151 After consuming this poison, one will be mute for life

Shen ruxue's face turned pale.

She looked up at the man in front of her. She recognized this man and knew that he had been by Shi qinglan's side since she was in the orphanage ...

However, she had never known his identity!

"You ... How is that possible ..." Shen ruxue began to doubt her life. She clenched her fists tightly.

Shi qinglan should have been an abandoned orphan!

But now, the man by her side had such a noble status. The so-called orphan with a tragic background was actually just a young lady from a top rich family who had disappeared for many years ...

"Hahahaha ..." Shen ruxue suddenly started laughing.

She laughed sarcastically and mournfully, tears falling from the corners of her eyes, but at this moment, it did not make people feel pity.

She was like a clown. She thought she was making fun of others, but after exposing her mask, she found that everyone was just a noble spectator. She was the only one who had been made fun of.

"What do you want?"

Shen ruxue lifted her disheveled face and looked at Bo Yucheng in despair. Her bloodshot eyes were filled with anger and hatred.

The smile on Bo chicheng's lips spread across his entire face.

He lowered his eyes to look at the dagger that had stabbed into Shen fengzhen's jaw. He suddenly pulled it back and stabbed it straight into the ground.

"Da-"

The tip of the dagger fell to the ground, making a crisp sound.

Shen ruxue's body trembled subconsciously. She clenched her fists tightly, and her knuckles turned white from fear.

"After consuming this poison, one will be mute for life."

Bo Zhicheng slowly took out a medicine bottle and stared at Shen ruxue, who had fallen to the ground.

He curled his lips sarcastically. there are two pills inside.

Hearing this, Shen fengzhen also raised her head.

Her disheveled hair covered half of her face. Thinking of how she would become mute and be bullied by others, she backed away like crazy. I'm not eating ... I'm not eating!"

The people locked up in the prison were all villains. They might have been murderers in the past. If she really became mute, her future days here would definitely be worse than death!

Shen ruxue's face was also slightly pale.

Her voice trembled slightly, and a cold light flashed in her eyes. just tell me what you need me to do.

Bo Yicheng chuckled in a low and hoarse voice, his laughter slightly cold.

His eyes drooped slightly, and his slender white fingers casually played with the bottle of poison. I didn't expect that miss Shen could still hear my implied meaning at this time.

Shen ruxue pursed her lips tightly and didn't say anything.

Bo ye Cheng handed the bottle of poison over, his voice slightly cold. if you're willing to personally feed Madam Shen one of the pills, you can choose to throw away the remaining one.

Shen fengzhen's eyes widened as she looked at him.

Her face was filled with disbelief. you ... Don't think that your evil plan will succeed. This is my biological daughter that I've been carrying for ten months. She would never treat me like this!"

Bo Li Cheng's smile gradually became a little sarcastic.

His voice was cold and unfeeling. the choice is in miss Shen's hands. You can do as I say, of course ... You can also choose to become a mute with your mother."

The last two words fell to the ground like ice.

Shen ruxue also felt a chill around her. The fear of becoming a mute enveloped her whole body.

She reached out with a trembling hand and took the bottle of poison from Bo Yucheng's hand, then turned to look at her biological mother ...

"Xue 'er, you won't do that, right?"

Shen fengzhen backed away in fear. I'm your mother. How could you do this to me? "

152 Just shut your mouth completely

Shen ruxue clenched the medicine bottle in her hand tightly.

She raised her eyes to look at Shen fengzhen, her hand holding the poison trembling violently. mom ... she said. I don't want to become a mute ..."

Hearing this, Shen fengzhen instantly felt hopeless.

Cold sweat covered her back and soaked her clothes. How could the cold and damp prison compare to her biological daughter's words? a cold feeling gripped her heart, and her eyes were filled with disbelief.

"No! Xue 'er ..." She shook her head desperately.

Shen ruxue picked herself up from the ground with the bottle in her hand. She walked over to Shen fengzhen with weak steps and slowly knelt down. mom, I'm your biological daughter ...

"I'm still so young, I'm not married yet, and I'm going to take the college entrance examination soon. How can you bear to let me become a mute and be bullied?"

"You're my mother, you should protect me!"

"As long as you eat this pill, I won't have to be mute anymore!"

Shen fengzhen crawled backward as if she was trying to escape.

She fell to the ground and kept moving backward with her hands on the ground. no, I don't have a daughter like you. I don't!

At this moment, she really wished that she had never given birth to Shen ruxue.

She had never expected that the daughter she had carried for ten months would feed her mother this poison for her own benefit!

“Mom, you should be proud.”

Shen ruxue poured out a pill of poison and pinched Shen fengzhen’s face. you sacrificed yourself to protect our daughter. I’ll be grateful to you for the rest of my life.

“No...” Shen fengzhen shook her head like a mad woman.

Fear and despair spread in her heart, but her face was being pinched by Shen ruxue. Her strength was not as strong as her young daughter’s, so she couldn’t break free at all!

“Shen ruxue! You cruel and unscrupulous thing!”

“You little b * tch! Mom raised you up, and you treat me like this! I don’t want to eat poison! I don’t want to ... Uh ...”

Shen fengzhen shrieked, cursing and resisting with all her might. But suddenly, a pill of poison was forced into her mouth.

“Pa-”

The bottle containing the poison was smashed to pieces.

Shen ruxue watched helplessly as the pill was sent down her throat. She felt lucky and heaved a sigh of relief.

“Uh ... Uh uh!”

Shen fengzhen clutched her own neck. She wanted to make a sound, but she was helpless. The strong sense of despair and helplessness made her want to strangle her so-called daughter.

Her eyes darted around and suddenly found that the bottle that had been smashed to pieces did not have the so-called second pill!

“Uh, uh! Uh!” She let out a duck-like shriek, crawled to the side of the poison bottle, and smacked the ground.

Shen ruxue looked over and was stunned.

“This ... How is this possible?” She widened her eyes in shock.

There had never been a so-called second poison, but she believed in Bo Yucheng's words. In order to protect her throat, she had personally erased her biological mother's right to speak!

"No..." Shen ruxue fell to the ground.

She looked up at Bo Li Cheng, her eyes filled with hatred and regret, but there was no medicine for regret in life.

How Shen fengzhen had mistreated Shi qinglan in the past, she had returned the favor with the poison that her own daughter had fed her!

She had scolded Shi qinglan in the past, and now she was retaliating every single word on Shen ruxue!

since this mouth has once scolded my Lan Lan ...

Bo Yucheng slowly opened his mouth, his voice deep and long. then completely close it forever.

His expression was dark and his temperament was awe-inspiring, his heart was vicious but he seemed to be graceful, like a noble and elegant demon ...

153 No one can stop me from studying today

Ji City High School.

The moment Shi qinglan stepped into the classroom, almost all the students in the class raised their heads. Their eyes were filled with complicated emotions, a mix of envy and respect ...

"Good Morning, sister Qing!"

"I can lick sister Qing's face for a lifetime!"

sister Qing is so charming today!

I felt like my blood sugar level was a little low before sister Qing came, but I'm back to normal now!

The whole class immediately began to flatter her. The girls looked at her with Starry Eyes, and the boys quickly piled her table with snacks, including several chocolate mousse.

cough, cough, cough-"

Jiang Zhi's mouth was wide open in shock. He had been chewing on the bun with great relish, but the meat filling fell out of his mouth and rolled on the ground. .. ck ... Has everyone finally gone crazy?"

He felt like he had missed something by not going to the birthday party.

LAN Chu's eyes were curved and bright like the crescent moon.

She seemed to have already guessed this. Her smile was sweet and meaningful. you'll get used to this kind of thing in the future.

Jiang Zhi slowly typed a:

He felt a little confused and couldn't get used to it.

Shi qinglan walked over to her seat and took out two albums from her bag. I'll sign them with you.

ah! LAN Chu screamed.

Sensing the strange gazes from her classmates, she immediately covered her mouth with her hand, revealing only her pair of black grape-like eyes. Her eyes were rolling around, full of surprise.

She looked at the album in disbelief and picked it up carefully. Goddess qingyue called me little Chu 'er ... I'm going crazy!"

LAN Chu was so excited that he almost fainted on the spot.

She hugged the album tightly in her arms and was so happy that she looked like a fool. Jiang Zhi, on the other hand, was much calmer.

"Do you have to be so excited?" He pouted.

He looked at the album over and over again. Compared to this, he was more interested to know why his classmates were so crazy.

"It's really qingyue's new specialty! And it's to sign!"

"As a bone ash fan, I can guarantee with my head that this signature is absolutely, absolutely real!"

sister Qing is indeed a peerless little cutie. I want to study, I love to study. I want to ask sister Qing for an album even if I have to improve my third mock!

The students came over excitedly to take a look at Qing Yue's to sign.

Even if they had not believed that she would be able to get the album, now that they knew her true identity, whoever dared to doubt Shi qinglan's words was an idiot!

"Learning makes me fall faster, I won't stop until I'm bald!"

"I'm a dog if I don't improve in the third mock."

"Today, no one can stop me from studying hard."

"Only those who love to learn are worthy of being my friends."

After the students admired the album with envy and hatred, they immediately started to work on the questions like crazy.

When he Wenjie walked into the classroom and saw that everyone was studying hard, he even started to doubt his life ...

"I didn't go to the wrong classroom, did I?" He touched his jaw.

She went back to the corridor and looked up to see that it was indeed Grade 12 class 1. She then came back in a mess.

He Wenjie was confused. I didn't go the wrong way ...

So he knocked on the blackboard twice. everyone, let's pause for a moment. Before class starts, I have something to tell everyone.

The students were speechless.

He remained silent and continued to study hard. No one paid him any attention.

After all, Shi qinglan had promised that anyone who made progress in the third mock exam would get their album from her for free.

The class teacher was not important at all ...

The only thing on their minds right now was to learn!

154 Second brother's appearance, Shi qingxiao, that bastard!

Time passed by quickly, and the third mock exam arrived as scheduled.

Under the Chinese scholar tree outside the campus, the young man was wearing a pure white hoodie. His puffy black hair covered his eyes slightly. His skin was fair and his nose bridge was straight. He looked gentle and handsome.

But when her cherry-like lips opened ...

“Shi qingxun, you bastard!”

The teenager’s eyes narrowed slightly, and there was a bit of anger in his clear eyes. if I didn’t get the secret information from Grandpa, how long would he have hidden my sister? ”

His assistant, ah Yu, was speechless.

big brother an, do you know how difficult it is to get an endorsement deal for an international luxury brand like Dark? I finally managed to get you a chance, but you stood them up like this? ”

“Shut up,” he said. Shi qingan stuffed the donut into his mouth.

He knew that Xiao LAN ‘er liked chocolate, so he went to the dessert shop to buy a lot of Western desserts. At this moment, he was holding a pile in his arms, so he casually took a different flavor to stuff Yu’s mouth.

“Big brother an ...” Yu was munching on a donut.

He realized that it was too late to persuade him to go back. This endorsement was probably already ruined. then you should at least put on your sunglasses and mask. What if you get photographed by the paparazzi? ”

He had even helped think of the Weibo trending topics!

The nation’s husband, Shi Qing ‘an’s, relationship was suspected to have been exposed. His girlfriend was not an insider, but an underaged high school student ...

“Which paparazzi would come to my high school and wait for me?”

Shi qingan ignored him and stuck her head out from behind the Chinese scholar tree. She was already imagining the scene of the siblings reuniting.

His lips curled up slightly. I remember that Xiao LAN ‘er used to wear pink Princess dresses. Her face was soft to pinch, and she would sweetly ask for a hug from brother.

She should still be so cute now ...

Shi qingan raised his chin slightly. The sunlight shone on his fair and handsome face, making him look like a teenager who had just walked out of a comic book.

“Ring ...”

The bell for the final exam of the third mock exam rang.

Shi qingan immediately put on a hoodie and sunglasses to cover half of her face. She then swiftly put on a mask and stuck close to the locust tree as if she was being punished.

Yu was speechless.

The students left the exam hall one after another.

When Shi qingan, who was hiding behind the tree, heard these movements, she was filled with anticipation. Her heart beat faster, and she couldn't help but stick her head out to search for her sister's figure.

"Ah!"

"Big brother! I think I see big brother!"

Hearing the shriek, Shi qingan immediately hid behind the tree. how did they recognize me when I covered myself up like this? "

The screaming fans quickly gave an answer.

"I swear I'm not seeing things! That's definitely big brother!"

"As a bone ash grade fan, I can recognize him even if he turns into ashes! And he even wore that hoodie on set!"

Under the sunglasses, Shi qingan's eyes were filled with annoyance.

However, Yu suddenly grabbed his wrist. what are you waiting for, big brother an? you're going to be trending if you don't run now!

As soon as he finished speaking, he pulled Shi qingan and ran away.

The paper bag with the Western desserts in her arms was scattered all over the floor. Shi qingan was still thinking about it. Hey, hey, I bought that for Xiao LAN 'er!

"I'll buy it again next time!" Yu couldn't care less.

At this moment, Shi qinglan had also handed in her paper and left the exam hall. However, just as she reached the school gate, she saw a white figure running away in a panic, and a car suddenly hit him ...

"Be careful," he warned. She chased after him.

Shi qinglan grabbed the young man's wrist without hesitation and pulled him into her arms. Fortunately, they managed to avoid the car.

"Big brother an, are you alright?" Yu almost had a heart attack.

Shi Qing 'an was dumbfounded by the car. After a long time, he regained his senses and slowly turned to look at the girl ...

155 I think I'm in love!

The girl's Black hair fell on her shoulders.

Perhaps because she had chased him in a hurry just now, a few strands of black hair were a little messy, slightly covering that exquisite porcelain-like face, which had a somewhat charming messy beauty ...

"Are you alright?" Shi qinglan tucked her hair behind her ears.

She didn't have time to think too much just now. She only saw someone almost hit by a car and saved him.

Shi Qing was dazed for a moment. I ...

She sized up Shi qinglan's face. The girl's skin was smooth, her eyes were bright, and her teeth were white. Her beautiful eyes were glistening with light, and her slightly opened red lips were tender and beautiful.

She was charming, lively, and breathtakingly beautiful.

However, at this moment, the crazy screams of the fans suddenly sounded again, "I see brother! He's over there!"

"This is the closest I've ever been to my brother in my life!"

"Time doesn't disappoint my heart, I will follow you forever in this life!"

Shi qingan's fans were truly crazy. After locating his location, they immediately swarmed over like a swarm of bees ...

"It seems like you're fine. I'll take my leave then."

The corners of Shi qinglan's eyes lifted slightly. She glanced sideways at the swarming fans, then turned around and waved.

She guessed that the young man was probably a star ...

In order to avoid being hunted down by his fans, it was better to die first.

Shi qingan stared at her back, lost in thought. Suddenly, he grabbed the assistant's wrist and said, " ah Yu, she looks like my mother ...

Yu was speechless.

Just as he was about to pull Shi Qing 'an and run, he suddenly heard him say, " I think I'm in love!

Yu was speechless.

He looked at him in shock, but Shi qingan's eyes were still fixed on Shi qinglan. He took off his sunglasses, and his clear and bright eyes were filled with adoration ...

"F * ck, big brother an, don't mess with me."

Yu lowered his voice and gritted his teeth. forget it. Let's not worry about whether we're in love or not. The fans are already here. It looks like we can't escape. Let's just deal with it first.

Shi qingan was still immersed in her sweet love.

At that moment, his mind was filled with Shi qinglan's beautiful face. That face that looked so much like his mother's had instantly pierced his heart, which had been single for 23 years ...

"Big brother an?" Yu tugged at the corner of his shirt. big brother an!

Shi qingan blinked her eyes innocently. He finally snapped out of his daze and looked at his assistant. His clear eyes were filled with confusion and glowed like stars.

hahahaha, brother is so scared of us. This cute little puppy look is so cute!

"Brother, you look so good up close! My eyelashes are so long, I want to swing on big brother's eyelashes!"

what man-torn. It's clearly better than the comic!

brother, you're so handsome! I can't stand it anymore ...

The fans looked at Shi Qing and an with stars in their eyes. However, an's fans were very well-mannered and didn't crowd around. They only surrounded the older brother and kept their distance to watch ...

"Hot search warning." Yu reminded him in a low voice.

The “nation’s husband” had appeared in Ning City High School, so his photos would definitely be posted on Weibo. If he continued to look like he was immersed in love, the marketing account would probably really make up nonsense.

Shi Qingan removed his mask.

The young man’s lips curved up slightly. His smile was elegant and handsome, as warm as the spring breeze. I didn’t expect to be found out by you.

“I like big brother’s smile even more!”

brother, why did you come to Zuo City High School? does the arsonist not even let high school students off? ”

Shi Qingan chatted with his fans leisurely and elegantly for a while. His gestures were gentle, noble, and elegant, but from time to time, he would glance in the direction that Shi Qinglan had left in ...

Sigh, his love had flown away just like that.

156 I don’t care, I want to see my sister today

Shi Qinglan was temporarily away from the scene of her idol.

She simply returned to the campus and found a tree to lean against. Her lazy posture had a kind of lazy charm.

“Eh, Xiao Qingqing, what are you doing here?”

LAN Chu jumped out and saw her sister Qing under the tree. He immediately ran over with his short legs.

Shi Qinglan raised her chin slightly. here.

She gestured in Shi Qing ‘an’s direction, the corners of her eyes slightly raised. It was alluring, but it also added a sense of helplessness.

“Hey, isn’t that the best Actor, Shi Qingan ...”

LAN Chu tilted her head and her clear almond-shaped eyes brightened slightly. She suddenly looked sideways. it’s your brother!

Shi Qinglan slowly typed out a:

Her beautiful eyes flickered, and her Willow-like eyebrows raised slightly without a trace, adding a bit of surprise to her expression.

yes. Xiao Qingqing, don't you know your brother? " LAN Chu blinked and looked at Shi qinglan.

Even though Shi Qing 'an had never revealed her identity in the entertainment circle.

However, LAN Chu was born in the LAN family of the imperial capital. Since he knew Shi Qingyun, there was no reason for him not to know Shi qinglan.

"I don't." Shi qinglan's Red lips twitched.

She casually raised her pretty face, lazily straightened her back, and left the tree. She glanced at the scene of her star-chasing.

LAN Chu nodded in confusion. that's true. You've only just reunited with your family, so it's understandable that you don't know brother an.

Hence, the girl's pink and tender little mouth began to chatter.

He started introducing Shi qinglan to Shi qinglan, who was the nation's husband, China's best Actor, and the dream lover of hundreds of millions of girls ...

However, the most important identity was naturally the second young master of the Shi financial magnate in the imperial capital, master Sheng's biological younger brother.

"So ... He's my second brother?" Shi qinglan couldn't help but laugh. Somehow, she could hear the disdain in the girl's tone. you seem to have a lot of opinions about him? "

Hearing this, LAN Chu immediately fell silent.

She pouted her pink lips. of course I have an opinion. He's a big third wheel and a troublemaker ...

Shi qinglan could vaguely hear the girl mumbling something, and her red lips curved up slightly. I'm a third wheel.

Since Shi qinglan had been LAN Chu's third wheel ...

That means that the innocent loli, LAN Chu, already has a first love, and it seems like they have a deep relationship ~

"Xiao Qingqing, don't make fun of me!" LAN Chu stomped his feet in anger.

She subconsciously touched her wrist. The sapphire bracelet felt slightly cold and glowed under the setting sun.

Shi qinglan smiled sweetly. alright, I'll stop laughing at you.

At this moment, the fans had already dispersed after being persuaded by Shi qingan's assistant. She lowered her gaze to look at the time on her phone.

At that moment, Shi qingxuan sent her a text message. LAN 'er, I'm already at the school gate. Shall I take you out for a good meal tonight? "

"Alright," Shi qinglan replied to the message. She put away her phone and said goodbye to LAN Chu, then walked out of the campus.

Shi qingxun was tall and dressed in a suit. From afar, he looked like a noble and elegant figure. He slid one hand into the pocket of his suit pants and stood elegantly beside the Bentley ...

Shi qinglan waved at him from afar.

The man's thin lips curled up slightly, forming a gentle and doting arc, and he raised his chin slightly in response to the girl.

Just as he was about to walk over to welcome her, a surprised voice suddenly rang out, " brother, why are you here?!

Shi qingqiao stopped in her tracks.

He raised his brows slightly and turned to look at Shi qingan. Then. he glanced at Shi qinglan. who was walking toward him. Subconsciously. he wanted to hide his sister, not wanting to be discovered by this Husky.

"I'm just passing by." Shi Qingyun lied through his teeth.

"My ass, are you here to pick up your sister? You actually hid her away without telling me, and even lied to me that you were just passing by!"

Shi qingan's image as the warm nation's husband crumbled. He looked at his brother in disdain and sat in the front of the Bentley. I don't care. I want to see my sister today too.

157 Brother, this is your future sister-in-law

Shi qingxuan's thin lips pursed into a line.

He glanced sideways, not hiding the disdain in his dark eyes at all. sister said she doesn't want to see you.

Shi qinglan stopped in her tracks and blinked.

She thought to herself that she didn't seem to have said that ...

“My ass!” Shi qingan opened her eyes in protest.

He changed his sitting position and bent one of his long legs, stepping on the front of his brother’s precious Bentley in a carefree manner. my sister liked me the most when she was young! he said.

Shi qinglan had been more clingy to her second brother when she was young.

After all, she and Shi qingan were younger in age, and the two of them could get along better. Moreover, Shi qingxuan was cold and aloof by nature, and her appearance would always scare the soft and cuddly little sister.

On the other hand, Shi qingan, the silly Husky, was more pleasing to the girl.

Shi qingxiao’s long and narrow eyes narrowed, and the aura around him turned cold. you’re no longer the one I like the most now.

He had to line up all the way to the back of Bo Li Cheng.

Shi Qing was unconvinced. Wow, you liar! You must have never told your sister that she has a second brother!”

Shi qinglan was speechless.

Her eyes drooped slightly, and she raised her hand to rub her temples, feeling. slight headache. Suddenly. she said softly, ” that ...

Shi Qing ‘an immediately became alert.

He thought it was a fan and immediately looked over, but when he saw that charming face, he was instantly stunned!

ah, mom, my love is back ...

Shi Qing ‘an’s lips parted slightly. His eyes were filled with both confusion and surprise. Then, he started to operate like a tiger.

The young man immediately jumped off the Bentley and put on his sunglasses to cover half of his exquisite face. He leaned against the luxury car in a carefree manner. it’s you. What a coincidence.

His long and white fingers tidied his clothes. He changed his usual lazy and slutty appearance, and his cherry-like pink lips slightly curved up as he looked at the girl with a gentle smile.

Yu was speechless.

F * ck, his artiste was serious when she said she was in love!

Shi qingxuan glanced at him disdainfully from the corner of his eyes, sizing up his stinky little brother's Peacock-like appearance. tsk.

He had just met his little sister and she was already acting like a beast in human clothing.

He had thought that Shi qingan was trying to attract her attention, but he did not expect him to suddenly speak ...

"Brother, brother, please save me some face."

Shi qingan tilted her head slightly, the smile still on her delicate face. She squeezed out the words through gritted teeth, " don't disturb me when I'm flirting with girls. She's your future sister-in-law.

Shi Qing was stunned.

Sister-in-law your ass, that's your biological sister!

Shi qinglan, who had vaguely heard these words:" .."

She blinked her beautiful eyes and looked at Shi qingqiao innocently. Her dazed look made it clear that she was the victim.

Yu moved closer to Shi qingxuan and whispered, " brother an was almost hit by a car just now. It was this girl who saved him. Brother an said that she looks like his mother and he wants to date her.

Shi Qingqi was speechless.

This was his mother's biological son. How could he not look like his mother?

"This beautiful lady, are you my fan?"

Shi qingan's smile was carefree and unrestrained. He raised his hand and gently brushed away the loose strands of hair in front of his forehead. I can sign for you. Anywhere is fine. I don't even have a problem with taking a photo with you.

Yu was speechless.

The corners of Shi qinglan's eyes lifted slightly, and there was a charming glint in her eyes. She opened her red lips and said. " actually, I ...

Shi qingxuan suddenly raised his hand and interrupted the girl.

He pursed his thin lips and his dark eyes flickered with an unfathomable meaning. Then, he pulled Shi qingan to the side.

“Brother, don’t pull me.”

Shi qingan glanced at Shi qingxuan in disdain, then turned to Shi qinglan with a smile. you’re interrupting my love.

158 Shi qingan, why don’t you devote yourself to me?

Shi Qing’s eyes were as black as ink.

His long and narrow eyes narrowed slightly, and there was a slight chill in them. I’m warning you, you’d better not have any ideas about this girl.

Shi qingan took off her sunglasses and looked at him in confusion.

He blinked his eyes, and a little doubt flashed in his clear eyes. you actually want to cruelly destroy my beautiful love? ”

Shi Qingqi was speechless.

If he didn’t show some cruelty now, it would be even crueler when he found out the truth in the future.

He furrowed his brows slightly and reminded him, ” you’re in a relationship with her ... It’s not very suitable.”

Shi Qing ‘an’s brows raised slightly as he sized him up in silence.

Shi Qingyun was still as proud as ever, but her dark eyes were particularly cold at this moment. She stared at him as if she was occupied. There was. Desire.

“I understand.” Shi qingan suddenly came to a realization.

He felt as if he had discovered a big secret. brother, you must have your eyes on that girl too, right? ”

Shi Qingqi was speechless.

Shi qingan gently rubbed her chin. that’s true. She’s really beautiful. I’ve been in the entertainment industry for so many years, but I’ve never seen any female celebrity who’s more beautiful than her.

Shi Qingqi was speechless.

Just as he was about to open his mouth to explain, Shi qingan leaned over and elbowed him lightly. Then, she put her arms around his shoulders and said, "it's fine. We're brothers, after all, competing fairly!"

Shi Qingqi was speechless.

He pursed his lips tightly and really wanted to punch this silly brother of his who did not inherit the Shi family's high IQ at all.

"Actually, she's your ..."

"Brother, you don't need to say anymore!" Shi qingan nodded her head in understanding. although you've been single since you were born, and you're in a worse state than me, I won't show you any mercy.

Shi Qingqi was speechless.

He felt that he couldn't explain it. The intelligence of the two brothers was really not on the same channel. It was better to remain silent for now.

Shi qingan raised her chin slightly and threw a flirtatious look at her brother. Then, she ran to Shi qinglan like a Peacock spreading its tail feathers. I'm sorry for making you wait. Do you want to take a photo now? "

Shi qinglan was speechless.

She didn't say she wanted a photo.

However, Shi qingan pulled the girl into her arms domineeringly and placed her arm on her shoulder. ah Yu.

Yu, who was suddenly cued, came to be a photographer.

Shi qinglan gently lifted her eyelids. Her clear and charming eyes looked as if she had nothing to live for. She subconsciously moved to the side, and vaguely revealed a bit of disdain for her second brother.

"Don't be shy." Shi qingan lowered his gaze to look at the girl in his arms. His lips curled up slightly. I'm a fan of her. You can come closer.

Shi Qingqi was speechless.

I didn't realize my little brother was so flirtatious in the past.

Hence, Shi qinglan was forced to take a picture with her brother.

“Thank you for saving me today.”

Shi qingan let go of the girl. His smile was carefree and unrestrained, but his palms were so nervous that they were sweating. I don't know how to repay you ... Why don't you repay me with your body?”

As he spoke, his eyes flickered slightly.

The nation's husband, who had always been elegant, noble, sunny, and carefree, was still at a loss when it came to picking up girls in real combat. Although he was familiar with the routine of idol dramas, he was still at a loss.

“There's no need to repay me with your body ...”

Shi qinglan forced a smile and said, ” I saved you with no effort at all, and I ...

“I was just joking.” Shi qingan could sense that she was about to reject him, so he immediately interrupted her and tried to change the topic.

He suddenly had an idea. why don't I treat you to a drink? ”

159 As expected, my fan girl still loves me

Shi qinglan's brows furrowed.

There was a faint trace of guilt in her beautiful eyes. She turned her head slightly to avoid his gaze. I don't think I should drink ...

The main thing was that getting drunk in front of her brother was quite embarrassing.

Shi qingan's lips curled up slightly. His clear eyes seemed to be shining with elegant Starlight. He was gentle and graceful. if that's the case, how about I treat you to a candlelight dinner? ”

The nation's husband and China's best Actor, with a handsome face and a murderous look, it was really hard to refuse.

Yu tugged at the corner of his shirt lightly. big brother an, the production team is having dinner tonight. The advertisers specifically asked you to go ...

“Reject it.” Shi qingan didn't even have time to think.

The production team didn't dare to kick him out. As for the advertisers, if they were gone, the Shi Financial Group would just invest a few hundred million Yuan to pay them back.

How could such a small matter be more important than his beautiful love?

Shi qingan revealed a domineering and devilish smile. He threw the girl a coquettish look and said, " my adorable Savior, will you give me a chance to repay you? "

Shi Qingqi was speechless.

He suddenly reached out to grab Shi qinglan's wrist and pulled her behind him to protect her. He said in a low voice, " Shi qingan.

His low and cold voice was filled with displeasure.

Shi qingan's smile disappeared instantly. He lowered his eyes and stared at the hand that was holding his first love's sister. brother, we agreed on a fair competition. You can't ...

"She already has an appointment tonight." Shi qingxuan's voice was slightly cold, and his tone was firm.

Shi qingan was speechless.

He looked at his brother with a complicated expression. His previous speculations were almost confirmed. He knew that this old man, who had been single for 28 years in his mother's womb, was really having his first awakening of love!

"I don't care. I want to be with you guys tonight."

Shi qingan started acting shamelessly again and jumped onto the Bentley. This time, she climbed onto the roof of the car and squatted down.

Whether it was the gentlemanly demeanor or the charming CEO, the flirtatious image that he had come up with on the spot was like a fleeting cloud. It was still this trick that he had used since he was young and had tried and tested time and time again.

Shi Qingqi was speechless.

His brows were tightly furrowed, and his cold face seemed to be as indifferent as ice. A powerful aura permeated over.

It was hard enough to deal with Bo mingcheng who was snatching his sister away from him.

It was not easy for him to have dinner with LAN 'er alone, but in the end, a Husky brother had appeared out of nowhere ...

"Well, why don't we let him come along?"

Shi qinglan tugged at the corner of Shi qingluo's clothes. She raised her face slightly, and there was a hint of coquettishness in her pretty eyes.

Although this second brother was a little silly ...

However, he was still her biological son.

Shi qingan's eyes suddenly lit up, and there was a slight ripple in her clear eyes. brother, brother, sister fan has agreed!

Shi qingxiao glanced at him in disdain.

However, his tightly furrowed brows slowly relaxed. He raised his hand and gently pinched the girl's soft face. His heart was still a mess. okay, I'll listen to you.

Although he still wanted to have his sister to himself for a while ...

However, Shi qingan would have to acknowledge her sooner or later. He couldn't be selfish and keep hiding his sister. He should give her a chance to interact with her other family members and tell Shi qingan the truth.

"As expected, fan girl still loves me."

Shi qingan leaped down from the carriage. He bent down slightly and reached out to pinch her soft and sticky face, but Shi qingyan raised her hand to stop him. don't touch me.

160 Grandpa taught me to make the girl drink when flirting

Shi Qing 'an's brows raised slightly, but he didn't mind.

His lips were still curled up in a devilish smile. He looked at Shi qinglan affectionately and said, " your fan sister is so cute.

Shi qinglan was speechless.

The corners of her eyes curled up slightly, and she hid behind Shi qingqiao with an ambiguous look.

He was mainly afraid that Shi qingan would affect his intelligence.

Sensing the subtle movement of her cute fan girl, Shi qingan's eyes darkened and her fair face puffed up in grievance. Shi Qing, you little bastard, you ruined my love ...

Shi qingxiao naturally heard his mumbling.

She glanced at him indifferently, then opened the door to the passenger seat for Shi qinglan. LAN 'er, get in.

"Alright," he said. Shi qinglan immediately got into the front passenger seat.

She clearly didn't want to sit in the back with Shi qinglan.

After all, a smart person wouldn't improve the intelligence of the people around him, but a simple-minded person could spread the word 'simple-minded' to the people around him.

..

In the Jade Pavilion.

This restaurant was famous in China for its traditional Palace cuisine. Its branch was located in the center of Ying city, and countless diners lined up on the streets.

The architectural style of the Jade Pavilion was similar to that of an ancient palace. There were flying green tiles, layers of buildings, and pavilions. There were rockery, strange stones, vines, and green bamboo. Dining there could be described as a poetic enjoyment.

"I'll sneak in first. I'll wait for you in the private room."

Shi qinglan looked at the crowd outside the car window. He put on his sunglasses and face mask with practiced movements, then put on his hoodie. With shifty eyes, he got out of the car sneakily and sneaked into the restaurant.

your second brother's intelligence isn't high enough. Forgive him.

Shi Qing's lips curled up slightly. He protected the girl as she got out of the car, his deep voice full of helplessness.

what else can I do if I don't forgive him? he's my biological son, so I can't kill him.

Shi qinglan's Red lips curved into a smile. She looked up at the man and asked, " when do you plan to tell him the truth? "

Shi qingxuan pursed his thin lips and looked deeply at the sneaky white figure. He raised his eyebrows slightly.

He said unhurriedly, " you can tell me later when you have the chance.

Shi qinglan nodded in agreement, mainly because she was worried that her silly second brother would be more affected the later he found out ...

In the private room, Shi qingshang ordered the food with familiarity.

He even asked Shi qinglan for her preferences, added a few of her favorite dishes, and noted them down.

“Food without spiciness has no soul!” After Shi qingan finished reading the order, she protested indignantly.

Shi qingxuan looked up at Shi qinglan.

The girl pursed her red lips. I don't really eat spicy food ...

Hearing this, Shi qingan's attitude took a 180-degree turn. so fan girl doesn't like spicy food? then I won't eat it either! Brother, delete all the spicy dishes you ordered for me!”

Shi Qingqi was speechless.

He didn't order any spicy dishes for him, not a single drop.

Shi qingxuan ordered the dishes, but Shi qingan was still staring at the drinks menu in deep thought. After a moment, she raised her head and smiled gently.

sister fan, this shop's plum wine is pretty good. Do you want to try it? ” Shi qingan raised his brows. such beautiful scenery and delicious food. Wouldn't it be a waste if I don't have some wine? ”

Shi qinglan's Red lips parted slightly. I ...

She pinched her earlobe uncomfortably and looked away guiltily, wondering what she would do if she really got drunk.

“Why do you have to treat her to a drink?” Shi qingxiao furrowed his brows tightly, and his cold eyes were filled with displeasure.

Shi qingan leaned closer and lowered his voice, saying mysteriously, ” Grandpa taught me. He said that when I'm flirting with girls, I have to make them drink some alcohol. It's easier to fool them after they're drunk.
