131 The moon-toppling Empress is actually going to release a new specialization!

Shi qinglan was completely paralyzed on the bed.

Her black hair was casually scattered on the pillow, covering half of her pink little face, messy and charming.

She was barely breathing. Bo Li Cheng, you bastard ...

The man leaned over slightly, his slender and fair fingers gently pulled away the hair, and he even greedily pecked the girl's face.

Shi qinglan's pink fist punched him directly ...

But she had no strength as the man held her.

Bo Yicheng's large palm wrapped around her small fist, his red lips slightly curved. do you still want chocolate mousse? "

"I'll eat." Shi qinglan opened her eyes lazily.

She pointed at the fork softly. you feed me.

With that, she narrowed her drowsy eyes. There was a hint of warning in her eyes, as if she would stab him to death if he did not intend to feed her with the fork.

"Alright," he said. Bo Li Cheng chuckled.

..

Ji City High School.

Time passed by in a flash. The first and second mock tests had ended, and in the blink of an eye, it was already Midsummer in may.

This was the last month before the college entrance examination. The atmosphere in the entire year three Department was tense. Everyone was on high alert.

"Finally, I'm going to be f * cking free!"

After Jiang Zhi finished brushing through the set of papers in his hands, he suddenly threw his pen on the desk and stretched his back in an evil manner.

At the same time, LAN Chu was in a daze with her hand on her fair cheek. Her clear eyes were hazy, as if she was lost in thought ...

Jiang Zhi waved his hand in front of her eyes.

LAN Chu didn't respond. He stood up and whispered in her ear, "hey ..."

"Ah!" LAN Chu was so scared that he was dumbfounded.

Seeing the infuriating face in front of her, she threw the paper on the table at the young man's face. what are you doing? you scared me to death!

"What are you thinking about?" Jiang Zhi pursed his lips.

LAN Chu's pink lips pouted. the moon-toppling Empress released a new specialization today! She's actually going to release a new specialization!"

She had found out about this when she was browsing Weibo in the morning.

The news that the International Music Queen had taken on a new major after more than a year had caused a sensation in the entire music industry. The fan industry was also going crazy over it, and the popularity on Weibo had even exploded!

It had been three years since qingyue started singing. Although she rarely held concerts and had very few albums, every song she sang was a classic.

Three years ago, she won the best Newcomer Award at the International Music Festival with the song " Sanskrit hymn " composed by an anonymous lyricist. She became famous overnight in the International Music scene and attracted countless fans!

Since then, the best female singer, popular female Singer of the Year, and even the Golden song awards had been won by her every year, and no one else had won them ...

Although the lyricist was a fledgling, his professional ability was world-class. Because he chose to be anonymous and low-key, his fans simply called him fan Yin's father.

"So be it, we'll just buy it and it'll be over." Jiang Zhi had never chased after celebrities, so he couldn't get the point of a girl who chased after celebrities.

LAN Chu stared at her angrily, her white cheeks slightly puffed up like a pufferfish. how can it be so easy to snatch!

She lay on the desk softly. I'd rather not get married in exchange for a new major for goddess qingyue ... They could start robbing tonight! I'm going to stare at my phone the moment I get home!"

"You can't get married in the first place." Jiang Zhi retorted heartlessly.

LAN Chu glared at him angrily!

Upon hearing their conversation, Shi qinglan, who was leaning lazily on her seat, squinted her eyes slightly. She seemed to be in deep thought as she began to count the remaining albums in her hands ...

..

Empress qingyue's new specialty did not disappoint!

Instant cut!

All the fans wanted to cry but had no tears. The next day at school, even LAN Chu was lying on the table. His pink lips were pouted high, " I didn't manage to get her ...

132 I should be able to help you get an album

Jiang Zhi glanced at her from the corner of his eyes. it's just an album. What's so difficult about it? can't you just click on it and pay for it? "

LAN Chu glared at him fiercely, picked up a pen and threw it at his head. what do you know?! My goddess qingyue is so powerful! It's super hard to snatch albums, alright!"

"Is it really that difficult to buy qingyue's album?" Shi qinglan pursed her red lips and leaned lazily against the back of her seat. She turned her head slightly and glanced at the girl behind her.

LAN Chu nodded helplessly. I'll cut it.

Instant-cut meant that it was sold out as soon as it was released.

The corners of Shi qinglan's eyes twitched slightly, and a faint glow could be seen in them. if you want it, I should be able to get it for you.

Hearing this, LAN Chu's eyes instantly lit up.

She cupped her face with both hands and looked at her in admiration. really? Then can I be a little more greedy and make a wish to sign?"

"Of course." Shi qinglan's Red lips curled up slightly.

Anyway, it was just a matter of casually signing.

LAN Chu's eyes were filled with stars.

The gloominess just now was swept away. She felt that she had the whole world again, and even General Science had become more fragrant.

“Sister Qing, can you help me get a to sign?”

Jiang Zhi leaned closer to her and held a pen in his mouth. I can use this to show off. It'll definitely be useful when I'm flirting with girls!

LAN Chu rolled his eyes at him in disgust.

I'll give it to you in a few days, ” Shi qinglan replied nonchalantly.

“Yay, yay, yay!” LAN Chu's eyes curved into crescents as he smiled. He was so happy that he wanted to show off to everyone.

But the other students who didn't get the album were jealous.

it's not that easy to get goddess qingyue's autograph. You can't even get the album, let alone sign it ...

although I admire Shi qinglan now, she's a little too arrogant. How dare she promise to sign two contracts? ”

“I don't care! I said before that I'll fight with whoever slanders her! I'm a brainless fan who believes in Shi qinglan unconditionally!”

I've been slapped in the face so hard that it hurts so much. I'd rather believe in it now. Sister Qing, can you help me get Zhang qingyue's new major? ”

Shi qinglan's lips curled into a smile.

She roughly calculated that every time a new album was released, Nan jiyue would leave some for her. Although she was too lazy to sign too many albums, it should be enough to share.

“Those who improve in the third mock exam will get it free of charge with the result slip.”

Shi qinglan looked at them with one hand on her cheek. Her red lips were slightly curved, but her words sounded like she was a boss.

It was as if they were all her sweet wives ...

” Really? this is really true!”

I don't care if it's real or fake. I won't be able to get it online anyway. I'd rather believe that I still have a chance!

I'm going to study. I only love studying ...

Everyone instantly dispersed and immediately buried their heads in their studies. Their minds were filled with the benefits of getting a new major if their grades improved.

Shen ruxue looked at them indifferently.

She pursed her pink lips and chuckled helplessly, "Lan Lan still can't change her personality. It seems that I have to find a way to get her some albums, so that she won't be put in a spot when the time comes.

"Ruxue, you're saying you can get a new specialization?" The students next to her looked at her with shining eyes.

Shen ruxue nodded with a smile. I think so. My mom has been doing charity work for years and she knows many people in the entertainment industry.

I really envy you ...

"If there's any extra, I'll give it to you."

"Really? Ruxue, you're too kind!" When her classmates heard this, they hugged Shen ruxue tightly in excitement.

Shen ruxue frowned slightly, and a touch of disgust flashed in her eyes. Obviously, she didn't want to be touched by this girl.

At this moment, a student who had just returned to the classroom shouted, "Oh, young master Xu is here to see campus Belle Shen again!

Hearing this, the entire class immediately followed suit.

Shen ruxue's eyes drooped slightly. She bit her lip shyly, tidied up her dress, and walked to the door.

"Sheng, what's the matter?"

Xu Cheng pursed his lips. ruxue, it's your birthday this weekend. I've prepared a small gift for you.

As he spoke, he handed over the gift box in his hand.

Shen ruxue opened the box in pleasant surprise. Her eyes lit up and she raised her voice. Sheng, is this qingyue's new album? "

Upon hearing this, the entire class instantly cast envious gazes at him.

Xu Cheng nodded. my father ordered this for me. Haven't you always liked qingyue? this is for you.

"Sheng, I really like this gift!" Shen ruxue hugged the gift box tightly. She felt that her vanity was completely satisfied.

She didn't even need to fight for a new album that no one else could get. Someone would give it to her on her birthday ...

133 Lan Lan, you like qingyue a lot too, don't you?

Shen ruxue's joy was apparent on her face.

She didn't hide anything. When she returned to the classroom with the new album, her pink cheeks were as bright as a sunflower.

"Young master Xu is too good to campus Belle Shen ..."

"Boohoo, I want qingyue's new album too! However, not only am I not favored by the school hunk, I can't even hear new songs!"

I'll call whoever can get me the album daddy ...

Shen ruxue returned to her seat. She carefully hid the gift box, afraid that the album would be damaged. However, many students surrounded her enviously.

"School Belle, can you give me a kangkang ... Just one look!"

I promise I won't touch it. I just want to smell it ...

Shen ruxue bit her lip. She was obviously not willing to do so, but she did not show it. Instead, she stood up.

She smiled gently and said, "it's my birthday this weekend. I'm planning to hold a birthday party in my villa and I want to invite everyone.

However, her invitation did not cause any ripples.

It was the month before the college entrance examination, and everyone used the weekends to study hard. At most, they were only interested in goddess qingyue and were too lazy to attend the birthday party ...

f * ck, the White Lotus has flipped over.

Jiang Zhi placed his arm on the back of the seat like a boss and crossed his legs smugly.

Shen ruxue's expression didn't look too good either.

She clenched her fists and said, "I'll share goddess qingyue's new album with everyone when the time comes.

Hearing this, everyone instantly raised their heads.

Not only was he intrigued, but his eyes also lit up. does that mean I can hear qingyue's new song? "

"The surprise came without warning! The college entrance examination is nothing. It seems that I can't miss this birthday party. Wait for me, my children!"

"What kind of little angel is campus Belle Shen? I'll go, I'll go!"

Qingyue's new album had just been released, and the copyright to it had not been acquired by the online broadcasting platform yet, so it could not be heard on the internet for the time being.

Shen ruxue decided to share the album with everyone, and she gained a wave of fans. Everyone decided to go to the birthday party without hesitation!

"Lan Lan, you should also go home and take a look."

Shen ruxue walked to Shi qinglan's side and said, "I remember that you often listen to qingyue's songs. You must like her a lot, right?"

Hearing this, Shi qinglan lazily closed her eyes.

She leaned against her seat and looked up at Shen ruxue. yes, I do listen to qingyue's songs a lot.

Not only did she listen to it often, but she also sang it often ...

She was the one who had sung all of qingyue's songs!

here's the invitation to your birthday party. You haven't been home for a long time. It's good that you're here. You don't need to bring a gift. Shen ruxue handed the invitation over with a gentle smile.

Shi qinglan raised her brows slightly and had no intention of keeping it.

However, Shen ruxue still placed the invitation cards on her table and handed them to LAN Chu and Jiang Zhi. you're welcome too.

However, the two of them rolled their eyes in tacit understanding.

LAN Chu held his cheek with one hand and looked heartbroken. although I really want to listen to the goddess 'new song, I need to have ambition!

Wuwuwu, I missed the opportunity and still want to cry ...

Jiang Zhi twirled the pen in his hand nonchalantly. didn't sister Qing say that she'll get you an album and that she'll sign a 'to' contract? "

"Right! I'll wait for Xiao Qingqing!" LAN Chu instantly cheered up.

Shi qinglan flicked her head lightly and said, " study hard. If you do badly in the third mock exam, I'll confiscate your album.

LAN Chu looked at her in shock.

She hugged herself weakly and helplessly. Xiao Qingqing, you're so cruel. How could you bear to do this to me ...

134 Chapter 134 LAN Chu, wuwuwuwu master?

LAN Chu cried, but he still picked up the pen.

She pouted and lowered her head to solve the questions. Jiang Zhi suddenly turned around and knocked her on the head. hey, which exam are you planning to take? "

"I'll test wherever Xiao Qingqing tests."

LAN Chu wanted to cry but had no tears. but Xiao Qingqing will definitely go to Imperial University. It's so difficult. My score seems to be lacking ...

Jiang Zhi suddenly grabbed LAN Chu's test paper.

He commented in. very annoying manner, " how can you get this kind of question wrong? LAN Chu, are you a pig's brain? and these few questions, your brother Jiang can solve them with my eyes closed ...

"If you keep talking, I'll beat you into a pig's brain!" LAN Chu suddenly stood up, picked up the pencil bag, and threw it at his head.

It had already become a daily occurrence for the two of them to bicker.

Shi qinglan glanced at the test paper nonchalantly. She had been paying attention to Jiang Zhi and LAN Chu's results. It was not a big problem for them to get into Imperial University, but they were still lacking ...

She turned around and placed her arm on LAN Chu's table lazily.

The girl raised the corners of her eyes charmingly and curled her lips like a demon. little Chu 'er, do you want to get into Imperial University? "

LAN Chu gave Jiang Zhi a punch and stopped fooling around immediately.

She sat properly in her seat. yes!

"I'll give you a set of papers in a few days." Shi qinglan blinked her right eye and winked at LAN Chu. don't let me down.

"Ah ..." LAN Chu was lost in her beauty.

Her pink lips were slightly open as she looked at Shi qinglan in a daze. She did not come back to her senses for a long time, feeling as if she had won the first prize!

sister Qing, you're actually going to tutor her personally? I want to do it too! Jiang Zhi rapped his pen against the table in protest.

Shi qinglan's beautiful eyes narrowed. go and beg little Chu.

LAN Chu looked at Jiang Zhi arrogantly. He mimicked his provocative look and hooked his finger.

Jiang Zhi gritted his teeth in anger, but he still admitted defeat in the end.

..

After the evening self-study session ended, the students who did not stay in the dormitory left the school one after another. Shi qinglan was called to have a chat with her form teacher, he Wenjie. She had high hopes of becoming the provincial top scorer, so she was delayed for some time.

As soon as she walked to the school gate, she saw a thin and slender figure under the dim street lights ...

LAN Chu lowered his eyes and looked at his toes. He looked a little disappointed, and a few drops of tears were rolling in his eyes.

"Little Chu?" Shi qinglan's Red lips parted.

Hearing that, LAN Chu immediately raised her hand to wipe away her tears. She sniffled and looked up. Xiao Qingqing, you haven't left yet.

Shi qinglan could see that her almond-shaped eyes were slightly red.

Without asking what it was about, he put his arm around the girl's waist and pouted his red lips. do you want sister Qing to send you home? ”

LAN Chu's teary eyes glimmered.

Her fair cheeks puffed up slightly and she nodded gently. my bicycle was stolen, and I was worried about how to get home ...

“Follow me.” Shi qinglan's Red lips smiled.

She hugged LAN Chu's slender and soft waist and couldn't help but rub it. if anyone bullies you, you can tell me.

LAN Chu shook his head slightly, not planning to say anything.

This was her own family's troubles, and it would only add to others 'troubles if she said it.

“Xiao Qingqing, who's coming to pick you up?”

As soon as LAN Chu's voice fell, a black metal Bentley slowly stopped at the school gate with its double flashing lights on.

Shi qinglan narrowed her eyes. it should be my brother.

These days, Shi Qingyun and Bo Xiao city took turns.

LAN Chu nodded her head in confusion. She followed Shi qinglan to the car. The door to the driver's seat suddenly opened, and a tall figure got out of the car and walked towards them.

“LAN 'er, I'm here to pick you up.” Shi qingxuan's thin lips curled up slightly.

LAN Chu was stunned. She felt like her eyes were playing tricks on her and rubbed them again. Master Xiao?”

Ah, Xiao Qingqing's brother was master Sheng of the Shi financial magnate.

Who was that Xiao Qing?

135 The arrogant miss LAN of the past

LAN Chu's mind was in a mess.

Like a little white Rabbit, she looked at Shi qingqiao innocently and then looked at Shi qinglan in a daze. you guys ...

She had something else to do during the coming-of-age ceremony, so she left after the ceremony and didn't pay attention to who her brother was. She only heard her classmates praise him for being handsome later on.

But no one told her ...

Shi qinglan's brother was from the Shi financial magnate!

"Miss LAN?" Shi qingxuan's brows raised slightly, and a hint of surprise flashed across his cold eyes. why are you in Ying city? "

"I ..." LAN Chu bit his lip and lowered his eyes.

She gently clenched her skirt, her eyes a little sore, and tears could not help but roll in her eyes.

Shi qinglan frowned slightly. let's get in the car first.

Shi Qing nodded and opened the car door for the two girls like a gentleman. Shi qinglan hugged LAN Chu and sat in the back seat.

However, LAN Chu didn't mention a word about his situation.

"Where does miss LAN live?" Shi qingxuan raised his eyes and glanced at the girl in the rearview mirror.

LAN Chu's voice was as soft as a mosquito. turn right at the corner ahead and drop me off in the alley over there ...

It wasn't a slum, but it was just an ordinary residence.

Shi qingxiao's fingers gently caressed the steering wheel. He did not ask any questions, but he could not understand why the once arrogant and famous miss LAN would live in a place like this ...

"We're here." The Bentley stopped steadily by the side of the road.

"Thank you," she said. LAN Chu pursed his pink lips. master Sheng, can you please not tell anyone about this ...

She did not know who Shi qinglan's brother was before this.

If she had known, even if she had walked home, she would definitely not have gotten into this car, because Shi Qingyun was too close to that person ...

She didn't want that person to know how embarrassed she was.

"Don't worry, miss LAN." yes, " Shi qingqiao replied in a low voice.

LAN Chu thanked her again, then pushed open the door and got out of the car. He waved at Shi qinglan and ran away.

..

When LAN Chu saw Shi qinglan again, the look in his eyes was different.

He was coy, obedient, and soft, and even a little doubtful of life, she whispered. He poked her and said, " Xiao Qingqing, why didn't you tell me that you're the young miss of the Shi financial magnate? "

Shi qinglan's Red lips curved into a smile as she said softly, " didn't you cover up your identity as miss LAN as well? "

After she returned home, she used the pure world Pavilion's Information Network to check and found out.

LAN Chu was born in the LAN family of the capital and was once a pampered young miss. However, her biological parents passed away in an accident three years ago and her uncle seized all the family property.

Her uncle had kicked her out of the house and sent her to Ying city. Since then, he had never asked about her life, as if ...

The LAN family's young miss had died with her parents.

"I'm not anymore, anyway." LAN Chu mumbled.

Shi qinglan pursed her red lips and patted her head. you'll get better. You can get back to the capital on your own.

LAN Chu's dull eyes gradually lit up.

She pursed her pink lips and nodded firmly. Xiao Qingqing, I will get into Imperial University. I will definitely get into Imperial University.

Even though her parents had already abandoned her and left the world ...

However, the LAN family was the last thing they had left behind. She had to get it back, not a single thing left!

"You have to do this set of papers seriously." Shi qinglan threw the questions she had set onto LAN Chu's table. I'll give you the rest next week.

"Alright," he said. LAN Chu nodded obediently.

She buried her head and began to work on the questions, her pink lips biting the tip of the pen. Her serious look was cute but also heartbreaking.

136 Promise me, don't you regret it

Shen ruxue's birthday party was scheduled for Saturday.

Everyone tacitly finished their homework as soon as possible and then secretly rubbed their hands together in anticipation of the birthday party.

Of course, this had nothing to do with campus Belle Shen.

It was mainly to listen to qingyue's new song!

"My heart is in so much pain!" LAN Chu tugged at the clothes in front of his chest. Xiao Qingqing, can you really get a new major? "

Shi qinglan glanced sideways and was about to say ...

LAN Chu mumbled to himself, " that's right. I believe that even if you can't, master Sheng will definitely be able to get it!

The Shi financial magnate was much more impressive than the Shen family's charity.

Shi qinglan was speechless.

Forget it, she would not explain for the time being.

The students planned to move out as a group. After they handed in their homework, they went to Shen ruxue's house together. Those who had nothing to do for the time being began to chat.

"I've heard the transcript on Weibo!"

even though the sound quality is terrible, I've still been charmed by the goddess. I hereby announce that I'm going to a concert in my life!

don't even think about it. We can't even get the new album, and you're still dreaming of seeing her ...

Hearing this, Shi qinglan looked at her lightly.

However, it was obvious that no one noticed her. The International heavenly Queen had been ruthlessly ignored by her fans!

"Xiao Qingqing, shall we go?" LAN Chu had also finished his homework.

Shi qinglan nodded gently. But just as she stood up, she saw Shen ruxue walking toward her.

"Lan Lan, do you want to come with me?" Shen ruxue looked at her with a gentle smile. She was holding many birthday gifts in her arms.

Shi qinglan's beautiful eyes were filled with a cold light.

Her red lips curled up slightly, and her smile was cold. are you sure you want to invite me? "

The girl's eyes were charming but sharp.

Shen ruxue looked up at her and was shocked by her gaze. She subconsciously avoided her gaze.

Her smile was extremely forced. of course I'm sure. Even if you've found your family, I'll still treat you as my sister.

Speaking of which, the Shen family hadn't severed ties with her yet.

Although Shi qingxun had given her a three-day deadline as a threat, Shen fengzhen refused to give up until she got the money. She did not believe that this man could stir up any trouble, so she decided to drag it out.

Shi qinglan gave. half-smile. Shen ruxue, have you forgotten ... Where did you get the money to buy a villa?"

She approached him step by step, her delicate and long voice full of coldness, as if she was threatening him.

Shen ruxue's heart skipped a beat.

She clenched her fists tightly. She had not expected Shi qinglan to threaten her with this. I don't understand what you're talking about.

"Of course my mother earned the money for our villa. Where else would the money come from?" She said with confidence.

The necklace had been sold ten years ago ...

Even if Shi qinglan knew the truth, she could not produce any evidence, and there was no point in her empty words!

“Is that so?” Shi qinglan’s Red lips curled up again.

She took out her phone slowly and glanced at the intelligence network of the pure world Pavilion. Her account was now full of evidence, and she needed a public occasion ...

Ever since she was reborn, she had been collecting evidence.

In her previous life, she believed in Shen ruxue and thought that giving the necklace to her family was to repay their kindness for adopting her. However, she was not so stupid now.

She had to take back this villa!

Shi qinglan smiled sweetly. since you’ve invited me so sincerely, I’ll make the trip.

“Promise me ... Don’t you regret it. ” Her right eye blinked slightly, and there was a bit of wild provocation in her charming eyes.

137 The evidence of the Shen family’s theft has been gathered

Shi qinglan was charming and confident.

Shen ruxue felt guilty. Lan Lan, I almost don’t understand what you mean. What do I have to regret? ” she asked.

Shi qinglan’s Red lips slowly curled up.

There was a cold smile in her beautiful eyes. She nodded gently. let’s go together then.

Since she won’t shed tears until she sees the coffin, then don’t blame her.

“What?” LAN Chu looked at Shi qinglan, dumbfounded. Xiao Qingqing, you’re going to the birthday party with her? ”

Didn’t you say that you wouldn’t participate if you had the backbone?

Shi qinglan’s Red lips gave a slight smile. Her Jade-like fingers touched the girl’s chin lightly. do you want to come with me? ”

LAN Chu didn’t understand the situation.

However, as Shi qinglan’s ultimate fangirl, she did not need to figure out the situation. She just had to follow behind the big boss.

Hence, she nodded like a chick pecking at rice. go!

The students left the campus in groups and everyone took a taxi. They were even chatting about qingyue on the way ...

Shi qinglan and LAN Chu were on the same boat.

As soon as they got into the car, Shi qinglan gave Shi qinglin a call, intending to tell him that he did not need to pick up the call.

“Swish-”

Shi qingxun was temporarily staying in Ying city, so he could only deal with the company's matters through video conferences. At this moment, the financial manager was reporting the financial situation of the Shi Financial Group last month.

Suddenly, she heard the sound of her phone vibrating ...

He lowered his head and glanced at it indifferently, but when he saw the caller ID, his cold eyes were filled with a faint smile.

“The meeting is suspended.” He raised his hand.

The Finance Director's voice stopped abruptly. The senior management in the conference room looked at the video collectively. They could only vaguely see a smile on master Sheng's cold and hard face. Then, the screen turned black ...

Shi qingxun temporarily closed the laptop.

He immediately picked up the phone and asked in a soft voice, “LAN ‘er?”

“Brother, I have something to do after school. You don't have to pick me up today.” Shi qinglan said coyly.

It was only in front of Shi Qingyun that she would act like a little girl, acting cute and coy.

“Alright,” he said. Shi qingxun smiled. a class reunion?”

The corners of Shi qinglan's eyes twitched slightly, and her smile had a touch of slyness. yes, it's Shen ruxue's birthday party.

Upon hearing this, Shi Qing's eyes darkened.

His well-defined fingers tapped rhythmically on the table. After thinking for a moment, he said, “okay, go play.

Shi qinglan ended the call.

Shi qingxuan's thin lips pursed slightly, and his cold eyes deepened. He suddenly said in a deep voice, " Ji Lin.

Ji Lin heard the young Master's Voice and immediately rushed over.

He looked at him with a kind smile. what can I do for you, young master? "

Shi qingxiao's long and narrow eyes narrowed. She seemed to be indifferent, but her voice was cold. have the mother and daughter of the Shen family handed over the adoption procedures for LAN 'er? "

"Not yet," Ji Lin's smile vanished.

Shi qingxuan's eyes glinted coldly. I remember that I only gave them three days.

Ji Lin noncommittally smiled.

He had already guessed why Shi Qingyun had called him, so he handed him the paper bag he had prepared. young master, the evidence of the Shen family's theft of valuable private property has been gathered.

Shi Qingyun indifferently raised the corner of his eyes.

His cold lips curled up slightly, and there was a hint of sarcasm in his smile. hand the evidence to the police station. I'll make a trip there myself.

Ji Lin nodded in response and turned around to carry out the order.

Shi Qingyun quickly ended the conference call and got up to leave, ready to go to the Shen family in person ...

138 Little Chu 'er, I am actually qingyue

At the Shen family villa.

The small villa was located in the top residential area on the outskirts of ning city. It did not have a separate garden, but stood side by side with the other owners 'villas. Although it was not magnificent, it was enough to make people envious.

The villa's interior decoration was exquisite and luxurious. Crystal chandeliers and a pink Princess room were all available. There was also a family Theater and a billiard room in the basement. Life was very comfortable ...

"Heavens! Ruxue, your house is so beautiful!"

this is the villa of my dream. If only I could reincarnate into a rich family ...

ruxue, I heard that rich people have their own cloakroom. Can you show us around? ”

The students were envious after visiting the villa.

The vain girls were especially interested in Shen ruxue’s clothes and jewelry. They looked at her with anticipation.

“Yes, I’ll show you around.”

Shen ruxue’s soft lips curved up slightly. She had fulfilled the wishes of these girls and also satisfied her own vanity.

In any case, the villa was not cheap ...

Even if Shen fengzhen had taken a sum of money after selling the necklace, it was only enough to buy a small economic villa like this. Therefore, Shen ruxue only had a simple cloakroom.

“Her cloakroom is so small ...” LAN Chu pursed his lips.

In the past, her cloakroom in the LAN family’s house in the capital was even bigger than the single story of her villa, and she didn’t think it was worth showing off at all.

Shi qinglan’s Red lips smiled. let her show off.

In any case, even this mini cloakroom would be gone soon.

The students who had never seen the world chattered, and they were so envious that they wanted to stick themselves to Shen ruxue. The two big bosses sat on the sofa in the living room and peeled oranges.

“Lan Lan, why are you here?”

Shen ruxue had changed into a white chiffon dress and walked down the spiral staircase like a princess. aren’t you going to play with the others? ”

Shi qinglan’s eyes twitched slightly.

She stuffed a peeled orange into LAN Chu’s mouth. no, your villa’s three-story is not even as big as my parking lot.

LAN Chu was speechless.

Her walk-in closet, which was bigger than a single-story villa, did not deserve to exist.

However, Shen ruxue thought that she was joking. Lan Lan, you're still as humorous as you were when you were young.

Shi qinglan gave LAN Chu another piece of orange.

At this time, the girls who had finished visiting the cloakroom came downstairs one after another. They were discussing Shen ruxue's dress excitedly.

I saw that ruxue has Dark's latest design!

"I saw it too! I really like Dark's clothes, but they only make the most luxurious ones ..."

"You can only look at it from afar, but can't blaspheme it. You can't afford it, you can't afford it!"

Shen ruxue chuckled. Her ego swelled up a lot when she heard their compliments.

my servants are already preparing for the banquet. Before that, why don't I share qingyue's new album with everyone? "

As soon as Shen ruxue said this, the students' attention was immediately diverted. They looked at the album with great longing.

"We'll be able to hear the new song of our goddess soon!"

"

Shen ruxue pressed the play button under everyone's anticipation.

As if Pandora's Box had been opened, the beautiful voice of the moon flowed out slowly. Her sexy and charming voice interweaved with the dynamic and domineering notes, instantly capturing everyone's heart!

"The lanchu clay mouse let out a shrill scream. She was completely intoxicated by it. my ears have announced that it is pregnant!"

Shi qinglan leaned back lazily. She glanced at LAN Chu and tugged at the corner of LAN Chu's clothes. Then, she lowered her voice mysteriously.

Little Chu, let me tell you a secret ...

"I'm actually qingyue."

139 You can't go back on your promise

LAN Chu blinked her eyes in confusion.

She turned to look at Shi qinglan and tilted her head thoughtfully. Her soft and dazed look was simply adorable.

Xiao Qingqing, although I believe whatever you say, but ...

LAN Chu's pink lips pouted slightly. She leaned closer to Shi qinglan and said, " I have something to say. Don't be unhappy.

Shi qinglan lifted her chin slightly. feel free to speak.

LAN Chu carefully moved closer to her and lowered his head, " that ...

She stretched out her fair and tender finger and pointed at Shi qinglan.

"Your breasts seem to be smaller than my goddess". Her voice was buzzing like a mosquito as she mumbled.

Shi qinglan was speechless.

She cast a suspicious glance at herself.

She was wearing the blue and white school uniform, the color as pure as the blue sky and white clouds. With her black hair hanging down, she looked pure and beautiful, and the visual senses were covered up a lot.

Compared to the International Music Queen, qingyue ...

The mysterious mask covered her face, but her fans remembered her seductive eyes and her tender red lips.

In addition, her shoulders were slim and her waist was slender. The mature stage style made her even more graceful. Even if she didn't show her face, she had long been imagined as a fairy with an excellent figure.

"Alright then." Shi qinglan's Red lips twitched.

She originally wanted to blow up her avatar to give LAN Chu a surprise, but who knew that the die-hard fans couldn't recognize her ...

Moreover, he actually despised her for being small!

"Xiao Qingqing, don't be angry."

LAN Chu grabbed the corner of her clothes. but the point is not that you're angry. The main point is that you can't go back on your promise.

Shi qinglan was speechless.

She squinted slightly and looked at the girl's nervous and honest appearance. She couldn't help but pinch her baby face. I mean what I say. I'll give it to you.

LAN Chu nodded like a chicken pecking at rice.

She put her heart back into her stomach and ignored the real goddess beside her. She continued to listen to the new album's Groundhog scream.

"The goddess's new song is amazing!"

I really hope that the goddess will hold another concert. Even if I can't see it live, it'll be good to see it live!

the goddess has already disappeared for a year. I'm already very surprised that she can release a new specialty. I don't want to think about anything else ...

Everyone was reveling in qingyue's new album.

Shen ruxue's birthday party had turned into a goddess's song viewing party until the sound of the villa's lock being unlocked came from inside.

"Crack-"

Shen fengzhen walked into the villa with the cake.

Her classmates stood up one after another and greeted her politely, " Hello, Auntie.

Shen fengzhen's face, which was covered in Rouge and powder, was beaming with joy. She replied enthusiastically, " good, good, good. Nice to meet you all.

"They are all here to celebrate ruxue's birthday, right?"

She placed the cake on the dining table. ruxue, why don't you ask your friends to come over and cut the birthday cake? "

Shen ruxue stood up with a smile.

She turned off qingyue's song and said, " everyone, the dinner is ready. Let's go to the table and cut the cake.

The goddess's charming and seductive singing stopped abruptly ...

Many of the students expressed their regret, but they still remembered that they were here to attend the birthday party. Besides, without Shen Ruxue, they would not have been able to hear Qingyue's new song for a short time.

"Ruxue, Happy Birthday!"

"Then I wish the school Belle good results every day, exceptional results in the college entrance exam, and a smooth entry into Imperial University!"

Everyone took their seats and gave their birthday wishes.

Shi Qinglan also picked a seat at random. As soon as she sat down, she looked up and saw Shen Fengzhen's disgusted expression ...

140 Shi Qinglan, we shall wait and see

Shi Qinglan's Red lips curved up slightly.

LAN Chu sat down beside her. When she met Shen Fengzhen's evil adoptive mother's gaze, her petite body couldn't help but shiver.

"Xiao Qingqing, she looks like a witch ..."

She pouted her pink lips, picked up an Apple, and began to chew on it. She looked more like a princess who had been poisoned by a witch than Shi Qinglan.

Shi Qinglan smiled. That's her.

Naturally, Shen Fengzhen heard what she said. She walked over to Shi Qinglan's side in a flustered and exasperated manner. The fire of anger was burning in her heart, but she had to suppress it for the time being ...

Shi Qinglan, I'm warning you. You'd better not mess up Xue'er's birthday party, " she said in a low voice.

"Don't forget that you're an adopted daughter. It's your honor to be able to step into this villa. If you celebrate her birthday well, I'll consider giving you a hundred Yuan for living expenses."

Hearing this, Shi Qinglan's smile faded.

A chill ran down her spine as she looked up at Shen Fengzhen. Before you give me a warning, don't forget how much you bought this villa.

"You ..." Shen Fengzhen gritted her teeth in anger.

This matter had always been her weakness in front of Shi qinglan. It was only because she knew that Shi qinglan would not be able to find out anything that she had dared to do as she pleased all these years. don't even think about smearing my name.

This wench wouldn't be able to find out anything anyway!

Shi qinglan smiled coldly. let's wait and see, then.

Her smile was like the morning dew, with a cool feeling in the morning breeze, but also condensed on the most delicate flower.

"Little b. tch ..." Shen fengzhen cursed.

After all, she was just a rural woman from the slums. Even if she lived in a villa now and was covered in luxurious jewelry and jades, she still couldn't change the bad habit of being a wild woman.

If you open your mouth or shut your mouth, you're just a little wench ...

Shi qinglan was already used to it. Her red lips curled up slightly as she leaned lazily on the dining table Chair, holding her phone.

"Wow, this cake is so beautiful!"

this is the first time I've seen a three-layer cake. I've only seen it on TV before, but I didn't expect to actually get to eat it!

school Belle, make. wish.. 'm waiting for you to blow out the candles ...

Her classmates were all enthusiastically attending the birthday party. Surrounded by them, Shen ruxue put her hands together and closed her eyes.

After making a wish, she gently blew out the candle ...

"Then I'll cut the cake." Shen ruxue smiled. She picked up the knife and was about to cut it, but the class leader stood up and stopped her.

He said, " ruxue, before you cut the cake, we have a video to broadcast. It's a gift from your classmates.

"There's a gift?" Shen ruxue was pleasantly surprised. She immediately ordered the servants to bring the home theater's equipment over.

LAN Chu's white and tender cheeks puffed up slightly. you have a lot of tricks.

Shi qinglan smiled without saying a word. A faint coldness flashed across her charming eyes. She lowered her eyes and took out her phone.

The curtain was put down, and the class monitor went to adjust the projection screen ...

“Little Chu, there’s a good show to watch.” Shi qinglan’s voice had a hint of a smile, her smile charming yet wild.

Her Jade-like white fingertips danced on the phone screen.

Countless codes flashed across her mind. It was obvious that she was hacking into Shen ruxue’s home theater system.

“I’m going to play the video!” The class monitor announced.

Shi qinglan raised her eyes slightly and saw that the projection screen had been turned on. She was about to start the program to show the evidence in her hand ...

The door of the villa was suddenly kicked open!

“Bang!”

The police swarmed into the villa in an instant. Surrounded by the dark green uniforms, Shi qingxun strode steadily into the villa in a black suit that accentuated his tall figure.

The aura around him was so cold that no one dared to look at him directly ...
