

Heart Stealer Young Master Bo #Chapter 121 - Read Heart Stealer Young Master Bo Chapter 121

121 Chapter 121-time is alluring, but the waves are calm

After the boring leader's speech ended, the main event officially began. The host sent away the principal of Ji City High School, who had given the speech, and announced the scene with a smile on his face.

"Next, the coming of age ceremony officially begins!"

"Please perform a Grand ritual!"

The emcee turned around and left the stage.

The lights dimmed, and a white veil suddenly descended from the sky. The misty veil created a hazy visual effect.

The dazzling spotlight once again illuminated the stage.

The gauze curtain was half-covering, and a graceful silhouette was reflected. Shi qinglan was sitting in front of the qingyan guqin, her Jade-like fingers gently placed on the strings.

"Clang-"

The low and gentle sound of the string flowed from his fingertips.

Grand and solemn juntian music was played. Gong, Shang, Jiao, Zheng, and Chen Yu came out to listen, and the Vermillion string Jade plate was melodious.

The attention of the teachers, students, and parents were instantly attracted.

The sound of the zither was neither fast nor slow, heavy and deep, and the entire open-air stage was surrounded by the Echo of the Grand music.

"LAN girl's zither skills have improved again ..."

Elder Xu closed his eyes as he listened. Even though he did not open his eyes, there was a look of enjoyment on his face.

Xu Cheng looked at the silhouette behind the veil in shock ...

When the first note sounded, he felt as if his soul had been caught in an instant. Shock, amazement, admiration, and envy intertwined in his heart.

“Zheng Zheng-”

The sound of the zither suddenly turned from slow to fast. The White curtain, accompanied by a high-pitched hum, floated down and fell on the stage.

The beautiful figure behind the veil suddenly appeared ...

Shi qinglan was dressed in a long dress with off-shoulder straps that showed off her sexy collarbones and fair shoulders. Her diamond-studded dress was like a star-studded array under the stage lights.

The White bottom of the dress was lined with many layers of red tulle that drooped to the ground. Her beauty was amazing, and her beauty could shake the world.

“LAN ‘er?” Shi qingxuan’s eyes froze.

He did not know that Shi qinglan was going to play a piece of elegant music. He was still wondering why she did not come to the audience, but his cold eyes were intertwined with shock and amazement. He did not know that she was also familiar with the zither ...

Shi qinglan’s eyes were focused on the strings of the zither.

Her long black hair was tied up high, and a few strands of hair fell to her ears, but it added a bit of charm to her beauty.

When her white jade fingers played the zither, she looked like a classical beauty floating in a painting. Her beautiful face matched the melodious music, stunning everyone!

my mother asked me why I had to kneel and listen ...

“Groundhogs shrieking! It’s been hard on you, fairy!”

thank you, Shen ruxue, for hurting your hand. That’s why I can hear Shi qinglan’s music. This is a paradise on earth!

“I’m a fan of this sister! I’ll get back at whoever slanders her in the future!”

The music of the Grand ceremony was Grand and solemn. Even after the music was played, the audience on the open-air stage screamed.

The lights dimmed, and Shi qinglan stood up and left the venue.

There was still a continuous stream of screams from the audience. They were shouting her name excitedly and everyone remembered her name!

Time was alluring, but the waves were calm.

He was the top student of Ji City High School, the owner of the famous Qin qingmo, and a Grandmaster guqin player!

my girl never disappoints.

Bo Zhicheng's Red lips curled up slightly, his dark eyes filled with love and adoration. His gaze was focused on Shi qinglan until her back view disappeared from his sight.

"How could she ..."

Shen ruxue's face was as white as a ghost. She stared at the back of the man who had just left with hatred. Her heart was about to swallow her up with jealousy.

She had never heard of Shi qinglan learning the zither!

However, this Grand ritual music was indeed a Grandmaster-level performance. Even after learning it for so many years, she could only look up to it!

"This lowly hussy! Where did you learn the zither?"

Shen fengzhen gritted her teeth in hatred. She knew that this opportunity should have been Shen ruxue's. At this moment, she wished she could tear Shi qinglan apart. She regretted raising this ingrate who had stolen her daughter's opportunity.

122 Parents, please teach us the coming of age ceremony!

However, Shi qinglan had already become the most dazzling ray of light.

No matter how jealous the mother and daughter of the Chen family were, they could not change the fact that she was no longer an orphan and was still so dazzling!

"Shi qinglan! Shi qinglan!"

"I announce that she'll be my goddess from now on. I want to be her die-hard fan! I won't criticize her again in the future ..."

"What do you mean orphan! I want to be her mom fan. Come with me, Swan. I don't want your brother anymore!"

Shi Qing's eyes were cold as he glanced at the mother fan.

The man's aura was much colder, and there was a hint of warning in his eyes. He was obviously extremely displeased.

Why did the whole world want to snatch his sister away from him!

“Shi qinglan! I love you!”

The support and screams rose and fell.

Everyone seemed to have forgotten that this was a solemn and elegant music, and directly treated the performance just now as a concert. They wanted to raise their support lights and light sticks to wave for her.

you only know how to play the zither. You're already in your third year of high school. Don't play all these useless things. Studying is more important.

Some of the parents did not understand, and the students beside them shook her frantically. mom, she's the number one in the city! He's a top student who scored full marks in all subjects, and even the Dean of Imperial University has to admit defeat!”

Hearing this, the parents also looked at him with admiration.

Shi qinglan's name had completely stunned the entire Ji City High School, and the performance of this Grand ritual music had further established this girl's legendary status, and thus. she had become famous ...

The host was in a daze for a long time before he remembered the flow of events.

She walked onto the stage in embarrassment, her pink cheeks full of admiration for her. sexy ... Thank you, Shi qinglan, for playing the music. Next, please go on stage in order, and let's invite your parents to give them the coming of age ceremony.”

The boys were wearing small suits, and their parents would tie their first ties for them. The girls were wearing long dresses, and their parents would help them put on their first pair of high heels.

“You brat, you should consider finding a wife when you're an adult.”

Elder Xu helped Xu Cheng put on his tie. With a serious face, he looked up at his grandson, who he hated for not living up to his expectations.

Xu Cheng pursed his lips. Grandpa, I'm still young ...

“Then take off your tie!” As elder Xu spoke, he was about to pull off his tie and glared at him.

Xu Cheng immediately panicked. He raised his hand to protect his tie and lowered his voice. Grandpa, please save me some face!

Elder Xu snorted, turned around, and left the stage with his hands behind his back.

However, even though he had cooperated with Xu Cheng to complete the greeting, his eyes were still darting around, waiting for Shi qinglan to go on stage to greet him and see what kind of role her family played ...

“The next group of students, please come on stage!”

As the emcee spoke, Shi qinglan, who was wearing a chiffon dress that was gradually turning red, walked to the center of the stage.

She raised her pretty face slightly. Her skin was as fair as snow without any makeup, and her charming and beautiful eyes were shimmering with light. Her face was blushing, and her bright eyes and white teeth were alluring.

“Parents, please teach us the coming of age ceremony!”

As soon as the host finished speaking, Shi qingxun walked in proudly in a suit and leather shoes. Her posture was as handsome as bamboo, cold and Noble.

The man’s handsome face looked a little cold. When he stopped in front of Shi qinglan, his slightly pursed thin lips slowly curved up. LAN ‘er.

He was holding the pair of high heels given to him by Bo Li Cheng.

It was bright and dazzling, but it was not exaggerated or complicated. There was a hint of maturity in its elegance.

“Isn’t this the LAN girl?” Elder Xu’s eyes lit up.

He looked over in high spirits, but his expression changed slightly when he saw the man in front of the girl. the young master of the Shi family? ”

Xu Cheng also immediately cast a glance, and it was as if he had been struck by lightning.

123 Call me “big brother” more often in the future

The Xu family was a wealthy family in Ying city and could barely be considered a distant relative of the Bo financial magnate, so they naturally knew the situation in the capital.

Moreover, Xu Cheng was also present at the last charity banquet.

How could he not recognize her ...

It was rumored that the biological brother that Shi qinglan had just acknowledged was the heir of the Shi family financial magnate, Shi qingxiao!

“She ...” Xu Cheng’s entire body froze.

His face was slightly pale, his fists clenched tightly, and his eyes were filled with shock and confusion.

He had once been conceited about being born into a rich family and even thought that he was more than enough to match Shi qinglan. However, he had never thought that she was the daughter of a rich family, and the Shi family of the imperial capital that he could never reach in his life ...

“Pa-”

Elder Xu suddenly raised his hand and patted Xu Cheng’s head.

Xu Cheng suddenly came back to his senses, but there was still a bit of shock in his eyes. He looked at his grandfather, who had suddenly hit him, in confusion.

“Little brat, the Shi family financial magnate of Beijing is beyond our reach.”

Elder Xu’s eyes dimmed. you’re out of luck. I’d better find a new granddaughter-in-law.

Xu Cheng didn’t feel good.

He did not have such thoughts about Shi qinglan, but the strong sense of inferiority had trampled on his arrogance and made him look down on her as a joke!

“LAN ‘er, let me help you change into your high heels.”

The corners of Shi qingxuan’s lips lifted slightly. The ice in his dark eyes gradually melted, and his eyes, as gentle as the spring breeze, fell on the girl.

As soon as his voice fell, he bent down and knelt on one knee, personally helping his baby sister change into the high heels for her coming of age ceremony ...

He had missed her real eighteenth birthday.

This ceremony would make up for his past regrets and absence as much as possible.

“Thank you, brother.” Shi qinglan’s Red lips curved slightly.

With her creamy feet on high heels, the girl was even more devastatingly beautiful, slender, and elegant. Her fair neck was as straight as a Swan, and her figure was proud but not arrogant.

It was just that the light that was emitted by his body ...

It was still stunning, as if it had a soul-sucking state, once again attracting attention, causing exclamations and envy.

“In the future, call me” big brother “more often.”

Shi qingxun’s dark eyes were filled with love. He held the girl’s hand and let her hold his arm.

Stepping on the first pair of high heels in her life, Shi qinglan held the man beside her and walked down the red carpet under the open-air stage. The handsome man and the beautiful woman walked side by side through the adult gate ...

“Shi! Qing! Whoosh!”

Bo Zhicheng’s eyes gradually turned deep and dark, as dark as hell. He stared intently at the girl’s hand that was holding the man’s arm, cold and angry.

This Dog Man actually thought that he was the older brother ...

He had forced his Lan Lan to hold his arm and walk the red carpet!

He didn’t even get this treatment!

He didn’t!

He wanted to chop off that arm, steam, red, fry, stir-fry, and many other ways to make an arm appeared in his mind.

Bo Yicheng suddenly stood up and strode towards the adult gate, directly stopping the girl at the end. There was. He pulled her back into his arms with a strong desire.

“The ceremony is over. There’s no need to be so intimate.”

His voice was hoarse and cold as he glared at Shi qingyao with resentment. He even tightened his grip on her waist, as if he was afraid that she would be snatched away by someone else.

Shi qinglan was speechless.

Shi Qingyun’s eyes were cold and indifferent, and he didn’t care about this.

He was obviously satisfied and could not be bothered to argue with Bo Li Cheng, who found the grapes sour even when he could not eat them.

124 Where is the necklace with your name engraved on it?

However, the time when the girl was monopolized by the city was not long.

After the coming-of-age ceremony, all the students returned to the open-air stage audience and took a collective oath.

“I’m willing to not forget my original heart for my dream and create glory for the zhulu exam field!”

“Good luck in the college entrance examination! I want to go to the Imperial University-”

I want to score high. I don’t want to be a salted fish anymore!

High-spirited oaths were made one after another, and many students were so excited that tears welled up in their eyes.

This kind of hot-blooded hymn of youth, as well as the desire to break through the barrier, burst out without reservation at this moment. It was probably the most memorable moment of his student days.

After the pledge ceremony, the ceremony came to an end.

Shi qinglan was about to go home with the two men when she was suddenly surrounded by many classmates!

“Goddess, I ... Can I take a picture with you?”

“Smart dad, can I have an autograph? I want to keep your signature and worship it before the exam ...”

“Ah, then I want an autograph too!”

“It’d be even better if I could get an autograph and a photo!”

The students looked at Shi qinglan with stars in their eyes. They did not hide the admiration in their eyes, and their sincerity came from the bottom of their hearts.

They had also mocked Shi qinglan for being ugly and foolish.

He had also looked down on her ‘great achievements’ of skipping classes and exams, even slandering and cursing her, and endlessly pouring dirty water on her ...

But now, he had completely fallen for her!

“Don’t even think about getting an autograph or a photo.” Shi qingxuan’s eyes darkened.

He didn't even have his sister's photo or signature. Moreover, the signature of the heir of the Medical Research Institute was not something that could be given so easily!

At the thought of this, a cold aura burst out from the man's body in an instant, extinguishing the passion of those students ...

Sob, he was indeed the legendary overbearing President.

The aura around him was like a cold air conditioner. He felt a little flustered, but he still wanted to worship the goddess. What should he do?

"Goddess ..." They looked at Shi Qinglan with tears in their eyes.

Shi Qinglan's Red lips curved into a sweet smile. If you want to get good grades, it's useless to pray to my photo and autograph. Why don't you work hard from today on? The college entrance examination will take care of you.

Upon hearing this, everyone seemed to have been injected with chicken blood.

Turning into a koi to worship the God of learning was just a shot in the arm to calm himself down. Other than that, it was really useless.

Only by being down-to-earth would one be worthy of a bright life!

The students left one after another, some even holding hands to support Shi Qinglan. Finally, Shi Qinglan had some peace and quiet.

Lan Lan, I regret letting you go back to school.

Bo Yucheng held the girl in his arms, his thin lips gently pressing against her ear, his hoarse voice carrying a hint of jealousy.

Shi Qinglan pecked him on the cheek to comfort him. No matter what, I'll always be yours.

Shi Qingqi was speechless.

His cold eyes narrowed slightly. Hearing his sister's words, he felt very upset, as if a cabbage had been eaten by a pig.

Bo Yucheng's Red lips curled up slightly. He gently pinched the girl's chin and lifted her face. "What about your brother, huh?"

"Brother will be sister-in-law's sooner or later." The girl's eyes curved.

Shi Qingqi was speechless.

He had been single for 28 years! Where did this sister-in-law come from!

However, Bo Yucheng was very satisfied with the girl's answer and pecked her lips lightly as a reward. The two of them were so intimate that Shi Qingyun could not stand it anymore ...

He opened his cold lips slightly. LAN 'er.

Just as Shi qinglan was about to kiss her brother again, she heard her brother calling her and cast a glance at him. ah? "

Shi qingqiao tried to forcefully change the topic.

His gaze fell on the girl's neck. The exquisite and gorgeous long dress should have had accessories around her neck ...

"Where is the necklace with your name engraved on it?"

125 Lan Lan, I am very jealous today

Shi qinglan's eyes were cold.

Her voice was slightly cold as she told her everything about how the Shen mother and daughter had stolen her necklace for money, and how they had ignored her after moving into the villa from the slums.

"They actually dared to treat you like this!"

Shi qingxiao's aura instantly turned cold. His dark eyes were like dark clouds, and his brows were filled with anger.

The tafey stone necklace was priceless.

The Shi financial magnate had once spent a lot of money to buy it, and then hired the world's top craftsman to forge an exquisite necklace as a birthday gift for their young miss. It had an unusual significance.

"Where did they sell the necklaces to?" Shi qingxiao clenched his fists tightly and narrowed his cold eyes.

Bo Li Cheng's dark eyes also darkened.

He pursed his lips and remained silent for a moment before saying, " I've been investigating for the past few years, but there's no news for now.

Shi qinglan also nodded gently and fell into silence.

She had the world's most comprehensive intelligence network of the pure world Pavilion, but the tafey stone necklace was so precious that even she could not find any clues.

LAN 'er, I'll definitely help you find your necklace.

Shi Qing's eyes were covered with a layer of ice. I will not let them off easily for treating you like this!

The man raised his firm chin, the determination and coldness in his dark eyes unquestionable. His voice was ruthless and cold as it hit the ground.

The daughter of the Shi financial magnate must not be bullied ...

The Shi family and the Bo family would make them pay for what Shen fengzhen and Shen ruxue had done to her in the past!

..

Clear water Pavilion.

Bo Yucheng brought Shi qinglan home. The moment the girl stepped into the living room, he suddenly closed the door and turned around to press her against the door.

"What are you doing ...!"

Shi qinglan subconsciously exclaimed, but before she could finish her sentence, her chin was pinched. Bo Yucheng lifted her face and lowered his head domineeringly.

The man supported the girl with one arm and trapped her in his arms, leaving her no room to escape.

"Thin mist city!" The girl was furious.

Her porcelain-like white face blushed a little. She glanced at the man angrily and lowered her eyes again. Her slightly trembling eyelashes showed her confusion and shyness.

Bo Yucheng was still pressing against her, the hand that was pinching her chin moved to her cheek, and he gently held the girl's slightly hot face.

"Lan Lan, I'm very jealous today."

His deep pupils were as black as paint, enshrouding some unfathomable feelings that seemed to be able to absorb people.

Shi qinglan looked down at her toes and pursed her red lips.

She carefully poked the man's abdominal muscles with her fingertips and mumbled softly, " then I'll make it up to you, okay? "

Hearing this, a hint of shock flashed through Bo Li Cheng's eyes.

He had never thought of asking the girl to make it up to him. After all, when he didn't want her to get in touch with Shao mingzhe, she would always kick up a big fuss with him and even force him to do so by self-mutilating, starving, and running away from home.

And now, she actually took the initiative to compensate him ...

It was probably after the fire that she suddenly became obedient and even listened to him.

"Really?" Bo Yucheng's lowered voice was a little hoarse.

His dark eyes gradually overflowed with Starlight, and even when he raised his voice at the end of the question, one could hear a little joy.

"Of course! I'll keep my word!"

Shi qinglan took a deep breath and suddenly looked up. She had decided to go all out, and her look of confidence ...

He looked like a warrior who was ready to die.

"You can't regret that." Bo Yicheng's Red lips curved up slightly and he pinched the tip of her nose, his words somewhat bewitching.

126 Ah-Cheng, you're so handsome, so handsome

Shi qinglan regretted it very quickly.

Bo Li Cheng had ordered a meal from a top western restaurant. The aroma of the food filled the living room, and the steak was still steaming.

The girl put her hands on her cheeks, glanced at the candlestick and the bottle of red wine next to it, and turned into an autistic mode ...

"Zhu ... A candlelight dinner?" Her red lips parted slightly.

Bo chicheng turned off the lights in the living room, leaving only the candlestick. The dim yellow candlelight set off an ambiguous and warm atmosphere.

The man's long and narrow eyes were slightly raised. you don't like it? ”

He remembered that the girl liked Western food and had even specially ordered chocolate mousse cake for her.

since you can't participate in the school's coming of age ceremony, I'll do it for you at home. Don't you like it? ”

Bo ye Cheng's eyes were deep as he looked at her, his voice low.

Shi qinglan pursed her red lips, and her slightly lowered eyes hid her usual brilliance, as if she was unable to explain it in a few words.

“It's not that I don't like it ...”

Her voice was soft and she sounded unconfident. it's, it's ... Do you still want to drink?”

The girl's eyes drifted to the bottle of red wine, but she only took a quick glance and immediately looked away.

Her hands, which were hidden under the table, gently pinched the corner of her skirt.

Bo Yicheng's Red lips curled up slightly, and he chuckled. Lan Lan, don't tell me you've never drunk alcohol before? ”

Hearing this, Shi qinglan's face immediately turned red.

She suddenly raised her eyes. why ... How is that possible?”

She was the successor of the pure world Pavilion and the Medical Research Institute. She had taken countless lives in her hands and had a glorious reputation. How could she be afraid of a bottle of red wine?

There was no way she would admit that she had fallen down on one drop.

I won't admit it, I won't admit it even if I'm beaten to death.

it's just a little wine. I'll drink it ...

Shi qinglan mumbled softly, but when she heard the low chuckling in Bo Zicheng's voice, she instantly felt as if she had lost all her face.

She raised her face as if she was showing off. what are you laughing at? I'm telling you, I can hold my liquor very well!”

Bo Li Cheng's Black pupils were filled with a smile.

He had already seen through the girl's embarrassed look. Lan Lan, if you can't drink it, don't force yourself. I'll keep it, okay? ”

As soon as he finished speaking, he stood up and prepared to take the red wine away.

However, Shi qinglan suddenly snatched the red wine and filled the Goblet without hesitation. who said I can't drink it!

She must have drunk fake wine before because it didn't count. Today, she had to get back her face.

“Then don't drink so much, don't get drunk.”

Bo Yucheng's Red lips curled up slightly. He looked helplessly at the wine in front of Shi qinglan. After filling his own glass, he put away the red wine, intending to only let her drink this glass at most.

Shi qinglan pouted her red lips. no way. Cheers!

Bo Yucheng had always been indulgent towards her, so he raised his glass cooperatively.

Although the girl was shouting for a toast, she only took a few drops and licked her lips to taste it.

“Oh, it doesn't seem like anything special ...”

Shi qinglan mumbled to herself and took another sip. She smacked her lips, not understanding what was so good about the wine.

Bo Zhicheng lazily leaned back, his long and narrow eyes lazily squinted. His well-defined white fingers gently pinched the wine glass, and the bright red wine gently swayed in the transparent glass.

He raised his chin and took a sip, looking at the girl who was full of curiosity about the red wine, but he soon felt that something was wrong ...

“Hehehe.” Shi qinglan's face was flushed.

She held her face in her hands and looked at the man, her eyes misty. She was like a bullied deer, innocent and harmless. ah Cheng, you're so, so handsome ...

127 You have successfully piqued my interest

Bo chicheng's brows furrowed slightly.

However, Shi qinglan suddenly stood up and staggered towards him, sitting on his back of the great moon.

She grabbed Bo Yucheng's tie and suddenly pulled him into her arms. man, you've successfully aroused my interest.

Shi qinglan lifted her drunken face slightly. Although her eyes were slightly misty, the words that came out of her red lips were overbearing. I hereby announce that you are mine!

Bo Yicheng, "..."

He lowered his eyes to look at the drunk girl, his large palm gently clasping her waist, afraid that she would not be able to sit still and fall.

There was no smell of alcohol in his nose.

Shi qinglan had only had a few drops and she was already drunk. This little bit of alcohol tolerance had really exceeded Bo Li Cheng's expectations.

"Lan Lan is drunk, huh?" He gently pressed against the girl's forehead, his low and hoarse voice full of enchantment.

The girl pouted her red lips in dissatisfaction.

She tugged at the man's tie domineeringly with one hand and hooked her other arm around his neck. who's drunk? I'm not drunk!

Bo Yicheng, "..."

He chuckled and rubbed the tip of her nose affectionately. He loved the girl's cute drunk look.

"Silly girl, why is your alcohol tolerance so low?"

There was a hint of helplessness in Bo Yucheng's voice. He held her in his embrace with one arm and cupped her face with his other hand. what if you get drunk by others outside in the future, hmm? "

Shi qinglan pouted her red lips in dissatisfaction.

Her face was slightly raised, and her porcelain-like cheeks were a little red at this moment. Her originally bright and determined eyes were now as pitiful as water, and she instantly turned into a soft little white Rabbit.

no, I can't drink casually ...

Shi qinglan hiccuped and suddenly moved closer to Bo Zhicheng. Her expression became serious as she placed a finger on her lips. let me tell you a secret. Actually, I get drunk with just a drop.

“I already know.” Bo chicheng’s Red lips curved up slightly.

He patiently coaxed the girl. When she was acting coquettishly, her overlapping words were so cute that he couldn’t help but give her a light Peck on the lips. When he wanted to go deeper, his mouth was covered.

Shi qinglan smacked his mouth.

She frowned and felt that something was wrong. how did you know? ” This is my biggest secret!”

She had only drunk with Nan zhiyue once before, and the incident of her getting drunk with one drop became the dark history of her life!

Shi qinglan had countless aliases. No matter what she learned, she would be good at it. The only thing that ruined her reputation was her drinking!

“How do you think I know?” Bo Yicheng pinched the tip of her nose lightly. Benben.

The little girl’s self-esteem was hurt, but she wanted to drink. In the end, she got so drunk after a few drops, and she even asked him how he knew this secret?

“Do you still want to eat?” His eyes were smiling. if you don’t want to eat, I’ll carry you upstairs to take a shower and sleep, okay? ”

Shi qinglan looked at him, her beautiful eyes blinking.

Her pink cheeks puffed up slightly, and after thinking for a moment, she pointed upstairs. I want to sleep.

“Then you have to let go first.” Bo Yicheng lowered his eyes and glanced at the hand that was still tugging on his tie. be good.

Shi qinglan immediately let go of him obediently.

Two fair arms wrapped around the man’s neck, and he carried her upstairs in a Princess-like posture.

“Sit here obediently and wait for me.”

Bo Yucheng bent down and placed her on the soft bed, but the girl’s hands around his neck refused to let go. no!

“Be good, I’m going to help you run the bath.” He coaxed her in a low voice. This was probably the most patient he had ever been in his life.

128 Lan Lan feels that Lan Lan can

Shi qinglan looked up at the man in confusion.

After thinking for a long time, she reluctantly let go of his hand. then ... Is ah chengcheng going to help Lan Lan take a bath?”

Upon hearing this, Bo Li Cheng felt even more that he could not hold on.

His Adam’s apple moved slightly. He gently pinched the girl’s chin and lifted her face. Lan Lan, can you wash yourself? ”

He was afraid that in the end, he would not be taking a bath.

Shi qinglan tilted her head slightly and thought about it seriously for a long time. Then, she nodded hard. I think I can do it.

“Alright,” he said. Bo Zhicheng could not help but chuckle.

He ruffled the girl’s soft and fluffy hair, then turned around and walked into the bathroom. The sound of running water could be heard.

After testing the water temperature, Bo Yucheng wanted to bend down and carry her into the bathroom, but Shi qinglan suddenly held his little thumb. we’ll be good friends if we walk hand in hand.

Bo Yicheng, ” ... ”

How could his wife be so cute?

Hence, Shi qinglan did not let him carry her this time. She held his fingers and followed him into the bathroom.

I want to take a bath. Can you go out ...

The girl’s eyes were slightly lowered as she looked at her toes. Her hand gently tugged at her skirt, as if she was extremely shy and coquettish.

Bo ye Cheng prepared a bathrobe for her and pinched her face. if you need anything, call me anytime.

Shi qinglan nodded her head obediently and chased him away.

Bo Yucheng only relaxed after leaving the bathroom. He opened the window to let the cool night breeze in, which calmed him down a lot ...

However, he had not calmed down for long when he suddenly heard the sound of water from the bathroom.

He realized that something had happened to the girl.

Bo Yucheng immediately dashed into the bathroom. He lowered his eyes and saw Shi qinglan sitting in the bathtub, her whole body and eyes wet as she looked at him innocently.

“Fall ... I fell.” Her voice was soft.

The girl's fair and slender legs were still outside, probably because she had fallen into the bathtub by accident, but her clothes and hair were wet.

Bo Li Cheng closed his eyes and took a deep breath.

He rubbed his temples and looked helplessly at the girl who was so drunk that she couldn't take care of herself, his thin lips pursed into a line.

In the end, he was the one who helped her shower.

However, in the end, it was just a simple bath. After all, the girl's innocent look made him really unable to do it ...

“Man, do you know what you're doing? Fire.”

Shi qinglan had a nice shower and was so comfortable in the warm water and foam that she almost fell asleep. She was even talking in her sleep in a daze. you started the fire, so you're responsible for putting it out ...

Bo Yucheng wrapped her up in a bathrobe.

The girl was sent into the warm and soft blanket. Her red lips gently smacked twice, and she soon fell asleep under the influence of the alcohol.

Bo Yucheng's arm was by the girl's side as he looked at the girl who had entered Dreamland. His voice was extremely low. then who should be in charge of extinguishing the fire you lit, hmm? ”

However, Shi qinglan ignored him.

He even turned over. She fell into a deep sleep.

“You’re simply a little demon sent by the heavens to torture me.” Bo Li Cheng sighed heavily, then turned around to take a cold shower.

After taking a cold shower and calming down for a long time, he closed the bedroom window, wrapped himself in a bathrobe to warm himself up, then got into bed and pulled the girl into his warm embrace.

..

The next morning.

Shi qinglan felt dizzy. She did not have a splitting headache, but she was still a little dizzy.

She gradually woke up and her fluttering eyelashes trembled slightly. She wanted to go back to sleep, but she suddenly remembered something!

“Ah!”

“Thin Twilight city! You’re taking advantage of me!”

Shi qinglan suddenly sat up and saw that she was only wrapped in a bathrobe and was not wearing any clothes. This further confirmed her suspicion. She grabbed the pillow and threw it at the man who was fast asleep.

129 What did

Bo Li Cheng had been tormented until the latter half of the night.

The little girl was drunk and restless. She always mumbled those messy CEO quotes and kicked the quilt from time to time.

“Y-y-you ... What did you do to me last night?”

Shi qinglan rolled the blanket away and wrapped herself up like a spring roll, only revealing her eyes to stare at him.

She only remembered that she seemed to be drunk again last night.

When she woke up, she realized that she was not wearing any clothes. She naturally thought that something indescribable must have happened last night!

Lan Lan, you should be asking me what you did to me.

Bo Zhicheng was lying on his back, his eyes closed as he rested, raising his hand to gently massage his sore temples.

Shi qinglan blinked her beautiful eyes. what can I do to you? ”

She had really cut it off completely ...

Bo Yucheng turned over and lay on his side, one arm supporting his head. His red lips curled up slightly as he looked at the girl. you said that I'm stirring up fire, and that I'm the one who started the fire, so I have to be responsible for extinguishing it.

Shi qinglan slowly typed out a:

What kind of quote was this from a silly and overbearing President!

“How could I say something like that!” She glared at Bo Zhicheng angrily and retorted in a sweet voice, ” you're lying!

The corners of Bo Zhicheng's eyes lifted slightly, a flirtatious glint in his eyes. I lied? ”

Shi qinglan nodded her head like a chicken pecking at rice.

But the man suddenly turned around and took the girl into his arms. His slightly cold thin lips pressed against her ear, ” Lan Lan, I didn't have the heart to do anything to you when you were drunk last night ...

Shi qinglan blinked her eyes in confusion.

What did this Dog Man mean? was last night really pure?

However, before she could figure out the meaning behind his words, she heard a hoarse voice in her ear. but since you're awake now, you should make up for what you owe me last night.

“What ...!”

Shi qinglan was about to speak when her lips were sealed.

Bo Yucheng pulled off the blanket between the two of them, and as usual, mysterious ellipses appeared.

..

Shi qinglan was sprawled on the bed, drenched in sweat.

Fortunately, she didn't have to go to school on the weekend. She simply went back to sleep in her bed, her slightly wet hair sticking to her cheeks.

Bo Yucheng lowered his head and pecked the space between her eyebrows. are you hungry? shall I get you something to eat? ”

The girl nodded weakly in bed.

She pouted and mumbled in a daze, ” I want to eat the chocolate mousse from last night ...

Bo Yucheng went downstairs to help the girl get the cake.

Shi qinglan rubbed her head against the pillow and was about to continue sleeping when her phone suddenly vibrated.

“Swish-”

She turned over and ignored him, but the other party kept calling. The phone was ringing beside the bed, so much so that her ears were hurting.

Shi qinglan frowned slightly and opened her eyes impatiently. She picked up the phone and answered the call. what? ”

The person on the other end of the phone realized that she was in a bad mood and fell silent for a long time.

“My dear baby Lan Lan ...”

The other party’s voice was coquettish, and she deliberately dragged out the last syllable. did you miss me? ”

Shi qinglan immediately woke up when she heard that.

She turned over and sat up with the phone in her hand. Even without looking at the display, she could tell that it was her best friend, Nan ziyue.

It was the woman who had once made her drunk with one drop!

“Great aunt Xi Yue, if you have something to say, just say it.” Shi qinglan smiled and mimicked her deliberately long voice.

“Oh.” Nan ziyue returned to normal in a second.

She was bathing in the sun on the West Coast, lying lazily on a beach chair. Her sunglasses covered half of her delicate face, and her red lips moved. do you want to consider a new album? ”

130 The International Music Queen, qingyue

Shi qinglan's Red lips curled up slightly. I won't consider it.

She gave the answer almost without thinking. She tilted her head, put the phone between her ear and shoulder, and went to the bathroom to brush her teeth.

"Please don't." Nan zhiyue took off her sunglasses lazily.

Her alluring peach blossom eyes narrowed slightly. She raised her charming face to look at the sun and raised her arm to her forehead.

She pouted her red lips. the last time you released a new album was last year. If you don't write a new song now, I curse you to be forgotten by your fans!

Shi qinglan wiped the foam off the corner of her lips.

She lowered her head and smiled. before I'm forgotten by my fans, shouldn't you be worse off after being fired by your agency? "

Hearing this, Nan zhiyue suddenly turned over and sat up.

She bent one knee and placed her arm casually on her knee like a boss. Shi qinglan, you tricked me! she said.

"No, I didn't." The girl left the bathroom with a smile.

She climbed onto the soft bed and crossed her legs. don't you still have a few songs that haven't been released? just make do with them.

Nan zhiyue lay back on the beach chair lazily.

She crossed her long and fair legs and teased him, " it's not your style to do this. Have you had any inspiration recently? "

"I don't lack money, so I don't want to do business." Shi qinglan was calm.

Nan zhiyue almost vomited blood from anger at her reason.

She clutched her chest and took a long time to calm herself down before she gritted her teeth and said, " Shi qinglan, you're an International Music Queen and a world-class songwriter. Are you doing great music just to make money? "

Shi qinglan blinked her beautiful eyes. isn't that so? "

She had come to Nan xiyue because she was short of money.

They were all members of the pure world Pavilion. As the world's largest organization, not only did the pure world Pavilion have the largest intelligence network, but it also took in top talents from all fields around the world.

Among them, Nan jiyue was accepted as-top manager. After understanding Shi qinglan's financial needs, she did her best to promote the diva of the music industry-qingyue-who had fans all over the world.

This mysterious diva rarely held concerts, and the few times she appeared, she always wore a mask. No one knew who she was except for Nan xiyue.

No one else knew that fan Yin, the top lyricist and composer behind qingyue, was actually the heavenly Queen!

Nan zhiyue was speechless.

He really wanted to fly back to the country right now and beat her up, then lock her in the house, write songs, release albums, and plan a concert!

"I really don't want to talk to you right now."

"I'm hanging up then."

"Don't you dare!" Nan zhiyue almost crushed the sunglasses in her hand.

She knew Shi qinglan too well and knew that she was not short of money and had a creative style. then I'll release the songs I've saved up in the past as a new specialty. Of course, I don't mind if you have new songs ~"

"No, I'm lazy." Shi qinglan smiled sweetly.

She directly hung up Nan xiyue's phone call, and after thinking for a moment, she added a text message: " don't even think about the concert, I'm even lazier.

Nan zhiyue was speechless.

As a top manager, she was almost fired by the company because she couldn't get the International heavenly Queen's new song to work!

She couldn't bear this hatred. She had to go back to China and make her drink!

She could not be the only one who knew about Shi qinglan's one drop drunk!

..

Bo chicheng carried the chocolate mousse upstairs.

He pushed open the bedroom door and realized that the girl was already awake. He laughed and asked, " why aren't you sleeping anymore? "

"I was woken up." Shi qinglan touched her soft, fluffy hair. Her drowsy eyes made her look like she had just woken up.

Bo Yicheng's Red lips curled up slightly. do you want me to feed you? "

"What ...!" Shi qinglan was about to ask him how he was going to feed her when the man suddenly held the back of her head and lowered his head.

The sweet taste of chocolate mousse lingered in her mouth.

Bo Li Cheng whispered, " one more time? "
