

Book 2

That's right my lovely readers! The sequel is out.

I kind of forgot to make the announcement here. So there it is. Lol.

The sequel follows the lives of Kyle and Timothy. The first 10 chapters or so will be about Kyle and how he meets Lilian. After that it will focus on young Prince Timothy and his life with Isla Victoria.

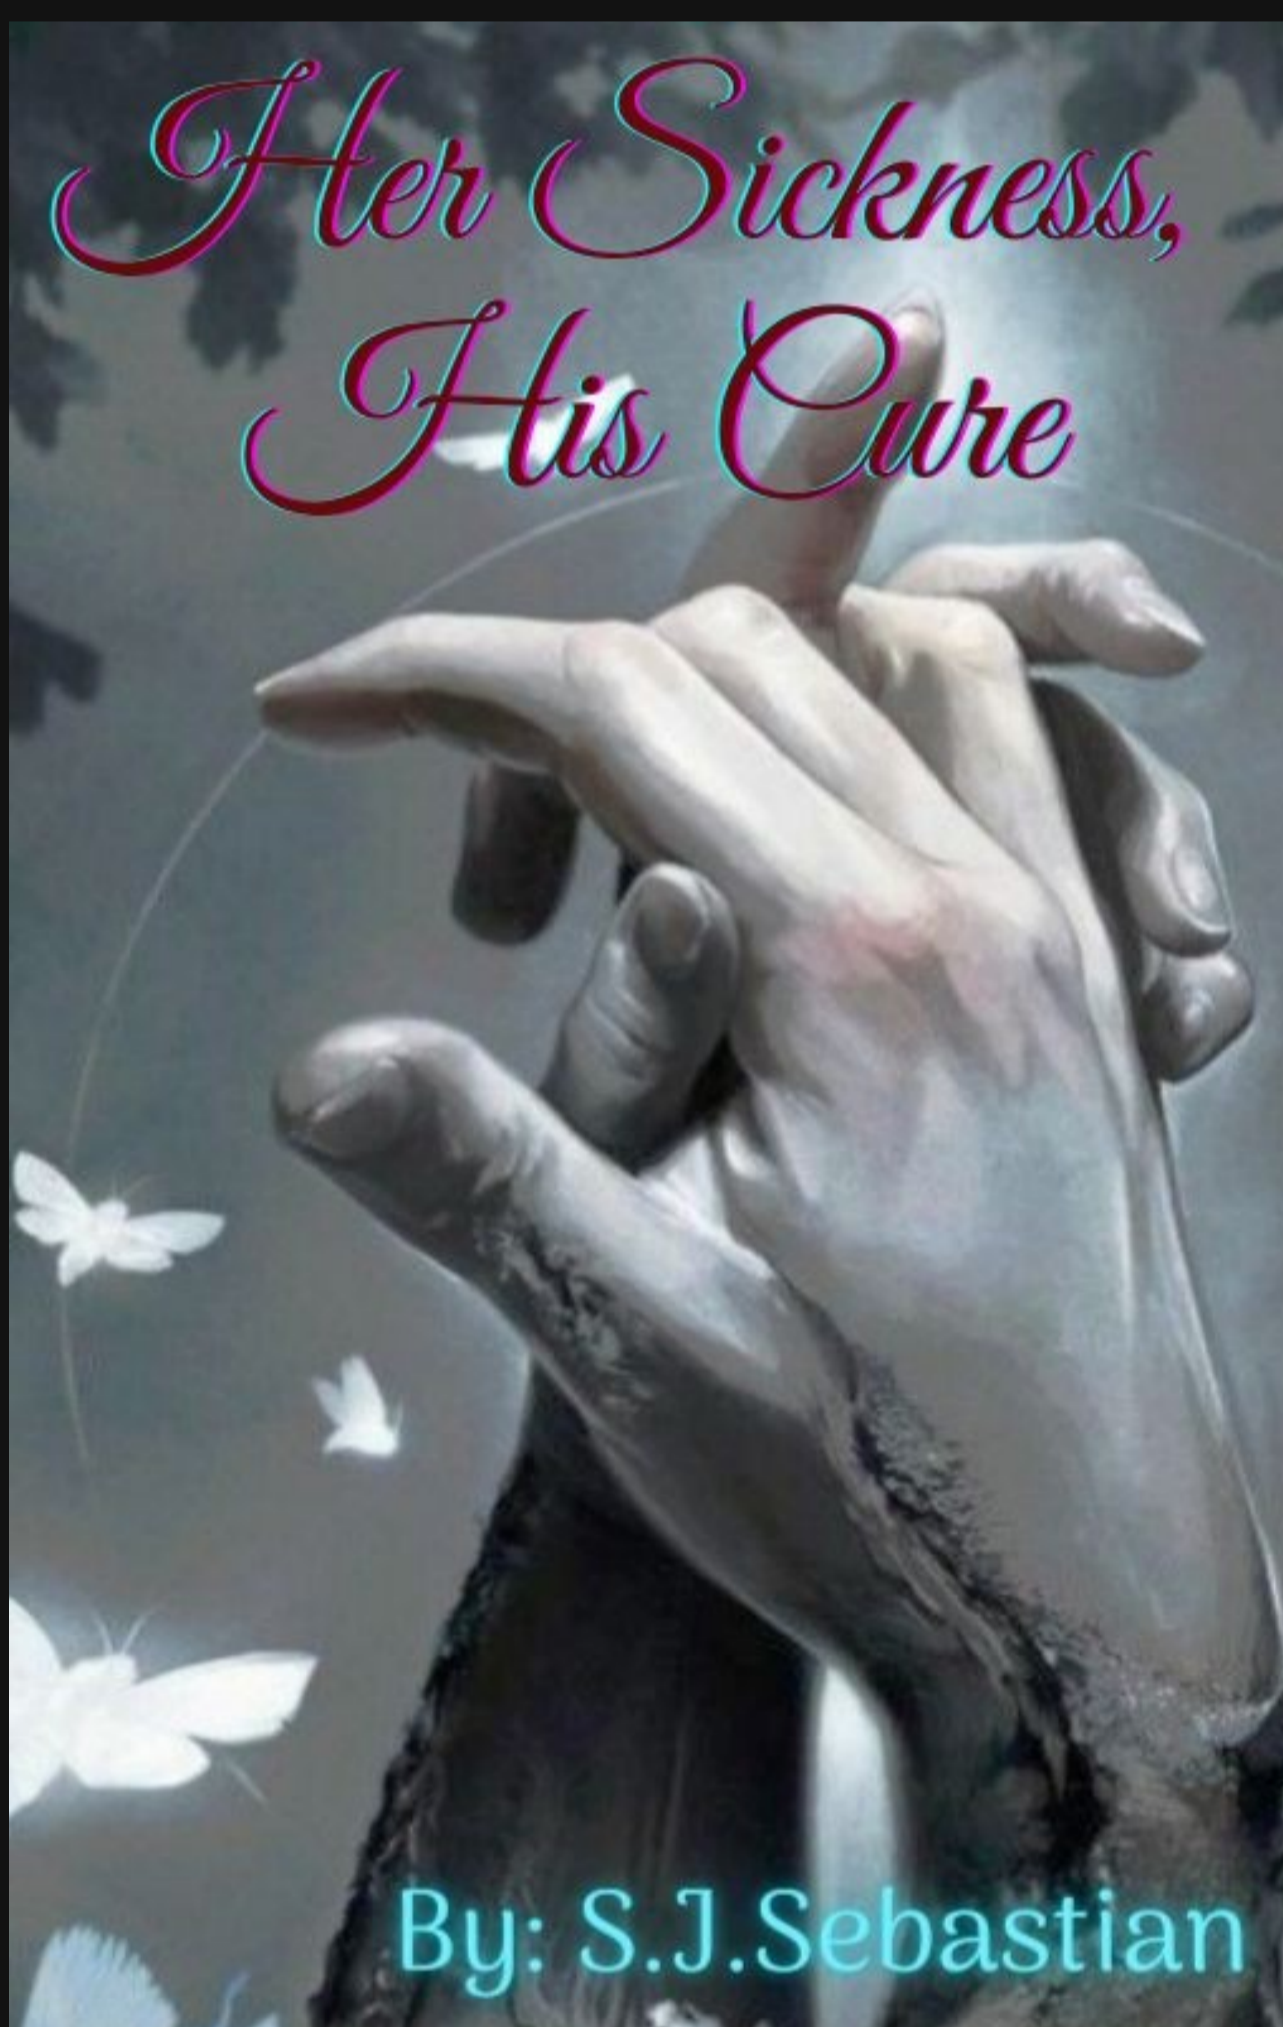

Of course there will be other exciting stuff going on too. 😊😊

All the characters will be present and the younger characters will play significant roles as the story progresses into Prince Timothy's life.

I'm gonna write this story with an open mind and just allow myself to really explore my writing and all the characters. If there is room for more spin-offs, so be it.

Do check it out if you want to know more about Kyle and Prince Timothy's lives.

The new book is called Her Sickness, His Cure.

Have a wonderful day lovely people! God bless you guys. Stay safe. 🍀🍀🍀😊😊😊

📌 You've finished reading **Her Darkness, His Light (Book 1)** 📌
