

# Her Destined Alpha chapter 53

## Revealed

CHRIS The tension between Raihana and me was so obvious . I was doing my best to keep my shit together , but it wasn't easy , looking at her in that dress that wrapped perfectly around her figure , emphasising her every curve ... not to mention that big ass of hers . Fuck , she was the hottest girl around , like a prize I wanted to unwrap and devour . I had tried ... tried to call one of the pack she – wolves to keep me company , but I couldn't even enjoy it , not when all I could think of was her .

I needed to apologise for that night ... Yet at the same time , I refused to . She grated on my nerves just as much as I wanted her wrapped around my dick . The worst part ... I had to follow her and try not to look at that ass of hers . She had now gone to freshen up , and I was waiting across the hall . I took my phone out to see Lola's message . ' Have you told Ray yet ? You need to before he finds out Chris , I am not going to be hiding your mess up from him . '

I frowned . Yeah , I get it , I fucking messed up ... but it wasn't entirely me , she was fucking tempting . I looked up , my eyes flashing with irritation when Raihana stepped out of the bathroom , I could smell the fresh dose of perfume she had applied . Her lips were glossier again and the hair strands that framed her face were rearranged . Her eyes met mine and I realised we were suddenly alone ...

For the first time since that day ... Her heart was racing , I didn't know how to fucking react . Shit , this was me , Chris Somers , Delta of the Black Storm , a man who could get a woman no matter what but the same one who hated dealing with the aftermath ... and just like that , here I was , not wanting to deal with the aftermath of what went down between us . Her eyes were filled with such strong hatred that it was like I could actually feel it . The stinging pain in my chest was a clear reminder of that . " " Raihana ... "

" Don't Talk To Me . " She said coldly , turning and walking back towards the hall " Raihana . Lola knows and she wants me to tell Rayhan . " I said quietly . She froze , whipping around as she looked at me in shock . Her heart only pounding harder . " How does she know ? " She hissed . I was about to reply , but stopped when a few girls walked past . One of them gave me a small smile , which I automatically returned , only for Raihana's scoff to bring me back to the topic at hand .

" You really are a slut . " She spat . The girl glanced back at her before the three entered the bathroom , exchanging looks . They were just irritating me , but it was my fault for fucking smiling " Maybe ... " I said , clenching my jaw . " But look , Lola knows , because when I left . I couldn't risk speaking about this out here . Walking over to her , I took hold of her by the elbow and pulled her towards some doors nearby . Pushing them open , I glanced around , relieved to see that it was empty .

I walked inside , pulling her towards the centre of the room , glancing at the balcony doors that were slightly – ajar . No one was here . " What do you think you're doing , Chris ?! " She growled . " Making sure no one overhears ! That day your powers got out of control , remember ? Lola came and I told her to take care of you ... She saw the marks . " I said with a frown . " Well then tell her to keep it quiet , Rayhan does not need to know . " She said , pulling out of my hold .

= " He's my best friend .... I can't keep it a secret from him . " I " Oh , that's bullshit . Stop acting like you have a flipping conscience ! We all know you're just a selfish prick ! " I really had no idea why she hated me so much . " Yeah , because you have this image already made in your mind about me and it's clear you're hell – bent on fucking sticking to it . Listen to me princess , no matter what you think about me , I care for my friend . I have to tell Rayhan . Don't worry , I know I fucked up and I'll take the fall . "

" Oh , don't get so up yourself , you are not doing me any favours . I got caught up in the moment . You're nothing special . I'm glad we stopped .... I wouldn't want that dick of yours anywhere near me . " She spat resentfully . My eyes flashed , my wolf's . anger bubbling . Her gorgeous eyes that held so much resentment were getting to me , the way her chest was heaving along with the urge to simply slam her up against the wall and kiss her again , all wrapped up in one .

" Not that you seemed to have a fucking problem with it when you had your hand wrapped around it . " I growled . " Oh please , " She scoffed , rolling her eyes as she put a hand on my chest , pushing me slightly . Wrong move ... She was tempting me , and I wasn't sure if she knew it or not .

" We both know you were the one that was fucking hard for me ! " The door to the balcony slammed open , bouncing off the walls . Both Raihana and I turned sharply . Our hearts were racing as we stared at the man that stepped slowly inside . His eyes blazing green , the anger that swirled around him was suffocating , and the look on his face was more animalistic than human .

Rayhan ... Fuck .... RAYHAN I had decided to keep an eye on Mom and Delsanra from somewhere close , yet at the same time give them some space , opting for one of the side halls that wasn't in use . I was out on the balcony , masking my aura when I had heard Chris and Raihana . First , I wasn't even going to bother , thinking they may try to sort their issue , but the conversation that had ensued from the moment he mentioned h e was going to tell me ....

With every passing comment , my anger was incinerating every ounce of my self control . My eyes blazed green as I pushed the door open violently . My eyes were fixed on Chris , the one man I considered my brother ... I knew his antics , but never did I think he'd ever cross that line and do it to my sister . Although he was the one who wanted to tell me , not Raihana , my anger was uncontrollable . " Rayhan . " He said quietly . My eyes snapped to Raihana's hand on his chest .

I growled as my anger broke loose and I was in front of him in a flash . He raised his hands in surrender , but it was too fucking late as I ripped him away from her and threw him across the room , only t o close the distance between us . I grabbed him , my canines out and the urge to tear him apart consuming me , " Rayhan stop it ! " Raihana shrieked , but there was nothing more I wanted than to rip him to pieces . I growled murderously at her , throwing him across the room until I saw his back hitting the glass doors as he went crashing through onto the balcony .

" Rayhan ! " She screamed running towards him , but I reached her before she got to him . Grabbing her by the elbow , I pulled her back . " Don't touch him . " I hissed glaring down into her defiant eyes . " Rayhan , he's bleeding ! He didn't even defend himself ! " She cried , her eyes filled with tears as I clenched my jaw . Don't tell me she had fucking feelings for him . " Raihana leave . " I warned her . " No ... " " I'm your Alpha and that's a fucking command , Raihana ! " I growled , my alpha aura surging through me . Although it had an effect on her , she was trying to fight . " Raihana leave . I'm fine . " Chris said , sitting up . He touched the back of his head and I saw the blood that coated his hands . " Don't talk to her . " I hissed . Our eyes met but he looked away . Yeah , I thought so ...

" Rayhan ... " Raihana tried again , angrily . " I said leave ! " " You can't tell me what ! " " Rayhan ! " Mom's voice came . " What are you doing ? ! " " Leave ! " I

snapped , glaring at her too . Her eyes flew open in shock just as Delsanra rushed over . My eyes met her startling blue ones . " This is between Chris and me . Can you lot just leave ... " I said quietly . She frowned , despite the flicker of confusion I saw in them ; she shook her head as Mom grabbed Raihana pulling her away . " No Mom , this is my fault ! " Raihana said , trying to pull out of Mom's hold . " 1 " Not now , Raihana ... " Mom whispered . " F Ana ... " I'm ok . I'm staying , " Delsanra said firmly . Mom didn't reply , pulling Raihana from the room .

" Rayhan . " Delsanra said , wrapping her arms around my waist . The moment the sparks rushed through me ; I felt a wave of calmness rush over my body . Now paying attention to my thundering heart , the anger that rolled off me and the fact that I had my claws out . I looked down at the top of her white head , wrapping my arms around her tiny body tightly , burying my head in her hair and trying to calm the anger I was feeling .

I was not done with Chris ... but ... My heart warmed at the fact she didn't fear me , no matter how much of my anger and rage I showed her ... She looked up at me , softly kissing my lips , before pulling away and looking at Chris , who was simply sitting there frowning deeply . " It isn't my place ... But in the short time I've known you both , I know that you two are great friends ... Don't throw that away over one disagreement . " She said quietly . Holding her hand out to Chris , I growled lowly , but she glared at me .

" Stop behaving like an animal , Rayhan ! " She snapped , taking me by surprise . Grabbing Chris by his arm , she tried to help him up . Tried ... she was tiny in comparison to him . He got up and smoothly pulled out of her hold . Smart move ... After messing around with my sister , I wanted him far away from everyone . "

I am an animal kitten . Especially when it comes to people hurting those I care about . " I said coldly , looking at Chris . She looked at us , then turned away . # " Just ... don't do anything you'll regret ... " She seemed to be unsure of what to do and was about to walk off when I grabbed her elbow and spun her back into my arms . " Stay . " " I said quietly . I needed her , knowing that the moment she left me to my anger , I would snap once again . Besides , she was my mate , and I was not going to hide anything from her . Her heart was thundering , but a small smile graced her lips , and she nodded .

" At least hear me out . " Chris said quietly . " What are you going to do ? Tell me how you got into my sisters ' pants ? " I asked coldly . Delsanra's eyes widened ,

and she tensed , staring between us . " Nothing happened .... I mean , it almost did , but I walked away . " He said , frowning . " I know it doesn't right the wrong , but I knew I couldn't do that to her . I wanted to tell you because I feel like shit for it . I know I can't change the past , but I am sorry ... " Guilt was rolling off of him and I knew he regretted it ... But still ...

" It's a two – way thing , Rayhan .... " Delsanra whispered . I get that . I clenched my jaw . My anger was still rippling through me . " I trusted you , Chris ... I really did . Right now , I don't know what to fucking think . Stay away from her , I don't want you two anywhere near each other . Understood ? " My voice was cold , my anger was bubbling to the surface . My aura was surging around us , and as much as I hated this , I couldn't ignore that he had crossed the line . " Understood .

" He said quietly , a He looked up at me , our eyes meeting , but for the first time in our lives , there was nothing to say . Deep down , I knew I should do more as a friend ... but as a brother ... I couldn't . He walked out whilst I ran my hand through my hair in frustration . " Rayhan ... " I turned towards her , my eyes flickering from green to grey as I tried to control my emotions . Her smooth , creamy skin shimmered temptingly , the way her breasts rose and fell with every breath she took ...

My gaze snapped to her lips and I swallowed . I knew what I wanted ... what would satiate this burning rage within me , but I didn't want to hurt her . I was about to turn away when she stepped closer , her breasts grazing my arm , sending off a hum of sparks . " You need to relax , handsome . " : " She whispered , one hand cupping the back of my neck . The other now cupped the front o f my pants teasingly , sending off a surge o f pleasure and desire that broke all the restraints that were left of my self control .
