111 Those who tried to defraud Xiao Qing Qing would be slapped in the face

Shen ruxue's eyes flashed with panic.

She secretly scolded those people who spoke too much, but on the surface, she still put on a fake smile.

Lan Lan, you've never learned any musical instruments since you were young, and it's very difficult to play the guqin. You don't have to force yourself ...

Shi qinglan's Red lips curled up slightly as she glanced at her zither.

Of course, she had never learned musical instruments in the Shen family, but that did not mean that she had never learned it in the pure world Pavilion. There were still many things that Shen ruxue did not know.

"You really know how to play the zither?" Xu Cheng looked at her suspiciously. but the strings are broken. How are you going to play? "

Shen ruxue subconsciously hugged the zither in her arms tightly.

Even if the strings of her violin were broken, she would not lend it to anyone, especially Shi qinglan, who was stealing her limelight!

that's right, Lan Lan. I know you're worried about my hand, but I'm fine. You don't have to lie ...

Shen ruxue bit her lower lip and said, " besides, the ceremony is very important. If anything happens, I'll feel sorry for my teachers and classmates.

Hearing this, the other students in the class immediately chose to stand aside.

ruxue is right. If the Grand ritual music is messed up, our oath-taking session and coming-of-age ceremony will be over!

besides, my dad is watching. I don't want to make such a joke out of this. Let Shen ruxue continue playing ...

Shi qinglan, we understand that you want to solve the problem, but you have to consider the occasion when you want to be in the limelight. If you don't know how to play, don't try to show off, or we'll all be in trouble with you!

Shen ruxue's lips curved into a faint smile.

The public opinion was leaning towards her side, which made her secretly proud, but she was afraid of giving herself away, so she quickly restrained her smile.

"You were the ones who asked her to play, and now you're the ones who said no. In my opinion, Shen ruxue should be the one who messes up if she insists on playing the six-string zither even though she's injured,"

LAN Chu got up and strode over to Shi qinglan's side with his short legs.

She hugged her waist as if she was hugging her thigh and stuck to her. I've reminded you that Xiao Qing Qing will be slapped in the face if you try to scam her.

Shi qinglan rubbed LAN Chu's head.

She smiled. you can choose to believe me. I will order someone to send you a complete zither. Of course, you can also choose to believe in Shen ruxue and let her continue playing her broken zither.

She was not a good person who liked to help others anyway. She simply could not bear to hear these people scolding Jiang Zhi.

"You ... Lan Lan, where did you get this zither?" Shen ruxue looked up at her in surprise.

She suddenly felt that she did not know Shi qinglan at all.

Ever since the fire, everything had gone out of her control, and the trajectory of everything was changing ...

"You don't need to care." Shi qinglan's Red lips parted.

Xu Cheng sized up the two girls. He had misunderstood Shi qinglan twice, and he felt embarrassed. This was a good opportunity for him to regain his dignity.

I'm the president of the student council. I can make the decision on this matter.

Xu Cheng suddenly said, "this time, the person playing the Grand music will be Shi qinglan. Don't let everyone down.

Shen ruxue's face turned pale.

She got up with the piano in her arms. Sheng, I ...

Seeing that Xu Cheng's attitude was firm and there was no room for negotiation, her body swayed slightly. She had never expected this result!

Shen ruxue bit her lip tightly.

She tightened her grip on her zither and dug her fingers into the paint. She looked at Shi qinglan with a hint of resentment in her eyes.

What a solemn ceremony it was to play Grand music ...

The only honor should have been hers!

112 Chapter 112 my Qin Qianqian is a Qing Qian guqin!

Lan Lan, the quality of the zither is very high for. Grand ritual music. Moreover, the event will be held outdoors. An ordinary zither may not be able to play the sound that the teacher wants ...

"Who said I wanted to use an ordinary zither?" Shi qinglan looked sideways.

Her red lips curved slightly, and a bright and charming smile bloomed on her porcelain-like face. my zither ... It's the Qing Luo guqin!"

Shen ruxue's eyes narrowed.

Her expression was a little stiff, and it took her a long time to come back to her senses. Lan Lan, don't joke ... The Qing Yun guqin is a famous guqin, and even ah Sheng said he couldn't borrow it. "

The students once again looked at each other in shock.

They didn't know anything about guqin, and they didn't even know what the qinghuang guqin was. However, Shen ruxue had just asked Xu Cheng for a guqin, and with what she had just said, everyone finally understood.

This was a famous zither that could only be found by chance!

don't you need to draft a draft to brag ...

"Acting cool is a moment of pleasure, but it's a slap to the face in the crematorium! Isn't Shi qinglan just an orphan? where did she get the famous zither?"

"Isn't that so! This violin is in young master Xu's hands. Even young master Xu can't get it, yet she still dares to play it here?"

Xu Xu furrowed her brows as the discussion continued.

After all, if there were any mistakes in the Grand elegance music, he would have to take responsibility. it doesn't need to be a famous zither. My grandfather wouldn't give you the zither. Actually, it's fine as long as it's a zither that meets the regulations and can be used.

"If I say it's the Qing Feng guqin, then it must be."

The smile on Shi qinglan's lips became more and more beautiful. She raised her pretty face slightly to look at everyone, and the glow around her made it hard for people to look away.

The girl took out her phone. is it convenient now? get someone to help me send the Qing Huang zither that I've deposited with you to Lin City High School.

When elder Xu received the call at home, he was so shocked that he almost fell out of his chair. It took him a long time to calm down.

"Zuo City High School?" He steadied himself and adjusted his presbyopic glasses. girl, are you in the same school as my grandson? "

Shi qinglan's eyes flickered, and she suddenly turned to look at Xu Cheng. She thought for a moment and said, " it seems so.

Elder Xu didn't expect to have such fate.

His stern face suddenly revealed a sneaky smile, and he patted the armrest of his chair excitedly. wait here, I'll personally bring the zither to you!

He might even be able to kidnap a granddaughter-in-law!

Elder Xu hung up the phone and went to get his zither.

Shi qinglan saw that Xu Cheng's gaze was gradually becoming strange. She touched her chin thoughtfully and said, " tsk.

It didn't seem like it. The IQ of a grandfather and grandson had fallen like a cliff.

"What ... What's the matter?"

Xu Cheng felt a chill down his spine from Shi qinglan's stare. you can't lie anymore? "

Shi qinglan's soft lips curled up slightly. the violin will be here soon.

But Xu Cheng still felt that things were not that simple.

The more brilliant the girl's smile was, the more he felt as if there was a cold wind blowing past him, and his whole body felt cold ...

He sized Shi qinglan up and said, " that's good. You have to remember that I'm the one who gave you this opportunity. Don't you find some random person to pretend to be my grandfather and fool me with a broken zither.

Shi qinglan nodded nonchalantly.

Time passed by ...

The students in the class were getting impatient. Shen ruxue wished that Shi qinglan could not take out her violin, and she did not want her to play the Grand music in her place!

it's been so long and Jean still hasn't come. She must be lying ...

"Maybe she was just bluffing. She's an orphan, who can she order to send her a violin? Could he really be young master Xu's grandfather?"

Some of the jealous girls looked at him with contempt.

However, at this moment, an old man suddenly barged into the class with a guqin in his arms. LAN girl, I'm here to give you a guqin!

Xu Cheng was stunned, and then his eyes widened. Grandpa?!

113 Little LAN is still my little teacher

The grandfather and grandson looked at each other with strange expressions.

Shen ruxue's heart trembled. She felt that things were getting out of her control. If she didn't mishear ...

Xu Cheng's grandfather called her LAN girl!

How could Shi qinglan know Grandpa Xu?

"Grandpa, why are you here?" Xu Cheng was even more shocked than Shen ruxue. He asked after he had calmed down.

Elder Xu glanced at him suspiciously.

He carefully handed the violin to Shi qinglan and answered matter-of-factly, " I'm here to give the violin to her.

Xu Cheng's entire person seemed to have been struck by lightning.

"You ... You're here to give Shi Qinglan the violin?"

He looked at the exquisite and complicated zither box and immediately recognized that it was the precious zither that his grandfather kept at home. He wanted to touch it but didn't dare to touch it, and he didn't even let others see it!

Xu Cheng looked at elder Xu in disbelief. Grandpa, how could you just lend your most precious zither to someone? "

This zither was Grandpa Xu's life!

Even though Xu Cheng was his grandson, he was forbidden to appear within three meters of the zither, let alone watch it up close.

And now, her grandfather had personally given the zither to someone else!

"You stinky brat, what do you mean by casually borrowing people?"

Elder Xu glared at Xu Cheng coldly, anger appearing on his weathered face. This Qin Fen originally belonged to LAN. It's just that it's been in our Xu family for a while!

Hearing this, the entire class was shocked.

Only Shi Qinglan was calm. She opened the violin case that elder Xu had handed over, and inside lay ... It was the legendary zither that was said to be missing but was highly sought after by everyone!

The famous violin that Xu Cheng had just said he couldn't borrow!

"Really ... It's really the Qing Feng zither." Shen Ruxue's face turned pale, and her eyes were filled with shock.

Shi Qinglan's pretty face broke into a smile.

"Da-

Her Jade-like fingers gently plucked, and a deep and sorrowful zither sound slowly flowed out from her fingertips, like the Echo of a low moan in an empty Valley.

"Thank you, elder Xu." Her red lips curled up slightly.

After the sound test, she sealed the piano again and looked up at the old man. I'll visit you personally to thank you when I have time.

"I don't dare, I don't dare." Elder Xu waved his hands.

He glared at Xu Cheng angrily and then smiled at Shi Qinglan. LAN, are you planning to play a song today? I don't know if I'm lucky enough ..."

Xu Cheng frowned.

He blocked his grandfather's way unhappily and lowered his voice to express his dissatisfaction. grandfather, even if this zither is hers, you're still an elder. Why do you have to bow down to her? "

"Nonsense!" Elder Xu was so angry that he blew his beard and glared.

He raised his hand and knocked on Xu Cheng's head. Speaking of which, that LAN girl is my little teacher! She was the one who taught me how to play the zither. If you want to count it this way, your Grandpa is the junior!"

He couldn't help but raise his voice, only to find that his classmates were all looking at him in shock, with complicated expressions ...

He rolled his eyes like a thief.

The old man lowered his voice and said, " I'll tell you a secret. It's very difficult to listen to a song played by a Grandmaster guqin player like that girl LAN. It's a great deal to listen to her.

The other students did not hear this ...

But Xu Cheng's view of the world had been completely refreshed by his grandfather.

He clenched his fists so tightly that his knuckles turned white. He suddenly felt that he had been wrong from the beginning ...

"LAN girl, please don't mind."

Elder Xu looked at Shi Qinglan with a kind smile. His attitude was completely different from before. my grandson is like this. Stupid.

The stupid grandson was speechless.

Xu Cheng's expression was a little ugly.

His proud and aloof personality had been thrown to the ground, and his thin face had been trampled to pieces. All of this was because he had once looked down on Shi Qinglan ...

"I'm fine." Shi qinglan's smile was as beautiful as a flower. I've only decided to play the zither at the last minute. Elder Xu, if you want to listen, you can stay.

Elder Xu instantly felt that spring had arrived, and the flowers were in full bloom.

His entire person was in a good mood.

114 The two tall figures were particularly dazzling

Shen ruxue's face was frighteningly pale.

The expensive zither in her arms lost its color in front of qingyan. She should have received the envious gazes of the entire school and played the most important part of the day, the Grand elegant music ...

But now, all of that was just a dream!

The girl next to her tugged at the corner of her shirt. ruxue, you'd better treat your injury quickly. Besides, you're not in good health and the parents will be here soon. We should go and change.

Hearing this, Shen ruxue gradually came back to her senses.

The extremely ugly expression on her face also eased a lot. She put on a gentle smile again and said, " okay.

Yes, she had not lost this game yet ...

So what if Shi qinglan could perform a Grand ritual? when her parents came, she would still be a laughing orphan. Even if she had a moment of glory, she would still fall back into the dust!

wow, your dresses are so beautiful ...

"Ruxue, this is a new item of the season, right? I remember many celebrities wearing this brand. It's super expensive!"

"This pair of crystal high heels is also a limited edition!"

After the girls changed their clothes, they began to compare themselves with each other again. Shen ruxue, who used the money from selling the necklace to live the life of a rich young lady, was naturally the object of everyone's envy.

Shen ruxue lowered her head and smiled. everyone, stop complimenting me. You're all very beautiful ...

As she spoke, she searched for Shi qinglan.

To her, these people's compliments could at most satisfy her vanity, but comparing herself to Shi qinglan gave her the true pleasure of being slapped in the face!

The Shen family had never given her a single cent ...

Shi qinglan probably did not have any dresses to wear.

Shen ruxue couldn't find her. have you seen Lan Lan? " she asked. I was worried that she wouldn't have a dress to wear, so I prepared one for her, but I didn't see her ..."

She had indeed prepared a dress for Shi qinglan.

Although it looked luxurious, it was actually just a fake. However, Shi qinglan would not be able to tell that it was a fake. If anyone were to see through it, she would be the one embarrassing herself.

"Ruxue, she stole your performance qualifications. Why are you still so good to her?" don't bother about her. I think she went to the rehearsal for the Grand ceremony, " someone said.

He heard that Shi qinglan was attending a rehearsal for a musical ...

Shen ruxue's unwillingness and jealousy burned in her heart again, but she could only pretend to be gentle. She nodded with a faint smile. alright then.

Shi qinglan had indeed gone to attend the rehearsal.

She hadn't had time to change her clothes, but she was afraid that her clothes would be cut into pieces, so she had already locked them tightly. Not to mention a person, even a God wouldn't be able to pry them open!

"Senior Sister, do you need to try playing?"

The Student Union was in charge of the coming-of-age ceremony and the pledge ceremony. The cultural and entertainment Department had sent a junior from year two to be the stage supervisor, and he had come specifically to look for Shi qinglan.

The corners of the girl's charming eyes lifted slightly, and her every frown and smile was charming and moving. it's just a process, okay? "

Seeing her smile, the Junior's heart instantly rippled.

His cheeks flushed red. but ... I can."

As soon as he finished speaking, he immediately turned around and ran away shyly.

Shi Qinglan tested the volume casually and went through the process with the emcee. She did not perform officially.

“Xin ... Thank you, Senior Sister. I heard that the parents of the third-year seniors are here. You should go and pick them up.”

The junior was still so nervous that he stuttered and scratched his head shyly.

Shi Qinglan's Red lips curled up slightly. Thank you.

As soon as she finished speaking, she went to the school gate to welcome her parents. From a distance, she saw two tall figures in suits and leather shoes in the bustling crowd.

115 I, Bo Xincheng, will not let you off for bullying her

Bo Chicheng's Red lips curled up slightly as he looked at the girl.

His facial features were deep, especially his dark eyes, which were dark and unpredictable. However, when he looked at the girl, there was a little smile in his eyes, and even the quiet aura around him had been restrained a lot ...

“Lan Lan,” His voice was filled with deep affection.

Shi Qinglan's Red lips curled up slightly. She immediately walked toward the two men and said, “What a coincidence. Did you two meet on the road?”

Shi Qingyun was also dressed in a suit.

However, his face was cold and hard, and his eyes were cold and aloof. His whole person unconsciously exuded a cold air, and it was not until the moment he saw the girl that spring bloomed ...

“We met at the school gate.” Shi Qingshang's voice was gentle.

He rarely spoke to others with a humble attitude, let alone with such a gentle look. At this moment, he rubbed the girl's head affectionately. “Aren't you going to take me around the campus?”

Shi Qinglan put her hands behind her back.

She raised her pretty face slightly and looked at the two men like other girls, both coy and playful. “I'm taking you two on a tour of the campus. The 100% head-turning rate is scary.”

Shi qingxuan's lips curled up slightly. as long as LAN 'er doesn't mind, I'm fine with it.

He was more than happy to let others see it. It would be best if the whole school could see that his sister, Shi qinglan, was never an orphan!

"I'm fine too." Bo Li Cheng was not to be outdone.

Other than only having qingqiao with him during the ceremony, he would never allow the two of them to be alone.

Don't ask why. If you ask, it means you're jealous, very jealous!

Shi qinglan smiled sweetly and said, " alright, since both of you are so interested in the school, I'll accompany you.

As soon as she finished speaking, she pounced on the two men like a butterfly and held their arms on each side.

Since she had decided to invite Shi qingqiao, she was not afraid of being seen by her classmates. It did not matter even if she had to reveal her identity.

this is the garden, and this is our teaching building ...

Shi qinglan held the two men's hands as they strolled around Ji City High School, just like how other children would introduce their school to their parents.

Bo ye Cheng looked at her sideways, his eyes deep ...

When he first met Shi qinglan, she was still in the orphanage. She was sensitive, suspicious, and solitary, using her thorns to protect her weakness and helplessness.

However, she had never been like today, hiding her sharp spirit and really acting like a little girl, acting coquettishly with the people around her, blooming with a playful and pure appearance ...

"Shi Qingyun." Bo chicheng suddenly opened his mouth.

He turned to look at the man who had given the girl a new home. after Lan Lan acknowledges her ancestors and clan, if anyone from the Shi Financial Group dares to bully her, I, Bo Li Cheng, will not let you off.

Hearing this, Shi qingxuan's eyebrows rose slightly.

His cold eyes slanted slightly, and he still looked proud and aloof. I don't need you to remind me of this kind of thing.

Bo chicheng's lips curled up slightly, and he did not refute, which was rare.

He could indeed give Shi qinglan a home, but he could not give her a family that was related to her by blood. He could not replace the love of his parents and brother.

"It's good that you know what you're doing," Bo Li Cheng snorted coldly.

Shi qingxuan did not know what he was jealous about, so he ignored him and continued to admire Shi qinglan's school, trying to make up for his absence from her all these years ...

Three stunning figures strolled around the campus.

It was almost the most beautiful scene in the entire Pi City High School. 100% of the people who turned their heads to look at them came true. Because of the two men's good looks, this matter quickly spread throughout the school ...

116 I heard that someone is scolding my sister

Shen ruxue's face turned pale.

She held the corner of her dress tightly, her eyes a little surprised. you mean, Lan Lan is shopping with two men at the same time? "

The girls who were talking about this instantly became infatuated.

They held their faces and recalled the faces they had seen with their own eyes, and their eyes were full of hearts ...

"You didn't see how handsome those two men were!"

"He's practically comparable to a celebrity, and he's wearing a suit with an especially strong aura! I almost couldn't help but hit on him ..."

"Those two men's looks made me lemons."

ruxue, you're Shi qinglan's sister. You should know what their relationship is, right? "

Hearing this, Shen ruxue's eyes narrowed.

Her fingers that were holding onto the corner of her dress had turned pale. She could only think of Shao mingzhe, but she didn't know why he hadn't appeared since she was sent to the police station ...

"I don't know either."

Shen ruxue shook her head gently and looked innocent. did Lan Lan hire someone to pretend to be her brother? ” she asked.

Hearing this, the other girls ‘expressions changed.

The infatuated look he had just now was also completely retracted. There was some contempt, rejection, and even some disdain between his brows.

ruxue, what you said makes sense. I knew it. How could Shi qinglan know someone of such high status? she must have spent money to disguise herself.

I heard that some men who sell their bodies are very good-looking. They can do anything as long as they are paid.

then I won’t be lemons. It’s so disgusting ...

Shen ruxue bit her lip and lowered her eyes guiltily. don’t say that, everyone. It’s all my fault ... If I let her have my mother, she wouldn’t need to do this.”

She was actually from a single-parent family.

When they were young, their family was too poor, and their father had found a rich woman while he was out having fun. After that, he abandoned the mother and daughter ...

Ever since the Shen family had adopted Shi qinglan, they had never seen her like this.

Shen fengzhen could only choose one person at every parent-teacher meeting. Of course, she would choose her biological daughter without hesitation.

“Ruxue, how can you be blamed for this?”

aunt Shen is your mother, and Shi qinglan is just an orphan that your family adopted out of kindness!

“Don’t feel guilty, she was the one who willingly lowered herself.”

Shen ruxue’s eyes were still lowered in guilt as she accepted the comfort of her classmates. Her tears made people’s hearts ache.

“Aiyo, my precious daughter, what’s going on?”

At this moment, Shen fengzhen’s voice suddenly rang out. She had dressed up specially today and wore all the jewelry in the house. She really looked like a nouveau riche with no sense of aesthetics.

Shen ruxue raised her teary eyes. Mom, sister didn't have any parents to accompany her to her coming-of-age ceremony, so she hired two men to do that kind of thing. I'm worried that she will ...

"What?" Shen fengzhen suddenly raised her voice.

She had yet to settle the score with Shi qinglan, and now that she mentioned this little b*tch again, she was filled with anger.

"That little wench only knows how to embarrass me! They better not let me see those two men! Relying on his face, he didn't want to be a proper business student ... I have to teach them how to behave!"

Shen fengzhen had always been sharp-tongued, and when she was mean, she looked more like a Shrew. Her Peacock-like appearance was also particularly eye-catching.

Just as she was scolding Shi qinglan, a cold male voice suddenly rang out, "I heard that there's a Madam Shen scolding my sister here. She even wants to teach me how to be a good person."

Shi qingqiao walked toward them with steady steps.

His face was cold and hard, his pair of cold eyes were surging with coldness, and the threatening cold air around him was enough to show his anger ...

117 Shi qinglan is the daughter of the Shi family!

Shen ruxue subconsciously looked up.

Shi qingxuan's brows were sharp and his eyes were bright. His handsome face was cold, and the exquisite suit he was wearing complemented his cold and fair skin. He exuded a noble, cold, and arrogant aura that kept people away!

"I'm sure you're that Madam Shen?"

His long and narrow eyes narrowed slightly as he looked at Shen fengzhen coldly. His dark eyes were full of threat.

"I ... I ..."

Shen fengzhen had never come into contact with a real noble before, and she panicked when she saw a man with such a temperament.

Shen ruxue was also stunned by her appearance.

She was in a daze for a moment, and only calmed down after a long time.

Shen ruxue tidied up her crumpled dress and smiled gently. Sir, there must be some misunderstanding, right? ”

Shi Qingyun glanced at Shen ruxue indifferently.

His cold lips parted slightly. I'm not deaf, and I heard everything you said just now. There's no misunderstanding.

Shi qinglan went to change her clothes and prepare for the banquet.

Bo Zhicheng used the excuse that the dress was a gift from him and shamelessly insisted on following them. Hence, Shi qingxuan strolled around the campus by herself, but she did not expect to hear these remarks ...

“Sir, you've probably really misunderstood my mother.”

Shen ruxue smiled elegantly, trying her best to create a good image in front of him. My family adopted an orphan. My mother was angry with her just now.

“Besides, how did we get to know your sister?” Her eyes drooped slightly, and she pretentiously tucked her hair behind her ears.

Shi qingshang shifted his gaze away without a trace.

His brows were slightly furrowed, and the disgust between his brows was not hidden. It was obvious that he had no interest in the woman in front of him.

“Ha ...” Shi qingxuan laughed coldly.

He slowly walked toward Shen ruxue. Every step he took was slow but firm. since you say you don't know my sister, then ... The name Shi qinglan is not unfamiliar to you, is it?”

The ending sound was like ice falling on a plate, cold as ice.

Shen ruxue's eyes darted away guiltily. She looked up at the man in surprise, and then she heard him say indifferently, ”

“I'm the man you've been talking about who was hired to pretend to be her parent, and the man who doesn't want to be a proper business student because of his face!”

Shi Qingyun's aura turned cold. is there still a misunderstanding? ”

Shen ruxue's smile froze on her face.

There was a flash of surprise in her eyes, and she looked up at the man in front of her again. He was dressed in a suit and leather shoes, and his temperament was noble. He did not look like the kind of man who could be hired with money ...

Shen fengzhen's sharp and unkind voice suddenly rang out.

"Aiyo, you're still so reasonable in doing that kind of business! And now you still dare to challenge me publicly?"

She put her hands on her hips and rolled her eyes. do you believe that I'll report you now? by then, you won't be able to pretend to be a parent, and you won't get a single cent from your employer!

The disgust in Shi qingxuan's eyes increased.

He had done his research and found out that Shi qinglan had been adopted by this Madam Shen fengzhen after she had left ning city's welfare home.

How could such a trash who could not even speak good words be worthy of raising the daughter of the Shi financial magnate?

"You're reporting me?" Shi qingxuan said slowly.

He took out the DNA test from the inside pocket of his suit and showed it to her face without hesitation. I am Shi qinglan's brother, and she is the daughter of the Shi family! Why don't you try reporting it!"

Shen ruxue froze when she heard that.

The other students around him were also dumbfounded, not understanding what was going on.

isn't Shi qinglan an orphan who grew up in an orphanage? "

yes, ruxue's family adopted her. How did she suddenly have a biological brother? "

Shen fengzhen took the paternity test report from her face. As she unfurled the paper, she cursed, " what Shi family? I've never heard of anyone with the surname Shi in Ying city!

118 Is Shi qinglan really your biological sister?

Shi qingxuan's expression was cold and disdainful.

Of course, Shen fengzhen had never heard of the Shi family in Ying city. The Shi financial magnate was one of the top rich families in the imperial capital. How could an ordinary person from a small city like this come into contact with such an identity?

“Mom, let me see ...”

Shen ruxue took a closer look at the report and was surprised to see that the man who did the DNA test with Shi qinglan was called Shi Fu ...

I've never heard of a very powerful person called Shi Fu in Ying city.

is Shi qinglan really your biological sister? ”

After Shen fengzhen finished reading the DNA test, her expression became a little complicated, and her face, which was covered in Rouge and powder, was filled with guilt.

Shi qingxuan glanced at her coldly and said, ” Madam Shen, the DNA test report is in your hands.

Shen ruxue couldn't help but clench her fists.

All these years, she had been trying her best to enter the circle of rich and powerful, so she had a rough understanding of the famous families in ning city. Although the Shi family was not among them, he looked like he was quite rich ...

Moreover, this man who claimed to be Shi qinglan's brother was so handsome, and it made her heart burn with jealousy.

“How do I know that the report isn't forged?”

Shen fengzhen said in a difficult tone, ” the information she registered at the welfare Center stated that she has no immediate family members. Now, a family member suddenly appeared. Did I raise her for nothing all these years? ”

Shi Qingyun sized her up without batting an eyelid.

He took out a bank card and handed it to Shen fengzhen. there's 200000 Yuan here. Consider it your reward for taking care of LAN 'er all these years.

Shen fengzhen's eyes lit up when she heard that.

To be honest, she had wanted to throw Shi qinglan away for a long time.

She had only adopted Shi Qinglan for the necklace. Now that she had the money, she would be of no use to Shen Ruxue other than being able to donate her bone marrow to Shen Ruxue. She would just be a burden!

Now that someone wanted to take her away, it didn't matter if she was a real relative or not. What was important was that the other party was willing to pay ...

However, 200,000 Yuan was obviously not enough to satisfy her greedy desire.

"You don't look like a poor kid from the way you dress. Don't think that you can get rid of me with just 200,000." Shen Fengzhen sneered.

She looked away and didn't even bother to look at it.

Shi Qingxun's eyes turned colder. Ms. Shen, I advise you not to challenge my bottom line.

"What do you mean? You think I'm greedy?"

Shen Fengzhen said arrogantly, "although she's only an adopted daughter, I have the responsibility of a mother since I adopted her. I can't just let her go with you so easily!

Upon hearing this, Shi Qingyun released all of his aura.

He had long known how the Shen family had treated his sister all these years. They were not even willing to give him the 200,000 Yuan, but he did not expect Shen Fengzhen to be so unsightly and insatiable!

"Adopting her gives me the responsibility of a mother?"

Shi Qingzheng's voice was extremely cold. He was both agitated and angry. Madam Shen, don't think that I don't know how your family has abused my sister. I will slowly settle this score with you!

As for the two hundred thousand Yuan, since Madam Shen said that she was not greedy ... I'll accept your invitation."

With a cold voice, Shi Qingxun raised his hand with a dark expression and threw the bank card into the trash can by the roadside.

"You ..." Shen Fengzhen immediately became anxious.

She glared at Shi Qingyun with a reddened face. Don't forget that I'm Shi Qinglan's adoptive mother! How can you do this to me!"

Shen Ruxue immediately pulled her mother back. Mom!

She could sense Shi qingqiao's anger and the strange looks from the students around her. She felt utterly embarrassed.

She shook her head gently, signaling Shen fengzhen to stop talking.

Then, she put on a fake smile and said, "Sir, even if my mother was wrong just now, you shouldn't have said that. How could our family mistreat Lan Lan ...

119 Three days later, don't blame me for being too ruthless

Shi Qingyun lifted his eyelids indifferently.

He looked at Shen ruxue's expensive dress, then at Shen fengzhen, who was covered in jewelry.

He remembered that his sister had to rely on her medical skills to make money ...

"I don't want to hear any excuses."

Shi Qingyun's cold eyes narrowed slightly. I'll give you three days to sort out the procedures for the adoption of LAN 'er. From now on, she is no longer the adopted daughter of your Shen family!

Hearing this, Shen fengzhen's anger rose.

Although she could not wait to get rid of Shi qinglan, she was not willing to let her go without getting the money!

"Don't you go too far ..."

"Mom, you should stop talking."

However, just as Shen fengzhen was about to lose her temper, Shen ruxue stopped her in time. She really didn't want to be laughed at by others.

Especially when there were some students around watching ...

Since the ceremony had yet to begin, they were a little bored, so they just watched the show and gossiped about what had happened.

"Sir, our family has raised Lan Lan for ten years."

Shen ruxue's voice was gentle. even if she's not blood-related, she's as close as a sister. How could I abuse her? if she can really find her family, I'll be happy for her ...

Shi qingxuan looked at her with a cold expression.

His thin lips slowly curved up a little, but the smile was still cold. you mean ... As close as sisters?"

Shen ruxue thought that Shi Qingyun believed her.

She secretly rejoiced, and her happy and jubilant mood was revealed on her face, " yes, I have a good relationship with Lan Lan.

The light in Shi qingxuan's cold eyes gradually dimmed. He looked at Shen ruxue intently. since you're as close as a sister, you should know that LAN 'er has a necklace with her name engraved on it.

Shen ruxue felt a chill down her spine.

Her eyes flickered in a panic, and she suddenly felt embarrassed as if she had been seen through, as if the biggest secret in her heart had been opened and exposed to the public ...

"What necklace?" She was obviously nervous, and even her smile was a little stiff. I don't think I've seen him before.

Shi qingxun's eyes gradually became unfathomable.

He stared at Shen ruxue, and his eyes were filled with displeasure. have you really never seen that necklace before? "

He had been looking for the whereabouts of the tafey stone necklace all these years.

When Shi qinglan had been kidnapped, she had been wearing the tafey stone necklace with her name and birthday on it!

However, he had never seen his sister wear it after he recognized her ...

"I really haven't." Shen ruxue smiled gently. maybe it was lost in the welfare Institute back then? "

Shi qingxun's eyes were filled with suspicion.

He would never trust Shen ruxue so easily. He decided to go back and ask LAN 'er where the necklace went.

"Remember, I'll only give you three days."

Shi qingxuan's indifferent eyes dimmed. if the procedures are not completed in three days, don't blame me for being ruthless.

As soon as he finished speaking, he turned around and left.

The man's back was proud and aloof, but the noble temperament that was revealed in his bones made people unable to look away ...

"Heavens! He's too handsome ..."

this is simply the real-life version of a domineering CEO!

you don't say. I really think that man just now looks a little like Shi qinglan. He might really be her biological brother. His temperament doesn't seem like he was hired!

"The lemon fruit on the lemon tree, you and I under the lemon tree ..."

The crowd stared at Shi qingyao's back with Starry Eyes, as if they had just witnessed the plot of the overbearing CEO novel and were still immersed in it ...

120 He wanted to abduct LAN to be his granddaughter-in-law

Shen ruxue clenched her fists tightly.

She stared at the man's back, jealousy and unwillingness surging in her heart.

But fortunately, she had never heard of the Shi family in the circle of the rich.

It was probably just that his business was doing well and he looked like he had a lot of money. There was nothing to be jealous about!

However, she heard the students around her envious ...

She still felt indignant. After all, Shi qinglan was supposed to make a fool of herself today. She was supposed to be an orphan!

"Mom ... I'm feeling a little uncomfortable."

Shen ruxue was used to being the center of attention and could not stand the envious looks from the other students.

Her face was pale, and her delicate body was on the verge of collapse. She almost lost her balance and fell, but fortunately, Shen fengzhen caught her in time.

oh my, Xue. er ... What's wrong with you?"

Upon hearing that, the girls who were originally infatuated with Shen ruxue instantly focused their eyes on her again!

ruxue, are you alright? ”

“Do you need me to send you to the infirmary?”

Everyone remembered that Shen ruxue was suffering from leukemia. They couldn't help but worry when they saw her pale face.

Shen ruxue forced herself to look pale. She put on a comforting smile and said, ” I'm fine. It's almost time. Let's go to the open-air stage and prepare for the ceremony.

..

The pledge ceremony and the coming of age ceremony were about to begin.

The parents had already taken their seats in front of the open-air stage. Only Shi Qingyun, who was dressed in a suit and leather shoes and exuded a noble aura, was the most dazzling among the many parents ...

that must be Shi qinglan's biological brother, right? ”

I've heard about it too. It's true that seeing is believing. He's so handsome. I thought they were lying ...

I'm lemons. The world owes me an older brother!

The students had also taken their seats beside the parents. Shi qingxun was simply too dazzling. Even in the crowd, he was the one who could be immediately recognized.

Many people looked at him with love-struck eyes ...

How she had once ridiculed Shi qinglan for having no parents was how she envied her for finding her brother now!

“Little brat, are they talking about that LAN girl?”

Elder Xu was sitting in the audience. When he heard the people around him talking, he also straightened his neck and looked around.

He had indeed never heard Xiao Lanlan mention her family ...

“Grandpa, why are you so concerned about others?” Xu Cheng furrowed his eyebrows slightly.

Whenever he heard the name 'Shi qinglan', he felt his face burning in pain, and he tried his best to escape from reality.

Old lady Xu glared at him angrily and raised her hand to hit his head hard. what do you mean by 'someone else'? I still want to abduct LAN girl and make her my granddaughter-in-law!

Hearing this, Xu Cheng's face hurt even more.

He put his hands on his knees, and his waist, which was originally straight, became even stiffer. He seemed a little uncomfortable.

grandfather, you'd better not torment yourself ...

Xu Cheng clenched his knees tightly, thinking of the things he had done to Shi qinglan, and found it hard to speak.

Elder Xu was obviously still kept in the dark. He glanced at him, somewhat baffled. you're quite self-aware, aren't you? you know that an outstanding girl like that LAN girl won't like you? ”

Xu Cheng pursed his lips tightly and lowered his head.

He did not think that he was not worthy of Shi qinglan. After all, with the Xu family's status, no matter how outstanding she was, she was still a woman. It was her fortune to be able to marry into a rich family ...

It was just that he had indeed thoroughly offended her before.

“Welcome, parents ...”

At this moment, a ray of light suddenly shone on the stage, and the host went on stage to announce the opening of the coming-of-age ceremony.
