

Heart Stealer Young Master Bo #Chapter 271 - Read Heart Stealer Young Master Bo Chapter 271

271 Xiao LAN 'er, look at the sister-in-law I've found you!

"You mean ..."

issue a white list reward order to the pure world Pavilion. Specifically, they want their heir to take the order. Five hundred million. I want him to personally escort the goods to continent S. Bo Li Cheng's voice was cold and decisive.

He narrowed his eyes slightly and his gaze swept across the document. if he doesn't accept the order, add another 500 million.

He didn't believe that one billion Yuan wasn't enough to blow him up.

"Go and do it." Bo Yicheng said coldly.

Wen mo nodded and was about to turn to leave when the man suddenly remembered something. wait.

"Master Bo, do you have any other instructions?" Wen mo said.

Bo Yucheng's dark eyes gradually turned a little deep. He thought of the photo he had accidentally seen in the pantry just now, his well-defined fingers lightly tapping on the table.

get me qingyue's information, " he ordered in a deep voice.

"Qingyue?" Wen Mo's eyes narrowed.

He was completely unfamiliar with the entertainment industry, so he naturally didn't know who Bo Li Cheng was talking about, nor did he know which two words he was referring to.

Bo Yicheng stood up. the heavenly Queen of the music industry, qingyue.

As soon as he finished speaking, he picked up his briefcase and left the office, leaving Wen mo alone in a daze.

"A woman?" He frowned slightly and his eyes darkened. isn't master Bo already dating miss Shi? "

But in the end, he did not say anything and did as he was told.

..

At the villa of the Shi financial magnate.

Shi Qing 'an was lazily lying on the sofa, his long legs crossed on the coffee table. The collar of his white shirt was slightly open, and he was holding the Vogue sample in his arms.

“Ah, my first love ...” He smiled like a fool.

When Shi qingqiao came back from the company and saw the state of er's younger brother, who had no work to do, her clear eyes seemed to have lost their soul. It was as if she had lost her soul in the heat of the moment.

He walked up to him with steady steps and bent down to snatch the magazine from his hands. Shi qingan immediately jumped up from the sofa in anger. brother, brother, give me back the magazine!

Shi qingxuan lowered his eyes and glanced at the person on the cover.

Shi qingan immediately snatched the magazine back. He held it in his arms like it was a treasure and even touched the cover a few times.

Shi qingxuan scoffed coldly, “ didn't you say that she's not that shallow and that she wouldn't fall for her like the other male celebrities? ”

Hearing this, Shi qingan's expression changed slightly.

He obviously remembered the oath he had made, and his expression was a little unnatural. I ... I'm different from the other male celebrities.”

“What's different?” Shi qingyao gave him a sidelong glance.

Shi qingan raised her chin slightly and said, “ I'm not just a fan of qingyue. I found the feeling of my first love in her and I want to woo her and marry her!

“Crack-”

At this moment, the door of the villa was suddenly pushed open.

Shi qinglan had just returned home when she heard Shi qingan's words, and the light in her beautiful eyes froze for a moment.

“Xiao LAN 'er, you're back!” Shi qingan's eyes lit up.

He strode over to Shi qinglan, but the girl's eyes were filled with vigilance and she took a step back.

Shi qinglan was a little confused. He ruffled his unkempt hair and asked, " why do you look like you don't care about me? "

"There's no such thing." Shi qinglan's Red lips curled up, and she squeezed out a standard yet insincere smile.

However, Shi qinglan did not notice that it was a fake smile.

He excitedly took out the magazine in his arms. you're back just in time. Come and see the sister-in-law I found for you!

Upon hearing this, Shi qinglan's eyes twitched.

She pursed her red lips. Then, Shi qinglan pointed at the cover of the magazine and introduced, " this is the heavenly Queen of the music industry, qingyue. She has over a billion fans around the world. Don't you think she's a perfect match for your brother? "

Shi qinglan was speechless.

She fell into a short silence. After thinking for a moment, she opened her mouth and wanted to explain to him, " second brother, actually I ...

"I knew you would think that your sister-in-law is very pretty!" Shi qinglan suddenly interrupted Shi qinglan.

She was just as cowardly as when she couldn't recognize her sister and kept interrupting her explanation ...

Shi qinglan looked at him as if he was an idiot. She patted his shoulder twice with a meaningful look in her eyes. Then, she walked around him and went straight upstairs to her room.

"What does Xiao LAN 'er mean?" Shi qinglan scratched his head.

He looked at the girl's back with some doubt. He felt that there was a deep meaning in her eyes, but he couldn't interpret it.

Thus, he turned to look at Shi Qingyun.

Shi qingxiao also looked at him with a deep gaze. He patted his shoulder and went back to his room.

Shi qinglan was confused. did I slip away again? "

After returning to her bedroom, Shi qinglan turned on her laptop and her Jade-like slender fingers typed quickly on the keyboard. She opened the pure world Pavilion platform and Nan xiyue's face appeared on the screen.

"What happened?" Her red lips parted slightly.

Nan zhiyue's Red lips curved up slightly, and she smiled flirtatiously. the boss of continent s is investigating you.

Shi qinglan's beautiful eyes flickered, and she smiled.

...

She leaned back casually, a hint of arrogance in her eyes. there are many people on earth who want to investigate me. Tell me, what is it that made me the target this time? "

Speaking of which, she was a little curious about the boss of continent s.

Nan xiyue's lips curved. it's nothing serious. He transported a batch of goods to continent S but was intercepted by the pure world Pavilion.

Shi qinglan had not paid any attention to the pure world Pavilion for some time.

She raised her hand and touched her earlobe, her expression relaxed. when did the people of the pure world Pavilion become so nosy? "

the batch of goods he was transporting was a large number of heavy weapons and medical equipment. Nan xiyue's tone was somewhat profound. how could the pure world Pavilion not stop this kind of trash? "

Hearing this, Shi qinglan's eyebrows raised slightly.

The pure world Pavilion was involved in both the black and white world, but they had never committed murder or arson. If they encountered an international dispute or an arms deal, they would probably interfere in order to maintain peace.

This kind of goods ... It wasn't strange to be intercepted.

Nan zhiyue raised her peach blossom eyes slightly. the boss of continent S is not a small person. He offered 500 million Yuan and specifically asked you to personally escort this batch of goods from country A to continent S.

"Which me?" Shi qinglan asked subconsciously.

...

She had a higher status in the jingshi Pavilion, so she would use different identities to take orders according to the needs of the person who placed the order.

Nan zhiyue smiled. he's quite arrogant. He named the successor of the pure world Pavilion.

Most of the members knew about Shi qinglan's other identities in the pure world Pavilion, but her identity as the successor was a little special. In order to protect her, old Pavilion master Xiao had not spread the news.

In the eyes of outsiders, the successor of the pure world Pavilion was still very mysterious ...

"Then reject it." Shi qinglan's Red lips gave a slight smile, and there was frivolity and fearlessness in her smile.

Although she was quite interested in the boss of continent S and wanted to have a fight with him if she had the chance, she would not take such an order.

272 Boye city, I can't live under the same sky as the heir of jingshi Pavilion

Nan zhiyue rejected the order casually.

She casually asked, " the Royal auction in country A is coming to the capital soon. What identity do you plan to attend? "

Shi qinglan lowered her eyes and seemed to be in deep thought. She suppressed the brilliance in her eyes. After a while, she slowly raised her charming eyes, and a smile gradually appeared in her eyes.

Her red lips smiled. say, if a female celebrity likes a necklace and spends a lot of money on it, it shouldn't be too strange, right? "

The corners of Nan zhiyue's eyes twitched, but she didn't comment.

However, she really could not think of a more suitable identity. After all, Shi qinglan was being watched in all fields, and people who wanted to kill her, kidnap her, and ask her for help were all over the world.

Especially her several identities in the pure world Pavilion ...

If she were to expose it so easily, she was afraid that she would be hunted down by all the forces around the world, which would not do Shi qinglan any good. Only the identity of qingyue was relatively safe.

"Aren't you going to consider getting master Sheng to buy the necklace for you?"

Nan zhiyue winked. or your man? the boss behind the kun Palace entertainment club must have a few hundred million, right? ”

Hearing this, Shi qinglan’s lips curled up slightly.

Her eyes drooped slightly, and her tone was nonchalant and a little arrogant. it’s not like I don’t have money. Besides, I lost that necklace, so I want to buy it back myself.

This was also the reason why she could not use her identity as Shi qinglan to attend the Royal auction in A land.

“Alright,” he said. Nan zhiyue pursed her red lips. I’ve already transferred the rest of the payment to your account. If you still need money, I’ll help you get other jobs.

The appearance fee that Vogue offered to qingyue was high, but it was not as high as 100 million Yuan. It would not be easy for them to earn enough money to buy the necklace.

Shi qinglan smiled. no need, I’m just taking a random order.

“Alright,” he said. Nan xiyue didn’t ask any more questions and turned off the video.

After ending the call, Shi qinglan leaned back lazily and used the pure world Pavilion system to scan the bill.

As the pure world Pavilion covered many important fields and had countless top bosses, customers who needed to place their orders would come here. They could either specify who they wanted or find someone to take the order from. The members of the pure world Pavilion could also take the order voluntarily ...

Just as Shi qinglan was going through the orders, a piece of news suddenly attracted her attention-the White list bounty, in urgent need of a large number of heavy weapons and medical equipment, an order from the royal family of F country.

“The royal family of F country?” The girl’s eyes flickered.

She suddenly remembered that she had an aunt who was married to the royal family of country F. It was so pitiful to be so far away from home. She was in urgent need of heavy weapons and medical equipment, and she did not know what had happened ...

Just as Shi qinglan was about to accept the order from country F, a new order message popped up on the screen. It was still the reward from the boss of continent S, but the content was the same, but the price had been increased to one billion.

“One billion ...” The girl smiled.

However, she still rejected him mercilessly and accepted the 300 million bounty from country F. She also directly transferred the batch of goods that continent S's Big Boss had been detained at the Jingshi Pavilion to country F.

After Bo Li Cheng learned of this matter, his eyes turned cold.

His long and narrow eyes narrowed. "You're saying that not only did he reject my one-billion bounty, but he also robbed me of my goods for a small one worth three hundred million?"

"Yes." Wen Mo braced himself and replied, "but he paid for the goods, so it's not considered a robbery. He paid 50 million."

Upon hearing this, Bo Yucheng's thin lips pursed into a line.

The aura around him became colder and colder, and his quiet eyes were somewhat dangerous. "Continue to investigate. I don't believe that I can't find out who the successor of the Pure World Pavilion is."

The value of this batch was more than 500 million Yuan.

That person actually dared to directly give him 50 million to intercept the goods. It was considered a robbery, but there were no steps missing in the transaction. This kind of action was really cowardly and crazy. People without some ability would definitely not dare to touch it.

He, Bo Chucheng, was absolutely irreconcilable with the successor of the Pure World Pavilion!

"Yes." Wen Mo nodded slightly and handed him another folder. "Master Bo, these are the information on Qingyue."

Bo Yicheng lifted his chin slightly, put it down.

Wen Mo left the documents on the desk and turned to leave.

Bo Yicheng lowered his eyes to scan the information. Qingyue's information had obviously been hidden. There was only the most basic information about her as a celebrity, and even her age had not been announced to the public ...

However, he did notice a few things. Her height, weight, waist, and chest were all perfectly aligned with the girl!

A faint light flashed in Bo Zhicheng's dark eyes. He closed the documents and locked them in the drawer. Then, he got up and left the Bo financial magnate's office building, driving towards the Qinglan waterside Pavilion ...

The quiet night was accompanied by the occasional chirping of cicadas.

Shi qinglan wrapped herself in the blanket and was about to go to bed when she suddenly heard a clear sound by the bed. She immediately opened her eyes alertly and saw a man in black entering through the window.

She retracted her vigilant gaze and turned over, supporting her head with her Lotus-like arm. you came later than before today.

She almost thought that he wouldn't be coming tonight and was preparing to sleep.

"I have something to do." Bo Li Cheng's voice was deep and clear. After he went to take a shower, he burrowed into the blanket and held the girl with his long arms.

He lowered his head and gently pecked her between her eyebrows. sorry.

"It doesn't matter." Shi qinglan chuckled helplessly.

She looked down at the man under the blanket and noticed that he was a little tired between his slightly furrowed brows. There was probably something that really made him upset today.

"What's troubling you?" Shi qinglan said softly.

Her slightly cold fingers gently caressed the man's furrowed eyebrows, trying to smooth them out. is it about the company? "

"No." Bo Yucheng's arm around the girl tightened.

He buried his head in the girl's chest and rubbed his head against it coquettishly. it's okay, I can handle it.

He couldn't ask her for help in finding the successor of the jingshi Pavilion.

"I believe you." Shi qinglan's Red lips curved into a smile. She raised her hand and ruffled the man's hair. it's late. Go to sleep.

...

Bo Yucheng responded softly. He closed his eyes and was about to sleep, but when he touched the girl's softness, he suddenly remembered the personal information of the heavenly Queen of the music industry, qingyue, that he had seen ...

"Lan Lan," The man's voice was deep and clear.

“What?” Shi qinglan’s tone was light, and he opened his eyes, his gaze deep and profound.

Bo Yucheng looked at her, his slow tone unreadable. do you know the heavenly Queen of the music industry, qingyue? ”

Shi qinglan’s heart skipped a beat when she heard that.

Her eyes flickered slightly, wondering if Bo Li Cheng had sensed something, but she did not know how he had found out.

But when she thought about the photos of her and Shi qingan ...

Even if they were siblings, she still felt a little guilty.

Shi qinglan pursed her red lips and suddenly had an idea. She looked up at him with her eyes wide open. Bo Yucheng, you actually dare to pay attention to other women? ”

273 The betrothal gift from Boye city

Bo Li Cheng did not expect the girl to counter-attack him.

His heart suddenly sank, and his arms around the girl’s waist could not help but tighten, ” Lan Lan, I didn’t, I ...

The corners of Shi qinglan’s eyes lifted slightly, as if she was waiting for the man to explain, but Bo Yucheng suddenly stopped.

He pursed his thin lips and lowered his head to touch the girl’s forehead. He coaxed her in a hoarse voice, ” you know that I only have you in my heart.

The man’s voice was deep and hoarse. Although he sounded a little tired, he still maintained a great deal of patience in front of the girl.

Shi qinglan’s Red lips curved into a smile. alright, I know.

She leaned in and pecked the man’s lips lightly as a form of comfort, but she did not expect Bo Yucheng to raise his hand and hold the back of her head, directly overbearing and willfully deepening the kiss ...

In a villa in a country.

Qi yexuan was dressed in a dark wine-red suit, the neckline of which was wantonly open, revealing a large area of snow-white skin. One could vaguely see the sexy lines that sank down, and his entire person was flirtatious but full of danger.

“Ha ...” The man suddenly opened his red lips.

A low and hoarse chuckle slowly rolled out of his throat. His voice was extremely sexy and magnetic, but there was no joy in it.

Qi yexi picked up the photo frame on the desk and gently rubbed the photo with his fingers. The girl's hair was tied up in a ponytail, pure and tender. There was less charm in her eyes and more innocence and naivety.

It was Shi qinglan's 15-year-old appearance.

He slowly curled his pink lips and his eyes lingered on the photo, but they were empty and emotionless. He looked at her as if she was an ordinary object. it's July.

In July, at the auction in A land, they should be meeting each other.

The smile at the corner of Qi yexuan's lips grew darker, revealing a trace of unpredictable danger. Cheng Ying.

“Young master.” The Cheng Ying sword immediately appeared in front of him.

The man slowly lifted his lips and said, “necklace.

Cheng Ying sword immediately handed the pink tafey stone necklace to him. young master, I have already installed a pinhole camera and a location detector on the necklace. I guarantee that it will be hidden and not be discovered.

“Won't be discovered?” Qi yexuan profoundly mulled over these words and suddenly chuckled.

The smile at the corner of his lips gradually spread to his entire face, revealing a bit of strangeness. but she ... Might not be so ...

The Cheng Ying sword pursed its lips. young master, you have been in seclusion for two years. Shi qinglan is no longer your match. You don't have to be too wary of her.

Upon hearing this, Qi yexi just laughed. His laughter gradually echoed in the entire villa, quiet and empty, accompanied by some echoes.

He returned the necklace to the Cheng Ying sword. hand it over to the Royal auction house in A land. I should finally go to the capital to see her.

..

The July auction held by the royal family of A land arrived as scheduled.

The luxurious auction hall was not only a combination of the magnificence of Western castles, but also decorated with ancient Chinese patterns. The hall was covered with dark red carpets.

To participate in the auction, one needed to show an official invitation. The Royal auction house also divided different areas for the bidders according to their status. The highest level was the private room on the second floor. The bidder could choose to close the curtain to hide their identity and participate in the auction. The curtain would only allow the people inside to see the outside.

did you get the top-level access card? ”

In a hidden private room, Shi Qinglan, who was wearing an exquisite Qingyue mask, turned slightly to look at the woman beside her.

Nan Zhiyue's red lips curled up slightly. She took out an invitation card printed in black and gold from her handbag. of course.

There was nothing in this world that the Pure World Pavilion could not get their hands on.

The so-called top-notch access card was a unique feature of Country A's Royal auction house. There was only one card slot for each auction, and the card holder could become a bidder of a certain item unconditionally.

“Yes.” Shi Qinglan pursed her red lips. let's observe the situation first.

At the same time, Bo Yucheng and Shi Qingxun were also preparing to enter their respective private rooms, but they met in the corridor on the second floor. Neither of them was surprised by the other's arrival.

“Young master Shi.” Bo Li Cheng's scarlet lips curled up slightly.

Shi Qingqiao's eyes were deep and indifferent. She glanced at him coldly and said, “ young master Bo, why don't you keep your money? if you can't afford the betrothal gifts in the future, the Shi financial magnate won't even let you be a live-in son-in-law.

Bo Yicheng's lips curled into a light smile. young master Shi, you're overthinking it. I have enough money to buy the entire Shi financial magnate. If you dare to accept it, I can give the Bo financial magnate as a betrothal gift to the Shi family. It's just that I'm afraid you don't have the appetite to swallow it.

Upon hearing this, Shi Qing's pitch-black eyes turned even colder.

He glanced indifferently at Bo Li Cheng and did not reply, then strode straight into the private room.

The two men returned to their respective private rooms and sat down. They chose to pull the curtains to hide their identities, waiting for the auction to begin at any time.

This necklace was Shi qinglan's first birthday present ...

The most important thing was that her name and birthday were engraved on it. The two jealous men would never allow such a personal item related to her to fall into the hands of others.

the July auction of country A's Royal auction house officially begins!

The auctioneer presided over the normal auction. The first few auction items were taken away by other bidders one after another, and it did not cause any ripples in the hearts of several people, until the finale item appeared ...

Shi Qing's cold eyes suddenly narrowed.

Then, the auctioneer said, " this auction item is a donation from a mysterious person in country A. It's a rare pink tafey stone. The starting price is 100 million!

Shi qinglan's beautiful eyes were slightly stirred.

She and Nan zhiyue both caught the key words and couldn't help but look at each other. a mysterious person from A country? "

The headquarters of the pure world Pavilion was located in country A.

Although most of Shi qinglan's forces seemed to be in the capital, they were actually backed by the pure world Pavilion of country A. The underground organizations that coveted her also originated from country A, so she was very sensitive to this.

In addition, he was almost assassinated on the day of the college entrance examination.

The leader of the Kamikaze Warriors had used this tafey stone necklace to distract her and cause her to be injured accidentally ...

...

These coincidences had long made her vigilant.

"Let's bide our time and not move." The corners of Nan zhiyue's eyes rose slightly.

They had a feeling that this matter was not as simple as it seemed, and they had even begun to think about who it could be ...

Without a doubt, that person was after Shi qinglan!

One after another, people began to bid for the tafey stone, and the starting price rose from 100 million to nearly 200 million. Bo Zhicheng and Shi Qingyun were not in a hurry to bid either, until someone shouted, " 230 million!

The auction house was filled with sighs.

Everyone's limit was basically 200 million. Even if tafey stones were rare in the world, it was not worth spending so much money.

"230 million going once!"

"230 million twice!"

230000,300 ... The auctioneer was about to knock the gavel.

Two deep male voices suddenly rang out from the second floor, almost in unison. 300 million!

...

274 If master Bo wants it, beg me?

The auction hall suddenly fell into silence.

Everyone looked up at the second floor at the same time. The curtain made of special materials was half-covered, so they could only vaguely see the silhouettes of two men, but they could not tell who they were.

Hearing the other party also call out a bid of 300 million ...

Shi qingxuan's eyes suddenly turned cold, and a faint chill appeared in his black eyes. He opened his mouth and said coldly, " 320 million.

Hearing this, Bo Li Cheng laughed lazily.

He leaned back lazily in his seat, his long legs casually crossed, and said slowly, " 400 million.

The auction hall was in an uproar again.

He had thought that 300 million was already a high price, but he didn't expect it to increase by another 100 million. The gap in the bidding amount was so large that it made people sigh.

"450 million." Shi Qingyun gritted his teeth.

“500 million.” Bo Li Cheng continued to call out his price indifferently.

His eyes were slightly lowered as he played with the invitation in his hand in boredom. There was no change in his eyes when he shouted 500 million, as if he was shouting five Yuan.

Shi Qingqi was speechless. His forehead twitched violently.

Bo Zhicheng’s eyelids lifted slightly, his Scarlet lips curving into a slight smile. young master Shi, do you want to continue raising the price? ”

Shi qinglan rubbed her forehead, feeling a slight headache.

She didn’t expect these two men to compete in the matter of spending money and madly bid up the price. If she had known earlier, she would have used the top access card directly ...

“Should I shout?” Nan zhiyue turned to look at the girl beside her.

They didn’t bid immediately because they wanted to see if the mysterious donor would appear. However, if the two of them continued to bid, she would soon be unable to afford it!

“Is there anyone who wishes to continue bidding?” The auctioneer noticed the silence and asked.

Shi qinglan’s Red lips parted slightly. help me bid 5000001 points.

Nan zhiyue was speechless. Could he be even more stingy?

At this moment, in the private room next door, Shi qingxiao’s thin lips were pursed into a thin line. Even if the price was raised by Bo Zicheng, he could not embarrass his brother-in-law and decided to continue bidding.

However, just as the two of them were about to raise their boards ...

A devilish and arrogant voice suddenly sounded, and the tone was deliberately dragged out. 600 million!

This voice was like a bomb that set off a storm in the auction hall, and everyone looked in the direction of the sound.

They saw Qi yexuan lazily and wildly walk into the auction stage.

The man was dressed in a black shirt with the top two buttons unbuttoned, revealing his sexy collarbones and cold white neck. The silver Cross necklace hanging on his neck added a bit of evilness to him.

“I’ll pay ... Six hundred million.” Qi yexuan’s Red lips curled up slightly.

He casually slipped his hands into his pockets and stood in an extremely lazy and arrogant manner. However, his every movement still appeared noble and his entire body still exuded an aura that was difficult to provoke.

“It’s him?” Nan xiyue couldn’t help but frown.

Shi qinglan also got up slowly, her clear eyes rippling slightly. When she looked at the man, she could not help but feel a chill in her eyes. Her red lips opened slightly and she muttered his name, “Qi yexi ...

He was the young master of country A’s Red night Alliance. Two years ago, he almost took her life. However, she had managed to poison him and capture him. It was a pity that he had escaped in the end and had disappeared without a trace for the past two years.

“Xiao Lanlan ...” Nan zhiyue was a little shocked.

She grabbed Shi qinglan’s wrist and said, “let’s stop bidding. There’s an 80% chance that he donated this necklace. He’s trying to use it to lure you out.

Shi qinglan had already guessed this.

She pursed her red lips and recalled the methods this man had used to torture her. Her fingertips could not help but feel a little cold.

“Even if I don’t bid, he would know I’m here.” Shi qinglan’s voice was slightly cold. “since he found it in the end, why don’t I get my necklace back?”

As she spoke, she took out the top access card and pinched it with her Jade-like fingers. Her fair wrist stretched out of the curtain and her clear voice resounded in the auction hall. 600001 Yuan.

When the people in the auction house heard the increment of 01 point, they couldn’t help but show some disdain and contempt in their eyes.

However, when he looked in the direction of the voice, he did not expect to see a top-tier access card. He could not help but widen his eyes in shock!

“Six ... 600 million and 1 points, deal.”

The auctioneer was also stunned. He did not expect that the top-level access card, which had never appeared in the entire auction, would still appear at the last moment.

The pink tafey stone necklace was placed back into an exquisite box, and the auctioneer personally delivered it to the second floor for the bidder.

Shi qingxiao frowned. damn it ...

He did not expect his sister's necklace to be stolen so suddenly. Shi qinglan had deliberately disguised her voice, so he did not recognize her.

Bo Yucheng also suddenly stood up. Just as he was about to go and see who was snatching the necklace from him, he was stopped by the auction house's administrator according to the rules. master Bo, I'm sorry for offending you.

The man lowered his eyes and coldly glanced at the hand that was blocking him. His eyes suddenly turned cold, and he snorted coldly. He directly grabbed the administrator's arm and shook it off. Then, he strode to the next room.

..

Shi qinglan had already paid for the necklace.

She clutched the small box in her hand and lowered her eyes, thinking about how to deal with it. After all, she had obtained it as qingyue. If the necklace were to appear on Shi qinglan's neck, she would need a good reason ...

"Bang!"

At this moment, the door to her room was suddenly kicked open.

Bo Li Cheng barged in like a shooting star. The man's brows were as cold as ice, and his ashen face was engulfed in monstrous anger. However, when he saw the people in the private room, his eyes suddenly froze.

Shi qinglan was shocked by the sound of the door being kicked open.

...

She turned around vigilantly and took a step back with her right foot in a standard defensive posture. She was ready to make a move at any time, but when she saw the person who came, the corner of her eye twitched slightly without a trace.

"Qingyue?" Bo Li's long and narrow eyes narrowed slightly.

His eyes were deep as he sized up the woman in front of him who was wearing an exquisite mask. There was a sense of scrutiny in his eyes.

After all, he had previously suspected qingyue's identity ...

However, Shi qinglan's reaction that night did not seem to be guilty, so he did not think too much about it. what do you want this necklace for? ”

Nan zhiyue didn't expect him to be the one to break in.

She immediately turned her face away without a trace, afraid that Bo Li Cheng would recognize her. After all, the two of them had been together on the night Shi qinglan had gotten drunk in seal Palace.

But Nan jiyue was obviously thinking too much.

That day, the man's eyes and heart were filled with his drunk wife, and he didn't even notice what the people around her looked like.

“A necklace.” Shi qinglan's Red lips curled up slightly.

She calmed her emotions in the bottom of her heart, and her smile didn't reveal any flaws. can't I buy it if I want to? ”

...

The aura around Bo Li Cheng became even colder.

Thinking back to how the man had asked her about qingyue that night, Shi qinglan guessed that he might have noticed something and a sly look flashed across her eyes.

She casually walked in front of the man, and when she looked up, she smiled charmingly and winked at him.

“Master Bo, if you want it, please beg me?”

—

I'll emphasize it again, each chapter is 2000 words, and 10000 chapters is five chapters. Today, 10000 chapters are over. See you at midnight ~

275 Master Bo called out in qingyue's ear,Lan Lan

Shi qinglan looked up at the man.

Her eyes were clear and charming, and her eyeliner was slightly raised along the corners of her eyes. That pair of beautiful eyes looked even more exquisite and attractive with light makeup on, and they were as bright as stars.

Especially when her beautiful eyes were winking at him ...

The soul-stirring state between his sinister smiles was somewhat familiar.

“Beg you?” Bo Yicheng’s crimson lips parted slightly.

He looked at qingyue with a deep gaze. That alluring look from earlier crashed into his heart and almost overlapped with Shi qinglan’s in an instant.

A mask could cover her face, and makeup could disguise her appearance, but the girl’s smile couldn’t lie.

Bo Yucheng slowly approached Shi qinglan. How do I ask? ”

The man’s eyes were scrutinizing her, and his deep eyes were like whirlpools, making the girl feel a little guilty for some reason.

Seeing that he was getting closer to her, Shi qinglan took a few steps back. Every time the man took a step forward, she would take two steps back. Suddenly, she felt a strong sense of emptiness behind her.

Shi qinglan almost missed her step. The curtain behind her swayed a little, and her heart was suddenly suspended in the air.

However, a force suddenly held her waist.

“Be careful,” he warned. Bo Yicheng’s deep voice rang out.

His long arms pulled the girl back, his hot and hard chest pressed against her delicate body, and the big palm that was clasped around the girl’s waist was so hot that it was burning.

The man was still looking at her with a deep gaze ...

Shi qinglan felt a little uncomfortable being stared at. She tilted her head slightly to avoid his gaze. does master Bo treat every woman like this? ”

There was a hint of jealousy in her soft voice.

This adulterous man was actually so intimate with qingyue. He was even holding her waist with his paws, touching her, looking at her, and fondling her. He should break her legs!

However, what Shi qinglan did not know was ...

It was the jealousy in his tone that made Bo Li Cheng even more certain that this was the little Vixen he had been raising.

“I’ve never had any other woman by my side.”

Bo Zhicheng lowered his gaze to look at the girl, his deep eyes filled with a little emotion. I only fell in love with you at first sight.

The man’s Red lips moved and his voice was low and hoarse. He used the sexiest voice to say the most touching words of love, tugging at the girl’s heartstrings.

However, Shi qinglan felt sour when she heard these words.

Her heart was suddenly stabbed fiercely, and the sour feeling spread from the bottom of her heart to her fingertips. The heartache of being doused with cold water made her suffocate.

Bo Li Cheng had shifted his love ...

He had cheated on her so quickly.

Just as Shi qinglan’s thoughts were running wild, she suddenly felt a dark shadow pressing down on her. Lan Lan.

Bo Li Cheng leaned closer to the girl and gently touched her smooth forehead.

The man’s Red lips curled up slightly, and his deep laughter was filled with a hint of teasing and joy. are you jealous of yourself? ”

Shi qinglan’s heart skipped a beat when she heard that.

Even Nan jiyue’s eyes widened and she looked at Bo Zhicheng in shock-how did he recognize Xiao LAN?

Shi qinglan’s eyes flickered slightly. master Bo, you’ve got the wrong person.

“Admit my mistake?” Bo Zhicheng’s lips curled up. He raised his hand, wanting to take off her mask, but the girl subconsciously turned her head.

The man’s big palm stopped in mid-air, but he did not take off his mask by force. He chuckled softly and hoarsely. why don’t you want me to know? ”

Shi qinglan pursed her red lips and fell into silence.

Her fingertips gently pinched the corner of her clothes. The feeling of having her vest removed on the spot by a man made her feel guilty.

use qingyue's identity to shoot a magazine with Shi qingan.

the charming and sexy Queen and the warm and sunny little puppy? ”

I heard that there are fans who want to see you press him down and make him cry and beg for mercy ...

Bo Yucheng counted Shi qinglan's 'crimes' in detail. His voice was slightly low, revealing a hint of jealousy and displeasure, which made the girl even more guilty and cold sweat oozed out of her palms.

It was precisely because she had been stirred up in the entertainment industry that she did not dare to reveal her identity in front of men ...

Shi qinglan bit her red lips and did not know how to refute him. However, the man tilted his head slightly and pressed his face against hers.

His thin lips pressed against her ear. this time, I came to ask you for the necklace. How am I supposed to beg you? ” Do you want me to be pressed down by you and watch me cry and beg for mercy, hmm?”

Upon hearing this, Shi qinglan was so vexed that she wanted to dig a hole in the ground.

She bit her lower lip hatefully and pushed the man away. master Bo, you're wrong. I'm not Lan Lan.

He would never admit it, even if he was beaten to death.

This was simply the scene of an accident where one's cover was exposed, and it was also a crime related to the scandal.

“Ha ...” Bo Zhicheng chuckled softly.

There was a teasing smile in his eyes, and he suddenly felt that it was very interesting to tease the girl like this. you don't dare to let me remove your vest. Are you afraid that I will settle scores with you, Lan Lan? ”

Shi qinglan bit her lower lip lightly.

She was indeed afraid that Bo Xincheng would settle the score with her for the scandal caused by her and Shi qingan's cover shoot ...

“Still not willing to admit it?” Bo chicheng’s Red lips curved up slightly.

...

Shi qinglan insisted, “master Bo, you must have gotten the wrong person. This is the first time we’ve met.

Seeing that the girl still denied it, Bo Yucheng raised his eyebrows slightly.

He raised his hand again. Shi qinglan thought that he was trying to take off his mask again, so she leaned back. However, the man reached out again and pulled her back with all his might.

And that big palm that was lifted up only rubbed her head gently.

Bo Yicheng chuckled in a low and hoarse voice, his voice filled with adoration and helplessness. you don’t admit it? It seems that Lan Lan’s waist doesn’t hurt enough.”

Nan zhiyue was speechless.

She covered her ears and refused to be fed with dirty talk. Then, she quietly moved her hand to the side and left a gap ...

Shi qinglan’s eyes flickered a little more. Then, she heard the man warning her in her ear, ” I won’t force you if you don’t want to admit it, but I don’t know who’s going to be the one crying and begging who tonight.

“Hiss ...” Nan zhiyue sucked in a cold breath.

She instantly felt goosebumps all over her body. This adulterous couple had made her so jealous that her teeth were about to fall out. Shi qinglan opened her eyes and glared at her angrily, biting her lower lip in annoyance.

“Master Bo, didn’t you say all this because you wanted the necklace?”

...

Shi qinglan raised her head and looked like she was showing off, but she was actually terrified. She placed the exquisite box containing the necklace in the man’s hand and said, ” I’ll give it to you.

The man’s warm palm suddenly felt some weight.

It was a very light weight, but this weight had been searched for countless years.

He placed the exquisite sapphire blue velvet box in his palm. Inside was Shi Qinglan's pink tafey stone necklace with her name and birthday carved on it.

bang! the door was suddenly kicked open again.

Shi Qingxiao strode into the room steadily, and the half-open door that was already on the verge of collapse looked like it was about to fall apart.

276 Old master Bo is so handsome that I really want to flirt with him ~

Shi Qingyun's aura was cold.

His pitch-black eyes glowed coldly as his gaze was locked on Shi Qinglan and Bo Zicheng. When he saw the mask on the girl's face, his eyes froze.

Obviously, she didn't expect that she would be the one to snatch the necklace ...

His cold eyes swept across the room again, and he saw that the exquisite velvet box containing the necklace was already in Bo Zhicheng's hands.

did miss qingyue give him this necklace? " Shi Qingyun's voice was slightly cold, and his tone was a little demanding.

Shi Qinglan raised her eyebrows slightly ...

As her eyes flickered, she sized up the two men who had appeared in front of her one after another, and her red lips could not help but curl up slightly.

The girl smiled sweetly. that's right. Master Bo's face is the type that I love. He's willing to spend a lot of money on you, so I'm giving this necklace to master Bo as a token of love.

Hearing this, Shi Qingyun's long and narrow eyes narrowed.

He stared intently at Bo Zhicheng, his eyes looking like he was interrogating him. He seemed to be asking him what was going on between him and qingyue, as if he was looking at a scumbag ...

But Bo Li Cheng's expression was very calm.

He closed his eyes indifferently and looked at Shi Qinglan with a profound look in his eyes. if. use qingyue's identity to give. gift, then ... I'm afraid I don't dare to accept it. "

As he spoke, he threw the box to Shi Qingyun.

Bo Yucheng's Red lips curled up slightly. young master Shi, on the other hand, has been single for 28 years. Even if you accept a gift from another woman, no girlfriend would be jealous. Since that's the case, I'll give it to you.

The six hundred million worth of items were being tossed around in the hands of the three people.

Shi qingxuan suddenly raised his hand and caught the box. His large palm clenched tightly as his cold eyes moved between the two of them.

He pursed his thin lips and said. " since Ms. Qingyue doesn't really want this necklace, I'll order someone to wire the money to your account. As for this necklace ... I'm taking it. "

"There's no need for a transfer." Shi qinglan's Red lips curled up slightly.

Her smile was charming, and her eyes were charming and extraordinary. six hundred million is just a small amount. I'm not short of money, so I might as well do you two a favor.

Shi qingxun's dark eyes were filled with vigilance and suspicion.

Even if he was not short of money, no one would give him 600 million Yuan as a gift just because they met by chance. what's your purpose in snatching this necklace? "

"Handsome zou." Shi qinglan's Red lips curved slightly, and her charming eyes were full of smiles. She was really a little flirtatious.

Shi qingxuan's cold eyes glanced sideways at Bo Li Cheng. you're flirting with him? "

"Can't I?" The smile in Shi qinglan's eyes deepened, and one could see the slyness in her eyes if one looked closely.

Since Bo Li Cheng had almost taken out her avatar just now ...

He had to take revenge.

Shi qinglan smiled sweetly and walked slowly to Bo Xicheng. She placed her Lotus-like arms on his shoulders and leaned her soft body against him. master Bo is so handsome that I really want to flirt with you ~"

Shi Qing's eyes suddenly turned cold.

Although he was still brooding over the fact that this bastard had snatched his sister away and did not want his sister to get married too early, he could not allow this bastard to hook up with other women!

“Is that so?” Bo Li Cheng chuckled in a low and hoarse voice.

He turned his head slightly and glanced at the girl’s hand on his shoulder. He casually raised his hand, pinched her wrist with two fingers, and threw her hand off his shoulder.

The man’s Red lips curled up slightly. you can flirt with Lan Lan as you wish, but if it’s miss qingyue ... I’m not giving you support.”

Hearing this, Shi qinglan could not help but clench her teeth, but the corners of her lips still held a charming and brilliant smile, not revealing her hatred for him and the urge to beat him up.

She had wanted to trick Bo Yicheng and let Shi qingqiao misunderstand that he was hooking up with another woman. This way, he would be given a good beating by her brother and help her resolve The Grudge of her almost being exposed.

In the end, the man was so heartless ...

He, threw, her, hand, down!

The coldness in Shi qingxuan’s eyes receded a little. He glanced at Bo Zhicheng emotionlessly, then said to Shi qinglan, “I’m taking the necklace. It’s in your bank account.

“No need,” Shi qinglan’s Red lips parted.

She had wanted to buy the necklace herself, which was why she had used qingyue’s identity to attend the auction. However, she had not expected these two men to barge into the private room.

After all, the Royal auction in A land had a strict system. Logically, they should have been stopped ...

However, what Shi qinglan did not know was that they had indeed been stopped. After knocking down the manager, they had barged in to snatch the necklace back for their sister or woman.

Shi qingxuan was not someone who liked to be entangled with others. He said coldly, ” if miss qingyue insists on not giving me her bank account number, I’ll have no choice but to order someone to investigate.

The corners of Shi qinglan’s eyes twitched. master Sheng, feel free to do as you please.

If she could find out, she would lose. After all, the jingshi Pavilion had installed a security system for her, and she was afraid that only she could break it.

Shi qingxuan looked at Shi qinglan with a deep gaze, then turned around and left the room ...

Bo Zhicheng's eyes flickered. Seeing that his figure had already disappeared from his line of sight, his smile deepened. you want to slip away? ”

Shi qinglan was speechless.

Why did she always lose in front of this man?

Bo Zhicheng bent over slightly, his thin lips gently pressing against her ear. I'll flirt with you tonight with a different identity, and ... I'm a man of my word, and I'll make you cry and beg me. ”

Shi qinglan's Red lips curved slightly, revealing a standard official smile. I don't understand what you're saying, master Bo.

Bo Li Cheng nonchalantly nodded his head slightly and did not continue to expose the girl's action of covering her vest tightly. Even if it had long fallen all over the ground, it was impossible for her to take it off no matter what.

Did she think that he wouldn't settle the score with her if she didn't take off her avatar?

He was afraid that he had really bullied her too lightly recently. His waist was not sore enough, and his legs were not soft enough. That was why he did not remember.

...

miss qingyue doesn't need to understand. It's fine as long as Lanlan does. Bo Yucheng chuckled helplessly, then turned to leave.

Shi qinglan finally heaved a sigh of relief ...

She gently pursed her red lips, and the fake smile was also restrained by her. that bastard just had to strip me of my identity.

Wouldn't it be exciting to keep a little secret between each other?

Nan zhiyue hesitated, not knowing if she should say it. In fact, she felt that no matter how Shi qinglan denied it, she could not hide it anymore ...

“Let's go,” She reminded him, “if you take out the top-level access card, you'll be targeted by people with ill intentions. Moreover, Qi yexi is still here. I'm afraid he will ...

Shi qinglan's eyes turned cold when she heard this.

Her red lips parted slightly. you go first. I'll go to the washroom to remove my makeup before leaving. After removing my makeup, we can't let anyone find out that we're traveling together.

If she were to return home in this state, she would probably bump into Shi qingxiao, and it would be a huge scene of her fall.

277 Qi yexi, didn't you miss me when I was young?

Nan zhiyue frowned slightly.

There was a hint of worry in her peach blossom eyes. but ... What if Qi yexi causes you trouble after I leave?"

"Can you beat him?" Shi qinglan's Red lips curled up slightly.

"I ..." Nan zhiyue suddenly choked on her words.

Although her hacking skills were outstanding, her skills really didn't have much to do with her. At most, she could only beat up two little punks. Compared to Qi yehan, she could only be pressed to the ground and rubbed.

Shi qinglan chuckled and said, " so, you might as well leave this place first. If anything happens, I'll contact you immediately. It's better for you to find more help than to drag me down, right? "

But Nan zhiyue's furrowed brows were still furrowed ...

She pursed her red lips and thought of Qi yexi's almost perverted mentality and cruel methods, which made her feel a little apprehensive.

"You must be careful." Nan zhiyue instructed, " although Qi yexi has disappeared for the past two years, I always feel that he will be even more perverted. Don't try to be strong if you encounter any problems. You must contact me.

Shi qinglan's lips curved into a smile. I know.

She blinked her eyes gently, a confident light flowing in her beautiful eyes, which was a comfort to Nan jiyue.

"I'll be leaving then ..." Nan xiyue was reluctant to leave.

She had an ominous feeling that something bad was about to happen, but Shi qinglan's analysis was right. She would be of no help if she stayed.

Shi qinglan's Red lips smiled slightly and she waved her hand.

Nan zhiyue's eyes narrowed slightly, and she turned to leave the room. She then left the auction hall vigilantly ...

The people in the auction hall had almost been cleared out.

Shi qinglan locked the bathroom door from the inside and was prepared to leave through the window after removing her makeup and changing her clothes.

The girl raised her hand to take off the delicate mask, revealing a beautiful face with light makeup. She carefully removed the makeup with the prepared tools, wiped the water off her face, and was ready to leave ...

However, she suddenly heard the sound of the bathroom door unlocking.

"Crack-"

Shi qinglan's heart was suddenly alarmed. She immediately wanted to jump out of the window and leave, but she felt a cold and hard object against her back.

"Where do you want to go, little Shi 'er?"

Qi yexi's serene voice slowly rang out, his tone containing a hint of insolence and interrogation. or should I call you ... The heavenly Queen of the music industry, miss qingyue?"

Hearing this, Shi qinglan's heart sank a little.

However, what shocked her was not only the fact that her avatar had been removed, but also her back ... He was holding a gun.

Qi yexi held the black pistol, his finger gently placed on the trigger, and slowly increased the force against her back.

His red lips curled up slightly. if it wasn't for miss qingyue's top-notch access card, I wouldn't have known ... When I was young, I still had this identity that I didn't remove two years ago."

The man chuckled joyfully as he spoke.

That magnetic laughter was touching to hear, but it was mixed with a hint of strangeness and gloom from hell. It echoed in the bathroom, which was already easy to create echoes.

This man had always been a pervert and liked to reveal his identity ...

Three years ago, they had first met due to the opposing relationship between the pure world Pavilion and the Crimson night Alliance. After Qi yexi had discovered that Shi qinglan had countless other disguises, he had started to be keen on uncovering her disguises.

He had never been interested in Shi qinglan as a person. He was interested in anyone with a lot of fake identities.

The matter of revealing his identity seemed to be his perverted hobby.

Qi yexi, what exactly do you want? ”

Shi qinglan’s clear eyes were cold as she suppressed the light in her eyes. Feeling the gun pressed against her back, her palms broke out in cold sweat.

Her heart could not help but be in her mouth ...

The cold sensation from the gun on her back spread from her clothes to her whole body. She was subconsciously nervous, but her voice still sounded calm.

Qi yexi curled his lips. didn’t you miss me when I was young? ”

Shi qinglan’s eyes were cold, but she did not respond.

Then, she heard the man’s hoarse and quiet smile. but I miss my childhood ... I wonder if Xiao Shi ‘er’s alts have increased after not seeing him for two years?”

Shi qinglan gently rubbed her fingers and still did not respond.

The girl’s silence had probably angered him. Qi yechan suddenly raised his hand and pointed the gun at the back of her head. Then, he pushed it forward forcefully. Shi qinglan, are you ignoring me? ”

“Do you really think I don’t dare to shoot?” The man’s voice suddenly became much colder, and his tone was no longer as teasing as before. He pressed the finger on the trigger slightly.

Shi qinglan’s Red lips curled up slightly. there should be nothing in this world that the young master of the Crimson night Alliance would not dare to do.

Of course, she knew that Qi yexi would shoot.

Because she had no value to him at all. She was nothing more than a target he could destroy to reveal his identity.

If he killed her, he could still find his next toy ...

However, she could only bide her time for the time being. After all, this man, whose behavior was almost perverted, could do anything. Instead of snatching the gun and angering him directly, she might as well wait for the opportunity to act.

“Ha ...” Qi yexuan suddenly snorted.

A sexy laugh slowly came out of her throat. Xiao Shi. er is still as boring as before, unlike other girls ... He should be crying by now.”

He liked to see women cry. The more they cried, the better. However, Shi qinglan would not cry no matter what.

Even when she was tied up and whipped for seven days, and her skin was cut every two hours, she had never cried, not even begging for mercy.

This was simply ... It's so boring.

...

“Young lord Qi, there's no need to waste your breath on me.” Shi qinglan's voice was slightly cold. if you want to shoot, then shoot. If not, then leave.

It was that familiar arrogant and confident tone ...

Qi yexi curled his lips. as expected, only young people in this world dare to talk to me like this.

He casually glanced at the gun pointed at the back of her head.

He couldn't help but let out a soft tsk. A feeling of pity rose in his heart, as if he couldn't bear to break the toy. He slowly put the gun away.

Qi yexi put the gun to his lips and lazily blew at the muzzle. I suddenly feel that shooting will be more boring.

After all, it was rare to see people with many alternate accounts ...

Shi qinglan was the only person he had ever met who had the guts to challenge him.

Qi yexi had reappeared in the Scarlet night Alliance after settling down for two years for Shi qinglan. He had retaliated for almost being killed by her and for being poisoned by her!

He noticed that the cold hard object was no longer pressing against the back of his head.

Shi qinglan's heart felt a little more at ease. She turned to look at Qi yehan. if there's nothing else, young master Qi, I'll take my leave.

...

The smile on Qi yexuan's lips gradually spread to his entire face.

He raised his head slightly and gestured in the direction of the lower window, as if he really had no intention of stopping her. we'll meet again.

278 Shi Qing uncovers qingyue (1)

Shi qinglan's Red lips curved up slightly.

However, the smile on her lips was a little cold, and her voice was even more distant and indifferent. I don't want to see you again.

The smile in Qi yexuan's deep eyes faded and he didn't speak.

He was too familiar with Shi qinglan's temper, so he was not surprised by it. He just looked down and played with the gun casually.

Although Shi qinglan had temporarily heaved a sigh of relief ...

However, no matter how powerful she was, no one would not be afraid when a gun was pointed at their head. Her heart was still fluctuating, and the cold sweat on her palms did not disappear.

The girl's Red lips were slightly pursed. She reached out to pick up the mask on the sink. Her fingertips trembled slightly and accidentally cut a shallow wound. However, she did not even frown and directly jumped out of the window.

..

Shi qinglan's back seemed to be calm and composed.

However, at this moment, only she knew in her heart that when Qi yechan pointed the gun at the back of her head, she had even begun to think about what would happen if she didn't manage to Dodge his shot in time ...

Whether Bo chicheng would go crazy or whether her family who had just found her would be sad ... Fortunately, before she had the time to have an answer in her heart, Qi yehan had already removed the gun from the back of her head.

ring ... the mobile phone suddenly rang.

Shi qinglan's fingertips were still trembling, and the chill in her body had not dissipated. She gently swiped the screen to answer the call. changxi.

Her voice was still a little unstable, but she was trying her best to calm down.

"Little Lan Lan, are you okay?" Nan xiyue's voice immediately came, filled with anxiety and worry.

After leaving the auction hall, she had been loitering around the area. She had even contacted a few nearby forces and was ready to send people to rescue Shi qinglan when she asked for help.

However, there was no news from Shi qinglan.

In the end, she couldn't help but call him first.

"I'm fine." Shi qinglan's Red lips parted slightly. She glanced around her and realized that Qi yehan had not followed her.

She couldn't figure out what this man was thinking, and she didn't know why he came to her this time.

Nan zhiyue heaved a sigh of relief. it's good that you're fine. Where are you now? I'll come and find you.

"I'm now ..." Shi qinglan's Red lips parted.

Just as she was about to give her the address of nanxi monthly, she suddenly heard a cold voice from behind her. miss qingyue? "

Shi qinglan's heart skipped a beat when she heard that.

Her eyes flickered as she recalled that she had only removed her makeup but had not had time to change her clothes. Therefore, she was not wearing a mask and was wearing qingyue's dress.

"I'll contact you later." Shi qinglan hung up the phone and put on her mask in a hurry.

She pursed her red lips and turned around to see Shi qingshang walking over with steady steps. you're still here? "

Hearing this, Shi qinglan's Red lips curled up slightly. No.

She tried her best to keep herself calm, but the girl was not wearing any makeup, after all. Her pair of particularly delicate eyes lost some of their charm at the moment, and there was a little more clarity.

Shi qingqiao noticed that she had removed her makeup and a look of suspicion flashed across her eyes. However, she did not ask about qingyue's personal affairs.

She only felt that this pair of clear eyes ...

Even though she was wearing a mask, her beautiful eyes still looked a little like LAN 'er's. They were like clear water with a faint ripple of light.

"Master Sheng, if there's nothing else, I'll take my leave."

Shi qinglan felt that Shi qingyao was sizing her up. Her eyes dodged a little guiltily, but she still gave him a standard smile. She greeted him and was ready to leave.

Shi qingxiao must be her biological brother ...

Back then, when he first saw her, he suspected that she was his missing sister. If she stayed any longer, he was afraid that it would not be long before he stripped her of her identity.

"Yes." Shi qingxiao responded in a deep voice.

He was not interested in qingyue because she had given him the necklace. He had greeted her since they had bumped into each other.

Shi qinglan turned around and left in a hurry.

Shi qingxuan had wanted to leave as well, but as he glanced at her coldly, he suddenly noticed a slight wound on qingyue's fingertip. It was neither deep nor heavy, but the drop of blood that was oozing out was particularly glaring.

However, he didn't mind and turned to leave.

..

Clear water Pavilion.

Shi qinglan went to meet up with Nan zhiyue first and changed out of qingyue's clothes before she dared to go home. When she pushed open the door of the villa, she felt guilty, worried that her identity would be taken off ...

However, the moment she entered the living room, she saw Shi Qing sitting upright on the sofa with a laptop on her lap.

The man seemed to be waiting for her. When he saw the girl coming home, he immediately closed his laptop and put it aside. Then, he got up and walked toward her.

"I'm back." Shi qingyao's voice was deep and clear.

Shi qinglan pursed her lips and nodded. She did not want to stay in the living room for long, so she was ready to go back to her room.

But the man's voice suddenly sounded again. LAN 'er.

Hearing that, Shi qinglan's back could not help but stiffen. She thought that she would not be discovered by Shi Qingyun just like that, so she adjusted her emotions and turned around calmly.

The corners of the girl's lips curled up slightly. brother, is there anything? "

Shi qingmo's lips curled up slightly as she took out the blue, intricate velvet box from her pocket.

He walked steadily to the girl and handed her the jewelry box. your necklace.

...

Seeing this, Shi qinglan's suspended heart slowly calmed down.

She heaved a sigh of relief in her heart. So, Shi qingxi had not found out about qingyue's matter and had only wanted to give him the necklace.

"A necklace?" Surprise flashed across Shi qinglan's beautiful eyes.

She continued to put on an act and pretended that she did not know where the necklace came from. how did brother find the necklace? "

Shi qingxuan pursed his thin lips. an auction.

Shi qinglan pretended to be enlightened and nodded, then reached out to take the blue velvet box that contained the necklace.

Her red lips curved slightly, and her voice was sweet. thank you, brother.

As the girl spoke, she lowered her eyes and wanted to open the box to take a look. She held the box gently with one hand and slowly opened the lid with the other. The pink tafey stone necklace was lying inside!

This time, it was the real tafey stone necklace!

yes, " Shi qingxiao replied in a deep voice. Although she looked cold and calm on the surface, she actually felt a sense of satisfaction deep in her heart when she heard her

sister's sweet thanks. Her eyes inadvertently revealed a little pampering, but at this moment ...

However, he suddenly noticed that there was a shallow wound on Shi qinglan's fingertip. The blood had dried up, but he could still see the mark on her fair and delicate skin.

...

What a coincidence, it was the same as what he had seen on qingyue's fingertips!

Shi qingxiao's long and narrow eyes suddenly narrowed. Lan Lan.

"What's wrong?" Shi qinglan looked up at him in confusion.

The man's eyes were locked on her fingertips. His large palm suddenly held her wrist and lifted her hand. what's wrong with your hand? "

279 Shi Qing uncovers qingyue (2)

Shi qinglan followed his line of sight.

Only then did she realize that there was a light wound on her fingertip. She remembered that it seemed to have been cut in the panic in the bathroom ...

The girl's Red lips curled up slightly. I might have accidentally scratched myself.

"Is that so?" Shi Qing's tone was slightly heavy, his pitch-black eyes showing a little suspicion.

Shi qinglan's beautiful eyes flickered slightly.

She did not know why Shi Qingyun was so concerned about such a small injury. Hence, she smiled and said, " brother, are you still worried about such a small injury? it would have healed in a few minutes.

There was a playful and playful tone in her voice.

Shi Qing's eyes darkened as he recalled that when he had met qingyue outside the auction hall earlier, she had already removed her makeup and had only put on her mask in a hurry when she heard him calling her name ...

That hideous smile on her bare face was so similar to his sister's!

And now, both of them had the same wound on their fingertips. It was very shallow, but there was no such coincidence in the world.

Shi qingxuan held Shi qinglan's wrist and brought her to the sofa. Then, he gently pressed her shoulder to let her sit down.

He then took out a band-aid from the first aid kit and carefully bandaged the girl's small wound.

brother, there's no need for such a small injury ...

Shi qinglan's Red lips pouted slightly, feeling that it was more troublesome to do things with the band-aid.

However, Shi qingxiao did not listen to her suggestion and insisted on bandaging the small wound that would have healed if it was discovered later ...

"Lan Lan," Shi qingxuan suddenly called out to her in a deep voice.

Shi qinglan raised her eyes slightly. hmm? "

She looked at the man in confusion, feeling that he seemed to be hiding something, and she had a bad feeling in her heart.

Shi qingxuan pursed his thin lips. He lowered his gaze and put the first aid kit aside. In the end, he decided not to beat around the bush.

The man's tone was slow and he went straight to the point. were you the person at the auction today? "

Hearing this, Shi qinglan's heart trembled slightly.

The smile on her lips also froze, and the guilt of having her cover removed came back to her. what auction? "

Shi Qing's eyes darkened as he sized up the girl.

I saw that qingyue's fingers have the same injury as yours, " said Jin qingyue, who had a meaningful look in his eyes.

Shi qinglan was speechless.

She looked down at her fingertips and felt that they were cold.

Despite all the planning and precautions, he had never expected that he would lose his avatar because of this insignificant injury.

Shi qinglan's Red lips curved into a fawning smile. She then ran to Shi qingxuan's side and held his arm affectionately. brother, don't be angry. I didn't mean to hide it from you.

Shi Qing's eyes turned complicated.

However, the girl's soft and coquettish voice still made his heart melt into a mess, and he had no intention of blaming her.

Although he had been a little surprised when he realized that his sister might be qingyue, he did not find it strange at all.

Shi qinglan had inherited all of her parents' good points. Although Jiang yunzhe's popularity in the entertainment industry was due to his acting skills, this heavenly Queen Jiang's voice had once won the admiration of many singers.

However, she was not interested in singing. At most, she would sing the theme song or the ending song of the film she acted in ...

Shi qingshang's brows furrowed slightly. Lan Lan, just let brother buy this necklace for you. Why do you have to sell it yourself? "

Shi qinglan's beautiful eyes were full of smiles.

She looked up at the man with her pretty face. I lost the necklace, so I wanted to buy it back myself.

"Does Bo Li city know your identity?" Shi qingqiao asked again.

Shi qinglan recalled how that B * stard had tried to strip her of her identity today. She frowned slightly and said, " I'm almost done.

At this moment, Qing Qiao also suddenly realized what had happened in the room.

He raised his hand and gently patted the girl's head. The look in his cold eyes was slightly restrained, and he tried to be as gentle as possible, " Lan Lan, how many things are there about you that I don't know about? "

She was also the heir of A country's Medical Research Institute, the International diva of the music industry, qingyue, and that top-tier access card and the 600 million Yuan auction gold. Where did she get all these from?

"That 's ... That's all." Shi qinglan bit her lip lightly.

The other side characters were not worth mentioning ... It was not worth mentioning.

Shi qingxiao looked at her with a complicated expression. He pursed his lips and slipped his hand into his pocket. He took out his wallet, took out his black card, and handed it to the girl. take this card.

Shi qinglan was speechless.

Why did it have to be something as magical as a black card again?

Seeing that the girl was unwilling to accept it, Shi qingxiao forced the black card into her hand. even if you don't want me to return you the 600 million, you should accept this black card and learn how to spend it.

Although he did not know where Shi qinglan had gotten the 600 million ...

However, with such a large amount of cash flow, no matter how capable a person was, they would not have so much cash in their hands, so he guessed that she might be a little tight on cash recently.

"Alright," he said. Shi qinglan pouted her red lips.

She looked up at Shi Qing and smiled. thank you, brother. The kind that has no password and no limit? "

"Yes." The man responded in a deep voice.

He raised his hand and ruffled the girl's hair. Seeing her bright smile, his heart slowly sank.

...

He couldn't help but regret that he had missed out on the girl's youth. He didn't know how she had climbed up and slowly achieved success in so many different fields.

"Crack-"

At this moment, the door of the villa was suddenly pushed open.

Shi qingan wore a Casual Hoodie and walked into the villa in a carefree manner. He removed the hoodie on his head, then used his pinky finger to remove his mask. Finally, he removed his sunglasses and hung them on his collar.

"Brother, brother!"

The second aunt's voice instantly pulled Shi qingxun back from his thoughts.

He frowned slightly and glanced at him with cold eyes. It was obvious that he had no intention of responding to him.

Shi Qing 'an looked excited. I've heard about it!

“What did you hear?” Shi qingqiao’s voice was extremely cold.

Shi qingan broke into a bright smile and nudged his shoulder mysteriously. I heard that my precious goddess qingyue also went to the auction!

“Have you guys met? Did you see it?” The man’s eyes sparkled with anticipation as he blinked and looked at Shi qingqiao.

...

Hearing this, Shi qinglan’s eyebrows raised slightly.

Shi qingxuan subconsciously glanced at the girl. His cold lips parted slightly as he replied emotionlessly, “I didn’t see her.

The Starlight in Shi qingan’s eyes instantly dimmed.

He pursed his lips. if I had known, I would have gone to the auction with you ... Yan, my goddess, she is my heart, my liver, my precious sweet candied fruit.”

“What a rare chance encounter, I actually missed it just like that! Could it be that we are not fated to be together ...”

280 Shi qinglan, my biggest avatar is yingluo

Shi qingxiao looked at Shi qingan with a complicated expression.

He pursed his thin lips and warned her in a cold voice, “you and qingyue are not suitable for each other. Put away those thoughts that you shouldn’t have.

Shi qingan looked at her brother with a hurt expression.

His lips parted slightly and his clear eyes were filled with grievance and indignation. how can qingyue and I not be suitable? a handsome man and beautiful woman are match made in heaven and we’re in the same industry ... I got it!”

Suddenly, a light bulb lit up in Shi qingan’s head.

He looked at Shi qingxiao in realization and opened his mouth in shock. you must have seen her today, right?!

Shi qinglan’s eyes flickered slightly, and she secretly sighed that her second brother was finally smart for once. However, she immediately heard him say, “have you also fallen for her!

That’s why he wanted to use this method to defeat his love rival!

Shi qinglan was speechless.

Forget it, she had overestimated second brother's intelligence.

Shi qingxuan glanced at him coldly, his dark eyes full of disdain. It was obvious that he no longer wanted to save his brother.

His cold lips parted slightly. don't say that I'm your brother in the future.

As soon as she finished speaking, Shi qingxiao strode upstairs to the study. He had wanted to tell second aunt's brother the truth, but he gave up the thought when he suspected that he was a love rival ...

This silly guy, he wouldn't learn until he hit the wall himself.

Shi qingan slowly typed out a [?]

He was so angry that he stomped his feet. Shi qingluo, you bastard! You're even abandoning your own brother just to snatch your wife away!

Hearing this, Shi qingyao, who was walking up the stairs, almost tripped. He turned around and gave Shi qingan a cold look. Then, he ignored her and disappeared around the corner of the stairs.

..

Shi qinglan returned to her room and took out the necklace.

The pink tafey stone glowed in her palm. She gently pinched the delicate gem, and when she saw her name engraved on it, her red lips curved slightly.

As her eyes wandered, she found something else ...

The curve of the girl's Red lips became even more enchanting. There was a deep meaning in her smile, but her tone was cold. Qi yexi.

At this moment, in a certain villa in the capital.

Qi yexi was lazily half-lying on the sofa with his slender legs crossed. He lowered his eyes and casually took a sip of red wine. Then, he saw the screen finally display an image ...

The girl took the necklace out of the box, smiled, and called his name in a clear voice, " Qi yexi.

The man was not surprised at all.

He raised his head slightly and finished the red wine in the glass. Only a few drops of wine were stained on the wall of the glass, and they slowly slid down like red blood, which was a little flirtatious against his cold white fingers ...

“As expected,” Qi yexing chuckled quietly.

He had long guessed that this little trick could not escape the girl’s eyes, but he just wanted to tease her to try, at least ... It would be interesting if he could anger her.

Shi qinglan lowered her eyes to look at the necklace. She was too familiar with the pinhole camera and the location detector, so she could detect it with one look.

Without any intention to talk nonsense with Qi yexi, she directly dismantled and damaged the two items and threw them into the toilet.

“Zila ...” The screen suddenly turned black.

Qi yexuan’s lips curled up slightly, and his long legs that were resting on the sofa slowly landed on the ground. He looked at the black screen with great interest and clicked his tongue twice with some regret ...

She didn’t even want to say a single word to him.

His childhood was really heartless and torturous.

..

The night sky was filled with stars.

Shi qinglan’s slightly wet hair hung loose after her shower. She stood by the window and looked up at the rare stars. The cool breeze of the summer night blew past, making her wet hair feel a little cold.

The girl raised her hand to close the window. Just as she was about to go to sleep, the warning from the auction in thin glass City suddenly rang out ...

Her guilty conscience tugged at her heartstrings, causing them to tremble slightly.

Shi qinglan licked her pink lips and a sly smile flashed across her eyes. She raised her hand and was about to lock the window.

A black shadow suddenly appeared outside the glass window.

The girl’s action of locking the window suddenly stopped. She had a feeling of being caught doing something bad on the spot, and her red lips curved into a smile.

“Ah-Cheng, you’re here.” There was a guilty look in her smile.

Bo Zhicheng raised his chin slightly to signal the hand on the lock, and the girl immediately let go, placing her hand behind her back.

The man pushed open the window and jumped in. He closed the window and pushed the girl against the window. you want to lock me out, huh? ”

Shi qinglan was caught off guard and was pressed against the window.

Bo Li Cheng’s arm was on her side, he leaned over slightly and lowered his head to look at her, his hot breath inadvertently spraying on her neck.

The girl blinked guiltily. why would I? ”

“Did I misunderstand?” Bo Zhicheng moved even closer, so close that his moving thin lips could inadvertently touch her cheek.

The man turned his head slightly and pressed his thin lips to her ear. why do you want to lock me up? Are you afraid that I’ll expose you?”

Shi qinglan was speechless. Again.

However, she would never give in so easily.

...

Hence, the girl’s Red lips curled up slightly. She took the initiative to wrap her arms around the man’s neck and tiptoed to give him a Peck on the cheek.

“There’s no such thing as an avatar, I don’t.” Shi qinglan blinked her clear eyes and looked at the man innocently.

Bo Li Cheng’s eyes were dark, clearly not believing her nonsense.

To his surprise, the girl leaned into his ear and said in a soft voice, ” ah-Cheng, isn’t my biggest sockpuppet the future wife of the Bo financial magnate, Bo Xincheng? ”

“Are you satisfied now?” The girl’s voice was clear and melodious, and it slowly filled the man’s heart.

Bo Zhicheng’s throat tightened slightly. He suddenly lifted the girl’s face, then lowered his head and kissed her deeply.

“ ”
..

Their breaths intertwined, and the hot air lingered between them.

Shi qinglan's heart trembled slightly, and her eyes were filled with tears. However, she heard the man whisper in her ear, " I'm satisfied, but don't think you can get away with it.

"I'll see tonight ... Who's begging who?"

As soon as her voice fell, Bo Li Cheng suddenly carried her in his arms, and the girl's begging for mercy could be heard in the bedroom in the middle of the night ...

...

The next morning.

Shi qinglan rubbed her waist and did not get up. There were still tears in her sleepy eyes, and she looked like she had been bullied badly. you bastard.

He was so ruthless just because he suspected that she was qingyue.

If one day, she was completely exposed and the scandal between her and Shi qingan was settled ...

Shi qinglan instantly felt a slight chill down her spine.

She took a deep breath and realized that the situation was not good. She immediately sent a WeChat message to Nan xiyue. in the future, if anyone dares to pair qingyue and Shi qingan up on the internet, I'll rip him off!

After sending the WeChat message, she threw her phone aside.

She lifted the blanket and was about to get out of bed to take a shower, but as soon as her legs touched the ground, she suddenly felt weak. She had to support herself against the wall before she could walk into the bathroom.
