

Chapter 941: Why Is She So Cute?

“But there’s no one at the venue at all. The hotel doors are even locked!”

“Are you sure you didn’t go to the wrong place? If you didn’t go to the wrong place, then you should wait a little longer.” The external relations department was on leave today, but they were woken up by Qiu Minxuan early in the morning. Hence, they were not in a good mood and did not wish to help out further.

“Hello? Hello?” Qiu Minxuan was furious when she heard that the other party had hung up on her.

Her prior work experience was all in the modeling industry, after all. She suddenly entered the film industry, and it was Su Huixian’s first time joining the industry too. She had to spend a lot of effort contacting a few members of the production team. She finally found out that the press conference today would be held at two p.m.

When Qiu Minxuan told Su Huixian the news, Su Huixian’s limbs were already numb from the cold.

Moreover, it was already nine in the morning.

Su Huixian was helped into the car by Qiu Minxuan. She only recovered after warming herself up in the heater for a while.

“What happened? Did you make a mistake?” Su Huixian was furious. She had stood in the cold wind for more than an hour.

“I can confirm that I didn’t make a mistake. I don’t know what happened either.” Qiu Minxuan’s face was filled with fear. She had personally read the notification sent by the people from the external relations department.

The plan was that Su Bei alone would be informed that the press conference would be held at two. Why did the entire event change to two in the afternoon?

Su Huixian threw her temper at Qiu Minxuan and scolded her harshly. Qiu Minxuan was in the wrong and did not dare to rebut.

After her anger subsided, Qiu Minxuan said, “Why don’t we go back first? We’ll come back in the afternoon.”

“Can I still trust you? What if the event is at 9:30 a.m.? What if it’s 10:00 a.m.?” Su Huixian often made things difficult for others, and today, she was at a disadvantage. No matter what, she did not dare leave at this moment.

Tang Yue gave her such a good opportunity to fight Su Bei again. If she missed this opportunity, how could she compete with Su Bei?

Qiu Minxuan had no choice but to wait with her.

Fortunately, they were sitting in the car. At least they could shelter themselves from the cold.

Time ticked by. Waiting for something uncertain was torturous.

Su Huixian and Qiu Minxuan waited until it was past eleven. Then, they confirmed that the press conference would not be held in the morning, so they returned to the company while feeling exhausted. They took a break and waited for the afternoon to come.

Compared to Su Huixian's morning of waiting and suffering, Su Bei slept soundly at home.

She woke up naturally and stretched lazily under the warm blanket.

The man beside her reached out and hugged her. Su Bei opened her eyes and saw that Lu Heting had changed into his working clothes. He was sitting on the side of the bed, working and accompanying her.

Su Bei sighed as she looked at the documents on the side. His stamina and energy were really good. She was still longing for her bed and did not want to get up at all. However, he had already been working for half a day!

"Have you slept enough?" Lu Heting lowered his head and kissed her forehead.

"Yeah..." Su Bei opened her eyes wide and looked at the handsome face of the man in front of her. He was so good-looking that it made her feel like she was drowning.

Forget it, forget it. She should get up now.

She was afraid that if she looked at him any longer, she would really be delayed until the afternoon.

Lu Heting's lips curled into a smile as he watched the woman escape into the bathroom. Why was his woman so cute?

Chapter 942: A Fake Smile

The press conference started at two in the afternoon.

Last night, Su Bei and Lu Heting had both come up with this idea.

Su Huixian wanted Su Bei to attend the press conference at two p.m., didn't she? Hence, they changed the time to two p.m.

Lu Heting arranged for people to communicate directly with the person in charge of the production team. He then informed every member and reporter of the production team between seven to eight a.m.

Furthermore, he had the hotel lock the main lobby and cancel all the arrangements until two p.m.

As such, no one informed Su Huixian, nor did they expect her to be the only person who did not receive the notice.

Everyone was so happy that they did not have to go out in the cold wind in the morning.

In the afternoon, the strong winds in the morning stopped, and the sun was shining brightly in the sky. The weather was great, and it made people feel better.

The people who came to attend the press conference in the afternoon, from the artists to the staff and even the reporters, all of them were smiling happily.

Only Su Huixian, who had expended a lot of energy in the morning and caught a cold, was no longer as arrogant as she was in the afternoon despite trying her best to pull herself together. She looked rather dispirited in comparison to the other female artists who had dressed up meticulously.

Qiu Minxuan had no choice but to give the reporters red packets in private. She asked them to edit the photos they took of Su Huixian before posting them.

When Su Huixian and Qiu Minxuan entered, they bumped into Yue Ze.

Yue Ze adjusted his glasses and smiled warmly. "Welcome, Miss Su, to the press conference at two in the afternoon."

Su Huixian knew that it was all Su Bei's doing and clenched her fists in anger. However, there were reporters everywhere and she had to wear a fake smile.

But could she blame anyone else for this? Su Huixian had indeed said that she wanted to hold the press conference at two in the afternoon. Su Bei and Lu Heting were just helping her out.

Su Huixian forced a smile throughout the entire press conference.

Her complexion was not as good as Su Bei's, and her temperament was not as good as Su Bei's either. Her answers were also not smooth enough.

This caused the reporters to quickly place all their microphones in front of Su Bei. They asked her, "Su Bei, what role are you playing this time? Can you explain it to everyone?"

"Su Bei, you already have experience in acting. Why did you still choose the second female lead role this time?"

Su Bei held the microphones in her hand and said generously, "Hello, everyone. Today's female lead is Su Huixian. I hope everyone can ask her more questions."

There was nothing wrong with her words and she even sounded very polite. However, Su Huixian gritted her teeth. Su Bei clearly saw that she was in a bad state and wanted her to embarrass herself in front of the reporters.

Su Bei smiled and said, "Huixian, what do you think?"

What else could Su Huixian say? Su Bei was being honest and had a sincere smile on her face. Did she have the nerve to flip out on Su Bei at this time?

Su Huixian had no choice but to force herself to deal with the reporters.

Su Bei fell into silence. She was only in charge of sitting there and looking good. As for the rest, she would let Su Huixian do it. That was what Su Huixian wanted, wasn't it?

During the press conference, Su Huixian tried her best to promote the film and answer all sorts of questions. When it ended, she was exhausted.

Chapter 943: Fairy

The articles that the reporters released later all used Su Bei's photo as the cover or the accompanying photo.

It was all because Su Bei was so eye-catching. She just casually sat there but it was enough to make the reporters place all their attention on her.

Furthermore, Su Huixian's photos had to be edited. If they didn't look good, they had to be re-edited. Nowadays, the news was all about time efficiency. Whoever released the first article would gain more readers.

Su Bei's photos could be used directly and were very useful. Who had the time to wait for Su Huixian's edited photos?

In the end, no one paid attention to what the film was about or what role Su Huixian was playing. They were all focused on Su Bei's photos.

[Su Bei's film hasn't been released yet, and I don't know what her acting skills are like. But based on this set of photos, I might spend money to watch her work! She looks so pretty even when she's just sitting there.]

[Bring me along, bring me along. I have no resistance towards beauties!]

[I think I'm about to go gay. If I were a man, I would definitely try all means to woo Su Bei!]

[Do you see that? Not only is Su Bei beautiful, but she also never steals the limelight. Throughout the entire process, she kept passing the microphones to the female lead and gave the opportunity to speak to others! She's like a fairy!]

A few media outlets and marketing accounts that posted Su Bei's photos received countless likes and comments. They had completed this month's KPI ahead of time and wanted to show their gratitude to Su Bei!

Su Huixian knew that Su Bei would steal the limelight from her at the press conference.

She initially thought that Su Bei's popularity was twice as high as hers, and she accepted it.

Who knew that Su Bei's popularity was more than a hundred times greater than hers? The number of articles about her was not even a fraction of Su Bei's.

Thinking about what happened today, it seemed Su Huixian had underestimated Su Bei's cunning side.

She would never make the same mistake again.

In the film industry, she was, after all, a newbie. If she wanted to suppress Su Bei, she had to establish a huge network.

"Sister Minxuan, treat everyone in the production team to a meal! Pack a red packet for the relevant staff members. We have to prevent today's incident from happening again." Su Huixian knew that giving some snacks was too petty. She had to be a lot more generous now.

The crew was naturally happy to have someone treat them to a meal.

Furthermore, the production team was supposed to have a meal together anyway. With Su Huixian treating them generously, everyone naturally had a better impression of her.

After the meal, Su Huixian suggested drinking and singing karaoke in order to improve her relationship with the male and supporting characters.

Immediately, people started to respond positively to the idea. Once the production crew started filming, they would have to live a life of running about and be busy filming for months. Everyone wanted to enjoy good moments like these.

Even Mai Lele, who disliked Su Huixian, joined in enthusiastically.

“Su Bei, let’s go together! I’ll call my big brother along to prevent a similar incident like what happened with Yao Jing last time from happening again!” Mai Lele said. Actually, she called Mai Shanheng because without her big brother’s company, Mr. and Mrs. Mai would restrict her from drinking.

Su Bei smiled at her. “Are you really not afraid of being reprimanded?”

Mai Lele blushed. “I don’t drink it every day. It’s only sometimes.”

Su Bei stopped teasing her and planned to leave after a while.

Mai Shanheng was playing games with Lu Weijian when he received a call from Mai Lele. “No, no.”

Chapter 944: Make A Move Tonight

“Hmph, if you don’t come, I’ll tell our parents that you bullied me!” Mai Lele pouted.

Mai Shanheng really couldn’t do anything to his sister. He said, “Alright, alright. I’ll go over later.”

Lu Weijian said from the side, “Then I’ll go with you. Sister Bei Bei seems to be in that production too.”

“Sister Bei Bei? Are you pursuing her?” Mai Shanheng heard him calling her that and immediately asked.

“No, don’t talk nonsense!” Lu Weijian quickly stopped him. Pursue Su Bei? Wouldn’t he be beaten to death by his brother?

Mai Shanheng knew that he had always been obsessed with games, so he didn’t ask further. After quickly finishing a round, he packed his things and went straight to Mai Lele. He was afraid that if he was late, he would be beaten to death by his parents if a similar incident like what had happened before with Yao Jing happened again.

Lu Weijian happily followed after Su Bei.

“Sister Huixian, you won’t mind having two more people join us later, right?” Mai Lele asked.

Su Huixian knew that Mai Lele was the daughter of a wealthy family. She naturally wouldn’t mind if she brought guests. “Of course, it’s fine. Are they your friends?”

“My brother and Lu Weijian,” said Mai Lele casually.

Su Huixian immediately felt excited.

She invited everyone to this gathering in order to build a good relationship with them and expand her network.

She never expected to meet these two big shots!

Qiu Minxuan was also very happy for her. "Huixian, I didn't expect Mr. Weijian and Mr. Mai to come. They must think highly of you."

The others also thought that Mai Shanheng and Lu Weijian were only joining for Su Huixian's sake. They all complimented her. "Huixian, thanks to you, I can also witness Mr. Mai's and Mr. Weijian's glory!"

"If we follow Huixian, we'll really get to see the world."

Everyone had been indebted to Su Huixian for the past few days, so their words were naturally pleasant and filled with flattery.

Su Huixian's heart was filled with joy. She had gained quite a bit tonight!

Just as everyone was talking, Lu Weijian and Mai Shanheng entered the room.

The commotion was too loud. Everyone stopped what they were doing and looked at the two young men.

Lu Weijian was unrestrained with a nonchalant expression while Mai Shanheng was elegant and polite. They both had distinct good looks and charisma, causing one's heart to tremble.

When she saw Mai Shanheng, Su Huixian's eyes lit up. She had already found out that he was Mai Lele's brother and the heir of the Mai family. She was overjoyed. Indeed, it was the right decision to socialize more.

When she saw Lu Weijian, her face was as bright as a flower. She immediately stood up and said, "I didn't expect Mr. Weijian and Mr. Shanheng to grace us with their presence. I'm truly honored to be graced by your presence! Let me give a toast to the both of you first!"

"There's no need to go through so much trouble. Just sit down." Lu Weijian had no interest in Su Huixian at all. He ran to Su Bei's side and sat down while shouting, "Sister Bei Bei!"

Since Mai Shanheng was here to look for Mai Lele, he naturally sat beside her.

Mai Lele was sitting with Su Bei, so when Lu Weijian and Mai Shanheng arrived, they sat together with Su Bei.

The smile on Su Huixian's face froze.

The other artists in the production team did not expect such a situation. The male artists secretly looked at Su Bei and could understand the feelings of these two young men. As a normal man, who wouldn't want to sit with a beauty like Su Bei?

Chapter 945: Friendly Relationship

The female artists, on the other hand, had their own thoughts but no one said anything directly. The expressions on their faces also changed.

Lu Weijian was a very friendly person. He asked for several bottles of good wine and shared them with the crowd.

This place was meant for singing and playing games. Seeing how open-minded Lu Weijian was, everyone started drinking and playing together.

Soon, the atmosphere became cheerful.

Su Huixian's mood had finally lifted.

Lu Weijian opened a bottle of wine and started pouring drinks for everyone.

When it came to Mai Shanheng, he covered his glass with his hand. "Lu Weijian, I'll sing with you later. I won't drink anymore."

Since Mai Shanheng was driving, he didn't want to drink. Lu Weijian stopped what he was doing and said, "You're so mean. You know that I like to drink, not sing. But you're saying you want to sing with me? Can't you get a designated driver?"

Mai Shanheng was not angry. He smiled and said, "Don't you know that I like to drive? If you want me to drink, you have to give me a reason!"

"Great! Let's play a game of Truth or Dare now, alright? Come on, do you dare?" Lu Weijian pointed at the table. "If it's your turn, will you drink?"

"It's hard to say whether or not I'll get it."

"Why don't you try?" Weijian became interested.

"Alright!" Mai Shanheng took off his suit jacket and rolled up his sleeves.

Everyone got into their positions.

Mai Lele loved excitement the most. She stopped singing and sat down next to Su Bei. She liked Su Bei from before, and after what had happened with Yao Jing that night, she became even closer to Su Bei!

The rules for Truth or Dare were simple. There was an empty wine bottle in the middle of the table.

When the bottle stopped, the person chosen would have to choose truth or dare.

After choosing, they had to do whatever was asked of them or answer whatever the question was.

Earlier when Lu Weijian and Mai Shanheng hadn't arrived yet, there were a few people already playing the game. The atmosphere was lively then.

With the arrival of Mai Shanheng and the rest, the game started once more.

Each time, the bottle would be turned by the player who was last chosen.

The previous time, Lu Weijian was the one who was chosen. This time, he held his breath and spun the bottle. The bottle slowly stopped and pointed at Mai Shanheng.

Lu Weijian clapped and laughed. "Mai Shanheng, don't be a coward. Don't be like a girl and choose truth."

“Of course.” Mai Shanheng stretched his hand toward the box of dares and pulled out a card.

Mai Lele hurriedly said, “I’ll go over and take a look! You have to finish a glass of red wine! Hahaha, Big Brother, you’re in trouble now!”

Lu Weijian clapped his hands once more. “What do you say? Everyone’s watching! I’m not forcing you here!”

“What does the back say?” Mai Shanheng asked.

One could choose the opposite side of the dare card. Mai Lele had read what was written on the front side just now.

“The back is...” Mai Lele kept him in suspense before finally reading it out loud, “You’ll have to drink a bottle of red wine! I think you’d better choose the first dare!”

Mai Shanheng’s dream of not drinking tonight and only driving had been shattered. Before he came, he was wondering if he could borrow Su Bei’s car to drive. He had been eyeing that car for a long time.

Sigh, it was such a good opportunity!

Forget it, forget it. Since he lost, Mai Shanheng had no choice but to face it head-on. He downed the glass of red wine.

Chapter 946: His Dream Of Driving

After drinking, Mai Shanheng looked at Su Bei regretfully. His dream of driving Su Bei’s car had been shattered today. He could not accept this outcome!

Lu Weijian looked at him. Oh, how dare he have ideas for Sister Bei Bei?!

He probably did not have the word ‘death’ in his dictionary!

“Come, continue.” Lu Weijian passed the bottle to Mai Shanheng.

Mai Shanheng turned the bottle, and it pointed at Su Bei.

Mai Lele exclaimed, “Wow, that’s awesome, Big Brother! Su Bei, what are you choosing? Truth or dare?”

Su Bei actually didn’t want to choose either of them, but she couldn’t ruin everyone’s fun, so she casually said, “Dare!”

Everyone was in high spirits. This was Su Bei’s first time tonight participating in a game and also her first time being chosen. Everyone was waiting to see what she would have to do.

Lu Weijian carried the box of dares to Su Bei and smiled ingratiatingly. “Sister Bei Bei, please take one!”

Su Bei stretched out her finger and randomly picked one.

Mai Lele quickly snatched it over. “Let me read, let me read!”

Everyone listened quietly as Mai Lele read out loud, “Wow, pick a man at the scene to kiss on the spot!”

Wow! The crowd was in an uproar. Many men’s eyes lit up.

Su Bei's lips twitched. Pick a man at the scene?

The only people she was familiar with here were Lu Weijian and Mai Shanheng. However... no matter how familiar she was with them, she would never do something like that.

As for the others, that was even more impossible.

Before Su Bei could ask, Lu Weijian asked first, "What about the back?"

"On the back, it says to kiss the person who comes in from outside!" Mai Lele read.

Everyone jeered again. What the hell was this? The dares on both sides were so f*cked up.

Someone immediately said, "Su Bei, at least everyone in the room knows each other. Who knows what kind of men are outside?"

Su Bei expressed that she did not want to choose either of them.

Lu Weijian was also depressed. He didn't expect that things would go so far this time.

If Big Brother knew, would he beat him up?

The answer was obvious. Even if he didn't get whipped to death, it would be considered as Big Brother showing him mercy.

Mai Lele poked Su Bei's hand. "Su Bei, why don't you choose my big brother? Big Brother, you're willing, right?"

Mai Shanheng was stunned.

Su Huixian thought about how Du Luo was about to pick her up. Could it be that when they opened the door of the room, Du Luo would be the one who appeared?

She would never allow that to happen!

If Du Luo and Su Bei were to get back together, she would definitely go crazy!

Su Huixian immediately took out her phone and called Du Luo, saying, "Pick me up a little later. I still..."

"I'm almost at the door of the private room. I'll come in and wait for you!" Du Luo's voice rang out clearly.

Everyone could already hear footsteps coming from outside.

Upon hearing Su Huixian's call, everyone guessed that the man was Su Huixian's fiancé, Du Luo.

Could it be that the person Su Bei would kiss today was Du Luo?

Mai Lele asked, "Su Bei, do you choose the front or the back? Quickly choose one, or it'll be too late!"

Su Bei wanted to avoid all contact with Du Luo. In this case, it was better to choose anyone else as long as it was not Du Luo.

She immediately said, "This one!"

She remembered that the card in Mai Lele's raised hand was showing the front side where it stated the player had to kiss someone in the room.

Unexpectedly, Mai Lele had already flipped the card. Su Bei was now pointing at the back of the card.

Chapter 947: Unconsciously Want To Submit To Him

"It's the back! Kiss the person who comes into the room!" someone shouted.

The person who was coming in from outside was obviously Du Luo!

Su Bei's lips twitched again. When did Mai Lele flip the card?

Mai Lele was too excited, so she flipped the dare card without knowing. When she saw that Su Bei had accidentally chosen Du Luo, she had an apologetic look on her face and shrunk her neck. She had really let Su Bei down.

Su Huixian tightened her grip on her cell phone and was furious. Su Bei did it on purpose! She definitely did it on purpose!

Su Bei couldn't wait to get back together with Du Luo so she could teach her a lesson!

The situation that Su Huixian was most unwilling to see happen was about to happen!

The door of the private room was pushed open and someone appeared.

Su Huixian wished she could call Du Luo to go back.

Su Bei did not look at the door.

As the door opened, everyone exclaimed in surprise!

Because it wasn't just Du Luo at the door. There were two other men.

There were three men at the door.

All three men appeared side by side.

Everyone recognized Du Luo at first glance. Because of Su Huixian, Du Luo had visited the production team and exchanged greetings with everyone.

Among the three, the one with the weakest aura was Du Luo.

His figure was slightly thin, and his originally handsome features were veiled by the two men beside him. He looked like a middle school student who was still going through puberty. While standing at the door, he had a sense of fear. He was clearly such a good-looking man.

At that moment, even Su Huixian started to suspect if the man she had loved for so many years was actually this person in front of her?

In fact, all of this was not Du Luo's fault. His usual imposing manner was not this weak. Among the rich second-generation heirs, he was considered to be graceful and had many followers.

The only thing to blame was that the two men standing beside him this time were too dazzling to be ignored.

It was like placing a diamond worth a few million yuan next to a limited edition exquisite diamond. Naturally, the first diamond would seem dull.

The man standing on the other side was also thin, but his facial features were unbelievably handsome. The mole on his face made him look even more charming than a woman.

That cold feeling reminded one of the moonlight that only appeared on a cold night.

Mai Shanheng muttered, "Why is Feng Ze, the investor, here?"

When the others heard his words, they realized that the aloof man standing in front of them was actually Feng Ze, the investor!

Haohan Investment had been very popular in the country for the past two years. Whatever they invested in would certainly become popular, and the company that received their investment would flourish. Therefore, Feng Ze's reputation was very resounding, and many businessmen would flock to him.

They had long heard that Feng Ze was so good-looking that he could crush all the female artists, so everyone naturally guessed that the man with delicate features standing at the side was Feng Ze.

As for the person in the middle... when everyone looked over, they naturally felt admiration and respect for him.

That man was as handsome as a god who had descended to the mortal world. He had an extremely powerful aura that made people unconsciously want to submit to him.

It was the aura of a person who had been in power for a long time. He was a man who was born to be like a king. He lowered his eyes as if he was looking down on his subjects.

Chapter 948: She Was So Pitiful

Du Luo, Feng Ze... Then who was the remaining one?

Everyone was unable to think of who he was or confirm if there was such a man in the world.

Lu Weijian didn't know whether he should greet him or not.

He didn't even know if he could keep his legs after causing such a farce tonight. It was scary!

Lu Heting shot him a look that made Lu Weijian shiver.

Mai Lele stood up and shouted, "Mr. Lu!"

Even though Lu Heting was about the same age as Mai Shanheng and they had a good relationship, in front of Lu Heting, Mai Lele treated him differently. She respectfully called him 'Mr. Lu'.

Hence, when she called him 'Mr. Lu', everyone was shocked.

M-Mr. Lu!

Everyone started stuttering.

This was the Mr. Lu they were all thinking about?

Was he the person in charge of Lu Group?

How did they manage to meet Mr. Lu?!

Lu Weijian wanted to cover Mai Lele's mouth but it was too late. He could only watch as her words caused an uproar in the room.

Mai Shanheng stood up and said, "Mr. Lu, come and sit."

Compared to Mai Lele calling him 'Mr. Lu' respectfully, Mai Shanheng sounded like he was teasing Lu Heting.

Everyone could now confirm that this was Mr. Lu, the head of Lu Group!

That mysterious, low-key Mr. Lu whose real name and appearance was not known to the world!

It was no wonder that his aura was so powerful that it could make people prostrate themselves in worship.

However, they did not expect that the mysterious person in charge of Lu Group was such a young, charismatic, and good-looking man!

He was not a pot-bellied man or Lu Weijian's father!

Su Huixian was stunned for a few seconds. She had invited Mr. Lu to a gathering! What an honor!

This was the highlight of her life!

At that moment, she couldn't care less about Du Luo or even Feng Ze. She only had eyes for Mr. Lu.

Su Huixian immediately stood up and raised her glass. "Mr. Lu, it's our honor to have you here."

The others also stood up involuntarily. No one could sit still under Lu Heting's powerful aura.

Everyone was in the same mood as Su Huixian. Who would have thought that they would meet Mr. Lu while drinking here?

And Feng Ze, the big investor, too.

Meeting either one of them would be a great honor, not to mention two of them at once.

However, when everyone turned to look at Su Bei, their joy turned into pity.

At this moment, three men had come in from the outside. All of them were not to be trifled with. Anyone could see that Su Bei was in a miserable state now.

She might as well have chosen someone from this room to kiss. At least, she would've been able to save herself from this situation.

Rumor had it that Su Bei had offended Mr. Lu long ago and was hated by him. She was almost blacklisted on the internet. It was probably because Mr. Lu was busy and couldn't be bothered to deal with such a small matter that Su Bei escaped.

Chapter 949: When Did You Change Your Mind?

Under the circumstances today, Su Bei would definitely not choose Mr. Lu as she would only be humiliating herself.

As for Feng Ze, although everyone did not know him very well, they knew that a person like him would not pretend to be polite to a character like Su Bei.

Besides, he looked cold and cheerless. If Su Bei chose him, the consequences would be terrible.

So, the person Su Bei would most likely choose was her ex-boyfriend, Du Luo.

Due to the contrast of these two gods, Du Luo appeared so approachable. He was probably the most likely man to help Su Bei complete this dare.

However, if Su Bei and Du Luo were to have a scandal, it would be bad.

Mai Lele pulled Su Bei to her side and said in a low voice, "Su Bei, don't be afraid. I won't let you suffer! If worse comes to worst, I'll get my big brother to help you! My big brother dares not disobey me!"

Actually, Su Bei was relieved to see Lu Heting. Mai Lele, on the other hand, was quite loyal. Su Bei smiled. "Thank you."

Seeing that the best candidate for Su Bei was Du Luo, how could Su Huixian tolerate this?

She immediately pulled Du Luo to her side and smiled. "Du Luo, you're here?"

She knew that there was a barrier between her and people like Mr. Lu and Feng Ze. She won't be able to break through this barrier and soar to higher places immediately. Therefore, the only person who could help her grasp this opportunity well was Du Luo. She definitely wouldn't allow anything to happen to Du Luo.

Weijian regained his wits and quickly made way for his brother. "Brother, come sit here."

Lu Heting sat down beside Su Bei.

He knew that Su Huixian would be at the gathering tonight and was afraid that she would do something to hurt Su Bei, so he specially came to pick her up.

He didn't plan on showing himself, but he suddenly saw Feng Ze and Du Luo at the door when he came over.

The two of them walked in one after another and soon, they were walking side by side toward a certain place. Naturally, Lu Heting was worried. He rushed over in big strides, and in the end, he appeared together with them.

Lu Heting's expression did not change after he sat down next to Su Bei.

But under the table where no one could see, he had already reached out and was holding Su Bei's slender fingers. He gently rubbed them with his thumb, showing how much he cherished her.

Su Bei's expression was normal, but a wave of warmth spread through her heart. Even her smile became warmer.

Lu Weijian took a closer look at his brother and sister-in-law's situation and realized that he could probably escape taking any responsibility. He felt relieved.

As for Feng Ze, there was naturally a group of people willing to offer their seats to him.

After a flurry of activity, Lu Heting and Feng Ze finally settled down.

The atmosphere was no longer as lively as before. No one dared to cause too much of a ruckus.

Su Bei did not expect such a situation. She could understand why Lu Heting was here, but why was Feng Ze here?

Didn't he always believe in money and investments? When did he change his mind?

With the sudden appearance of these two people, she was more annoyed than the others!

Mai Shanheng asked, "Lu Heting, why are you here?"

Lu Weijian spoke first. "Is there a problem with my brother picking me up?"

Chapter 950: Don't Take It Too Far

"Of course, it's not a problem!" Mai Shanheng thought about it and agreed. Lu Weijian had gotten drunk on past occasions. Lu Heting often came to fetch him.

However, Feng Ze was here too... Mai Shanheng suddenly remembered that Feng Ze had been investing everywhere in S Country.

Feng Ze was a unique person. Anything he invested in would become popular, and he would reap huge rewards even if he were to invest blindly.

What an enviable superpower.

Could it be that Feng Ze had invested in Su Bei's current production?

Du Luo came back to his senses and asked with a smile, "What were you guys playing just now? When we came in, all of you were looking at the door?"

Someone immediately said, "We were playing Truth or Dare. Su Bei picked Dare. On the front of the card, it was written that the player had to casually kiss a man in the room. On the back, it was written that the player had to kiss a man who came in from outside. She happened to choose the back, and you guys appeared! Oh right, when Su Bei was making her choice, Huixian was on a call with Du Luo. We heard that Du Luo would be coming here soon!"

The woman who spoke was on good terms with Su Huixian, so the meaning behind her words was obvious. It implied that Su Bei was deliberately coveting someone else's boyfriend.

When Du Luo heard this, he immediately looked at Su Bei and felt a little emotional.

Su Huixian had been too aggressive in her investments recently, which changed his feelings for her.

Did Su Bei really make such a choice because she knew he was coming?

As such, Du Luo felt that he had an obligation to save Su Bei from the abyss of suffering.

He immediately stood up and said, "Isn't it just a game? Since I got here first, I'll cooperate and help you complete the dare."

Du Luo's words made Su Huixian lose her reputation. What was a game? It was a kiss! One was her man, while the other was the woman she hated the most. How could they kiss each other?

She immediately smiled and said, "Du Luo, you're being rude to Mr. Feng and Mr. Lu by saying that. They came in at the same time as you."

Lu Weijian immediately said, "That's right. My elder brother was the first to enter! I'm afraid this has nothing to do with Mr. Du Luo, right?"

Feng Ze, who had been silent all this while, said quietly from a corner, "Who said Mr. Lu was the first to enter? What about me, huh?"

When he spoke, everyone realized that his voice was cold and pleasant to the ears. The women felt that they could get pregnant just by listening to him.

Mai Lele said quickly, "So... the three of you are fighting to kiss Su Bei?"

His words hit the nail on the head!

Everyone was stunned when they heard that. It really seemed like that was the case?

Su Huixian clenched her fists tightly. Du Luo actually expressed such concern for Su Bei in front of her! He was rushing to kiss her!

This was just like how it was previously when she was with Du Luo. Every time she was in front of Su Bei, she would flaunt her love and deliberately embarrass Su Bei!

Feng Ze said quietly, "Aren't we playing a game? Of course, we have to be fair and just. Otherwise, it won't be fun."

He denied what Mai Lele said.

Everyone, including Su Huixian, heaved a sigh of relief. Instead of watching the three men fight over Su Bei, they would rather it be a game.

The male artists did not want to see Su Bei being snatched away.

The female artists did not want to see three outstanding men fighting over Su Bei.

Su Huixian smiled as well. "That's right. This is a game. There's no need to take it too seriously!"
