BY THE WAY MY HEART IS IN HAVANA AND CHOCOLATES WHERE IS YOURS?

Nanidni pov :-

A er manik le i went to kitchen because i was hungry those three followed me like lost puppies. thing's best friends to get some information out of you , typical people. I made sandwiches and we sat in hall to eat silently listening to silence of each other . I didn't want to lie to them but we can't declare our marriage to anyone because of paparazzi and that mess .

i smiled kindly and kept my plate in kitchen came back and sat on couch started speaking " Manik and me we were back together in degree remember when we had him as our substitute teacher then i was a little different and all he helped me find myself , he le the college a er our professor cam back then we meet outside college he took me to a date and made me meet his friend's and that bitch sneha was also there ". i widened my eyes at the use of that word. i was the one who shut their mouth when they cursed any girl .

Even if the girl is bad or doesn't have character i don't like when they say such words because i feel girls should have each other's back but here am cursing on a girl who is pouncing on my husband . Mukti giggled " Arey i already like manik , since you are using those words now it's because of him he changed , you are literally not innocent anymore and what made you call that so called sneha a bitch ???" .

wtf ! why is mukti so excited to know about her it's so annoying and nauseating . i smile and try to ignore that question looking at my thighs. oh my thighs are really more interesting than answering her .

Alia sat beside me and bumped her shoulders to mine raising her eyebrows in a clear indication that she needed me tell why i hate a girl so much? , i think i need to tell them . " she had her hands and legs on manik recently , something happened she was trying to get attention from manik like come thirsty virgin " .

soha started laughing stupidly she finds this funny mad girl she doesn't know how much i love that crazily controlling man . I sat there taking the plastic flowers from the vase on table and counting them .soha came and sat briskly on my side took my hand in her's a er keeping the plastic flowers in it's place.

" Nandini i understand this is all new to you , you never had a boyfriend but don't get that jealous i can see through the guy he looks totally smitten by you by the way if he hurt's you i will punch him remember i learned i learned boxing from my abhi " .

i looked at mukthi suddenly she took a sharp breath as soha called abhi her's . Abhi was my friend from degree college he treated me as a sister and he is friends to all these people but i know he likes her he tired to ask her on a date and she did her thing. that thing where she act's completely rude and bitchy because she likes a guy practically i think she doesn't know hoe to react to what she feels for him . Once upon a time ago i was there confused and now here am secretly married . I felt an urge to giggle i giggled loudly and was feeling weird sensation all over my body , that sensation of urge to tell truth to my best friends .

i giggled and said soha " No need to punch him soha , he isn't that bad you know but at times it's hard for me because he has a lot of work and then we fought because of her he literally le i was angry and hurt , i sulked for days in my room without enough food . Today i fainted due to that weakness he was furious that i didn't take care of myself , i love him so much to love a guy is great but naturally it comes with a lot of overthinking and insecurities for me " .

Mukti got up from opposite couch and sat on the table (glass table) in the hall , this girl is interested in speaking a lot today only to distract me about abhi . " See i don't know what your insecurities are are you fat ? no you are cute and then your face it's shinning with a er love making e cts now tell us this why are so insecure about yourself nandini ? you are a kind women with a good heart it's like you have brain and boobs why do you worry so much any guy would jump at you because of your wittiness and smiles . Tell me why you feel so ? now i thought it's just a moment you think but you are so insecure and it's just not good " .

i think i need to say no i shouldn't say , I should say no i shouldn't oh alia and soha caught my hands and i stopped thinking i know i had to say . " So manik's parent's want him to marry soha and settled down because her parent's are their friends and he keeps rejecting me because he loves me but their parents don't approve me i know that and it makes me feel a bit insecure ,see he has all time option to jump on a girl who has looks of a model and body of perfection . So i feel insecure manik said me again and again not to worry and that he loves me but you know i overthink a lot , it's frustrating how low i think of myself at time but i feel it's true too" .

soha played with my ring " So what do you think is the solution ?" . i didn't think i knew the solution was marriage . " i think marrying him is the only way i will know he is mine forever " . mukti sat straight so did the two sitting on my either side now they know how serious about him. i would never say them about our secret marriage i can say that i want him anyway i can have him right .

We turned towards to hall at clicking sound of heels on my marble flooring . WHAT THE ACTUAL FUCK ? HOW DARE SHE COME HERE ? . she smiled at my friends and me . i straightened my shoulders in a business like if this sneha needs what's mine i will give her a piece of my mind .

She smiled and said " Its nice to meet you nandini " . the way she said my name was enough to know she loathed me like i her but she crossed the line by doing whatever she had done to my parent's.

whoa it is late update ?i dont know it's been two days right ?

Happy women's day survivors am wishing late because i have these mood swings lately . WHAT DO YOU THINK SHE WILL DO TO THAT SNEHA ?
