Chapter 721 Massage and scratch

Anthony keenly noticed her gaze and narrowed his eyes.

He coughed on purpose.

Mavis was so frightened that she instantly regained her senses, making herself look embarrassed as if she had done something bad.

The wrist holding the glass shook uncontrollably.

"Sorry!"

The transparent drops of water overflowed from Anthony's lips, sliding down his sharp jawline, all the way to his Adam's apple and clavicle.

That string of crystals, moving with his breathing, made him look sexier and more lustful.

"I'm sorry. I'm really so sorry. I didn't mean it. I'll wipe it off for you."

Mavis felt guilty and insane, like a beast.

Anthony was so injured that his handsome face was beaten with wounds but she could still imagine wildly his Adam's apple when he was drinking.

The tips of her ears instantly turned red. She hurriedly took a tissue and helped Anthony wipe off the water stains.

The fingertips could occasionally touch the skin between his neck, which was soft and warm.

As soon as she raised her head and met Anthony's scrutinizing gaze, Mavis felt ashamed, and immediately retracted her hand like there was an electric shock.

"Okay...Okay, I wipe it up..."

Anthony stared at her with a pair of blue eyes, "You don't need to bother yourself to do these things in the future. There are servants at home. You can just use Callahan Residence as your residence. I won't interfere with what you want to do during the day."

Mavis lowered her eyes, "Dylan has already told me, I am your personal maid. As a maid, it is my duty to take care of you when you are injured. Otherwise the other Callahans should be suspicious."

He almost forgot about it.

Because Rebecca asked about it at the dinner table, and his relationship with Mavis was uncertain at the time, he casually said she was a private maid.

Mavis immediately put down the phone and followed his instructions, scratching and massaging.

Anthony felt a lot more comfortable, "Whom did you just call?"

"The HR of a real estate center called me for an interview. He thought that I am open-minded and a good person. He asked me to go to the interview tomorrow when I am free."

His brows furrowed in an instant. Anthony said in a low voice, "I just said that you will be paid according to your salary every month, so why are you still looking for a job?"

"There is no confrontation between the two."

Mavis clearly stated to Anthony, "First of all, when you're healed, you will continue to work in the group, leaving early and returning late, so I can't take care of you like a maid during these hours. Finding a job is not a conflict with this."

"When you reveal my identity at Callahan Residence, as the current maid, the Callahans will definitely reject me. I think I should have a proper job so that I won't be taken lightly."

"Besides, the marriage agreement given by you does not say that I can't work after marriage. I have to realize my value. I can't eat my head off every day at Callahan Residence. Am I right?"

Anthony was wordless.

She did have the talent to do business. When it came to this, he only said one sentence, and she said it as many as possible.

"It's fine for you to go to work, but you can't do sales. The interview is canceled tomorrow."

It was not a negotiation.

Mavis didn't understand, "Why?"

"Sales often have dinner parties. It's not safe for a young woman to be drunk outside. You have to prevent some scheming men from putting things in the water. Before you can make money, you might be in danger. Even if you cry and regret at that time, it is useless."

"I'm not going to cry." Mavis muttered softly, but she didn't refute. Anthony was right, and she really had to prevent these situations in advance.

Anthony didn't give her a chance to think, and said directly, "This matter is settled like this. You can find other jobs. Sales will not be considered."

"Mr. Callahan, this is my business..."

Anthony frowned slightly, put down his phone in a bad mood, and interrupted her, "Half an hour later, the group has an important video conference. I have to attend. You help me change a suit and bring my laptop."

Chapter 723 The bet is in progress

He originally thought she was crying because she felt bad that Anthony was seriously injured.

Unexpectedly, it was because she couldn't see Anthony wearing a small skirt.

"Woooh..."

Molly was crying pitifully and burping.

Chad caressed her back quickly, taking care of her, "Sooner or later, he'll wear it. Molly, don't worry. Your godfather's injury isn't healed yet. He'll hurt when you hold his cast like this."

He gave Anthony a frantic wink as he spoke.

Anthony understood. His left hand immediately supported the right arm in plaster cast. "Hiss", he gasped, and his eyebrows tightened in pain.

Molly obediently let go of his plaster cast and sat obediently to the side, with her big tearful eyes blinking from time to time.

"Does it hurt?"

Anthony smiled warmly, "It doesn't matter. I can bear it."

Chad saw his exaggerated pain acting skills, and rolled his eyes with disgust.

Molly stared at Anthony's arm cast and asked, "I thought I could see you and Chad wearing small skirts today, but I didn't expect your injury to be so serious. You would have to recuperate. How long?"

"Perhaps..."

Anthony pondered and glanced at Chad.

Chad was standing not far behind Molly, winking wildly.

He rolled up his thumb and forefinger to form a "three".

Anthony understood in seconds, "The recovery period for fractures is relatively long. The doctor said that the injured muscles and bones will take at least 100 days to recover. It is estimated that it will take three months."

Chad nodded in satisfaction and gave him a silent thumbs up gesture of approval.

Molly frowned and pondered for a while, "Does it really take so long? But Daddy said you have practiced martial arts since you were a child. Your body is very good. It is estimated you will recover in a few days."

Chad and Anthony were speechless.

Molly pouted, looked at Anthony and Chad a few times, and then continued, "You and Chad are trying to escape the bet, so you fool me, right?"

Chapter 724 Women's clothing

Chad's breathing was getting quicker, and he was really frightened.

He had been a straight man for 30 years, and now he was asked to wear a skirt and disguise as a woman. Did he still need his dignity?

He rolled down the car window, and the cold wind was blowing inside to calm himself down.

Anthony's cool voice sounded in the luxury car, "What? Worried about wearing women's clothes and being ugly? Feeling ashamed and wanting to jump out of the window and run away?"

Chad ground his back molars and slowly rolled up the car window, making no attempt to hide it.

"It's not that I'm afraid of being ugly. It's that I can't accept this kind of thing. Don't gloat in misfortune here. How can you be better than me?"

Although Anthony also felt awkward, his demeanor was much calmer than his.

"You've been training at NIB since you were a kid. You should have taken a disguise class. At that time, in order to hide your identity, you should have tried to disguise yourself as a woman, right?"

Chad was discouraged, "No! I'm very straight. I'd rather be caught by Malcolm and do 300 push-ups. I'm not willing to wear woman's clothes!"

Anthony raised his eyebrows, "Then you're finally going to make an exception today. You have to remember this kind of good day."

Chad got angry when he saw his schadenfreude. He clearly ended up with him, so why can he pretend to be so lofty and calm?

"You think everyone is like you. You will do anything to win the first place. Don't you want to be enchanting in women's clothes? I beat you too lightly that day. I should really beat you down and crawl so you can't get up!"

Facing Chad's frantic sarcasm, Anthony's mouth twitched, and he said two words lightly, "You can't wait?"

"Stop arguing~" Molly sat in the middle, like a peacemaker, "We arrive! Go!"

Chad hardened himself and got out of the car, and followed in the back, with resistance.

Molly held Anthony with one hand and Chad with the other, and jumped with them into the lab, all the way to Spencer's ward.

Spencer sat by the head of the bed, with stuff piled up at the end of the bed.

Taking a closer look, they were exactly the wigs, clothes and shoes that Molly just said.

"Come on Chad, as the winner of the bet, I'll let you choose first." Spencer was very positive like a salesman, "Do you want this little dress in black and white, or this little dress in white and black?"

Molly just remembered this, jumped off from Anthony quickly, picked up the phone and started taking pictures.

"Ah, yes, that's it! Raise your hand a little higher!"

"Raise your butt. Oh, such a beautiful man. Of course I have to take beautiful pictures~"

"You're great. Ten more!"

Anthony was speechless.

It was okay to wear women's clothes, but being forced to do poses was really excruciating as hell.

His entire body was rigid, like a robot without self-conscious. He raised his hands, raised his feet, and laughed, which was controlled by Molly.

Chad was sitting by Spencer's bedside, with his hands crossed.

He clearly suffered from being forced to take pictures a few minutes ago, but now seeing Anthony's devastated expression, he laughed heartlessly and was extremely gloating.

However, before he could laugh for two more minutes, Molly called him, "Come here, Chad. Let me take a photo of you two. You two handsome guys in maid costumes must be amazing!"

Chad refused many times in his heart, and forced a smile, "How can I be more beautiful than him? Why don't you take a photo of him? Why do you have to take a group photo? As soon as I enter the frame, it will lower the grade of his appearance. No, no, no, no!"

Molly pursed her lips and stared at him resentfully.

Spencer, who was undergoing an infusion, held his cheeks and said, "Chad wears women's clothes because Anthony is punished. If Chad refuses to take pictures, is it because Chad refuses to accept and is punished by my daddy? As the little inspector of the bet, should I tell my daddy?"

Chad's face changed instantly, "Spencer, I've always been nice to you, haven't I? You're hurting me like this?"

Spencer winked innocently. "How can it be to hurt you? You're disobedient. Molly and I are both children. There is no way to get you do it, so I can only tell my daddy."

Spencer turned on the children's smart watch on his wrist and made a call, "I really don't know what Daddy's reaction will be after knowing of it. Are you curious?"

He was not curious. He didn't want to know at all!

"Don't tell your daddy! I'll cooperate! I'll obey any orders you two give me."

Chad couldn't help but hum.

He was not suitable for being bullied! Can your vision be good!? he was a pure straight man!

...

Below were some fanciful comments about his physique.

However, among these 10, 000 comments, more was to discuss Anthony.

He was indeed too beautiful in women's clothes. Without makeup, he was a very good-looking beauty. In this regard, Chad was willing to be inferior, and he did not want to argue with him about winning or losing.

Chad continued to clean the toilet in the laboratory. He felt miserable but could not vent, so he had to work hard without complaining.

He stayed here until later afternoon.

Chad was cleaning the toilet on the second floor, when suddenly there were steady footsteps in the corridor.

Chad ignored it and focused on cleaning.

The footsteps behind him went all the way to the door of the toilet, and there was no movement. Chad was surprised and turned his head to look.

Malcolm, in a dark green military uniform, was leaning against the door frame of the toilet with his hands folded, and gazing at him calmly.

"The camera can smooth skin and beautify your skin. Netizens have boasted you and Anthony in women's clothes. When I look at it with the naked eye, it's not as exaggerated as they say."

Chad was a little bit resentful, "Bro, you just to come over to see me wearing women's clothes, and taunt me?"

Malcolm sneered lazily, "How can I be so boring? I need you to do an urgent mission with me. We will leave in an hour. Go and change your clothes. Come with me. I bring you the uniform. Be quick."

A large bag was handed to Chad.

Chad was cheering inside.

Chapter 727 Not a princess

After a while, Anthony asked with self-doubt, "You... want to chase me?"

The man scratched his head in embarrassment, smiled blankly, and his ears were all red.

This expression clearly showed that he had crush on him.

Anthony was speechless. How can he still meet a fool when he dresses up as a woman?

With a gloomy face, he no longer deliberately made the delicate sound, but said in the magnetic and low voice to threaten him, "I think you are tired of living and want to be beaten. Immediately, get out!"

The man was frightened by his voice and fell back, and was even more frightened by his aura.

Did he misjudge?

Wasn't she a lady?

"No... I'm sorry..."

The man ran away, as if he had run into a ghost.

This time, the safe passage was quiet, and no one bothered Anthony to smoke again.

Anthony sat with his legs crossed, looked contemptuous and smoked.

With an unobstructed view of the bottom of the miniskirt, he snorted lightly, "I can stand up and taller than him, but he wants to chase me. What a son of b*tch."

...

Molly spent the whole day in the lab with Spencer because of the kindergarten break.

When Lyra got off work, she came directly to pick up both kids. After finishing the toilet cleaning, Anthony left the lab.

He drove back to Callahan Residence.

Because of Chad's coercive order, he didn't change out of the women's clothes, and walked into the villa lazily rubbing the back of his sore neck.

The bodyguard at the door didn't see his face covered by the bangs wig, and stepped forward to stop him, "Miss, this is the Callahan Residence. You can't enter casually."

Anthony slowly raised his eyes and glanced at him coldly.

The bodyguard froze, felt that this face was familiar, but he couldn't remember who she was.

Pola and Lily were dumbfounded, and looked at Anthony in the maid outfit.

Did he go to some advanced cosplay event party?

The head of a top wealthy family with a height of more than 1.8 meters actually wore an enchanting miniskirt??

But they had to say he was beautiful, except that he was a little too strong. His face was so good-looking that Pola and Lily felt ashamed of their inferiority.

Dylan stepped forward and said, "What are you arguing about? Mr. Callahan and I can hear the quarrel over here."

Pola stumbled up from the ground immediately, and the sole mark was printed on the back of the clothes.

"Mr. Callahan, I'm innocent. The maid was cleaning the yard just now. Lily and I came to care about her, but she beat me with a broom! Lily and the surveillance cameras were watching!"

Anthony's face was cold, and his eyes were dark, making it difficult for people to see through his expression.

In the past, his expression of ominous anger would make other servants so frightened that they did not dare to breathe.

But today, with that maid outfit and wig, he looked like a glamorous and arrogant woman.

He ignored Pola and looked straight at Mavis, who was furthest away from him. "What do you say?"

Pola immediately glanced back at Mavis, silently threatening and signaling her to be careful.

Mavis said in a neither humble nor arrogant way, "Pola took advantage of her position and forced me to clean the yard. Just now, she took Lily to find fault, threw melon seeds all over the ground, and kicked over the leaves that I cleaned. I beat her with a broom. Then you came with Dylan."

She was just stating the facts, not saying anything she hoped Anthony would help her deal with Pola and Lily. Holding the wooden broom, she was standing straight with no bad conscience.

"She slandered me!"

Pola immediately retorted, "I accidentally stumbled on the piles of fallen leaves she was cleaning. Lily was eating melon seeds. It's normal to drop one or two. Mr. Callahan, you just heard it. She admitted it. She really beat me first!"

Lily nodded frantically beside her, "Yes Mr. Callahan, I have been a maid at Callahan Residence for five years. I have always been very honest..."

Mavis wrapped his neck involuntarily, and her cheeks were slightly warm.

He said she was his wife so naturally, and Mavis felt it sweet.

It was real and dreamy at the same time.

Among the people who were surprised, Dylan was the first to react, "It's great. Congratulations to Mr. Callahan. Congratulations to Mrs. Callahan!"

Pola glared at Mavis who was being held in Anthony's arms. Her heart clenched with envy, and her cognition was about to be subverted.

In her eyes, Mavis was not only a good-looking figure; she was the same kind of ordinary person. However, she was not even comparable to her in terms of education background.

But Anthony actually chose to marry Mavis ...

But soon, Pola discovered something was wrong, "I don't believe it. If she is really Mrs. Callahan, why did she not mention a word when I asked her some time ago. She even said she is your personal maid."

Anthony explained for Mavis, "I made her angry in the first two days of marriage. She is having fun with me. This is your turn to ask about it?"

Pola was choked.

Lily cried even louder. She was desperate and regretful, "If I know Mavis is Mrs. Callahan, I wouldn't provoke her with Pola. I was so wrong!"

Anthony didn't bother to listen to the noisy cries of the two women. He went into the villa with Mavis who was in his arms, and said to Dylan .

"Punish them according to the heaviest punishment in the contract. Besides, let them pack up and get out of here tonight. I never want to see these two women again."

"Okay, don't worry."

Anthony carried Mavis away without looking back .

Mavis stayed in his arms quietly, raised her head from time to time, and glanced at him secretly. It was really cool to be protected by him!

If he can always be nice to her like this, how good would it be?

Chapter 730 His childhood sweetheart

Anthony's hand, who was holding a bowl, paused, and he stopped talking.

Mavis glanced at his expression.

Recalling that the marriage agreement signed by the two was a hidden marriage, she said decisively and sensibly, "It doesn't matter. I don't really care much about wedding. As long as we are sincerely together and go hand in hand for the rest of our lives, that's enough. These rituals can be completely canceled."

"Also, Anthony is usually busy with work and has a lot of things to do, so how can he have so much time for the wedding?"

Timothy tutted and sighed, "You are really nice, very pragmatic, unlike those young ladies who are squeamish."

After he said this, Rebecca immediately became unhappy, "What are you talking about, Timothy! Who is squeamish!"

She was sitting next to him. Did he point at other people but abuse her?

Timothy smiled awkwardly, "Haha, it's not about you. Don't think too much."

Anthony, who didn't speak in the main seat, answered, "What's wrong? Rebecca is originally our beloved lady, our cutest little sister."

Rebecca was so happy that she seemed to overwhelm Melissa's place in Anthony's heart.

"Anthony, you're the best~" She winked at him and her fingers gestured for a heart shape.

Anthony just laughed and continued to eat.

Timothy glanced at them, then focused on Mavis again, and continued the conversation just now.

"Mavis, although you are considerate of Anthony, and you don't care about the wedding, I always feel a little wronged if you don't have it."

With the idea, he was eager, "How about this? First announce the news of your marriage on the official website of Callahan Group, and wait for the wedding to be held in the future when Anthony is free?"

Mavis' face stiffened.

Wasn't this meal tonight on the topic of the wedding?

"Anthony, what's your opinion?" Timothy looked at Anthony.
