231 I think Shi yingdi is interested in you

Shi qinglan's exquisite mask covered half of her face.

However, her exposed eyes seemed to be shimmering with a faint light. Every frown and smile was in an alluring state, especially the zhusha mole at the corner of her eye, which made her look like a fairy.

Shi qingan looked at the girl in a daze ...

Even if she did not reveal her entire face, this half-covered sense of mystery gave people a desire to conquer her. After all, there was no man in this world who would not want to conquer her and take off this mask to see her true appearance.

Oh my God, it was the feeling of first love again ...

"Big brother an ... Big brother an?" Yu tugged at the corner of his shirt.

Only then did Shi qingan regain his senses. He raised his hand and tidied his clothes, his cherry-like lips curling into a bright smile.

The man looked gentle yet charming. He even took the initiative to reach out to her. miss qingyue, I've heard so much about you.

Shi qinglan's Red lips curved up slightly.

She shook Shi qingan's hand in response, but a sly smile flashed across her eyes. She found this matter more and more interesting. Shi yingdi, have you heard of me before? "

Hearing this, Yu's heart was instantly alarmed.

He knew his artiste very well. Before Vogue invited him, Shi qingan had never heard of qingyue. She had not even heard her songs, let alone her appearance!

If he were to expose himself or directly attack ...

"Naturally," Shi qingan chuckled and replied, " Ms. Qingyue, you're very famous in the music industry. I like your songs very much too.

Yu was speechless.

He looked up at Shi qingan in shock.

an bro, didn't you say you're not going to work with us? why are you talking to him now? is this the calm before the storm? ” Yu lowered his voice and whispered into Shi qingan's ear through gritted teeth.

Shi qingan's lips were still curled into a gentlemanly smile, but he forced out a few words of warning through gritted teeth. shut up.

How could he bear to reject such a beautiful woman?

He had already forgotten the oath he had made.

Shi qingan's eyes were fixed on Shi qinglan, and he was eager to take off the mask to see what kind of beauty she was. Just her eyes alone were so moving ...

However, it was impolite to do so.

“Why do I feel like Shi yingdi is interested in you?” Nan zhiyue whispered into Shi qinglan's ear.

The girl's Red lips curled up slightly, and she tilted her head slightly. the number of male stars interested in me can fill the entire Chang 'an Street, but it's best for him to strangle his thoughts in the cradle.

Nan zhiyue raised her eyebrows and looked at her in confusion.

However, Shi qinglan did not tell her the reason. Soon, the photographer from Vogue arrived and talked to them about the shooting ideas and ideas. They made an appointment for the shoot two days later.

miss qingyue, are you going back to the office or home? ”

Shi Qing 'an continued to pester the girl before she left. I drove here. I can give you a ride.

Yu was speechless.

Had big brother an forgotten about the Porsche at the entrance?

Shi qinglan smiled. I drove here.

Hearing this, the light in Shi qingan's clear eyes dimmed a little. He nodded his head lightly and said, ” then we'll start filming. See you.

He turned and left with Yu reluctantly.

Nan zhiyue touched her chin. I think ... My idol brother is definitely interested in you!”

It didn't seem like a bad idea for their own artiste to be in a relationship with their idol!

However, Shi qinglan's beautiful eyes were slightly frowning as she retorted casually, " I still think that the two of you are a little compatible.

As soon as she finished speaking, she strode out of the triangular film set and only got into the car after Shi qingan was far away.

Nan zhiyue was speechless.

That sounds even better!

232 Nan zhiyue, I'm jealous of Shi yingdi's sister!

Two days later, the shoot for Vogue went smoothly.

Shi qinglan and Shi qingan took a few sets of couple photos. The girl was alluring and charming, while the man was sunny and looked like an obedient young boy ...

"Perfect!"The photographer snapped his fingers.

He held the camera and looked at the photo, a touch of amazement flashing in his eyes. Shi yingdi and Queen qingyue are a perfect match!

Both of them were extremely good at fighting.

Even without any rough editing, the photos were very delicate. No matter how high the resolution was, there were no flaws.

"Thank you for your hard work, photography teacher." Shi qingan's lips curled.

Nan jiyue leaned closer to check the sample, her peach blossom eyes slightly raised meaningfully. they are indeed a good match.

As she spoke, she moved closer to Shi qinglan and touched her shoulder gently, blinking to send a signal.

After getting the approval of the manager, the smile on Shi qingan's lips widened. what do you think, miss qingyue? "

Shi qinglan's charming eyes were filled with a faint light.

Her eyes moved, and her already delicate eyes were even more radiant at this moment as she sized up the picture in the camera.

The girl's Red lips curled up slightly. like a brother and sister.

It was a rare opportunity, so it would be a waste not to take advantage of it.

But Shi qingan's smile froze on his face.

"Is that so?" He scanned the photos again in disbelief.

Qingyue had always had the image of a sexy and charming diva, while he, as the nation's husband, had always been labeled as a warm, sunny, and little puppy. If one analyzed it this way, they really did look like siblings ...

miss qingyue, you must be joking. I only have a younger sister. Shi qingan pursed his lips, but still smiled brightly at the mention of his sister.

Nan zhiyue blinked her beautiful eyes, feeling a little puzzled.

'Shi yingdi actually has. sister ...' Doesn't that mean that I can see big brother's unparalleled beauty every day?"

She mumbled softly, " ah, I'm jealous of his sister!

She had heard that Shi qingan's background was very mysterious, but she had never tried to dig into it, afraid that it would ruin her idol's image. Thus, she had no idea that he had a sister.

Shi qinglan was speechless.

She glanced at Nan zhiyue with her beautiful eyes. She was really afraid that this old woman would peel off a layer of her skin. In the end, she chose to remain silent.

After Shi qingan greeted him, she continued to attend her notice.

The magazine quickly came up with a publicity plan.

[Vogue magazine]:"the new July trailer: the sexy Queen of the music industry vs the little puppy of the warm sunshine film industry. @ Qingyue Shi qingan V

The moment this news was announced, the entire Weibo exploded!

The combination of a godly heavenly Queen in the music industry and a top actress in the film industry instantly set off a wave on the internet platform ...

Vogue even attached a picture.

Shi qingan was dressed in a suit. His white suit set off his gentle and refined aura. The man was sitting on the sofa, leaning back slightly. His cherry blossom-like lips were gently pursed as he held a red rose in his mouth.

Shi qinglan, on the other hand, was wearing her usual mask and a big dress. The strong contrast of black and red made her look sexy and charming, and her slightly upturned red lips revealed a fascinating dark feeling.

The hem of her dress bloomed into a gorgeous flower beside the sofa ...

Her Lotus-like arm rested lightly on Shi Qing 'an's shoulder, while her other hand tugged on his tie. Her smile was seductive, charming, and domineering.

[ this shore ]: [ I'm great with this combination! ]

[ qingmu ]: " this is simply a fan story of an overbearing female CEO pampering a little puppy in my mind!

[ Nan qianci ]: " I've never wanted any scandals about my brother, but what if. 'm tempted after seeing this set of pictures. " She suddenly wanted to marry her brother off! Marry goddess qingyue!

[ soft teddy bear ]: " please lock down the an Yue couple!

233 Old hag qingyue is delusional over brother Best Actor

This Weibo post instantly set off a frenzy in the entertainment industry.

However, in addition to the groundhogs 'shrieks and anticipation, there were also unpleasant sounds ...

[ xueyuan ] take away big brother, we're not dating! Qingyue was already so old, yet she was still fantasizing about her brother, the best Actor?

[ Starlight ] who knows how ugly she is behind the mask? if you have the ability, take off the mask before you speak. I don't accept binding a couple!

400 points for the postgraduate entrance examination " why did he say that qingyue was old ...

[ glutton doesn't lose weight ] previous post, qingyue won the Golden Melody award three years ago. Have you ever seen a young diva in the music industry? Did he still think that she was a young flower who had just come of age?

Shi qinglan's eyes drooped slightly as she scrolled through Weibo nonchalantly.

She, who had been ridiculed by netizens for covering her face because of her ugliness, had taken off her mask at this moment. Her red lips were slightly curled up, her beautiful eyes were moving, and her exquisite facial features were so breathtaking ...

“Don’t bother about them.” Nan zhiyue narrowed her peach blossom eyes lazily. unless you plan to show your true face.

Shi qinglan smiled. I don’t plan to.

She reposted Vogue’s post and stopped following it. She didn’t plan to respond to it.

It would be fine if she were to lose her other aliases, but qingyue had indeed attracted countless fans in the International Music industry. If she were to really reveal her appearance, it would probably bring trouble to his normal life ...

“Uh-huh,” Nan xiyue lazily closed her eyes.

She asked while driving, “I’ll drop you off at home first, then I’ll go to the office to report on some work. Where do you live?”

Shi qinglan did not dare to drive the Porsche out this time.

Shi Qing ‘an didn’t recognize her last time, but that didn’t mean that she wouldn’t notice this time. So, she took a taxi to the studio by the road and got in Nan xiyue’s car after the shoot.

Her red lips parted slightly. put me in the cloud water road.

He didn’t dare to give her a more specific address.

Nan zhiyue drove the car to the cloud water road and stopped by the side of the road. She waved her hand casually. bye, remember to miss me.

As she spoke, she threw a flirtatious and flirtatious flying kiss.

Shi qinglan’s beautiful eyes narrowed. She was about to turn around and leave when she saw Nan zhiyue leaning half of her body against the window.

She pouted her red lips. are you coming out for a drink tonight? ”

The woman rolled up her sleeves slightly, revealing her fair arms over her shoulders, her chin resting on her wrist in an alluring manner.

Shi qinglan was speechless.

Seeing that she remained silent, Nan zhiyue smiled slyly and said, ” don’t worry, just watch me drink. I won’t let you drink.

Shi qinglan raised her brows. see you at the palace at 8 p.m. Tonight.

“Seal Palace?” Nan zhiyue was so surprised that she had yet to come back to her senses.

She blinked her charming eyes in confusion. isn't this place only accessible to the rich and powerful families in China? ”

However, just as she was about to ask, she saw that Shi qinglan had already turned around and walked away. Her soft, seaweed-like black hair fell behind her shoulders, and the slightly curled ends of her hair were fluttering in the wind. Her back view was charming and charming.

“Seal Palace it is then.” Nan zhiyue's Red lips twitched.

She shrank back into the car and stepped on the accelerator.

..

At the villa of the Shi financial magnate.

Shi qinglan removed qingyue's makeup, revealing her delicate face without any makeup. Although it was not as sexy and charming as when she had makeup on, there was a unique charm when she looked around.

Before she left, she even changed out of qingyue's clothes and put on a simple off-shoulder white dress, ready to go to seal Palace.

Coincidentally, Shi qingxuan had just returned from the office. He unbuttoned his suit jacket and handed it to the servant. When he looked up and saw his sister, his cold and hard expression became much more restrained.

“LAN 'er is going out?” He tried to sound as gentle as possible.

However, his eyes were looking at her exposed white shoulder, and he really wanted to lift her off-shoulder collar for his sister.

234 I'm the boss's fiancée

Shi qinglan noticed Shi Qingyun's expression.

Her eyes drooped slightly as she pursed her lips. She secretly raised her hand to lift her clothes up, and her straight shoulders instantly turned into a round neck.

“I'm meeting a friend tonight.” The girl replied softly.

Seeing that she had hidden the shoulder, Shi Qingyun's expression softened a little, and the expression in his dark eyes became more restrained.

However, there was still a hint of coldness in his deep voice, and it sounded more like an interrogation. you're meeting Bo Li Cheng? ”

Shi qinglan looked up and blinked.

She immediately shook her head. no, it's a female friend.

“Yes.” Shi qingxiao replied in a deep voice, and this time, the coldness in her voice was gone. it's fine even if you ask him out. I can't interfere with your relationship, but ... Be careful.”

Hearing this, Shi qinglan's porcelain-like face instantly turned red.

She felt her cheeks warm, as if some little secret had been exposed. She almost bit her tongue when she spoke. I ... Ah-Cheng is very careful.”

Shi qingxuan laughed coldly. will he know his limits? ”

If he really knew what he was doing, would he have sneaked through the window and climbed into his sister's bedroom that night?

Shi qinglan's eyes dodged a little.

For some reason, she felt a little guilty. Her instincts told her that Shi qingqiao must have sensed something, so it was better for her to leave. brother, my friend, wait for me. I'll be leaving first.

As soon as she finished speaking, she turned around and ran away.

Shi qingxiao looked at the girl's back as she left. She pursed her thin lips and shook her head helplessly. Her dark eyes contained a hint of indulgence. Ji Lin, drive LAN 'er home.

“Yes, young master Jie.” Ji Lin assented and followed.

..

Imperial Palace.

The luxury car stopped steadily by the side of the road. Shi qinglan stepped out of the car with her fair and slender legs and saw Nan zhiyue waiting by the side of the road in a flirtatious red dress. She was rolling up the corners of her dress in boredom.

“Wei Xi.” Shi qinglan walked over.

Nan zhiyue immediately looked up, her red lips curved into a charming arc. if you didn't come, I'm afraid I would have been chased out by the bodyguards at the entrance of the seal Palace.

As she spoke, she glanced at the bodyguards with her beautiful eyes.

As a top entertainment club, seal Palace only hosted the rich and powerful. The bodyguards guarding the door were naturally strong and strong. At this moment, they were staring at Nan zhiyue fiercely ...

It was as if she was someone with bad intentions.

Shi qinglan's Red lips curved into a smile. let's go, I'll cover you.

Nan zhiyue looked at her suspiciously. little girl, did you get a sugar daddy? You're so tough."

However, she still wrapped her arm around Shi qinglan's shoulder and swaggered into seal Palace with her.

The lights in the bar were dazzling, and under the gorgeous light, there was a faint smell of alcohol. Handsome men and beautiful women were dancing to dynamic music, and occasionally, some men who tried to hit on her were holding their glasses and hunting for women ...

Before Shi qinglan and Nan zhiyue entered the seal Palace.

A petite figure walked into the bar, followed by many noble young Masters. The girl handed her Platinum Card to the bar counter and said, " please get me the best diamond private room.

Hearing this, the front desk lady was slightly stunned for a moment.

She took The Platinum Card and frowned slightly. Ms. An, your Platinum Card can only open high-class private rooms. The diamond private room is a privilege that only the Black Diamond card has ...

An mu was instantly a little unwilling.

She pouted. although I have a Platinum Card, isn't the Black Diamond card in your boss's hands? I'm the fiancée of the card's owner. Don't I have this privilege? "

Shi qinglan happened to walk into the seal Palace at this moment. She stopped in her tracks after hearing these words and could not help but smile.

The fiancée of Bo Li city ... Why didn't she know about it?

The girl's clear and charming eyes were filled with a little coldness. She walked straight to the bar counter and did not hide the sharpness around her. She directly threw out the Black Diamond card. get me a diamond private room.

235 What's your relationship with big brother Cheng?

An mu's eyes widened as she looked at the Black Diamond card.

Her eyes were filled with disbelief as she looked at Shi qinglan with some annoyance. She was about to question her, but before she could speak, she was interrupted by the other party's cold voice ...

unfortunately, the Black Diamond card is in my hands, and I'm straight and don't have a fiancée. Shi qinglan's Red lips curled up slightly.

An mu's eyes widened even more.

She said in a flustered and defeated manner, " how is that possible! The diamond Black card is clearly in big brother Cheng's hands, your one must be fake!"

Hearing big brother Cheng address her so intimately ...

Shi qinglan's charming eyes squinted slightly, and there was a slight chill in them. Even the sharp aura around her body was no longer restrained, and it slowly seeped out from her bones.

"The lady at the front desk asked if this card is real or fake?"

She glanced at an mu indifferently and did not want to argue with her. The girl's soft body leaned on the bar counter and lazily looked at the front desk with her chin on her hand. hmm? "

The receptionist's forehead was covered in cold sweat.

She knew that the daughter of the an family was not to be trifled with, but she did not dare to doubt the authenticity of the Black Diamond card.

"I ... I'll check." She immediately lowered her head.

An mu looked at the receptionist and rolled her eyes in anger. Then, she glanced at Shi qinglan with contempt in her eyes.

Shi qinglan's Red lips curled up slightly as she waited.

The receptionist carefully and shakily placed the diamond Black card on the sensor."Beep-

The information of the membership card's owner was immediately displayed on the screen!

The receptionist's eyes widened as she looked up at Shi qinglan in surprise. She was stunned for a moment and seemed to be at a loss.

"Hmph!" An mu raised her face arrogantly. Judging from his reaction, the diamond Black card must be fake!

The corners of her lips curled up, revealing a mocking smile.

However, before she could be proud for too long, she saw the front desk staff return the card in fear. This card ... It's true."

Upon hearing this, an mu's smile instantly froze on her face!

Her little face was pale as she looked at the front desk in shock. Her voice, which was already a little timid, rose slightly. How is this possible? "

The seal Palace's Diamond Black card clearly belonged to Boli City!

Ms. An, this card is real. The receptionist pursed her lips and repeated herself, then ignored her.

She looked at Shi qinglan respectfully, " Shi ...

The girl's slender and fair fingers pressed against her red lips, indicating to the front desk not to reveal her identity. After all, the Shi financial magnate had not officially announced her return to the public.

The receptionist was sharp and immediately changed the topic. Miss, I'll ask the manager to bring you to the private room immediately.

Shi qinglan's red lips curled up slightly as she took the Black Diamond card.

However, when she was about to turn around and leave, she heard an mu's exasperated voice behind her. Stop right there, you bad woman!

Shi qinglan ignored her, but an mu caught up with her.

She opened her arms to stop him, " I'm sure there's only one black Diamond card in the world, and it's in brother Cheng's hands! How could you have it? What's your relationship with him?"

Hearing this, the corners of Shi qinglan's lips curved up into a faint smile.

Qinliang's eyes were a little cold, and her voice was even colder. why don't you ask your big brother Cheng about this? ”

As soon as she finished speaking, she pushed her aside and strode away.

Nan zhiyue was a little dazed, but she quickly came back to her senses. little baby, your legs are long. Don't walk so fast. Wait for me.

As she said that, she strode away with her longer legs.

An mu went crazy on the spot. b \* tch! Little San!”

She must have seduced brother Cheng to get that card!

236 Shi qinglan, I met your fiancée

Shi qinglan's back view as she left was charming and charming.

She walked into the private room and sat on the sofa. The corners of her eyes were slightly raised, making it difficult to read her emotions.

The girl's Red lips parted slightly. She pretended to be nonchalant and asked casually, ” who was that woman just now? ”

“She's the daughter of the an family in the capital, an internet celebrity.” Nan xiyue lazily crossed her legs and directly handed her phone to her.

She sensed that the two of them did not get along, and it was definitely not just because of the diamond Black card. Thus, she used the pure world Pavilion's Information Network to investigate.

“An mu?” Shi qinglan's charming eyes narrowed.

Nan zhiyue replied casually, then called the manager to order a few glasses of wine and a non-alcoholic drink for her.

The manager was very respectful and immediately went out to prepare the wine for them.

Shi qinglan returned the phone to Nan zhiyue. she said that her fiancé is the boss behind the Chen Palace entertainment club? ”

Hearing this, Nan zhiyue looked at her in confusion.

She leaned lazily on the sofa, her eyes filled with interest. why? could it be your love rival? ”

Shi qinglan gave her a cold side-eye.

Her red lips curled up slightly, but the smile did not go deep into her eyes, and there was a faint chill. I don't have any love rivals.

If Bo Li Cheng really dared to create a love rival for her ...

Tonight, she was going to make sure that bastard would not have any descendants.

"Is that so?" Nan zhiyue raised her eyebrows slightly.

With her many years of gossip experience in the entertainment industry, she did not need any solid proof to be sure that Shi qinglan was jealous!

It was not the kind of tit-for-tat confrontation with a love rival ...

Instead, the room was filled with a strong smell of vinegar!

Just then, the manager came in to deliver the wine respectfully.

Nan zhiyue snorted. since you're not a love rival, why do I smell so sour? could it be that this wine ...

Hearing this, the manager's hunched body suddenly froze.

He immediately raised his head in fear. my two distinguished guests, our seal Palace's wine is the best. There can't be any problems.

"I know," Nan xiyue casually waved her hand. there's nothing for you to do here. Go and make me another glass of matisvara.

The manager nodded and left the room.

Nan zhiyue watched the fun and didn't mind it. are you jealous? "

Shi qinglan's eyes flickered. why would I be jealous? "

However. no matter how calm she looked at the moment, she was still provoked by an mu, so much so that she gritted her teeth when she said those words, and the jealousy in the room became stronger ...

She even took out her phone, hesitating if she should ask Bo Yucheng about it, but she did not take any action.

Nan zhiyue looked at her little movements and was even more certain that she had a boyfriend, and he was the boss of the seal Palace.

“You’re jealous and you still refuse to admit it.” She snorted. I’m telling you, you can’t spoil men. You should give them a taste of their own medicine when you encounter this situation ...

As she spoke, she suddenly snatched Shi qinglan’s phone away.

The girl frowned slightly. what do you want to do? ”

A sly look flashed in Nan zhiyue’s eyes. She sent a text message directly. I met your fiancée.

He returned the phone to Shi qinglan after the message was sent.

“Trust me, if he really loves you and has a strong desire to live, he’ll definitely panic when he receives this message!”

Nan zhiyue blinked her eyes, as if she had already calculated it. you just wait for him to come and coax you.

She loved stories like the wife-chasing crematorium.

Shi qinglan was speechless.

At this moment, the manager walked into the room with a tray and bent down to place the glass of wine on the coffee table. here’s your cama tianni.

Carnivore was a famous colorless and strong cocktail.

It was served in an exquisite cocktail glass with a green olive inside, which looked like plain water.

“You’re so considerate, you even prepared plain water for me.”

Since the text message could not be deleted, Shi qinglan could not be bothered with it anymore. She picked up the glass of wine and was about to drink it ...

Nan zhiyue’s eyes widened. no, don’t!

However, she did not stop her. Shi qinglan was not familiar with the culture of drinking and did not know what a cama tianni was. She had already finished the glass of wine before she could stop her ...

“The water is a little spicy.” The girl frowned slightly.

237 His Lan Lan went to the bar to get drunk?

Nan zhiyue looked at the girl in a daze.

She lowered her head and covered her face in frustration. After calming down for a long time, she slowly raised her head and secretly looked at her ...

“Xiao Lan Lan, are you okay?” She was a little flustered.

The strong cocktail was easier to get to her head than the ones she had tried before. Shi qinglan felt her stomach burning, and her head was spinning. She blinked her eyes in confusion.

Nan zhiyue waved her hand in front of her eyes. Xiao Lanlan? ”

“Oh?” Shi qinglan tilted her head and looked at her, her porcelain-like face blushing a little.

The girl blinked her eyes innocently and aggrievedly. Her clear and misty eyes suddenly curved into a crescent moon when she smiled, as if they were full of stars. I’m not little Lan Lan, I’m a little rabbit~”

Nan zhiyue was speechless. He was finished.

It was one thing for her to want to see his wife-chasing crematorium, but it was another thing for Shi qinglan’s boyfriend to throw her into the crematorium.

..

The Bo financial magnate.

Bo Yicheng leaned lazily against the back of his seat, his long legs crossed casually, and a black folder was resting on his arm.

He pursed his thin lips and looked down at the contract until his phone on his desk suddenly vibrated.

“Swish ...” Bo Li Cheng glanced indifferently from the corner of his eyes.

Seeing that it was a message from Shi qinglan, he swiped his finger across the screen and said, ” I met your fiancée.

When he saw the words, Bo Li Cheng’s forehead twitched violently, and the folder in his arms fell to the ground in a panic.

When did he get a fiancée?

He clutched his phone tightly and suddenly felt a little flustered ...

However, even if he really did not have an engagement with any other woman, he realized that the girl must have misunderstood.

The man's thin lips were tightly pursed into a straight line. He had a feeling that he was going to turn cold, and he immediately called back with a strong desire to live ...

However, the girl was already dead drunk.

She lay on Nan xiyue's lap, her arms wrapped around her slender waist, and her head rubbed against Nan xiyue's. Xixi ~”

Nan xiyue didn't know if she was Xixi or calling her.

She raised her hand and massaged the corner of her eyebrows. As the culprit, she regretted it now, very much ...

“Shi qinglan, get up.”

Nan zhiyue picked the girl up from the ground. a place like a bar is really not suitable for you. Come home with me.

“Oh ...” Shi qinglan pouted her pink lips. I don't want to. I want to be coincidental and sickening. I won't leave if I can't.

Her voice was soft and coquettish. Then, she tilted her body and lay back down on the sofa.

Nan zhiyue was speechless.

She placed her hands on her hips and looked down at the drunk girl on the sofa. She could not help but frown when she saw her like this, thinking that she definitely could not let her stay here all night.

“Shi qinglan, you are my nemesis!” Nan zhiyue gritted her teeth and finally decided to contact her man.

However, she did not know the password to Shi qinglan's lock screen. She sat back on the sofa and was about to enter the code to hack it when Bo chicheng's call came in first.

“Ring ...”

Nan xiyue answered without hesitation.

However, before she could speak, she heard a deep and clear voice from the other end of the phone, which seemed to be a little anxious.

Lan Lan, let me explain. I don't have a fiancée, and I don't know any other women. You're the only one by my side.

Nan zhiyue was speechless.

What did she do wrong that she had to be forced to show off her affection?

Forget it. It seemed that she was indeed at fault in this matter.

"That ..." She hesitated. I'll interrupt you first.

Hearing this, Bo Yucheng suddenly frowned, his voice suddenly becoming a little cold. Who are you? Where's Lan Lan?"

Nan zhiyue glanced sideways. The girl was curled up on the sofa, counting how many strands of hair she had ...

"I ... I'm her friend."

She frantically tried to organize her words. she drank a little too much. Are you her boyfriend? Do you want to come and pick it up?"

238 Why is there a woman who claims to be your fiancée!

Bo Zhicheng furrowed his eyebrows tightly.

When he thought about the text message he had received earlier, he naturally understood that Shi qinglan had misunderstood that he had another woman, so she had gone to the bar to get drunk. He could not help but feel his heart tighten ...

"Where are you guys now?" His voice was low.

After Nan xiyue gave the seal Palace's address, the man immediately left the company and drove there.

Shi qinglan was completely drunk.

She curled up on the sofa with her legs slightly bent, her pink lips pouted slightly, and her white cheeks looked like a little pufferfish. He didn't know if she was asleep or just confused ...

"Little Lan Lan?" Nan zhiyue patted the girl's face.

She couldn't help but feel a little worried. After all, she knew that Shi qinglan could only hold a drop of alcohol, but she didn't expect her to drink the entire cocktail like it was plain water.

Nan ziyue squatted next to the sofa. do you feel uncomfortable? ”

“Oh ...” Shi qinglan mumbled softly.

She ignored the woman and turned her soft body over. She raised her hand to rub her sleepy eyes.

Nan ziyue sighed. what sin did I commit ...

She had no choice but to squat beside the girl and guard her, gently stroking her back as if she was coaxing a child.

Shi qinglan rubbed against the sofa coquettishly, but she did not sleep for long. Suddenly, she felt her stomach churning and sour, and she immediately sat up ...

“Little Lan Lan!” Nan ziyue immediately became nervous.

She reached out to push the girl’s hair aside. Shi qinglan, who was lying on the sofa, vomited the wine out of surprise.

Nan ziyue was even more flustered. you ...

Just as she was about to call the manager to bring hot water, the door to the private room was suddenly pushed open. Bo Yucheng entered and saw the girl’s uncomfortable appearance, so he immediately strode over.

His long arms wrapped around her waist and pulled her into his embrace. His heart tightened as if a string had been strung. why did you drink so much? ”

“I ...” Nan ziyue was about to admit her mistake.

However, Bo Li Cheng said in a low voice, ” I’ll have to trouble you to help Lan Lan get a cup of hot water. Don’t make it too hot.

Hearing this, Nan ziyue immediately turned around and left.

Bo Yucheng cupped the girl’s face with his large palm and pulled out a tissue to help her wipe the corners of her lips, his brows tightly furrowed.

His deep dark eyes were filled with self-blame and heartache. His fingers gently caressed the girl’s cheek. I’m sorry. Did I make you sad? I shouldn’t have let you misunderstand ...

Shi qinglan sobered up a little after vomiting the wine.

She slowly opened her eyes, and her vision was hazy, so she blinked in confusion. After recognizing the man's appearance, she suddenly reached out her arms and wrapped them around his neck.

The girl's eyes curved into crescents as she smiled. ah-Cheng, you're here!

"Yes." Bo Yucheng pursed his lips. Even though he had seen the girl drunk before, he had never seen her drink so much.

The little girl's alcohol tolerance was not good, and now she must be very drunk. She was afraid that she would be uncomfortable for the whole night. Thinking of this, he felt extremely distressed.

"The hot water is here." Nan zhiyue returned to the private room.

Bo Yucheng took the cup of hot water and thanked her. He put one arm around the girl's waist and held the cup with the other hand to feed her.

"Oh ..." Shi qinglan pouted her pink lips.

She looked down at the water in the cup, but had no intention of drinking it. She snorted and pushed it away. Hmph, Lan Lan doesn't want to drink the water that a Dog Man gives Lan Lan!

As the girl spoke, she grabbed Bo Yucheng's tie and suddenly pulled him into her arms in an overbearing manner.

She looked up with a proud expression on her face. explain yourself first. Why would a woman claim to be your fiancée? "

239 Even if I have a fiancée, it can only be you

Bo Zhicheng's eyes were filled with deep affection.

He looked at the girl seriously and held her face in his big palm, " Lan Lan, I don't have any other fiancée. Even if I do, that person can only be you.

Shi qinglan blinked her clear eyes when she heard this.

Her eyes curved into crescents as she smiled, and her voice was soft and sweet. I believe you~"

"Yes." Bo Yucheng pulled her into his arms.

The girl's slightly hot face was pressed against his chest, and she rubbed it gently like a spoiled child. She was extremely obedient.

“I’m sorry.” Nan zhiyue’s Red lips pursed slightly.

She sized up the man politely and could sense that he did care about Shi qinglan. Although she did not know his exact identity, he was at least the boss behind seal Palace. Besides, his face was a perfect match for the girl.

“You don’t have to apologize. It’s my fault.”

Bo Li Cheng’s long and narrow eyes narrowed as he asked in a deep voice, “ who was the one who lied about my fiancée? ”

Indeed, he had never been engaged to anyone else.

Nan jiyue immediately recounted what had happened when she first entered the palace to Bo Li Cheng in detail.

Upon hearing this, Bo Li Cheng’s ink-black eyes suddenly turned cold, and his brows were filled with deep displeasure.

I understand. I’ll handle this matter.

As he spoke, he put his arms around the girl’s waist and legs and gently picked her up like a princess. sorry to trouble you tonight. I’ll take Lan Lan home first.

“Good, good, good.” Nan zhiyue nodded repeatedly.

As she watched the man leave with the girl in his arms, she heaved a sigh of relief. Her worry for Shi qinglan was also put to rest.

..

Clear water Pavilion.

Bo Yucheng gently placed the girl on the bed, his fair and slender fingers brushing aside the stray hair covering his eyes. He leaned over slightly and asked in a low voice, “Lan Lan, are you still feeling uncomfortable, hmm?”

“Oh ...” Shi qinglan pouted her pink lips.

She had been sleeping in a daze on the road, and now that she was home, she was even more dazed due to the alcohol. She could not help but frown slightly.

Previously, even when he was drunk, he had only touched a little wine ...

This time, she drank the entire glass of hard liquor and felt that her throat and stomach were burning. Her chest and abdomen were hot and sour.

“Uncomfortable ...” The girl mumbled softly.

Bo Zhicheng’s brows furrowed even more. Seeing her uncomfortable appearance was even more torturous for a man.

He gently traced the girl’s soft facial features and apologized in a low voice, “. ‘m sorry,. ‘m sorry,. ‘m sorry ...

The man repeated it a few times, full of guilt.

Even his eyes were filled with guilt and heartache. He wished he could bear the pain for the girl today.

He should not have made her sad, let alone get drunk ...

“Lan Lan, I swear I won’t do it again.”

Bo Yucheng bent over slightly, placing his arm by the girl’s side and gently rubbing the tip of her nose. I won’t do it again.

“Yes ...” Shi qinglan mumbled softly.

She closed her eyes, and her long eyelashes trembled slightly, casting a faint shadow at the bottom of her eyes. ah Cheng ...

The girl’s voice was soft and sweet, and the ending sound was long and clingy like marshmallow. She called the man’s name coquettishly.

Bo Yucheng raised his tone slightly. hmm? ”

Shi qinglan pouted her pink lips in dissatisfaction. She mumbled in her sleep when she was drunk, ” you’re not allowed to run away with other women ...

Upon hearing this, Bo Yucheng could not help but chuckle.

In the past, he was the one who was jealous and resentful that there were always other men around the girl. This was indeed the first time Shi qinglan was jealous because of him. If she was awake, she would probably still be arrogant and stubborn ...

“Yes, I won’t run.” The man promised in a deep voice.

240 If you dare to run, I’ll bite you!

Shi qinglan’s pink lips twitched slightly.

She wrapped her arms around the man's neck and said unwillingly, "if you dare to run, I'll ... . 'll just ..."

"What?" Bo Li Cheng gently pressed against the girl's forehead.

Shi qinglan's little face wrinkled. After thinking for a long time in her dream, she said fiercely, "I'll bite you!"

Upon hearing this, Bo Li Cheng's Red lips curled up slightly.

He pinched the girl's soft little face and said, "okay, I won't run. Lan Lan, go to sleep, okay?"

"Hmph ..." Shi qinglan mumbled.

She retracted her Lotus-like arms and turned over to lie on her side to rub the pillow. However, just as she was about to sleep, she suddenly felt her stomach churning again, so she immediately sat up.

"Lan Lan!" Bo chicheng frowned.

He immediately pushed aside the girl's hair that fell on her shoulders and gently patted her back. However, the wine that he vomited still stained their clothes.

Shi qinglan tilted her head and said, "hehe, it's comfortable now~"

However, Bo Qingcheng's heart was still tightly clenched. He did not have time to care about his own body and only took off his coat and threw it to the side, then pulled the girl into his arms with his long arms.

Seeing that her clothes were also stained with wine, the man's eyebrows moved slightly. Lan Lan, can you change your clothes by yourself? "

Shi qinglan's soft and petite body hung on his body, her head resting on the man's shoulder. She had no intention of responding to the man. After vomiting, she fell into a deep sleep.

Bo chicheng's lips were tightly pursed into a straight line ...

His large palm held the girl's slender shoulder, and his palm gradually became hot. His Adam's apple also rolled a few times.

"Little Vixen, you're torturing me again after getting drunk." Bo Li Cheng heaved a heavy sigh, his voice tense.

He could only help the girl take off her dirty clothes and change into new pajamas. Her fair and delicate skin was constantly colliding with his line of sight.

The man pursed his lips tightly. He suppressed the urge in his heart, but he had to restrain himself.

Shi qinglan had drunk a little too much this time, and her head was so heavy that she felt like she was falling into hell. She was in pain and felt dizzy, and she finally fell into a deep sleep ...

Bo Li Cheng's eyes looked at the girl deeply.

He covered her with the blanket gently and then went out to call Shi qingxun.

At this moment, Shi qingqiao was also waiting for the girl to come home ...

Just as he was about to give her a call and send Ji Lin to pick her up, he didn't expect Bo chicheng to call him first.

"What is it?" Shi Qingyun's voice was slightly cold.

Bo Yucheng said in a deep voice, "Lan Lan got drunk with her friend tonight. I'll bring her here to stay for the night. I'll send her back tomorrow when she's feeling better.

Hearing this, Shi Qingyun's long and narrow eyes narrowed.

He furrowed his brows. how could she be drunk? "

Shi qinglan should be well aware of her own alcohol tolerance. If they were really friends, there was no reason for her to force her to drink.

Bo Zhicheng pursed his lips slightly. He did not intend to reveal an mu's matter, so as not to make a bad impression in front of his future brother-in-law.

"Maybe ... You're treating white wine as plain water."

He looked calm and lied casually, but he didn't expect that the reason he made up to stall Shi Qingyun was close to the truth.

"Is that so?" A trace of suspicion flashed past Shi Qingyun's eyes.

However, he believed that his sister would not lie to him. She probably did not go out with Bo Yucheng that night. She probably contacted him when she was drunk with her friend. He could not be blamed for this ...

“Take good care of her. Don’t touch her.” Shi qingxuan heaved a sigh of relief and warned the man coldly.

Bo Yucheng responded in a deep voice and hung up the phone.

He looked at the night view outside the window with a deep gaze, his fingers gently stroking the phone, and then he made a second call ...
