

HEART STEALER YOUNG MASTER BO

Chapter 201

201 What did you say? who did you see?

Bo Zhicheng furrowed his eyebrows tightly.

He narrowed his eyes and glanced at the drunk Bai Yuchen. Then, he smelled the strong smell of alcohol in the room, and the air around him turned cold.

“Did I disturb young master Bai from his drunken dreams?” His cold lips parted slightly.

Bai Yuchen lazily crossed his legs and rested his arm on the back of the sofa behind him. He glanced sideways at the girl beside him and smiled.

He smiled wantonly. so what if I’m just having fun? I’m the head of the Bai family in the imperial capital. I can’t just hang on to one tree.

“As you wish.” Bo chicheng raised his eyebrows slightly.

He drooped his head slightly and tidied his sleeves indifferently. however, I think I saw miss LAN in seal Palace just now ...

Hearing this, Bai Yuchen suddenly slid down from the sofa.

He looked up at Bo Yucheng in shock, his expression instantly changing. what did you say? Who did you see?”

The woman wanted to help him up, but Bai Yuchen shook off her arm without hesitation. When he accidentally touched her, a clear look of disgust flashed in his eyes ...

His expression was extremely bad, and he shouted coldly, ” get out.

“Young master Bai ...” The girl said unwillingly.

"I said, get lost." Bai Yuchen didn't show any mercy.

The girl pouted, but she didn't dare to disobey his order. Even if she was reluctant, she still twisted her waist and left.

Bai Yuchen stood up pathetically and strode over to Bo Yucheng. which big miss LAN? "

Now, in the circle of the royal families in the capital, miss LAN had become the gentle LAN xinxuan, no longer the arrogant LAN Chu.

However, he heard Bo Yucheng say, " your ex-fiancée.

Bai Yuchen felt his heartstrings being ruthlessly shaken.

He was stunned for a moment. After a long time, he smiled and pretended not to care. what does her being here have to do with me? "

After he finished speaking, he turned around and went back to the sofa.

He crossed his legs again in a carefree manner, but he held a bottle of wine in his hand and drank continuously to calm himself down. His heart unconsciously tightened.

Bo Yicheng nodded. it's indeed not related. After all, you've already personally proposed to cancel the engagement.

He slowly walked to the sofa and sat down.

She poured herself a glass of red wine and casually swirled it twice. She lowered her head and sipped it, her movements noble and elegant.

Bai Yuchen took a sip of wine and looked up at the ceiling. what's she doing in seal Palace? "

"Didn't you say that it had nothing to do with you?" Bo chicheng raised his eyebrows.

Bai Yuchen retracted his gaze and scoffed. of course it has nothing to do with me. I was just asking. It's up to you whether you want to tell me or not.

Bo Zhicheng sipped his red wine and really remained silent.

Bai Yuchen glanced at him from time to time. Seeing that he was really able to hold it in, he couldn't hold it in.

"What is she doing here?"

He frowned slightly. did you come alone or with a friend? " Do you think a girl can just come to a place like a bar?"

Bo Li Cheng's lips curved up slightly.

He glanced at the man lazily. you don't have to worry about that. She has other boys with her. If something really happens ... There should be people protecting him."

Hearing this, Bai Yuchen's hand that was holding the wine bottle tightened.

His expression changed. If the bottle was any weaker, it would have been crushed. other boys? "

he should be a classmate from Pi City High School. He's probably the type that girls his age like the most. He's much more attractive than an ex-old man like you ...

Bai Yuchen couldn't stay calm anymore.

He suddenly put down the bottle and strode out of the room.

"Where are we going?" Bo Li Cheng asked lazily.

Bai Yuchen's footsteps suddenly stopped. He gritted his teeth and squeezed out a few words. I'm just going to the washroom!

Bo Yicheng narrowed his eyes and did not make any rebuttal.

202 Please check and accept your blue and white couple

As expected, Bai Yuchen walked straight into the bathroom.

He washed his hands repeatedly, applied the hand wash several times, and rubbed them hard. There was a bit of disgust between his brows.

Even though he had not had any intimate contact with that woman just now, he had only touched her when he pushed her away, but at this moment, he felt that his hands were dirty ... It was so dirty that he felt uncomfortable.

It wasn't until his fingertips were cold from the tap water that Bai Yuchen scooped some water and splashed it on his face to sober up.

"An ex-old man who has gone past his Prime?" He gritted his teeth.

With both hands on the sink, Bai Yuchen narrowed his eyes at his reflection in the mirror. After a long time, he raised his hand to touch his face.

Her facial features were alright, and her skin was in good condition ...

How could he not be better than a kid who had just graduated from high school?

tsk-" Bai Yuchen scoffed coldly.

He lifted his suit jacket and sniffed it. The smell of alcohol made him frown again. He simply took off his jacket and put it in his arms, then turned around and left the bathroom ...

At the same time, in another private room.

Jiang Zhi was still in shock over Shi qinglan's identity. He was so dazed that he had yet to come back to his senses.

"Brother Jiang?" LAN Chu's fair and tender little hand waved in front of his eyes. you forgot to zip your pants!

"Ah, ah, ah, what?" Jiang Zhi snapped back to his senses.

He immediately covered his crotch and turned around in anger. Two pink flowers seemed to have floated across his cheeks as he stammered. "Wang. Wang. Wang ... Forget it then, What are you looking at as a girl!"

LAN Chu curled her lips playfully.

Jiang Zhi immediately lowered his head, opened his hand that was covering his crotch a crack, and peeked ...

“You brat, you actually dared to lie to me!” His expression changed.

LAN Chu immediately jumped up and ran behind Shi qinglan with her short legs. She grabbed the corner of her clothes and stuck her head out. Jiang Zhi, you’re not a man. How dare you beat me up!

“Do you want to see if I’m a man or not?”

Jiang Zhi glared at LAN Chu fiercely. He even rolled up his sleeves and gritted his teeth.

LAN Chu immediately hid behind Shi qinglan.

She mumbled in a low voice, “ it’s all because you were distracted. If I didn’t scare you a little, I think your soul would have drifted away.

That little tone sounded like she was in the right.

Jiang Zhi smirked and suddenly walked behind Shi qinglan and approached LAN Chu. then, do you think I’m a man? ”

“I, I, I ... How would I know!” LAN Chu’s face turned red. I’ve never tried it before, and I don’t want to try it!

Shi qinglan was speechless.

What kind of vicious words were these two people talking about?

LAN Chu’s face was burning from Jiang Zhi’s stare. She pouted her pink lips. I’m not going to argue with you. I need to go to the bathroom!

With that, she immediately jumped out of the private room.

This time, Jiang Zhi really didn’t chase after her. He snuggled into the sofa and crossed his legs like a boss. short legs.

As he retorted, his lips unconsciously curved up.

LAN Chu ran into the bathroom and hummed a lovely nursery rhyme. After washing her hands, she prepared to return to the private room.

The girl's footsteps were light and her mood seemed to be very beautiful. However, just as she was about to leave the bathroom, she was caught off guard and bumped into a hard chest ...

Bai Yuchen furrowed his brows tightly.

He was about to get angry when he heard the girl cry out in pain. Her voice was soft and familiar, and it made his eyes freeze for a moment.

"Ah," he said. LAN Chu's pink lips opened slightly. She lowered her head and rubbed her forehead in annoyance. I'm sorry, I ...

The girl was about to apologize, but when she raised her eyes, she was also stunned when she saw that familiar, handsome face.

203 The ex who broke off my engagement

LAN Chu's clear eyes flashed with surprise.

The little hand that was rubbing her forehead froze. For a moment, she did not come back to her senses and just looked at the man in a daze ...

Bai Yuchen's tightly furrowed brows slowly relaxed.

He looked down at the girl, and when he saw her delicate face, his heartstrings were ruthlessly tugged.

"Chu. er ..." He muttered unconsciously.

LAN Chu was brought back to her senses by him. She dodged his gaze and turned around, wanting to escape in a sorry state.

However, Bai Yuchen suddenly grabbed her wrist. Chu 'er!

The girl was caught by the man. She had no choice but to stop in her tracks, but she did not turn around. Her petite body was a little stiff.

She pursed her pink lips. young master Bai, please conduct yourself with dignity.

Hearing this cold and distant voice, Bai Yuchen's fingers trembled fiercely as he held the girl's hand.

"You ..." He held his breath.

He wanted to ask her how she had been all these years, why she came to the bar, and what was her relationship with the boy who accompanied her, but he couldn't find the right words to ask.

"Young master Bai." LAN Chu's pink lips parted again.

That seemingly soft voice had a rare sense of alienation, making people feel familiar yet strange.

Bai Yuchen continued to hold her wrist. Chu 'er, must you treat me with this attitude? "

Upon hearing this, LAN Chu's eyes suddenly turned red.

Her eyes were sour and gradually filled with tears. She did not say anything for a long time, but she still did not turn around ...

It wasn't that she had to treat him with this kind of attitude.

She used to love sticking to him the most, calling him brother Rong and acting coquettishly. When they were childhood sweethearts, she had made a scene and asked him to marry her, leaving him the thickest side of her.

But ...

LAN Chu raised her head slightly and sniffed to hold back her tears. young master Bai, what kind of attitude do you think I should use to treat an ex-boyfriend who has broken off my engagement with me? "

LAN xinxiao's private room was in the corridor that was perpendicular to this place.

She happened to be outside picking up a friend. When she passed by, she heard the two of them quarreling, so she stopped.

"Miss LAN?" The person beside her looked at her in confusion.

LAN xinmei smiled gently. director Li, you can go to the private room and play with them first. I have some things to deal with.

The person called director Li nodded in agreement.

LAN xinxiao looked at his back. After the man entered the private room, she quietly walked to the corridor where LAN Chu was and leaned against the wall to eavesdrop on their conversation.

Hearing LAN Chu's heartless words, Bai Yuchen's heart clenched.

He slowly let go of the girl's wrist, but when he glanced at her, he suddenly realized that she was still wearing the sapphire and diamond bracelet on her wrist. A trace of luck rose in his heart.

Bai Yuchen's lips twitched. since you're her ex, why is Ms. LAN still wearing this bracelet? ”

Hearing this, LAN Chu's brows furrowed.

She lowered her eyes and glanced at her wrist. That Sapphire Diamond bracelet was once stolen by Bai Yuchen and given to her at the risk of having his leg broken when he heard that it symbolized the young Madam of the Bai family.

This was the last thing LAN Chu had that was related to Bai Yuchen after she was expelled from the imperial capital ...

LAN Chu's fingertips were a little cold. The chill traveled from his arm to his heart, and it was painful.

She suddenly turned around and was about to retort when she suddenly saw the pretty figure behind the man ...

LAN xinxiao had appeared in the corridor and was standing behind Bai Yuchen, looking at them with a gentle smile.

204 Indeed, I'm no longer suited to wear a bracelet

LAN Chu's pink lips curved up slightly, a little self-deprecating.

She slowly pulled her hand away from the man's big palm, and her fingers gently touched the bracelet she was used to wearing ...

The girl took a deep breath. so young master Bai came to Ying city to ask me to return this bracelet.

Hearing this, Bai Yuchen's heart clenched.

That was not what he meant. He just wanted to stimulate the girl and make her admit that she cared about him ...

However, he only heard a “click” sound.

LAN Chu undid the bracelet and the dazzling Sapphire lay in her palm. She returned it to him. I'm not suitable to wear this bracelet anymore. I'll return it to its original owner.

“Chu ‘er, I didn't mean it that way ...”

"That's what I meant."

Bai Yuchen was about to explain when LAN Chu suddenly interrupted him. She pried open the man's hand and stuffed the bracelet into his palm, then turned around and ran away.

He clutched his bracelet and chased after her. Chu 'er!

"A-Qing." A gentle voice suddenly sounded behind him.

Bai Yuchen stopped in his tracks and turned around to see LAN xinmei walking toward him with a smile.

LAN xinxiao's eyes looked behind the man. I didn't expect you to come to Lin city. Was that Chuchu just now? "

"Yes." okay, "Bai Yuchen replied perfunctorily.

He looked back in the direction the girl had run away, but she had long disappeared, which made him hold the bracelet even tighter ...

There was still a faint warmth from the girl's wrist.

LAN xinmei pursed her lips, " I didn't expect things to turn out like this. I used to look forward to your wedding, but unfortunately ...

"It's impossible between the two of you." She sighed with regret.

Hearing this, Bai Yuchen felt a sharp pain in his heart.

His eyes gradually turned a little red, and he curled his lips in a self-deprecating manner. yes, it's impossible ...

Everyone knew that it was impossible for him and LAN Chu to be together.

He was the only one who was still testing the waters. He tried to struggle, but in the end, even the bracelet returned to his hand.

There was no need to chase after them.

LAN xinmei sensed Bai Yuchen's mood and pursed her lips. I'm sorry. I think I brought up your sad story.

"I didn't do it on purpose," She was a little apologetic. to express my apology ... Do you need me to get drunk with you tonight?"

Bai Yuchen glanced at LAN xinxuan.

He pursed his lips. no need, I'm meeting a friend.

As soon as his voice fell, he did not say much more to LAN xinxuan. He immediately walked away and returned to his private room.

LAN xinmei looked at Bai Yuchen's back as he walked away.

Her soft lips curled up slightly, and she left with a chuckle.

..

LAN Chu ran back to the private room in a panic.

She immediately closed the door and pressed her petite body against the door, as if she was afraid that the man would follow her and not know how to face it, or that she was simply avoiding this matter ...

However, she still seemed to be looking forward to him chasing after her.

Jiang Zhi and Shi qinglan looked up and sized her up. Sensing that there was something wrong with the girl, the young man said, " you're escaping? "

LAN Chu gently pursed her pink lips and did not respond.

That pair of clear and round almond-shaped eyes were filled with tears, and her eyes gradually turned red. She touched the wrist that was originally wearing the bracelet, and realized that it was empty ...

Her heart ached as if it was being pricked by needles, and her breathing stagnated.

Shi qinglan's beautiful eyes glanced at her and noticed that the bracelet that the girl usually wore was missing. A flash of understanding crossed her eyes.

Jiang Zhi, on the other hand, was still as thick-skinned as ever. He got closer to look at the girl's eyes and realized that they were as red as a rabbit's.

He suddenly exclaimed in shock, " f * ck! I, I, I ... I'm just ridiculing you. You, you, you don't have to cry, right?"

However, LAN Chu didn't want to bother with him at all. She held onto some hope that Bai Yuchen would catch up to her ...

But after waiting for a long time, there was still no movement.

He didn't chase after her.

He must have left with LAN xinmei.

waa ... LAN Chu couldn't hold it in any longer. Crystal clear tears rolled out of her eyes.

205 I'm most afraid of women crying!

Jiang Zhi looked at the girl who was bawling in shock.

He suddenly panicked and didn't know where to put his hands. No... Don't cry!"

waa ... but LAN Chu cried even louder.

She leaned against the door and squatted down, her arms wrapped around her legs. Her tears fell like a broken string of beads, and her originally clear and round almond-shaped eyes were now red.

"Y-y-you ... Don't cry, don't cry, I'm most afraid of women crying!" Jiang Zhi broke out in a cold sweat.

He squatted down as well, but his legs were too long, so he looked very cramped. He was half a head taller than LAN Chu.

"I just want to cry, I just want to cry! Waa-"

LAN Chu's cries became more and more violent. There were tear stains on her fair and tender face, and even the tip of her nose was red from crying like a little white Rabbit.

Jiang Zhi cursed in his heart.

He didn't know what to do, but LAN Chu suddenly grabbed his arm and used his sleeve as a tissue, wiping his tears and snot ...

Jiang Zhi didn't dare to stop her.

He turned around and looked at her for help. sister Qing, saving a life is better than building a seven-story Pagoda! I've never coaxed a woman before!"

The corners of Shi qinglan's eyes lifted slightly.

She did want to coax him, but she suddenly felt that it was not bad to watch the show. After all, the best way to end a relationship was to start a new one ...

It didn't seem appropriate to be a third wheel.

Hence, Shi qinglan's Red lips curled up slightly. all the best, brother Jiang. Once you've coaxed this girl well, she'll be yours.

Jiang Zhi's eyes widened.

"Sister Qing!" His cheeks seemed to have turned a little pink, and he gritted his teeth in embarrassment. don't talk nonsense!

Shi qinglan looked up at the ceiling, pretending not to hear her.

Jiang Zhi had no choice but to coax her. that ... Don't cry, I'll buy you candy, okay?"

LAN Chu's sobs were still very loud, accompanied by choking sobs.

Jiang Zhi scratched his head in frustration. When he saw that his sleeves were wet from the girl's wiping, he shouted, " drink! Let's drink! There's nothing to be unhappy about when you're drunk!"

Hearing this, LAN Chu suddenly stopped crying.

Her cries gradually weakened. She sniffed and pouted her pink lips as she looked at the young man. did you forget after you were drunk? "

Jiang Zhi nodded his head firmly.

they say that we can drown our sorrows in alcohol. After drinking, we forget everything. It's the kind of memory loss that can happen at any time.

He looked at the girl tentatively. I'll drink with you? "

LAN Chu raised her hand and slowly wiped away her tears. Her pink lips were pouted, and after a long while, she gently nodded.

"Hu ..." Jiang Zhi heaved a sigh of relief.

He immediately called the manager in charge of the room over and ordered a variety of cocktails to place on the coffee table.

LAN Chu raised her hand to wipe away her tears. The colorful wine dazzled her eyes, " these wines ... How do you want to drink it?"

Jiang Zhi once again looked at Shi qinglan for help.

Although he was usually carefree and looked like the leader of the punks in Pi City High School, he had never been to a bar before.

Shi qinglan's eyes flickered. don't look at me. I don't know. I'm not sure. The stitches haven't been removed. I can't drink.

It was as if she had already planned out the four consecutive denial.

Jiang Zhi did not dare to force her to drink. He picked a glass that he thought was not bad and drank it directly.

cough ... the spicy wine entered his throat.

He almost choked to death. After coughing for a long time, he said with a red face, " it should be fine to drink it directly, but you'll have to wait ...

Before Jiang Zhi could finish his sentence, LAN Chu picked up a glass of wine and gulped it down, treating it like fruit juice.

206 I'm going to get even with that scumbag!

Jiang Zhi looked at the girl in shock.

She didn't expect him to be so bold when he drank, even though he usually looked soft and gentle, so he also drank with her.

"Ha! Today, we'll empty the seal Palace!"

"I'm going to drink with you tonight!" LAN Chu raised the wine glass with a tender face. Cheers!"

Jiang Zhi clinked his glass with hers and downed it.

LAN Chu sat on the sofa with his short legs crossed. The spicy wine entered his throat and stimulated his stomach. The burning sensation in his stomach rushed to his brain and soon his head became dizzy ...

However, the heartache did not decrease.

Shi qinglan's brows furrowed slightly. She looked at the girl who was drinking without restraint and snatched the wine glass from her hand. little Chu 'er, you can't drink anymore. Be good.

"No... I, I want to drink!" She looked up.

The girl pouted her pink lips unhappily, her porcelain-like face turning red from the alcohol. She suddenly kicked off her shoes and stood on the sofa. I'm not drunk! I can still drink!"

"How can you get drunk with just a few glasses of wine? Xiao LAN, let's continue!" Jiang Zhi raised his cup in a drunken state.

Shi qinglan was speechless.

She pursed her lips and massaged her temples as she felt a headache coming on. Suddenly, she saw a figure moving from the corner of her eye.

LAN Chu was jumping on the sofa and almost fell down. Shi qinglan immediately hugged her leg. little Chu, you're really drunk.

"Nonsense!" LAN Chu staggered and regained his balance.

She glared at Shi qinglan fiercely and jumped down from the sofa. I'm not drunk. I said that I would forget when I'm drunk. I haven't forgotten. How can I be drunk? "

"I ... I'm going to find that scumbag! Why was he the one who shamelessly wanted to get engaged and the one who wanted to cancel the engagement? This time, I'll be the one to dump him!"

As she said that, she suddenly ran out barefoot.

Jiang Zhi was already unconscious. He was lying on the sofa with a glass of wine in his hand, and the wine was dripping down ...

Shi qinglan did not have the time to bother with him.

She narrowed her eyes and guessed that Bai Yuchen might be in the seal Palace. She subconsciously felt that something was wrong and immediately chased after him. LAN Chu!

LAN Chu's soft body reeked of alcohol.

She ran shakily along the corridor barefooted, mumbling, " Bai Yuchen ... Bai Yuchen, come out!"

The girl's figure stumbled, her face flushed red, and she was obviously drunk. Suddenly, she crashed into someone's arms.

A teasing voice sounded above her head. Oh, I didn't expect a little beauty to take the initiative to throw herself into my arms ...

"She looks pretty, I wonder which family's daughter she is! How about I play with you tonight?"

That young master was obviously used to hanging out with the flowers. Seeing LAN Chu running into his arms, he curled his lips teasingly and reached out to hold her soft and slender waist ...

“Don’t touch her!” Shi qinglan arrived just in time, her voice slightly cold.

She suddenly grabbed LAN Chu’s wrist and pulled her behind her. The drunk girl still didn’t know that she had caused trouble. She looked down at her white and tender feet and puffed up her cheeks.

She tilted her head. Oh, I forgot to wear my shoes ...

“Oh, I didn’t expect another one to come. Do you two sisters want to have a threesome with me? Big brother will satisfy you!”

The young master looked at the two girls with ill intentions. He slowly approached them and suddenly reached out to hug them.

Shi qinglan lifted her leg and kicked him without hesitation.

Then, a wail that sounded like a ghost’s cry and a Wolf’s howl rang out. oof ... You stinky b * tch, you actually dared to kick me!

He suddenly smashed the bottle of wine in his hand and rolled up his sleeves while cursing. f * ck, I’ll kill you today!

207 I don’t want to give her up

The man suddenly shouted at the top of his lungs.

The brothers who were playing with him in seal Palace rushed over when they heard the commotion. Some of them were still holding wine bottles in their hands. what’s the matter, brother Qin? ”

“Beat me up, you two bitches!” Young master Qin gritted his teeth and looked at Shi qinglan, pressing on his painful abdomen.

The young Masters whistled with great interest.

These were the rich young Masters of the rich and powerful families in Ying city. They just happened to be having a gathering at Ying Palace tonight, and they didn’t expect to encounter this.

They looked at the two girls teasingly. After confirming that the two of them were not part of the rich families in ning city that they could not afford to offend, their eyes gradually became lecherous. It started to swing ...

“Brother Qin, you’re so lucky tonight! Two pretty girls!”

“What are we waiting for? Didn’t you hear that brother Qin was beaten up? hurry up and help brother Qin get back at him!”

As they spoke, they approached Shi qinglan step by step.

They exchanged glances and suddenly rushed forward together. Their fierce actions clearly did not treat them as girls.

“Little Chu ‘er, hide behind me.” Shi qinglan’s eyes were cold as she glanced behind her.

LAN Chu was drunk, but no matter how delirious she was, she still knew that there was nothing wrong with being obedient.

“Alright,” The girl’s soft voice sounded.

Shi qinglan protected her behind her and immediately raised her leg to attack those people. The sound of fighting rose in the corridor.

..

After Bai Yuchen returned to the private room, he continued to drink.

He snuggled dejectedly on the sofa, letting the alcohol numb his heart without restraint, but the strong alcohol did not ease his worry.

“Big brother Cheng, do you know?”

the first time she called me brother Rong, her voice was as sweet as candy. At that time. I was sure that. would be her for the rest of my life ...

we grew up together. I played truant with her, helped her copy her homework, fought for her, and the first time she had sex was when I played truant to buy her sanitary pads.

at that time, I was so thick-skinned that I insisted on getting engaged to her. I even thought of what the wedding scene would be like ...

“But why did things develop to this point?”

“Why did that accident happen?”

why did the people who were supposed to be my in-laws become the enemies who killed my parents? ”

Bai Yuchen's lips twitched as he laughed mockingly.

He held the bottle and poured the wine down his throat. The wine slid down the corner of his lips to his neck, and his tight shirt became sticky.

pa-" he threw the empty bottle to the side.

Suddenly, he leaned back on the sofa and covered his face with his palm. In a muffled voice, he said, "big brother Cheng, I feel terrible ...

"Everyone is forcing me to forget her, but I don't want to give up. Is there any way I can not give up on her?"

However, Bo Li Cheng could not be bothered with him at the moment.

He crossed his legs lazily, his dark eyes unfocused, and his thoughts gradually drifted away ...

He didn't know if the little girl would secretly drink.

If she was really drunk, would she remember to come and find him?

"Pa-"

But at this moment, the sound of a wine bottle breaking suddenly came from the corridor outside, and Bo Li Cheng's eyes dimmed.

He frowned a little impatiently and noticed that someone was making trouble outside and disturbing his peace. He took out his phone and was about to call someone to take care of it, but suddenly he heard a voice ...

"Ah ... Xiao Qingqing!" LAN Chu screamed in panic.

Bo Zhicheng's eyes suddenly turned cold. Hearing the familiar name, he crushed the wine glass in his palm.

Bai Yuchen was extremely sensitive to this sound, and he sobered up almost instantly. Chu 'er ...

As soon as his voice fell, he suddenly got up and rushed out.

Bo Li Cheng also rushed over without hesitation.

208 He wanted to escape, but he heard a voice: Stop!

Shi qinglan always remembered to protect LAN Chu.

She raised her foot and kicked someone's chest, then turned and kicked the shoulder of the person who had sneaked an attack on her. Her loose black hair moved with her. Her eyes were charming, but her skills were good.

"F * ck, I can't even beat a woman!"

Young master Qin ruthlessly wiped the blood from the corner of his lips with the pad of his finger. He bent down to pick up the bottle on the ground and threw it at her.

ah! Xiao Qingqing! LAN Chu screamed in panic.

Shi qinglan turned her head when she heard the voice. Her charming eyes were a little cold. She immediately pulled LAN Chu into her arms and turned around to avoid him.

But young master Qin obviously didn't plan to let her go.

The scene was getting bigger and bigger, and this group of people was beating more and more ruthlessly, attracting many onlookers, but no one dared to stop them ...

Those who could appear in the seal Palace were either rich or noble.

Moreover, this was the corridor near the most luxurious private room. Perhaps there were some people who couldn't be provoked among the troublemakers.

LAN Chu was curled up in Shi qinglan's arms.

She woke up from her drunken stupor and finally realized that she seemed to have caused trouble. Xiao Qingqing, what should I do ...

"It's fine, just hide well." Shi qinglan ruffled the girl's hair, her voice soft and gentle.

However, he suddenly raised his hand to grab the arm of the attacker from the side and twisted it without hesitation. crack-

"B * tch, you dare to touch my arm!" Young master Qin was enraged by her actions and picked up the bottle with his other hand.

LAN Chu's eyes widened slightly. Seeing that the bottle was about to hit Shi qinglan, she immediately pushed away the girl who was protecting her and closed her eyes, ready to take the blow ...

"Chu 'er!" Bai Yuchen suddenly growled.

He did not hesitate to rush to the girl and directly pulled her into his arms, using his back to take all the attacks.

“Pa-”

The wine bottle shattered into pieces and hit him hard on the back. Blood gushed out, but the man’s arms around the girl did not loosen.

Young master Qin cursed, ” f * ck, he has a helper!

He did not believe it. He grabbed a bottle from the man beside him and threw it at Shi qinglan, who had no help.

Shi qinglan’s eyes turned cold. Just as she was about to snatch the bottle away, a cold shadow flashed across her eyes. The man’s long body was in front of her.

Bo Yucheng raised his hand and grabbed young master Qin’s wrist. His large palm twisted tightly, and there was the same sound of bone cracking. crack-”

“Owuuu! It hurts, it hurts, it hurts!” Qin shaoxi gasped in pain.

Bo Li Cheng’s dark eyes were cold. He ignored the other party’s pleas for mercy and lifted his leg to kick young master Qin’s chest ruthlessly. His action seemed casual, but it was actually ruthless and fierce.

“Who the.. ck dares to touch me ...”

Young master Qin fell to the ground in a daze. He rubbed his aching ribs and looked up.

He was about to find someone to settle the score when his eyes suddenly stopped.

His back broke out in cold sweat. B-master Bo.

The Qin family had some status in ye city. Occasionally, when they followed their parents to important occasions, they were fortunate enough to meet this master Bo of the Bo Financial Group, who had grown up in ye city.

However, no one else heard his mumbling.

Bo Yucheng’s long and narrow eyes narrowed. He indifferently swept his gaze over the scene of the wolves lending their lives to him, as well as the ghastly blood and wounds on Bai Yuchen’s back. His cold lips parted slightly. get lost.

“Yes, yes, yes, I’ll get lost ... I’ll get lost now.” Young master Qin really didn’t expect the person to be master Bo.

He was so scared that his legs went soft, and he was really beaten up so badly that he couldn’t stand up after crawling a few times.

Bo Yicheng turned to look at the girl, his long arm gently wrapped around her waist, his brows slightly furrowed. are you hurt? ”

Shi qinglan shook her head. he can't hurt me at this level.

Although he said that, Bo Li Cheng's serene gaze fell on her shoulder. The wound that had just been treated was undoubtedly affected, and there was a trace of blood seeping out of her shoulder ...

Just then, young master Qin finally stood up after struggling. He was about to escape from this troublesome place when a deep and cold voice suddenly rang out. stop!

209 For every drop of blood she shed, I'll take one point of your shares

Young master Qin felt a chill down his spine.

He raised his head stiffly and looked directly into the pair of deep and cold eyes. But at this moment, his legs seemed to be filled with lead. Even if he wanted to escape desperately, he did not dare to move ...

“Bo ... Master Bo.” He mumbled.

Young master Qin's voice was extremely soft, and only a few accomplices beside him heard the address. They suddenly looked up at Bo Li Cheng, thinking that he had only hit two women ...

But he didn't expect that he had provoked the Bo financial magnate of Beijing!

Bo Yicheng's long and narrow eyes narrowed slightly. who gave you the guts to behave atrociously in my territory? ”

The man's voice was sonorous and cold, and everyone heard it.

They opened their eyes in surprise and looked at Bo Li Cheng, even wondering if they had heard wrong. he ... His place?”

Could it be that the man in front of her was the legendary boss of the seal Palace, who had a deep background and was extremely mysterious?

With this thought in mind, the onlookers backed away even more.

No one dared to stand up for the Qin family.

It was rumored that the mysterious boss behind the seal Palace was an existence that even the rich and powerful in the imperial capital couldn't afford to offend. Now that

young master Qin had provoked the boss's woman, he was afraid that he wouldn't have a good end!

"I don't dare ... I don't dare to." Young master Qin's voice trembled. I really didn't know that this girl was your woman.

Upon hearing this, Bo Li Cheng's cold lips curled up slightly.

From the corner of his eye, he saw blood oozing out of the girl's shoulder, and the murderous aura around him permeated the air!

"You don't know?" Bo Zhicheng's voice was extremely deep and cold. one sentence of 'I don't know' and she bled a few more drops.

in my place, anything that involves her ... There's no such thing as the ignorant being innocent!"

Bo Zhicheng's noble aura was released. He let go of Shi qinglan's waist and slowly approached young master Qin.

Young master Qin was so scared that his legs went soft. He knew that he couldn't afford to offend the Bo family. B-master Bo. please be magnanimous ... I'll apologize. I'll kneel down and apologize to this great aunt."

As he spoke, he knelt down without any backbone.

It was said that there was gold beneath a man's knees, but at this moment, in the face of the top tycoon in the capital, the Qin family was not even enough to fill the gaps between his teeth, let alone the person who had hit master Bo ...

"Great aunt, I was wrong! Why do you have to be so calculative with a nobody like me? please forgive me, I beg you to forgive me. "

Young master Qin kneeled on the ground and moved towards Shi qinglan. Just as he was about to hug his legs and beg for mercy, Bo Yucheng's voice suddenly rang out, sinister and sorrowful. you still dare to touch me? "

Hearing this, young master Qin immediately retracted his hand.

He trembled, and his entire body trembled violently. He felt as if a cold wind was blowing past him, and there seemed to be a guillotine on his neck, waiting for the judgment of his superior at any time.

Bo Li Cheng's ink-black eyes were extremely cold. His red lips moved as he said slowly, " the Qin family, huh? "

Young master Qin avoided her gaze in a panic and didn't dare to answer.

The man's Red lips curled up slightly, and there was a cold look on his face. do you think I'll let you go if you don't admit it? "

"Master Bo, I beg you ..."

"Beg?" Bo Yucheng turned around nonchalantly and walked back to Shi qinglan's side steadily. He wrapped his arm around the girl's slender waist and pulled her into his arms. you hurt her. Is there any use in begging? "

Young master Qin was full of grievances. He thought that he didn't get any advantage at all. Even in close combat, he didn't even have the chance to touch her from the beginning to the end, but her shoulder was injured ...

Young master Qin was speechless. Where did he come from? it wasn't him!

However, Bo Yucheng did not care so much. He only knew that Shi qinglan was bleeding, and young master Qin was definitely involved.

Thus, he coldly said, " you'd better start praying that her shoulder is fine from now on!

"Otherwise ... For every drop of blood she shed, I'll take a point of your Qin family's shares! If she is hurt in the slightest, I will make you pay back in double!"

"Until the Qin family completely disappears from Ying city!"

210 Do you really not like me anymore?

Bai Yuchen's face was pale from the blood loss.

However, he still held the limp LAN Chu in his arms. He glanced coldly at young master Qin and then indifferently glanced at the other people who were fighting.

He reminded her coldly. " how dare you touch my people ... Other than the Bo Financial Group, the Bai family of Beijing will not let them off easily!"

Hearing this, young master Qin collapsed to the ground.

His eyes were empty and unfocused, and he only felt that everything was over. He was extremely vexed as to why he had to provoke these two women who he couldn't afford to provoke at all ...

He even injured the people of the Bai family!

Bai Yuchen's gaze swept across the room. When he saw the girl's bare feet, he couldn't help but furrow his brows.

He placed his arms on LAN Chu's waist and legs. Ignoring the bleeding wound on his back, he directly pulled her into his arms like a princess.

"Big brother Cheng, I'll be leaving first." He greeted.

Bo Yicheng sized up the protective posture of his wife and raised his eyebrows slightly. remember to treat your own injuries.

Bai Yuchen gave a perfunctory reply and left with the girl in his arms.

However, Shi qinglan was a little worried about LAN Chu. Her eyes turned cold and she was about to chase after LAN Chu when she suddenly felt an arm around her waist. let them settle their own matters.

Shi qinglan pursed her red lips and stopped chasing.

She furrowed her brows and looked at the drunk LAN Chu. little Chu is drunk. Bai Yuchen won't take advantage of her, right? "

Upon hearing this, Bo Li Cheng's Red lips curled up slightly.

how could he be willing to? " she said with a meaningful tone.

If Bai Yuchen could really let it go, he wouldn't have frequently come to Ying city under the pretense of looking for him.

As the head of the Bai family in the imperial capital, he always came to this small city for no reason. Wasn't it just for a chance encounter?

Bo Zhicheng knew all too well the feeling of loving someone deeply.

He couldn't let go, he couldn't bear to.

..

Bai Yuchen carried LAN Chu to the parking lot.

The girl's fair cheeks were pink and tender from the alcohol, and her face was like a tender peach. Her slightly puffed up cheeks were cute and heartbreaking, and her cherry-like lips were pouting.

"Oh, I want to drink! Drinking wine-"

LAN Chu's eyes were closed, and her long and curly eyelashes were like small brushes, trembling slightly. She shouted for wine in a childish and fierce manner.

"Okay, okay, okay. I'll drink when I get home." Bai Yuchen coaxed her softly.

He was not at ease to leave the girl alone in the back seat, so he carried her to the front passenger seat and went around to the driver's seat.

Bai Yuchen bent over to help her fasten her seat belt, but LAN Chu suddenly slapped him in the face and pushed him away.

The girl pouted her pink lips and raised her hand to draw a big circle. I want to drink. I want to drink a lot of wine. That way, I won't remember anything! I don't want to remember him, I don't want to ..."

As he spoke, LAN Chu suddenly began to cry.

Crystal clear tears fell down, and soon she was choked with tears. scumbag, what right does he have to abandon me? what right does he have to abandon me just because he said he doesn't want me? "

Hearing this, Bai Yuchen's hand, which was in the middle of fastening his seat belt, suddenly stopped.

His eyes narrowed slightly. When he heard the girl's sobbing tone, his heart tightened, and even breathing seemed to become much more difficult.

"Be good, Chu 'er. Don't make a fuss."

Bai Yuchen pursed his lips tightly and averted his gaze as if he was trying to escape. where do you live now? I'll send you home.

LAN Chu's crying suddenly stopped. Her eyes blurred for a moment, and she lowered her eyes and bit her lip. home ... I don't have a home."

Ever since her parents had passed away, she had been chased out of the imperial capital by her uncle's family and thrown to Ying city. Immediately after, Bai Yuchen had also called off their engagement, and she had completely lost everything.

No home, where was the home ...

Bai Yuchen's heart clenched. He sighed inwardly that he would probably have to bring her back tonight. After fastening his seatbelt, he got up and prepared to start the car, but he didn't expect her to suddenly hug his neck.

"Who are you?" LAN Chu's fair and tender arms wrapped around him.

She raised her face and leaned closer to the man. They were so close that they could hear each other's breathing and touch their lips with just a slight movement.

However, the girl's clear almond-shaped eyes were filled with tears. She sniffed gently. can you ... Can you help me find a scumbag called Bai Yuchen?"

"Help me ask if he's ... You really don't like me anymore, not even a little bit?"
