

Hidden Billionaire Chapter 125 - Fight for a Dress -

C125 Fight for a Dress

"You ..."

The girl with thick makeup was quite angry. She didn't think that she would meet such a man. It was really irritating.

She gritted her teeth and threatened fiercely, "Brat, you dare to talk to me in such a tone. Do you know who my man is?"

"I don't know."

"Then listen well." The girl with thick makeup took the old man's arm and introduced him proudly, "My man is the CEO of Orange Entertainment Company, Huang Ze."

"So what?" Wu Tian didn't think much of it. Even though this person's background was very powerful, he still didn't think much of it.

"You ..."

The girl with thick makeup couldn't do anything to Wu Tian. She shook Huang Ze's arm and said coquettishly, "Darling, this kid is too much. You have to help me get my skirt."

"Don't be anxious, just watch." Huang Ze comforted her. He then glared at Wu Tian and threatened, "Silly boy, are you really going to go against me?"

"It's not me who is going against you, it's you who is going against me." Wu Tian looked straight into Huang Ze's eyes and answered without showing any signs of weakness.

"No one can take what I want." Huang Ze took out a VIP card from his pocket and raised it above his head, "Do you know what this is?"

"I don't know."

"Then let me tell you, this is the VIP card of this clothing store. I have the VIP card of this store, and I have the right to buy it first." After Huang Ze said this, he handed the VIP card to the salesperson and ordered, "Help me wrap this dress up."

"Yes sir!"

The salesman became enthusiastic the moment he saw the VIP card.

This card was different from a normal VIP card. This card had a lot of authority within the store, and the person holding the card was equivalent to a top-level VIP customer.

In other words, customers who held this card would enjoy all kinds of rights in the store, and the salesperson would have priority in serving the person holding the card.

The salesperson took the VIP card and looked at it for a while. Then she turned around and apologized to Wu Tian, "I'm sorry, that mister has VIP privileges. According to the rules, we can only sell the dress to the card holder."

After saying that, the sales clerk ignored Wu Tian and started to take out the dresses on the shelf and pack them.

"Foolish brat, you're still too inexperienced to try and steal from me." Huang Ze shook his suit and puffed out his chest proudly.

The girl with thick makeup agreed, "Hmph, silly boy, don't think that you're amazing just because you have some money. This year's competition is all about overall strength. In terms of connections, resources, and social status, you are far worse than my man."

With that said, she prepared to take the wrapped dress from the salesman.

"Wait!"

Wu Tian stopped her in time and retorted coldly, "I already said, nobody can take what I want."

"Since it's like this and you're not admitting defeat, then go and snatch the dress back!" The girl with thick makeup said with a hint of schadenfreude.

She wanted to see just how much skill this brat had.

"Wait!"

After Wu Tian said that, he took out his phone and dialed Liu Jun's number.

Just now when he looked at the VIP card, he saw that it was labeled "Liu Group". Presumably, this specialty store was owned by the Liu Group.

Therefore, he called Liu Jun now. If this shop really was owned by the Liu Group, then it would only be a matter of Uncle Liu's words if he wanted to take back the skirt.

The way things had turned out was no longer just a dress, but a man's dignity and face.

He only spoke a few words into Liu Jun's phone before hanging up. The corner of his mouth hooked up into a proud smile.

Just now, he had talked to Uncle Liu and found out that this clothing store was indeed owned by the Liu Group.

Uncle Liu immediately said that he would immediately call the manager of the specialty store and have him deal with this matter personally.

In a moment, a bald man rushed into the store. He was the manager of the store, Han Guang.

"Manager Han, long time no see." When Huang Ze saw the bald man, he greeted him with a smile.

The two had met at a cocktail party, so they didn't get to know each other very well.

"Oh, it's actually Boss Huang. It's my pleasure to meet you." Manager Han was quite cordial and respectfully shook hands with Huang Ze.

"Manager Han, I bought a dress from your store, but there was a silly kid who wanted to snatch it from me." Huang Ze pointed at Wu Tian, "Manager Han, please kick this kid out."

"This is Mr Wu?" Manager Han turned his head and saw Wu Tian. Suddenly, a sharp and cold light flashed in his eyes.

Just now, Boss Liu had called and said that his partner, Wu Tian, had gotten into a dispute over the dress and told him to hurry over and settle it.

If he didn't handle this matter well, he wouldn't need to be a manager. He would probably lose his job tomorrow.

His eyes were very sharp and he recognized Wu Tian at a glance. He went up and tried asking, "You are Mr Wu, right?"

"It's me." Wu Tian knew that this was the manager sent by Liu Jun. He spoke very indifferently.

"Mr Wu, it's a long way for you to come." Having said this, Manager Han bowed at a 90 degree angle towards Wu Tian with extreme respect.

He had just heard from Boss Liu that Mr Wu was Boss Liu's partner. If he neglected Mr Wu, then his future would be ruined.

That was why he acted so subserviently.

When the salespeople saw Manager Han being so respectful and humble towards Wu Tian, they were shocked.

The salespeople couldn't help but wonder: could it be that the young man in ordinary clothes was some big shot?

Huang Ze and the girl with thick makeup were also stunned. They didn't expect Manager Han, who had a high status, to bow to a silly boy in such a humble manner.

After a slight pause, Huang Ze couldn't help but ask: "Manager Han, you're a shop manager after all, why are you being so subservient to a silly kid?"

"What are you talking about?" Manager Han wiped away the cold sweat on his forehead, pointed at Wu Tian and introduced: "He's my boss' partner, he's half the owner of this specialty store."

"What?"

Hearing that, Huang Ze was dumbfounded.

He didn't expect this kid's background to be so powerful. He was actually manager Han's partner, no wonder he dared to be so arrogant.

The girl with thick makeup was also dumbfounded. She originally wanted to act cool, but she didn't expect to meet such a ruthless character today.

Not only did she fail to act cool, she even got smacked in the face. At this moment, her face was extremely unsightly, as though she had just wiped off dog shit.

The most surprised were none other than the salesmen. They had ridiculed this brat before, but they had never expected him to be their half boss.

The salespeople secretly felt scared. Luckily, they were able to admit their mistakes in time, otherwise, they would have gotten into a lot of trouble.

"Manager Han." Wu Tian ignored everyone's gaze and said to Manager Han with a smile, "I just want to buy a dress for a friend. I just want to know if I have the qualifications?"

"Yes, of course you do." Manager Han took the wrapped dress from the salesperson and handed it to Wu Tian with both hands, "It's just a small token of my appreciation, you don't need to pay a single cent."

"How can I accept this?"

"Mr Wu, if you refuse, then it'll be smacking my face." Manager Han's expression was very sincere.

He knew that only by pleasing Wu Tian could his future path be smooth.

Hidden Billionaire Chapter 126 - Feeling of Being in Love

-

C126 Feeling of Being in Love

"Then I'll accept it." Seeing Manager Han being so sincere, Wu Tian had no choice but to accept the dress.

Presumably, it was also because of Uncle Liu's hidden intentions behind his back. He didn't want to refute Uncle Liu's intentions, so he was too lazy to refuse anymore.

After chatting with Manager Han for a while, Wu Tian took the skirt and walked in front of Huang Ze and the girl with heavy makeup, "I told you a long time ago that nobody can take my things away."

"You are ruthless." The girl with thick makeup was so angry that her body trembled. She had only managed to utter this sentence after a long while.

It had been a long time since she lost so much face. She thought that with victory in her hands, she had absolute confidence in snatching the dress, but in the end, she was still defeated by the brat in front of her.

She used to think that Huang Ze was unrivalled, but only now did she realize that Huang Ze was no match for a silly kid.

With these words, she twisted her waist and hurriedly ran out of the store.

"Kid, you've won." Huang Ze put his head close to Wu Tian's ear and whispered, "You won a dress, but you lost face for me. I will remember this debt. I will settle it with you in the future."

"Then, I can only advise Boss Huang, don't provoke me, it's not good for you." Wu Tian patted Huang Ze's shoulder, and a harmless smile appeared on his face.

"Hmph, we'll see." Huang Ze gritted his teeth, flung his sleeves and left angrily.

"You are too arrogant." Wu Tian muttered to himself as he looked at Huang Ze's back. He then handed the dress to Lin Weiwei. "This is for you."

"I don't want such an expensive dress." Lin Weiwei took two steps back and waved her hands in a hurry.

Although she hadn't paid for the dress in the end, she had seen all the hardships with her own eyes.

The reason she was able to take back the dress from him was due to Wu Tian Qiang's connections and resources. These things were more important than money.

"This is just a small token of my appreciation. Quickly accept it." Wu Tian felt a bit awkward when he was rejected like this.

"It's too expensive, I don't want it."

"You really don't want it?"

"No."

"If you don't want it, then forget it." Wu Tian casually threw the dress along with the package into the trash can.

The salespeople were all dumbfounded. They never thought that Wu Tian would be so willful, throwing away a dress worth over a hundred thousand yuan. This was simply too rich.

Lin Weiwei was also dumbfounded as she said incredulously, "How did you throw away such an expensive dress?"

"This is my gift to you. Since you don't want it, then I'll throw it away." Wu Tian said in a domineering tone.

"You ..."

Lin Weiwei didn't know whether to laugh or cry when she met such a man.

Biting her lips, she finally walked over and picked up the dress from the trash can.
"Alright, alright, I'll take it."

"That's right!"

"I really admire you."

"Alright, quickly go to the fitting room and change out of this dress. Let me take a look."

"Alright!" Lin Weiwei walked towards the fitting room, holding a hundred thousand yuan dress in both hands. The dress felt heavy, as if it was more precious than gold.

When she walked into the fitting room, she noticed Wu Tian following her. She was so shocked that her face tensed up: "Hey, I'm trying on clothes, why are you following me?"

"I'll help you."

"Nope, just hurry up and leave." Lin Weiwei quickly pushed Wu Tian out of the fitting room. After that, she locked the door from the inside, leaned her body against the door, and felt her heart beating rapidly.

She hadn't known Wu Tian for long, and today was her first date, but why was she upset?

For some reason, the moment she got close to Wu Tian's body, she felt extremely nervous and her heart started beating rapidly.

The moment she was touched by Wu Tian, she felt like she was electrocuted and her whole body went numb.

What was going on?

Could it be that she was interested in Wu Tian?

Impossible, absolutely impossible.

She had known Wu Tian for so long, how could she be interested in this boy? She must have been overthinking things.

She strongly shook her head to dispel the chaotic thoughts in her mind. She took off her school skirt and started to try out the 180,000 yuan long skirt.

She moved carefully, afraid of dirtying the dress.

Wu Tian stood outside the fitting room.

After waiting for almost ten minutes, he saw Lin Weiwei walking out from the inside wearing a brand-new dress.

Wu Tian's heart thumped when he saw Lin Weiwei. His eyes were glued to the girl.

This girl's face was originally very pretty. When paired with this dress, she looked like a fairy descending to the mortal world, filled with boundless charm.

Beautiful, too beautiful.

This dress seemed to have been custom-made for Lin Weiwei, showing her fresh and shy temperament to the fullest.

Wu Tian finally came back to his senses after staring blankly for quite a while. He couldn't help but praise: "You're so beautiful in this dress. It's so beautiful that it makes one's heart beat."

"Is that so?" Seeing Wu Tian's infatuated gaze, Lin Weiwei's heart was sweeter than if she ate honey.

She couldn't help but let her imagination run wild. Could it be that Wu Tian was really interested in her?

"Come, turn around and show me." Wu Tian sized up Lin Weiwei from top to bottom and couldn't bear to leave her for even a second.

"Alright!" Lin Weiwei nodded obediently and turned around in a circle in front of Wu Tian.

"Beautiful, simply more beautiful than a butterfly." Wu Tian praised again and again as he was completely captivated by the girl in front of him.

It was said that people relied on their clothes while horses relied on their saddles. This saying was true, Lin Weiwei and this dress were a perfect match.

It seemed like the reason for the high price of this dress was because this kind of clothes could show a different kind of sparkle on a woman's body. It even looked a lot sexier than before.

Even the salespeople couldn't help praising her, saying that she was wearing such a beautiful dress.

Those salespeople couldn't help but be jealous of Lin Weiwei. With such a beautiful face, there was probably no man who didn't like it.

There were even many customers who crowded over to express their liking for the dress. However, when they heard the price, everyone gave up.

Being surrounded by so many people, Lin Weiwei felt a bit embarrassed. "Um, can I take off my dress now?"

"There's no need to change. Just keep on wearing this." Wu Tian circled around Lin Weiwei. He wanted to keep watching.

Previously, when this girl wore the school dress, she was only pretty. Now that she had changed into this kind of dress, she had the temperament of a fairy.

"It's too expensive. I've been wearing it. I'm worried about getting dirty."

"It's fine, it's good as long as you're used to it. Let's go, I'll take you for a walk." After saying that, Wu Tian dragged Lin Weiwei out of the store.

Manager Han led the sales staff to send them off. Before Wu Tian left, he even flattered him.

Wu Tian couldn't be bothered to care about them. He pulled Lin Weiwei along the Fragrant River Road and they soon attracted the attention of passersby.

Many men were envious of Wu Tian. With such a beautiful girl by his side, the women were jealous of Lin Weiwei, who had such a beautiful face.

The two of them played until late at night before Wu Tian finally sent Lin Weiwei back to her dormitory. He waved his hand and said, "Go back to your dorm. Rest early. Bye bye."

"I'm very happy to be with you today, thank you!" Lin Weiwei, holding the school skirt, thanked him softly. Her smile was even brighter than a flower.

It had been a long time since she was this happy. Being with Wu Tian made her feel like she was in love.

Hidden Billionaire Chapter 127 - Tasting Red Wine -

C127 Tasting Red Wine

After chatting for a while, Wu Tian turned around and left the campus and promised to go out again the next time.

After returning home, Wu Tian shut himself up in his study to study as usual.

Other than learning how to manage things professionally, the family's notes were definitely good stuff. He simply couldn't let go of them.

Over the next few days, Wu Tian spent most of his time studying and practicing. His martial arts had improved significantly.

On the afternoon of the third day, as he was studying with his notes in hand, he was interrupted by the ringing of a telephone.

He took out his cell phone and saw that it was Huang Lan calling. He asked, "Elder Sister Lan, do you want to eat hotpot again?"

"I'm not looking for you to eat, I'm looking for your help." On the other end of the phone, Huang Lan's voice sounded a little tired.

"Elder Sister Lan, if there's anything you need help with, just tell me. I'll do my best to help you." Wu Tian agreed without hesitation.

In this period of time, Elder Sister Lan had helped him a lot, and both of the games were promoted by Elder Sister Lan.

He had always kept this favor in mind. If Elder Sister Lan needed any help, he would naturally spare no effort.

"That's what you said." Huang Lan mysteriously smiled and said, "Sister wants you to come over tonight to warm Sister's bed."

"Ugh ..."

Wu Tian choked on Elder Sister Lan's words. He didn't need to think to know that Elder Sister Lan was definitely joking with him.

Just as he was thinking about how to reply, he heard Elder Sister Lan giggling on the phone. She said tenderly, "Foolish brat, look at how scared you are. You don't even dare to say anything."

"I knew Elder Sister Lan was joking with me."

"Alright, let me be serious with you." Huang Lan's voice was very lazy before. After chatting with Wu Tian, her voice had clearly become sonorous, "Are you free to accompany your sister to attend the auction tonight?"

"Of course I have time. Even if I don't have time, I still have to squeeze in time."

"Alright, come and pick me up now, I'll be at home."

"I'll be right over." Wu Tian hung up the phone and carefully put away the few books of notes. Afterwards, he arranged for Uncle Fugui to drive to the Heaven City.

He took out his cell phone and was about to call Elder Sister Lan when he noticed that she was walking out of the small district with a bag on her shoulder.

Elder Sister Lan was currently wearing a black evening dress. Her sexy figure was revealed to be extremely alluring and captivating, with an extremely rich picture.

It could be said that among all the women he knew, Elder Sister Lan was the sexiest.

This woman had developed to the extreme in all aspects. She was just like a ripe peach, bewitching and wild, making people unable to stop themselves.

"Foolish brat, have you seen enough?" Huang Lan walked over and waved her hand in front of Wu Tian a few times. A weird smile appeared on her face.

"Enough... That's enough. " Wu Tian came back to his senses and quickly looked away from Elder Sister Lan.

"Do you want me to show you enough?"

"About that, get on the car first." Wu Tian scratched his head in embarrassment and quickly opened the car door with a gesture of "please".

"Bad boy." Huang Lan rolled her eyes coquettishly and used her hands to press her collar to get into the back row.

Wu Tian sat in the front passenger seat. He turned around and asked Huang Lan, "Elder Sister Lan, where are we going to participate in the auction?"

"Grand Cloud Dragon Hotel."

"Uncle Fugui, let's go to the Cloud Dragon Hotel." Wu Tian instructed Liu Fugui.

Liu Fugui nodded, started the car and drove away from the place.

The car sped along and soon arrived at the Dragon Cloud Hotel.

It was a five-star hotel, quite well-known in the western district. After getting off the bus, the two of them headed straight for the hotel.

The banquet for the auction was on the third floor of the banquet hall. The hall was already packed with guests, all of them chatting happily and drinking merrily.

As soon as he entered the venue, Wu Tian bumped into two familiar people. They were the two people he met yesterday in the specialty store, Huang Ze and the girl with thick makeup.

Yesterday the two sides had been at loggerheads over a dress, but today they had met again in a place like this.

It was soon discovered that Huang Lan and Huang Ze seemed to know each other. The two of them were looking at each other with a weird expression, and the atmosphere was a little awkward.

In the end, it was the girl with thick makeup who broke the awkward silence. She glared at Wu Tian with hostility, "Brat, why is it you again?"

"Were you ashamed yesterday at the store?" Wu Tian's tone carried a hint of playfulness.

He was purposefully bringing the matter up again to make use of this opportunity to embarrass this woman and kill her spirit.

"You ..."

The mouth of the thick makeup woman twitched. She turned around and coquettishly asked Huang Ze for help, "Dearest, this brat bullied me. Help me teach this brat a lesson."

"He's just a silly kid, don't take him too seriously." Huang Ze grabbed a glass of red wine and stared at Wu Tian with hatred, "Brat, did you think you're amazing in the specialty store yesterday?"

Yesterday at the specialty store, he had been completely humiliated by this brat. He had always been angry in his heart and wanted to find an opportunity to take revenge.

He didn't expect to meet this brat here today, but what was even more unexpected was that this brat was with Huang Lan.

"It's just a dress!" Wu Tian picked up a glass of red wine and clinked it with Huang Ze. Then, he began to taste the wine on his own.

"Humph, you can taste wine too?" Huang Ze grinned, and couldn't help but mock him.

In his opinion, this kid was a nouveau riche and didn't know how to drink red wine. Holding a glass of red wine was just an act.

The corner of his mouth turned cold as he deliberately made things difficult for Shi Mu. "Then tell me, what and where did you get that glass of wine?"

He wanted to make use of this opportunity to make things difficult for Wu Tian and make this brat make a fool out of himself in front of everyone.

This kid was dressed poorly and had no taste at all. He must know nothing about red wine.

Wu Tian shook his glass and said with a smile, "The glass of red wine in my hand is from Bordeaux winery, the age is 1995, am I right?"

"You ..." Huang Ze was speechless. He didn't expect this tasteless brat to know the origin and age of red wine.

Startled, he continued to make things difficult for her. "Then tell me, what are the advantages and disadvantages of this wine?"

"There are many advantages to it. It has a rich taste and leaves a fragrance in its mouth. It's exquisite, yet rich in layers ..." Wu Tian explained the advantages and disadvantages of the red wine in detail.

He explained the advantages and disadvantages, then explained the taste of the wine.

When the surrounding guests heard this, they all followed suit and praised Wu Tian's knowledge of red wine. Even Huang Lan couldn't help but secretly praise him.

Huang Ze and the girl were completely dumbfounded. They didn't expect Wu Tian to be so knowledgeable about red wine. His lecture just now was even better than a professional wine taster.

Seeing that everyone was praising Wu Tian, Wu Tie's face and neck reddened with anger. The anger in his heart was even more vigorous than before.

Originally, he wanted to use the wine to embarrass Wu Tian in front of everyone, so that this brat would lose all face.

But the result was the opposite.

Not only did he not embarrass the kid, he even allowed the kid to shine in the banquet hall.

Seeing Wu Tian's positive comments in the crowd, his old face turned dark green in anger.

For the moment, he had to retreat to the back of the crowd with his companion.

However, he secretly made up his mind. He must find a way to teach this brat a lesson tonight to vent his anger.

Hidden Billionaire Chapter 128 - Meeting on a Narrow Path -

C128 Meeting on a Narrow Path

The guests gradually dispersed.

Huang Lan nudged Wu Tian with her elbow, "I didn't realize that you're so knowledgeable about red wine."

"Thank you for your praise." Wu Tian scratched his head awkwardly.

He had heard that Lee Meng liked red wine. He had learned a lot about red wine, so he was fairly knowledgeable about some of the more common wines.

"I like you more and more now."

Wu Tian grinned. He couldn't help but ask, "Elder Sister Lan, did you know Huang Ze from before?"

"That's right!"

Huang Lan nodded and said with an expressionless face, "Huang Ze and I are siblings from the same father."

"Siblings?"

"Right."

"Then why don't you talk?"

"Maybe it's because of our family. We didn't have any feelings for each other since we were young. We even caused a lot of trouble." A peculiar expression appeared on the corners of Huang Lan's mouth.

Seeing that Elder Sister Lan wasn't willing to talk about this moment, Wu Tian didn't ask anymore, "Fine, I'll go to the toilet first. I'll come and find Elder Sister Lan later."

"Silly boy, why are you going to the toilet?" Huang Lan shifted her gaze down as she spoke with a hint of playfulness.

Coughing sounds rang out.

Wu Tian coughed dryly. He didn't expect Elder Sister Lan to make a joke about this kind of thing. He replied, "Of course I'm going to the toilet."

"I thought you were going to eat shit." After Huang Lan said this, she covered her mouth and giggled.

"Elder Sister Lan, you're so bored." Wu Tian shook his head with a wry smile, then turned around and walked towards the bathroom.

He discovered that Elder Sister Lan was becoming more and more unscrupulous in front of him. She dared to make any kind of joke, and she really didn't treat him as an outsider at all.

He went to the bathroom to pee. When he came out of the men's room after washing his hands, he found the girl with thick makeup leaning against the bathroom door, looking at him with a sinister expression.

"What are you doing?" Wu Tian didn't have a good impression of the girl, so he asked with a cold tone.

To be honest, this girl's appearance was not bad. It was just that her makeup was too thick and it covered her appearance.

"I want to hit you." After the girl with thick makeup said these words, she saw Huang Ze walk over with two muscular men.

The three of them went into the washroom and locked the door behind them. They looked like they were about to shut the door and attack a dog.

Huang Ze shook his sleeves and asked coldly, "Brat, why are you with Huang Lan?"

"This is my problem, it has nothing to do with you." Wu Tian shook off the water stains on his hands and prepared to walk outside.

Wu Junyi stretched out his hand to block Wu Tian with a domineering tone, "I'm not interested to know about the matter between you and Huang Lan, but you offended my woman, how can this be counted?"

"What do you want?"

"Apologize to my woman and I'll spare your life."

"What if I don't apologize?"

"Well, then you may have to climb out of here." After Huang Ze said this, he pulled the girl back a step.

The two muscular men on the side understood immediately. They clenched their fists and slowly approached Wu Tian, looking like they wanted to eat him up.

"Boss Huang, you're the CEO of Orange Flower Company after all, is this appropriate?" While Wu Tian was speaking, his sharp eyes slowly swept over the two fierce men.

The fierce men were indeed very fierce. The muscles on their arms were very firm, but he did not know whether they would fight or not.

"Cut the crap. Either apologize, or you'll be beaten up." Huang Ze slightly squinted his eyes and revealed a trace of ruthlessness.

"I'm not sure who got beaten up." The corner of Wu Tian's mouth curled up as he hooked his fingers at the two fierce men: "Let's begin your performance."

The two fierce men looked at each other and rushed into the men's restroom at the same time, ready to teach this brat in front of them a lesson.

The sound of a door closing rang out.

When the two of them entered, they saw Wu Tian forcefully close the toilet door and just happened to hit the two men on the head.

"It hurts, it hurts!"

The two fierce men cried out in pain, their heads spinning from the impact, they covered their heads and retreated a few steps.

"Trash!" Seeing this scene, Huang Ze cursed angrily. He urged, "What are you guys standing there for? Quickly go and teach that kid a lesson."

"Yes sir!" After the two fierce men received their orders, they pounced on Wu Tian like wolves and tigers, and were even more ferocious than before.

Huang Ze and the girl with thick makeup stood on the spot with a face full of schadenfreude. They were waiting to see Wu Tian being brutalized.

However, the result left the two of them disappointed.

Wu Tian suddenly swung his fist and punched one of the fierce men, and then kicked him over.

After beating the first man, Wu Tian quickly hid behind the door and waited for the other man to rush in. Wu Tian did the same thing as he used the door frame to ram into the man.

The sound of a door slamming shut rang out and the fierce-looking man was knocked over onto the ground. Then Wu Tian fought him from top to bottom, causing the fierce-looking man to scream.

Thus, Wu Tian, with his powerful skills and wise mind, easily dealt with the two fierce men.

Then, he slowly raised his head and glared at Huang Ze with his sharp eyes, "Boss Huang, it's your turn now."

"Don't come over." Huang Ze was so shocked that his body shrunk and retreated. At this moment, the way he looked at Wu Tian was even more terrifying than looking at a monster.

He didn't expect that the seemingly weak and foolish brat in front of him would be so strong. The little brat had easily defeated the two fierce men he had hired.

The girl with thick makeup was also scared to the point that her face turned pale. She hid behind Huang Ze with both her calves trembling slightly.

"For Elder Sister Lan's sake, I'll let you off today. You guys hurry up and get lost." Wu Tian waved his hand impatiently.

After all, he was accompanying Elder Sister Lan to the auction tonight, and he did not want to blow up the matter, lest it affect Elder Sister Lan's mood.

Huang Ze then secretly let out a sigh of relief and quickly ran to open the bathroom door.

However, he did not feel grateful towards Wu Tian. Before he left, he could not help but say something fierce: "Brat, this is not the end. Let's wait and see."

After saying so, he left in a hurry with the girl with thick makeup.

Wu Tian fiddled with his handsome hair and walked out of the bathroom. Soon, he found Huang Lan in the crowd.

Seeing Wu Tian walk over, Huang Lan pushed away the task of dealing with others. She frowned in confusion. "You've been in the toilet for so long, I thought you fell in there?"

"I ran into some trouble in the toilet just now." Wu Tian casually explained.

Huang Lan was particularly sensitive to his words. She asked, "What kind of trouble did you run into just now?"

"It's nothing, someone was just purposely looking for trouble."

"Did Huang Ze cause you trouble?"

"Right."

"He's really going too far." Huang Lan gritted her teeth and asked, "How did you get to know him?"

"I took a friend to a specialty store yesterday to buy clothes. I had a conflict with Huang Ze over a dress." Wu Tian gave a simple explanation.

"Then be careful, he might even target you." Huang Lan reminded him with a worried look on her face.

She had a special understanding of her half-brother. This person was narrow-minded and would definitely take revenge. He would not easily admit defeat if he suffered a loss.

"Don't worry, I can handle it." Wu Tian didn't mind.

He had seen many people like Huang Ze and knew how to deal with him.

"Alright!" Huang Lan didn't say anything more, as she was constantly worrying inside.

She had never worried about another man before, and this was the first time she had cared so much about the safety of a man.
