asked before they transmigrated were really stupid. No matter how deep their love was in their previous life, neither of them had even started to love each other in this life!

The situation now was very obvious. Between brother Yuanyuan and her parents and sisters, little Xinxin chose her parents and sisters.

She couldn't bear to see her sister tired out.

On the way back from Lu Zheng's house, Gu Nian recalled that in her previous life, Gu Xin would still choose her mother and sister.

The three transmigrators were really worried for nothing.

“Ah Yuan really called you over to teach you how to grow sweet potatoes! He shouldn’t be that stupid!” Cai Xiaolian asked when they got home.

“He asked some small questions, but he talked about something more important. He said that the old man we just met was an old man from the Qin family. It was the family that Cai TOU’s family had recognized! If he goes there, his followers won’t be far from the old man.” Gu Nian said. She did not avoid Gu Xin.

“Ah? It turns out that he really has a purpose!” Gu Xin was shocked.

“Didn’t the Cai family already admit their mistakes? What is he doing here?” Cai Xiaolian frowned.

“Yuan doesn’t know. However, he mentioned two things. One was that old man Qin broke his grandson’s legs and drove him out of the house because his grandson had done something wrong. One was that his old daughter had an affair with someone, and he had poisoned her to death with a bowl of medicine. In order to protect the Qin family’s reputation.” Gu Nian said.

“It’s so scary!” Gu Nian blinked as she could not believe that such an old man existed. After all, her grandfather would never do something like that. Her father had also made a mistake by gambling and drinking in the past. Her grandfather had never broken her father’s legs. On the other hand, her grandmother often said that she would break his legs, but she had never broken them. She had only driven them out of the Gu family mansion.

“What a strict family style!” Cai Xiaolian was stunned for a moment. Then, she made the same expression as Gu Nian when she heard this. then, isn’t leader Cai’s family going to suffer soon? ” she gloated. I’m afraid they’ll be punished by the Qin family for their personal habits!”

“Mother, let’s not see this old man again! He’s a little scary, and he’ll even break my grandson’s legs!” Gu Xin tugged at Cai Xiaolian’s sleeve.

“It’s fine, we won’t admit it. Besides, mother has already married your father and gave birth to the two of you. Mother is part of the Gu family.” Cai Xiaolian comforted Gu Xin with a smile.

“That’s good! Mother, you’ll be going to aunt Xiao Huan’s place to discuss the furniture store these few days, right? Remember, if that old man wants to catch you, use the one that grandma Xiao gave you, well, use one leaf to blind your eyes! I’m afraid he won’t be able to take it. It’s still quite painful to scratch you and Xi Zi’s broken hearts. It’s just a blind leaf that prevents one from seeing things clearly, but it’ll be fine soon! It won’t harm your body.” Gu Xin helped her mother choose the one she felt least pain for. Little did she know that being blind was even scarier.

that’s right, all three of us have it. Only Xinxin has used it before. We haven’t used it yet! Gu Nian sighed.

“Sister, don’t worry! I think you’ll be able to use it soon.” Gu Xin giggled.

[Gu Nian: little koi fish, don’t talk nonsense. It’s very effective, you know?]

Chapter 403 It was you

Gu Nian only reminded Cai Xiaolian and Gu Xin. The mother and daughter were not interested in this matter. Anyway, they had already met the old man. They would not fall for his tricks.

They didn't believe that anyone could kidnap them from the village in broad daylight.

.....

The county examination was hosted by the county magistrates.

Lord Cheng looked at Gu shouxin with a complicated expression, and his heart was filled with fear.

Why was it so strict this year?

Why did the prefecture send the governor to patrol?

How was he supposed to brush this arrogant bumpkin off?

Gu shouxin noticed Lord Cheng's gaze and looked at him provocatively.

Lord Cheng clenched his fists. As long as Xuezheng didn't come to Taoyuan County, he would be a bumpkin for the rest of his life!

Thinking of this, Lord Cheng calmed down. He was still the righteous and gentle Lord Cheng.

The corners of Gu shouxin's mouth curled up, but he didn't look at it again.

.....

The mother and daughter of the Gu family didn't meet old man Qin, but on the ninth day of the new year, they saw Madam Li's son.

Mrs. Li had brought the bottle of shampoo that Cai Xiaolian had asked for. Li Muyan finally wanted to see his mother's long-lost sister.

Yan 'er, come over and call for help. This is your aunt Cai, this is your sister Huihui, this is your niannian, Xinxin, and little sister sisi! Mrs. Li introduced them to li Muyan.

Li Muyan had never been interested in women, so he didn't peek at them. He first bowed to Cai Xiaolian and then greeted the girls one by one.

"Sister Huihui, is that you?" Li Muyan immediately recognized Gu Nian.

Gu Nian:

I can't be that unlucky!

This dog chasing man was actually Madam Li's son?

"Young master Li, do you know my daughter?" Cai Xiaolian asked. She was starting to get a headache from the young man's sudden attention on Gu Nian.

"Aunt Cai, you can just call me by my name. Aunt Cai, did you go to the prefecture to see the lanterns during the Lantern Festival?" Li Muyan turned to look at Cai Xiaolian.

“Why are you asking about my mother? It was me! What’s wrong? You made me fall into the water, and I was almost bitten by a dog! What do you want?” Gu Nian then turned to look at Mrs. Li. Auntie Luo, tell me the truth. You found out about our family from my aunt. Did you come to our house on purpose during the Lantern Festival? ”

“Niannian, why are you angry?” Mrs. Li stood up and walked over to Gu Nian’s side to calm her down. my dear daughter, when I came over, I really wanted to see you. Who knew that your mother was more interesting than you? I’m attracted to your mother, how would I have the time to look at you? Don’t worry, I don’t have any other intentions. Really, I promise!”

After such a long time, Madam Li had almost gotten someone to inquire about the matters between the Gu family and the Cheng family from the servants of the Cheng family. She had become more and more respectful of the Gu family, so she had never thought about what her son had said before.

She thought that her son still had almost two years before his bad luck ended. If she talked about this now, wouldn’t she be harming the girl? So, she didn’t intend to mention it.

Li Muyan had never mentioned it, so she thought he had forgotten.

So, when she came out this morning, Li Muyan had said that he wanted to meet aunt Cai, who was involved in the matter of pressing the bottle cap, and she had brought her people over.

“Mother! You actually knew this and didn’t tell me?” Li Muyan was furious. His mother had gone too far. She had actually found a girl without telling him. She had made him think that the girl was not from Qing Province. He thought that in two years, the girl would be married.

The result:

Chapter 404 I’m happy to hit him

“You pushed me into the river and almost got me bitten by a dog, and you still let your family look for me? You’re sick!” Gu Nian looked at Li Muyan angrily.

“I pushed you into the river and almost got you bitten by a dog. It’s my fault. I’m sorry. I’m sorry, miss Gu Nian!” Li Muyan bowed to Gu Nian before standing up straight. however, before we left, you gave me a kiss and sealed my mouth. I’m Yours for the rest of my life! Could it be that I shouldn’t have asked my mother to look for you? don’t you want to take responsibility for me? You heartless girl!”

After speaking to Gu Nian, Li Muyan turned to Cai Xiaolian. “Aunt Cai, may I ask if miss Gu Nian is going to propose?”

Cai Xiaolian was shocked when she heard this news. She didn’t react for a moment and subconsciously shook her head.”No, I didn’t,”

“Thank you, aunt Cai!” Li Muyan thanked her politely before turning to look at Gu Nian. miss Gu, I, Li Muyan, am only ten months away from my 17th birthday. I’ve lived for 16 years and no woman has ever touched my mouth. Since you’ve touched it, you should take responsibility.

“You’re a strange person! You bumped into me, and when I was about to leave with my sisters, you came to pull me. If you didn’t pull me, I would fall? I fell down and brother ah Yuan pulled me up. I didn’t even touch your mouth, so don’t ruin my reputation! I’ll beat you up!” Gu Nian refused to admit

it. Besides her and Li Muyan, no one else had seen it. She reckoned that even Lu Zheng, who had helped her, had not seen it.

This person looks like a Rascal, really annoying!

The original owner had provoked a scoundrel. Was she provoking a scoundrel herself now?

"You can't change the fact even if you beat me up! I'm telling you, you touched me, so you should take responsibility!" Li mu said.

"What are you going to do if I don't take responsibility? Are you planning to kidnap a woman or what?" Gu Nian was even angrier.

Looking at the state of the two people, both Cai Xiaolian and Madam li had a headache.

They each pulled their own child.

Mrs. Li hit li Muyan hard. "Stinky brat, mother has always taught you to be gentle to girls. Is this what you call gentle?"

Cai Xiaolian blinked at Gu Nian. niannian, don't be angry. Let's talk this out.

"Aunt Cai, I admire you for designing such a bottle cap. I also want to say that niannian really kissed me that day." I apologize for dragging miss Gu Nian into the river and for almost getting bitten by a dog, " li Muyan said firmly. however, it's a fact that she kissed me.

Gu Nian pulled Cai Xiaolian behind her. She raised her chin and stood on her tiptoes. She reached out and touched li Muyan's face. "I'm even touching you now! I'm not responsible for you, so what? It's no use even if you Sue me to my mother! I have to be responsible for that young master. That's my own business!"

Mrs. Li looked at Gu Nian in surprise. Her eyes were filled with admiration. She did not try to persuade her son anymore. She wanted to see what this unlucky bastard could do.

"You! You!" Li Muyan's fair skin immediately turned red. He covered his face with one hand and pointed at Gu Nian with the other. you hooligan! You lecher! In broad daylight, you've ruined my reputation in front of so many people. If you don't take responsibility for me today, I, I won't leave!"

"Not leaving? heh, not leaving, right?" Gu Nian sneered and looked at Mrs. Li. Auntie Luo, can I hit him? " If I beat him up, will you still buy my things?"

"What are you saying? We're doing a good business, niannian you can't break the contract!" Mrs. Li glanced at Gu Nian and laughed. it's okay to hit him. He's been used to it since he was young. His skin is rough and his flesh is thick. You can't break it. Even if you hit him, I won't feel bad. He should take responsibility for a girl, he's too capable!"

Chapter 405 Reward me

Gu Nian looked at Mrs. Li and clenched his right fist. He hit his left chest a few times. "Alright!"

After he finished speaking, he immediately attacked li Muyan.

Li Muyan did not expect Gu Nian to hit him so suddenly. He took a few steps back and steadied himself. "You, don't even think about taking advantage of me in the fight! I won't be fooled!"

Gu Nian jumped up and gave him a high kick. "So what if I take advantage of you! I took advantage of you and didn't take responsibility, and now you're here to chase you away! Hit me if you can!"

Li Muyan retreated to the door of the central room.

Just then, uncle Gu and Lu Zheng came over to pick up some things and saw Li Muyan's back.

Lu Zheng, "Gu Nian really didn't disappoint. He's making a move!"

Uncle Gu said, "not good, I feel like someone is bullying our Gu family's lady!" Yuan, F * ck him up!"

"Alright, uncle!" Lu Zheng facepalmed.

The two of them walked to the left and right of the main entrance. One of them held the bolt while the other held a carrying pole.

niannian, is someone causing trouble? hurry, kick them out. Uncle will receive them outside! Uncle Gu was facing the door of the central room as he shouted.

"Alright, uncle!" Gu Nian replied.

Li Muyan turned around and ran away as he looked at Gu Nian's aggressive attitude.

In the end, after running two steps, he found a strong man holding a bolt in front of him, and a group of young men holding shoulder poles blocking him.

Li Muyan could only run to the side.

Lu Zheng did not move and stood guard beside the vegetable field. Uncle Gu moved and chased after him with the bolt.

"Niannian, what's the situation with him?" Uncle Gu had already ushered the young man to the top of the plum blossom dome. He could not stand on top of the dome, but the young man was very stable on the dome. Therefore, he stood below and asked Gu Nian.

"Uncle, he said that I took advantage of him and wanted me to take responsibility. He's blaming it on my mother!" Gu Nian said angrily.

"What? Is he taking advantage of you or are you taking advantage of him?" Uncle Gu felt that there was something wrong with his ears.

"Uncle, you didn't hear wrong, it's Gu Nian who is frivolous with me! He kissed me and touched me just now!" Li Muyan stood firmly on the plum blossom dome, guarding against Gu Nian. However, he had let down his guard against uncle Gu. He could tell that uncle Gu would not be able to stand steadily.

"You're talking nonsense! My family's niannian is such an obedient girl, can she kiss you and touch you? Why don't you take a piss and look at your own face? are you worth it? You brat, don't spout nonsense. If you ruin the reputation of the Gu family's daughter, I'll beat you up!" Uncle Gu spat on the ground and raised his shoulder pole.

In his heart, he was crazily criticizing Gu shouxin, "second brother is really sick. Why did he create this plum blossom dome for no reason? now it's not convenient for him to help his eldest niece beat people up." Really, didn't he know that the plum blossom dome was a shadow of his childhood? Second brother, this heartless and heartless person, must have come to mock him on purpose. This was too much!

"Sister, we're here!" Gu Xin and Gu si jogged over.

Gu Hui also walked over slowly from behind.

"Dad, you should go and watch the show with Yuan! You can't even stand for one breath. Don't drag us down!" Gu Hui patted uncle Gu's shoulder and said in disdain.

"That's true, then you guys go! When you jump down later, remember to line up!" Gu shouxin looked at his younger daughter and niece jumping up easily, sighed and said to Gu Hui.

Gu Hui: " he's really my biological father. He's not fake at all. He just leaves when he wants to.

"Sisters! Let's each touch his face and see who he wants to take responsibility for! Remember, you have to use some strength to touch him, clench your fists and touch him. Anyway, if you touch him, you'll ruin his innocence. We four women will ruin his innocence, let's see if he's still alive!" Gu Nian laughed.

"Alright!" The two sisters replied in unison.

Gu Hui also sized Li Muyan up with an intriguing look.

Li Muyan, "hehe."

It can't be for real, right?

Chapter 406 You're truly a family

"Good, good, good! Let's see who he'll depend on in the end! I'll give a reward to whoever he blames!" Uncle Gu stood next to Lu Zheng and clapped his hands, then patted him again. Yuan, go and touch him later. See if he wants you to take responsibility. You should fight for your uncle's reward!"

Lu Zheng: " there's no need for that. Uncle, I'm not interested in your reward.

"Big brother, that's a good idea!" Mrs. Li gave uncle Gu a big thumbs up and then looked at the plum blossom dome. good luck, you sisters! I'll give you the same reward as your father and uncle!"

Cai Xiaolian& and Lu Zheng, "Zhenzhen, Madam li, aren't you afraid of losing your son?"

"You guys!" Li Muyan was furious.

There were Gu sisters standing on all four sides of the plum blossom dome. Their dome was not big, and he was standing in the middle of it. He was surrounded.

The four sisters stepped forward, and Li Muyan was so aggrieved that he was about to cry.

He held his breath, planning to wait for the sisters to come a few steps closer before he flew out of the circle.

However, before he could even reach half his height, Gu Nian suddenly sped up and grabbed his leg.

As soon as he was pulled down, the four sisters threw their fists at Li Muyan's face. For the sake of Madam Li, they didn't use any force and just went through the motions.

Then, Gu Nian kicked Li Muyan's butt and he fell off the plum blossom dome.

Li Muyan spun a few times in the air and then landed firmly on the ground. His eyes were filled with anger.

"Son, your martial arts have regressed! 'Even four little girls can hit you? Aren't you very good at stepping on the plum blossom dome?' Mrs. Li Ran over and asked.

Li Muyan thought, "I think you can't wait for your son to be beaten up by the four little girls!"

"Mu Yan, did you feel any pain? I'll help you scold them later. No matter what, they're still guests, so how can you hit them?" Cai Xiaolian asked with concern.

Li Muyan asked, "you didn't stop me just now?"

"Young man, what's the situation? Who should I give this reward to?" Uncle Gu asked with a smile.

"Oh, there's a reward. Son, who's it for?" Mrs. Li chimed in.

"I want some peace and quiet!" Li Muyan held his forehead, feeling a little tired.

"Jing Jing? We only have Huihui, niannian, Xinxin, and sisi in our family. We don't even have an 'an, so where's Jingjing?" Uncle Gu said.

Li Muyan looked at Uncle Gu, unable to explain himself.

Lu Zheng laughed so hard that he was going crazy.

Mrs. Li was the same as in her previous life. If she wasn't on the way to set up her son, she would be setting up her son with her colorful servant.

As for Li Muyan, no matter when, he always had an arrogant look on his face. He was already in his thirties, but he still occupied the position of the number one nouveau riche in the capital. So, he was such a Funny Boy when he was young?

She even chased after him to ask for his innocence and to take responsibility?

It was really funny.

In the end, Li Muyan wasn't able to fulfill Uncle Gu and Madam Li's wishes and get them to give him a reward. He stopped visiting the four Gu sisters and talked to Cai Xiaolian about many of his ideas, which he had gotten from the inspiration from pressing the opening of the bottle.

The four sisters of the Gu family could not be bothered with him and went to work in the laboratory.

.....

On the night of the tenth day of the Lunar New Year, Gu Shouxin returned to the village. Originally, he had told Cai Xiaolian and the others that he would go back on the eleventh, but he had been away from

home for five days. It was too long, and he missed his wife and children. The county town was not far away, so he took an ox-cart to Zhoujia town and got off at the crossroads Village.

Just like the day the mother and daughter returned from the county, Gu shouxin met old master Qin at the stone tablet at the village entrance.

He still looked tired and thirsty.

Gu shouxin only glanced at him from the corner of his eyes. He didn't stop walking and entered the village with a torch in hand.

"Aiyo! It hurts! Is there anyone! Please take pity on this old man!" Old master Qin clutched his heart and cried out in pain.

Gu shouxin wanted to see his wife and children at this moment, so he didn't even stop in his tracks. However, when he passed by Lu Zheng's house, he called Lu Zheng to see what was going on.

[Lu Zheng: you're really a family. You don't care about yourself, but only know to call me!]

Chapter 407 Your relative

lu zheng was practicing his sword in the courtyard. when he came out to talk to gu shouxin, he took out a handkerchief to wipe the body of his sword. as he wiped, he asked, " second uncle, doesn't that old man look like he's about to die? if you look closely, he's quite energetic? "

Gu shouxin,"what's wrong?" Your relative?"

"Your relative!"

Gu shouxin was stunned and glanced at the village entrance.

second uncle, " Lu Yang said. when aunt Lian and the others sent you to the county, they met the old man. He didn't care and asked me to bring water. It just so happens that I've seen that old man before. His surname is Qin, and he's here to find his relative."

Gu shouxin narrowed his eyes and looked at Lu Zheng."You're saying that he's the old man that the Cai family went to acknowledge?"

&Nbsp; Lu Zheng nodded. that's right. Second uncle, don't worry so much. Go back quickly! 'I've already told Gu Nian what I need to say. That old master Qin is living with my great uncle, and he has people following him around at all times. Don't worry!"

Gu shouxin rolled his eyes at him. I'm not worried. I'm just afraid that he will die at the entrance of our village and affect the Feng Shui of our village. It's bad luck!

"if he's really dead, are you going to let me carry him away?"

Gu shouxin nodded. of course. Do you want me, a scholar, to do such heavy work? " Alright, let's go!"

Lu Zheng:

.....

When he passed by the old house, he saw that the lights were out, so Gu shouxin went home directly.

When he walked to the door of the old house, he could hear the laughter of his wife and daughter inside. It seemed that they had planted all the seeds that the Zhou family had brought back in the past few days when he was not at home. It must have been hard on his mother.

He put out the torch and directly jumped onto the courtyard wall.

however, just as he stood firmly, two bamboo poles pointed at him.

"My daughter, it's me!" Gu shouxin had never thought that one day his daughter would think of him as a thief, so he helplessly raised his hand.

"Aiya, who is it? i can't see clearly in the middle of the night!" Cai Xiaolian had already heard the voice clearly, and she deliberately teased him.

"mother, it sounds like father's voice! Is there a bad person who has imitated father's voice and wants to abduct us?" Gu Xin chuckled.

"Yes, Xinxin is getting smarter and smarter. It's completely possible!" Gu Nian said.

Gu shouxin held his forehead and then jumped over the wall.

"Ya! So it really was her father! Father, you have to climb over the wall when you get home!" Gu Xin ran to Gu shouxin with a smile.

"I heard your voices when I walked here, so I came in! Xinxin actually treated father as a thief, she deserves to be beaten!" Gu shouxin bent two fingers and knocked on Gu Xin's head.

"Father, mother and sister also think so." Gu Xin rubbed the spot where she was knocked and immediately confessed her accomplice.

"I know!" Gu shouxin knocked on Gu Nian again, then raised his hand to knock on Cai Xiaolian.

Cai Xiaolian tilted her head slightly, curved her lips, and winked at Gu shouxin.

gu shouxin,"yingluo, i feel like you're asking me to commit a crime!"

"Father, you must treat everyone equally! You can't just lecture me and little sister, we both listen to mother." Gu Nian said.

"That's right, father! It can't be unfair!" Gu Xin added.

Oh, right. I just remembered that I met an old man at the village entrance. He looked like he was on the verge of death. I ignored him and planned to ask Zhou Yuan to take a look, but he said that you've met him before. gu shouxin put down his hand, put it behind his back, and then changed the topic.

"Yes, yes! Father, you also asked brother Yuanyuan to go see it! we're the same!" Gu Xin nodded her head.

Gu Nian thought,'silly sister, I've been distracted by the topic.'

Chapter 408 too old

"Did that old man look for you these past few days? I was in a hurry to come back and see you, so I didn't ask Zhou Yuan!" Gu Shouxin asked.

"No, I didn't! He probably found someone to inquire about our family's situation! By the way, have you eaten? There's dough in the kitchen, I'll make you noodles. Niannian taught me, you haven't tried it yet!" Cai Xiaolian asked with concern.

"Mother, take father to make noodles! I'll stay here with Xinxin." Gu Nian did not want to eat dog food.

"Sister, why don't we follow them? Don't you want to know how father did?" Seeing the couple return to the new house, Gu Xin asked regretfully.

"Xinxin, you have to have good eyes! Do you know?" father and mother have been separated for five days. They must miss each other very much. So, let's not go and join in the fun! Gu Nian chuckled. Father will definitely do well. Didn't you say that you'll trust him in the future?"

"But sister, I haven't seen father in five days! I miss him too!" Gu Xin pursed her lips.

"You little girl, if you go, father and mother will have a lot of things that are not convenient to say." Gu Nian laughed.

"Oh, I understand. It's the same logic as when we sleep at night, our parents sleep in the same room, and not us!" Gu Xin said.

"Yes, that's the logic! Hurry up and help! Let's go wash up and sleep after we're done picking these." Gu Nian nodded.

"Sister, I understand. My grandfather told me that the most important thing in life is to have a partner. Parents and children can only accompany us once. Only partners will be with us from the day we fall in love to the day we grow old." Gu Xin said as she worked.

"Yes, Grandpa is right. The one who has accompanied you through most of your life is the partner who has treated you sincerely." Gu Nian was stunned for a moment before she sighed.

Her life in her previous life was too short, and her partner had not appeared yet. When would he appear in this life?

"Sister, there are so many young masters here, but do you really not like any of them? Last time, I heard you say that second brother Xue is good-looking. Do you like him?" Gu Xin asked.

"I said that just because he's good looking doesn't mean I like him! Even when I didn't know Zhou Yuan, I still said he was good-looking!" Gu Nian laughed.

Xue Qianyu's family was even more complicated than Lu Yang's! She didn't want to look for trouble!

"That's right! Brother Yuan Yuan is publicly acknowledged as the most beautiful in our village!" Gu Xin chuckled.

then, can you compare them with the other young masters we've met? other than Zhou Yuan, who's the prettiest?" Gu Nian asked.

"It's almost the same! Brother Yungui is a little dark, but before brother Yuanyuan appeared, brother Yungui was the prettiest in our village!" Gu Xin thought for a while and said.

"Sister, are you really going to find me a top scholar brother-in-law? Is he the literary or martial arts scholar?" Gu Xin asked again.

"It's best if he's the one who's the top scholar in both civil and martial arts. Of course, he had to be good-looking! In my uncle's words, the Gu family is all good-looking, so I can't find someone to change our family's appearance." Gu Nian laughed.

"That's so hard to find! I heard from Grandpa a few days ago that the previous Prime Minister was from our neighboring state. He's in his thirties, even older than our Father! No, no, sister, let's go with the martial arts scholar! Grandpa said that the top martial artists in the great Zhou Dynasty are almost all in their twenties. They're younger and more compatible with big sister!" Gu Xin shook her head and said.

Chapter 409 I'm suddenly tired

"Hahahaha, you little worrywart!" Gu Nian could not help but laugh.

The day after Gu shouxin's exam, Gu Xin went to the old house to chat with her grandparents. She was worried about Gu shouxin's exam.

Her grandfather consoled her. The previous champion was a little older than her father, so perhaps this champion would be her father.

Gu Xin believed in this without a doubt and felt that her father would be able to get in.

.....

The two sisters returned to the kitchen of the new house and found Cai Xiaolian still rolling noodles.

"You guys are done. Here, I'll make you some supper." Cai Xiaolian said with a smile.

yes, it's delicious. Niannian, Xinxin, wash your hands, sit down and try it! Gu shouxin took a mouthful of noodles and then said.

"So delicious? Then I'll try it. The seasoning that mother made two days ago was wrong! I don't know what was added, but it has a strange smell." Gu Xin happily went to wash her hands.

cough, cough, I'm going to sleep. Mother, stop embarrassing yourself. I'll steam the buns tomorrow morning! Gu Nian glanced at the steaming noodles in front of Gu shouxin and left after saying that.

"Her father, look, niannian has been disdaining me these days. Didn't I already adjust the taste? Don't you agree?" Cai Xiaolian felt hurt and wanted to find Gu shouxin, who agreed with her cooking skills, to complain about her grievances.

"I'll talk to him tomorrow! Her mother, give me some more. It's really delicious!" Gu shouxin laughed.

Gu Xin sat down obediently and waited for her mother to finish cooking the noodles. At the same time, she asked her father about the results of his exams.

"Let's go to the prefecture in April!" Gu shouxin didn't say how he did.

"Father, you mean, you can participate in the capital examination in April?" Gu Xin asked happily.

"It's a must. The weather is getting warmer, and you've grown taller. I'll buy you some new clothes in a few days!" Gu shouxin laughed.

"Yes, yes, I found that niannian has grown in the past few months. It's spring, and she's wearing last year's clothes, but the sleeves are a little short. We'll buy it when we have time!" Cai Xiaolian brought the bowl of noodles over and also served herself a bowl.

"Little sister sisi has also grown taller! Sister Huihui and sister sisi have money with grandma. Let's ask them to buy it together! Then, I'll buy one for Grandpa and Grandma." Gu Xin said.

"Alright, we'll go to town to buy some after your father has rested for two days. Last time, I saw a pretty good shop in town. Later, I chatted with Xiao Huan and found out that it was the Zhou family's shop. He said that old master Zhou asked the shopkeeper to go from Jiangnan and Beijing every season to see the style, and then sell it himself when he returned. The business is good, even better than the clothes shops in the county." Cai Xiaolian lowered her head and ate her noodles.

At this moment, Gu Xin had already taken a bite. She was about to continue the topic of clothes after she finished chewing when she realized something was wrong.

The taste was the same as yesterday, the day before, and the day before!

She blinked and looked at Gu shouxin, who was eating happily. Oh no, did her father lose his sense of taste in the exam?

Cai Xiaolian also took a bite. After eating, she felt that it wasn't good. Looking at Gu shouxin, she thought that she was full and didn't want to eat anymore. But looking at Gu Xin's confused look, Cai Xiaolian knew that things were bad. The taste must be the same as two days ago.

"Eat!" Gu shouxin looked at the mother and daughter.

"Father, mother, I'm suddenly a little tired and want to sleep. Can I eat tomorrow morning?" Gu Xin said guiltily.

"Al! Go wash up and sleep! Forget it if you can't eat it! Al!" Cai Xiaolian said helplessly.

It was clearly cooked at the same time as niannian's seasoning, but why did it taste different after it was done?

Chapter 410 I want a third brother

"It's really delicious?" Gu Xin went to wash up, and Cai Xiaolian looked at Gu shouxin in confusion.

"It's so delicious." Gu shouxin smiled. I can still eat three more bowls.

"But the daughters don't think it's good! Niannian doesn't want to eat it at first sight, and Xinxin doesn't want to eat it either." Cai Xiaolian's confidence in Gu shouxin's attitude was blown away by her two daughters.

"They're young, so they don't know how good the taste is." Gu shouxin put down his chopsticks, looked at Cai Xiaolian, and said seriously, "Xiaolian, this is my Second Life. In my previous life, I lived for more

than 50 years, and only one person cooked me a bowl of delicious noodles. She personally kneaded the dough, rolled it, and cooked it for me! It was also on a night like this, and he didn't know that I would suddenly return home."

"Who is it?" Cai Xiaolian asked.

"It's my mother," Gu shouxin's eyes were filled with reminiscence. my mother was like you. She had a rich life since she was young. She didn't know how to do housework or anything. "After I got married, the year I was born, my family's financial situation declined. I was harmed by a villain, and all the men in the family were convicted. As a mother, I was strong. My mother, a delicate young lady, took me and escaped. We settled down in the countryside. My mother took care of me until I was ten years old, and I fell sick from exhaustion. I went out to work when I was ten years old, and I didn't know when I could come home every night. My mother would light an oil lamp every night. Even if it cost a lot of oil, she would still light it for me to let me know that someone was waiting for me at home. She would often wake up to make me a bowl of noodles, not plain noodles, but coarse noodles."

"After that, we were discovered by evil people who wanted to kill us. In order to protect me, my mother drugged me and asked someone to send me away. I carried a fake person that she made herself into the mountains and was bitten by wild beasts. The scoundrel went to search and found our things, as well as my mother's leg. He thought that we had been eaten."

"At that time, I was filled with hatred. I swore that I would destroy the future of the traitor's family! So I entered the palace and became a eunuch. I fawned, I came up with bad ideas, I was careful with every step. I first taught the children of the evil family bad things, then controlled them, controlled their country."

"Before I died, I was thinking about the noodles my mother made for me at night when I was with my mother in the village. I thought that no one would ever light a lamp for me. I thought that no one would ever cook a bowl of handmade noodles for me at night."

"But now there is. Little Lian, thank you. It's really delicious. This is the most delicious thing I've ever eaten since I came to the great Zhou Dynasty. It's even more delicious than Xinxin's jade beads that have turned into water!"

Gu shouxin's eyes slowly became clear, and he looked at Cai Xiaolian with affection.

Cai Xiaolian couldn't stop her tears. She didn't expect her family's nine thousand years old experience to be like this.

She couldn't help but hold Gu shouxin's hand. her father, from now on, I'll leave the light on for you at night. Whenever you want to eat, just tell me. I'll get up and make it for you!

"Alright!" Gu shouxin shook Cai Xiaolian's hand.

The oil lamp in the kitchen swayed from side to side in the breeze. A pair of figures on the wall clenched their hands tightly. Under the faint yellow light, this scene was very heartwarming.

.....

The next morning, Gu Nian and Gu Xin realized that their parents were different. However, they could not pinpoint what exactly was different.

Seeing Cai Xiaolian going to the outhouse, Gu Nian chased after her. "Mother, I was good last night, right? I didn't disturb the two of you! When are you going to give me and Xinxin a little brother?"

"Go to hell!" Cai Xiaolian patted Gu Nian. you're a girl. Don't learn from your uncle. Why are you giving me a younger brother? " You're shameless!"

"First uncle wants fifth brother, and his fourth brother is already twenty years old. I want my third brother, my second sister is only eleven!"

Cai Xiaolian,"get lost!" Get lost! Get lost! Stinky girl, you even dare to tease your mother!"
