

## Healing 111

### chapter 111

Jaylah, since the previous incident, is honest for a few days, not to make trouble, peacefully filming, and not to go to Aimee or Mikayla trouble.

However, she did not do so because she was really honest, but because, after Charlie sent her to the hospital that day, he verbally reminded her to pay attention to her words and actions, after all, she was about to announce her cooperation with Indesit Jewelry, and her every word and action would affect the whole brand image of Indesit Jewelry. If she has any negative impact, Indesit Jewelry will not let her go, and the compensation she faces will be more than she can afford to pay.

Jaylah would not have taken Charlie's warning to heart.

She firmly believes that Charlie has taken an interest in her beauty, that they will have other relationships, and that Charlie will be on her side no matter what happens in the future.

But the humiliation that Aimee and Mikayla had brought her was something she could not forget, and she vowed to make them both look good.

Naive, she has been filming now, there is no way to find the right time.

Tia saw that Jaylah's face had been very bad, and finally could not help but say, "Jaylah, this is a very special time, you put your mind at ease."

"I'm not in a peaceful state of mind?" Jaylah wrinkled his brow in instant anger just because of Tia's words.

Seeing this, Tia said, "I mean, let's get past this and talk about it."

"You're just telling me to put up with it, Tia. You're not the one being bullied, and you're not the one being scolded on the Internet, so you can talk so easily." Jaylah's face was grim and he held back his anger so that he didn't curse at Tia.

Tia saw that it was impossible to talk to her, so she stopped talking.

Just then, Tia's cell phone rang.

She saw that the caller was Charlie and immediately answered, "Mr. Pugh, why are you calling at this time, is something wrong?"

Charlie's voice was still cold, but the news that came out made Tia very happy.

"Here's the thing, didn't we decide to have Miss Read wear our jewelry at the awards ceremony to announce our collaboration at that time," Charlie said, "but now we have decided to move the announcement up after a lot of consideration, so we're here to inform Miss Read, the launch is this afternoon, and we will send someone to pick up Miss Read in an hour."

Tia was caught off guard by the news and glanced at Jaylah, who was still angry, and said, "But Mr. Pugh, Jaylah is filming on the set right now, and today's scene is quite heavy, so we can't do it at short notice."

Even if they are fawning over Indesit Jewelry, they can't just do whatever they say, it's not appropriate.

Moreover, Francis is not a master to be messed with, so if I have to take time off to go there, Francis will not be able to explain.

Charlie's voice over there got a little colder and said, "Miss Simpson, the fact is I'm not here to discuss this matter with you, but to inform you, I don't know what gives you the illusion that you can say something like that with me, but you have to understand that since Jaylah wants this cooperation, you have to follow our requirements, and as for the rest, it is something that you should work out yourselves."

The implication is that there is no negotiation to be had.

After Tia hung up the phone, she quickly made a mental calculation of which side was more cost effective to offend.

The answer is self-explanatory.

Indesit Jewelry can raise Jaylah's value by more than one level, and in the future, she will be able to choose whatever kind of script she wants.

Francis side, the play has been shooting for so long, naturally there are other problems.

At most, it is to make him angry a little, when the time, a little sincere attitude to apologize on the line.

Once this was measured, Tia lifted her foot towards Jaylah and said, "Jaylah, you go back to the RV now and take off your makeup."

"What?" Jaylah's face went down even harder, thinking that Tia just had something wrong with her today and kept getting into trouble.

Tia is not good here and her explicitly, only to come close to her ear, whispered: "Jaylah, I do not have time to explain so much to you now, you now hurry to get ready, so that you pretend to be unwell, there is no way to continue to shoot, I now go and Mr. Snider to ask for leave."

Jaylah saw the situation, also for the first time to see Tia like this, also intuitively feel the seriousness of the situation.

She glared at Tia and said, "You better not be kidding me."

With that, Jaylah headed for the RV with his costume in hand.

Tia took a deep breath and lifted her feet towards Francis.

She stood in front of Francis and groveled, "Mr. Snider, I'm really sorry, our Jaylah is suddenly very unwell and needs to take a leave of absence for the next scene."

"What did you say?" Francis' face immediately sank.

Tia knew it would make Francis angry, and for a while, it really was a bit of a shock.

She said stiffly, "Mr. Snider, I'm really sorry, but when Jaylah is ready, I'll bring her over to make amends."

Francis directly dropped the things in his hand and said angrily: "All day long you have more moths, this scene can still be shot, can not shoot before I get out."

After yelling, Francis turned around and walked away, leaving Tia in a dilemma.

Tia wanted to go after them, but it was clear that it would not help.

She was only able to ignore everything and turn her head and leave.

The most important thing now is for Jaylah to go to Indesit Jewelry and not to be delayed here any longer.

Back in the RV, Tia immediately let the driver drive.

She then said to Jaylah, "Mr. Pugh has informed us that he will pick us up at the launch event to announce your collaboration with Indesit Jewelry."

Jaylah heard this, the expression on his face eased a little, and said, "Why didn't you say so earlier, so I thought you were up to something."

"Jaylah, I couldn't possibly harm you either, I just couldn't be straight with you just now." Tia said.

Jaylah didn't say anything else, but concentrated on starting to remove her makeup.

When Tia saw that Jaylah's mood had recovered, she said, "Jaylah, don't think about anything right now, let's focus on getting the Indesit Jewelry thing done, and the crew, we'll figure it out later."

Jaylah said with disdain: "What is the solution? When the official announcement is made, my value will increase immediately, and then, it is still necessary to offer me up."

## **chapter 112**

When Jaylah was received at the venue, he was almost not shocked by the scene in front of him.

She did not expect at all that Indesit Jewelry's row would be so big.

The launch event was held in the ballroom of the only 7-star hotel in China, and was designed to match the brand image of Indesit Jewelry.

Jaylah, even the second daughter of Read family, has never seen such a battle.

However, Jaylah did not show his inner ecstasy, but suppressed his inner thoughts and acted incomparably calm, putting up the second daughter of Read family's frame.

By the time Charlie came over, Jaylah had already finished dressing and her makeup was particularly delicate, highlighting her beauty to the fullest.

Jaylah smiled enchantingly at Charlie, showing his perfection to the fullest.

Charlie spoke up and looked at Jaylah and complimented, "Miss Read, very nice."

Jaylah smiled even more seductively, looking at Charlie's eyes are filled with brimming water, with endless style.

“Thank you, Mr. Pugh, for the compliment.” Jaylah said.

“Behave yourself later and let everyone get to know you well.” Charlie said.

Jaylah smiled, “Don’t worry Mr. Pugh, you won’t be disappointed.”

Charlie smiled and didn’t say anything more.

The launch was about to start and Jaylah was already accompanied by Tia.

On her body was an aqua blue gift, studded with diamonds.

Although the dress is very heavy, Jaylah likes it very much.

Standing in the light, Jaylah felt more dazzling than ever.

At this moment, she is the most beautiful woman in the world.

The jewelry she is wearing is a staple of Indesit Jewelry’s new season, each piece gloriously setting her off as a towering queen.

Jaylah stood under the lights and received all kinds of flashing lights.

She believes that she is, at this moment, the most dazzling woman in the world.

After the first half of the process, the next is the interview question session.

The question was initially thrown to Charlie, “Mr. Pugh, why did Indesit Jewelry choose a female artist who is not very famous in the entertainment industry to be the spokesperson this time? It doesn’t seem to fit with Indesit Jewelry’s long-standing reputation.”

This question is obviously aimed at Jaylah.

Who does not know that she is the second daughter of Read family, but the problem of this person, but flattened her worthless.

Jaylah is really going to flip out at the moment if he doesn’t want to affect his image at this time.

Although she still had a perfect smile on her face, it was hard to hide the anger inside her eyes.

Jaylah’s eyes fell longingly on the reporter who asked the question, intent on finding out which media she was from and how dare she say such a thing.

Charlie cleared his throat and said, “We at Indesit Jewelry never choose our collaborators according to their status, we only look at whether they match our brand. ”

His words made Jaylah’s anger subside a little.

Anyway, no matter what, the person standing in this position now is her, and no one else deserves this position at all.

Apparently, Jaylah did not hear the meaning of Charlie’s words, and he was admitting that Jaylah’s curiosity was not enough.

“So Mr. Pugh, may I ask what it is about Miss Read that impresses you, it is said that you have a good personal friendship.” Another person asked.

Charlie was not the least bit annoyed by such leading questions, he smiled a little and said, “Indesit Jewelry has always been a public and private company, and there is no favoritism.”

Only, the more he said that, but the more people had to think more.

This is an admission that Jaylah and he have a good personal relationship.

Then, that is, even if the surface of how to say the crown, their cooperation, it is very likely, because Jaylah used improper means.

The crowd in the room had a look on their faces to watch the show, seemingly to this kind of thing, very commonplace.

Only, even after seeing more of this kind of backroom dealings, it still makes them feel very sick.

Jaylah is still reveling in the fact that Charlie said she was the right person for the job, and is still gloating over that statement.

She didn't bother to listen carefully to Charlie's words, but firmly believed that it was Charlie who was interested in her and, therefore, defended herself so much.

What follows is a series of questions for Jaylah.

Someone asked, “Miss Read, how do you feel about being the face of Indesit Jewelry this time?”

“Indesit Jewelry has always been a brand that I like very much, and I have always wanted to work with Indesit Jewelry, and now that I have this opportunity, I feel very lucky and cherish it, it is a recognition from Indesit Jewelry and a reward for me, and I hope, I I hope that I can make Indesit Jewelry happy.” Jaylah said.

She will also say the scene, and, will say it very beautifully.

Jaylah has been so engrossed in his own complacency that he doesn't think about anything else at all.

She did not even notice that the crowd present, after hearing her words, the expressions on their faces were actually very snickering.

The launch was soon over and Jaylah went to the lounge and happily said to Tia, “Tia, I have to tweet first later, I want everyone to see how beautiful I am.”

Tia was so happy about the partnership with Indesit Jewelry that she took out her phone and took a few pictures of Jaylah.

She said, “Here, Jaylah, let me take some pictures of you and you can tweet them.”

Although the launch has been done, however, this launch, is not on the network synchronized live.

Charlie's requirement is that all news and videos to be posted on the Internet must be reviewed by Indesit Jewelry before they can be posted.

So, even though the launch has been held and finished, the public is still unclear about this matter. Jaylah, on the other hand, is waiting for Charlie to tell them to retweet the Indesit Jewelry tweet. Jaylah was very suspicious of the operation, but since it was Charlie's idea, she had no problem with it. After all, now that the contracts have been signed, the two of them are a win-win partnership. Indesit Jewelry couldn't have stumbled on her. After taking a few pictures, Jaylah sat down on the couch and started waiting.

### **chapter 113**

An hour later, Jaylah's side received a message from Charlie that it was time to tweet.

Jaylah immediately posted the photo he had just finished retouching.

Jaylah V: At last, let me meet with what I love.

She directly posted a nine-picture photo, although it seems to show the jewelry of Indesit Jewelry that she is wearing, but only three of them are showing the details, the other six pictures are all pictures of her own beauty.

Luckily, she quickly retweeted Indesit Jewelry's tweet again, explaining the meaning of her last tweet.

These two tweets in quick succession caused an instant uproar on the internet.

A short time ago, Jaylah's Twitter followers more than tripled because of the things she did, but most of them came to her for the convenience of tweeting at her.

And after her first tweet, there were quite a few people who didn't even look at it and just started cursing.

[What a piece of crap, actually still popping up on Twitter, how come you haven't retired from the circle yet].

Jaylah, get out of the entertainment business Jaylah, get out of the entertainment business Jaylah, get out of the entertainment business

[Ugly pussy do not send out pictures, see your face let me can not eat, hurry up and get out]

All sorts of curses were hurled under Jaylah's tweet, turning her comment section into a mess.

Jaylah was so angry that he held back from replying back to dislike the past.

Finally, someone finally noticed that something was wrong.

[Oh my God! Oh, my God! Oh my God! I'm so shocked! If you don't choose a beautiful sister, you can choose a beautiful brother, how can you choose such a garbage thing!

[No, no, no! Is it the Indesit Jewelry that I know? Is it the Indesit Jewelry whose face we can't even see? I'm so disappointed, you can't even look at our love bean who is so beautiful and sweet, and you can't even look at such an ugly pussy! I will never buy anything from you again!

[I'm tired, I will not love in, I thought Indesit Jewelry is the earthly puritanical earthly sober earthly delusion, the result .....Indesit Jewelry, you are too let me down!

The netizens are wailing and have expressed their strong anger over Indesit Jewelry's choice of Jaylah.

After all, Indesit Jewelry has always been unattainable for them, and even if they can't afford it, just looking at it is enough for them to enjoy it.

What's more, so many top-notch artists in the entertainment industry have vainly tried to become the spokesperson of this brand, but Indesit Jewelry has always been comparable to the battle of the century in the selection of spokespersons.

To be the spokesperson of Indesit Jewelry is not only a confirmation of status and curiosity, but also an all-round certification.

With the certification of this brand, it will be more starry-eyed after that.

Now, such a brand, which can be said to be as influential as an agency, has quietly chosen Jaylah to be the spokesperson.

How can this not be a big disappointment.

At this moment, probably only Jaylah's fans are happy and ecstatic.

On Twitter, Jaylah's fans were all in a frenzy.

[Our sister is the best sister, our sister can be too powerful, who does not know how high the level of Indesit Jewelry, oooh, oooh, sister you are so good, you are my earthly delusion].

[Acid chickens hurry up and shut your mouth, your master is powerful, your master also did not endorse Indesit Jewelry, our sister is so awesome, is your master can not catch up.

[Ohhhh, those who say our sister is not worthy, dare to ask your master is worthy? Your master works so hard, Indesit Jewelry can't even see it, your master is trash.

[Ouch, our sister's face is so high, every photo is beautiful to the extreme, sister I can, sister look at me ah].

【Woohoo, our sister's pushy is too high, I have to chase it, Indesit Jewelry, is a jewelry that I can't afford, but, my sister has no relationship, I have to support my sister's endorsement even if I take out a loan.

There are even a number of big fans that have started a sweepstakes.

The first thing you need to do is to get a good idea of what you want to do.

[I also come, we do not whole need, as long as it is our sister's iron fan, draw a limited bag, worth 100,000, if you do not like, you can also realize.

I'd like to make something more practical, as long as it's my sister's iron fan, then I'll draw a set of Indesit Jewelry, which is to increase sales for our sister.

Instantly, the raffle made a frenzy.

Lipstick, bags, cell phones, computers, cars, Indesit Jewelry.....

There are even people who give houses in direct lotteries.

Jaylah looked at the tweets and was overjoyed on one side, but on the other side, he spat in his heart that these fans are really stupid.

But, anyway, it doesn't cost her anything, and it doesn't affect her at all.

The company's main goal is to provide the best possible service to its customers.

Jaylah put down his phone, very pleased with the situation.

She suddenly thought of something and said, "By the way, I heard that August is going to be on 'Hide yourself', right?"

"Supposedly, yes, the recording is going to start next week." Tia said.

"It's really strange, the show has been on for so long and he's not coming, and now he actually has time to go on the variety show, Tia, think of a way to get me to go on the same episode as him." Jaylah said.

Tia said, "This variety show seems to have been negotiated by him a long time ago, so I'm afraid we won't be able to go on it now, right?"

"Why not? We are the two male and female leads, together on the same variety show, isn't it a great topic of conversation, and can also add exposure to the drama, and, with this heat I have now, don't I deserve to be on a show?" Jaylah frowned and said unhappily.

Tia immediately said: "You first take your time, this matter, I carefully go to study, you know, you now the value of the body will be different, this kind of thing, can not be randomly selected, or a good selection of the."

"Just pick something else carefully, I'm going to be on this show, and you have to set me up." Jaylah said.

Tia heard her attitude is so strong, is also no other way, only able to nod, said: "then okay, I will go to contact the program team, see if we can negotiate."

Once Jaylah heard this, he was even more upset.

"I said, not to be able to negotiate down, it is necessary to negotiate down, if this thing is not done well, you also give me to leave." Jaylah said.

Tia was helpless, but there was nothing she could do about Jaylah.

What's the difference between trying to kick her out now and crossing the river and tearing down the bridge.

Tia is not going to let that happen.

**chapter 114**

Matilda was scrolling through her tweets and tweeting to Aimee: "So this is how the entertainment industry works? These fans are really brain-dead, they're so willing to spend money on her, tsk tsk, Aimee, do you think I'll have such fans? There is also a house lottery, do you think I can get it?"

Aimee had some speechless, raised her eyes and said, "You said you were brain dead, and you still want such fans?"

"That doesn't conflict with me wanting a house," Matilda says. Matilda says.

"You still lack a house?" Aimee helpless, she does not even know how many properties this woman has around the world, is in the country, she can not return twice a year, basically the popular city, she has a house.

That's it, still interested in people raffle houses, is also enough.

"And it's supposed to be a probability event, you think, it's not like you're a little koi." Aimee said.

Matilda quit now and reached over and squeezed Aimee's hand, saying, "How come I'm not a Koi? If I wasn't a Koi, would I have met you?"

Aimee was pinched by her and it hurt quite a bit.

She said, "Come on you, if you really want a house, why don't you ask Miles properly, what resources are given to you to make enough money."

Matilda said, "To be honest, I'm not really interested in this kind of money."

She herself is too easy to make money, plus with Aimee in, so to speak, she wants to make money, is a matter of easy words.

This is really the first time in life to go shooting for money.

Matilda inexplicably felt that it was harder than even if she had gone and beaten each other up.

Aimee said, "Then think of it as a way for you to experience the hardships of the world."

"When you say that, the civilians are going to hate you." Matilda said.

For ordinary people, the entertainment industry is what they can't even think about, struggling for a lifetime, but not more than the money earned by people on a variety show.

To the average person, the entertainment industry is the easiest place to make money.

Matilda is able to understand their thoughts, because the most direct view of the world of pomp and circumstance, so it is.

She suddenly felt, in fact, quite speechless.

For them, go to the entertainment industry as a star, even if it is to mention the experience of human suffering.

But what about for the people?

Matilda held her chin up and said, "Aimee, how do you keep working at the hospital on such a small salary?"

Aimee is just an ordinary doctor with a basic salary.

The money earned in a month is simply not enough to do anything.

However, Aimee has persevered until now, and has been fighting on the front line for so many years.

Matilda is really hard to understand.

Obviously, even if she does not do anything every day, can be recklessly squandered hundreds of lives.

Aimee says, "It's probably just love, I don't have any pursuit, it's just the one thing that makes me feel worthy of treating people."

She is not a person with very strong desires, many times, she is Buddhist as the old monk into the general.

It is the only thing that makes her feel energized to be a doctor.

It's just that, unfortunately, her good medical skills are not able to be fully utilized.

Because, if she exposes her true medical skills, then what she has to deal with, may not be the patient who simply needs to be cured.

Most likely, she will be targeted by some enemies, not able to be used for them, to destroy her.

That's why, the teacher has always told her to hide her clumsiness.

Matilda says: "People are really complex creatures, there are those who want everything, but there are those who are not interested in anything. Wouldn't the world be a harmonious place if it were neutralized."

"It was an ideal country and a delusion that would never come true." Aimee says.

If there could be that harmonious scene, the world would have come to an end by and large.

The two men let out a long sigh and did not continue their conversation.

Matilda continued to tweet about Jaylah and Indesit Jewelry, seeing how her fans were about to blow her sky high and kept mentally spitting out brain damage.

She doesn't even understand how these people exist to be able to be so funny.

However, she was also suddenly curious about what her fans would be like as a picture.

That day, Ashton was asked to develop a set of rice circles for her, the first of which was her fan name.

Ashton said her last name is Duncan, so, take a harmonic, fan name is MD or something like that, so it will look extra personable.

Matilda only felt speechless about this and wanted to refuse, but heard Ashton say, "Matilda, you have to believe me, many of the fans take their names from the resonance of the name, it is called orange."

“So how come you can’t call it MM?” asked Matilda, rolling her eyes in discontent.

Ashton was immediately surprised, “Matilda, you are very good, you can name yourself.”

Matilda almost didn’t beat Ashton’s dog on the head.

This little bastard, doesn’t even know what the hell he’s talking about.

However, Matilda is kind of resigned to her fate, and she is well aware that a better fan name could not be found.

So, she still compromised and tentatively settled on the fan name Orange.

Ashton also set a fan logo for her, which is a big cartoon orange, which looks, well, pretty cute.

It’s just that cuteness is something that doesn’t go very well with Matilda.

Matilda also showed it to Aimee, hoping that she could educate her the Tenth disciples so that his brain could be normal.

Who knows, Aimee actually said the logo design is good after reading it.

Even, a red packet was sent to Ashton.

Matilda almost died on the spot, thinking that Aimee might be trying to make things difficult for her.

However, she couldn’t beat Aimee, and had to count on her to make money, so she could only accept it honestly.

Now, Matilda looks at the big orange on the screen and really thinks it’s cute.

## **chapter 116**

Aimee looked at Miles in a daze, and did not return to his question for half a day.

She was thinking about how to answer when Patrick had taken another step closer to her.

The next second, he gently took her into his arms.

The hug was light, and if it wasn’t summertime and they were both lightly clothed, it wouldn’t even, even feel like they were hugging.

The hug was long, so long that Aimee almost felt that an hour had passed.

She had never had a moment like this before, when she was clearly doing nothing, but it was as if time had stopped, as if she had forgotten to even breathe.

Aimee took a long, long time before she raised her hand and gently dropped it on Patrick’s back.

She patted gently and said, “Master Patrick , you’ve been standing too long.”

Aimee’s voice was soft and muffled in Patrick’s chest.

Patrick smiled, but did not rush to let go of her, but suddenly tightened his arms and held Aimee even tighter.

If he hadn't been taught a lesson by Aimee earlier, he would have hugged her vigorously and pushed her hard into his arms.

Naive, now he still has more than enough heart.

After a few more moments, Aimee raised her hand and pushed Patrick's waist before Patrick let her go.

He said, "Aimee, thank you, for getting me back on my feet."

Aimee tilted her little face and smiled.

She accepted Patrick's thank you because, well, she deserved it.

Aimee said, "Okay, don't ever say that again, all I want you to do next is to behave."

Patrick hooked up the corners of his mouth and sort of had his own understanding of the request.

He said, "Okay, in the future, all listen to the lady."

Aimee suddenly felt that there was something wrong.

She wants to be obedient, which clearly means that he should have a little self-awareness as a patient and not to do things that he is not able to do for the time being.

However, Patrick's tone of voice seems to have a different meaning.

Patrick's eyes were deep, looking at Aimee's gaze, full of smiles.

Seeing her so cute at the moment, Patrick's mood became even happier.

His girl, indeed, is cute.

Make him, so want to kiss.

However, Patrick didn't go with his heart this time.

Aimee came back to her senses and said to Patrick, "Take a rest in your room, I'll go get you something to eat and come get you later."

She was also going to see if the old Hayden was awake, to let the old Hayden see for himself that Patrick was on his feet.

At this moment, the old Hayden saw Patrick as before, a pair of cloudy eyes, filled with tears.

He wanted to go up to Patrick and hug him, but he was afraid he would bump into him.

The old Hayden was like a child at a loss, not even knowing what he was supposed to do.

Aimee looked distressed and could only look over towards Patrick, asking him to take the initiative and come and hug the old Hayden.

Patrick received a look from her and raised his eyebrows.

This girl, the party is so righteous to ask themselves, do not move, but now let their own initiative.

Patrick gave Aimee a long, meaningful look before he approached the old Hayden and reached out to hug him.

“Grandpa, I’m better.” Patrick said.

A phrase that made THE OLD HAYDEN’s shoulders start to shake.

His face was buried in Patrick’s shoulder, and his whimpers could be heard clearly.

Aimee looked heartbroken, and her eyes got a little wet and red.

She raised her hand and rubbed her eyes and silently retreated from inside the room.

At this moment, let’s give time and space to both their grandparents and grandchildren.

Patrick looked at Aimee’s leaving figure, and his heart was also hard.

His girl, and his heart aches.

Patrick patted the old Hayden on the back and said, “Grandpa, you should be happy that I’m on my feet.”

the old Hayden raised a hand to wipe away the tears, trembling voice said: “happy, grandpa is just too happy, Pat, grandpa finally saw you back on your feet, grandpa really happy.”

Patrick soothed the old Hayden’s emotions and waited until he finally calmed down before saying, “But, Grandpa, I’m not ready to tell the public about this, you have to keep it a secret for me.”

“That’s a good thing, aren’t you going to let everyone know?” the old Hayden had some urgency.

He can’t wait to announce widely now that his grandson has gotten better.

Those who say things behind his back and curse his grandson badly can save their breath.

Patrick said, “The person who did this to me has not been found and it is not appropriate to make it public now.”

“But,” the old Hayden had some niggles, “are you going to stay in bed after we go back to Hayden’s Mansion?”

The old Hayden was reluctant.

If Patrick still wants to continue to lie in bed, it will make him have the feeling of unreality, will make him feel that the Patrick standing in front of him at this moment, is a fake.

Patrick said, “I have to talk to Aimee about this.”

He actually has a little intention of not going back for a while.

It’s pretty comfortable and it’s nice to stay here all the time.

The most important thing is that no one can find this place for the time being, and he can cultivate a good relationship with Aimee here.

The old Hayden silent for a long time, but finally decided, this matter, let Patrick himself to deal with.

He said, "Okay, then you and Aimee decide."

"Grandpa, if Aimee and I don't go back, we'll still need your cooperation." Patrick said.

old Hayden can not always be on this side, they have been away from Hayden's Mansion for many days, many people, will notice that something is not right.

Patrick needs to get the old Hayden to get rid of these people.

The old Hayden, though he knew what Patrick was thinking, couldn't help but be a little upset.

He said, "I can see that you just don't like me as an old man and want to spend time with Aimee, okay, I'll go back alone, I won't be a light bulb for you two."

Patrick looked at the old Hayden helplessly, unable to do anything about his childish talk.

He smiled and said, "Grandpa, you also hope that Aimee and I are getting along."

The old Hayden did expect this, but still, he felt he was disliked.

He said, "OK, OK, OK, I'm not going to give you two as a light bulb, OK, you better be good and Aimee cultivate feelings, if you dare to bully her, see how I clean you up."

## **chapter 118**

Jaylah spent a small amount of time feeling smug and complacent because of the collaboration with Indesit Jewelry.

Those fans on Twitter touted her and almost made her drift to fill in.

Jaylah is going to think that she is that perfect an actress.

She was in a good mood and had taken time off from the show anyway, so she went straight to the most frequented shopping mall and prepared for a bloodbath.

Although she now wears clothes, each of which is pricey, she still believes that she needs to reacquire some higher-end lines.

Otherwise, people will think that she, Jaylah, is a low-life and wears all those things in a cheap way.

While shopping, Jaylah didn't look at her phone, so, unbeknownst to her, Twitter is now in an uproar.

A rich ID suddenly sent out several tweets detailing the photos posted on Jaylah's Twitter account, and the jewelry she was wearing was not from Indesit Jewelry.

Originally, this ID did not have much influence, and there were not many people who saw this tweet.

Just suddenly a top stream of small flowers liked this tweet, although only a few seconds to unlike, but still instantly let this tweet heat up.

Soon, Jaylah and Indesit Jewelry, Jaylah fakes, and other phrases, scurried into the hot search.

This ID called rich is claiming to be a jewelry appraiser, and, her knowledge of Indesit Jewelry, in addition to Indesit Jewelry this treasure, it is impossible to have a second person.

In her tweet, she listed everything from the design, the original stone, the cut, etc. What Jaylah was wearing was not really Indesit Jewelry at all.

Rich people: I really don't understand what else female celebrities can't do in order to become popular nowadays, wearing a whole lot of fake goods, and actually dare to rub the heat on Indesit Jewelry, this kind of behavior, is simply outrageous. This is a very good way to get the most out of the brand.  
@JaylahV.

For a while, Twitter was divided into several factions with different opinions.

A faction is naturally Jaylah's own fans, only because Jaylah represented Indesit Jewelry all kinds of arrogant and domineering, half a day's time, has torn through all the top flow, all kinds of words to the body of people greeted once, saying how hard words are.

If it is not a few big fans in time down to control the comment, only to have already torn up with a few fans.

They did not believe at all that Jaylah would wear a fake, and they firmly believed that Jaylah, being a grand lady herself, could not have done something so low.

There are some people who are really funny, the official certified spokesperson, you a fake is a fake? I really don't understand how some people have so much malice towards pretty sister, what did our sister do wrong, can't be kinder?

[And rich people, just this empty talk to slander the quality of people]

The company's main business is to provide a wide range of products and services to the market.

[Anyway, I believe our sister, our sister is the little angel with a beautiful heart, and I don't know which family's sour chicken, other places can't compare to our sister, actually use this kind of underhanded means, is really disgusting enough].

The rich man's Twitter feed fell completely, and Jaylah's fans swarmed over and slaughtered the Twitter comments section.

The comment section is a mess inside, with all kinds of vicious words.

And shockingly, the most cursing was actually directed at this Twitter ID, almost all cursing her daughter to a bad death.

Averi sent screenshots of the comments to Aimee, who was in tears.

"I've seen how bad the human mouth can stink." Averi said.

Aimee was also following the story and naturally took the comments in stride.

She directly and succinctly a way to transfer a huge amount of money over, in the name of comforting Averi's wounded little heart.

Averi is now even more crying and laughing.

Aimee is treating her like Matilda, the money-grubber? How dare she use money to coax people.

Averi said, "Aimee , you're rich as a scumbag who doesn't take responsibility after sleeping with you."

Aimee's mouth twitched, this woman, what's wrong, money is not accepted.

She really doesn't understand how she values these two extremes.

A passion like fire, a high cold like ice.

One is addicted to the money pit, the other has no desire.

If these two were not both girls, and, she knew very well that they both liked boys, she would have thought that they were a perfect match for each other by nature.

Aimee said, "Take the money, you don't want it, I have to give it to my goddaughter."

Speaking of her daughter, Averi immediately sent over several small videos, plus countless photos: "Aimee , look, my daughter is cute again."

Aimee clicked on the video and saw a large white ball of flesh rushing over quickly, the momentum, very much a sense of rushing out of the screen into her arms.

And those photos, Averi also do not know what is wrong, obviously so cold a girl, but actually addicted to a dog dressed up in a flowery way.

She reckoned that it was close to taking her own eyeshadow palette and painting a colorful makeup for the puppy.

Aimee said, "What did the puppy do wrong that you have to torment her like that."

Averi said, "It comes from her old mother doting on her."

Aimee shook her head helplessly and once again felt that Averi was just too vicious.

Since she got this Samoyed named Succulents, Averi has been devoted to her and really treats Succulents like her own daughter.

After Aimee watched all the videos and photos, she finally couldn't help but say, "Did you fatten up the Succulents too much?"

Although the Samoyed has a lot of hair to cover all her flesh.

However, those few running videos, Aimee can clearly see, her body those trembling flesh incessantly.

Averi returned: "It seems that yes, I have recently tried to make her lose weight, but, she can eat too much."

She also sent a bitter emoji over, so you can imagine how much of a headache Averi is having with this whole getting Succulents to lose weight thing.

## **chapter 119**

Aimee said, "Let her eat less, Samoyed eat without counting, give as much as you can eat, you do not want to slip her in the end."

Averi sent another crying emoji over and said, "But the way she eats is really cute, you don't know how much I love it, I'm just drowning in it."

Aimee shook her head helplessly and saw through it, Averi is hopeless.

She just hopes that when Averi raises real daughters in the future, she won't do so.

Otherwise, bad figure is a reason, if you get into obesity disease out, it is not worth the loss.

Instead of continuing to talk about Succulents, the two went on to follow the Twitter feed.

Jaylah's fans have been so angry this time that they want to tear the rich blogger to pieces.

Some people have already started to flesh out the owner of the tweet, to give her a good social beating, so that she understands, what is called a disaster from the mouth.

However, these are just a bunch of ordinary people, and how can they really humanly come out of Averi.

She has long since taken care of this Twitter account, and with so many bigwigs escorting her around, a wave of backlash against those who flesh her out in minutes.

Averi has quickly gotten hold of a whole list of people, all of whom have viciously attacked her.

Although this tweet is just a small number for her, but, rising to her daughter, it can never be lightly forgiven.

Averi is ready for these children to receive a little gift of love when this matter is taken care of.

In addition to Jaylah's fans on Twitter, there were constant comments and tweets attacking Averi.

Fans of the families they had attacked before finally caught a break and started making fun of Jaylah.

The company's main business is to provide a wide range of products and services to its customers.

The company's main goal is to provide the best possible service to its customers.

I want to know if Indesit Jewelry knows that they are being porcelain, Indesit Jewelry's vision we have been very clear, treating the requirements of the spokesman can be very demanding, naturally not some people lowder can be worthy of.

The fans of each family are still speaking euphemistically, at this moment, even if they were once enemies, but, at this moment, they are all comrades in arms.

Everyone seems to be in agreement, absolutely not to say a word of profanity, but only between the lines to mock Jaylah do not know how to count, do such a brain-dead thing.

And there is another faction, is happy to eat melon passers-by.

Everyone insists on an attitude, no matter how things are, anyway, what they care about is just a truth, in the end, is this really Indesit Jewelry.

Only, everyone is also very confused, this is clearly the official account issued by the message, and how can it be false?

Moreover, those pictures and videos on Twitter, the launch at that time, how grand it was, everyone was clearly visible.

For a while, the crowd fell into a deep confusion.

Finally, in the evening, this question, at last, was answered.

Indesit Jewelry SV: Regarding @Indesit Jewelry V posing as the official account of Indesit Jewelry to solicit fraud, we issue the following statement and pursue its legal responsibility. [Photo].

Indesit Jewelry SV: Indesit Jewelry is indeed looking for a new spokesperson, however, we have never entered into a partnership with Jaylah Read, nor have we ever included Jaylah Read in the selection of the brand's spokesperson, and we will pursue legal action against Jaylah Read for portraying Indesit Jewelry and wearing fake products. We will pursue its legal responsibility. [Photo].

Two tweets in a row made the Twitter crowd all dumbfounded.

Whether it is Jaylah's fans, or the crowd eating melons, and even countless popular stars, were shocked speechless.

[No, no, no, no, which one is the official number?

[Crap! I've been following @Indesit Jewelry for two years but it's actually a high-fashion number, I just found out today which one is the real official account!

[Laughing, laughing, crying, crying, @Indesit Jewelry SV, as an official account you see you can afford your official account status? The last time I tweeted was three years ago, is this tweet a turtle?

[I'm laughing, I let a high-fashion number impersonate me for more than two years, @Indesit Jewelry SV, what you did is a human thing?

Averi is speechless again, it is true that she is taking care of this tweet, but Indesit Jewelry has never relied on Twitter to generate buzz to increase brand effectiveness.

In fact, they don't bother with this stuff either.

However, the official account of this fake Indesit Jewelry was still quite shocking to her.

I don't know where Charlie got this number from, but it has been around for so long.

The point is, apart from this official tweet announcing the collaboration with Jaylah, everything else, is quite true.

This would still be a surprise.

Averi didn't think much of it and just continued to pay attention to what was on top of the tweet.

Not to mention, under the official account, it's much more interesting than her own vest number.

Now being scolded has no eyes to see, the official account below all a trolling voice.

All of them are saying that being an official account but not in business, not a bit of official account self-awareness, collectively let the company leaders do not pay salaries.

Averi thought about it and sent out another tweet.

Indesit Jewelry SV: @ Rich, good eyesight, cute daughter, consider looking at coming to work at Indesit Jewelry.

Instantly, the internet got even more up in arms.

[Three years not in business, business eating three years, @Indesit Jewelry SV, this wave operation I give full marks.

I'm the only one who's jealous of Miss Indesit Jewelry. God, when will you give me a pair of wise eyes.

The baby's daughter is very cute. Could it be that they know each other in private?

As soon as this comment came out, before the wind had a chance to turn, we saw Indesit Jewelry reply, "She tweeted what she saw, wasn't that fat white Samoan?"

Instantly, the crowd has re-flooded the rich man's Twitter, retrieved the tweets with the word daughter, and not surprisingly, found that but all the tweets that mention the daughter, with pictures are all a Samoyed.

The text of each article is almost always: daughter today and lovely, daughter today ate a lot of meat, daughter is the absolute little witty ghost, oh you this heart daughter, pit mother of a good hand .....

## **chapter 120**

Humans of cats and dogs such furry animals would not have any resistance, let alone, or dogs in the little angel Samoyed, casually a smile can make the hearts of the people are melt.

[Oh my God, oh my God, oh my God, what a wonderful little cutie, daughter, what kind of sack do you like, mommy is here to steal you.

[Hahahaha where is this Samoyed ah, this is clearly a Samoyed pig ah, daughter you are so fat again will not have a boyfriend].

[Oooooooooooooo daughter so cute, of course it is to buy mine to raise it].

[No, no, those sprayers who cursed their daughters still don't come out and apologize? What did our daughter do wrong? Isn't our daughter just smiling cute and eating a lot of meat?

Netizens spontaneously brushed up the phrase #apology to daughter, which soon made it to the top of the search.

Unknown to all passers-by curious to see this phrase open, in seeing the so-called daughter is a Samoyed, have said that this is what earthly confusion behavior again.

However, after following the words and finding the daughter's tweets, none of them were not made cute by Succulents.

Of course, some of them are fattened up by Succulents.

In a short period of time, the rich man's this ID directly rose more than 200,000 fans, the original under the Twitter scolding her people, in minutes turned into an army of dog thieves.

There were even people who showed various sacks and wanted Succulents to pick one.

Aimee was really distressed when she watched the trend on Twitter that had gone completely off the rails.

She sent a message over to Averi, "What's the mess."

The main thing has not been solved, all carried away by her.

Averi immediately sent out another tweet using the official Indesit Jewelry account.

Indesit Jewelry SV: We declare that we will never cooperate with unscrupulous artists who make false claims or have evil intentions.

With just one sentence, Jaylah was nailed to a pillar of shame.

Although Jaylah's behavior does not rise to the level of a bad artist.

However, because of this tweet from Indesit Jewelry, it can be said that there was a boycott of Jaylah without any warning.

There is no need for an official boycott, only that, from now on, any brand that wants to befriend Indesit Jewelry will not be able to work with Jaylah.

This also means that Jaylah has no more commercial value.

And an artist who has no more commercial value, naturally there will be no resources for film and television dramas.

After doing so, Averi immediately sent a message to Aimee: "Done."

Aimee was satisfied, but continued with another task: "The Reed Group can also be a headache for them."

Averi immediately replied, "I'm going to make arrangements."

That was the end of Indesit Jewelry, but the torture for Jaylah was just beginning.

Her fans initially struggled with the idea that Jaylah was innocent, that she had no idea it wasn't Indesit Jewelry, and that she had been duped.

They aspire to make Jaylah a victim of the white flower image, in this case, all by the fake Indesit Jewelry.

However, Jaylah's fans are only a minority and their fighting power varies, so they are soon abused by other artists' fans and dare not say anything.

How could the fans of those artists they had arrogantly attacked let them off the hook.

Knots gave them a good social beating and taught them to behave again.

There are some who can't afford it, have announced to take off the powder.

After all, no one wants to be called that if they don't like it to the point of being really brain dead.

Of course, there are still some fans who insist on cleansing Jaylah, but the more they do it, the more severe the beatings will be.

Jaylah was completely unaware of all this.

She has been immersed in the ecstasy of shopping.

The whole thing was done from head to toe.

On this way of shopping, she did not know, but thought it was suddenly won the lottery of the rich, have not seen what the world, will only pick the most expensive to buy.

When Jaylah had finally finished shopping and returned to the car, he took his phone out of his bag.

Earlier, in order to avoid people disturbing her shopping, she directly turned the phone to silent.

This time a look at the phone screen, almost did not be shocked.

Hundreds of missed calls, and countless unread messages.

Especially, inside these calls, in addition to Tia, or the company owner, and family members.

Whether it was her parents, or her sister, or her grandfather, they all called her by the dozens.

Not to mention, there are countless unfamiliar phone calls.

Jaylah's heart thumped, and he had a bad feeling.

She quickly chose to call Tia, a situation that could only mean something was wrong with her career.

Tia quickly picked up the phone and opened her mouth with, "My princess, you're finally picking up the phone."

"What's going on?" Jaylah asked with a grim look on his face.

Tia told Jaylah what had happened and was so angry that Jaylah screamed right out.

She was as mad as hell and didn't wait for Jaylah to continue before slamming her phone into the windshield.

The Indesit Jewelry she worked with was a fake.

How is this possible!

Jaylah simply did not want to accept this fact and could not understand at all how such a thing could happen.

After she calmed down, she grabbed her phone and called Charlie.

She had to find out what was going on here.

However, no matter how much she called Charlie, the other side was always unanswered.

I kept calling until the phone ran out of battery and automatically turned off, but I was not able to get through to Charlie's phone.

Jaylah, with a grimace, started the car and sprinted out of the parking lot with a kick of the gas.

And she didn't even slow down at all, she just pushed the gas pedal to the bottom.

The moment she just ran out of the parking lot, her car crashed into a truck that was passing by.

Jaylah's front end was dented, and she hit the steering wheel directly.

Instantly, Jaylah was knocked unconscious by the huge impact, and his forehead was bleeding.

Soon, a new hot search scurried onto Twitter.

It's still about Jaylah.

This time the buzz is: Jaylah car accident, suspected suicide.

When I clicked in, I saw Jaylah being carried to the ambulance with blood on her face and her car being crushed.

Instantly, the internet exploded again.

[Oh my God, no way, this is suicide? What kind of psychology is that?

Why do I feel that it is self-directed? Is this a way to gain sympathy because things are not working out?
