Chapter 673 They All Knew the Truth

"He… He is dead?" Veronica was still in a happy and blissful mood as her thoughts were still on the man who had been intimate with her earlier, and his scent seemed to be lingering on her.

It was like a child finally getting her favorite blueberry cake. This joy could last her a few days. But now, she had to pretend that she was in agony because of 'Matthew's' death.

This was extremely difficult for her. "How… How did this happen?"

She wasn't in the mood to act and had no idea how to proceed. Hence, she pretended to faint right away. "Young Mistress?"
