

Heart Stealer Young Master Bo #Chapter 191 - Read Heart Stealer Young Master Bo Chapter 191

191 The future Mrs. Bo who will be officially married

“Ah ...”

Shi qinglan subconsciously exclaimed.

She immediately raised an arm and wrapped it around Bo Li Cheng’s neck. Her injured left shoulder did not dare to move and hung naturally at the side.

“Bo Li Cheng, what are you doing? put me down quickly.”

Shi qinglan’s porcelain-like face instantly turned red. She buried her head in the man’s arms, afraid that the students around them would recognize her. She grumbled softly, “there are so many students nearby.

As the girl’s Red lips moved, the hot air she inadvertently exhaled sprayed on the man’s chest, which could be vaguely noticed even through the clothes.

Bo Yucheng’s arms were very strong. His red lips curved slightly. even if I’m recognized, you’re still the Mrs. Bo I’m going to marry in the future. No one would dare to say anything.

Shi qinglan was speechless.

She bit her lip lightly and hid her head in her arms again.

Bo Yicheng walked steadily towards the Maybach. Wen mo helped open the car door and the man carefully carried the girl into the car.

“It’s an idol drama with an overbearing President! I’m so sour that I’m lemons!”

“Maximum boyfriend power! That girl is so lucky!”

the girl in his arms was wearing the school uniform of Zuo City High School. I saw a lot of blood. Was she injured? ”

“Injured? I heard that Shi qinglan, who scored full marks in all subjects in Ji City High School, took the exam with an injury. Could it be ...”

Even after the luxurious Maybach sped away, the crowd’s eyes were still following it, and they were extremely envious.

Shi qinglan's face was still pink and tender. She did not know if anyone had recognized her just now. She glared at the man with her beautiful eyes and said, " why are you acting like a hooligan in broad daylight? "

Upon hearing this, Bo Yucheng laughed silently.

Hearing his annoying smile, Shi qinglan clenched her fist and was about to hit him, but she was wrapped by the man's hot palm.

Bo Yucheng held her hand, his other hand holding her left arm, his voice full of compromise.

you can beat me however you want after I've recovered. But don't move around now. I'll feel bad if you tear my wound, okay? "

Shi qinglan's Red lips twitched, but she did not dare to pounce on him.

After all, she still had to take the exam tomorrow. The wound on her left shoulder was quite deep, which was indeed troublesome. I know, I know.

"To the hospital in Pi city." Bo Li Cheng ordered Wen mo in a low voice.

Wen mo nodded and drove to the hospital in ning city.

The doctor immediately treated Shi qinglan's wound again. Her fair and round shoulder was covered with blood. When the girl took off the clothes on her shoulder, the wound that greeted her eyes was shocking ...

"It'll hurt a little, bear with it." The doctor used a pair of forceps to hold a cotton pad, dipped it in hydrogen peroxide, and helped her clean her wound.

Disinfecting with hydrogen peroxide always hurt a lot. Shi qinglan pursed her lips lightly. Even though her face was a little pale, she did not cry out in pain from the beginning to the end. Her expression did not even change.

On the other hand, Bo Zhicheng's brows were tightly furrowed, and his large, hot palm held her hand, cold sweat seeping out of his worry.

the little girl is quite strong. She doesn't even take the opportunity to act coquettishly with her boyfriend beside her. The doctor joked, " I think your boyfriend is more nervous than you.

Shi qinglan's Red lips curved into a smile. it's alright. It doesn't hurt.

She had suffered pain many times more severe than this in the past, and this small injury was nothing in her life.

The doctor couldn't help but cast a look of approval at her. It was rare to see such a strong and unpretentious girl. but your wound is too deep. You might need stitches. Are you okay? ”

“Suture?” Bo Li Cheng's brows furrowed again.

He pursed his thin lips into a straight line. His heart ached so much that it ached faintly, and he wanted to bear the pain for her.

192 Bo Yicheng, I'll let you bite my shoulder

The dark eyes of the city of thin mist were deep and unfathomable.

He glanced coldly at Wen mo, who was standing in the corridor outside the door as a punishment. There was a hint of resentment in his dark eyes, as if blaming him for not protecting her well enough and causing her to be injured. He felt that Shen ruxue deserved to die.

However, the girl's expression was calm. let's suture it.

In the past, when she was training at the pure world Pavilion, if she was unfortunately seriously injured, she would stitch herself. Furthermore, there was no anesthetic, so this kind of thing could no longer cause any waves to her.

“If it hurts, bite me.”

Bo Zhicheng's long arm gently wrapped around the girl's waist, and he placed his chin on the top of her head, caressing it. His voice sounded a little hoarse. I'll let you bite my shoulder. It doesn't matter how painful it is.

The doctor smiled like an Auntie and looked at the two of them helplessly.

She took the tools needed for the stitches and said, ” don't worry, I'll give your girlfriend an anesthetic. It won't hurt much.

However, Bo Yucheng was clearly not at ease. He still looked at the girl with a frown. Every time the needle passed through her skin, his heart clenched tightly.

you have to pay attention to your diet. Don't let your wound come into contact with water, especially when you shower.

The doctor instructed, ” come back to remove the stitches in half a month.

Shi qinglan nodded her head in thanks and picked up the clothes that had been peeled off her shoulders. The familiar cold scent of the man's body filled her nose.

Bo ye Cheng undid his suit jacket and gently wrapped it around the girl before leaving the hospital with his arm around her waist.

..

In a villa in country A.

In front of the luxurious European style glass window, a man stood with his hands behind his back. The wine-red suit wrapped around his long body, and under the backlight, it vaguely revealed a somewhat flirtatious and dark meaning.

“Ha ...” His sexy voice was deep and long.

The man’s Red lips curled up slightly, and his devilish peach blossom eyes looked up slightly. she didn’t let me down after all.

The subordinates in the villa immediately knelt down on one knee.

They lowered their heads and held their breath, not even daring to make a sound. They realized that the man was obviously angry.

“Cheng Ying sword.” The man lazily lifted his lips.

The subordinate whose name was called stood up and replied, ” young master.

The man slowly turned around and approached the Cheng Ying sword. do you think her skills have improved? ”

The Cheng Ying sword’s back was drenched in cold sweat.

He hesitated and did not dare to speak. His Adam’s apple bobbed slightly, and finally, he replied, ” she’s no match for young master.

“No,” she said. The man’s smile gradually darkened, and his peach-shaped eyes glowed with a faint light. she is.

The name Shi qinglan was a taboo in the Crimson night League.

This was because the young master of the Crimson night Alliance, Qi yexi, had once been threatened by her and had even been poisoned by her. If he had not used some insidious means to escape, he would have died in the hands of the pure world Pavilion

...

He had spent two years in closed-door cultivation to get rid of the remaining poison in his body, and his personality was even more paranoid and sinister than two years ago.

And this time ... Even when he sent the most powerful men of sacrifice from the Scarlet night Alliance to capture her, those people had all committed suicide by consuming poison.

“This is interesting.” The corners of Qi yexuan’s lips curled up.

He lowered his eyes indifferently, and his fingers gently rubbed the tafey stone necklace. . ‘m afraid ... If you don’t hand over this necklace, my Xiao Shi ‘er won’t take the bait.”

Cheng Ying sword frowned. young master, what do you want to do? ”

Qi yexuan didn’t say anything, but there seemed to be undercurrents surging in the depths of his peach blossom eyes, enshrouding him with a somewhat conspirating aura.

193 I’ll treat you to a drink tonight!

The college entrance exam was over.

The teaching block of Ji City High School was filled with cheers, and torn textbooks and test papers were flying in the air. No matter what the outcome was, this hellish exam preparation life had finally come to an end.

“I’ll treat you to a drink tonight!” Jiang Zhi slammed the table and stood up.

He raised his hand to sweep away the hair on his forehead, one foot on the chair, and his arm on his knee.

Shi qinglan was packing her things when she heard this. Her fingers paused for a moment, then she raised her hand and touched the tip of her nose uneasily, wishing she could be invisible right now.

where to? where to? ” LAN Chu was excited.

She had never been to a bar before, but the party after the college entrance examination was really intoxicating, and she couldn’t help but want to go and have a good time.

“The most high-end entertainment club in China, seal Palace!”

Jiang Zhi raised his chin arrogantly. am I generous enough? ” he asked with a smug look on his face.

“Seal Palace?” LAN Chu tilted her head and looked at Jiang Zhi with a meaningful smile. I heard that not everyone can enter seal Palace. Do you have a membership card? ”

Upon hearing this, Jiang Zhi's expression froze.

This reminder was like cold water being poured on him. He stiffly turned his head to look at LAN Chu, "and ... You want a membership card?"

"Yup," LAN Chu's pink lips curved slightly.

A smile flashed across her clear almond-shaped eyes. She suddenly took out her membership card from her bag and flashed the silver card in front of Jiang Zhi with her fair and tender fingers. I have it.

The girl's tone was proud and proud.

Seal Palace was one of the most luxurious entertainment clubs in China. The boss behind it was very mysterious. It was said that his background and backing were very strong, so he only served guests with high status.

Even the honored guests didn't dare to act rashly.

She had collected this Platinum Card from the Kun Palace entertainment club when she was with the LAN family in the capital. She didn't expect it to be of use.

"Then what are we waiting for? we'll seal the palace tonight!"

Jiang Zhi had always been rough and unfeeling. He didn't think that he would lose face in front of LAN Chu. I'm going to drink with you until we're drunk!

As he spoke, he excitedly urged the two girls to leave.

However, Shi Qinglan clenched an empty fist to her lips and said in a rare soft voice, "you guys go ahead. I won't go ..."

"Ah?" Jiang Zhi was instantly dejected.

He scratched his head awkwardly and put his legs down. He bent over and wiped the footprints on the stool with his hands. He sat back in his seat and looked at her. Sister Qing, it's boring if you don't go.

A bar would only be interesting if there were many people.

If Shi Qinglan did not go, he and LAN Chu would be left alone in the middle of the night, staring at each other.

It's a duck. Xiao Qingqing, go ahead ~"LAN Chu also moved closer and grabbed the corner of Shi Qinglan's clothes, starting to act coquettishly.

She pouted her pink lips, and her soft voice sounded even more like cotton candy at this moment. please, please, I'm begging you to provoke me. Please, please, you're the best. I love you, I want you ~”

She immediately arranged for the coquettish six companies to join.

The girl's pleading voice was delicate and soft, especially her clear almond-shaped eyes that were like the starry sky. It was difficult for anyone to refuse the attack of the clingy little loli ...

“Alright, alright, alright. I'll go.” Shi qinglan was no exception.

She raised her hand and gently massaged her temples. She had a headache but there was nothing she could do. She could only let LAN Chu accompany her to seal Palace and immediately sent a text message to Bo Li Cheng to say hello.

194 I can't hold my liquor, Emperor, come save me!

Boye city was still acting like an incapable ruler.

He pushed aside all his international meetings and work at night and planned to drive to Zuo City High School to pick up the girl as usual.

However, at this moment, his phone suddenly vibrated.

Bo Yicheng lowered his eyes and glanced at the caller ID. His fingers slid across the screen as he perfunctorily picked up the phone. He said coldly, ” if you have something to say, say it.

An unruly whistle came from the other side of the phone.

Bai Yuchen took off his sunglasses and walked out of the airport, followed by a group of bodyguards who were helping him carry his luggage. big brother Cheng, there's nothing much going on in the imperial capital recently, so I came to Lin city to find you and have fun.

“Do you want to make an appointment at seal Palace tonight?” The corners of his lips curled up slightly.

As the only remaining bloodline of the imperial capital's Bai family, Bai Yuchen had taken over the entire family after his parents died in an accident. He would only come to Ying city when he was free or when he was sad ...

The last time he drank with Bo Li Cheng, it was because he was hurt, but this time, he was bored and wanted to have some fun.

Bo Yicheng's cold lips parted slightly. no, get lost.

As soon as he finished speaking, he hung up the phone without mercy.

Bai Yuchen blinked in confusion. When he heard the busy tone, he couldn't help but curse, " f * ck ...

He was almost certain that this Dog Man valued his lover over his friends.

The last time he came to ye city to get drunk, he said he wouldn't return until he was drunk. In the end, not only was Bo ye city unwilling to let him drink good wine, but he even abandoned him halfway?

young master Bai, then we'll now ... The bodyguard hesitated.

Bai Yuchen glanced at him coldly from the corner of his eyes. let's go home first. If this dog doesn't come, I'll smash seal Palace and see if his boss will show up!

The bodyguard nodded and followed him obediently.

After Bo Yucheng hung up the phone, he immediately blacklisted Bai qichen, in case his Lan Lan heard that someone was asking him out to a bar one day and got upset ...

In the end, just as Bai Yuchen was blacklisted, Shi qinglan's message came in. Your Majesty, I've been abducted by little Chu 'er to the seal Palace. I can't hold my liquor. Your Majesty, please come and save me!

Bo Yicheng, "..."

The little girl now had a deep understanding of her alcohol tolerance.

His thin lips curled up slightly. She had also called him to the seal Palace, but the man's eyes were filled with endless tenderness and indulgence. He immediately replied, " okay.

..

LAN Chu was chattering beside Shi qinglan.

Her clear almond-shaped eyes sparkled with stars. She seemed to be full of anticipation and curiosity about the bar, as if she was exploring a new world that she had never come into contact with.

"Xiao Qingqing has never been to a bar before?" LAN Chu blinked her eyes.

Shi qinglan pursed her red lips, " I've been."

The first time she found out that she was one drop drunk, it was because she was tricked by Nan zhiyue to go to a bar, and she had a psychological shadow.

LAN Chu nodded like a chick pecking at rice. I think a girl as sweet as Xiao Qingqing must have a great alcohol tolerance!

“Additional suggestion.” Jiang Zhi agreed with her.

Shi qinglan’s eyes flickered, and she looked up at the sky as if nothing had happened. ah, actually, I don’t like to drink.

“Is that so?” LAN Chu tilted his head suspiciously.

She blinked her eyes thoughtfully, feeling that Shi qinglan seemed to be a little different today ...

Shi qinglan also looked away, thinking about how she could avoid drinking in the seal Palace so that she would not expose the fact that she was one drop drunk. She felt that her injury could be used ...

However, just as she was lost in her thoughts, a force suddenly came from her arm and Shi qinglan was pulled away without warning.

She raised her eyebrows slightly. you ...

Shh ... Shi Qing-an placed a finger on his lips.

He was still wearing his sunglasses and a mask. He grabbed the corner of Shi qinglan’s shirt and squatted behind her.

195 Xiao LAN ‘er, big brother has missed you so much

“I saw big brother running that way!”

“The heartbroken arsonist is setting fire to Zuo City High School again! I’m going crazy to be able to catch up to a star after taking the college entrance examination!”

“Hubby, don’t run! Your wife is here!”

The fans screeched like bees.

Meanwhile, Shi qingan was crouching behind Shi qinglan, his entire body covered up tightly. Only his slender and fair fingers could be seen, tugging at the corner of his sister’s clothes.

Shi qinglan raised her hand and placed her white fingers on her brows. She looked helplessly at her brother who was curled up in a ball.

“This ... Who is this?” Jiang Zhi was dumbfounded. He looked at Shi qingan with hostility as if he was looking at a pervert.

“Ah, no one.” LAN Chu’s eyes were clear. he’s the top Chinese movie King and is known as the nation’s husband. I guess all the girls in the school are his fans except for me and Xiao Qingqing.

“Him?” Jiang Zhi’s mouth twitched. the nation’s husband? ”

Did the wife fans know that their husband was crouching behind another girl? how coy could they be?

“Your fans have all left.” Shi qinglan’s Red lips twitched.

Hearing this, Shi qingan lowered her head slightly. Her sunglasses slid down from her high nose bridge, revealing a pair of clear and delicate eyes.

“He left?” He stuck his head out and looked around.

After confirming that the fans had not discovered his hiding spot and had already gone in another direction, Shi qingan removed her sunglasses and mask and heaved a sigh of relief.

Xiao LAN ‘er, big brother has missed you so much.

Shi qingan reached out and wanted to pull Shi qinglan into his arms, but the girl took a step to the side in disgust.

Shi qinglan covered her shoulder with her hand. don’t touch me.

If he accidentally tore her wound, he would probably have his leg broken by Shi qingxun again when he got home.

Fortunately, he had just pulled his right arm.

Shi qingan’s clear eyes were filled with grievance. He took out a bunch of chocolates from his pocket and said, ” these are all for you. I was in a hurry today and didn’t have time to buy anything else.

“Big brother swears it’s not liquor chocolate this time. You can eat as much as you want.” He gently raised his lips.

Recently, when he was rushing for jobs, he would buy some chocolate whenever he saw it. He saved it all in his pocket, waiting for the opportunity to sneak over to see his sister and give it to her.

A teasing smile flashed across Shi qinglan's eyes. She held the chocolate in her hands and said, "it'll be a pity if I just eat the chocolate that the nation's husband, Shi qingan, gave me.

"I think we can make a lot of money by selling them under this banner." The girl's Red lips curved as she calculated in her heart.

Shi qingan didn't realize that his sister was teasing him.

"Xiao LAN 'er, are you short of money?"

He frowned slightly and took out his bank card. take this card. I've saved up hundreds of millions in advertising fees over the years. You can buy anything you want.

Shi qinglan was speechless.

Did she accidentally poke a hole in the nouveau riche's nest? why were they so keen on giving her a black card?

Shi yingdi, instead of caring about Xiao Qingqing ...

LAN Chu's pink lips curved slightly as he held Shi qinglan's right arm. you should think about what you should do first.

As she spoke, she blinked her right eye and pointed behind him.

Shi Qing 'an immediately turned around, and his eyes widened. The fans who had run away earlier realized that they had gone in the wrong direction and swarmed toward him again. brother ...

"Xiao LAN 'er, I'll be leaving first." He immediately put on his sunglasses and mask again. big brother will come and see you another day!

As soon as he finished speaking, he immediately turned around and ran away.

The group of fans was still hot-headed and blindly chasing after her. They did not notice the interaction over here at all, let alone think about the 'secret' relationship between Shi qinglan and Shi qingan ...

196 Did sister Qing cheat on her boyfriend?

Jiang Zhi looked at the scene in front of him in confusion.

He wasn't Shi Qinglan's brainless fan. Furthermore, after witnessing the interaction between the two of them, Baldy felt like he had discovered a shocking secret!

"F * ck." He turned to look at Shi Qinglan in shock. Sister Qing, don't tell me you've cheated on your boyfriend ...

He remembered that Shi Qinglan had a boyfriend, and she had been forced to show off to him before. However, judging from her current interaction with the best Actor, their relationship was obviously not ordinary!

"Are you a pig?" Blue rolled his eyes in disgust.

She puffed up her cheeks and patted Jiang Zhi's head with the exam admission ticket in her hand. That's little Qingqing's brother!

"Brother?" Jiang Zhi cursed in his heart.

He came to. Sudden realization at first, but then he was dumbfounded. But the brother that Sister Qing brought to her coming of age ceremony wasn't him ...

LAN Chu helplessly pouted her pink lips.

Oh, " she said, raising her face proudly. Anyway, this matter is very complicated. How can ordinary people like you understand Xiao Qingqing's identity in a short time? "

The smug look on the girl's face was extremely adorable. Unfortunately, her legs were a little short. Even though she was looking up, Jiang Zhi could still easily look at her with his height. tsk-

LAN Chu waved his hand, too lazy to argue with him.

"But ..." Her eyes lit up and she looked at Shi Qinglan with a meaningful look. Xiao Qingqing's boyfriend? "

Shi Qinglan looked up at the sky again as if nothing had happened.

She pursed her red lips and was thinking about how to avoid it when a sly smile flashed across her eyes.

She leaned closer to LAN Chu and pressed her red lips against the girl's ear. Little Chu, don't you also have a first love? "

Upon hearing this, LAN Chu's fair and tender oval face instantly turned red.

She was so embarrassed that she almost exploded. Xiao Qingqing!

Shi Qinglan's red lips gave a slight smile. She raised her hand and ruffled the girl's soft hair. Let's go to Seal Palace.

..

Seal Palace entertainment club.

The night scene here was intoxicating and blurred. The gorgeous lights shone on the wine glasses, and the ambiguous and dynamic feeling between the toasts eroded people's rationality ...

The dynamic music beat to the drums and the girls' dazzling dance steps tugged at the men's heartstrings.

"Open a private room." Jiang Zhi handed the silver card over.

He pretended to be familiar with the place, put his arm on the bar counter, and threw a flirtatious look at the lady at the front desk.

"Yes, sir." The receptionist took the card with a smile, but when she saw that it was only a membership card, the smile on her face disappeared immediately. Sir, this card can't open a private room.

As the most luxurious entertainment club, Seal Palace was highly sought after by the rich and noble. Membership cards of different levels were not only a form of dignity, but also a symbol of status. As for the silver card ...

It was almost at the bottom of the food chain in the rich.

"Why can't I?" Jiang Zhi frowned.

The receptionist was obviously not as enthusiastic and flattering as before. She answered perfunctorily, "This is the lowest-level card in our Seal Palace. We can only provide you with a bar chair at most, but it's already full.

As she spoke, she raised her chin and gave a mocking look.

Jiang Zhi furrowed his brows in frustration. He looked around the bar counter and saw that there were a few chairs scattered around, but even the worst seats were all taken.

I'm sorry, I didn't know about this rule ...

LAN Chu's clear eyes flashed with little surprise. She bit her lip lightly and suddenly felt sorry for the two of them. Brother Jiang, Xiao Qingqing, why don't we go to another house ...

However, just as she finished speaking, a gentle female voice suddenly sounded. open a high-class private room.

197 The card that Bai Yuchen gave her

The woman in sunglasses walked towards the bar.

Her fingers were smeared with pink dankou, and she handed a Platinum Membership card to the front desk. the usual seat will do.

“Alright, miss LAN.” The receptionist immediately received it.

Hearing that familiar voice, LAN Chu was stunned. She slowly looked over, and even her fingertips felt cold ...

“You know him?” Shi qinglan’s brows were slightly furrowed. She had noticed that something was wrong with the girl beside her and asked softly.

LAN Chu bit his lip, “ she ... She’s my cousin and the most popular actress in the entertainment industry, LAN xinxuan.”

Hearing this, Shi qinglan nodded lightly.

Previously, she had used the intelligence network of the pure world Pavilion to investigate. After LAN Chu’s parents passed away, her uncle inherited all of the LAN family’s assets. This LAN xinxuan was the daughter of the new president LAN and also the person who replaced LAN Chu as the young miss of the LAN family ...

The corners of Shi qinglan’s charming eyes lifted slightly. She glanced at the woman nonchalantly and started to size her up.

LAN xinxuan was dressed in a pink one-piece dress. The strapless style showed off her White Swan neck and sexy collarbones. Her makeup was exquisite, and her temperament was elegant. She had the posture of a young lady from a rich family.

Her soft lips curled up slightly as she looked at the seal Palace. When she saw LAN Chu, she asked in surprise, “ Chuchu? ”

It was as if he had really just noticed her.

LAN xinmei lifted her hand and took off her sunglasses. Her delicate eye makeup was covered with powder, and her facial features looked gentle and beautiful. I haven’t seen you come home in a long time. Why are you in Li city and even here at the bar? ”

LAN Chu pursed her lips and clenched her fists.

Shi Qinglan noticed the cold sweat and coldness in the girl's palm, and she also noticed that she was gradually tightening her grip. She consoled her by holding her hand back.

"Is there anyone else who knows better than you why I ended up in Ying city?" LAN Chu's voice was cold.

She had inexplicably gained confidence. She raised her delicate and tender face, but there was a hint of arrogance and brashness in her eyes. It was an attitude that she only dared to show when she was pampered by the LAN family.

LAN Xinmei's soft lips revealed a faint smile. So, Chuchu still blames me.

She looked at the girl with an indulgent smile and shook her head helplessly. She glanced at the silver card in Jiang Zhi's hand and asked, "Chuchu, do you want to hang out with your friends at Seal Palace tonight?"

"It has nothing to do with you," LAN Chu looked away.

The girl's hands that were holding the person beside her trembled slightly. The last thing she wanted was for LAN Xinmei to see her in such a sorry state, and she did not want to be ridiculed for a membership card.

LAN Chu pursed his lips. Xiao Qingqing, brother Jiang, let's go.

As soon as she finished speaking, she was about to leave, but LAN Xinmei's voice suddenly came from behind her. Chuchu, ah Luo gave me a Platinum Card. I used it to open a high-class private room. Why don't we go together?"

Upon hearing this, LAN Chu suddenly stopped.

She pulled her hand out of Shi Qinglan's palm and clutched the corner of her shirt tightly. The coldness from her fingertips spread from her arm to her whole body, and her heart ached ...

It was the card Bai Yuchen had given her.

LAN Chu's lips twitched in a self-deprecating manner. She suddenly turned around and smiled. Miss LAN, you don't have to say this in front of me on purpose. I have nothing to do with him anymore.

Hearing this, LAN Xinmei still smiled.

She glanced at LAN Chu's wrist from the corner of her eye. It was the sapphire Diamond bracelet that symbolized the identity of the young Madam of the Bai family. She said helplessly, "Alright then. Be careful on the road if you're going home too late. I didn't call a driver today, so I won't send you home."

by the way, I remember that you've always liked qingyue. Her latest album has been quite difficult to buy. I'm on pretty good terms with her, so I asked her team to save two for me.

"If you have time, go home and get it. I'll give you a ride."

Shi qinglan was speechless.

I'm sorry, but I don't seem to know you.

198 I'm Shi qinglan, the financial magnate of the Shi family in Beijing

LAN Chu's eyes turned cold and a little sour.

However, she still smiled and said, "I already have qingyue's album and I still want to sign it. Sister, you won't be able to get it, will you?"

Hearing this, LAN xinxuan was a little stunned.

LAN Chu no longer paid any attention to him and was about to leave. At this moment, she only wanted to leave this place as soon as possible. She didn't want to be humiliated by LAN xinxuan again, and she didn't want to hear anything related to Bai Yuchen ...

However, Shi qinglan suddenly opened her red lips. wait.

There was a hint of displeasure in her clear eyes as she glanced at the bar counter. what kind of status does one need to have to have the highest level of membership card in this place? "

"Xiao Qingqing?" LAN Chu looked at her with surprise.

LAN xinxuan's soft lips curved up slightly. the highest level of the seal Palace is the Black Diamond card. However, there is only one in the world. I heard that it is in the hands of the mysterious boss behind the scenes.

The corner of Shi qinglan's eyes twitched. what about the second level? "

"Little sister, are you still coveting the diamond card?"

This time, before blue heart could answer, the receptionist sneered first. in a luxurious entertainment club like our Chao Phraya Palace, only the top rich families like the Shi family and the Bo family are worthy of having a diamond card. Don't tell me you ...

"I'm Shi qinglan from the Shi financial magnate in the capital."

The girl's Red lips suddenly parted slightly, and her coquettish voice continued to be cold. She raised her pretty face slightly. I now ask you to apply for a diamond card for me immediately.

Upon hearing this, Jiang Zhi felt as if he had been struck by lightning.

He turned his head stiffly to look at Shi qinglan, his eyes wide with shock. di, di, di ... The capital's Shi financial magnate?"

A hint of surprise also flashed through LAN xinxuan's eyes.

She looked at the girl in front of her. She was wearing a clear blue and white school uniform, and her black hair fell casually on her shoulders. She did not put on any makeup, but she was beautiful enough to confuse the public. At this moment, she inadvertently exuded a sharp aura that could not be ignored ...

"Little sister." LAN xinxuan chuckled helplessly. the young miss of the Shi financial magnate in the capital has been missing for many years and has yet to be found. Everyone in the circle of the wealthy families in the capital knows about this. It's fine for you to say this in front of me, but don't let anyone else in the capital hear this.

The receptionist was shocked by her identity.

However, hearing the eldest miss of the LAN family of the imperial capital say so, the identity of the person in front of him must be fake, so he heaved a sigh of relief.

She said arrogantly, " don't try to fool me. Ms. LAN is also a noble person in the capital. If you really are from the Shi financial magnate, how could she not know you? "

LAN Chu tugged at the girl's clothes. Xiao Qingqing ...

Her fair cheeks puffed up slightly. She had not expected that Shi qinglan would be dragged into her family's Affairs.

"I want to talk to the boss of seal Palace." Shi qinglan's eyes narrowed slightly. She walked slowly to the bar counter, leaned forward slightly, and put her arm on the table lazily.

The receptionist sneered. do you think the boss has the time to talk to you? "

Her red lips curled up slightly. then do you think ... If the Shi financial magnate wants to get a diamond card, can you, a mere front desk receptionist, make the decision?"

The front desk lady met her slightly cold gaze, and her back was inadvertently shocked with cold sweat. you ... The boss behind seal Palace is very mysterious. Even master

Sheng of the Shi financial magnate wouldn't receive him, so he wouldn't have the time to deal with an imposter like you!"

"Bodyguards! Hurry up and throw this imposter out!" The receptionist suddenly raised her voice, attracting a lot of attention.

The bodyguards immediately rushed over to chase him away.

However, at this moment, a deep and cold voice suddenly rang out. I'd like to see who dares to expel the seal Palace's lady boss!

As his voice fell, Bo Li Cheng strode steadily into seal Palace and directly placed the mysterious black Diamond card on the bar counter.

?199 Bo Yicheng, what a coincidence, I came for her

Shi qinglan felt a strong force around her waist, and she was immediately pulled into a warm and firm embrace. ah-Cheng? "

She raised her pretty face slightly and looked up at the man's handsome and cold face. She was only surprised for a moment before she understood.

It was no wonder that all the rich and Noble families did not dare to provoke this mysterious behind-the-scenes boss. With the identity of the heir of the Bo Financial Group, perhaps only the Shi Financial Group could afford to provoke him ...

"Old ... The boss?" The receptionist's expression changed instantly.

She immediately picked up the diamond Black card and read the information on it. it's really the boss! she said.

Hearing this, LAN xinmei raised her eyes and looked at the handsome man. A touch of surprise flashed through her eyes, but more than that, she was shocked.

She smiled. I didn't expect to meet the mysterious boss on my rare visit to seal Palace.

Bo Li Cheng's long and narrow eyes narrowed, his deep dark eyes filled with displeasure, but his arm around the girl's waist tightened. what a coincidence, I came for her.

LAN xinmei pursed her soft lips and cast an apologetic gaze at Shi qinglan. I'm sorry, I must have misunderstood just now. It seems that you're really the young lady of the Shi financial magnate? "

Bo Li Cheng glanced at him coldly, with no intention of responding.

The receptionist was about to return the card when the man said coldly, "this Black Diamond card will be under her name. From now on, the only black Diamond card in the world will belong to the Shi financial magnate, Shi Qinglan."

Upon hearing this, not only did the front desk staff's hands freeze.

Even LAN Xinxuan raised her eyebrows slightly and sized up the city. She could only vaguely guess that his identity was very noble, but she did not know which wealthy family in the imperial capital had such a character ...

After all, Bo Li Cheng had been raised in Li city since he was young. His status was noble and he rarely appeared in public. It was normal for others to not have seen him, let alone LAN Xinxiao, a branch of a wealthy family who had recently risen to power.

"F * ck f * ck f * ck ... The f * ck?" Jiang Zhi was dumbfounded.

He felt like he had been riding a roller coaster the entire night. He looked at Shi Qinglan with fear and trepidation. The lady boss of the luxurious entertainment club, seal Palace?"

Jiang Zhi felt as if he had gone crazy and suspected that he was dreaming.

He even pinched his arm hard, and the pain almost made him cry out, but at the same time, he instantly woke up.

"I told you long ago that you'll get used to this kind of thing ..."

LAN Chu's pink lips twitched and he lowered his voice. Xiao Qingqing is not just the lady boss of seal Palace.

Unlike LAN Xinxiao, she had grown up in the capital and was by Bai Yuchen's side. She was also familiar with Shi Qingxiao and Shi Qingan, so how could she not recognize this master Bo of the Bo Financial Group ...

She just did not expect Xiao Qingqing's man to have such a powerful background.

"Miss, miss Shi, I was blind to not recognize Mt. Tai! This Black Diamond card has been changed to your name. From today on, you are the most distinguished guest of seal Palace. Please be magnanimous ..."

The receptionist handed the Black Diamond card back in fear. Her back was covered in cold sweat, and her legs were weak.

She knew all too well that a wealthy family could easily crush a person to death. She had been very careful all these years, but she didn't expect to offend the most distinguished one in the end!

The young miss of the Shi financial magnate, who had been missing for many years, had once been held in high regard by the entire wealthy family in the imperial capital ...

Even if master Sheng and master Bo had extremely high status, they were probably not as favored as this young lady. Even if she had been missing for many years, she would probably be favored more when she returned!

200 Don't try to touch me, you're not worthy

Bo Yucheng's dark eyes were deep and dark. He narrowed his eyes and stared at the front desk. from tomorrow onwards, you don't have to come to work anymore.

Upon hearing this, the front desk receptionist's legs suddenly went soft. If she had not supported herself on the table in time, she would have fallen down in fright.

How could this matter be as simple as being fired ...

If she was fired by the boss of the seal Palace entertainment club, it would be impossible for her to stay in the service industry in the future!

"M-miss Shi, I'll immediately open the most luxurious private room for you and your friend." The receptionist trembled as she stood firm.

Her hands trembled as she touched the mouse. She still planned to stand guard for the last night and try her best to beg for her boss's forgiveness.

"Miss Shi, I'm really sorry about tonight. If there's a chance in the future, I'll visit you and apologize again when I return to the capital."

LAN xinxiao pursed her lips and looked at Shi qinglan, her eyes full of sincerity. She also nodded politely at Bo Zhicheng.

Then, she took The Platinum Card and went to her private room.

Shi qinglan's private room had already been opened, and her Jade-like slender fingers were casually playing with the Black Diamond card.

Her eyes slanted slightly, and her red lips curled up. you have quite a lot of alternate accounts? "

Upon hearing this, Bo Yucheng could not help but chuckle. He lowered his head and kissed the stray hair by her ear. not as much as you.

Jiang Zhi was speechless.

Cold dog food was smacked on my face.

Shi qinglan probably realized that she had made a bad impression on him. She put her little hand on the man's chest and pushed him away. "don't act like a hooligan in public ... My friend is here."

"Alright," he said. Bo chicheng's Red lips curved up slightly.

He pressed his lips against the girl's ear and said in a low and hoarse voice, "you can play with me when you get home."

Shi qinglan was speechless.

She opened her eyes in anger and glared at the man. Then she pushed him away, took the Black Diamond card, and turned to leave.

LAN Chu and Jiang Zhi immediately followed.

Bo Yucheng chuckled in a low voice, then lowered his eyes and took out his phone to make a call. Shi qinglan felt her phone vibrate, so she swiped the screen to answer the call and placed the phone by her ear. Immediately, she heard a hoarse warning sound

...

"Don't drink, or I'll deal with you when we get home."

Shi qinglan naturally understood that it was not a matter of time to teach him a lesson. Her delicate face instantly turned red. She shut up.

After the girl hung up the phone, Bo Li Cheng's eyes were still filled with love as he walked towards another private room.

..

Bai Yuchen's private room was right next to Shi qinglan's.

He casually leaned on the sofa, his long legs crossed casually, and his well-defined fingers gently pinched the wine glass.

The champagne was filled, and the room was filled with the strong smell of alcohol.

"Young master Bai, don't drown your sorrows in alcohol."

The woman's sweet voice rang out. She laughed and coaxed, "look, we have all kinds of girls here. Why should an outstanding man like you indulge in love?"

The corners of Bai Yuchen's lips curled up slightly, his smile mocking.

He raised his head and finished the champagne in his glass. Then, he handed the Goblet to the girl beside him. pour some wine.

The woman covered her mouth and laughed. She immediately filled Bai Yuchen's cup. young master Bai, let me feed you.

"I promise you that you'll be drunk tonight. You won't remember the woman who broke your heart."

As she spoke, she twisted her thin waist and wrapped around him like a snake. She was about to climb onto the man ...

"Pa-

Bai Yuchen suddenly raised his hand and waved.

The glass in the girl's hand was flipped over in an instant, and the champagne flowed all over the ground, the glass shattering into pieces.

"Young master Bai?" A hint of astonishment flashed through the lady's eyes.

The smile on Bai Yuchen's lips instantly disappeared. He coldly glanced at the lady. pour the wine you should. Don't have any other thoughts and don't try to touch me. You don't deserve it.

The girl pouted her lips and wanted to act coquettishly ...

At this moment, the door of the private room was suddenly pushed open.
