

Heiress's 205

Chapter 205

Justin said those few words calmly. His heart was numb.

However, that sentence was like a nuclear bomb that landed on Rosalind's head. She was stunned, and her cheeks burned, as if she had been slapped.

Gregory and Shannon were also dumbfounded. Only Bethany could not help but smile sinisterly.

After what happened tonight, Bethany finally saw Rosalind's true colors. Rosalind used her as a scapegoat, so Bethany did not want Rosalind to marry into her family.

The wedding was only postponed. If it was up to Bethany, she would cancel the wedding and beat

Rosalind to death.

"Justin... Do you not want me anymore?!"

Rosalind was shocked. She held Justin's arm tightly as tears streamed down her face. "Is it because Anna happens to be Wyatt Thompson's daughter? Is that why you're going to abandon me? Do you regret divorcing her?!"

"Whether she is Anna Brown or Bella Thompson has nothing to do with us."

Justin slowly and resolutely pushed her hand away. His stunning eyes were cold. "I warned you not to cause trouble for her again, but what did you do? You repeatedly framed and slandered her, and even pushed her to the forefront. I don't understand why you hate her so much."

"No! Justin! I just wanted you to see Anna's true colors. I didn't want you to be bewitched by her again!"

Rosalind rushed forward in panic, but Justin took a step back. She missed him and almost fell to the floor.

“She has been lying to you from the beginning! You’re going to ruin our relationship of more than ten years just because of a wicked woman with ulterior motives... Don’t you feel sorry for me?!”

“She lied to me, but she never harmed anyone.”

Justin thought of Bella’s bright smile, which was once only for him, and felt regretful. His eyes were red as he said in a cold voice, “That’s it. You and I should take a break to calm down and think about whether we are truly suitable for each other.”

Rosalind watched the man leave. She felt like someone was strangling her throat, and she could not breathe.

How could this happen? How did they end up like this?!

Her dream wedding was gone just like that. Rosalind refused to accept this and swore to marry Justin at all costs.

After more than ten years of strategizing, Rosalind would not allow that bitch, Bella, to ruin her plans.

“Hmph! My grandson is a devoted person in relationships, but he’s not a fool. He can still

differentiate right from wrong! Ms. Gold, I thought you could at least keep up the act until Justin marries you before you show your true colors. I didn’t expect you to expose your devious thoughts so

soon.

Nigel became angrier as he spoke. The tip of his nose turned red. “It’s all your own doing that you two end up like this. You have repeatedly twisted the story, sowed discord, and bullied Anna!”

“Old Master, the young madam’s name is Bella now, not Anna...” Matt reminded Nigel in a low voice.

“Oh, what does it matter? It’s all the same!” Nigel did not care.

Rosalind’s fingers were intertwined. She was so angry and embarrassed that she did not know what to do.

Bethany, who was on the side, shrugged her shoulders and wanted to laugh. She felt relieved that Rosalind had been punished.

“Let’s go, Matt! I need a drink and some food!”

“Um... Old Master, you’ve drank a lot today during the party. For the sake of your health...”-

“I’m happier now than when I was at the party. Just do as I say. Don’t be such a nag...”

Nigel muttered and left with Matt.

The air in the living room was tense.

“Greg! Greg, you must persuade Justin to change his mind! The news of their marriage is widely known, so how can he cancel it now? It will only embarrass our family!”

Shannon was furious. She shook Gregory’s arm frantically, acting just like Rosalind. “You are Justin’s father, so he will definitely listen to you! Rose has waited for him for so many years. How can he just back out of the marriage so easily?”

Gregory usually doted on his beloved wife, but at this moment, he felt annoyed by her. His tone became a little colder as he said, “Is this the first day you know Justin? He’s stubborn and never goes back on his word. He is never impulsive and always thinks through the consequences before acting on
