C121 To Smack One's Face with One's Strength

After a moment of commotion, the crowd gradually calmed down.

Professor Tao swept his gaze across everyone and said: "Just now, Wu Tian was very good at teaching. This caused me to be unable to help myself from having a whole new level of respect for the students of Luzhou. Our Luzhou is truly full of talented people."

After saying this, his tone changed as he said, "Next, let's invite another student to go up on stage and express his opinion."

After saying this, the atmosphere became tense.

At this time, even more people were unwilling to go on stage. If they were to go on stage worse than Wu Tian, it would definitely be very embarrassing.

Probably no other person in all of Luzhou could surpass Wu Tian.

While everyone was feeling uneasy, Professor Tao slowly spoke up as he looked at the name list, "Student Lin Tao, please come onstage."

Upon hearing those words, everyone's gazes immediately fell on Lin Tao.

Lin Tao was initially worried, thinking that he shouldn't be allowed on stage, but in the end, he was chosen.

He was really afraid of that, and that was the result.

In this situation, he could only brace himself and go up onto the stage. At the same time, he repeatedly warned himself not to be nervous, that he had to behave properly.

He must not lose face in front of his classmates and Lin Weiwei.

The more he thought about it, the more nervous he became. He immediately said, "Respected tycoons, no, it's the leaders. Good morning, everyone. No, good afternoon."

When these words came out, the entire audience burst into laughter.

While everyone was laughing, Lin Tao became even more nervous. He even started to stutter and his legs were shaking violently.

The leaders present were all disappointed. One by one, they shook their heads and sighed, feeling as if the entire face of the Luzhou University had been thrown away.

He explained in detail. His logic was chaotic, and he had no plans at all.

The crowd below the stage couldn't help but discuss quietly. They felt that Lin Tao was way too lacking, and they didn't know how he could become the head of the Student Council.

With such a comparison, everyone felt that Wu Tian was very outstanding. As for Lin Tao, he could only be described as miserable.

After saying a few simple words, Lin Tao hurriedly stepped down from the stage. Hearing everyone's mockery and laughter, he couldn't wait to find a hole and hide in it.

He had never been as humiliated as he was today, especially the leaders, who looked at him with anger in their eyes.

When he returned to his seat, he found that Lin Weiwei was looking at him with disdain, a look that made him unable to raise his head.

He had never been as humiliated as he was today.

The reason why he became like this was all because of Wu Tian. He secretly became ruthless in his heart and wanted to find an opportunity to teach this brat a lesson.

And so, Professor Tao's lecture ended.

After a simple closing speech, Professor Tao took the lead and left, along with the other guests.

As soon as Wu Tian and Lin Weiwei walked out of the media center, they were blocked by a group of girls who clamored to add him to their WeChat.

After Wu Tian found all sorts of excuses, he ran out of the campus with Lin Weiwei. He was afraid that he would become the public enemy of the boys.

"Right now, you're a person with a lot of fame." Lin Weiwei put her hands behind her back and said with a smile.

"I don't want to be a celebrity."

"Why don't you want to be popular?"

"People are afraid of being famous, but pigs are afraid of being strong. The main reason is because I don't want to cause trouble."

"You're interesting." Lin Weiwei pursed her lips into a smile and changed the topic. "There were a few pretty girls who wanted to add you to WeChat just now, why did you ignore them?"

"Are they beautiful?"

"Of course they're beautiful. One of them is even our school's beauty!"

"Perhaps it is very pretty, but compared to you, it is still far from being able to compare." Wu Tian didn't try to please her, he just said the truth.

In comparison, Lin Weiwei was indeed very beautiful with a flawless face. However, her figure was slightly inferior to Shen Xue and Huang Lan.

"Is that so?"

Hearing this, Lin Weiwei blushed a little and said in a low voice, "You seem to be an honest person. I didn't expect that you would be like the other boys and say such flowery words."

"What I said was the truth. You are indeed very beautiful, with a delicate face and exquisite facial features, making others not get tired of looking at you."

"Am I really that good?" Lin Weiwei was so happy that she couldn't even close her mouth.

All girls liked to talk sweet talk, and Lin Weiwei was no exception. Moreover, he was the boy she liked a lot.

"You are indeed very beautiful, but there are still flaws."

"What's wrong with me?"

"Your figure is slightly mediocre."

"Ugh ..."

Hearing this, the smile on Lin Weiwei's face instantly disappeared. She angrily bit her lips and said with a red face, "What do you mean?"

"What I mean is ..."

"Hmph, you're annoying." Having said so, Lin Weiwei stomped her feet in anger and walked to the front.

After walking a few steps, she couldn't help but check secretly. She never felt like she had a small chest, she didn't expect that Wu Tian would despise her.

Seeing that the girl was angry, Wu Tian quickly caught up with her, "Did I say something wrong?"

"What do you think!"

"Uh, sorry, but I was just casually saying that. Don't take it to heart." Wu Tian apologized and quickly tried to please her: "How about this, I'll treat you to a meal as a form of apology. How about it?"

"That's fine." Lin Weiwei wasn't really angry, it was just that she felt that Wu Tian despised her body shape and that she cared a lot about it.

This was the first time she was disliked by a boy.

"There's a small restaurant across from us. Let's go there to eat." After Wu Tian said this, he walked towards the restaurant first.

Lin Weiwei followed him like a little bird following a human. Being with Wu Tian made her feel very happy and safe.

The moment the two entered the restaurant, the owner welcomed them enthusiastically, "Young couple, what would you like to eat?"

"I don't have that kind of relationship with him." Lin Weiwei's face reddened as she quickly retorted. She didn't want to be misunderstood by her boss.

"Don't lie to me. I can tell that you two are lovers with just one look. You two look very much like husband and wife, a perfect match." The boss had a serious expression on his face.

"I ..."

Lin Weiwei couldn't be bothered to argue anymore. She just obediently sat in the corner with a blushing face.

Wu Tian smiled embarrassedly and said to the owner, "Fry some good dishes for us and open two bottles of beer."

"Alright!" After answering, the boss started to get busy.

He quickly cooked and opened two bottles of beer.

Wu Tian poured two beers and pushed one to Lin Weiwei, "The weather is hot. Have some beer to relieve your fatigue."

"Do you guys like to let girls drink, get drunk, and then do something?" Lin Weiwei blinked her large eyes doubtfully.

"I don't think so."

"Hmph, I knew you wouldn't admit it." Lin Weiwei took a sip of her beer and complained, "It's too hard to drink. I won't drink it."

"Forget it, then. You can drink the juice." Wu Tian didn't force her. He quickly opened the juice and poured a glass for Lin Weiwei.

While the two of them were drinking and chatting, Lin Tao barged in with two hooligans behind him.

Lin Tao had been following them the entire way to this restaurant.

Seeing Wu Tian and Lin Weiwei's intimate actions, he was so angry that he was about to explode.

In a fit of anger, he called the two guys at the Game Hall and asked them to come over and teach Wu Tian a lesson. He asked them to avenge him.

## **Hidden Billionaire Chapter 122 - The Person I Want to Beat Is You! -**

C122 The Person I Want to Beat Is You!

"Bam!"

Lin Tao kicked open the restaurant's door and led the two hoodlums towards Wu Tian.

When Lin Weiwei saw Lin Tao bringing people over, she knew that he was going to harm Wu Tian. She quickly got up and stopped him, "President Lin, what are you doing?"

"I want to teach this kid a lesson." Lin Tao did not conceal his anger towards Wu Tian as he shouted loudly.

"Don't be like that, he's my friend ..."

"What dog-shit friend is this? This brat clearly wants to get you into bed." After Lin Tao finished shouting these words, he instructed the two hoodlums behind him, "Do it, help me teach this brat a lesson."

"Alright!"

After the two hoodlums received their orders, they pounced towards Wu Tian.

"Stop!"

Seeing that things were not going well, Lin Weiwei hurriedly stood up and spread her arms in front of Wu Tian, "I'm here, you are not allowed to hurt him."

"Weiwei, get out of the way. I must teach this kid a lesson today." Lin Tao could not vent out his anger at all.

Today, no matter what, he had to teach this brat a lesson in order to quell the anger in his heart.

"If you hit him, I won't let you go."

"You ..." Seeing Lin Weiwei defending Wu Tian like that, Lin Tao was so angry that his body trembled.

For a moment, the atmosphere was deadlocked.

"Weiwei, this is between men. Stand behind me so they don't hurt you."

"But ..."

"Don't worry, I can handle this small matter." Wu Tian did not give Lin Weiwei a chance to speak. He forcefully pulled her behind him, raised his head and looked at Lin Tao, "President Lin, since you are Weiwei's classmate, I do not want to fight you. Let's go."

"You don't want to fight me, but I still want to fight you." Lin Tao raised his head. At this moment, he was like a rooster ready to fight.

After roaring out these words, he turned around and ordered the two hoodlums, "Attack him together and teach him a ruthless lesson for me."

"No problem."

The two hoodlums slowly approached Wu Tian.

When the distance between them was less than half a meter, the two of them attacked at the same time. They swung their fists at Wu Tian's face, using cruel and ruthless methods.

"Go to hell!"

Seeing the two hoodlums being so fierce, Lin Weiwei cried out in fear, her heart hanging in her throat.

At this moment, she was extremely worried, afraid that Wu Tian would be injured by the two hoodlums.

Just as their fists were about to reach Wu Tian's face, they saw Wu Tian quickly lean backwards and dodge the attack.

At the same time, Wu Tian raised his right leg and kicked one of the hoodlums, knocking him to the ground.

His right hand was also not idle as he suddenly punched out, causing the other hoodlum to fall backwards and fall to the ground while wailing incessantly.

Just like this, in a short moment, Wu Tian easily defeated two hoodlums. He basically did not put in much effort.

Lin Weiwei finally breathed a sigh of relief.

She couldn't help but be shocked when she saw the strength and sharp technique Wu Tian displayed just now.

She didn't expect the boy in front of her to be so strong despite his weak physique. It only took him three moves to subdue two hoodlums.

At this moment, she looked at Wu Tian with a more obsessed expression than before.

After dealing with the two hoodlums, Wu Tian turned to Lin Tao and said coldly: "The people you brought are too weak."

"You ..."

Lin Tao was so scared that his body trembled. He retreated a few steps back. At this moment, his eyes were filled with fear and unease when he looked at Wu Tian.

Even in his dreams, he would never have thought that the weak and foolish brat in front of him was so valiant that he could easily take care of the two helpers he had brought over.

"Now it's your turn." Wu Tian hooked his fingers at Lin Tao and provoked him, "Come on, let's do it!"

"I won't fight you." Frightened, Lin Tao hurriedly hid behind the table.

He had just seen Wu Tian's abnormal skills.

Even those two gangsters were not his opponent, so it was even more so that he was not worth mentioning. Now that he had made a move, it meant that he was looking for a beating.

"You don't need to fight, I'll hit you." Wu Tian clenched his fists and slowly approached Lin Tao.

At this critical moment, Lin Weiwei rushed forward to stop him, "Wu Tian, let's forget about it. After all, he is the president of our department. It would be bad for you if we hit him."

"Alright, on Weiwei's account, I'll let him off." Wu Tian retracted his fist.

He had only intended to intimidate Lin Tao, but he didn't really intend to make a move either.

However, he still couldn't help but warn him, "If you dare to cause trouble for me again, don't blame me for being rude to you."

"Yes, yes, yes." After Lin Tao answered, he turned around in fright and ran out of the restaurant in a flash, afraid that Wu Tian would catch up and attack him again.

The two hoodlums did not dare to stay any longer and followed him out. Soon, the restaurant returned to its previous tranquility.

"I'm fine!"

Lin Weiwei breathed a sigh of relief secretly and praised Wu Tian with a smile, "You are so skilled. I feel a sense of security being together with you."

"What is it? You're interested in me?" Wu Tian joked.

Lin Weiwei's face reddened as she quickly denied it. "I'm not tempted at all. I just think you're very powerful."

"It's only beating away two hoodlums. It can't be considered powerful."

"In any case, you're more powerful than a lot of guys. The way you fight is fierce and domineering, as if you've gone through professional training."

"You're too kind." Wu Tian grinned. From the looks of it, this period of training had been very effective. Even Lin Weiwei felt that he was very professional.

"What should we do!?"

The restaurant owner, however, couldn't help but sigh.

Looking at the broken table and chairs in the dining hall, he felt a pang in his heart. It would take him a few days to recover from this loss.

Wu Tian saw the depression in the restaurant owner's heart, so he took out 10 100-yuan bills from his pocket and handed it over, "Boss, this is to compensate your restaurant's losses."

"You're too good!"

Seeing the young man take out so much money at once, the restaurant owner's eyes lit up. He was so excited that tears almost rolled down his cheeks. "Young man, you're such a good person!"

The tables and chairs were all smashed by those hoodlums who ran away. He did not expect that this young man in front of him would take the initiative to bear the losses. This made him excited.

"Destroying your dining table and chair, I should compensate you." Wu Tian handed the notes in his hand to the restaurant owner, "Take it, change it to a new set of table and chair."

"Not so much, this is too much."

"The rest will be treated as the money we gave you and the loss of your mental health." Wu Tian forced the money into the restaurant owner's hands.

The owner of the restaurant took the money, bowed and thanked him profusely. "Thank you, kind people. Thank you, kind people."

"Alright, hurry up and clean up the restaurant. We'll continue eating." After Wu Tian said this, he pulled Lin Weiwei back to his seat.

Lin Weiwei held her chin with both hands and looked at Wu Tian like a lovestruck fool. "I didn't expect you to be so caring."

"It's not easy for Uncle to open a restaurant to do business. If he breaks the dining tables and chairs, he will definitely lose money." Wu Tian acted like it was a matter of course.

"For this love, I respect you." Lin Weiwei raised her glass of beer and smiled.

"I thought you didn't like beer?"

"Looking at how energetic you are, I also want to learn to drink."

"Aren't you afraid that I'll bully you after you get drunk?"

## Hidden Billionaire Chapter 123 - Too Rich -

C123 Too Rich

"No!"

Lin Weiwei shook her head and said with a smile, "I believe you're not that kind of person. You wouldn't do those dirty things."

"Thank you for trusting me so much, then don't drink so much." Wu Tian raised his glass and clinked it with Lin Weiwei's, then drank all the beer in the cup.

Lin Weiwei followed suit and gulped down the beer, coughing up the beer in two gulps. It was a painful look on her face.

"Stop drinking." Wu Tian snatched the wine cup away with a bit of heartache and quickly handed the tissue over.

Lin Weiwei coughed for a long time before she awkwardly pursed her lips. "I was really humiliated just now. I've let you down."

"People who drink for the first time do." Wu Tian grinned. In order to dissolve the awkwardness in Lin Weiwei's heart, he took the initiative to change the topic, "I have nothing to do in the afternoon. I'll accompany you for a walk."

After saying that, he stood up and made a gesture of 'please'.

"Uh, alright then!" Lin Weiwei couldn't find a reason to reject Wu Tian, and she was also willing to accompany Wu Tian out shopping.

Just like that, she followed him out.

This was the first time she was accompanying a boy in shopping. For some reason, she felt some anticipation in her heart, but it was unknown what she was looking forward to.

The two of them strolled around the street a few times without speaking to each other. However, they both felt extremely relaxed in their hearts.

When they arrived at the entrance of a clothing store, Wu Tian suddenly stopped. He turned around and suggested to Lin Weiwei, "How about I buy clothes for you?"

Every time he looked at Lin Weiwei, she seemed to be wearing very old clothes. The clothes on her body had obviously already lost their color and she was reluctant to throw them away.

Obviously, this girl was usually very thrifty and would definitely not be willing to spend money on her. That was why Wu Tian had such a thought.

"Thank you for your kind intentions. No need." She didn't want Wu Tian to waste so much money on her.

"There's no need to be polite between us. Let's go, I'll buy clothes for you." Wu Tian took the lead and walked towards the specialty store without any further explanation.

Lin Weiwei pondered silently before following him in.

However, she couldn't help but let her imagination run wild: Why did Wu Tian accompany her shopping, and even bring her here to buy clothes?

Could it be that Wu Tian wanted to woo her?

If the boy confessed to her, would she agree?

As Lin Weiwei thought about this, she could feel her face getting redder and redder. Even her breathing became a little ragged.

Wu Tian naturally didn't know Lin Weiwei's true thoughts at this moment. He only wanted to bring this girl to buy a few sets of clothes.

As the two of them walked into the clothing store, they noticed that a few salespeople at the door seemed to be ignoring them. Their eyes were clearly filled with contempt.

In their eyes, Wu Tian and Lin Weiwei were no different from beggars. They looked down on such people.

Wu Tian didn't mind the attitude of the sales representative. He took Lin Weiwei into the clothing store and walked a few rounds around.

Finally, he stopped in front of a shelf with a short skirt hanging on it. He pointed at the short skirt and said to the salesperson, "Bring me this dress. We want to try it out."

"Don't waste your time. Even if you try, you won't be able to buy it." One of the tall salesmen said ruthlessly, looking down on them.

"How do you know we can't afford it?" Wu Tian asked in an aggressive tone.

He hated these people the most. They treated the rich as if they were their lords, and the common people as if they were not human beings.

The tall salesperson crossed her arms as she spoke in a disdainful tone, "Do you know what kind of dress this is?"

"I don't know."

"You look like a country bumpkin who's never seen the world." The salesperson pointed at the skirt and introduced, "This is a custom-made version with a global limit. The price is \$30,000."

She purposely emphasized the word "dollar" in order to show the value of her clothes.

"Oh my god!"

Upon hearing this price, Lin Weiwei couldn't help but exclaim. She didn't expect that such a dress would cost 30,000 beauties and more than 180,000 yuan.

She had been to a lot of shopping malls in the past, but this was the first time she saw such expensive clothes. It was really scary.

She reached out her hand to tug on Wu Tian's arm and whispered, "The clothes here are too expensive, let's go."

"You two country bumpkins, you should leave quickly. Don't embarrass yourself here." The tall salesman coldly snorted. His words were like an ice-cold bayonet.

"I'll buy it."

Wu Tian tilted his head up confidently.

Forget about 180,000, he wouldn't be stingy even if it was 1.8 million.

Naturally, he could not allow the woman beside him to be humiliated in vain. No matter what, he had to get back some face for Lin Weiwei.

"You!"

"Hahahaha ..."

Hearing this, a few salespeople in the store couldn't help but laugh out loud, as if they had heard the funniest joke in the world.

After a round of mockery, the tall salesperson sarcastically said, "With a bumpkin like you wearing shabby clothes and smelling like copper, how are you going to buy it?"

"Here you go!"

Wu Tian took out his bank card and slapped it on the table. "Cut the crap, just swipe my card."

"You act pretty good, do you have money in your bank account?"

"Do you want me to check it out for you?"

"Check, check it out!" The sales clerk pointed at the card and shouted, "If the card costs one hundred and eighty thousand yuan, I'll eat it in public."

She was certain that this brat in front of her was a pauper. Not to mention one hundred and eighty thousand yuan, he might not even be able to pay her eighty thousand yuan.

"Alright, just wait." Wu Tian was too lazy to waste time on nonsense. He directly took out his phone and dialed the bank service number. At the same time, he switched on his phone.

Soon, he heard the customer service assistant's voice over the phone, "Respected guest, your current balance is one hundred and forty-nine million."

Boom!

After hearing the balance of the account, the salesperson was so shocked that her eyes almost popped out of their sockets.

Never in his wildest dreams would he have thought that this brat in front of him had a balance of nearly 150 million.

Oh my god, over a hundred million. This is such a f \* cking wealthy person.

All the salespeople in the store were shocked by the balance of the card. Everyone's expression was exaggerated to the point that it was somewhat distorted.

Who would have thought that such a young, mediocre boy would have so much money?

Those salespeople couldn't smile at all. They stared at Wu Tian as if they were looking at a monster.

They had seen plenty of rich people, and billionaires at such a young age were definitely few and far between.

They had previously mocked this brat as a poor bumpkin. However, they didn't know that this brat could casually take out his bank card and have over a hundred million.

The salesmen felt as if their faces had been slapped. Their faces alternated between shades of green and white, while their expressions became extremely unsightly.

This was probably their worst mistake.

Who would have thought that such a mediocre youth would be an extremely wealthy man?

They wouldn't have believed it if they hadn't heard the balance in the bank card.

Even Lin Weiwei was shocked by the balance in her bank account as she stared at Wu Tian with wide eyes.

She knew Wu Tian was very rich, but she didn't expect him to be this rich.

Oh my god, the balance was over a hundred million.

What kind of concept was this?

For ordinary people, it was simply an astronomical figure.

## **Hidden Billionaire Chapter 124 - A True Tycoon Pseudo-earthly Millionaire? -**

C124 A True Tycoon Pseudo-earthly Millionaire?

After staring blankly for a long time, those salespeople finally came back to their senses. They changed their attitude from before and quickly curried favor with Wu Tian:

"Boss, we were in the wrong before. Please don't lower yourself to our level."

"Yes, yes, yes. You're the big boss, so don't get angry at us petty people. Please take a seat. I'll make coffee for you two."

Several salesmen busied themselves, moving chairs and making coffee.

Knowing that Wu Tian was this kind of tycoon, they all treated Wu Tian like a god of wealth, desperately trying to curry favor with him.

There were even two salespeople who stuck their bodies on Wu Tian, acting all coquettish and wanting to take off their clothes.

It was a good opportunity for a salesman.

If they could get on this billionaire, it would be like flying up a tree and becoming a phoenix. They wouldn't have to worry about eating and drinking for the rest of their lives.

It was a pity that they made a mistake in their plans. This move had no effect on Wu Tian.

Wu Tian pushed the women away from him and shouted coldly, "Stop messing with me, you're half a meter away from me."

With this shout, the sales staff all awkwardly retreated to the side.

"Look at what you guys are like." Wu Tian pointed at their noses and reprimanded them mercilessly, "Don't you think it's shameful for you to treat ordinary citizens like beggars and rich people as your godfathers?"

The salespeople kept their heads low and did not say a word.

This was in line with the old saying: no man who has no money speaks worse than farts, and the farts of the rich are true.

If Wu Tian was just a poor kid, he would definitely be beaten up by the sales representative and kicked out of the clothing store.

But now it was different.

The salesperson knew that Wu Tian was a billionaire, so they could only endure being scolded like that. They didn't even dare to fart because they didn't dare to offend this kind of rich boss.

Standing at the back, Lin Weiwei's anger was greatly relieved.

She felt an indescribable comfort in her heart when she saw those despicable salesmen being scolded in such a manner.

Her vanity was greatly satisfied when she thought of the fate that had befallen the salesperson who had humiliated her.

She now had all the dignity and face.

It was all thanks to Wu Tian. It was Wu Tian who scolded the salespeople, saving her face and dignity, so that the salespeople wouldn't dare to act brazenly in front of her.

Wu Tian lectured the sales staff before instructing them, "I'll buy that dress and swipe the card."

"Wait!"

Upon hearing that he wanted to buy the dress, Lin Weiwei hastily stopped him, "Forget it, that dress is too expensive. I don't want a dress worth one hundred and eighty thousand yuan."

Not to mention 180,000 yuan, even a 2800 yuan dress was quite extravagant.

"Money isn't a problem, I just feel that this dress is especially suitable for you, as if it was custom-made for you. Why don't you try it out first?" Wu Tian suggested.

He liked the dress the first time he saw it. It must have been special for Lin Weiwei.

As long as he liked the dress, it didn't matter if it was expensive, mainly because he felt that Lin Weiwei was worthy of the dress.

"I won't try." Lin Weiwei desperately waved her hand in refusal. She didn't even dare to try out such an expensive dress.

If she tried to break her clothes, it would all be money. She felt a pang just thinking about it.

"You won't try?"

"I won't try."

"You're really not going to try?"

"I really won't try."

"It's fine if you don't want to try, I'll help you try." After Wu Tian said this, he pretended to take off Lin Weiwei's dress.

This scared the girl so much that she hugged her body tightly and retreated a few steps back. In the end, she could only compromise: "I'm afraid of you, I will try."

She was really worried that Wu Tian would help her test her dress in public.

"Salesman, quickly bring the dress over for my friend to try." Wu Tian turned around and ordered the sales representative.

If the dress suited her, he would buy it.

Of course, if the result of the fitting was not good, he would not waste money to buy useless items.

However, with his previous insight, this dress would definitely not be bad. It must be very special when worn on Lin Weiwei.

"Alright, I'll bring your dresses over now." When the salesman answered, she busied herself getting the dress off the shelf.

"Don't move!"

At that moment, a young girl with thick makeup walked into the store with a middle-aged man in her arms.

The two of them were very different ages, but seeing their intimate actions, it was obvious that they had a lover's relationship.

The girl with thick makeup obviously had her eyes on that dress and instructed the sales clerk not to move the dress. She walked over and carefully stared at it, looking even more serious than when she was admiring antiques.

She stared at the dress for a long time before the young girl turned to the old man and asked, "Darling, what do you think of this dress? Isn't that perfect? "

"Not bad, I'll buy it." The old man waved his hand with a look of wealth on his face.

Looking at his imposing manner, as long as it was something that his woman wanted, even if she wanted the entire street, he would not hesitate to buy it.

"Thank you, dear." After the girl with thick makeup thanked him, she turned to the sales clerk and asked, "How much is the clothes?"

"188,000."

"Give it to me to try." Hearing the price, the girl with thick makeup didn't even blink as she directly wanted to try on her clothes.

"I'm sorry!" The sales clerk smiled apologetically, pointed at Wu Tian and Lin Weiwei and said, "The two customers took a fancy to this dress first. And this is a limited amount, this is the only set in the China area. "

"Those two bumpkins, even if they had their eyes on them, they still wouldn't be able to buy them." The girl with thick makeup rolled her eyes at the two of them, then she took out 200 cash from her bag, "I'll give you 200 yuan, give me the clothes."

"No!" Wu Tian refused decisively.

Even if it was two million, he wouldn't let it go, much less two hundred.

"Oh, you don't need the money." The girl with thick makeup glanced at Wu Tian in disdain and sneered, "Can you afford it if you don't give me the clothes?"

"Cough, cough!"

The salesperson on the side coughed, pointed at the card in Wu Tian's hand and whispered, "Sir just checked the card, he has nearly 150 million on his card."

"Is that so?" The girl with thick makeup was shocked and looked at Wu Tian in shock.

She didn't expect brat, who looked so poor at such a young age, to have so much money in his bank account.

However, she quickly regained her composure and turned to the middle-aged man, "Darling, tell them, how much money do we have?"

"300 million." The middle-aged man said proudly.

When these words came out, the several sales staff sighed endlessly.

They didn't expect that the people who came to the store today were all super big bosses, and each one was richer than the other.

In view of this situation, the salesperson could only smile and say, "Why don't you two discuss it yourselves?"

With that, the sales staff moved to the side. Both sides were filled with tycoons, so none of them dared to offend them.

At the moment, they could only let the two tycoons argue with each other.

"Tell me, how are you going to give me the clothes?" The girl with thick makeup crossed her arms and looked at Wu Tian impatiently.

"I won't." Wu Tian's reply was very resolute. What he had set his eyes on would naturally not be handed over to others.
