

Heart Stealer Young Master Bo #Chapter 161 - Read Heart Stealer Young Master Bo Chapter 161

161 If you dare to get her drunk

Shi qingxuan looked at Shi qingan with a dark expression.

He pursed his thin lips and said in a low voice, "I'm warning you, you'd better not do anything stupid. If you dare to get her drunk ... I don't need to do anything, someone will break your legs."

Shi qingan's smile was carefree and unrestrained.

He leaned lazily against the back of the seat, his long legs crossed lazily. don't worry, I know what to do.

Looking down at the wine list, his lips curled up slightly. fan girl, plum wine has a low alcohol content and tastes sweet. You can drink it like fruit juice. You definitely won't get drunk.

Shi qinglan was speechless.

Her red lips curved up slightly, and there was no escape in her eyes. I think I'd better not drink.

Some people looked confident and had a bottom line, but in fact, it was just because they were drunk and didn't want to embarrass themselves in front of their brother.

Hearing this, Shi qingan's clear eyes dimmed.

He pursed his lips a little unhappily and couldn't help but feel disappointed that he couldn't trick his sister fan. However, he had never been a slutty flower thief and didn't intend to force her. alright then.

However, he still ordered a bottle of plum wine and planned to drink alone.

The serving speed of the food in the Jade Pavilion was slower, so they would first serve some dessert before the meal. This restaurant combined Chinese Palace desserts with Western desserts and was the most famous dessert. Pastry chefs from all over the world wanted to ask the head chef for advice ...

However, it was rumored that the head chef of the exquisite Jade Pavilion was not the founder. He had only helped an anonymous and mysterious chef pass down the food.

"Let's try the palace pastries here first."

Shi qingxun's lips curled up into a gentle smile as she gracefully placed the pastry in front of the girl. She was so considerate and meticulous that Shi qingan was taken aback.

Don't even think about hoping that Ice Mountain Lord Sheng would be considerate of girls ...

His extremely gentle smile and the doting and indulgent look in his eyes were enough to shock him.

“ . beast in human clothing, a sanctimonious one ...”

Shi qingan scoffed. Through his cold and handsome appearance, he had long seen the evil nature hidden within.

Shi qingxuan glanced at him coldly and narrowed his eyes. if you say one more thing, the hot search on Weibo tomorrow will be about China's best Actor, Shi qingan, being put in a Gunny sack and thrown into the river to feed the fish.

Shi qingan was speechless.

He instantly shut up and remembered that when he was young, he was indeed put into a sack by this bastard and tried to throw it into the river to feed the fish ...

But the ending was still good, because the fish didn't care about eating him.

Shi qingan shuddered and a chill ran down her spine.

Hence, he immediately changed the topic. sister fan, quickly try this cloud Moon Flower shadow and see if it suits your taste.

Moon cloud flower shadow was the signature pastry of the Jade Pavilion.

The exquisite pastries were served on a green porcelain plate. The green jade plate was clear and bright, like lotus leaves suffusing with the luster of the summer sun.

The creamy glutinous rice was carved into flower petals as the base, overlapping with the pink cherry cake. The white and pink petals were like lotus flowers in a pool, decorated with crescent-shaped macarons.

The pastries had a Chinese classical mood, combined with Western classic desserts, presented a different kind of food feast.

“Moon cloud flower shadow?” Shi qinglan's Red lips curled up slightly.

She looked down at the snack, her smile bright and sweet, and the smile in her eyes became more and more meaningful.

“Yeah, the name is very special.” Shi qingan’s lips curved up in a smug smile. She had come to the right restaurant and had not embarrassed herself in front of her fan.

Shi qinglan raised her brows slightly. it is very special.

Of course, it would be special since she had chosen it.

162 LAN ‘er wants a hug from big brother

Shi qingxuan looked at the girl with a doting smile.

His voice was as gentle as Jade. there are no chocolate-flavored desserts in the Jade Pavilion. Try this. If you like it, I’ll order someone to send it to you if you want to eat it in the future.

Shi qinglan looked at the moon, clouds, and flowers, and her red lips curved.

Her Jade-like fingers gently picked up a pastry and she carefully took a bite. The soft and crisp taste instantly spread in her mouth. It melted in her mouth, sweet but not greasy.

“It’s delicious.” Shi qinglan smiled sweetly.

The chefs in charge of the palace’s pastries were all apprentices she had carefully selected, and as usual, they did not disappoint her.

Shi qingshang’s dark eyes were overflowing with a pampering smile. His fingertips gently wiped the corner of the girl’s lips. in the future, if you want to eat it, just tell me.

“Yes.” Shi qinglan nodded her head gently.

In fact, she wanted to say that if her brothers wanted to eat it in the future, she might be willing to cook it herself ...

Shi qingan stared at this intimate interaction with jealousy. Unwilling to be outdone. he tried to curry favor with her. little fan sister, what did my brother just say ... Do you like to eat chocolate?”

“She’s loved chocolate since she was young.” Shi qingshang looked at him with his dark eyes and reminded him in an obscure way.

Who would have known that second aunt Shi had a love brain with zero IQ? her entire mind was filled with how to get her first love sister. She excitedly took out all the chocolates from her pocket.

“I happen to have a lot of chocolate here. These are all for you.” Shi qingan’s smile was unrestrained and proud.

Fortunately, before he came to Ji City High School to look for his sister, he had bought a lot of chocolate and put it in his pocket in addition to the chocolate desserts that were accidentally scattered all over the ground.

This was the best liquor chocolate he had bought!

It was originally used to please his younger sister! In the end, his sister didn’t pick him up either ...

“Thank you, brother.” Shi qinglan’s eyes suddenly lit up.

brother? ” she called out subconsciously. Shi qingan laughed like a fool, not realizing that she was calling him ‘brother’. He thought that she was calling him’ brother ‘like other fans.

Shi qingan’s eyes were filled with anticipation. try it.

Shi qinglan smiled sweetly. She peeled open a piece of chocolate and took a bite. The sweet taste instantly occupied her taste buds. The wine inside did not taste like alcohol, but as sweet as honey.

She had never eaten this kind of chocolate before. She licked her red lips gently and said. ” this kind of chocolate is so greasy ...

She couldn’t help but secretly eat another one.

Shi qingan looked at the girl with an unbridled smile. Seeing her eat so happily, her mood also lifted.

“Don’t eat too much, leave some space for dinner, okay?” Shi qingxuan patted the girl’s head lovingly.

However, Shi qinglan suddenly raised her pretty face, and her fair skin was covered with two pink clouds. She pouted her pink lips and said, ” I don’t want to. I’ve knocked on chocolate so many times, I want more.

Shi qingxuan’s brows furrowed slightly. He noticed that the girl’s condition was a little unusual, as if she was drunk.

But the plum wine had not been served yet ...

“What kind of chocolate is this?” His cold voice deepened.

“Liquor-filled chocolate,” Shi qinglan replied matter-of-factly.

As he spoke, he sized up the girl and saw a faint mist floating in her charming eyes, making her look drunk.

Shi qinglan’s fair and tender cheeks puffed up slightly. She stretched out her fair and tender arms to Shi qingxiao and pouted her lips in a coquettish voice. Oh, I want big brother to carry me.

Shi qinglan was speechless.

What the hell did his first love sister call his brother?

163 She, she, she yingluo, she is yingluo

Shi qinglan felt as if she had been struck by lightning.

His entire body froze, and he looked at Shi qinglan with wide eyes in shock. This feeling of confusion was very intoxicating ...

“Big brother, carry me!” Shi qinglan said in a menacing tone.

Her beautiful eyes opened slightly, and there was a hint of coquettishness in her autumn-like eyes. There was also a bit of anger, and even her delicate voice was full of temper. hug!

Shi qingxuan immediately pulled the girl into his arms.

His arm was gently wrapped around the girl’s waist, but considering that she was no longer the innocent and soft little girl she was when she was young, he was very gentlemanly and did not hold her too tightly.

His large palm gently caressed her back. Okay, okay, okay. Big brother will carry you.

His deep voice was full of indulgence, without a hint of coldness. It was unconditional indulgence for his sister.

hehe ~”Shi qinglan tilted her head slightly.

Her smile was like a flower, and her already delicate and bright eyes were like crescent moons at this moment. However, there were no stars in her eyes, but a layer of drunken mist. it’s so good to have a brother ~”

Shi qingan was still in shock.

His eyes were completely frozen, and his whole body was frozen there as if he was petrified. she, she, she ... She is ...”

“Your sister, Shi qinglan.” Shi Qingyun glanced at him coldly.

His voice instantly became much deeper and colder, and his cold and hard face became even colder. It was completely different from the look of indulgence for his sister just now. It was a large-scale double standard scene.

Shi qingan raised his hand to his forehead. f * ck.

He seemed to hear the sound of his heart breaking ...

He touched his teeth with the tip of his tongue in doubt, and the simple-minded man with a long reflex arc finally understood everything.

What first awakening of love, what looking like her mother ...

What the f * ck, his first love sister was actually his biological sister!

“I ...” Shi qingan’s expression was complicated.

He clenched his fist and put it to his lips. He gritted his teeth in frustration and squeezed out a few unclear words. wasn’t it embarrassing when I tried to pursue her just now? ”

His handsome and suave image as an older brother was completely destroyed.

He had thought that it was a warm family reunion to show off his doting sister’s nature, but in the end, he was almost rescued by his sister in a car accident, and then he treated his sister as his first love ...

It was an extremely low probability for lovers to become brother and sister!

Why did it happen to him?!

hehehe, it’s not embarrassing at all. Shi qinglan’s fair face was full of smiles as she rested her chin on her brother’s shoulder.

Shi qingan heaved a sigh of relief.

However, the next second, she suddenly heard her sister’s very heartless and honest ridicule, “just like an iron dummy ~”

Shi qingan was speechless.

The official comments from his sister were even more fatal.

Not only was he being ridiculed, but the little sister who had always asked him to carry her when she was young was now in his big brother's arms!

"I ... No, no one told me about this!" Shi qingan gritted his teeth and wanted to go back to the furnace.

Shi qingxiao's long and narrow eyes narrowed slightly. you're the one who's stupid enough not to recognize us. You even kept interrupting us, and now you're blaming us for not telling you? "

Shi qingan was speechless.

He was actually speechless and unable to refute.

Shi qingshang's dark eyes were cold. you'd better pray that LAN 'er is fine. Otherwise, you'll get your legs broken by Grandpa.

"I ..." Shi qingan choked. He took a deep breath and said, "I swear I didn't do anything. Xiao LAN 'er only ate some tipsy chocolate. There's no alcohol content ...

He had never heard of anyone getting drunk by eating liquor chocolate!

Shi qingxiao furrowed his brows tightly. He cupped the girl's face in his hands and asked, "LAN 'er, are you not allowed to drink? "

164 Be prepared for your legs to be broken

Shi qinglan's Red lips pouted.

Her fair and tender little face was slightly wrinkled, and her eyes were filled with stubbornness and dissatisfaction. She explained herself in a particularly serious manner, "no, I'm not. My alcohol tolerance is very good. I can drink super!

The girl raised her hand to rub her drowsy eyes. Perhaps the alcohol had made her a little drowsy, so she laid limply on Shi qingqiao's shoulder and smacked her lips twice in an extremely cute manner.

She tilted her head slightly and leaned close to Shi qingxuan's ear, whispering in ^soft and proud voice, "I'm not going to tell you that I'll get drunk after drinking a drop. Hmph!(^)

The Shi brothers were speechless.

They looked at each other helplessly. Shi qingan asked in confusion, " what do we do now? " Bring Xiao LAN 'er home?"

Shi qingxuan's thin lips were pressed into a straight line.

He gently placed his big palm on the girl's forehead. Fortunately, it was not hot, and there were no signs of allergies. It was just a simple case of alcohol.

His voice was cold and deep. if you want your grandfather to break your legs, then go ahead and take LAN 'er home.

Shi qingan instantly shut up and didn't dare to come up with any more stupid ideas.

He moved closer to Shi qinglan and sniffed the girl's scent. He could not smell any alcohol, and only a faint sweetness lingered in his nose. how can you get drunk with this

...

in the future, we can't let Xiao LAN 'er drink outside. What if some other beast in human clothing abduct her? "

Shi qingan's expression darkened.

However, she didn't know that her sister had already been kidnapped by that bastard ...

Shi qingxuan glanced at him from the corner of his eyes. He was worried that he would suffer a double blow, so he did not tell him directly for the time being. you'd better be prepared to have your legs broken by someone else first.

As soon as he finished speaking, he took out his phone and made a call.

..

Seal Palace entertainment club.

Bo Yicheng leaned lazily on the sofa, his slender and fair fingers gently pinching the wine glass. The dark red wine in the glass made his fingers look even colder and whiter.

He glanced at the drunk Bai Yuchen who was huddled in a corner and said, " stop drinking.

The entire private room was filled with the smell of alcohol.

Bo Zhicheng furrowed his brows slightly without a trace. There was a clear look of disdain between his brows, as if he wanted to grab him by the collar and throw him out.

big brother Cheng, I don't want to give up on her ...

Bai Yuchen clutched the wine bottle so tightly that even his joints were pale. The man's cold and handsome face looked drunk, and his eyes were even a little red with a fishy look.

As soon as his voice fell, he raised his head and drank without stopping. The wine spilled from the corner of his lips to his clothes without him knowing.

"That's enough," Bo Li Cheng suddenly snatched his wine bottle.

He squinted his long and narrow eyes. you're the one who wanted to get engaged, you're the one who called off the engagement, and now you're the one who's drunk. If you don't want to give up, then go get her back. Don't waste my good wine here.

Bai Yuchen's thin lips curled up slightly as he sneered.

His clenched fists made some sounds of bones rubbing together. He closed his eyes. big brother Cheng, you don't understand ...

"It's impossible between us in this lifetime." Bai Yuchen's voice was extremely deep, and it was hard to tell if he was relieved or desperate.

He stood up dejectedly and opened another bottle of hard liquor.

Bo Yucheng's brows furrowed tightly. He lowered his eyes and took out his phone. Just as he was about to call Bai Yuchen's assistant to get him to come and pick her up, his phone suddenly vibrated.

"Swish-"

His eyes flickered. He had not expected the caller to be Shi Qingyun. He remembered that he had dinner with Shi qinglan tonight and immediately answered the call. what's the matter? "

165 LAN 'er got drunk, I didn't expect her to get drunk

Shi qingxuan lowered his gaze to look at the drunk girl in his arms.

He pursed his thin lips and pondered for a moment before saying, " LAN 'er had some wine on her. I didn't expect her to be drunk ...

Bo Yucheng suddenly grabbed his phone. what did you say? "

Shi qingxuan's cold eyes were fixed on Shi qingan. The coldness in her dark eyes seemed to be blaming her Husky brother. If it wasn't for his tipsy chocolate, he wouldn't have needed to contact Bo Xincheng.

are you home? I'll send LAN 'er back now. His voice was low and cold, and not much emotion could be heard from his calm tone.

Bo Yucheng glanced at the drunk Bai Yuchen beside him.

He furrowed his brows tightly, grabbed his coat, and left the room. I'm going home now.

His cold voice had a tinge of coldness to it. He suddenly hung up the phone and mercilessly chose to abandon his good brother.

Bai Yuchen was speechless.

Didn't she agree to accompany him to drink and get drunk?

Shi qinglan had already fallen asleep in her drunken stupor. She lay limply in Shi qingyao's arms, her face leaning against his firm chest as she smacked her lips coquettishly.

"Chocolate ..." She was probably having a sweet dream.

Shi Qingyun did not expect his sister's alcohol tolerance to be so low, nor did he think that she would be so cute when drunk. It was as if she had found the innocence that she had missed out on in her childhood, and she was as soft as a child.

He coaxed her in a low voice, " okay, I'll buy you whatever chocolate you want, LAN 'er. Let's go home now, okay? "

"Yes, yes, yes." Shi qinglan nodded in her sleep.

Shi Qing 'an called for the waiter to pack up all the food and cakes. He gritted his teeth as he looked at his sister's cute expression in his brother's arms, but he couldn't touch or hold her ...

It was so sour that it was like a lemon.

Shi qingqiao took off her suit jacket and gently placed it over the girl's body to wrap her up. Then, she placed her arms around her waist and the back of her legs and lifted the girl up gently.

He glanced at Shi qingan coldly. take the takeaway boxes and leave.

Shi qingan was speechless.

He could only feed his sister now.

Shi qingshang strode out of the pavilion and raised his chin slightly. you drive.

Shi qingan helped him open the door to the back seat, then pitifully went to the driver's seat to get the car. After carrying the food for his sister. he drove the car for her ... He had no status.

Even though he was willing to dote on his sister ...

However, he also wanted his sister to call him 'Hello' in a soft voice.

Shi qinglan's head was resting on Shi qingxun's thigh, her sleeping face delicate and sweet. Her long and curled eyelashes trembled slightly, and her red lips were pouted gently, soft and cute.

"Brother, where are we taking Xiao LAN 'er?" Shi qingan looked up at them through the rearview mirror. He stretched his neck slightly, trying to sneak a peek at his cute drunk sister.

Shi qingzheng's voice was extremely cold. drive properly and be prepared to get beaten up. If someone wants to break your legs, I will not plead for you.

Shi qingan was speechless.

It sounded so powerful. He didn't believe that there would be anyone in this world who would dare to break his legs other than his grandfather and father!

The black Bentley stopped by the side of the road.

Bo chicheng had already rushed back to qinglan waterside Pavilion. When he saw Shi qingqiao's car coming, he immediately rushed over. When he opened the back door, he saw a drunk little girl.

He narrowed his eyes. what happened? "

When he saw Shi qingyao carrying the sleeping girl out of the car, Bo Zicheng stared intently at the two hands that were touching her. He directly reached out his long arm and took her into his arms to protect her.

166 Shi qingan, who is this Dog Man?

Shi qingmo clenched his fists tightly.

He narrowed his cold eyes and looked at the girl who had been snatched away by the big pig Trotter. At this moment, he was in no position to take his sister back.

"This is my fault."

Shi qingan pursed his lips and scratched his head awkwardly. I didn't know that Xiao LAN 'er's alcohol tolerance was so low, so I gave her some tipsy chocolate. I didn't expect that ...

However, after he finished explaining, he realized that something was wrong.

He opened his eyes slightly. no, Who are you? What does it have to do with you if our Xiao LAN 'er runs away? Hurry up and return my sister to me!"

As he said that, he rushed over to snatch it.

Bo Yucheng immediately dodged to the side. His dark eyes were deep and dark, and there was a little gloominess at the bottom of his eyes. After silently glancing at the brothers, he turned around and returned to the villa with the girl in his arms.

"Brother, who is this Dog Man?" Shi qingan immediately protested.

He had just found his precious little sister, why was she sent to another man's Wolf Den by his own big brother in the blink of an eye!

Shi qingxuan's voice was slightly deep as he gritted his teeth. the capital's Bo financial magnate, Bo Zhicheng. LAN 'er's current boyfriend.

Shi qingan couldn't help but curse. what the f * ck? "

It was fine if his first love sister had become his biological sister, but she had already been F * cked by another pig Trotter?

Shi qingan was still in a state of confusion, but Shi qingxun had already taken the lead and followed Bo Yucheng into the villa.

"Oh ..."

Shi qinglan snuggled in his arms, which gave her a sense of security. She gradually woke up when she smelled the familiar cold fragrance.

Her long and curled eyelashes trembled slightly, and she rubbed against Bo Yucheng's embrace like a spoiled child. Her voice was sweet and soft like cotton candy,"ah chengcheng ~"

"Fool, you know you can't drink, but you still drink?"

Bo xiaocheng's voice was low as he gently placed the girl on the large, soft bed, his fingers pushing aside a few strands of hair on her forehead.

Shi qinglan lifted her pretty face slightly and pouted her red lips in dissatisfaction. I'm a good girl, I didn't drink secretly!

Bo Yucheng laughed helplessly and indulgently.

He tapped the girl's nose lightly. okay, you didn't drink it secretly. Your two stinky brothers tricked you into drinking it.

"Yes, yes." Shi qinglan nodded her head like a chicken pecking at rice.

The two stinky brothers who were standing at the side:".."

Bo Yicheng's Red lips curled up slightly. Every time he saw the girl's drunk and coquettish appearance, no matter how cold his heart was, it would instantly melt by her, turning into a mess.

"Sleep for a while, huh?" He coaxed her in an extremely gentle voice.

Shi qinglan licked her red lips. The sweet taste of chocolate still lingered on her lips, making her eyes curve into a smile.

Bo Yucheng took it as her silent consent. His large palm gently held her small foot as he prepared to help her take off her shoes, but he suddenly remembered that the two Shi brothers were still around.

He glanced at her coldly and said in a cold voice, " Lan Lan wants to sleep now. You two can go out first.

Shi qingan was speechless.

Although he was dissatisfied with Bo Li Cheng's arrogant attitude, as the culprit, he did not dare to refute. then I'll leave the packed food here. Xiao LAN 'er hasn't eaten yet.

Shi qingxuan's eyes were deep as he looked at the drunk girl. His throat tightened. take good care of her.

Bo Li Cheng glanced coldly, too lazy to pay attention to these two people.

The Shi brothers knew that they had made a mistake and did not intend to invite ridicule on themselves, so they went to wait in the corridor with dejected faces.

Bo Yucheng took off the girl's shoes and tucked her in. He leaned over and lightly pecked her forehead. sleep for a while first. I'll wake you up for dinner later, okay? "

"Oh, don't sleep ..."

Shi qinglan suddenly stretched out her fair arms and wrapped them around the man's neck. Her alluring face was very close to him, and the tip of her nose was gently pressed against his, rubbing against him twice.

Bo Yucheng's breathing stagnated slightly, their lips would touch if they were any closer, and they could even hear each other's breathing ...

Shi qinglan's Red lips parted slightly, and her soft lips brushed past his when she moved. ah Cheng, I ... I want to ..."

167 Did you give her the liquor-filled chocolate?

Bo Li Cheng felt a rush of hot blood rush to the top of his head.

His back instantly stiffened, and his arm was slightly bent to support the girl's side. His large palm could not help but tightly clench the sheets, and he closed his eyes with great restraint. Lan Lan, now is not the time ...

However, Shi qinglan suddenly kissed his thin lips.

Bo Zhicheng's Adam's apple rolled slightly. He looked down at the girl with a deep gaze. Those deep eyes were like the vortex of the universe, as if they had the power to absorb a person's soul ...

"Lan Lan," His voice was deep and hoarse.

He really couldn't resist this kind of temptation. Just as he was about to lean over and cover the girl's lips, he suddenly heard her soft voice. ah chengcheng, I want a qiaoke to be intimate ...

Upon hearing this, Bo Li Cheng's movements instantly stopped.

His eyes narrowed slightly, and he looked at the drunk girl who was not planning to take responsibility. you want ... Chocolate?"

"Otherwise?" Shi qinglan blinked her beautiful eyes innocently.

Bo Zhicheng pursed his lips slightly and remained silent for a long time, feeling as if a basin of cold water had been ruthlessly poured over him.

It turned out that he had been thinking dirty just now ...

He restrained himself and gently rubbed the tip of the girl's nose. Lan Lan, do you know that you're tempting people to commit crimes when you're drunk? "

"Oh?" Shi qinglan's fair cheeks puffed up slightly.

Her eyes were pure and clean. She looked at the man with some doubts and shook her head gently. I'm drunk on the island. I didn't drink.

He looked at the drunk girl who was temporarily not sober ...

Bo Li Cheng sighed deeply and kissed her red lips lightly as if he was punishing her. He bit her. what a torturous little demon.

Shi qinglan licked her lips in confusion.

She raised her hand and rubbed her sleepy face. Her white and tender little hand was on the man's face. She lazily pushed him away and then turned over. if you're tired of chocolate, then sleep.

The girl had wrapped herself up in the blanket, only revealing her small head. She really closed her eyes and prepared to sleep.

Bo Yucheng couldn't help but chuckle hoarsely. I can't do anything to you.

From the corner of his eye, he noticed that the girl's fair and tender feet had slipped out of the blanket again, so he got up to help her cover her with the blanket. His dark eyes were filled with endless pampering and indulgence.

..

At the same time, in the corridor.

Shi Qing 'an was pacing back and forth. He had his hands in the pockets of his hoodie. His back view seemed to be free and easy, but his brows were filled with anxiety and frustration.

this bastard. It's been more than ten minutes and he's still not out.

He suddenly stopped and raised his eyebrows. he wouldn't do anything to Xiao LAN 'er. Something that's worse than a beast?"

Shi qingxuan glanced coldly at his stinky brother.

He pursed his thin lips. you'd better think about how you're going to explain this to Bo Xincheng later.

I'm Xiao LAN 'er's biological brother. I gave my sister chocolate. Why do I have to explain it to an outsider like him? "

Shi qingan's eyes widened slightly. He looked at him in disbelief. brother, why are you siding with an outsider? "

Shi qingxuan turned his head to avoid her gaze and did not speak.

It was not that he was siding with an outsider. He had just seen how ruthless Bo Zhicheng's methods were. Since he had dared to punch him directly previously, if he really wanted to break Shi qingan's legs this time ...

It wasn't like he couldn't do it.

"Crack-"

Just as the two brothers were deep in their thoughts, the bedroom door was suddenly pushed open. Bo Yucheng's dark eyes looked deeply at Shi qingan.

"Did you give her the liquor-filled chocolate?"

168 Did you get LAN 'er drunk before?

Shi qingan was stunned.

He raised his eyes to look at boxuan city. The man's deep dark eyes were filled with endless coldness, and the aura around him was also gloomy. It inexplicably made people feel as if there was a gust of eerie wind blowing behind them ...

"It's ... So what if it's me?"

Shi Qing 'an straightened his back and looked at the adulterer provocatively, not afraid at all.

Bo Li Cheng's long and narrow eyes narrowed slightly, and some waves flashed in his black pupils. He took out a dagger from his pocket unhurriedly and suddenly flicked it away ...

"Oh, okay." Shi qingan immediately jumped back.

He glanced warily at the silver Dagger and shamelessly hid behind Shi Qingyun.

"Clean up your own mess." Shi qingxuan grabbed him by his collar and threw him back in front of him without hesitation.

Shi qingan was speechless.

As expected of his brother, his reputation of being cold and emotionless was well deserved.

Bo Zhicheng's eyes drooped slightly. He took out a handkerchief from his suit and nonchalantly wiped the shiny silver surface of the dagger. explain, why did you trick Lan Lan into drinking wine? ”

Silky chocolate, hazelnut chocolate, white chocolate, black chocolate ...

There were countless types and flavors of chocolate, but why did it just have to be liquor chocolate?

“I ...” Shi qingan choked.

He couldn't possibly tell Bo Zhicheng that he had naively almost treated his biological sister as his first love and wanted to ingratiate himself with her and successfully abduct her, but in the end, he had accidentally hit the gun, right?

However, the liquor-filled chocolate was indeed an accident.

“Are you going to tell me or not?” Bo Li Cheng's tone was light and heavy.

However, even though he looked indifferent, the coldness that he exuded was still eerie.

In particular, the pair of slender and white fingers were gently wiping the dagger, and the Crimson lips that were curled up without a trace, as if he was looking at a bloody demon ...

an accident! This was really an accident!

Shi qingan made a vow, ” I swear I really don't know Xiao LAN 'er's alcohol tolerance. I just wanted to buy her some chocolate. If I knew, I wouldn't have been willing to get her drunk.

Upon hearing this, Bo Zhicheng lazily lifted his eyelids.

His red lips curled up slightly. Are you sure? ”

Shi Qing 'an firmly nodded his head and decided to hide the first awakening of love until the end. He was determined to only say this.

Anyway, he really did buy the liquor-filled chocolate for her.

When he gave her the chocolate, he really did not expect that this little bit of alcohol would make her drunk ...

He glanced at him. of course I'm sure. Bo Zhicheng, don't be so arrogant. Don't forget that Xiao LAN 'er is my biological sister. You have to always remind yourself to pay attention to your status!

Bo Zhicheng's brows raised slightly, but the smile on his lips did not fade. I will always remember second brother-in-law's reminder.

But as soon as he finished speaking, the dagger suddenly flashed with a silver light.

"Y-y-you ..."

Shi qingan's eyes became more alert.

He narrowed his eyes slightly and stared at Bo Li Cheng. For some reason, he felt that this man was not simple. He had a sense of déjà vu, like an evil Big Bad Wolf who was specialized in seducing little white rabbits. He could not help but start to suspect whether his sister had also been deceived by him.

"Something's not right ..." Shi qingan rubbed her chin gently.

He slowly walked towards Bo Li Cheng. you seem to know that Xiao LAN 'er is one drop dead. How did you know? "

Upon hearing this, Bo Li Cheng's hand that was wiping his dagger suddenly paused.

Shi qingxiao's long and narrow eyes suddenly narrowed as she cast a dangerous gaze at the man. She opened her mouth coldly and said, " Bo Yucheng, did you get LAN 'er drunk before? "

169 Don't touch her when she's drunk

The smile on Bo chicheng's lips gradually receded.

His cold, white fingers gently stroked the back of the knife. He slowly put the dagger back and said, " No.

He raised his eyes slightly, and his dark eyes became much clearer. He looked as gentle as Jade and had a graceful appearance, and he did not feel guilty at all when he lied through his teeth.

"Is that so?" Shi qingxuan narrowed his cold eyes.

He stared at the man closely as if he was examining him. He was used to his sanctimonious appearance and did not seem to believe his words.

There was a faint smile in Bo Zhicheng's voice. young master Shi, I'm afraid you've forgotten that I'm the man Lan Lan loves the most now. It's only natural that she would take the initiative to tell me about her alcohol tolerance.

Shi Qingyun's eyelids twitched.

It was hard to tell if he was jealous of Bo Li Cheng's words, or if he was still doubting the truth of his words ...

"That's good."

Shi qingzheng's voice was deep and cold as he approached the man step by step. don't let me find out that you took advantage of LAN 'er's alcohol tolerance and did anything to her when she was drunk. An action worse than a beast."

Bo chicheng's Red lips curved up slightly, smiling without a word.

He really didn't deliberately take advantage of this matter, but every time the little girl was drunk, she would softly take the initiative to burrow into his arms.

There's no point in being a human ...

At this time, if he didn't act like a bird ... Beast, what should be the punishment?

young master Shi, the one who got LAN 'er drunk tonight seems to be your younger brother. If you want to question him, go to him.

Bo Zhicheng raised his chin slightly in the direction of Shi qingan.

Shi qingan had been watching the fight between the immortals from the side. He did not expect to be cued all of a sudden, and he quivered.

"I already said that this was purely an accident!"

He couldn't explain himself, but when he thought about how he had accidentally gotten his sister drunk, he still felt very guilty. He dodged her gaze guiltily and said, "I will apologize to Xiao LAN 'er.

Shi Qingyun shot him a cold glance.

"Lan Lan is still waiting for me to sleep with her."

Bo Yicheng's Red lips curved up slightly, a hint of provocation in his eyes. if there's nothing else, take care.

Shi qingan gritted his teeth as he looked at Bo Zicheng.

He heard the man's deliberately annoying words, such as sleeping together ...

However, he couldn't take his sister away. Otherwise, he would definitely be beaten up by his grandfather when he returned to jinxin villa.

“Bo Li Cheng, you win this time.”

Shi qingan then raised her chin arrogantly. however, as long as Xiao LAN ‘er still acknowledges me as her brother, you’ll definitely cry and beg me on the day you marry her!

Shi Qingqi was speechless.

Why did this sentence sound so familiar?

Bo Yicheng’s Red lips curled up slightly. then, I’ll wait and see.

Shi Qing ‘an glared at the man arrogantly, then snorted and walked away, ignoring his family.

“Don’t touch her when she’s drunk.”

Shi qingxiao’s deep and cold voice was full of warning. He stared at the man coldly and said, ” when LAN ‘er sobered up, I will call her personally to ask her.

Bo chicheng raised his eyebrows slightly and did not respond.

Naturally, he could not promise Shi qingxun such a thing, so he just raised his chin and pointed in the direction of the lower door.

Shi qingmo looked at him deeply, then turned to leave. At the corner of the stairs, he stopped and warned again, ” LAN ‘er is still young. Don’t touch her.

Bo Yucheng turned a deaf ear and turned to return to the bedroom.

Shi qingxuan narrowed his eyes and stared at the tightly shut door. He couldn’t help but clench his fists, but he couldn’t do anything to this Dog Man ...

Although he was very reluctant in his heart, if they had really had that kind of relationship, should he also consider asking the Bo family for a betrothal gift?

170 Lan Lan doesn’t care about her boyfriend, she’s a scumbag

Shi qinglan had already fallen asleep.

Her delicate snow-like face was as smooth as white porcelain. At this moment, probably because she was drunk, there were two faint pink clouds floating on her cheeks, making her look even more charming ...

Her long, curly eyelashes were like small brushes, casting a faint shadow at the bottom of her eyes. Her pink lips were soft and cute.

“Lan Lan?” Bo Li Cheng bowed slightly.

He put his arm beside the girl’s body and coaxed her with his deep and hoarse voice. get up and eat something.

Shi qinglan’s takeaway was still warm. He took it out, heated it up, and brought it to his room.

“Oh ...”

Shi qinglan smacked her lips adorably. She turned over lazily and buried her head in the man’s arms. She rubbed her head against him coquettishly and said, ” sleep, sleep.

Seeing her like this, Bo Yucheng laughed in a low voice.

He couldn’t help but lower his body and gently Peck the girl between her eyebrows. eat something to fill your stomach before you sleep, okay? ”

After all, Shi qinglan had not eaten anything that night.

Although it was only a few drops of alcohol, it was still easy to feel uncomfortable after waking up from an empty stomach.

“Oh, that’s good ...”

The girl responded in a daze. She stretched out her white and tender arms to wrap around the man’s neck and sat up lazily. She rubbed her sleepy eyes, still not very clear-headed.

Bo Yicheng’s Red lips curled up slightly. He sat on the edge of the girl’s bed, his well-defined slender fingers picking up a piece of pastry and personally bringing it to the girl’s mouth. be good and open your mouth.

“Ah Wu ...” Shi qinglan took a bite of the cake with her pink lips.

She licked the pastry crumbs at the corner of her lips, but there was still some on the corner of her mouth.

The man saw her cute appearance and couldn’t help but chuckle. He gently wiped it off with his fingertips and then held the drunk girl in his arms and fed her little by little.

“Lan Lan is full.” Shi qinglan pouted her pink lips.

She pushed away the man who was feeding her, and her petite body fell on the bed.

She licked her lips satisfyingly and even reached out to touch her lower abdomen. Then, she turned around and was about to sleep again.

Bo Yucheng chuckled helplessly. Lan Lan is full, but ah Cheng isn't. What should I do? "

His hoarse voice lingered in her ears, magnetic and charming.

"Let it cool," Shi qinglan did not intend to bother with him.

Her back was still facing the man, and she even snuggled into the blanket, hiding her small head and preparing to sleep.

She did not realize how dangerous the man behind her was ...

"That won't do," Bo chicheng's Red lips curled up slightly. Lan Lan doesn't care about her boyfriend after she's full. She's a scumbag.

Shi qinglan opened her eyes and blinked twice.

She turned around and looked at Bo Yucheng in confusion, pointing at herself. really? Is this what a scumbag looks like?"

"Yes, she's a scumbag." Bo Li Cheng chuckled. so Lan Lan is going to feed me too, huh? "

Shi qinglan continued to blink her eyes innocently.

She tilted her head and looked at the man, who seemed to be serious. and asked seriously, " then ... That's good."

Then, the girl sat up obediently, picked up a pastry in. daze. and handed it to the man's lips. Lan Lan, you're feeding ah Cheng. Open your mouth, awoo ...

Bo Li Cheng's deep laughter was joyful and full of charm.

He bit the pastry and took the girl's white and tender finger in his mouth ...

This wasn't the same as the other wasn't full, this feeding wasn't the other feeding.

Then, the little white Rabbit was torn apart and swallowed by the Big Bad Wolf.
