

Hidden Billionaire Chapter 141 - Close Pursuit of Stars -

C141 Close Pursuit of Stars

The two chatted for a while. Just as Wu Tian was about to leave, he saw Su Xiaoxiao coming over with a coquettish smile on her face.

"Boss Wu ..."

Su Xiaoxiao called out sweetly, and then she pressed her body close to Wu Tian, "I didn't think that Boss Wu would become the big boss of Seafood TV at such a young age."

"What's the matter?" Wu Tian kept a distance from the woman as he asked in a neither cold nor hot manner.

"That ..."

Su Xiaoxiao stroked her hair and said in a gentle tone, "After the carnival ends, I want to invite Boss Wu to my house for supper."

"You want me to come to your house for supper?" Wu Tian naturally understood what the woman meant and asked coldly.

"As long as Boss Wu wants to eat, I have everything at home." Su Xiaoxiao simply leaned her body over and spoke with a tone so gentle that it was ingrained in her bones.

"Sorry, I don't have time tonight, and I'm not interested in food." Wu Tian refused decisively. He had no interest in this kind of 'bus' that was sent up.

"Then, how about another day ..."

"It's almost time for the carnival. You should prepare yourself for it later. Don't disappoint me too much." Wu Tian threw down those words, turned around and quickly walked out of the Hou Residence area.

In this era, women like Su Xiaoxiao who sold their bodies for success were everywhere on the streets.

If it was any other fuerdai, they might have agreed to go with Su Xiaoxiao to have a "midnight snack". However, Wu Tian was not interested in this kind of woman at all.

Walking out of the waiting area, he saw that the audience below the stage was already packed. It was extremely noisy and lively.

Soon, he saw two familiar figures in the crowd. They were Sunn Xiaohao and Jiang Wan. He didn't expect them to join in the fun.

The injuries on their two bodies had not completely healed yet, so they did not dare to carelessly squeeze around in the crowd. They were quickly pushed to the back of the crowd.

Wu Tian quickly walked over and patted them on the back twice. He smiled and greeted them: "Xiaohao, Jiang Wan."

"Tian, you are here too." Sunn Xiaohao and Jiang Wan were both surprised and asked excitedly, "You're also here to participate in the seafood carnival?"

"Yes, I didn't expect you to be here."

"I heard that Huang Lan is going up on stage tonight. We came mainly to see her." Sunn Xiaohao and Jiang Wan couldn't hide the joy and excitement in their hearts.

Ever since they heard Huang Lan's latest single, the two of them had been deeply attracted to her and became her fans.

"Your injuries haven't healed yet. What are you looking at Huang Lan for? Hurry back home and recuperate." After Wu Tian said this, he pushed the two out of the crowd.

He did not want the two of them to squeeze in here. If they were to come into contact with a wound and become infected, it would be troublesome.

"Tian, tonight is a great chance to get close to Huang Lan. We don't want to miss it." Jiang Wan stood stubbornly on the spot.

Sunn Xiaohao was also very determined: "That's right, Tian, we finally got to Huang Lan on stage, so you should just let us stay. Besides, our small injuries are not that big of a deal."

"I was worried that you would be injured again."

"We know that you're doing this for our benefit, but if we leave without seeing Huang Lan, we really won't be willing to accept it." Jiang Wan looked at Wu Tian with a pleading expression.

At that moment, there was a commotion in the crowd.

A luxurious car drove over. Under the protection of a few bodyguards, Huang Lan walked down with a leather jacket and big black glasses on her face.

The fans instantly went crazy and rushed towards the RV. They instantly surrounded Huang Lan.

Everyone took out their phones to take a picture. They all took out pen and paper to ask Huang Lan for an autograph. They were all very enthusiastic.

In contrast to their enthusiasm, Huang Lan appeared apathetic. She only waved at them with a stiff expression.

Then she walked on long, long legs to the private lounge.

This was the Huang Lan that everyone was looking at. She was sexy, cold, arrogant, domineering, and gave people a cold feeling that she would reject them thousands of miles away.

Amidst the frantic cheers of the crowd, Huang Lan strode into the lounge, leaving a trace of her cold and arrogant back.

"Sigh!"

Seeing Huang Lan's figure disappearing, Sunn Xiaohao and Jiang Wan sighed at the same time.

They were pushed to the back of the crowd and didn't see anything. Before they could take out their phones to take a picture, Huang Lan was already out of sight.

The two of them regretted secretly that they did not have such a good opportunity to come into contact with Huang Lan at such a close distance. Unfortunately, they had already missed it.

"Tian, it seems like we have to push forward. Otherwise, it would be difficult to get close to Huang Lan." Jiang Wan said with a dejected expression.

"You really like Huang Lan that much?"

"Of course."

"Alright, as good brothers, I'll help you fulfill this wish." Wu Tian put his arm around their shoulders and said with a smile, "I'll take you to see Huang Lan."

"Tian, you sure know how to joke around." Sunn Xiaohao and Jiang Wan didn't quite believe him and thought Wu Tian was joking.

"I'm not joking with you. I'm serious."

"Forget it, it's unrealistic for you to want to peek. There are so many bodyguards outside the room, you were thrown out before you could even get close." Sunn Xiaohao thought Wu Tian wanted to peep.

"Who said I was going to peek? I was just blatantly watching. Let's go." Wu Tian forcefully pulled the two of them closer to the room where Huang Lan was temporarily resting.

Huang Lan lived in a different place compared to the other host. It was of a very high class and outside of the room, there were even bodyguards.

Sunn Xiaohao and Jiang Wan were trembling in fear, afraid that the bodyguards would throw them out.

Just as the three of them approached the lounge, a few tall bodyguards blocked their path, preventing them from approaching.

Wu Tian didn't say anything else. He took out his phone and sent a message to Huang Lan.

Not long after, the bodyguard at the door received a call. He respectfully opened the door and invited the three inside.

Looking at the bodyguard's attitude, Sunn Xiaohao and Jiang Wan were dumbstruck. They never thought that the bodyguard would actually let them in.

"Let's go!"

With these words, Wu Tian took the lead and walked towards the resting room. Sunn Xiaohao and Jiang Wan followed excitedly with slightly nervous expressions.

Although it was a temporary lounge, the interior was luxuriously decorated with all kinds of furniture and appliances.

As soon as they entered, they saw Huang Lan sitting in front of the sofa, looking at the impurities.

She was still wearing the leather pants and looked wild, but her posture was a bit casual.

Sunn Xiaohao and Jiang Wan were like thieves as they followed Wu Tian into the room with small steps. Their movements were even more stiff than wood.

As soon as they saw Huang Lan, the two became even more nervous. They were at a loss on what to do, and their hearts were beating wildly.

This was the first time they saw their idol at such a close distance, so they couldn't help but feel excited.

"Elder Sister Lan, I hope I didn't disturb your rest, right?" Compared to Sun and Jiang, Wu Tian was quite calm.

He had been together with Elder Sister Lan for so long and had eaten so many meals, the relationship between the two was no different from an ordinary friend.

However, when Wu Tian first met Huang Lan, he was just as nervous and excited as Sunn Xiaohao and Jiang Wan.

The sound of something being thrown rang out.

Huang Lan threw the magazine onto the table and said with a smile, "I'm happy that you're here. Go ahead and take a seat!"

Sunn Xiaohao and Jiang Wan were both surprised. They didn't expect Huang Lan to be so close to Wu Tian, even addressing him as brother and sister.

Hidden Billionaire Chapter 142 - Charming Atmosphere -

C142 Charming Atmosphere

Only now did Sun and Jiang realize that Tian and Huang Lan had known each other for a long time. It seemed that the relationship between the two of them was not ordinary.

Otherwise, with Huang Lan's haughty personality, she definitely wouldn't have called Tian her little brother, and even called him so affectionately.

"Right."

Wu Tian didn't rush to take his seat. He pointed to the two people behind him and introduced them, "These two are my classmates, Sunn Xiaohao and Jiang Wan."

"Then let your classmate take a seat as well!" Huang Lan swept a glance at the two of them and quickly returned to her usual indifference.

She would only show her feminine side in front of Wu Tian, but she always had a haughty attitude in front of other men.

"Come, sit down. Don't be too restrained." Wu Tian pushed the two to sit in front of the sofa.

However, the way they sat was funny. Their bodies were stiff and straight. They looked no different from wood.

After sitting down, Wu Tian said with a smile, "Elder Sister Lan, these two classmates of mine are your fans. They want to take a picture with you. Is that okay with you?"

"Since it's your classmate, of course there's no problem." Huang Lan stood up from the sofa. "Let's begin!"

"Alright, I'll take a picture of the three of you." Wu Tian hurriedly gave Sunn Xiaohao and Jiang Wan a wink.

Only then did the two of them react. They quickly got up and stood at Huang Lan's side, just that they were a little far from each other.

Wu Tian took out his phone to take a few pictures of the three of them, then suggested, "Why don't you give us an autograph!"

"I just happened to release a new album." Huang Lan took out two new albums from her bag, signed them, and handed them to Wu Tian.

"Thank you, Elder Sister Lan." After thanking him, Wu passed the two signed albums to Sunn Xiaohao and Jiang Wan.

The two of them were very excited when they received the new album.

"Alright, you guys can leave. I want to rest." Huang Lan expressionlessly gave the order to leave.

"Alright, then we'll be leaving first. I'll listen to your singing below the stage later." After Wu Tian said this, he brought Sunn Xiaohao and Jiang Wan and prepared to leave.

Just as he walked to the door, he heard Huang Lan speaking again, "Bad boy, you stay here and chat with sister."

"Ugh ..."

Wu Tian had no choice but to stop in his tracks and said to Sunn Xiaohao and Jiang Wan, "You guys go wait outside for a while, I'll be right out."

The two of them stared at Wu Tian as if they were looking at a monster, then quickly walked out of the room.

"Come and sit." Huang Lan patted the sofa beside her, then changed into a comfortable position and leaned on it.

This posture was very ungraceful. Fortunately, she wasn't wearing a dress, otherwise this posture would have been too beautiful.

Only when Wu Tian was around would she be so unscrupulous and disregard her image. In front of outsiders, she would always have a cold demeanor.

"Elder Sister Lan, is there something you want to tell me?" Wu Tian walked over and sat beside Huang Lan.

"What do you think people live for?" Huang Lan looked up at the ceiling and asked in a sentimental manner.

"For the sake of your dreams, for the sake of tomorrow's better than today's."

"What about you?"

"I ..." Wu Tian thought for a while before answering, "I'm a bit more vulgar, living to make myself stronger. I want to step on the people who used to mock me."

"Did you succeed?"

"I did it, but I didn't do it either."

"Then guess what I want. What do you think I want?"

"I think Elder Sister Lan is obsessed with music and wants to be loved by more people." Wu Tian didn't understand Huang Lan, so he could only give such an answer.

"No!" Huang Lan shook her head and denied, "My wish is not only about music."

"What's that?"

"Big Sis has many dreams." Huang Lan stood up and walked over to Wu Tian. She said in a serious tone that she had never heard before, "My biggest dream is to get you into bed."

"Cough, cough ..." Wu Tian coughed a few times. He almost choked to death on his own saliva.

After coughing for a long time, he could not help but complain, "Elder Sister Lan, your joke really caught people off guard."

"Pfft, hahaha ..."

Huang Lan couldn't hold it in any longer, so she threw her head back and laughed loudly.

After laughing for two minutes, Huang Lan held her chest and said, "I am so happy to be with you. I feel so free from worries and worries."

"As long as Elder Sister Lan is happy." Wu Tian was already used to this kind of joke. Seeing that Elder Sister Lan was happy, he also felt comfortable in his heart.

"Before you appeared, I rarely smiled."

"Why don't you laugh?"

"I can't laugh foolishly by myself, can I?"

"That's true." Wu Tian nodded in agreement and said politely, "I can laugh with Elder Sister Lan more in the future."

"What if I become dependent on you?"

"I don't have that kind of charm." Wu Tian had a silly smile on his face. He felt happy to hear that.

"The carnival is about to begin. Big Sis is going to change." Huang Lan twisted her sexy waist and said seductively, "Why don't you stay here and help sister change her clothes?"

"I'd be happy to."

"Smelly brat, are you serious? Go, go, quickly go!" Huang Lan impatiently urged him as she pointed at the door.

"Ok, then I'll be leaving first." Wu Tian pursed his lips and smiled, then turned around and walked outside.

Walking out of the room, he saw Sunn Xiaohao and Jiang Wan waiting outside. The two of them seemed very excited as they held the new album in their hands.

When they saw Wu Tian walk out, the two of them immediately went up and looked around Wu Tian as if they were admiring an antique.

"Bam!"

Their strange eyes stared at him for a long time. Liu Tie punched towards Wu Tian's chest, "Tian, that's great. You even know Huang Lan, a popular singer."

"Speak honestly, how did you know Huang Lan?" Sunn Xiaohao also asked curiously.

"This is a long story. The main reason is because I helped Huang Lan out last time and got to know her after that. We often ate together and got to know each other quite well." Wu Tian explained with a smile.

"You also eat together a lot." Jiang Wan punched Wu Tian in the chest again, "I'm so envious of you. Our idol is often with you."

"Actually, Elder Sister Lan is quite a good person."

"Of course she's not bad. You call her that affectionately and honestly. Do you guys have a relationship?"

"Shh!" Wu Tian made a gesture to keep quiet and advised the two, "Don't speak carelessly about this kind of thing. It would be bad for Elder Sister Lan's reputation if it were to be spread out."

"Why do I feel like Huang Lan likes you?" Sunn Xiaohao lowered his voice and couldn't help but ask.

"No, you think too much." After Wu Tian said this, he took the initiative to change the subject: "The carnival is about to begin. Let's go, I'll bring you guys to find a good seat."

"Take a seat?" Sunn Xiaohao and Jiang Wan thought they heard wrong.

There were no seating arrangements for tonight's event. All of the audience members were standing below the stage to watch. Where did the seating come from?

"Cut the crap, come with me." Wu Tian didn't say anything further and directly pulled the two of them towards the right side of the stage.

There were seven seats, the only seven seats in the entire Star Plaza.

It was just that these seats were not for the audience, but were seats that only the leaders of the higher levels of Seafood TV could sit in.

Who dared to sit in these seven seats?

Wu Tian walked over and instructed the two security guards, "Give us two additional seats over here."

Hidden Billionaire Chapter 143 - It Was Amazing -

C143 It Was Amazing

"Yes sir!" Without another word, the security guard hurriedly moved two sets of tables and chairs to the side.

Sunn Xiaohao and Jiang Wan were both dumbfounded. They couldn't help but open their mouths to question, "Tian, how can you command the security here?"

"I forgot to tell you guys. Actually, I'm the owner of Seafood TV, adding two sets of table and chairs wouldn't be too difficult." Wu Tian explained with a smile.

"You're amazing!"

Sunn Xiaohao and Jiang Wan exclaimed at the same time. They didn't expect Wu Tian to be the boss of Seafood TV, this was too freaking unexpected.

Previously, they only knew that Wu Tian was the boss of Tianmu Technology and Tianmu Technology, but they never thought that the boss of Seafood TV was also Wu Tian.

It is true that people say that the rich are willful. Rich people could invest in live broadcasts if they wanted to, and investing in food and beverages was very simple.

"Don't just stand there. Sit down!" Wu Tian pointed to a seat at the side, hinting them to sit down.

"Thank you, Tian." After the two of them expressed their gratitude, they sat down in front of the two so-called special guests seats.

This was a treatment that only Seafood TV executives could enjoy, he never thought that they would sit together with the higher ups tonight.

Seeing that the audience was standing, and only the two of them sitting high above, this caused their vanity to be greatly satisfied, allowing them to enjoy the glory.

Eight o'clock in the evening, Seafood TV carnival officially began.

The audience was already present, and the executives of Seafood TV were also seated.

After they sat down, they couldn't help but glance at Sunn Xiaohao and Jiang Wan. They were curious about these two strangers.

However, they were smart people and knew that Boss Wu had purposely arranged this to happen, so they naturally wouldn't ask too much.

Under the pursuit of the spotlight, the two hosts slowly walked onto the stage, their faces rippling with warm smiles like the spring breeze.

"Seafood TV carnival has officially begun. First, let us give a warm round of applause to the Seafood TV executives ..."

After a round of boring opening remarks, the host announced loudly, "Next, let us invite the hot new host, the masked young lady from Seafood TV, onto the stage."

*

A round of applause rang out from the audience.

After the applause, Wang Yan walked onto the stage wearing her cartoon mask.

"Hello everyone, I'm a masked girl. I've brought a popular song for everyone tonight ..."

Wang Yan was obviously a little nervous. She stood on the stage and said a few simple lines before she started to sing with deep love.

The performance of the stage was average, but her singing was indeed very infectious, and her singing was like the hearts of all the people.

After singing the song, the audience once again burst into applause.

After the applause, the host went back on stage and asked Wang Yan, "Masked girl, why are you wearing a mask all the time?"

"Not wearing a mask makes me feel anxious and nervous, so I keep wearing a mask to broadcast live." Wang Yan adjusted the mask on her face, trying her best to sound relaxed. "However, I intend to remove the mask tonight."

"Why did you suddenly take off your mask?"

"To thank someone."

"Who?"

"Brother Tian." Wang Yan replied. This was Wu Tian's name on the live broadcast platform.

The reason why she didn't say Wu Tian's real name was because she was afraid of being misunderstood and didn't want others to think that she was relying on Seafood TV Owner to get the position.

"Why are you thanking Brother Tian?" The host cooperated and continued asking.

"It was Brother Tian who gave me confidence, allowing me to find my value and the direction of my hard work. Thank you, Brother Tian." At this point, Wang Yan bowed deeply towards the audience.

"It seems that the masked girl is a girl who knows how to be grateful." After the host said this, he turned around to face the audience, "Does everyone want to see the masked girl's true appearance?"

"Yes!"

The audience shouted in unison.

Whether or not they were fans of the masked girl, everyone wanted to see the face under the mask.

Curiosity was innate. Everyone was curious about what kind of face was beneath the mask.

"Fine, I'll count to three. Let's witness the masked girl's true appearance together." After saying this, the host began to count down loudly. "Three, two, one ..."

Including Wu Tian, everyone widened their eyes as they stared at Wang Yan on the stage. They couldn't wait for her to take off her mask.

When the number of hosts reached "1", Wang Yan forcefully tore open her mask, revealing a delicate and pretty face with eyes as bright as spring water.

Everyone was stunned. They never thought that there would be such a clean girl in the world. She was fresh and refined, beautiful beyond compare, so beautiful that it would make one's heart tremble.

Many boys were enchanted by this face and instantly became her fans. They entered the platform on the spot to pay attention to the masked girl.

Even Wu Tian was deeply attracted by this face. He didn't expect Wang Yan's appearance to be so outstanding, as if she was a work of art hidden in a museum.

"I didn't expect the masked girl to be so beautiful. Even I, as a girl, was moved by her." After the host said this, he began interacting with the audience once again, "Does everyone like the masked girl?"

"I like her!" Most of the audience members who answered were male, and to the female students, most of them were jealousy.

"Since everyone likes the masked girl so much, please support her live broadcast by downloading Seafood TV. Then, search for her and pay attention to her." After the host finished his advertisement, he turned to Wang Yan and said, "The masked young lady is now preparing to rest. Please welcome tonight's second host"

Following that, the host invited the dozens of host onto the stage and had them perform, allowing everyone to vote on their performance.

After the performance of more than ten host, the star of the finale, Huang Lan, appeared.

The moment she stepped onto the stage, the crowd instantly burst into an uproar.

Most of the people who came to the carnival tonight were fans of Huang Lan, and they all came chasing after their idols.

Huang Lan didn't say much and just started to sing after she got on the stage.

She was indeed worthy of being called a powerful singer. After singing her song, many people were infected by the song and were unable to extricate themselves from it.

When everyone came to, they all thought that they had not heard enough and all hoped that Huang Lan would sing another song.

"Alright then. Next, I'll dedicate this song to one of the boys present." Huang Lan started to sing passionately after she finished her sentence.

Soon, everyone could tell that this was the new song from Huang Lan's new album. The song has not yet been released.

The song seemed to be a confession to a boy. The lyrics were implicit and obscure, but they exuded a strong sense of love. The song was exquisite and sweet, giving off a romantic vibe.

Once the song was over, the audience burst into an uproar.

Everyone was wondering if Huang Lan had fallen in love, or if this song was a tactful confession to that boy.

Everyone wanted to know, which boy was Huang Lan going to dedicate this song to? I wonder who will be lucky enough to be the lucky one?

However, Huang Lan never revealed the boy's name.

With the end of Huang Lan's performance, the atmosphere at the scene reached a climax as the entire Starlight Square became lively.

After the host finished his lines, the Seafood TV carnival ended.

The event went well and was normal in all respects, with the expected effect.

This time, Huang Lan's appearance also brought a great deal of publicity to the platform, so Wu Tian believed that the number of live broadcasts from Seafood TV would continue to rise.

Hidden Billionaire Chapter 144 - Negative News -

C144 Negative News

After the carnival ended, Wu Tian invited the host to join him for a meal and thanked them for their support.

During the banquet, a few female hosts fawned on Wu Tian to curry favor with him, and a few beautiful hosts even leaned close to Wu Tian.

They all wanted to take this opportunity to enter the company's management level. As long as they could get on good terms with Wu Tian, they could call the shots in Seafood TV in the future.

Especially Su Xiaoxiao, she purposely revealed her body to rub against Wu Tian. She was no different from a fox spirit.

Halfway through his meal, Wu Tian bid farewell to the host.

He was worried that at this rate, he would be tortured to death by those little fox spirits.

After the carnival, Wu Tian went back to his residence and continued to study as usual.

The night passed in silence.

The next day before dawn, Wu Tian received a call from Sunn Sheng.

"Boss Wu, it's bad." On the other end of the phone, Sunn Sheng's voice sounded very urgent, as if something big had happened.

Hearing that tone, Wu Tian instantly lost his sleepiness and asked anxiously into his phone: "What happened?"

"There are a lot of companies and negative news about you online."

"What negative news?"

"I can't explain it right now, so hurry up and come to the company." Sunn Sheng's tone was clearly a bit panicked.

"Alright, I'll be right there." Wu Tian hung up the phone and quickly put on his clothes before rushing back to the company.

He soon arrived at the seafood office building and found that the company was in chaos. The employees were extremely busy.

Wu Tian barged into the general manager's office. He saw that Sunn Sheng was busy making calls and looked very anxious.

After seeing Sunn Sheng finish his call, Wu Tian hurriedly asked: "Director Sun, what happened?"

"The internet is full of negative news about you. Take a look at this." After Sunn Sheng said that, he picked up his laptop and walked in front of Wu Tian.

In the entertainment circle, there was a piece of news: Shock, Seafood TV Owner Wu Tian had secretly followed the rules of the female host, doing unsightly things with several female host s in public.

Below the title, there were also a few HD pictures. They were the pictures of Wu Tian treating the host s to a meal last night.

There were four female host s in the picture. They were all in physical contact with Wu Tian, especially Su Xiaoxiao, whose hug with Wu Tian was photographed.

However, these photos were taken from different angles, so it was obvious that they were going to cause people to misunderstand.

"F * ck, who took this?" After seeing these photos, Wu Tian was immediately angered. It was obvious that someone was deliberately discrediting him.

"I don't know. I'm having someone investigate." Sunn Sheng placed his laptop on the table and said, "These photos are being spread very quickly online. The media is depicting them as darker. This incident has a huge impact on both you and the company."

"How much impact?"

"If we don't handle this properly, the flow of our Seafood TV will decrease rapidly and all our efforts during this period will be in vain." Sunn Sheng's expression was clearly a bit dejected.

During this period of time, they relied on Huang Lan's successful drainage to allow their Seafood TV to compete with the platform.

Currently, their Seafood TV bases were still very weak. They simply could not endure this kind of storm. If this continued, it would be a fatal blow to them.

"What an idiot." Wu Tian cursed angrily. However, he quickly regained his composure: "I suspect that someone is behind this incident."

"I think so too. This could have been done by a competitor, or your enemy." Sunn Sheng analyzed.

"Let's not jump to conclusions first. We'll talk about it after the investigation is over."

"I believe there will be results soon."

"Hmm, the most important thing now is to stop the negative effects." Wu Tian thought for a moment, then ordered, "Let all the entertainers who are on good terms with us clarify the matter, and also report the positive news about me and the host, using the media and public accounts to restore our company's image."

"We're doing this."

"That's good." Wu Tian nodded. Sunn Sheng was more experienced than him in public relations crises.

"In addition to all of this, we also want to create a breaking news. Can we spread the rumour about her boyfriend from Huang Lan?"

"No." Wu Tian refused decisively: "Don't involve Huang Lan in this matter. She has already done a lot for our company. I don't want her to be involved."

"Well, we'll start with the other stars." After Sunn Sheng said this, the phone on the table started to ring.

He only said a few words when he picked up the call. He quickly reported to Wu Tian, "Yes, the results are out. These negative news and photos were sent out by Dawei's studio."

"Dawei's studio?"

"Right, they are black-hearted public relations companies. They charge money to help people destroy their competitors."

"You stay at the company, I'll go find Dawei's studio." After Wu Tian said this, he turned around and quickly left the office. He took a taxi to Dawei's studio.

The studio was located on the eighth floor of Xinan Mansion. It was a small workshop with only a dozen employees.

Their business involves mainly the grey industrial chain, such as the black public relations, the navy, the spread of rumors and discredit and so on.

This kind of grey industry was not for show, so naturally it was impossible for it to grow. It could only survive in the cracks.

"I want to talk business with your boss." Wu Tian came to the shabby office and pretended to come over to discuss cooperation.

Upon hearing that a boss was coming to cooperate, the staff immediately became enthusiastic. They pointed to a separate office in the corner. "Our Manager Cai is in the office."

"Ok!"

Wu Tian answered and walked straight over to open the office door.

In the office, a bearded man was smoking a cigarette. He looked like a slob, not a manager, but a social hooligan.

"Sit down!" Cai Dawei exhaled a mouthful of smoke and asked with a smile, "What do you want to do with us?"

"It's about Seafood TV."

"Seafood TV?" Cai Dawei's eyes narrowed as he looked at Wu Tian. Only then did he recognize the owner of the Seafood TV, "You are the big boss of Seafood TV, Wu Tian?"

He got Doggy to take a lot of pictures of Wu Tian and the host previously, but he never expected that this brat would take the initiative to look for someone.

He knew that he did not come with good intentions. Cai Dawei extinguished the cigarette in his hand and said impatiently, "What are you doing here?"

"I want to know, why did you take those pictures of me and the host to mess with us?" Wu Tian didn't want to waste his breath and directly stated his purpose of coming here.

"To take money and work for someone, this is the goal of our studio."

"Who gave you the money?"

"This is a trade secret, of course I can't say it out loud." Cai Dawei crossed his arms in front of his chest with an impatient look on his face.

Wu Tian was infuriated.

Wu Tian took out his bank card and slammed it on the table. "I will give you ten times the money the other party gave you."

"We have our principles too. Even if you were to give me a hundred times more, it would still be useless. Scram!" Cai Dawei waved his hand and took out another cigarette to light it up.

"It seems like you don't want to work with me."

"Right, I won't work with you. Get lost!"

"Then don't blame me for being impolite." Wu Tian had already lost his patience and slowly forced his way over.

"Foolish brat, you really don't know how high the sky is and how deep the earth is." Cai Dawei waved his arms and threatened, "Before I started working in the studio, I was in the underworld."
