C133 A Hoodlum Seeking Beating!

The three of them didn't walk too far before Zhao Yang and a few hoodlums blocked their path.

At this moment, Zhao Yang's face was ugly, like someone had ignited a barrel of gunpowder, and his entire body was filled with anger.

"Why should Lee Meng kneel to you?" Zhao Yang asked with his teeth bared, like a stimulated beast.

"That's my matter with her, it has nothing to do with you." After Wu Tian said this, he led the others and turned around to leave.

"Halt!"

Zhao Yang straightened his body and blocked Wu Tian's path, "It won't be that easy for you to leave."

"What are you doing?"

" Zhao Yang clenched his teeth and roared in anger, "I just want to know, how are you better than me?"

He had a fight with Lee Meng in the restaurant. Lee Meng called him a good-for-nothing and said that he couldn't even compare to Wu Tian's toes.

Later on, he saw Lee Meng kneel down and ask for a reunion with Wu Tian.

He felt that his heart was unbalanced. In a moment of anger, he brought a few people with him to prepare to teach Wu Tian a lesson, to ease the anger in his heart.

"I advise you to hurry up and get out of here, knowing too much won't do you any good." Wu Tian tried to persuade him otherwise.

After all, they were classmates, and he didn't want to make the relationship between them too bad.

"Today, I will teach you a lesson and help Lee Meng vent her anger." After Zhao Yang said this, he waved his hand and ordered the two hoodlums behind him: "Attack together, teach this brat a lesson."

"Yes sir!"

The two hoodlums received the order and slowly approached Wu Tian.

Sunn Xiaohao and Jiang Wan were quite loyal and quickly stood on the same side as Wu Tian, ready to help Wu Tian deal with those two hoodlums.

"I can take care of these two myself. You just wait and see the show." After Wu Tian finished speaking to the two of them, he took the initiative to charge towards the hoodlum.

After such a long period of cultivation, his martial arts had improved by quite a bit, and his speed and strength were several times stronger than before.

In a situation where the opponent wasn't able to defend in time, he waved his fist and directly punched the left thug's chest.

Then he twisted his right leg and kicked the other hoodlum, knocking him down with his elbow.

Just like that, Wu Tian easily defeated the two hoodlums as if they were playing, and did not waste any effort.

Sunn Xiaohao, Jiang Wan, and Wang Hong were all dumbfounded as they stared at Wu Tian as if they were looking at a monster.

Who would have thought that Wu Tian, who was bullied often in the past, would suddenly become so powerful. This fight just now showed his amazing strength, and it was clear that he had gone through professional training.

Only now did everyone realize that not only was Wu Tian rich, his entire person had undergone a complete transformation.

The Wu Tian now was no longer the boy that was bullied by others, but a guy that was so powerful that it frightened people.

Anyway, Zhao Yang was scared. He was so frightened that his body shrank and fine beads of sweat appeared on his forehead.

He didn't expect Wu Tian to suddenly become so strong.

Previously, when he bullied Wu Tian, he felt that this brat was too weak and couldn't withstand a single blow.

He didn't expect Wu Tian to be so powerful now. His whole body had changed completely. He was so strong that it made people scared.

"It's your turn." After taking care of the two hoodlums, Wu Tian turned around and faced Zhao Yang. His tone was tinged with provocation.

"I won't fight you." Zhao Yang didn't have the courage to fight Wu Tian again. After saying this, he turned around and prepared to run away.

Wu Tian straightened his body and blocked Zhao Yang's way, "Don't be in such a hurry to leave yet. Since you have taken the initiative to look for me, then I shall settle this old and new grudge. "

"You ... What are you trying to do? "

"Guess."

"You'd better not fight..." Before Zhao Yang could finish his sentence, his face was severely punched. The pain made him scream incessantly.

Wu Tian still couldn't calm himself down after that punch. He slowly walked over and said, "Zhao Yang, when you bullied me in the past, you should have thought that such a day would come."

After saying so, he lifted his leg and prepared to kick him hard.

"Stop!"

At this moment, a delicate voice sounded from behind him.

Turning around, he saw a ponytailed woman staring at her with sharp eyes, her beautiful pupils faintly carrying a hint of anger.

He thought the woman was Zhao Yang's assistant. Wu Tian only turned around to look at the woman for a few seconds and then ignored her. He raised his leg and kicked Zhao Yang viciously in the stomach, knocking him over.

Just when Wu Tian wanted to teach him a lesson, the ponytail woman yelled again, "I told you to stop, are you deaf?"

"Today's matter has nothing to do with you. Go play on the side." Wu Tian advised with good intentions, and then smashed towards Zhao Yang again.

One punch.

Two punches.

After the third punch, the ponytailed woman suddenly rushed over, raised her long legs and kicked Wu Tian.

Luckily, Wu Tian reacted quickly and quickly leaned his body back to dodge the attack. At the same time, he looked at the woman in front of him with a scrutinizing gaze.

He didn't expect that not only was this woman beautiful, but her figure was also explosive and her movements were swift and fierce.

Just now, her kicks were extremely fast and one could tell that she had received professional training. He didn't expect that this woman in front of him was a practitioner.

"It's really rare to see a good-looking woman like you who can fight." Wu Tian's scrutinized the woman a few times and couldn't help but feel a bit more interested in her.

"I've warned you many times not to do anything." The ponytailed woman's eyes were sharp and her entire body was emitting a cold aura.

"I want to see how strong you are." Wu Tian wanted to test the woman, so he slowly walked towards her.

"You're courting death."

The ponytailed woman's eyes turned cold as she swung her fist and ruthlessly smashed at him.

The punch seemed sharp, but it was weak. Wu Tian stretched out his hand to block the punch and taught her, "Beauty, your punch is lacking in strength."

"I want to see if you can handle it." The ponytailed woman retracted her fist, and followed up with a kick towards Wu Tian's lower body.

"F \* ck!" Wu Tian cursed and quickly dodged to the right. At the same time, he reached out his hand to grab the woman's leg that was kicked over.

He slowly raised her leg, and at the same time, he teased her with a playful tone, "Beauty, your attack this time is unstable, and your speed is slightly slow. It's easy to be controlled by others."

"Bastard, let go."

"Although your martial arts are not that good, your legs are quite good. They are quite flexible and slippery, and feel very good." Wu Tian intentionally pinched the woman's leg a few times.

This pinch made the woman incomparably angry as she shouted, "Smelly hooligan, you're courting death, hurry up and let me go."

"Beauty, don't be agitated." Wu Tian smiled and slowly let go of the woman's long leg.

After the woman gained her freedom, she continuously punched at Wu Tian like a furious tiger. Her moves were swift and fierce, but a bit chaotic.

"F \* ck, are you serious?" Wu Tian quickly dodged and at the same time tried his best to deal with the woman.

Comparatively speaking, Wu Tian was clearly stronger than her, suppressing the pony-tailed woman time and time again.

Sunn Xiaohao, Jiang Wan, Liu Tie and the others were all enjoying the show. Seeing Wu Tian and the beauty with a ponytail fighting hand to hand, they all drooled.

Everyone could not help but be secretly envious of Wu Tian. This brat was not fighting at all, he was clearly flirting with a young lady from a good family.

After the fight, the girl with the ponytail was enraged and fiercely scolded: "You scoundrel, you are really shameless!"

In that previous fight, her body was bound to be in contact with his, and he was bound to take advantage of her.

### C134 Beautiful Police Officer

"Beauty, you were the one who made the first move just now." Wu Tian looked at the girl with a ponytail and smiled innocently.

The ponytail girl pulled her messy dress as she spoke in a fierce and disdainful tone: "I have never seen a scoundrel like you."

"If you have nothing else, I'll leave first." Wu Tian wiped his hair and waved his hand to leave.

He had just turned around when the ponytailed girl blocked his path once again.

The girl frowned and coldly said, "You scoundrel, you took advantage of me. Don't even think about leaving."

"You can't beat me, so what else do you want?" Wu Tian shoved his hands into his pockets, then looked at the ponytail girl playfully.

"Open your eyes wide and take a good look. What is this?" After saying this, the girl with a ponytail took out a document from her pocket and handed it over.

"Su Ruyun ..."

Through her ID, Wu Tian quickly found out the woman's age and name. The ponytail girl was Su Ruyun, 25 years old this year.

When he finished reading the contents of the certificate, he was thoroughly dumbfounded.

He looked at the ponytailed girl with a serious gaze and could not help but exclaim, "You ... you are a police officer?"

Only then did he realize that the ID card the woman had taken out was a police officer's badge.

"That's right."

Su Ruyun slightly raised her head and said with a cold and arrogant expression, "I am the police officer of the police station in the east city."

"F \* ck!" Wu Tian cursed in his heart.

He thought this woman was a helper that Zhao Yang brought, but he didn't expect her to be a police officer from the East District.

He hadn't thought that he would have fought with the police just now and even tease this woman secretly. This was f \* cking like poking a hornet's nest.

Sunn Xiaohao, Wang Hong, and Jiang Wan were also shocked. They never thought that this woman was a police officer.

They were secretly afraid, but they were also worried for Wu Tian. Wu Tian just took advantage of the police in front of everyone, and it was not a f \* cking joke!

"Come with me." Su Ruyun put away her police ID and ordered with a cold voice.

She had just gotten off work and was about to go to the market to buy groceries. As she passed by, she happened to see someone fighting here, so she rushed over to stop them.

She didn't expect the brat in front of her to not listen to her advice and instead fight with her. What was even more hateful was that this brat had taken advantage of her earlier.

Hateful!

When she thought about how this brat used his evil hands on her just now ...

She gnashed her teeth in anger.

She had lived for more than twenty years, and this was the first time her body had ever been touched by a man. Just the thought of it made her feel ashamed and indignant.

"Where to?" Wu Tian scratched his head in embarrassment and asked dumbly.

"Cut the crap, of course it's to go to the Police Station with me, where else do you want to go?" Su Ruyun shouted impatiently.

"Police Beauty ..."

"Cut the crap." Without giving him a chance to explain, Su Ruyun yelled again, "Hurry, come with me."

"This, alright!" Wu Tian had no choice but to obediently follow this woman to Police Station.

That brat, Zhao Yang, had long escaped with his men. Su Ruyun did not want to pursue the matter, as her main goal now was to deal with Wu Tian.

Wang Hong, Jiang Wan, Sunn Xiaohao, and the others were worried about Wu Tian, so they followed along to Police Station.

"Tian, what should we do?" Seeing that Wu Tian was about to be brought into the interrogation room, Sunn Xiaohao and Jiang Wan quickly asked.

This time, they all felt that Wu Tian had caused a huge disaster and secretly broke out in a cold sweat.

He was taking advantage of the police this time, so it was serious enough to give him a random charge of assault.

"Don't worry, I'm fine. I'll go in and chat with the police. I'll be safe and sound soon." Wu Tian comforted them with a smile. On the way here, he had already texted Loong Yun.

Loong Yun knew what to do next. Based on his clan's influence, he believed that he would be able to leave this place soon.

"But ..."

Sunn Xiaohao and Jiang Wan were still worried. Before they could finish their words, they were interrupted by Wu Tian, "Alright, you guys wait here. I'll be out soon."

"If you want to come out, you can't either." Su Ruyun shouted at the two policemen, "Take this kid into the interrogation room."

"Yes sir!"

The two policemen received the order and pushed Wu Tian into the interrogation room.

Wu Tian sat in the interrogation room and waited for a few minutes before seeing Su Ruyun walk in. At this moment, she had already changed into a police uniform.

This woman had a sexy figure and looked extremely domineering. Even though she was wearing a police uniform, it was impossible to hide the beauty she exuded.

However, after she changed into her police uniform, the domineering aura of the woman grew even stronger, and her entire body released a threatening cold aura.

"Police Officer Su, I didn't expect that your police uniform would look so good." Wu Tian couldn't help but praise him.

Hearing this, the two policemen at the side couldn't help but be secretly surprised.

They did not expect the kid in front of them to be so daring as to openly tease Captain Su in the interrogation room.

Who was Su Ruyun? She was the most famous violent policewoman in the east city, a woman who would scare away criminals and criminals.

In the past when they were enforcing the law, Captain Su had directly broken the egg of the rapist and turned him into a eunuch.

Since then, none of the police officers dared to peep at Su Ruyun. They all lowered their heads in fright when they saw her.

And the brat in front of him was truly daring, he dared to use such a playful tone to tease Captain Su, he was simply courting death.

"Stop f \* cking smiling." Su Ruyun snapped impatiently, walked over and sat down at the interrogation table, coldly saying, "Name."

"Wu Tian."

"Gender?"

"Male."

"Home address?"

"Skysea Road, Skysea Garden."

"A mansion?" Su Ruyun narrowed her eyes slightly as she sized up the kid before her.

She didn't think that this poor looking brat would actually live in such a huge mansion. No wonder he dared to tease her in public.

She leaned back in her chair and asked coldly, "Do you think you can do whatever you want with money?"

"Willful if rich!"

"Shut up." Hearing this, Su Ruyun became even angrier. "Let me ask you, why are you fighting?"

"Someone else hit me, I'm defending myself."

"Forget about the fight, why did you take advantage of me?" Su Ruyun asked in an aggressive and cold tone.

The two policemen on the side gasped when they heard that. They stared at Wu Tian as if they were looking at a monster.

They never thought that this brat would be so bold as to dare to take advantage of the female devil.

The two policemen couldn't help but admire Wu Tian secretly. In this world, only this brat dared to take advantage of Police Officer Su.

"Police Officer Su, when did I ever take advantage of you?" Wu Tian asked back with a wronged expression.

"Just now, outside the dining hall ..."

"It was just physical contact."

"Pah!" Su Ruyun slapped the table angrily, pointed at Wu Tian and scolded, "You are such a bastard, you beast."

"Police Officer Su, don't be angry. If you get too angry, it will harm your body. It would be easy for you to die early, causing you to have irregular menstrual periods."

"You ..." She saw the kid's mischievous smile. Su Ruyun was so angry that her body was trembling. Her chest heaved up and down.

She couldn't beat this kid. Otherwise, she would chop him into mincemeat to vent the anger in her heart.

"Police Officer Su, you've asked all that needs to be asked. Can I leave now?" Wu Tian asked with a smile.

## **Hidden Billionaire Chapter 135 - Deliberately Make Things Difficult for People -**

C135 Deliberately Make Things Difficult for People

"Leave?"

Su Ruyun smiled viciously as she bared her teeth and said, "You have fallen into my hands today. It won't be that easy for you to leave."

"Could it be that Police Officer Su wants me to stay for dinner?" Wu Tian was still smiling mischievously.

He had never come into contact with such a beautiful policewoman before, and seeing this kind of beauty, he couldn't help but want to tease her a little.

"You're right. Not only will I treat you to dinner, I'll also let you eat for free for three years." Su Ruyun's face darkened as she said, "Brat, you attacked the police in public. I will lock you up in the prison for a long time."

"When did I attack the police?"

"You resisted the law, you refused to listen to advice, and you even dared to make a move against me. If this isn't attacking the police, then what is?"

"Police Officer Su, let's be reasonable." Wu Tian feigned a pitiful look and purposely said: "The reason why I fought you in the beginning was because I didn't know you were a cop. As the saying goes, those who don't know are innocent. This doesn't count as attacking police, right?"

"Cut the crap. If you attack a police officer, just attack a police officer."

"Are you still being reasonable?"

"Who allowed you to take advantage of me and touch my thigh?"

"Bastard!"

Wu Tian finally understood. "Just because I accidentally touched your thigh, you took the opportunity to take revenge, right?"

"I just want you to know that you won't be able to take advantage of me that easily." Su Ruyun gritted her teeth and threatened in a low voice, like a furious wolf, "Your days of suffering are yet to come."

After saying so, she waved her hand and ordered the two policemen, "Lock this brat up first."

"Yes sir!" The two policemen looked at Wu Tian sympathetically, then walked over and prepared to lock him up.

"Wait!"

"Police Officer Su, do you really think you can convict me like this?"

"I have the final say here." Su Ruyun raised her head arrogantly like a great general.

"That's not necessarily true. Police Officer Su is just a squad leader. If you want to convict me, I'm afraid it won't be that easy."

The sound of someone slamming the table rang out.

Su Ruyun slapped the table again, provoking him, "I'll lock you up in the cell right now. Let's see what you can create."

"I'll bet you a packet of spicy gluten. In less than five minutes, you'll let me off obediently."

"You brat, you really know how to boast. Fine, I'll give you five more minutes. I want to see how you will escape from my grasp." Having said so, Su Ruyun looked at the time. "The time starts now."

Then the interrogation room went silent.

Su Ruyun stared at Wu Tian with both of her eyes, as if she was sure of this kid's abilities.

Wu Tian did not show any signs of weakness and looked at Su Ruyun the same way.

Neither of them spoke. It was like a cold war.

Time passed silently, and soon, five minutes had passed.

The corner of Su Ruyun's mouth lifted into a winning smile as she said provocatively, "Kid, aren't you pretty good? Five minutes have passed, how are you still unable to escape from my grasp?"

The door opened.

At this time, the door to the interrogation room was pushed open.

A middle-aged man in a police uniform barged in.

Seeing the middle-aged man, Su Ruyun stood up from her chair and asked in a neutral tone, "Superintendent Liang, why are you here?"

The middle-aged man in front of her was the police chief of the east city police station, Liang Tianhua. As soon as he entered the door, he asked Su Ruyun, "Is this the Wu Tian that you just captured?"

"Right."

"Hurry up and release him." Liang Tianhua didn't even bother to ask about the situation and directly ordered Su Ruyun to release them.

"What?"

Su Ruyun was slightly stunned and quickly explained, "Wu Tian was fighting on the street and I went up to stop him. He actually attacked me and took advantage of me."

"What's with all the nonsense? Hurry up and let them go."

"Superintendent Liang, Wu Tian has openly attacked the police."

"Let him go." Liang Tianhua shouted impatiently.

"Yes sir!" Hearing the shout, Su Ruyun could only nod and instruct the two policemen, "Release this kid."

She wasn't willing to let this brat go, but seeing that Superintendent Liang was so angry, she could only do as he said.

If she investigated him further, the boy would not make any major mistakes.

Her original plan was to capture this brat to scare him off, then teach him a lesson to vent the anger in her heart.

Now that Superintendent Liang had personally stepped in, he could only give this brat an advantage.

"Thanks, Superintendent Liang." When Wu Tian was free, he thanked Liang Tianhua and turned to Lili. "Police Officer Su, I told you long ago that you would let me go. Do you believe me now?"

"You ..." The corner of Su Ruyun's mouth twitched in anger, but there was nothing she could do about it.

"Police Officer Su has such a good figure. It's a pity that I didn't learn any real skills. I'll teach you a few moves when I have time." Wu Tian's playful gaze swept over Su Ruyun a few times before he swaggered out of the interrogation room.

"You, you, you ..."

Seeing Wu Tian's arrogant attitude, Su Ruyun was so angry that the corner of her mouth started to tremble. After a long time, she finally spat out, "Brat, you better not fall into my hands next time. Otherwise, let's see how I'll deal with you."

"Let's talk next time we meet." Wu Tian turned around and blinked his left eye at Su Ruyun. He left her with an ambiguous smile and quickly left.

The sound of someone slapping the table rang out.

Su Ruyun was so angry that her heart almost exploded as she slammed her palm on the table.

This was the first time that she had been so brazenly teased. To be honest, she really wanted to hack this brat into eight pieces.

After Wu Tian left, she couldn't help but ask Superintendent Liang: "Superintendent Liang, why did you let Wu Tian go?"

"What crime did he commit?" Liang Tianhua asked instead of answering.

"He ..."

Before Su Ruyun could say anything, Liang Tianhua interrupted her, "Don't tell me he attacked the police. He didn't know you were a police officer before he attacked you."

Before entering the interrogation room, he already had a detailed understanding of the situation.

"But, he ... he took advantage of me." Su Ruyun retorted with a flushed face.

"This is just your subjective awareness. Even if you were taken advantage of by him, you can only blame your bad luck." Saying this, Liang Tianhua changed his tone, "It was the city police who called just now and asked us to release Wu Tian."

"What, you alarmed the police with such a small matter?" Su Ruyun was quite surprised to hear that.

The city police had never interfered with a small case in the district, let alone a small matter like a fight.

"From this, you can see that Wu Tian has a strong backing. Don't provoke him in the future." Liang Tianhua advised.

"Yes sir!" Su Ruyun replied straightforwardly, but she was secretly being ruthless. As long as there was a chance, she would definitely teach Wu Tian a lesson.

Having been taken advantage of by this brat for nothing, she definitely wouldn't let this matter rest.

As for Wu Tian, when he walked out of the interrogation room, he saw Sunn Xiaohao, Jiang Wan and Wang Hong still waiting in the hall.

The three of them were just discussing what to do when they saw that Wu Tian was safe and sound.

Sunn Xiaohao was happy. He quickly walked over and asked with concern, "Tian, are you alright?"

"What can I do for you? Let's go out and eat." Wu Tian smiled casually and took the lead to walk outside.

The three of them were slightly surprised for a moment, then quickly followed him out.

## **Hidden Billionaire Chapter 136 - Road Robbery -**

### **C136 Road Robbery**

Sunn Xiaohao couldn't help but ask again, "Tian, how did that female police officer let you off so easily?"

This time, Wu Tian teased the policewoman and took advantage of her in public. He originally thought that he had caused a huge disaster and would end up in jail.

He didn't expect that after less than half an hour of interrogation, he would be released safe and sound.

"That woman looks at me so handsome. Maybe she was attracted to me!" Wu Tian replied casually.

"I didn't expect a handsome face to be so useful." Jiang Wan couldn't help but tease, causing the other three to laugh out loud.

The four of them left the police station in the east of the city. They took a taxi to a roadside stall and ordered some barbecue to drink and chat.

Maybe it was because Wu Tian had easily escaped danger from the Police Station, but this made everyone very happy, and they all opened their mouths to eat and drink.

The content of their conversation revolved around the policewoman named Su Ruyun.

His three roommates were all impressed by Wu Tian. He took advantage of the female police in front of everyone and flirted with them, but in the end, as if nothing had happened, he just swaggered out of the Police Station.

They even urged Wu Tian to pursue Su Ruyun and tame that violent female police officer flower. Everyone wanted to see the beautiful police flower to be completely obedient to Wu Tian.

Of course, this was just a joke. It wasn't that easy to subdue a beauty cop flower, not to mention Wu Tian was very busy right now, so he couldn't put too much of his effort on a woman.

Drinking and chatting until late at night.

Tonight, everyone was very happy and they all drank a lot of wine.

Sunn Xiaohao and Jiang Wan drank until they were swaying and walking shakily, while Wu Tian didn't look any better.

The only one who wasn't drunk was Wang Hong. This brat was cheating, purposely not finishing the wine in his glass every time.

It was too late for Wu Tian to call Uncle Fugui, so he accompanied Sunn Xiaohao and the others back to the dormitory. Coincidentally, it wasn't too far from the school.

When the four passed by Xiangyang Road, more than ten hoodlums rushed out from both sides of the alley to intercept them.

These hoodlums seemed to be well-prepared, hiding nearby to wait and take the opportunity to attack them.

Seeing these hoodlums, the four of them immediately became much more clear-headed.

Wu Tian scanned the crowd and asked coldly, "Who are you? What are you trying to do? "

"It doesn't matter who we are." The leader was a man named bald head man. He stepped forward and shouted, "I heard that you guys are very rich. Leave behind the money and I'll spare your lives."

"Who told you we were rich?"

"That's none of your business."

"Actually, we are all very poor. We are so poor that we don't even have any living expenses. If you don't believe us, look." After Wu Tian said this, he opened his pockets and pants for others to see.

Sunn Xiaohao and Jiang Wan followed suit, opening their pockets to prove that they were all paupers.

This was the truth. Other than Wu Tian, Sunn Xiaohao and Jiang Wan's family conditions were indeed terrible.

"Stop f \* cking playing tricks on me." bald head man shouted impatiently, "How can the information provided by Young Master Zhao be fake?"

"Young Master Zhao? "Zhao Yang?" Wu Tian's eyes turned cold as he stared at bald head man.

Now, he was pretty sure that these people were brought here by Zhao Yang.

Zhao Yang must have been at a disadvantage and refused to give up. However, he couldn't beat them, so he told these thugs to block the way to rob them.

"What Zhao Yang? I don't even know him." bald head man hurriedly changed his words, knowing that he said the wrong thing.

Previously, Young Master Zhao had instructed him not to divulge the information about the other party's identity. In the end, he accidentally leaked the information he received just a moment ago.

"You go and tell Zhao Yang that for the sake of our classmates, I don't want to bother with a lot of things. However, if you force me into a corner, I definitely won't let him off easy." Wu Tian squinted his eyes and warned.

"Cut the crap, hurry up and give us the money, otherwise don't blame us for being impolite." bald head man shouted impatiently.

The main reason he brought people here tonight was to snatch the money. As for the grudge between Wu Tian and Zhao Yang, he didn't want to ask about it.

"How much do you want?"

"One hundred thousand."

"Only this little?"

"Each of us brothers will receive a hundred thousand. Give me a million, a total of two million and five hundred thousand." bald head man touched his big head and said with an evil smile.

"Here!" Wu Tian took out a bank card from his pocket, "There's 5 million here. If you want, help me with something."

"What is it?"

"Go help me teach Zhao Yang a lesson."

"Hahaha ..."

bald head man, the hoodlum, raised his head and let out a burst of mad laughter. After laughing for a long time, he finally couldn't help but ridicule: "Silly brat, you think too highly of yourself. How dare you bargain with us."

"This is a good deal for you."

"We never do business. All we want is to steal things with our hands." After bald head man said this, he ordered the hoodlums behind him, "Attack together and snatch the card from the brat."

"Yes." More than ten hoodlums, upon receiving the order, rushed towards the four of them like a swarm of bees.

Wu Tian's face tightened, turned around and shouted to Sunn Xiaohao and the others, "Quick, everyone split up and run."

As the saying goes, a wise man doesn't fight when the odds are against him. With their strength, they couldn't fight against so many hoodlums. Right now, they could only bring everyone and escape from this place.

After saying this, everyone scattered.

After running for not too far, Wu Tian was blocked by more than ten hoodlums.

Everyone had come for the money in his hands, so the main force naturally came to intercept him.

Sunn Xiaohao and Jiang Wan were not restricted by the main force and quickly rushed out of the encirclement. It was just that Wang Hong was too stupid. He suddenly ran into a dead end and was stopped by the hoodlum.

Just like this, Wu Tian and Wang Hong were besieged by more than a dozen hoodlums.

"You still dare to run? It seems that you are looking for a fight." bald head man's eyes flashed and his entire body exploded with anger.

"Big brother, I was wrong." Wang Hong was a coward. Seeing so many bullies surrounding him, he was so scared that he quickly gave in, "Didn't you guys want money? I'll give all of my money to you."

With that, he took out all the money he had in his pocket and handed it over to the hoodlum.

"Pah!"

bald head man knocked over several thousand yuan with a raise of his hand and roared impatiently, "You just want to f \* cking send the beggar away."

"I... That's all I have. "

"If you have no money, then just wait to get beaten up." bald head man raised his right hand and waved it hard: "Attack them together."

"Wait, don't attack yet." At the critical moment, Wang Hong pushed Wu Tian to the front, "This kid is rich. He is a rich man. You can go and find him for money however you want."

In this way, at the most critical moment, Wu Tian was sold out by Wang Hong.

"Alright, then let's tie this kid up first." bald head man pointed at Wu Tian and ordered his men.

"Yes sir!"

More than ten hoodlums pounced on Wu Tian like a swarm of bees.

"F \* ck!" Wu Tian cursed in his heart, raised his leg and walked towards the frontmost hoodlum to start a fight with him.

Facing so many hoodlums, Wu Tian was obviously unable to do anything and was beaten until he was forced to retreat step by step.

Seeing that they were about to be caught by those hoodlums, Sunn Xiaohao and Jiang Wan rushed into the crowd and started beating up those hoodlums.

Perhaps the two of them were too crazy, and they forced those hoodlums to take a few steps back.
