## Heart Stealer Young Master Bo #Chapter 261 - Read Heart Stealer Young Master Bo Chapter 261

261 This is xuanji's imperial capital University's principal Yan!

Shi qinglan's eyebrows twitched slightly.

She took her phone down and glanced at the caller ID before putting it back to her ear. ah, it's you, teacher.

The man's voice was trembling with excitement, which was different from his usual calm and serious voice. She almost couldn't tell.

Yan Hua awkwardly cleared his throat. cough, it's me.

He probably realized that he had lost his self-control just now, so he narrowed his eyes slightly and returned to his calm appearance, and his voice also became more steady.

"Little ancestor, do you want to consider getting into Imperial University?" Although he was steady, he was still a little cautious.

Shi qinglan's Red lips curled up slightly. principal Yan, I was the one who came up with the final exam papers for the medical school at Imperial University. Why do you think I still chose to go to Imperial University as a student?"

Hearing this, Yan Hua choked.

He hesitated and pursed his lips. For a moment, he didn't know how to convince this genius who really didn't need to go to college.

"Then ..." He raised his hand to massage his brows. why don't you consider becoming a professor at Imperial University?"

Shi qinglan was not really interested in being a professor. It sounded very troublesome. After all. it was already very troublesome to come up with the final exam. If she had to give lectures and mark them in the future ...

The girl couldn't help but show a little disdain.

"Little ancestor, can we meet up and talk?" Yan Hua was still not willing to miss out on such a genius. He always felt that it was not at ease if he did not meet her. After all, other schools would definitely contact her in advance.

He asked in a deep voice, " are you still in Ying city? Wait for me, I'll book a ticket and fly over to find you now!"

there's no need, "Shi qinglan immediately stopped him. I'm no longer in Ying city, I'm in the imperial capital.

"The imperial capital?" Yan Hua's eyes suddenly lit up. then tell me the address. I'll drive over now.

Upon hearing this, Shi qinglan raised her pretty face slightly, her beautiful eyes sizing up the luxurious banquet, as if she was in a difficult position.

The girl raised her hand and covered the receiver gently. She lowered her voice and asked Jiang Yunxi, "mom, my teacher has something to discuss with me face-to-face. Is it convenient for him to come to the banquet to look for me?"

Jiang Yunxi's soft lips curled up slightly. of course it's convenient. Since you're a teacher, you have to treat him well. I'll get your brother to make arrangements.

Shi qinglan nodded slightly, then let go of the phone and said to Yan Hua, "I'm in the capital, yes ... There's a small garden South of the cloud water road. You can come here to find me."

"Alright," he said. Yan Hua replied in a deep voice and hung up the phone.

He suddenly stood up and said to his assistant, "get the car ready for me immediately. I want to look for this little devil personally.

..

The banquet officially began, and the delicious food was served.

One after another, people stood up and toasted to each other. Some people even heard that the National top scorer had a full score in all subjects. Therefore, on the special day of the college entrance examination results query, this became a topic at the dinner table.

he's the top scorer for all subjects. The young people these days are really amazing. We, the older generation, can't even compare.

yeah, I read on the internet that it's been five years since someone last got a perfect score.

"The perfect score from five years ago?" Someone's gaze landed on Bo Zhicheng. I think it was master Bo who took it.

Bo Zhicheng was arranged to sit at the second table near Shi qinglan's.

He leaned lazily against the seat, a wine glass held between his long and fair fingers. The red wine set off his cold and white skin.

When he heard someone mention it, the man nonchalantly closed his eyes and casually replied in a deep voice, "yes.

Song Xi pursed his lips and looked at Shi qinglan. When he followed the elders to the main table to propose a toast, he gently tugged at the corner of Shi qinglan's clothes.

"Shi ... Shi qinglan." She opened her mouth hesitantly.

Hearing that, father song's expression turned serious. He immediately rebuked in a low voice, "how rude. How could you call miss Shi by her name?"

"It's fine." Shi qinglan's clear voice rang out.

She looked up at song Xi with her charming eyes, and her red lips couldn't help but curve up a little. she and I were high school classmates, in the same grade and generation. It's okay to call her by her name.

Mr. Song's tensed up nerves finally relaxed. He smiled sheepishly and said, "I see. I didn't expect my daughter to have such a fate with miss Shi. I've never heard her mention it before.

"I only found out today ..." Song Xi said in a low voice.

Shi qinglan smiled sweetly and said, "I've heard about your results. You did well. You should be able to get second place in the provincial level, right?"

Song Xi bit his lip and gently shook his head, indicating that he didn't know.

Ever since she had been hit hard by Shi qinglan's perfect score, she did not dare to be complacent about her own results. Although the pride in her bones made her unwilling to give in, it was the truth. She was indeed not better than Shi qinglan in any way ...

"Miss Shi, it's just a fluke that my daughter did slightly better. Please don't think too much about it."

Mr. Song was afraid that song Xi's grades would agitate Shi qinglan, so he smiled kindly and said, " if miss Shi doesn't mind, my small company can also provide you with some internship positions.

Shi qinglan smiled without saying a word.

This time, it was song Xi who stopped father song in time. dad, don't be like this. Shi qinglan's grades are much better than mine ...

Father song looked at song Xi in surprise.

Although he had deliberately lowered his attitude in front of Shi qinglan, he was actually very satisfied and proud of his daughter after knowing that song Xi had scored 730 points. He felt that no one should have beaten her.

Song Xi looked at Shi qinglan carefully and hesitated for a long time before asking, "the rumored top scorer in the country with full marks is you, right?" It's all over the internet ..."

Shi qinglan smiled leisurely. I haven't checked my results yet.

Song Xi didn't ask any more questions, but even so, she still tacitly agreed that Shi qinglan was the top scholar in the country.

When father song learned from his daughter that the daughter of the Shi financial magnate was the top scorer in the country and that she had scored full marks in all her subjects, he returned to his seat in a daze ...

"Director song, what triggered you to come back from toasting to the Shi family?" One of his deskmates could not help but tease him.

Father song's lips moved slightly, but before he could say anything, he suddenly heard the sound of discussion from a table near the garden entrance ...

...

"This, this is ... Principal Yan of Imperial University!"

the Shi financial magnate doesn't seem to be familiar with principal Yan. Did they invite him to this banquet as well? "

Upon hearing this, everyone at the table looked towards the door.

Yan Hua, in a suit and leather shoes, walked steadily into the garden. He had just gone South along the cloud water road and had walked for a long time without seeing any small garden. The only garden was this one ...

He walked in with the intention of giving it a try and realized that this was the garden of the Shi financial magnate's Villa, and a banquet was being held!

The guests looked at him in surprise and confusion.

Yan Hua was the same. He looked around and was stunned when he saw Shi qinglan sitting at the main table ...

262 Shi qinglan is the top scorer in the country with full marks!

Yan Hua was still in a daze, until an exasperated voice came from behind him. you shameless brat with the last name Yan, you came to find that girl LAN without me. Are you trying to rebel?!

Jiang boning touched his small mustache and walked into the villa.

He no longer cared about his image as the Dean of the Medical Research Institute and glared at Yan Hua. didn't you say that you'd help me abduct that LAN girl when I came to Imperial University to be a professor? What do you mean by abandoning me now?"

Yan Hua frowned and lowered his voice. .... I was so excited that I forgot about you!"

Jiang boning snorted and was too lazy to pay attention to him.

The guests were dumbfounded as they watched the two of them quarrel. They were all trying to identify the identity of the old man who had just arrived.

"This is ..." One of the guests said in surprise, "isn't this Mr. Jiang boning, the president of a country's Medical Research Institute?"

Hearing this, song Xi immediately raised his head in excitement.

Jiang boning put his hands behind his back and bent his back slightly. His gold-rimmed round-rimmed glasses slid down the bridge of his nose a little. He narrowed his eyes and scanned the place. where is this? "What are you doing?"

He had heard that Shi qinglan had scored full marks in all her subjects and had wanted to come to Imperial University to discuss with Yan Hua about how to trick her into applying for medical school, but ...

I heard that Yan Hua went to find that LAN girl himself!

Flustered and exasperated, he got his assistant to chase after them in the car all the way to the garden.

"Uh ..." The guests fell into a strange silence.

At this moment, Shi qinglan, who was sitting at the main table, stood up and gently lifted the tail-trailing dress to greet the two.

Jiang boning pushed his glasses back and immediately smiled when he saw the well-dressed girl. Hello, LAN girl~"

"Dean Jiang." Shi qinglan's Red lips curled up slightly.

Yan Hua had not realized what was going on here. He lowered his voice and said, "little ancestor, you are ...

The girl's Red lips smiled slightly, but she didn't answer directly.

One of the other guests said, "principal Yan, this is the garden of the Shi financial magnate's Villa. The young miss of the Shi financial magnate who has been missing for 15 years has been found. They are holding a family reunion party for her.

Hearing this, Yan Hua suddenly froze in surprise.

It was a family reunion dinner for the young lady of the Shi financial magnate, coupled with Shi qinglan's surname and the girl's dazzling starry evening dress. What else did he not understand? " you ...

"It's me," he said. Shi ginglan's Red lips curved up slightly.

Yan Hua was stunned for a moment, but he was a person who had seen great storms and waves, so he quickly accepted this matter. His solemn eyes could not help but show some relief.

He nodded his head repeatedly. sure ... It's good to find family."

Back then, when old Pavilion master Xiao of the pure world Pavilion had hired him to be Shi qinglan's teacher, the girl had still been a thin orphan, malnourished, and had many small problems with her body.

The more Yan Hua raised her, the more she felt sorry for her. She couldn't understand how such a talented child could be abandoned by his family. Now that he finally recognized his parents, it was also a happy thing ...

"I didn't expect this." Yan Hua couldn't help but sigh. if Pavilion master Xiao knew that you've found your family, he would be very happy.

Jiang boning glanced at him with some disdain, his eyes somewhat inexplicable. you just found out about Lan's identity? "

"You already knew?" Yan Hua frowned.

The little old man was instantly pleased with himself. He happily stroked his small beard and said, "I was the one who watched the DNA test between the LAN girl and old master Shi. I know everything.

Yan Hua was speechless. The stinky old man was very childish.

At this moment, Shi honghu and his wife strode over to the two of them. Jiang yunhan smiled and asked, " may I ask which one of you is my LAN 'er's teacher?"

Upon hearing the word "teacher," Jiang boning quivered.

He immediately went forward to shake hands with Jiang yunzhe and held his hands. Mrs. Shi has good taste. Don't you also think that I'm the most suitable teacher for that girl?"

Shi hongxi's cold eyes narrowed.

He stared intently at the old man who was holding his wife's hand and suddenly took a step forward to block Jiang yunzhe. He extended his hand to Jiang boning and introduced himself, "Dean Jiang, I am LAN 'er's father.

"Good, good, good." Jiang boning immediately let go of Jiang yunzhe's hand and turned to shake hands with Shi hongxi.

Dean Jiang, what did you mean when you said that you wanted to be LAN 'er's teacher?" Shi hongyou asked in a low voice.

This was also what the other guests wanted to know.

The Medical Research Institute of country A represented the world's top medical skills, medical equipment, and medical research, and the famous director Jiang boning was never willing to accept a disciple!

Even if he wanted to enter the Medical Research Institute and become someone else's master, he would have to go through layers of strict screening, let alone accepting a disciple!

However, he did hear that Jiang boning had made an exception this time and wanted to accept a student in Ying city, and it was a one and only quota ...

Mr. Shi, the reason why Dean Jiang and I came here today is to personally invite Shi qinglan. We hope that she can apply for Imperial University. Yan Hua said in a deep voice.

Jiang boning smiled and added, "yes, yes, yes. And it has to be the medical school of Imperial University, the kind that applies to me as a mentor. We'll definitely give her the best benefits and preferential treatment.

"If you really don't want to study medicine, we'll also welcome you to apply for other majors." Yan Hua immediately helped him change his words.

After all, as long as Shi qinglan could come, anything could be discussed.

Jiang boning couldn't help but feel a little annoyed. you shameless brat. We agreed to swindle and deceive together. Why did you abandon me again? "

you can trick her into coming here first. She's in Imperial University, so you won't be able to get her if she doesn't come to Imperial University. Yan Hua lowered his voice and tried to fool him.

Jiang boning had come to Imperial University to be a professor in order to abduct Shi qinglan to inherit the Research Institute.

The guests couldn't help but be shocked when they heard the words of the two.

One of them was principal Yan of Imperial University, who was quite famous in the entire Education World. The other was the Dean of the Medical Research Institute in country A, whose status could not be underestimated!

And now, they wanted to invite Shi ginglan ...

At this moment, Shi Yao also stood up from the main table and walked over. After all, he was the head of the political circle and had some connections with the education Bureau. Hence, he could be considered to have some friendship with principal Yan.

...

He narrowed his eyes and sized up Yan Hua. invite LAN 'er?"

Shi qinglan had not checked the results of the college entrance examination, so no one knew how she had done. But now that Yan Hua and Jiang boning had come to visit her in person, it must have been an extraordinary result. Could it be ...

Yan Hua could see that everyone seemed to have some doubts about this matter, especially the guests who were completely confused.

He furrowed his brows slightly. don't you know?"

The guests looked at each other and asked, "what should we know ...

This time, Yan Hua was completely sure that they did not know the inside story, so he told them everything. Shi qinglan got full marks in the college entrance examination this time. She's the top scorer in the country!

"So, the two of us are here to fight for students!" Jiang boning put his hands on his waist and said this with confidence.

263 LAN Chu is missing!

The guests were once again shocked by Shi qinglan.

This young lady of the Shi financial magnate had brought a lot of surprises to everyone today. Not only was she the owner of the qingyan guqin, but she was also a Grandmaster-level guqin player ...

And she was the top scorer in the college entrance examination!

Shi Yao's brows twitched slightly, but he wasn't surprised to hear this news. At the main table, Jiang Xiao crossed his legs and placed his arm on the back of the chair, but he only raised his brows.

Not to mention Shi qingxun, Shi qingan, and Shi Fu ...

They had already known about Shi qinglan's results.

Bo ye Cheng nonchalantly raised his head to take a sip of red wine. His red lips curled up slightly, and when he looked at the girl, his deep dark eyes could not help but be filled with a doting and indulgent smile ...

"The top, the top scorer in the National College entrance examination with full marks?"

"Miss Shi is too amazing! He has perfectly inherited his parents 'looks and talents. He must be a winner in life ..."

no wonder miss Shi was so calm when she announced her results. If I had that kind of ability, I wouldn't be nervous either!

Shi qinglan pursed her red lips, " ...

No, it really wasn't. She really didn't remember the admission ticket number.

But no matter what, the praises and compliments still came one after another. This time, they were really convinced by her.

Only Yan Hua was still nervous, " so ...

Shi qinglan's Red lips gave a faint smile. She could not help but agree helplessly, "don't worry, teacher. I will apply for Capital University.

After all, she was Yan Hua's student. Without Yan Hua's guidance, she probably wouldn't have achieved what she had today.

Jiang boning was anxious, then I ...

"I'll apply for di University's medical school as well, and I'll apply for your spot, Dean Jiang." Shi qinglan smiled sweetly.

Although she was extremely talented in medical skills, she had found her own way without any systematic training. It was necessary for her to go to Jiang boning's place to make up for the basic lessons.

The two big shots nodded in satisfaction. good, good, good. That's great.

Yan Hua and Jiang boning were welcomed to the secondary table. The guests at each table took turns to toast, and naturally, they couldn't forget the main character, Shi qinglan.

"Miss Shi, I wish you the best. I'll drink this cup of wine first." The head of the Wang family came to toast the girl.

He raised his head and downed the glass of champagne in one gulp. Then, he laughed heartily and said, "do as you please, do as you please.

Shi ginglan pursed her red lips and looked down at the glass of wine.

If he was the main character, it might seem impolite not to drink a drop of wine, but it also seemed to be the same ...

"Chief Wang." A deep and clear voice suddenly sounded.

Bo Li Cheng stood up slowly, holding a glass of champagne between his fingers. He walked elegantly and elegantly towards President Wang, his red lips slightly curved as he held the glass forward slightly.

President Wang immediately asked the bartender to pour him a glass of wine. He was a little flattered. master Bo, why are you ...

His attention was instantly shifted away by Bo Li Cheng.

She had completely forgotten about drinking with Shi qinglan and immediately went to the side with Bo Zhicheng to chat and flatter him.

Shi qinglan immediately pushed away the glass of champagne in front of her. Her red lips curled up slightly as she looked at the man who had helped her out of the situation. Her clear eyes were filled with a little smile. She secretly poured a glass of water as white wine, so that she could deal with the people who came to toast her behind ...

LAN 'er, if you can't drink, just tell father. I'll go and ask them to stop toasting. Shi honghou said in a deep voice.

He had just noticed Bo Zhicheng's actions and saw him protecting his precious daughter so carefully and thoughtfully. The score he had for him in his heart went from negative to zero.

Shi qinglan lowered her eyes and smiled. thank you, father. Then you ... It's better to tell them not to come to me for a toast."

She was fine with anything, but drinking was really out of the question.

Shi Hongji's straight brows raised slightly. He remembered that his wife seemed to have a very low tolerance for alcohol, and he had used Shi Fu's trick to get her drunk when he had proposed to her ...

He pursed his lips. okay, daddy knows.

The banquet organized by the Shi financial magnate had finally come to an end.

Shi qinglan and Jiang yunzhe went straight home to rest, leaving the rest to the men from the Shi financial magnate to see the guests off.

After wearing a gown and high heels for the whole day, Shi qinglan could not help but feel a little sore in her back. So, she soaked herself in the bathtub comfortably.

"Crack-"

The window of the bedroom was suddenly pried open, and a black shadow immediately flipped in. Seeing that there was no one in the bedroom, the light fragrance of cherry blossoms from the bathroom lingered in her nose ...

Bo Yicheng's Red lips curled up slightly, and he turned to close the window.

He leaned lazily against the window and looked at the tightly closed bathroom door. There was a smile in his deep eyes.

There was a sudden sound from the bathroom, and the beauty came out of the bath ...

Shi qinglan wrapped a towel around her lower collarbones and her thighs as she walked back to the bathroom. She raised her hand to dry her slightly wet hair and looked up to see a dark figure by the window.

"You're here." Her red lips curved slightly.

Clearly, she was already used to Bo Li Cheng climbing through the window to look for her every night. Even if he directly barged into the bathroom and made love with her, she would not be surprised now.

"Yes." The man's deep voice rang out.

He immediately strode over to the girl, picked her up by the waist, and gently placed her on the bed.

Bo Li Cheng's body was surrounded by a faint smell of alcohol.

He lightly touched the tip of the girl's nose and closed his eyes tiredly. The tipsy feeling made the atmosphere between them even more subtle.

"Lan Lan," The man mumbled her name.

...

did you drink a lot? " Shi qinglan asked softly.

Bo Yucheng's eyes were closed as he hummed in agreement. It was inevitable to drink at social gatherings. Moreover, he noticed that Shi honghui's gaze would look in his direction from time to time, probably to inspect him ...

Therefore, he didn't dare to relax and even helped the girl block a lot of wine. At this moment, the wine was in his head, and the fragrance of wine lingered between his lips and teeth.

"Then why don't ... Go to bed early tonight." Shi qinglan raised her hand and gently rubbed the man's head as she coaxed him softly.

Who knew that Bo Li Cheng's voice would be soft and light. No.

There was a hint of coquettishness in his tone, like a little puppy, pestering the girl in an extremely torturous manner.

He held her face in his large palm and lowered his head.

Shi qinglan did not have much self-control in front of men, and she could not stand his teasing, so the atmosphere became more and more intense ...

Bo chicheng's large palm touched the girl's bath towel.

Just as he was about to pull it away, an abrupt ringtone suddenly ruined the atmosphere. ring-"

Upon hearing this, Bo Yucheng suddenly stopped and opened his eyes.

...

His deep eyes were filled with displeasure, and the lingering emotions in his eyes instantly disappeared. He glanced sideways at the place where the bell rang.

Under the bed, he threw it into the pocket of his pants ...

"Answer the phone first." Shi qinglan's Red lips parted.

Bo Zhicheng's brows furrowed slightly. He rolled out of bed and took out his phone. When he saw that the caller ID was Bai Yuchen, the aura around him became even colder. you'd better really be busy.

"Big brother Cheng, are you with sis-in-law? Can sister-in-law contact LAN Chu ... She's gone!"

264 Little Chu 'er, where are you now?

There were no waves in Bo Li Cheng's eyes.

He opened his mouth coldly, his voice still full of displeasure, as if he could kill someone through the phone. tell her yourself.

He then handed the phone to Shi qinglan.

The girl's clear eyes flashed with surprise. She immediately pulled the blanket over her body. what's wrong? "

"Sister-in-law, it's Bai Yuchen. LAN Chu is missing!" The man's anxious voice suddenly came from the phone.

Shi qinglan's brows furrowed slightly, and a trace of panic flashed across her beautiful eyes. When did she disappear?"

Bai Yuchen's large hands clutched his phone tightly.

He was driving aimlessly around the city with one hand on the steering wheel. last night, I had an argument with her ... After that, she disappeared. She didn't bring anything."

Hearing this, Shi qinglan gently pursed her red lips.

She knew LAN Chu's character very well. Although the little girl had been spoiled by the LAN family in the capital, her personality had long been worn out by too many experiences. She was gentle and would not easily throw a temper.

"LAN Chu didn't contact me." She said.

Bai Yuchen's heart suddenly sank to the bottom. His hands on the steering wheel involuntarily tightened, and cold sweat seeped out of his palms. like this ... I'll keep looking then."

He had been absent from LAN Chu's life in Ying city.

He didn't know who else LAN Chu could contact or who she would go to if she left during her period. He only knew that they knew each other because he met Shi qinglan at the seal Palace last time ...

don't be in a hurry. Look for him carefully in Ying city. If LAN Chu contacts me, I'll let you know immediately.

"Alright," he said. Bai Yuchen's voice was hoarse.

He hung up the phone, and even his phone was covered with the cold sweat of his palm. He couldn't help but step on the gas pedal and speed up to search for it.

At that moment, Shi qinglan had no other thoughts.

She immediately got out of bed and got out of bed to look for her clothes, but the man suddenly grabbed her wrist.

"Where are you going?" Bo Li Cheng's voice was a little bitter.

Shi qinglan frowned slightly and broke free from the man's grip. little Chu 'er is missing. I'm worried that something might have happened to her.

Bo Yucheng picked up his pants from the ground and put them on.

He said slowly, "miss LAN is in Ying city, and you're in the capital. Even if you want to find her, where are you going to find her?"

Hearing this, Shi qinglan stopped looking for her clothes.

She raised her hand and touched her eyebrows. as expected, concern makes you confused ...

She had almost forgotten that she had returned to the imperial capital. If she was still in Ying city, LAN Chu would come to her without hesitation if something happened.

you should rest first. It's easy to find someone with the power of the Bai family, unless miss LAN doesn't want him to find her.

Bo Yucheng's voice deepened. if you're really worried, I'll order someone to help Bai Yuchen look for him in Yucheng.

Shi qinglan nodded lightly, unable to think of a better solution.

She went to the desk to get her computer and climbed onto the bed with her legs crossed. She was going to use the intelligence network of the pure world Pavilion to see if she could find any travel records and traces of LAN Chu.

However, just as the girl turned on her computer, her phone suddenly rang.

Shi qinglan immediately reached for her phone. When she saw that the caller was LAN Chu, she picked up the call without hesitation. little Chu, where are you now? you ...

However, before she could finish her sentence, she heard a low sobbing sound from the other end of the phone. The girl seemed to be wailing.

"Xiao Qingqing ..." LAN Chu's voice was a little choked.

When she heard the girl's voice, Shi qinglan did not dare to press her too hard. She tried to calm her worried emotions and coaxed her gently, " be good, little Chu 'er. Don't cry first.

LAN Chu couldn't help but cry even louder.

It was as if she had vented all her emotions, especially when she heard Shi qinglan coaxing her. The more she coaxed her, the more she wanted to cry.

A hint of heartache flashed across Shi qinglan's clear eyes. She tried to ask, " little Chu 'er, where are you now? "

"I ... I ..." LAN Chu sobbed.

She raised her hand to wipe her tears and mumbled in a low voice, "I'm at the imperial capital's South Station. I don't know where to go ...

Shi qinglan heaved a sigh of relief after receiving the reply.

At least, nothing happened to LAN Chu. She just ran away from home. She rolled out of bed and said, "open a location for me on WeChat. Stay there and don't move. I'll come and pick you up now.

"Alright," he said. yes, "LAN Chu responded softly.

After hanging up the phone, Shi qinglan looked up at the man apologetically. . 'm sorry,. have to go find little Chu. er ...

Bai Yuchen's call earlier had interrupted him. If LAN Chu was to be picked up, she would probably sleep with little Chu 'er tonight, and it would not be convenient for the man to stay ...

Bo Li Cheng gently stroked the girl's hair.

He said in a deep voice, "there's no need to apologize between the two of us. Change your clothes. I'll go with you to pick her up.

"Yes." Shi qinglan nodded gently.

As usual, Bo Yucheng left the villa through the window. After the girl changed her clothes, she remembered that Bai Yuchen had said that she didn't bring anything, so she took an extra coat and went out to the man's car.

..

The Maybach sped towards the capital South Station.

Shi qinglan checked the location on WeChat, got out of the car, and walked to the exit Hall. As expected, she saw LAN Chu.

The girl was wearing a very thin short-sleeved shirt and shorts. She was curled up in a corner of the exit Hall, squatting on the ground and hugging her legs. She looked weak and helpless among the rushing tourists.

...

"Little Chu!" Shi qinglan quickly walked over.

Hearing her voice, LAN Chu slowly raised his face and sniffed gently. He looked up at her. Xiao Qingqing ...

The girl didn't look too good at the moment.

Her already fair and tender face looked even paler at this moment, and her eyes were red from crying. There were still tears hanging on her long eyelashes, as if they would fall down at any time ...

She was dressed too thinly. The exit Hall was connected to the platform, so the ventilation was a little cold. Even in summer, when the high-speed train whizzed past the platform, the wind would give people goosebumps.

"Why did you come to the capital?"

Shi qinglan immediately put the coat she had prepared on the girl and helped her up. She looked at her with a slight frown.

LAN Chu slowly stood up.

She reached out and pulled her coat back. Her eyes were slightly lowered and she didn't say anything. She just bit her lips that had turned white from the wind.

"Forget it, let's go home first." Seeing her like this, Shi qinglan didn't want to press her, so she left the South Station with LAN Chu in her arms.

Bo chicheng sent the two of them back to the Shi financial magnate's Villa.

...

Shi qinglan held the girl's thin shoulders and got out of the car. She looked up at the man and said, "it's late. You should go home early.

"Yes." Bo Li Cheng responded in a deep voice.

He had wanted to give her a parting kiss, but LAN Chu had just quarreled with Bai Yuchen, so it didn't seem appropriate for her to eat their dog food.

Bo Yicheng held back and said in a low voice, " good night.

"Good night," she said. Shi qinglan replied softly, then returned to the villa with LAN Chu, who had finally stopped crying.

265 Bai Yuchen, that stinky scumbag, pisses me off!

LAN Chu was sitting on Shi ginglan's big, soft bed.

Her short legs were on the side of the bed, and her eyes were slightly lowered as her lips were pouted. A drop of crystal clear tears fell from time to time, landing heavily on her thigh.

"Have you eaten?" Shi qinglan asked softly.

LAN Chu raised his hand to wipe his tears and shook his head.

Shi qinglan did not know what had happened between her and Bai Yuchen, but now was definitely not a good time to clarify things. Hence, she only patted her head gently.

"Be good and take a hot bath first. Don't catch a cold. I'll get you something to eat, okay?" She gently coaxed the girl.

LAN Chu bit his lower lip and shook his head. His voice was as soft as a mosquito. no, I don't have an appetite ...

Hearing this, Shi qinglan's fingers gently touched the girl's chin and lifted her face in a slightly domineering manner. be good, I promise you'll have an appetite for the food I make.

LAN Chu sniffed twice and looked up slowly. She blinked her eyes very slowly. Xiao Qingqing, are you going to cook for me personally? "

"What else?" Shi qinglan was so angry that she laughed.

This fellow had come to the capital in the middle of the night to look for her. The servants were already asleep, so there was no way she could call them over to help cook.

then. want to eat it. " LAN Chu mumbled. . want to eat what you cook. Can ... Can I order?"

She had never eaten anything that Xiao Qing Qing cooked.

Shi qinglan pinched her cheeks helplessly. even Bo Li city doesn't have such good treatment.

Hearing this, LAN Chu finally broke into a smile.

She rubbed her red eyes and pouted. I want to eat fried omelet rice. I saw it on the high-speed train when I was bored. It looks delicious ...

Shi qinglan was speechless. The requirements were quite high.

There was a helpless and indulgent smile in her eyes. Of course, she would agree to anything at this moment. okay.

Shi qinglan first led LAN Chu to the bathroom and found a suitable set of pajamas for her. Then, she went downstairs to the kitchen.

The rich aroma of rice quickly filled the living room ...

After stir-frying the onions until they were transparent, she added in the diced chicken and mushrooms and stir-fried them thoroughly. Then, she mixed in some tomato sauce and rice. She stir-fried the rice until it was golden and fluffy, sprinkled some seasonings, and set it aside.

He heated the oil in the pot, beat the eggs, and spread them all over the oil pot. He stirred the eggs with chopsticks until the bottom was shaped and the middle was half-

cooked. He wrapped the eggs from both sides with a spatula and quickly scooped them out onto the rice.

Shi qinglan carried the fried egg-wrapped rice upstairs.

LAN Chu had already taken a bath. He slowly walked out of the bathroom in his pajamas and immediately smelled the rich aroma of rice!

my fried pulp flowing heart omelet rice! The girl's eyes lit up.

LAN Chu picked up the plate that Shi qinglan had handed over with both hands. The aroma of the chicken instantly aroused his taste buds, and the faint smell of mushrooms made him lose his appetite. so fragrant ... It smells so good!"

The girl took a deep breath and shook her short legs.

Full of anticipation, she slid open the single packet with a small spoon, and the pulp flowing heart slid down the rice instantly, wrapping the rice balls below in a golden color. The egg fragrance was rich and the color was excellent.

"Xiao Qingqing, you're so good ..." LAN Chu's mood instantly improved and he happily enjoyed the food.

She mumbled, "it's exactly the same as in a certain tune. A lot of liquid will burst out when you cut it open.

Shi qinglan's Red lips smiled slightly, and she could not help but feel a little helpless.

She sat by the side and watched the girl eat. Her white cheeks were slightly puffed up, and there was a grain of rice on the corner of her pink lips. She was soft and tender like a little hamster.

A girl who could be so easily coaxed ...

How did Bai Yuchen's relationship end up like this?

Xiao Qingqing, let me tell you about that. Bai Yuchen, that scumbag, really pishes me to death! LAN Chu had just had his fill, and began to complain crazily while rubbing his round belly.

Shi qinglan's Red lips curled up slightly. I'm all ears.

he said he wanted to get back together with me, but he didn't give me any roses, small gifts, snacks, or candies. He even gave me a box of milk beer and got me drunk. I almost ... Cross out this part."

"I'm just trying to put on a front to court you." Shi qinglan concluded.

LAN Chu nodded heavily in agreement. but that's not the point. I thought that. good horse doesn't go back to the grass. Even if you want to get back together, you have to let me ... Let me reluctantly consider it. "

in the end, I found that he ... He ..."

At this point, the girl's excitement gradually subsided. She only felt that her eyes were a little sore again. She bit her lower lip lightly and suppressed her crying. he gave that bracelet to LAN Xinyan.

LAN Chu's voice suddenly froze.

Her eyes drooped slightly, and she clutched the corner of her clothes tightly. She held back her tears that were about to burst at any moment and said in a low voice, "I saw her wearing a bracelet ... I saw it."

Hearing this, Shi qinglan's eyebrows raised slightly.

She remembered that bracelet. It was a sapphire and diamond bracelet that the Bai family in Beijing had passed down to their next family head's wife. A girl who owned that bracelet would be acknowledged by Bai Yuchen ...

"Since he had long wanted to give the bracelet to LAN xinxuan, why did he still come to find me?" LAN Chu's tears suddenly fell.

Her soft and coy voice was full of tears. I originally ... I had already decided to give up, but he came back to flirt with me. He's just bullying me because I can't take it, letting go every time he flirted with me!"

"I think he's two pigs! A pig is not enough to describe his intelligence. How is LAN xinxiao better than me? is she as cute as me? can she eat as much as I do?"

"I'm so easy to take care of ..."

"I'm also very easy to coax. One candy is enough."

LAN Chu's head drooped down bit by bit. in the end. he didn't even come to coax me after the quarrel. He didn't even give me an explanation. Maybe he has long wanted to be with LAN xinxiao ...

Shi qinglan looked at the girl's dejected look and knew that she must be heartbroken. She pursed her red lips.

She gently rubbed the girl's head. our Chuchu's baby is so cute. How is a scumbag worth your tears? look at his flower-like little face, it's so Haggard from all the crying.

...

Upon hearing this, LAN Chu pouted in a fit of pique.

She raised her hand to wipe away her tears and looked up arrogantly. Hmph, I don't want to be sad for that scumbag! I'll say goodbye then, the next one will be more obedient!"

"That's the way." Shi qinglan's Red lips smiled.

She put her arm around LAN Chu's waist and teased, "I think brother Jiang is not bad. He's handsome, but he's still a young man. He's both a cute and a Wolf. Isn't he fragrant?" Consider it~"

LAN Chu's face instantly turned red from the teasing.

She bit her lower lip and pushed Shi qinglan away angrily. She climbed into bed and said, "Xiao Qingqing, I'm heartbroken! I'm not talking to you if you keep joking!"

"Alright, alright, let's go to sleep." Shi qinglan could not help but laugh.

At least, LAN Chu was more energetic than before.

266 She saw a tall figure when she looked up

Shi ginglan had finally coaxed LAN Chu to sleep.

The girl was curled up in the quilt, her short legs slightly bent, crystal clear tears still hanging on her long curled eyelashes, and her pink lips were slightly pouted, looking aggrieved ...

"LAN Chu is at my house. Don't worry, young master Bai." After Shi qinglan sent Bai Yuchen a WeChat message, she also went to bed.

Bai Yuchen was still searching aimlessly.

He held the steering wheel tightly, and the veins on the back of his hands were visible. His eyebrows were full of anxiety and frustration. The more he drove around the city, the more his heart slowly sank ...

"F \* ck." Bai Yuchen suddenly stopped by the side of the road.

He clenched his fist and slammed it hard on the steering wheel. A shrill horn immediately sounded. The man closed his eyes and leaned back, pressing his slightly scraped fist against his brow bone.

He should not have quarreled with her ...

If anything were to happen to LAN Chu, even if he was hurt, he would never be able to forgive himself.

buzz ... his phone suddenly vibrated.

Bai Yuchen immediately opened his eyes. His long and narrow eyes were filled with black hair, and because he hadn't slept all night, his eyes were still a little green.

He hurriedly took out his phone from the pocket of his suit pants and saw Shi qinglan's message. LAN Chu is at my house. Don't worry, young master Bai.

Seeing these concise words, Bai Yuchen closed his eyes and heaved a heavy sigh of relief, his suspended heart finally settling down.

He pursed his lips. After replying to her, he called his assistant. book me a plane ticket back to the capital tomorrow morning. I want the earliest flight.

Then, he turned the car around and prepared to go home.

However, halfway through the journey, Bai Yuchen seemed to have suddenly thought of something. His eyes narrowed slightly, and he changed his route again, driving directly to LAN xinxuan's temporary residence in Ying city ...

He had personally tied the bracelet on LAN Chu's wrist. He did not know why it had appeared in LAN xinmei's hands. However, no matter what the reason was, he had to get it back!

- -

LAN Chu was temporarily staying in the Shi financial magnate's Villa.

She had been in a deep sleep last night. When she woke up, she realized that it was almost noon, so she immediately lifted the quilt and sat up.

The girl pouted and raised her hand to rub her slightly fluffy hair. From the corner of her eye, she saw a new set of clothes neatly folded by the pillow. It was a light pink color that suited her.

LAN Chu washed his face, changed his clothes, and slowly went downstairs.

At this moment, Shi qinglan was playing chess with Shi Fu. Grandpa, you backed out of the game when I wasn't paying attention. You're cheating!

"No way, how could I back out! I clearly haven't played yet, you must have remembered wrongly!" Shi Fu touched the small stubble on his chin and mumbled, refusing to admit it.

Shi qinglan pouted her red lips. you ...

Just as she was about to argue with Shi Fu, she looked up and saw LAN Chu who had just come down the stairs. She retracted her gaze and put the White go piece back into the box.

"Little Chu 'er, you're up. Do you want to eat something?" Shi qinglan got up and went up to him.

LAN Chu stood at the stairway, holding the handrail. Her fluffy hair had not been completely tidied up, and her eyes were red like a little white Rabbit from crying. She looked very pitiful.

She opened her pink lips slightly in a daze. ah ...

Shi Fu had slept soundly last night and did not hear any movements at home. He had a rough idea of what was going on when he chatted with his granddaughter during the morning's chess game.

He immediately threw the go piece back into the box. He didn't care if he was cheating or not. He looked at LAN Chu with a smile. this must be little Chu 'er. You're like a peach, so nice.

LAN Chu ruffled his hair in embarrassment. He bit his lower lip and greeted politely, "Grandpa Shi.

Shi Fu grinned from ear to ear and nodded.

He immediately waved his hand and called Ji Lin over, asking him to order the servant to prepare some food for LAN Chu, choosing the flavor she liked.

Xiao Qingqing, why didn't you wake me up in the morning?"

LAN Chu ran to Shi qinglan's side with his short legs and gently tugged at the corner of her clothes to whisper.

The girl pouted her pink lips. I'm already super embarrassed that I'm staying at your house. How can I still sleep in? "

Shi qinglan's Red lips curved into a smile. She patted the girl's head and said, " it's alright, my family won't mind.

However, LAN Chu still bit his lips and felt really embarrassed. He was so vexed that he wished he could go back to last night. He might as well use his fingers to support his eyes and not sleep.

"Miss LAN, please have some breakfast to fill your stomach first."

Ji Lin looked at the girl with a smile. would you prefer a Chinese or Western breakfast? is there anything you'd like to eat? "

LAN Chu was even more embarrassed ...

She secretly took small steps back and hid behind Shi qinglan. I'll just eat the same as Xiao Qingqing.

"Alright," he said. Ji Lin couldn't help but chuckle, and the look he gave the girl became even more gentle. if miss LAN has any dishes you want to eat, you can tell me. I'll have someone prepare them for lunch.

LAN Chu immediately shook his head like a rattle.

She was petite to begin with, and she would be out of sight once she stood behind Shi qinglan. She hid herself even more tightly now. I don't have to go through so much trouble ...

"Butler Ji, you can go." Shi qinglan's Red lips smiled.

Ji Lin nodded slightly, then turned and left.

LAN Chu heaved. sigh of relief, but he still stuck to Shi qinglan's side and did not leave her side. Even when they were having breakfast, he pulled her to sit with him. Xiao Qingqing, why don't I move out ...

She had only come to the capital last night on impulse.

The original intention was not to look for Shi qinglan, but ... She should have belonged in the imperial capital. If she were to leave bamboo city and go to another city, she was afraid that this would be the only place she was most familiar with.

However, when the high-speed train arrived at the capital South Station ...

However, she realized later that her parents in the capital had passed away, and her relatives here had abandoned her. Her good friends had disappeared without a trace after she was no longer miss LAN, and no one had helped her.

...

Hence, LAN Chu had no choice but to call Shi qinglan.

"What nonsense are you saying? it's pretty good to just stay here." Shi qinglan wrapped her arms around the girl's waist and pinched her gently.

LAN Chu moved to the side shyly, his eyelashes casting a faint shadow. bad Qingqing, you're taking advantage of me again.

She pouted her pink lips as she spoke.

Hence, Shi qinglan pinched her face instead. hurry up and eat.

LAN Chu ate a simple breakfast to fill her stomach, and lunch was prepared very quickly. After eating and drinking to her heart's content, Shi qinglan took her to the garden, which made her feel much better ...

"Xiao Qingqing, look! There are butterflies here!"

LAN Chu was running around the garden happily when she suddenly noticed the Rose at the gate. The butterfly on it attracted her attention and she was about to pounce on it ...

He did not expect to see a tall figure when he looked up.

267 Bai Yuchen, I announce that I've dumped you!

Bai Yuchen stood outside the Shi financial magnate's Villa.

He confirmed the visitor's identity with the bodyguard, then strode in with his slender legs. Chu 'er ...

LAN Chu's smile instantly disappeared.

Even the crescent-like smile in her eyes was gone. She retracted the Starlight in her eyes and immediately turned to leave.

"Chu 'er!" Bai Yuchen immediately strode over, grabbed the girl's wrist, and pulled her into his arms.

LAN Chu directly fell into the man's arms, and his head hit the hard chest without warning, hiss ...

She couldn't help but gasp and rub her forehead.

She didn't sleep well last night, and her head was heavy. She finally came out to breathe some fresh air, and now she was dizzy again.

Bai Yuchen's brows furrowed. I'm sorry, I ...

He immediately let go of the girl in a hurry and held her face with his big hands, trying to help her rub her forehead.

However, LAN Chu shook off his hand and took a big step back with his short legs. don't touch me.

The girl's voice was a little cold, full of rejection and alienation.

Shi qinglan had just been playing in the fountain a little further away when she heard LAN Chu calling for butterflies. She jogged over and saw Bai Yuchen, who had come uninvited.

She didn't go forward, but quietly walked to the flower bed and sat down, leaving the two of them some space to solve their problems.

Bai Yuchen pursed his thin lips and said in a hoarse voice, "I didn't mean to hurt you. Your forehead is red. Let me take a look.

As he spoke, he strode towards the girl, but LAN Chu continued to step back, raising his hand and facing him with his white palm.

"Bai Yuchen, don't touch me." She repeated in a cold voice.

The man's footsteps suddenly stopped. He could hear the estrangement in the girl's tone, and his back slightly stiffened.

His voice became hoarser. Chu 'er ...

Bai Yuchen didn't close his eyes the entire night before, so he didn't look too good at the moment. A little stubble had grown on his chin, and his bloodshot eyes made him look a little Haggard.

LAN Chu pursed his pink lips. Bai Yuchen, I've made myself clear. We're done here.

Hearing this, the man's heart suddenly felt like it was being tugged at.

His eyes gradually became deep, filled with deep sorrow, and he was unwilling to accept the reality as he looked at the girl ...

LAN Chu's heart also felt like it was being poked by a needle.

However, no matter how much her heart ached, she knew that this relationship would end sooner or later. we've already broken up once. You said that you wanted to get back together, and I've given you a chance.

These words struck Bai Yuchen's heart heavily ...

His Adam's apple moved slightly, and his voice was a little tight. Chu 'er, it's not what you think. I can solve it ...

"Explain?" LAN Chu couldn't help but laugh at himself.

She felt a little bitter in her heart, and her eyes gradually became misty, but she bit her lip and did not let her tears fall.

LAN Chu's eyes drooped slightly, and his lips curved into a self-deprecating smile. I've been waiting for you at home for the whole night. I've been waiting for your explanation, but you didn't come back the whole night. You've already given up on this opportunity.

Bai Yuchen clenched his fists tightly.

After the quarrel that night, he was afraid that his bad mood would hurt the girl with his words, so he went to seal Palace to sleep for the night. He wanted to let both of them calm down.

However, when he returned home in the morning, he found that the girl was gone ...

'Bai Yuchen, I, LAN Chu, did love you in the past. I loved you so much that I would marry no one but you. You've already worn away my feelings for you, bit by bit."

LAN Chu raised her head. Her clear eyes seemed to be filled with pride, but her fingertips were slightly cold.

She looked up at the man, took a deep breath, and said, "this time, it's my turn to announce-I've dumped you!

As soon as she finished speaking, she turned around without hesitation, her loose hair pushed back, and her back view was proud and determined as she left.

But even if his back looked so handsome ...

Only LAN Chu herself knew that the moment she turned around, her tears fell to the ground. The slight coldness of her fingertips passed through her nerve endings to her heart.

She was born with pride ...

Why did she have to be played by Bai Yuchen again and again? since he let go of her every time he flirted with her, what was the point of her being entangled with him? she might as well kick this scumbag away.

At least, she didn't look so lowly this time.

"LAN Chu!" Bai Yuchen growled, wanting to give chase.

However, Shi qinglan suddenly walked over with her hands casually in her pockets and stood in front of him with a cold temperament.

Bai Yuchen's eyes were fixed on LAN Chu the entire time. Seeing her petite figure gradually run away, he raised his hand and rubbed his forehead, feeling a headache coming on. There was a hint of anxiety and vexation in his eyes.

Shi ginglan's Red lips parted slightly, you're really a straight Man of Steel.

Bai Yuchen remained silent.

The girl closed her eyes lazily. little Chu 'er is such an easy girl to coax. You deserve to be like this. Don't go after her anymore. Otherwise, she'll only reject you more.

if you have the time, why don't you study the tutorial on how to flirt with girls and learn how to coax them? when you've learned the essence, you can come back to find her. If you can't, I'll introduce her to another boyfriend.

Bai Yuchen was speechless.

He looked at Shi qinglan with a slight frown and was rendered speechless by her rebuttal. please take care of her for now.

Shi qinglan did not reply, but raised her eyebrows slightly.

Bai Yuchen's deep eyes glanced in the direction that LAN Chu had left, but that petite figure had already left his sight. I'll come back another day to look for her.

• • •

Shi qinglan raised her chin slightly and pointed in the direction of the lower door.

Bai Yuchen pursed his lips and turned to leave. There was a faint sense of loneliness and sorrow in his back, and it was extremely heavy.

Shi qinglan's charming eyes narrowed slightly. Although she did not have a good impression of Bai Yuchen, she could tell that LAN Chu still liked him. She could not bear to see her so sad.

She suddenly opened her red lips and called out to him, " young master Bai.

Hearing this, Bai Yuchen stopped in his tracks but didn't turn around.

Shi qinglan continued, " if you can't give LAN Chu happiness, then don't bother her anymore.

"If you can ... She's a girl who can be coaxed with a piece of candy. Don't let her down in this relationship again."

Bai Yuchen's Adam's apple bobbed. He thanked her in a hoarse voice and then left the Shi financial magnate with big strides.

When Shi qinglan returned to the bedroom, she saw LAN Chu crying.

The little girl had a silly look on her face. As she cried, she fanned herself with her hands. She kept taking deep breaths to hold back her tears and even tried to grin. She didn't know whether to laugh or cry.

"Do you want cake?" Shi qinglan handed him a delicate plate. it's sweet, strawberry mousse.

...

268 Roses, candlelight dinner, and a little alcohol

LAN Chu sniffed twice.

She lowered her eyes and looked at the cake in front of her. It was pink and looked very soft and sweet. There was a small strawberry on it, inviting her to taste it.

The girl raised her hand to wipe her tears and said softly, " eat.

Shi qinglan's Red lips curved slightly as she sat beside LAN Chu and ate strawberry mousse with him.Little girls are so easy to coax ...

"How were your college entrance examination results?" She asked softly.

LAN Chu's pink tongue licked the corner of his lips, rolled up the mousse that was stuck to the corner of his lips. and smacked his little mouth twice. it's alright ... I should be able to barely reach the Imperial University's line."

Shi ginglan responded softly and did not ask for any details.

She looked sideways at the girl. have you thought about what major you want to major in? have you thought about what you want to do in the future?"

Hearing this, LAN Chu's hand that was holding the small spoon paused.

She looked away and thought for a long time before she looked up at Shi qinglan. Her clear eyes were filled with determination. I've thought about it.

The girl firmly nodded her head.

LAN Chu opened her mouth and said, "I want to enroll in the art college of Imperial University. I want to be like LAN xinxuan ... I'm going to enter the entertainment industry."

Shi qinglan's eyes flashed with surprise.

She pursed her red lips and asked after a moment of hesitation, "little Chu 'er, have you really thought it through?"

LAN Chu's clear eyes flickered.

Her pink lips curved up slightly. Xiao Qingqing, I didn't want to enter the entertainment industry just to go against LAN xinmei. I really like acting and I want to try out a different life in the works.

LAN Chu was born in the LAN family of the capital and was born with pride.

She had been exposed to the four Arts since she was a child. She was proficient in piano, guzheng, classical dance, ballet, and had been preparing to become a good actress since she was young.

"As long as you've thought it through, I'll support you no matter what you do," Shi qinglan rubbed her head gently.

LAN Chu nodded, "yes, I've thought about it.

Shi qinglan's Red lips curved slightly, and her beautiful eyes were sparkling. She had already begun to think about whether she had come across any resources that she could introduce to LAN Chu while she was in the entertainment industry ...

Imperial Palace.

The room was filled with the faint smell of alcohol. Bai Yuchen was lying dejectedly on the sofa. He had come to get drunk after being defeated by LAN Chu and had even dragged Bo Xincheng along with him.

Big brother Cheng, what's a girl-picking tutorial? "

Bai Yuchen finished his cocktail and suddenly glanced sideways at the man, asking without thinking.

Bo Yicheng leaned lazily on the sofa, his long legs crossed. He nonchalantly took a sip of red wine, his eyelids slightly closed, and he replied with a strong desire to live, "I don't know.

He never flirted with girls, only his wife.

Bai Yuchen furrowed his brows slightly and glanced at him from the corner of his eyes. He suddenly sneered. big brother Cheng, do you know why you were in seal Palace tonight and not in your wife's bed?"

Upon hearing this, Bo Li Cheng raised his eyes lazily.

Bai Yuchen's lips curled into a mocking smile. because my wife is under your wife's blanket, the two of us, abandoned and lonely men, can only hug each other and get drunk at a bar.

Bo Yicheng,"..."

His forehead twitched fiercely. When he glanced sideways at the man beside him, his black eyes could not help but have a little resentment.

Usually, at this time, he would have already fallen asleep with his wife in his arms. If he was not asleep, he would be even happier. He must be making some sauce ...

But when Bai Yuchen asked him out tonight, he agreed without hesitation because he was the only one who was alone in his bed, feeling empty, lonely, and cold.

"Big brother Cheng." Bai Yuchen moved closer to the man and put an arm around his shoulder. we're brothers in the same boat now. Helping me is the same as helping yourself.

Bo Zhicheng glanced sideways at the hand on his shoulder.

He picked up the man's sleeve and threw it down in disgust. you can talk, but don't touch me.

Bai Yuchen couldn't help but purse his lips in disappointment.

He poured himself a glass of wine and said, " give me some ideas. As long as you can help me get LAN Chu back, your wife's bed can be yours again.

There were slight waves in Bo Li Cheng's deep eyes.

He pursed his thin lips, feeling that Bai Yuchen's words made sense, and a dark light involuntarily flashed in his eyes.

Bai Yuchen could tell that the man seemed to be wavering. He curled his lips and asked, "quickly tell me. How do you coax sister-in-law when she's angry?"

Bo Yucheng sneered. I never make her angry.

The man's tone was wild and unbridled, and there was a faint disdain between his brows for this iron-willed straight man who had failed repeatedly in his pursuit of his wife.

Bai Yuchen choked at his words. ...

"You take LAN Chu away." Bo chicheng's cold lips parted slightly.

Bai Yuchen immediately understood what he meant. that's for sure. The most stupid thing I've done in my life was to rashly call off the engagement with Chu 'er at the funeral.

I've already thought it through. This time, no matter how the Bai family objects, I'll still carry out my engagement with little Chu 'er as before. I'll bring her back to the Bai family and protect her.

Bo Li Cheng had no interest in his promises.

He was only concerned about when LAN Chu would be able to leave and when Shi qinglan's bed would free up space for him.

The man's Red lips curled up slightly, and there was a flirtatious light in his eyes. roses, candlelight dinner, and some wine ...

She directly threw Shi Fu's bad idea to him.

Bai jingchen frowned slightly. I can't force her to drink. When I asked her to get back together with me, I picked out a gift for her. At that time, someone just happened to bring me a box of milk beer from the Prairie. I thought this beer should be drinkable for girls, so she gave it to me without trying it ...

...

As a result, his hair was almost cut off by LAN Chu.

Bo chicheng's expression was a little complicated. milk beer? "

This was some kind of milk drink that contained alcohol. It tasted sour and a little strange, but of course, many people thought it was delicious.

you deserve to be single, "he mocked coldly.

Bai Yuchen had been insulted by his good brother again. He had just been insulted by Shi qinglan today, and at this moment, he felt a heavy weight on his chest, unable to go up or down. He did not dare to talk back.

Bo Li Cheng was too lazy to continue paying attention to this simple-minded straight man.

He lowered his eyes lazily and took out his phone to send a message to Shi qinglan. Bai Yuchen is going to make peace. I didn't give him the flirting guide. I've never studied the flirting guide. It was your grandfather's idea.

Shi qinglan was speechless.

When she received this message, she was preparing to go to sleep. The corner of her eyes suddenly twitched fiercely, and there was a complicated look in her beautiful eyes.

LAN Chu's soft voice sounded. Xiao Qingqing? "

Shi qinglan immediately deleted the message and looked up at the girl with a smile. little Chu, how's your alcohol tolerance? "

...

LAN Chu's eyes flickered with some doubts.

She tilted her head. didn't you see it last time in the kun Palace in Ying city? why are you suddenly asking about this duck? "

The corners of Shi qinglan's eyes lifted slightly. nothing, I just ... I'm just asking."

269 Chu 'er, forgive me, will you?

At the time Square.

Shi qinglan and LAN Chu held hands as they strolled around the streets. Bai Yuchen had not come to look for her for the past few days, and LAN Chu was also a carefree person. Very quickly, she threw all the unhappy things out of her mind ...

"Xiao Qingqing, I want to go to that shop!"

LAN Chu's clear eyes suddenly lit up. She stood on her toes adorably and pointed to a milk tea shop not far away.

Shi qinglan raised her eyes slightly. let's go, l'll go with you.

LAN Chu's eyes curved into crescents as he smiled. Then, he trotted towards the milk tea shop with his short legs.

This was a milk tea shop with love as the theme.

The entire shop was mainly pink and blue in color. There was a super sweet love milk tea, and it had its own style and characteristics because of the breakup theme that other milk tea shops did not dare to do ...

"Oh." LAN Chu looked up at the milk tea on the screen.

She tilted her head and pondered for a long time. Then, she pointed at a sample of a cup of milk tea. I want Taro milk tea, not cream.

Hearing this, the attendant couldn't help but chuckle helplessly.

She helped LAN Chu type the list. when other girls come, they will say no Taro paste, no milk tea, only yingluo.

"I'm different." LAN Chu's eyes curved into crescents as he smiled. by the way, miss, can you give me this cup? I'll say goodbye to the next one who's more obedient.

The counter staff lowered her head and looked at the cup she had indicated. It was the milk tea cup with the breakup theme in the store.

"Of course, no problem." She handed the queue number to LAN Chu.

LAN Chu got the milk tea very quickly. He closed his eyes and took a sip, " milk tea really makes people happy.

"Then ... Little Chu 'er, do you want some dessert?" Shi qinglan's Red lips curved slightly. She lifted her chin slightly and pointed at a fairy-tale themed dessert shop in front of her.

LAN Chu nodded like a chicken pecking at rice. yes!

The pink-themed dessert shop was full of girlish hearts.

The door was a pink arch made of plastic flowers. There were many fairy tale images on the wallpaper, as well as super cute slogans and emojis. Each set of tables and chairs had its own theme.

LAN Chu ordered and then sat on the rocking chair, drinking milk tea. Her two short legs hung in the air, swaying from time to time, happily waiting for her cherry blossom cheese cake.

it's so beautiful here. It's like a castle. If only there was a Prince Charming ... LAN Chupouted her pink lips.

She gently bit the straw and took a big sip of milk tea.

At this moment, a gentle voice suddenly rang in her ears. beautiful miss, your cake.

Hearing this, LAN Chu's white teeth loosened from the straw.

She blinked her eyes in confusion, and then saw a small plate of Sakura cheese cake appear in front of her.

The man gently held the cake plate. His fingers were white and slender, and his joints were well-defined. He wore a diamond-encrusted watch on his sexy wrist, and the low-key luxurious black dial made his skin look even whiter.

LAN Chu was stunned when he saw the familiar watch.

"Also, your rose." Bai Yuchen's other hand held a large bouquet of roses and handed it to the girl.

LAN Chu's clear eyes flashed with surprise.

But she quickly came back to her senses and immediately slid down from the rocking chair. Her short legs were so fast that she almost hit the table.

"Be careful," he warned. Bai Yuchen's voice suddenly tightened.

He immediately reached out the hand holding the Rose and wrapped his arm around the girl's waist, pulling her into his arms.

LAN Chu's mind wavered for a moment before her waist was held by the man. The faint fragrance of flowers and the sweetness of cake lingered around her.

"You ... Let me go." LAN Chu's voice was extremely soft.

Her eyes dodged a little, and she looked away uneasily from the corner of her eye, only to find that everyone in the dessert shop was looking at her.

Bai Yuchen placed the cake on the table and wrapped his arms around the girl's waist. He lowered his eyes and smiled. I'm not putting it down.

LAN Chu bit her lip and was so anxious that she wanted to stomp her feet.

She put her hand on the man's chest and gently pushed him out twice, but the girl's strength was soft to him. It was of no use at all, and instead, it made the two of them seem closer.

Shi qinglan didn't want to be a third wheel. After completing the task of letting the two of them meet, she ran away when LAN Chu wasn't paying attention ...

"Bai Yuchen," what do you want? "LAN Chu gritted her teeth, but her voice was soft.

Bai Yuchen let go of the girl and held the Rose in both hands in front of her. His eyes were deep and serious. Chu 'er, I'm here to apologize to you.

LAN Chu's face instantly turned red.

She didn't know if it was because of the red roses, or because she was angry or embarrassed, but there were small clouds floating on her porcelain-like face.

She bit her lip lightly. I don't want your apology. There are many people watching. I'll be leaving first.

LAN Chu said and ran away in a panic.

With roses in her arms and an unfinished cup of milk tea in her hand, she looked like she was running away.

"LAN Chu, you forgot to take something." Bai Yuchen caught up to the girl like a shooting star.

Just as LAN Chu was wondering what she had forgotten to take, she suddenly felt a slight chill on her skin. The man had put the sapphire and diamond bracelet back on her wrist.

"Chu 'er." Bai Yuchen directly hugged the girl from behind, his arms tightly wrapped around her waist.

LAN Chu was about to break free from the man's embrace when he heard his low and slightly hoarse voice. I was wrong.

Upon hearing this, LAN Chu's delicate body stiffened slightly, and her heart, which was not very hard, softened.

...

Bai Yuchen rested his chin on her soft neck and his lips gently pressed against her ear. Chu 'er, I have nothing to do with LAN Xinyue. I didn't give her the bracelet.

I've told you that you're the only one in the world who can wear this bracelet, so I found it. This time, I've designed a small lock for it. It can't be taken off unless you break your hand.

this time, it can only belong to you. We won't pass it on to our daughter-in-law in the future. It will belong to you forever.

LAN Chu bit her pink lips lightly. Her soft heart began to waver again when she heard these words.

Bai Yuchen walked in front of her and cupped her face with his large palm. He lowered his eyes and gazed at her affectionately. forgive me, okay? "

LAN Chu's eyes drooped slightly, and his gaze was evasive.

She felt her eyes sting a little, and her tears began to roll again. if I forgive you so easily, I'll lose face and leave home for nothing.

"I ... I'll consider it. " LAN Chu looked away.

However, just as she was about to push away his embrace and run away, she didn't expect Bai Yuchen to suddenly lift her face and lower his head to kiss her on the lips. Their hot breaths intertwined.

The roses in LAN Chu's hand suddenly fell to the ground, and even the cup of milk tea without any cream fell to the ground.

She widened her eyes in shock. Oh ...

. . .

270 Find me the heir of jingshi Pavilion

LAN Chu's clear eyes were filled with shock.

One of Bai Yuchen's arms was around her waist as he held her, while his other hand was gently clasped to the back of her head. His overbearing and forceful kiss caught her off guard, leaving her with nowhere to run.

LAN Chu's heartstrings trembled slightly ...

She placed her hand on the man's hard chest and felt his hot breath. Her face gradually turned red.

The girl bit the man's lips in frustration.

hiss ... Bai Yuchen couldn't help but gasp in pain.

His affectionate kiss was suddenly interrupted just like that, so he had no choice but to let go of the girl. He used his fingertips to gently wipe his bitten lips, and sure enough, there were a few drops of blood.

Bai Yuchen's brows furrowed slightly as he looked down at the blood on his fingers. Chu 'er, why did you bite so hard to murder your husband?"

"I ..." LAN Chu bit her lip.

She lowered her head guiltily and raised her eyes to look at him. She mumbled softly, "I ... I didn't bite you on purpose, I just ... I can't breathe."

Hearing this, Bai Yuchen couldn't help but laugh in anger.

He cupped the girl's face in his hands and looked at her seriously. you've done it so many times. Why haven't you learned how to breathe? "

LAN Chu's face instantly turned redder.

Her clear eyes glared at the man. Bai Yuchen, you spilled my milk tea and caused me to be unable to eat my cake. Furthermore, you're acting like a hooligan. I don't want to talk to you anymore!

The girl stomped her feet in embarrassment. She turned around and ran away in anger, her short legs not running very fast.

"I won't be a hooligan anymore. I was wrong, alright?"

Bai Yuchen's lips curled up slightly. He slipped his hands into his pockets and leisurely strode after the girl. I'll compensate you for the milk tea and cake. Do you want some Taro paste milk tea? I don't want mashed Taro, I don't want milk tea, I only want the cream ..."

She heard the man's teasing voice coming from behind her.

LAN Chu covered her face with both hands. She could feel the boiling temperature with her soft and tender hands on her cheeks.

She quickened her pace, and Bai Yuchen's smile continued to show his love for her, quickly catching up to her ...

It turned out that his girl was so easy to coax. She didn't need a candlelight dinner or a small wine. Just a little sweetness was enough.

..

It was Midsummer in July, and the sky was blue with green trees.

The new issue of Vogue had been released. Qingyue's charm and Shi qingan's sunshine had won the hearts of the fans at the pre-sales!

The new July issue was cut off almost instantly.

In the Bo financial magnate's office building, the employees were either beaming with joy or wailing as they talked about this matter during their lunch break ...

"Charming Queen vs cute little puppy, it's so easy! I've been digging through doujinshi for candy recently, and I feel a little intoxicated."

"I'm going to cry if I don't get the magazine. I'm going to cry now!"

"I got it! Vogue was cut off in seconds. Luckily, I have the hand speed of a single man for 25 years!"

when can I get to eat real candy? I really want to see the little puppy cry under the fairy ...

Just as the employees were in a heated discussion.

Bo Zhicheng suddenly walked into the tea room. The black suit wrapped around the man's long body, and his body inadvertently exuded a little chill as he casually glanced sideways.

"Bo ... Master Bo." The chatting staff instantly fell silent.

Although the pantry was a resting place and it was lunch break, the staff was still a little scared when they saw master Bo.

Bo Li Cheng's expression was cold as he replied in a low voice, "yes.

He had been sitting in the office for too long and wanted to come to the pantry to do some exercise. He took a cup of coffee and was about to leave when he suddenly noticed an employee's mobile phone screen.

It was the cover picture of Vogue's new issue in July.

Bo Li Cheng had no interest in celebrities, but when he saw the woman on the cover, his eyes subconsciously stopped for a moment.

The woman was wearing an exquisite mask, revealing a pair of beautiful eyes, red lips, and a charming figure. She was surrounded by a noble and sharp aura ...

Even though he didn't show his face, he still gave off a familiar feeling.

He squinted his long and narrow eyes. who is this? "

"Ah?" The staff was stunned for a moment. She followed the man's gaze and looked over, then realized what he was asking. Oh, this ... It's the heavenly Queen of the music industry, qingyue."

"Qingyue?" Bo Li Cheng's eyes darkened.

She had never heard of this name before, but there were countless details about this woman that overlapped with her, especially the frown and smile when her red lips curled up. They were exactly the same.

The staff could sense that the man was particularly concerned about this. She asked cautiously, " master Bo, do you like qingyue too?"

Bo Yicheng's fingers gently caressed the coffee cup, and he glanced at the screen out of the corner of his eye. not interested.

He spat out a few words with an expressionless face and then left the tea room with his long legs ...

"N-no way?" Employee a looked at his back in disbelief. did master Bo just ask about my goddess?"

"I've never seen master Bo be interested in any woman."

bossy presidents always say that they are not interested, but their bodies are very honest. When master Bo returns to the office later, he might tell Special Assistant Wen ...

Employee B cleared his throat, put on a cold face, and imitated, "I want all the information on this woman within three minutes.

The tea room burst into laughter, and the atmosphere was joyous.

After Bo Yucheng returned to the president's office, his dark eyes deepened. The meaning behind it was unclear, and no one could figure out what he was thinking at the moment.

...

"Knock-knock-knock ..." Until someone knocked on the door.

The light in Bo Li Cheng's eyes dimmed slightly as he replied in a deep voice, " enter.

Wen mo pushed open the office door and entered. He was still expressionless. master Bo.

He directly handed over a secret letter in a folder.

Bo Yucheng nonchalantly closed his eyes. He took the folder and opened it. He lowered his eyes to glance at the information on it, and his originally calm eyes suddenly froze.

Wen mo pursed his lips. master Bo, the wholesale goods you wanted to ship to continent S were intercepted by the pure world Pavilion in country A when they were being transported across countries.

Bo Yicheng's slightly deep voice was somewhat oppressive. reason? "

heavy weapons and medical equipment are prohibited from being transported across countries without a red-headed document. Wen mo replied honestly.

Upon hearing this, Bo Qingcheng's Black pupils turned a little colder. He casually threw the folder on the office desk, then leaned back against the back of the leather chair.

He scoffed coldly. the work of the heir of the pure world Pavilion who has never shown his face? "

I don't think so. I heard that the heir has disappeared without a trace recently. Even the people of the pure world Pavilion have difficulty contacting him. There must be someone else involved in this matter. Wen mo said.

...

Bo Li Cheng said coldly, " disappeared without a trace? Then find him for me. "
